[S 966]

Approved

**Be it enacted by the General Assembly of Virginia:****1. That §§ 16.1-260 and 16.1-305.1 of the Code of Virginia are amended and reenacted as follows:**

§ 16.1-260. Intake; petition; investigation.

A. All matters alleged to be within the jurisdiction of the court shall be commenced by the filing of a petition, except as provided in subsection H of this section and in § 16.1-259. The form and content of the petition shall be as provided in § 16.1-262. No individual shall be required to obtain support services from the Department of Social Services prior to filing a petition seeking support for a child. Complaints, requests and the processing of petitions to initiate a case shall be the responsibility of the intake officer. However, (i) the attorney for the Commonwealth of the city or county may file a petition on his own motion with the clerk, (ii) the Department of Social Services may file support petitions on its own motion with the clerk, and (iii) any attorney may file petitions on behalf of his client with the clerk except petitions alleging that the subject of the petition is a child alleged to be in need of services, in need of supervision or delinquent. Complaints alleging abuse or neglect of a child shall be referred initially to the local department of public welfare or social services in accordance with the provisions of Chapter 12.1 (§ 63.1-248.1 et seq.) of Title 63.1. Motions and other subsequent pleadings in a case shall be filed directly with the clerk. The intake officer or clerk with whom the petition or motion is filed shall inquire whether the petitioner is receiving child support services or public assistance. No individual who is receiving support services or public assistance shall be denied the right to file a petition or motion to establish, modify or enforce an order for support of a child. If the petitioner is seeking or receiving child support services or public assistance, the clerk, upon issuance of process, shall forward a copy of the petition or motion together with notice of the court date to the Division of Child Support Enforcement.

B. The appearance of a child before an intake officer may be by (i) personal appearance before the intake officer or (ii) use of two-way electronic video and audio communication. If two-way electronic video and audio communication is used, an intake officer may exercise all powers conferred by law. All communications and proceedings shall be conducted in the same manner as if the appearance were in person, and any documents filed may be transmitted by facsimile process. The facsimile may be served or executed by the officer or person to whom sent, and returned in the same manner, and with the same force, effect, authority, and liability as an original document. All signatures thereon shall be treated as original signatures. Any two-way electronic video and audio communication system used for an appearance shall meet the standards as set forth in subsection B of § 19.2-3.1.

1. When the court service unit of any court receives a complaint alleging facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed informally to make such adjustment as is practicable without the filing of a petition or may authorize a petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause for the issuance of the petition.

However, an intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision or delinquent only if the juvenile (i) is not alleged to have committed a violent juvenile felony or (ii) has not previously been adjudicated in need of supervision or delinquent. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is in need of supervision or delinquent shall be filed with the court if the juvenile had previously been adjudicated in need of supervision or delinquent.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, is in need of supervision or delinquent, the intake officer shall (i) develop a plan for the juvenile, which may include restitution and the performance of community service, based upon community resources and the circumstances which resulted in the complaint, (ii) create an official record of the action taken by the intake officer and file such record in the juvenile's case file, and (iii) advise the juvenile and the juvenile's parent, guardian or other person standing in loco parentis, and the complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241 will result in the filing of a petition with the court.

57 C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody,  
 58 visitation or support of a child is the subject of controversy or requires determination, (ii) a person has  
 59 deserted, abandoned or failed to provide support for any person in violation of law, or (iii) a child or  
 60 such child's parent, guardian, legal custodian or other person standing in loco parentis is entitled to  
 61 treatment, rehabilitation or other services which are required by law. If any such complainant does not  
 62 file a petition, the intake officer may file it. In cases in which a child is alleged to be abused, neglected,  
 63 in need of services, in need of supervision or delinquent, if the intake officer believes that probable  
 64 cause does not exist, or that the authorization of a petition will not be in the best interest of the family  
 65 or juvenile or that the matter may be effectively dealt with by some agency other than the court, he may  
 66 refuse to authorize the filing of a petition.

67 D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall  
 68 be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be  
 69 in need of supervision have utilized or attempted to utilize treatment and services available in the  
 70 community and have exhausted all appropriate nonjudicial remedies which are available to them. When  
 71 the intake officer determines that the parties have not attempted to utilize available treatment or services  
 72 or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the  
 73 petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility  
 74 or individual to receive treatment or services, and a petition shall not be filed. Only after the intake  
 75 officer determines that the parties have made a reasonable effort to utilize available community  
 76 treatment or services, may he permit the petition to be filed.

77 E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an  
 78 adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in  
 79 writing at that time of the complainant's right to apply to a magistrate for a warrant. If a magistrate  
 80 determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic  
 81 relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake  
 82 officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate  
 83 finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the  
 84 juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake  
 85 officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a  
 86 status offense, or a misdemeanor other than Class 1, his decision is final.

87 Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the  
 88 intake officer shall accept and file a petition founded upon the warrant.

89 F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition  
 90 which alleges facts of an offense which would be a felony if committed by an adult.

91 G. After a petition is filed alleging that a juvenile committed an act which would be a crime if  
 92 committed by an adult, the intake officer shall, as soon as practicable, provide notice by telephone of  
 93 the filing of the petition and the nature of the offense to the superintendent of the school division in  
 94 which the petitioner alleges the juvenile is or should be enrolled, provided the violation involves:

95 1. ~~The unlawful purchase, possession or use of a weapon A firearm offense~~ pursuant to ~~Article~~

 110 superintendent. The failure to provide information regarding the school in which the juvenile who is the  
 111 subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

112 The information provided to a division superintendent pursuant to this section may be disclosed only  
 113 as provided in § 16.1-305.2.

114 H. The filing of a petition shall not be necessary:

 117 surfing or any ordinance establishing curfew violations or animal control violations. In such cases the

118 court may proceed on a summons issued by the officer investigating the violation in the same manner as  
 119 provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the  
 120 scene of the accident or at any other location where a juvenile who is involved in such an accident may  
 121 be located, proceed on a summons in lieu of filing a petition.

 126 pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal  
 127 guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or  
 128 legal guardian to appear before the court with the juvenile. Disposition of the charge shall be in the  
 129 manner provided in § 16.1-278.8 or § 16.1-278.9. If the juvenile so charged with a violation of  
 130 § 18.2-266 or § 29.1-738 refuses to provide a sample of blood or breath or samples of both blood and  
 131 breath for chemical analysis pursuant to §§ 18.2-268.1 through 18.2-268.12 or § 29.1-738.2, the  
 132 provisions of these sections shall be followed except that the magistrate shall authorize execution of the  
 133 warrant as a summons. The summons shall be served on a parent or legal guardian and the juvenile, and  
 134 a copy of the summons shall be forwarded to the court in which the violation of § 18.2-266 or  
 135 § 29.1-738 is to be tried.

 140 officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

 160 school, the division in which he was enrolled at the time of the offense. Further disclosure of this  
 161 information by the superintendent to school personnel is authorized only as provided in § 22.1-288.2.
