[S 1142]

Approved

Be it enacted by the General Assembly of Virginia:

1. That § 2.1-342 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding in Title 2.1 a chapter numbered 32.3, consisting of sections numbered 2.1-548.53 through 2.1-548.68, as follows:

§ 2.1-342. Official records to be open to inspection; procedure for requesting records and responding to request; charges; exceptions to application of chapter.

A. Except as otherwise specifically provided by law, all official records shall be open to inspection and copying by any citizens of the Commonwealth during the regular office hours of the custodian of such records. Access to such records shall not be denied to citizens of the Commonwealth, representatives of newspapers and magazines with circulation in the Commonwealth, and representatives of radio and television stations broadcasting in or into the Commonwealth. The custodian of such records shall take all necessary precautions for their preservation and safekeeping. Any public body covered under the provisions of this chapter shall make an initial response to citizens requesting records open to inspection within five work days after the receipt of the request by the public body which is the custodian of the requested records. Such citizen request shall designate the requested records with reasonable specificity. A specific reference to this chapter by the requesting citizen in his request shall not be necessary to invoke the provisions of this chapter and the time limits for response by the public body. The response by the public body within such five work days shall be one of the following responses:

1. The requested records shall be provided to the requesting citizen.

2. If the public body determines that an exemption applies to all of the requested records, it may refuse to release such records and provide to the requesting citizen a written explanation as to why the records are not available with the explanation making specific reference to the applicable Code sections which make the requested records exempt.

3. If the public body determines that an exemption applies to a portion of the requested records, it may delete or excise that portion of the records to which an exemption applies, but shall disclose the remainder of the requested records and provide to the requesting citizen a written explanation as to why these portions of the record are not available to the requesting citizen with the explanation making specific reference to the applicable Code sections which make that portion of the requested records exempt. Any reasonably segregatable portion of an official record shall be provided to any person requesting the record after the deletion of the exempt portion.

4. If the public body determines that it is practically impossible to provide the requested records or to determine whether they are available within the five-work-day period, the public body shall so inform the requesting citizen and shall have an additional seven work days in which to provide one of the three preceding responses.

Nothing in this section shall prohibit any public body from petitioning the appropriate court for additional time to respond to a request for records when the request is for an extraordinary volume of records and a response by the public body within the time required by this chapter will prevent the public body from meeting its operational responsibilities. Before proceeding with this petition, however, the public body shall make reasonable efforts to reach an agreement with the requester concerning the production of the records requested.

The public body may make reasonable charges for the copying, search time and computer time expended in the supplying of such records. The public body may also make a reasonable charge for preparing documents produced from a geographic information system at the request of anyone other than the owner of the land that is the subject of the request. However, such charges shall not exceed the actual cost to the public body in supplying such records or documents, except that the public body may charge, on a pro rata per acre basis, for the cost of creating topographical maps developed by the public body, for such maps or portions thereof, which encompass a contiguous area greater than fifty acres. Such charges for the supplying of requested records shall be estimated in advance at the request of the

citizen. The public body may require the advance payment of charges which are subject to advance determination.

In any case where a public body determines in advance that search and copying charges for producing the requested documents are likely to exceed \$200, the public body may, before continuing to process the request, require the citizen requesting the information to agree to payment of an amount not to exceed the advance determination by five percent. The period within which the public body must respond under this section shall be tolled for the amount of time that elapses between notice of the advance determination and the response of the citizen requesting the information.

Official records maintained by a public body on a computer or other electronic data processing system which are available to the public under the provisions of this chapter shall be made reasonably accessible to the public at reasonable cost. Beginning July 1, 1997, every public body of state government shall compile, and annually update, an index of computer databases which contains at a minimum those databases created by them on or after July 1, 1997. "Computer database" means a structured collection of data or documents residing in a computer. Such index shall be an official record and shall include, at a minimum, the following information with respect to each database listed therein: a list of data fields, a description of the format or record layout, the date last updated, a list of any data fields to which public access is restricted, a description of each format in which the database can be copied or reproduced using the public body's computer facilities, and a schedule of fees for the production of copies in each available form. The form, context, language, and guidelines for the indices and the databases to be indexed shall be developed by the Director of the Department of Information Technology in consultation with the Librarian of Virginia and the State Archivist. The public body shall not be required to disclose its software security, including passwords.

Public bodies shall not be required to create or prepare a particular requested record if it does not already exist. Public bodies may, but shall not be required to, abstract or summarize information from official records or convert an official record available in one form into another form at the request of the citizen. The public body shall make reasonable efforts to reach an agreement with the requester concerning the production of the records requested.

Failure to make any response to a request for records shall be a violation of this chapter and deemed a denial of the request.

