1	HOUSE JOINT RESOLUTION NO. 659
2	House Amendments in [] — February 9, 1999
3	Expressing the sense of the General Assembly concerning Virginia's implementation of the children's
4	health insurance program [ pursuant to Title XXI of the United States Social Security Act ].
5	neutin insurance program [ parsaum to the AAT of the Onicu Succes Social Security Act ].
6	Patron—Armstrong
7 8	
8	Referred to Committee on Rules
9	
10	WHEREAS, in 1997 Congress approved the new Title XXI of the Social Security Act, establishing
11	authority for states to implement children's health insurance plans for low-income families and providing
12	an enhanced federal funding match for such programs; and
13	WHEREAS, states were authorized to implement this program as (i) an expansion of Medicaid, (ii)
14	an insurance program with co-payments and premiums for children who are not eligible for Medicaid
15	and which covers the same or similar services as the relevant state employees' health benefit plan or (iii)
16	a combination thereof; and
17	WHEREAS, during the 1998 Session of the General Assembly, several bills were introduced to
18	provide for the components of this program in Virginia; and
19	WHEREAS, unfortunately, significant controversy developed concerning the various choices in
20	policy, that is, whether Medicaid should be expanded or a straight insurance program be implemented;
21	and
22	WHEREAS, although agreement on the components of this program was never reached, all policy
23	makers were in agreement that the Commonwealth must provide health insurance to low-income
24	children; and
25	WHEREAS, a plan was submitted to the federal Health Care Financing Administration, was
26	approved by the United States Secretary of Health and Human Services, and is being implemented by
<b>2</b> 7	the Department of Medical Assistance Services at this time; and
28	WHEREAS, this plan provides for an insurance program with benefits consistent with the Virginia
20 29	
<b>30</b>	Plan for Medical Assistance Services; and WUEPEAS one of the issues in the 1008 debate related to the federal evolution of state and level
	WHEREAS, one of the issues in the 1998 debate related to the federal exclusion of state and local
31	government employees' participation in a straight insurance program; and
32	WHEREAS, as Virginia's program began implementation over the last several months, the members
33	of the General Assembly have heard from low-income parents who are employed by the state or a local
34	government and cannot afford to pay for the relevant employees' health insurance program; and
35	WHEREAS, these parents are hard-working Virginians, some of them holding down two jobs, who
36	are working to provide their children with a better life than they themselves are experiencing; and
37	WHEREAS, some of these parents have children with special health needs and are desperate to find
38	an affordable way to purchase health insurance; and
39	WHEREAS, when these parents applied for the children's health insurance program for their children,
40	they were informed that their children are not eligible because of their parents' employment with a state
41	or local agency; and
42	WHEREAS, upon learning of their children being ineligible for this health insurance program
43	because of their parents' employment, these parents have been confused and dismayed, asking why this
44	distinction was made and what can be done to remedy this situation; now, therefore, be it
45	RESOLVED by the House of Delegates, the Senate concurring, That the Governor and the
<b>4</b> 6	Department of Medical Assistance Services be urged to implement [ Virginia's Title XXI program for
47	
	the ] children's health insurance [ program ] in such a way as to provide eligibility for local government
48	low-income employees and the Commonwealth's low-income employees with children; and, be it
<b>49</b>	RESOLVED FURTHER, That no state or local government employee be a second-class citizen in
50	this Commonwealth and that every child of a low-income state or local employee have the same
51	opportunity as children in other low-income families to receive adequate and necessary health care; and,
52	be it
53	RESOLVED FINALLY, That the Clerk of the House of Delegates transmit copies of this resolution
54	to the Governor, the Virginia Secretary of Health and Human Resources, and the Director of the
55	Department of Medical Assistance Services in order that they may be apprised of the sense of the
56	General Assembly in this matter.
