Approved

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Chapter 11 of Title 16.1 an article numbered 18, consisting of sections numbered 16.1-356 through 16.1-361, as follows:

Article 18.

Juvenile Competency.

§ 16.1-356. Raising question of competency to stand trial; evaluation and determination of competency.

A. If, at any time after the attorney for the juvenile has been retained or appointed pursuant to a delinquency proceeding and before the end of trial, the court finds, sua sponte or upon hearing evidence or representations of counsel for the juvenile or the attorney for the Commonwealth, that there is probable cause to believe that the juvenile lacks substantial capacity to understand the proceedings against him or to assist his attorney in his own defense, the court shall order that a competency evaluation be performed by at least one psychiatrist, clinical psychologist, or licensed clinical social worker who is qualified by training and experience in the forensic evaluation of juveniles.

The Commissioner of Mental Health, Mental Retardation and Substance Abuse Services shall approve the training and qualifications for individuals authorized to conduct juvenile competency evaluations and provide restoration services to juveniles pursuant to this article. The Commissioner shall also provide all juvenile courts with a list of guidelines for the court to use in the determination of qualifying individuals as experts in matters relating to juvenile competency and restoration.

B. The evaluation shall be performed on an outpatient basis at a community services board or behavioral health authority, juvenile detention home or juvenile justice facility unless the court specifically finds that (i) the results of the outpatient competency evaluation indicate that hospitalization of the juvenile for evaluation of competency is necessary or (ii) the juvenile is currently hospitalized in a psychiatric hospital. If one of these findings is made, the court, under authority of this subsection, may order the juvenile sent to a hospital designated by the Commissioner of Mental Health, Mental Retardation and Substance Abuse Services as appropriate for the evaluation of juveniles against whom a delinquency petition has been filed.

C. The court shall require the attorney for the Commonwealth to provide to the evaluators appointed under subsection A any information relevant to the evaluation, including, but not limited to (i) a copy of the warrant or petition, (ii) the names and addresses of the attorney for the Commonwealth, the attorney for the juvenile, and the judge ordering the evaluation, and (iii) information about the alleged offense. The court shall require the attorney for the juvenile to provide to the evaluator only the psychiatric records and other information that is deemed relevant to the evaluation of competency. The moving party shall provide the evaluator a summary of the reasons for the evaluation request. All information required by this subsection shall be provided to the evaluator within ninety-six hours of the issuance of the court order requiring the evaluation and when applicable, shall be submitted prior to admission to the facility providing the inpatient evaluation. If the ninety-six-hour period expires on a Saturday, Sunday or other legal holiday, the ninety-six hours shall be extended to the next day which is not a Saturday, Sunday or legal holiday.

D. If the juvenile is hospitalized under the provisions of subsection B, the juvenile shall be hospitalized for such time as the director of the hospital deems necessary to perform an adequate evaluation of the juvenile's competency, but not to exceed ten days from the date of admission to the hospital. All evaluations shall be completed and the report filed with the court within fourteen days of receipt by the evaluator of all information required under subsection C.

E. Upon completion of the evaluation, the evaluator shall promptly and in no event exceeding fourteen days after receipt of all required information submit the report in writing to the court and the attorneys of record concerning (i) the juvenile's capacity to understand the proceedings against him; (ii) his ability to assist his attorney; and (iii) his need for services in the event he is found incompetent, including a description of the suggested necessary services and least restrictive setting to assist the juvenile in restoration to competency. No statements of the juvenile relating to the alleged offense shall

 64 *personally participate in and introduce evidence at the hearing.*

65 *If the juvenile is otherwise able to understand the charges against him and assist in his defense, a*
 66 *finding of incompetency shall not be made based solely on any or all of the following: (i) the juvenile's*
 67 *age or developmental factors, (ii) the juvenile's claim to be unable to remember the time period*

 85 *and the juvenile continues to be incompetent but restorable to competency in the foreseeable future.*

86 *C. If, at any time after the juvenile is ordered to undergo services under subsection A of this section,*

 94 *for the foreseeable future, he shall send a report to the court so stating. The report shall also indicate*
 95 *whether, in the agent's opinion, the juvenile should be committed pursuant to Article 16 (§ 16.1-335 et*
 96 *seq.) of this chapter, certified pursuant to § 37.1-65.1, provided other services by the court, or released.*
 97 *Upon receipt of the report, the court shall make a competency determination according to the*

 116 *adjudication or disposition hearing.*

117 *No statement or disclosure by the juvenile concerning the alleged offense made during a competency*

122 Each psychiatrist, clinical psychologist, licensed clinical social worker, or other expert appointed by

124 service. With the exception of services provided by state mental health or mental retardation facilities,
125 the fee shall be determined in each instance by the court that appointed the expert, in accordance with
126 guidelines established by the Supreme Court after consultation with the Department of Mental Health,
127 Mental Retardation and Substance Abuse Services. If any such expert is required to appear as a witness
128 in any hearing held pursuant to § 16.1-356, he shall receive mileage and a fee of \$100 for each day
129 during which he is required to serve. An itemized account of expenses, duly sworn to, must be presented
130 to the court, and when allowed shall be certified to the Supreme Court for payment out of the state
131 treasury, and be charged against the appropriations made to pay criminal charges. Allowance for the
132 fee and for the per diem authorized shall also be made by order of the court, duly certified to the
133 Supreme Court for payment out of the appropriation to pay criminal charges.
