§ 10.1-1017. Foundation created.

There is hereby created the Virginia *Land* Conservation ~~and Recreation~~ Foundation, hereinafter referred to as the Foundation, a body politic and corporate to have such powers and duties as hereinafter provided.

§ 10.1-1018. Virginia Land Conservation Board of Trustees.

A. The Foundation shall be governed and administered by a Board of Trustees, consisting of the Secretary of Natural Resources, the State Treasurer or his designee, and seven trustees from the Commonwealth at large. Three of the trustees-at-large shall be appointed by the Governor, subject to confirmation by the General Assembly; two shall be appointed by the Speaker of the House of Delegates; and two shall be appointed by the Senate Committee on Privileges and Elections. The trustees-at-large shall have experience or expertise, professional or personal, in one or more of the following areas: natural resource protection and ~~conservation~~ *conservancy conservation*, construction and real estate development, natural habitat protection, environmental resource inventory and identification, forestry management, *farming, farmland preservation*, fish and wildlife management, historic preservation, and outdoor recreation. The trustees-at-large shall initially be appointed for terms of office as follows: two for a term of two years, two for a term of three years, and three for a term of four years. Appointments thereafter shall be made for four-year terms. No trustee-at-large shall be eligible to serve more than two consecutive four-year terms. All trustees-at-large shall post bond in the penalty of \$5,000 with the State Comptroller prior to entering upon the functions of office. The terms of the Secretary of Natural Resources and the State Treasurer or ~~his~~ *their designee designees* shall be coincident with that of the Governor. Appointments to fill vacancies shall be made for the unexpired term.

B. The Secretary of Natural Resources shall serve as the chairman of the Board of Trustees. The chairman shall serve until his successor is appointed. The trustees-at-large shall elect a vice-chairman annually from the members of the Board. A majority of the members of the Board serving at any one time shall constitute a quorum for the transaction of business. The board shall meet at the call of the chairman.

5. Whether the holder or public body has the capability to protect the site from short-term and long-term stresses to the area.

C. Matching grant funds provided pursuant to this section shall be expended by the holder or public body within two years of receiving the funds, except that the Department may grant an extension of up to one year.

D. All property for which a matching grant is made pursuant to this section shall be dedicated as a natural area preserve as provided in § 10.1-213. Any such preserve that was purchased in fee simple by the holder or public body shall be open for public access for a reasonable amount of time each year, except as is necessary to protect sensitive resources or for management purposes, as determined by the holder or public body pursuant to an agreement with the Department.

The Department shall review each application made by an organization for state aid prior to consideration by the General Assembly. The Department shall provide a timely review of any amendments proposed by members of the General Assembly to the chairmen of the House Appropriations and Senate Finance Committees. The review shall examine the merits of each request, including data showing the percentage of nonstate funds raised by the organization for the proposed project. The review and analysis provided by the Department shall be strictly advisory. The Department shall forward to the Department of Planning and Budget any application which is not for the maintenance of collections and exhibits or for the maintenance and operation of sites and facilities owned by historical organizations. Such applications shall be governed by the procedures identified in § 2.1-394.1.

2. Such organization shall certify to the satisfaction of the Department that matching funds from local or private sources are available in an amount at least equal to the amount of the request in cash or in kind contributions which are deemed acceptable to the Department. These matching funds must be concurrent with the project for which the state grant is requested. Contributions received and spent prior to the state grant shall not be considered in satisfying the requirements of this subdivision.

3. Such organization shall provide documentation of its tax exempt status under § 501 (c) (3) of the United States Internal Revenue Code.

304 facilities specified in § 10.1-2211 or § 10.1-2212 shall be appropriated or expended for the renovation or
305 reconstruction of any historic site as set forth in § 2.1-394.1 unless:

306 1. The property is designated as a historic landmark by the Board and is located on the register
307 prepared by the Department pursuant to § 10.1-2202 or has been declared eligible by the Board for such
308 designation but has not actually been placed on the register of buildings and sites provided for in
309 § 10.1-2202;

310 2. The society, museum, foundation or association owning such property enters into an agreement
311 with the Department that the property will be open to the public for at least 100 days per year for no
312 less than five years following completion, renovation, or reconstruction;

313 3. The organization submits the plans and specifications of the project to the Department for review
314 and approval to ensure that the project meets generally accepted standards for historic preservation; and

315 4. The organization owning the property grants to the Commonwealth a perpetual easement placing
316 restrictions on the use or development of the property satisfactory to the Board, if the organization has
317 received \$50,000 or more within a four-year period pursuant to this section. The easement shall be for
318 the purpose of preserving those features of the property which led to its designation as a historic
319 landmark.

320 Nothing contained in this subsection shall prohibit any organization from charging a reasonable
321 admission fee during the five-year period required in subdivision 2 herein if the fee is comparable to
322 fees charged at similar facilities in the area.

323 C. The Department shall be responsible for the administration of this section and §§ 10.1-2211 and
324 10.1-2212 and the disbursement of all funds appropriated thereto.

325 State funds appropriated for the operation of historical societies, museums, foundations and
326 associations shall be expended for historical facilities, reenactments, meetings, conferences, tours,
327 seminars or other general operating expenses as may be specified in the general appropriations act.
328 Funds appropriated for these purposes shall be distributed annually to the treasurers of any such
329 organizations. The appropriations act shall clearly designate that all such funds are to be used for the
