on February 18, 1999)

(Patron Prior to Substitute—Senator Stosch)

A BILL to amend the Code of Virginia by adding in Article 3 of Chapter 3 of Title 58.1 a section numbered 58.1-339.6, relating to tax credits for caregivers.

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Article 3 of Chapter 3 of Title 58.1 a section numbered 58.1-339.6 as follows:

§ 58.1-339.6. Tax credit for caregivers.

A. For taxable years beginning on and after January 1, 2000, any taxpayer with a Virginia adjusted gross income between \$5,000 and \$50,000 inclusive, who provides care for a mentally or physically impaired relative, as defined in this section, who requires assistance with two or more activities of daily living during more than half the year, shall be entitled to a \$500 credit against the tax imposed pursuant to § 58.1-320.

B. For purposes of this section:

"Activities of daily living" or "ADLs" means bathing, dressing, toileting, transferring, bowel control, bladder control, and eating/feeding.

"Assistance" means the individual requires the aid of another person to safely complete the activity.

"Care for a mentally or physically impaired relative" means assistance with the activities of daily living provided to such person when the relative has been screened by a private physician and has been found to be eligible, in accordance with relevant state regulations, for placement in an assisted-living facility or a nursing home or for receiving community long-term care services.

"Relative" means a spouse, child, father, mother, sibling, or other ancestor or descendent who is related by blood, marriage, or adoption.

C. The relative being cared for may live in the taxpayer's home or in his own home but may not be receiving Medicaid-reimbursed community long-term care services or living in a nursing home or other assisted living facility where assistance with ADLs is already provided and the cost of such assistance is included in the monthly bill or rental fee.

D. Any taxpayer applying for the credit pursuant to this section shall affirm, by signing and submitting his tax return, that the relative for whom he provided care met the criteria set forth in this section. No more than one tax credit shall be taken annually for each mentally or physically impaired relative receiving care in accordance with this section.
