"Master Settlement Agreement" means the settlement agreement and related documents between the Commonwealth and leading United States tobacco product manufacturers dated November 23, 1998.

§ 9-381. Commission created; purposes.

The Tobacco Indemnification and Community Revitalization Commission is hereby created as a body corporate and a political subdivision of the Commonwealth and as such shall have, and is hereby vested with, all of the politic and corporate powers as are set forth in this chapter. The Commission is established for the purposes of administering the moneys in the Tobacco Indemnification and Community Revitalization Fund and distributing such moneys for the purposes provided in this chapter, including using moneys in the Fund to (i) indemnify tobacco growers from the adverse economic effects of the Master Settlement Agreement and (ii) revitalize tobacco dependent communities. The Commission shall have only those powers enumerated in § 9-383.

§ 9-382. Membership; terms; vacancies; chairman.

A. The Commission shall be composed of twenty-one members. Four members shall be appointed by the Speaker of the House of Delegates from the membership thereof in accordance with the principles of Rule 16 of the House of Delegates adopted at the 1998 Regular Session of the General Assembly; three members shall be appointed by the Privileges and Elections Committee of the Senate from the membership of the Senate; three members shall be local elected officials of whom two shall be appointed by the Speaker of the House of Delegates and one shall be appointed by the Privileges and Elections Committee of the Senate; three members shall be active flue-cured tobacco producers of whom two shall be appointed by the Speaker of the House of Delegates and one shall be appointed by the Privileges and Elections Committee of the Senate; three members shall be active burley tobacco producers of whom two shall be appointed by the Speaker of the House of Delegates and one shall be appointed by the Privileges and Elections Committee of the Senate; one member shall be the Commissioner of Agriculture and Consumer Affairs or his designee; one member shall be a representative of the Virginia Farm Bureau Federation appointed by the Virginia Farm Bureau Federation; and three members shall be citizens appointed by the Governor, one of whom shall be a member of the agribusiness community. With the exception of the Commissioner of Agriculture and Consumer Affairs or his designee, all members of the Commission shall reside in the Southside and Southwest regions of the Commonwealth. To the extent feasible, appointments representing the Southside and Southwest regions shall be proportional to the tobacco quota production of each region.

All appointments shall be for terms of four years each. Vacancies shall be filled for the unexpired terms. No member shall be eligible to serve more than two successive four-year terms; however, after expiration of a term of three years or less, or after the expiration of the remainder of a term to which he was appointed to fill a vacancy, two additional terms may be served by such member if appointed thereto. Whenever any legislative member fails to retain his membership in the house from which he was appointed, he shall relinquish his membership on the Commission and the appointing authority who appointed such member shall make an appointment from his respective house to complete the term. Any

appointment to fill a vacancy shall be made in the same manner as the original appointment.

B. The members of the Commission shall elect annually a chairman and vice-chairman from among the members. The chairman of the Commission shall be a legislative member. The chairman, or in his absence, the vice-chairman, shall preside at all meetings of the Commission. A majority of members of the Commission serving at any one time shall constitute a quorum for the transaction of business.

C. Members of the Commission shall receive compensation as provided in § 2.1-20.3 and shall receive reimbursement for actual expenses incurred in the performance of their duties on behalf of the Commission. Such compensation and expenses shall be paid from the Fund.

§ 9-383. Powers and duties of the Commission.

A. The Commission is hereby granted, shall have, and may exercise all powers necessary or appropriate to carry out and effectuate its corporate purposes, including, without limitation, the following:

2. To make bylaws for the management and regulation of its affairs;
3. To maintain an office at such place or places within this Commonwealth as it may designate;
4. To accept, hold, and administer moneys distributed to the Commission pursuant to Master Settlement Agreement and other money, securities, or other property appropriated, given, or bequeathed to the Commission, absolutely or in trust, for the purposes for which the Commission is created;
5. To distribute the moneys in the Fund for the purposes set forth in this chapter;
6. To make and execute contracts and all other instruments and agreements necessary or convenient for the exercise of its powers and functions;
7. To invest its funds as provided in this chapter or permitted by applicable law; and
8. To do any lawful act necessary or appropriate to carry out the powers herein granted or reasonably implied.

B. The Commission shall distribute one-sixth of the moneys deposited in the Fund, concurrently with the deposit of moneys into the Fund under the Master Settlement Agreement, to the Virginia Tobacco Settlement Fund established pursuant to § 32.1-360.

C. The Commission shall distribute the remaining available moneys in the Fund as follows:

1. To indemnify tobacco farmers in the Commonwealth for the decline or elimination of tobacco quota based on averaging the basic burley and flue-cured quota as allocated by the USDA for the crop years 1995 through 1998. The Commission shall compensate such tobacco farmers in an amount equal to the total lost asset value in quota incurred annually by such tobacco farmers. The Commission shall also compensate an active tobacco producer for the economic loss resulting from any annual quota reduction. The total asset loss value in quota and economic losses for active tobacco producers in Virginia is estimated to be \$1.2 billion. The Commission shall make such payments from settlement dollars received into the Fund, after taking into account on a dollar-for-dollar basis funds received for such purpose by the farmer from Phase II of the Master Settlement Agreement; and

2. Subject to the affirmative vote of two-thirds of the membership of the Commission, to promote economic growth and development in tobacco dependent communities, in order to assist such communities in reducing their dependency on tobacco and tobacco-related business.

D. The Commission shall undertake studies and gather information and data in order to determine (i) the economic consequences of the reduction in or elimination of quota for tobacco growers, (ii) the potential for alternative cash crops, and (iii) any other matters the Commission believes will affect tobacco growers in the Commonwealth.

§ 9-384. Appointment of director.

The Commission may employ an executive director who shall also be the secretary and who shall administer, manage and direct the affairs and business of the Commission, in accordance with the provisions of this chapter and subject to the policies, control and direction of the Commission. The Commission may employ technical experts and such other officers, agents and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties and compensation. The Commission may delegate to one or more of its agents or employees such administrative duties as it may deem proper. The actual expenses incurred in the performance of such duties shall be paid from the Fund.

§ 9-385. Tobacco Indemnification and Community Revitalization Fund.

The Commission shall establish a fund to be known as the Tobacco Indemnification and Community Revitalization Fund. The Commission shall cause to be deposited into the Fund sixty percent of the moneys earmarked for use in the Commonwealth under Phase I of the Master Settlement Agreement. The Fund shall also consist of other moneys received by the Commission, from any source, for the purpose of implementing the provisions of § 9-383.

§ 9-387. Forms of accounts and records.

The accounts and records of the Commission showing the receipt and disbursement of funds from whatever source derived shall be in such form as the Auditor of Public Accounts prescribes.
