Agreed to by the Senate, February 18, 1999

WHEREAS, areas are now capable of having more than two cellular service providers in a single area; and

WHEREAS, the northern sections of Buchanan County and the section of Dickenson County that includes the Breaks Interstate Park are not currently included in the local cellular calling area administered by ALLTEL Corporation; and

WHEREAS, the communication system must be considered as highways that separate those parts of Buchanan County and Dickenson County from the Cumberland Plateau Planning District, the Virginia Coalfield Coalition, the Coalfield Economic Development Authority, and the Coalfield Regional Tourism Authority; and

WHEREAS, these and other developments require telecommunications service that will enable the region to continue to grow; now, therefore, be it