B. The following records are excluded from the provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law:

1. Memoranda, correspondence, evidence and complaints related to criminal investigations; adult arrestee photographs when necessary to avoid jeopardizing an investigation in felony cases until such time as the release of such photograph will no longer jeopardize the investigation; reports submitted to the state and local police, to investigators authorized pursuant to § 53.1-16 and to the campus police departments of public institutions of higher education as established by Chapter 17 (§ 23-232 et seq.) of Title 23 in confidence; portions of records of local government crime commissions that would identify individuals providing information about crimes or criminal activities under a promise of anonymity; records of local police departments relating to neighborhood watch programs that include the names, addresses, and operating schedules of individual participants in the program that are provided to such departments under a promise of confidentiality; and all records of persons imprisoned in penal institutions in the Commonwealth provided such records relate to the imprisonment. Information in the custody of law-enforcement officials relative to the identity of any individual other than a juvenile who is arrested and charged, and the status of the charge or arrest, shall not be excluded from the provisions of this chapter.

Criminal incident information relating to felony offenses shall not be excluded from the provisions of this chapter; however, where the release of criminal incident information is likely to jeopardize an ongoing criminal investigation or the safety of an individual, cause a suspect to flee or evade detection, or result in the destruction of evidence, such information may be withheld until the above-referenced damage is no longer likely to occur from release of the information.

2. Confidential records of all investigations of applications for licenses and permits, and all licensees and permittees made by or submitted to the Alcoholic Beverage Control Board, the State Lottery Department, the Virginia Racing Commission, or the Charitable Gaming Commission.

3. State income, business, and estate tax returns, personal property tax returns, scholastic records and personnel records containing information concerning identifiable individuals, except that such access shall not be denied to the person who is the subject thereof, and medical and mental records, except that such records can be personally reviewed by the subject person or a physician of the subject person's choice; however, the subject person's mental records may not be personally reviewed by such person when the subject person's treating physician has made a part of such person's records a written statement that in his opinion a review of such records by the subject person would be injurious to the subject person's physical or mental health or well-being.

Where the person who is the subject of medical records is confined in a state or local correctional facility, the administrator or chief medical officer of such facility may assert such confined person's right of access to the medical records if the administrator or chief medical officer has reasonable cause to believe that such confined person has an infectious disease or other medical condition from which other persons so confined need to be protected. Medical records shall be reviewed only and shall not be copied by such administrator or chief medical officer. The information in the medical records of a person so confined shall continue to be confidential and shall not be disclosed to any person except the subject by the administrator or chief medical officer of the facility or except as provided by law.

For the purposes of this chapter such statistical summaries of incidents and statistical data concerning patient abuse as may be compiled by the Commissioner of the Department of Mental Health, Mental Retardation and Substance Abuse Services shall be open to inspection and releasable as provided in subsection A of this section. No such summaries or data shall include any patient-identifying information. Where the person who is the subject of scholastic or medical and mental records is under the age of eighteen, his right of access may be asserted only by his guardian or his parent, including a noncustodial parent, unless such parent's parental rights have been terminated or a court of competent jurisdiction has restricted or denied such access. In instances where the person who is the subject thereof is an emancipated minor or a student in a state-supported institution of higher education, such right of access may be asserted by the subject person.

4. Memoranda, working papers and correspondence (i) held by or requested from members of the General Assembly or the Division of Legislative Services or (ii) held or requested by the Office of the Governor or Lieutenant Governor, Attorney General or the mayor or other chief executive officer of any political subdivision of the Commonwealth or the president or other chief executive officer of any state-supported institution of higher education. This exclusion shall not apply to memoranda, studies or other papers held or requested by the mayor or other chief executive officer of any political subdivision which are specifically concerned with the evaluation of performance of the duties and functions of any locally elected official and were prepared after June 30, 1992, nor shall this exclusion apply to agenda packets prepared and distributed to public bodies for use at a meeting.

As used in this subdivision 9, "test or examination" shall include (i) any scoring key for any such test or examination and (ii) any other document which would jeopardize the security of such test or examination. Nothing contained in this subdivision 9 shall prohibit the release of test scores or results as provided by law, or limit access to individual records as is provided by law. However, the subject of such employment tests shall be entitled to review and inspect all documents relative to his performance on such employment tests.

When, in the reasonable opinion of such public body, any such test or examination no longer has any potential for future use, and the security of future tests or examinations will not be jeopardized, such test or examination shall be made available to the public. However, minimum competency tests administered to public school children shall be made available to the public contemporaneously with statewide release of the scores of those taking such tests, but in no event shall such tests be made available to the public later than six months after the administration of such tests.

10. Applications for admission to examinations or for licensure and scoring records maintained by the Department of Health Professions or any board in that Department on individual licensees or applicants. § 2.1-548.53. *Short title.*

This chapter shall be known and may be cited as the Virginia Tourism Authority Act.

