

1999 SESSION

INTRODUCED

996340410

HOUSE JOINT RESOLUTION NO. 556

Offered January 18, 1999

Requesting the Joint Commission on Health Care, with the assistance of the Virginia Department of Health, to examine the adequacy of state oversight of freestanding renal dialysis facilities.

Patron—Puller

Referred to Committee on Rules

WHEREAS, renal dialysis is an important part of care for persons with chronic kidney disease; and
WHEREAS, the Joint Commission on Health Care has previously reviewed the adequacy of state oversight of other types of health care facilities; and
WHEREAS, the Virginia Department of Health is the primary state regulator of health care facilities; and
WHEREAS, outpatient renal dialysis services provided within hospitals is currently regulated by the Department of Health under regulations promulgated by the Board of Health; and
WHEREAS, renal dialysis services are offered in a variety of settings; and
WHEREAS, consumer concern has been expressed regarding the adequacy of state oversight of freestanding renal dialysis facilities; now, therefore, be it
RESOLVED by the House of Delegates, the Senate concurring, That the Joint Commission on Health Care, with the assistance of the Virginia Department of Health, examine (i) the adequacy of current state oversight of freestanding renal dialysis facilities; (ii) needed changes, if any, to state law and regulations; and (iii) other issues as appropriate; and, be it
RESOLVED FURTHER, That all agencies of the Commonwealth shall cooperate fully with the Joint Commission on Health Care and its staff during this study; and, be it
RESOLVED FINALLY, That the Joint Commission on Health Care report its findings and recommendations to the Governor and the 2000 Session of the General Assembly as provided in the procedures of the Division of Legislative Automated Systems for the processing of legislative documents.
