59 from their date or dates and may be made redeemable before their maturity or maturities at such price
60 or prices, all as may be determined by the Treasury Board, by and with the consent of the Governor.
61 The bonds shall be in such form; shall bear interest at a rate or rates, either at fixed rates or at rates
62 established by formula or other method; and may contain such other provisions, all as determined by
63 the Treasury Board or the State Treasurer, when authorized by the Treasury Board. The principal of,
64 premium, if any, and interest on the bonds shall be payable in lawful money of the United States of
65 America. The Treasury Board shall fix the denomination or denominations of the bonds and the place or
66 places for payment of the principal, premium, if any, and interest, which may be at the office of the
67 State Treasurer or at any one or more banks or trust companies within or without the Commonwealth.

68 Bonds may be issued under a system of book entry for recording the ownership and transfer of
69 ownership of rights to receive payments of the principal of, premium, if any, and interest on the bonds.

70 The Treasury Board may sell the bonds in such manner, either at public or private sale, and for
71 such price as it may determine, by and with the consent of the Governor, to be in the best interests of
72 the Commonwealth.

73 The "Commonwealth of Virginia Open Space Bonds, Series..." authorized hereby may be issued at
74 one time or in part from time to time or may, in the discretion of the Treasury Board, be issued and
75 sold at the same time with any general obligation bonds of the Commonwealth authorized pursuant to
76 Article X, Section 9 (a)(3), (b), or (c) of the Constitution of Virginia, to be designated "Commonwealth
77 of Virginia General Obligation Bonds, Series...", either as separate issues or combined issues.

78 § 4. The bonds shall be signed on behalf of the Commonwealth by the Governor or shall bear his
79 facsimile signature and by the State Treasurer or shall bear his facsimile signature and shall bear the
80 lesser seal of the Commonwealth or a facsimile thereof. In the event that the bonds bear the facsimile
81 signature of the State Treasurer, the bonds shall be signed by such administrative assistant or
82 authenticated by such agent as may be appointed by the State Treasurer. In case any officer whose
83 signature or facsimile of whose signature appears on any bonds ceases to be such officer before the
84 delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all
85 purposes the same as if he had remained in office until such delivery. Any bond may bear the facsimile
86 signature of, or may be signed by, such persons as at the actual time of the execution of such bond are
87 the proper officers to sign such bond although at the date of such bond such persons may not have been
88 such officers.

89 § 5. The Treasury Board is hereby authorized, by and with the consent of the Governor, to borrow
90 money in anticipation of the issuance of the bonds. Such bond anticipation notes shall be dated, shall
91 mature at such time or times not exceeding five years from their date or dates, and may be redeemable
92 before their maturity or maturities at such price or prices, all as may be determined by the Treasury
93 Board, by and with the consent of the Governor. The bond anticipation notes shall be in such form;
94 shall bear interest at such rate or rates, either at fixed rates or at rates established by formula or other
95 method; and may contain such other provisions, all as determined by the Treasury Board or the State
96 Treasurer, when authorized by the Treasury Board. Such bond anticipation notes shall be executed in
97 the manner provided in § 4 hereof.

98 § 6. Proceeds (including any premium) of the bonds (except the proceeds of bonds the issuance of
99 which has been anticipated by bond anticipation notes) and proceeds of any bond anticipation notes
100 shall be placed by the State Treasurer in a special capital outlay and land purchase and improvement
101 fund in the State Treasury and shall be disbursed only for the purpose for which the bonds and any
102 bond anticipation notes have been issued. In the event that the proceeds of the bonds exceed the cost of
103 the projects specified herein, the Treasury Board shall cause such excess proceeds to be deposited in the
104 sinking fund hereinafter created. The proceeds of the bonds, the issuance of which has been anticipated
105 by bond anticipation notes, shall be used to pay such bond anticipation notes. Funds provided by the
106 General Assembly, or from any other source, for the payment of the principal of, premium, if any, and
107 interest on the bonds, the issuance of which has been anticipated by bond anticipation notes, shall be
108 used to pay the principal of, premium, if any, and interest on any bond anticipation notes.

109 § 7. The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue, at
110 one time or from time to time, refunding bonds of the Commonwealth, to be designated "Commonwealth
111 of Virginia Open Space Bonds, Series...", to refund any or all of the bonds issued under this act. No
112 refunding bonds shall be issued in a principal amount exceeding that necessary to amortize the
113 principal of, premium, if any, and interest on the bonds to be refunded and to pay all issuance costs
114 and other financing expenses of the refunding bonds. Such refunding bonds may be issued whether or
115 not the bonds to be refunded are then subject to redemption. Such refunding bonds shall be issued and
116 sold in the manner and subject to the limitations prescribed in § 3 for the issuance and sale of bonds
117 and shall be executed in the manner provided in § 4 for the execution of bonds.