§ 2.1-548.54. *Legislative findings and purposes.*

The General Assembly finds and hereby declares that:

1. *There exists in all geographical regions of the Commonwealth a rich plethora of tourist attractions, including cultural, historical, commercial, educational, and recreational activities, locations, and sources of entertainment;*

2. *Such tourist attractions are of potential interest to millions of people who reside both in and outside the Commonwealth;*

3. *Promotion of tourism in the Commonwealth is necessary to increase the prosperity of the people of the Commonwealth;*

4. *A state tourism development authority is therefore necessary to stimulate the tourism segment of the economy by promoting, advertising, and marketing the Commonwealth's many tourist attractions and by coordinating other private and public efforts to do the same; and*

5. *The film industry is a legitimate and important part of economic development in the Commonwealth.*

The General Assembly determines that the creation of an authority for this purpose is in the public interest, serves a public purpose and will promote the health, safety, welfare, convenience or prosperity of the people of the Commonwealth.

§ 2.1-548.55. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Authority" means the Virginia Tourism Authority created by this chapter.

"Board" or "Board of Directors" means the Board of Directors of the Authority.

"Member" means a person currently serving a term on the Board of Directors.

§ 2.1-548.56. Creation of Authority.

The Virginia Tourism Authority is created, with the duties and powers set forth in this chapter, as a public body corporate and as a political subdivision of the Commonwealth. The Authority is hereby constituted a public instrumentality exercising public and essential governmental functions, and the exercise by the Authority of the duties and powers conferred by this chapter shall be deemed and held to be the performance of an essential governmental function of the Commonwealth. The exercise of the powers granted by this chapter shall be in all respects for the benefit of the inhabitants of the Commonwealth and the increase of their commerce and prosperity. The Authority is authorized to do business as the "Virginia Tourism Corporation," and any references in the Code or in any regulations promulgated thereunder that refer to the Virginia Tourism Corporation shall, whenever necessary, be deemed to refer to the Authority.

§ 2.1-548.57. Board of Directors.

A. All powers, rights and duties conferred by this chapter or other provisions of law upon the Authority shall be exercised by a board of directors consisting of the Secretary of Commerce and Trade, the Secretary of Finance, and eleven members appointed by the Governor, subject to confirmation by the General Assembly. The members of the Board appointed by the Governor shall serve terms of six years each, except that the original terms of four members appointed by the Governor shall end on June 30, 2000, the original term of four members appointed by the Governor shall end on June 30, 2001, and the terms of three members appointed by the Governor shall end on June 30, 2002, all as designated by the Governor. Any appointment to fill a vacancy on the Board shall be made for the unexpired term of the member whose death, resignation or removal created the vacancy. All members of the Board shall be residents of the Commonwealth. Members may be appointed to successive terms on the Board of Directors. The Governor shall make appointments in such a manner as to ensure the widest possible geographical representation of all parts of the Commonwealth. Each member of the Board shall be reimbursed for his or her reasonable expenses incurred in attendance at meetings or when otherwise engaged in the business of the Authority and shall be compensated at the rate provided in § 2.1-20.3 for each day or portion thereof in which the member is engaged in the business of the Authority.

B. The Governor shall designate one member of the Board as chairman. The Board may elect one member as vice-chairman, who shall exercise the powers of chairman in the absence of the chairman or as directed by the chairman. An act of the majority of the members of the Board present at any regular or special meeting at which a quorum is present shall be an act of the Board of Directors. No vacancy on the Board shall impair the right of the majority of a quorum of the members of the Board to exercise all the rights and perform all the duties of the Authority.

D. Notwithstanding the provisions of any other law, no officer or employee of the Commonwealth shall be deemed to have forfeited or shall have forfeited his or her office or employment by reason of acceptance of membership on the Board or by providing service to the Authority.

§ 2.1-548.58. Appointment and duties of Executive Director.

The Governor shall appoint an Executive Director of the Authority, who shall serve as President and chief executive officer of the Authority. He shall also perform other duties as instructed by the Board

in carrying out the purposes of this chapter. A. There is hereby established the Cooperative Tourism Advertising Fund (Co-op Fund) for the purpose of encouraging, stimulating, and supporting the tourism segment of the economy of the Commonwealth and the direct and indirect benefits that flow from the success of such industry. To

create the public-private partnership envisioned by such Co-op Fund, the Co-op Fund shall be established out of the sums appropriated from time to time by the General Assembly for the purpose of matching private funds to be used for the promotion, marketing, and advertising of the Commonwealth's many tourist attractions and locations. Proposals shall be eligible for matching grant funds under this section only if they promote, market and advertise locations or destinations solely within the territorial limits of the Commonwealth. The Co-op Fund shall be administered and managed by the Authority and expended pursuant to a formula contained in the general appropriation act.

