Approved

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 3.1-796.96 and 3.1-796.126:3 of the Code of Virginia are amended and reenacted as follows:**

§ 3.1-796.96. County or city pounds; confinement and disposition of stray animals.

A. The governing body of each county or city shall maintain or cause to be maintained a pound in accordance with guidelines issued by the Department of Agriculture and Consumer Services and shall require dogs running at large without the tag required by § 3.1-796.92 or in violation of an ordinance passed pursuant to § 3.1-796.93 to be confined therein. The governing body of any county or city need not own the facility required by this section but may contract for its establishment with a private group or in conjunction with one or more other local governing bodies. The governing body shall require that the pound be accessible to the public at reasonable hours during the week. Nothing in this section shall be construed to prohibit confinement of other companion animals in such a pound.

B. An animal confined pursuant to this section shall be kept for a period of not less than five days, such period to commence on the day immediately following the day the animal is initially confined in the facility, unless sooner claimed by the rightful owner thereof.

The operator or custodian of the pound shall make a reasonable effort to ascertain whether the animal has a collar, tag, license, tattoo, or other form of identification. If such identification is found on the animal, the animal shall be held for an additional five days, unless sooner claimed by the rightful owner. If the rightful owner of the animal can be readily identified, the operator or custodian of the pound shall make a reasonable effort to notify the owner of the animal's confinement within the next forty-eight hours following its confinement.

If any animal confined pursuant to this section is claimed by its rightful owner, such owner shall be charged with the actual expenses incurred in keeping the animal impounded.

C. If an animal confined pursuant to this section has not been claimed upon expiration of the appropriate holding period as provided by subsection B, it shall be deemed abandoned and become the property of the pound or shelter. If such abandoned animal did not, when delivered to the pound, bear a collar, tag, license, tattoo, or other form of identification, it may be humanely destroyed or disposed of by:

1. Sale or gift to a federal agency, state-supported institution, agency of the Commonwealth, agency of another state, or a licensed federal dealer having its principal place of business located within the Commonwealth, provided that such agency, institution or dealer agrees to confine the animal for an additional period of not less than five days;

2. Delivery to any humane society or animal shelter within the Commonwealth;

3. Adoption by any person who is a resident of the county or city for which the pound is operated and who will pay the required license fee, if any, on such animal;

4. Adoption by a resident of an adjacent political subdivision of the Commonwealth; ~~or~~

5. *Adoption by any other person, provided that no animal may be adopted by any person who is not a resident of the county or city for which the pound or animal shelter is operated, or of an adjacent political subdivision, unless the animal is first sterilized; or*

6. Delivery, for the purposes of adoption or euthanasia only, to a humane society or an animal shelter located in and lawfully operating under the laws of another state, provided that such humane society or animal shelter: (i) maintains records which would comply with § 3.1-796.105; (ii) requires that adopted dogs and cats be sterilized; and (iii) has been approved by the State Veterinarian or his designee as a facility which maintains such records, requires adopted dogs and cats to be sterilized, and provides adequate care and euthanasia.

If such abandoned animal, when delivered to the pound, bore a collar, tag, license, tattoo, or other form of identification, it may be humanely destroyed or disposed of by the methods described in subdivision 2, 3 ~~or~~, 4, or 5 of this subsection.

No pound or shelter shall deliver more than two animals or a family of animals during any thirty-day period to any one person under subdivision 3 ~~or~~, 4 or 5 of this subsection.

*If an animal is required to be sterilized prior to adoption pursuant to subdivision 5 of this*

57 subsection, the pound or animal shelter may require that the sterilization be done at the expense of the  
58 person adopting the animal.

59 D. Nothing in this section shall prohibit the immediate destruction of a critically injured, critically ill,  
60 or unweaned animal for humane purposes. Any animal destroyed pursuant to the provisions of this  
61 chapter shall be euthanized by one of the methods prescribed or approved by the State Veterinarian.

62 E. Nothing in this section shall prohibit the immediate destruction or disposal by the methods listed  
63 in subdivisions 2 through 5 6 of subsection C of an animal that has been delivered voluntarily or  
64 released to a pound, animal shelter, animal control officer, or humane society by the animal's rightful  
65 owner after the rightful owner has, in writing, surrendered all property rights in such animal and has  
66 read and signed a statement (i) certifying that no other person has a right of property in the animal and  
67 (ii) acknowledging that the animal may be immediately euthanized or disposed of by the methods listed  
68 in subdivisions 2 through 5 6 of subsection C.

69 F. Nothing in this section shall prohibit any feral dog or feral cat not bearing a collar, tag, tattoo, or  
70 other form of identification which, based on the written certification of a disinterested person, exhibits  
71 behavior that poses a risk of physical injury to any person confining the animal, from being euthanized  
72 after being kept for a period of not less than three days, at least one of which shall be a full business  
73 day, such period to commence on the day the animal is initially confined in the facility, unless sooner  
74 claimed by the rightful owner. The certification of the disinterested person shall be kept with the animal  
75 as required by § 3.1-796.105. For purposes of this subsection, a disinterested person shall not include a  
76 person releasing or reporting the animal to the facility.

87 owner's name and address; certify that the sterilization was performed; and specify the date of the