118 The "Commonwealth of Virginia Open Space Refunding Bonds, Series..." authorized hereby may be
119 issued at one time or in part from time to time or may, in the discretion of the Treasury Board, be
120 issued and sold at the same time with any general obligation bonds of the Commonwealth authorized

pursuant to Article X, Section 9 (a)(3), (b), or (c) of the Constitution of Virginia, to be designated "Commonwealth of Virginia General Obligation Bonds, Series ...," either as separate issues or combined issues.

§ 8. The proceeds of the refunding bonds shall be applied to (i) the payment of issuance costs and other financing expenses; (ii) the payment of matured or redeemable bonds, including any redemption premium; (iii) the payment of unmatured bonds which shall then be on deposit with a bank or trust company for surrender to the Commonwealth upon receipt therefor of a sum not exceeding the amount due on such bonds; or (iv) the establishment of an escrow or sinking fund consisting of cash and noncallable obligations of, or unconditionally guaranteed as to payment of principal and interest in full by the United States of America in an amount which together with interest to be earned on such obligations will be sufficient to pay all bonds to be refunded either at maturity or upon redemption, all as provided for upon the creation of such sinking fund. Any escrow or sinking fund established with the proceeds from the sale of any refunding bonds shall be irrevocably pledged to the payment of the bonds to be refunded, and shall be used solely to pay such bonds at maturity or upon redemption or for the purchase of not less than all of the bonds to be refunded. Any such escrow or sinking fund shall constitute a special fund for the payment of such refunding bonds, and such refunding bonds, to the extent of the amount set aside for the payment thereof in such sinking fund, shall not be included for the purposes of determining any limitations upon the amount of bonded indebtedness of the Commonwealth that may be incurred pursuant to Section 9 (b) of Article X of the Constitution of Virginia.

§ 9. The proceeds of the bonds and any refunding bonds or bond anticipation notes are hereby appropriated for disbursement from the State Treasury for the current biennium pursuant to Article X, Section 7 of the Constitution of Virginia, and § 2.1-224 of the Code of Virginia. The general conditions and general provisions of the general appropriation act enacted pursuant to Chapter 27 (§ 2.1-387 et seq.) of Title 2.1 of the Code of Virginia, in effect from time to time, and all of the terms and conditions contained therein shall apply to the capital projects listed in § 2. The Governor or his designee is hereby authorized to increase the appropriation for any project listed in § 2 by the amount of the proceeds of donations, gifts, grants or other nongeneral funds paid into the State Treasury in excess of such appropriation.

§ 10. Pending the application of the proceeds of the bonds or any bond anticipation notes to the purpose for which they have been authorized, all or any part of such proceeds may be invested by the State Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds. Whenever the State Treasurer receives interest from the investment of proceeds of bonds or any bond anticipation notes, such interest shall become a part of the principal of the bonds or any bond anticipation notes and shall be used in the same manner as required for the principal of the bonds or any bond anticipation notes. However, the Treasury Board may direct that the interest received from the investment of proceeds of the bonds or any bond anticipation notes be transferred to the general fund of the State Treasury.

§ 11. The full faith and credit of the Commonwealth is hereby irrevocably pledged for the payment of the principal of and the interest on the bonds and any refunding bonds herein authorized. The proceeds of the bonds, the issuance of which has been anticipated by bond anticipation notes, are hereby irrevocably pledged for the payment of the principal of and interest on such bond anticipation notes. In addition, the Treasury Board may pledge the full faith and credit of the Commonwealth for the payment of the principal of and interest on any bond anticipation notes. If sufficient funds are not appropriated in the budget for any fiscal year for the timely payment of the principal of and the interest on the bonds, any refunding bonds or any bond anticipation notes where the full faith and credit of the Commonwealth has been pledged, a sum sufficient to pay such principal and interest shall be set apart by direction of the Governor, from the first general fund revenues received during such fiscal year and thereafter.

In order to insure the payment of the principal of and the interest on the bonds or any refunding bonds, there is hereby created a sinking fund for such purposes in which there shall be deposited annually, beginning not later than one-tenth of the term of the bonds or refunding bonds, as the case may be, out of any available moneys in the general fund of the State Treasury, or from any other source, a sum sufficient to pay the principal of and the interest on the bonds becoming due in each year. In the event that any series of bonds or refunding bonds shall all become due in one year, there shall be deposited annually into such sinking fund, in addition to the amount necessary to pay the interest on the bonds or the refunding bonds, as the case may be, a sum sufficient for redeeming or paying all such bonds or the refunding bonds, as the case may be, by their stated maturity. The amounts of such annual deposits of principal shall be determined by the Treasury Board, by and with the consent of the Governor prior to the issuance of the bonds or the refunding bonds, as the case may be, provided that no annual deposit shall exceed the smallest previous annual deposit by more than 100 percent. Such sinking fund shall not be appropriated for any other purpose.
