11	Be it enacted by the General Assembly of Virginia:
12	1. That § 58.1-4022 of the Code of Virginia is amended and reenacted as follows:
13	§ 58.1-4022. State Lottery Fund.
14 15	A. All moneys received from the sale of lottery tickets or shares, less payment for prizes and
15 16	compensation of agents as authorized by regulation and any other revenues received under this chapter,
17	shall be placed in a special fund known as the "State Lottery Fund." Notwithstanding any other
17	provisions of law, interest earned from moneys in the State Lottery Fund shall accrue to the benefit of such Fund.
19	B. The total costs for the operation and administration of the lottery shall be funded from the State
20	Lottery Fund and shall be in such amount as provided in the general appropriation act. Appropriations to
20 21	the Department during any fiscal year beginning on and after July 1, 1989, exclusive of agent
$\overline{22}$	compensation, shall at no time exceed ten percent of the total annual estimated gross revenues to be
$\overline{23}$	generated from lottery sales. However, should it be anticipated at any time by the Director that such
24	operational and administrative costs for a fiscal year will exceed the limitation provided herein, the
25	Director shall immediately report such information to the Board, the Governor and the Chairmen of
26	Senate Finance and House Appropriations Committees. From the moneys in the Fund, the Comptroller
27	shall establish a special reserve fund in such amount as shall be provided by regulation of the
28	Department for (i) operation of the lottery, (ii) use if the game's pay-out liabilities exceed its cash on
29	hand, or (iii) enhancement of the prize pool with income derived from lending securities held for
30	payment of prize installments, which lending of securities shall be conducted in accordance with lending
31	programs approved by the Department of the Treasury.
32	C. Any start-up sums appropriated from the general fund of the Commonwealth necessary to
33	commence operation of a state lottery shall be repaid within the first twelve months of initial lottery
34	sales.
35	D. Appropriation of lottery revenues shall be made only upon actual and audited collections as
36	transferred to the general fund and shall in no event be predicated upon an estimation of such revenues.
37 38	No later than ten days after receipt of the audit report required by § 58.1-4023, the Comptroller shall
58 39	transfer to the general fund, less the special reserve fund, the audited balances of the State Lottery Fund. In addition to such other funds as may be appropriated, 100 percent of the lottery revenues
40	transferred to the general fund shall be appropriated entirely and solely for the purpose of public
41	education in the Commonwealth, which purposes shall include, but not be limited to, those programs
42	specified in § 22.1-199.1.
43	Any lottery revenues which are, in the 1999 and 2000 fiscal years pursuant to the appropriation act,
44	appropriated for educational purposes to local school boards or localities shall be designated solely for
45	the support of one or more educational incentive programs. These educational incentive programs shall
46	be entirely voluntary and funds shall be distributed only upon the application of the local school board.
47	Lottery revenues so appropriated shall not be utilized by any local school board or governing body in
48	the 1999 or 2000 fiscal years for meeting the local required cost of maintaining an educational program
49	meeting the prescribed Standards of Quality pursuant to Section 2 of Article VIII of the Constitution of
50	Virginia. Therefore, as a condition of applying for and receiving these lottery funds for such voluntary
51	educational incentive programs, local school boards and governing bodies shall certify to the Board of
52	Education that any required local match, as set forth in the appropriation act for such voluntary
53 54	educational incentive program, shall be appropriated and that local appropriations to the relevant
54 55	school board for support of the local education program in the relevant school division, regardless of
55 56	whether such local funding exceeds the amount required by Section 2 of Article VIII of the Constitution of Virginia, shall be maintained in the local budget for the 1000 and 2000 fiscal wars. This
56 57	of Virginia, shall be maintained in the local budget for the 1999 and 2000 fiscal years. This certification shall verify that local appropriations for public K-12 education have not been and shall not
57 58	be reduced or supplanted with any lottery funds received hereunder for any voluntary educational
~ ~ ~	- of realized or suppliance with any lonery janus received hereander jor any volulitary calculational

This certification shall verify that local appropriations for public K-12 education have not been and shall not be reduced or supplanted with any lottery funds received hereunder for any voluntary educational incentive program in the 1999 and 2000 fiscal years. 59
