§ 18.2-270. Penalty for driving while intoxicated; subsequent offense; prior conviction.

Except as otherwise provided herein, any person violating any provision of § 18.2-266 shall be guilty of a Class 1 misdemeanor.

Any person convicted of a second offense committed within less than five years after a first offense under § 18.2-266 shall be punishable by a fine of not less than \$200 nor more than \$2,500 and by confinement in jail for not less than one month nor more than one year. ~~Forty-eight hours~~ *Five days* of such confinement shall be a mandatory, minimum sentence not subject to suspension by the court. Any person convicted of a second offense committed within a period of five to ten years of a first offense under § 18.2-266 shall be punishable by a fine of not less than \$200 nor more than \$2,500 and by confinement in jail for not less than one month nor more than one year. Any person convicted of a third or subsequent offense committed within ten years of an offense under § 18.2-266 shall be guilty of a Class 6 felony, *and the sentence shall include a mandatory, minimum sentence of confinement for ten days that shall not be subject to suspension by the court. Any person convicted of a third offense committed within five years of an offense under § 18.2-266 shall be guilty of a Class 6 felony, and the sentence shall include a mandatory, minimum sentence of confinement for thirty days that shall not be subject to suspension by the court.* Upon conviction for a fourth or subsequent offense within ten years, the sentence shall include a mandatory, minimum term of imprisonment of one year, none of which may be suspended in whole or in part. Unless otherwise modified by the court, the defendant shall remain on probation and under the terms of any suspended sentence for the same period as his operator's license was suspended, not to exceed three years.

In addition to the penalty otherwise authorized by this section or § 16.1-278.9, any person convicted of a violation of § 18.2-266 committed while transporting a person seventeen years of age or younger shall be (i) fined an additional minimum of \$500 and not more than \$1,000 and (ii) sentenced to perform forty hours of community service in a program benefiting children or, for a subsequent offense, eighty hours of community service in such a program.

For the purpose of this section, a conviction of any person or finding of guilty in the case of a juvenile under the following shall be considered a prior conviction: (i) the provisions of § 18.2-36.1 or the substantially similar laws of any other state or of the United States, (ii) the provisions of §§ 18.2-51.4, 18.2-266, former § 18.1-54 (formerly § 18-75), the ordinance of any county, city or town in this Commonwealth or the laws of any other state or of the United States substantially similar to the provisions of § 18.2-51.4, and §§ 18.2-266 through 18.2-269, or (iii) the provisions of subsection A of § 46.2-341.24 or the substantially similar laws of any other state or of the United States.

§ 18.2-270.1. Ignition interlock systems; penalty.

A. For purposes of this section and § 18.2-270.2:

"Commission" means the Commission on VASAP.

"Department" means the Department of Motor Vehicles.

"Ignition interlock system" means a device that (i) connects a motor vehicle ignition system to an analyzer that measures a driver's blood alcohol content; (ii) prevents a motor vehicle ignition from starting if a driver's blood alcohol content exceeds 0.025 percent; and (iii) is equipped with the ability to perform a rolling retest and to electronically log the blood alcohol content during ignition, attempted ignition and rolling retest.

"Rolling retest" means a test of the vehicle operator's blood alcohol content required at random intervals during operation of the vehicle, which triggers the sounding of the horn and flashing of lights if (i) the test indicates that the operator has a blood alcohol content which exceeds 0.025 percent or (ii) the operator fails to take the test.

B. In addition to any ~~other~~ penalty provided by law for conviction of a first offense under § 18.2-51.4 or § 18.2-266 or a substantially similar ordinance of any county, city or town, any court of proper jurisdiction may, or, for a second or subsequent offense shall, as a condition of a restricted license *or as a condition of license restoration under subsection C of § 18.2-271.1 or § 46.2-391,*

prohibit an offender from operating a motor vehicle that is not equipped with a functioning, certified ignition interlock system for any period of time not to exceed the period of license suspension and restriction, *not less than six months, and shall require that such a system be installed on each motor vehicle, as defined in § 46.2-100, owned by or registered to the offender, in whole or in part, for such period of time.* Such condition shall be in addition to any purposes for which a restricted license may be issued pursuant to § 18.2-271.1. The court may order the installation of an ignition interlock system to commence immediately upon conviction. A fee of twenty dollars to cover court and administrative costs related to the ignition interlock system shall be paid by any such offender to the clerk of the court. The court shall require the offender to install an electronic log device with the ignition interlock system on a vehicle designated by the court to measure the blood alcohol content at each attempted ignition and random rolling retest during operation of the vehicle. The offender shall be enrolled in and supervised by an alcohol safety action program pursuant to § 18.2-271.1 and to conditions established by regulation under § 18.2-270.2 by the Commission during the period for which the court has ordered installation of the ignition interlock system. The offender shall be further required to provide to such program, at least quarterly during the period of ~~license restriction~~ *court ordered ignition interlock installation*, a printout from such electronic log indicating the offender's blood alcohol content during such ignitions, attempted ignitions, and rolling retests, and showing attempts to circumvent or tamper with the equipment.