B. In the event more than one person seeks to take advantage of the benefits conferred by this section and the Co-op Fund is insufficient to accommodate all such requests, the matching formula shall be adjusted, to the extent practicable, to afford each request for which there is a valid public purpose an equitable share.

C. All persons seeking to receive or qualify for such matching funds shall apply to the Authority in August of the year preceding the fiscal year for which funds are sought, and to the extent the Governor concurs in such funding request, it shall be reflected in the Governor's Budget Bill filed pursuant to § 2.1-399. Such application shall be set forth in the applicant's proposals in detail. The Authority shall develop guidelines setting forth the criteria it will weigh in considering such applications; such guidelines may indicate a preference for proposals submitted by nonprofit organizations.

§ 2.1-548.61. Governor's Motion Picture Opportunity Fund.

There is hereby created a Governor's Motion Picture Opportunity Fund to be used, in the sole discretion of the Governor, to support the film and video industries in Virginia by providing the means for attracting production companies and producers who make their projects in the Commonwealth using Virginia employees, goods and services. The Fund shall consist of any moneys appropriated to it in the general appropriations act or revenue from any other source. The Fund shall be established on the books of the Comptroller and any moneys remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the Fund shall be credited to the Fund.

The Fund shall be used by the Governor to assist production companies or producers that meet the eligibility requirements set forth in the guidelines. The Virginia Tourism Authority shall assist the Governor in the development of guidelines for the use of the Fund. The guidelines should include provisions for geographic diversity and a cap on the amount of money available for a certain project. The types of projects eligible for consideration will be feature films, children's programs, documentaries, television series or other television programs designed to fit a thirty-minute or longer format slot. Projects not eligible are industrial, corporate or commercial projects, education programs not intended for rebroadcast, adult films, music videos and news shows or reports.

§ 2.1-548.62. Grants from Commonwealth.

The Commonwealth may make grants of money or property to the Authority for the purpose of enabling it to carry out its corporate purposes and for the exercise of its powers. This section shall not be construed to limit any other power the Commonwealth may have to make grants to the Authority.

The provisions of the Virginia Public Procurement Act (§ 11-35 et seq.) and the Virginia Personnel Act (§ 2.1-110 et seq.) shall not apply to the Authority.

Agents, lessees, sublessees, or users of tangible personal property owned by or leased to the Authority also shall not be required to pay any sales or use tax upon such property or the revenue derived therefrom.

§ 2.1-548.65. Deposit of money; expenditures; security for deposits.

A. All money of the Authority, except as otherwise authorized by law or this chapter, shall be deposited in accounts in banks or trust companies organized under the laws of the Commonwealth or in national banking associations located in Virginia or in savings institutions located in Virginia organized under the laws of the Commonwealth or the United States. The money in these accounts shall be paid by check signed by the Executive Director or any other officer or employee designated by the Authority. All deposits of money shall, if required by the Authority, be secured in a manner determined by the Authority to be prudent, and all banks, trust companies and savings institutions are authorized to give security for the deposits.

B. Funds of the Authority not needed for immediate use or disbursement, including any funds held in reserve, may be invested in (i) obligations or securities which are considered lawful investments for fiduciaries, both individual and corporate, as set forth in § 26-40, (ii) bankers' acceptances, or (iii) repurchase agreements, reverse repurchase agreements, rate guarantee or investment agreements or

other similar banking arrangements.

§ 2.1-548.66. Forms of accounts and records; annual reports; audit.

The Authority shall maintain accounts and records showing the receipt and disbursement of funds from whatever source derived in such form as the Auditor of Public Accounts prescribes. Such accounts and records shall correspond as nearly as possible to accounts and records maintained by corporate enterprises. The Authority shall, following the close of each fiscal year, submit an annual report of its activities for the preceding year to the Governor. The Clerk of each House of the General Assembly may receive a copy of the report by making a request for it to the chairman of the Board of Directors. Each report shall set forth a complete operating and financial statement for the Authority during the fiscal year it covers. The accounts of the Authority shall be audited annually by the Auditor of Public Accounts, or his legally authorized representatives and the costs of such audits will be borne by the Authority.

§ 2.1-548.67. Sovereign immunity.

No provisions of this chapter nor act of the Authority, including the procurement of insurance or self-insurance, shall be deemed a waiver of any sovereign immunity to which the Authority or its directors, officers, employees, or agents are otherwise entitled.

§ 2.1-548.68. Liberal construction of chapter.

The provisions of this chapter shall be liberally construed to the end that its beneficial purposes may be effectuated. No proceedings, notice or approval shall be required for the issuance of any bonds of the Authority or any instruments or the security thereof, except as provided in this chapter.

2. That §§ 2.1-548.29:01, 2.1-548.29:02, and 2.1-548.29:03 of the Code of Virginia are repealed.