C. In any case in which the court requires the installation of an ignition interlock system, the court shall direct the offender not to operate any motor vehicle which is not equipped with such a system for ~~a specified~~ *the period of time not to exceed the period of license suspension and restriction that installation is ordered.* The clerk of the court shall file with the Department of Motor Vehicles a copy of the order, which shall become a part of the offender's operator's license record maintained by the Department. The Department shall issue to the offender for the installation period required by the court, a restricted license which shall appropriately set forth the restrictions required by the court under this subsection *and any other restrictions imposed upon the offender's driving privilege*, and shall also set forth any exception granted by the court under subsection F.

D. The offender shall be ordered to provide the appropriate ASAP program, within thirty days of the effective date of the order of court, proof of the installation of the ignition interlock system. The Program shall require the offender to have the system monitored and calibrated for proper operation at least every thirty days by an entity approved by the Commission under the provisions of § 18.2-270.2 and to demonstrate proof thereof. The offender shall pay the cost of leasing or buying and monitoring and maintaining the ignition interlock system. Absent good cause shown, the court may revoke the offender's ~~restricted license~~ *driving privilege* for failing to (i) timely install such system or (ii) have the system properly monitored and calibrated.

E. No person shall start or attempt to start a motor vehicle equipped with an ignition interlock system for the purpose of providing an operable motor vehicle to a person who is prohibited under this section from operating a motor vehicle that is not equipped with an ignition interlock system. No person shall tamper with, or in any way attempt to circumvent the operation of, an ignition interlock system that has been installed in the motor vehicle of a person under this section. Except as authorized in subsection G, no person shall knowingly furnish a motor vehicle not equipped with a functioning ignition interlock system to any person prohibited under subsection B from operating any motor vehicle which is not equipped with such system. A violation of this subsection shall be punishable as a Class 1 misdemeanor.

F. Any person prohibited from operating a motor vehicle under subsection B may, solely in the course of his employment, operate a motor vehicle which is owned or provided by his employer without installation of an ignition interlock system, if the court expressly permits such operation as a condition of a restricted license *at the request of the employer, but such person may not operate a commercial motor vehicle as defined in § 46.2-341.4.* This subsection shall not apply if such employer is an entity wholly or partially owned or controlled by the person otherwise prohibited from operating a vehicle without an ignition interlock system.

G. The Commission shall promulgate such regulations and forms as are necessary to implement the procedures outlined in this section.

§ 18.2-271.1. Probation, education and rehabilitation of person charged or convicted; person convicted under law of another state.

A. Any person convicted of a first or second offense of § 18.2-266 (i), (ii), (iii) or (iv), or any ordinance of a county, city, or town similar to the provisions thereof, or provisions of subsection A of § 46.2-341.24, shall be required by court order, as a condition of probation or otherwise, to enter into and successfully complete an alcohol safety action program in the judicial district in which such charge is brought or in any other judicial district upon such terms and conditions as the court may set forth. However, upon motion of a person convicted of any such offense following an assessment of the person conducted by an alcohol safety action program, the court, for good cause, may decline to order participation in such a program *if the assessment by the alcohol safety action program indicates that treatment is not appropriate for such person.* In no event shall such persons be permitted to enter any such program which is not certified as meeting minimum standards and criteria established by the

Commission on the Virginia Alcohol Safety Action Program (VASAP) pursuant to subsection H of this section and to § 18.2-271.2.

B. The court shall require the person entering such program under the provisions of this section to pay a fee of no less than \$250 but no more than \$300. A reasonable portion of such fee, as may be determined by the Commission on VASAP, but not to exceed ten percent, shall be forwarded monthly to be deposited with the State Treasurer for expenditure by the Commission on VASAP, and the balance shall be held in a separate fund for local administration of driver alcohol rehabilitation programs. Upon a positive finding that the defendant is indigent, the court may reduce or waive the fee. In addition to the costs of the proceeding, fees as may reasonably be required of defendants referred for intervention under any such program may be charged.

C. Upon conviction of a violation of § 18.2-266 or any ordinance of a county, city or town similar to the provisions thereof, or subsection A of § 46.2-341.24, the court shall impose the sentence authorized by § 18.2-270 or § 46.2-341.28 and the license revocation as authorized by § 18.2-271. *In addition, if the conviction was for a second offense committed within less than five years after a first such offense, the court shall order that restoration of the person's license to drive be conditioned upon the installation of an ignition interlock system on each motor vehicle, as defined in § 46.2-100, owned by or registered to the person, in whole or in part, for a period of six months beginning at the end of the three year license revocation, unless such a system has already been installed for six months prior to that time pursuant to a restricted license order under subsection E of this section.* Upon a finding that a person so convicted is required to participate in the program described herein, the court shall enter the conviction on the warrant, and shall note that the person so convicted has been referred to such program. The court may then proceed to issue an order in accordance with subsection E of this section, if the court finds that the person so convicted is eligible for a restricted license. If the court finds good cause for a person not to participate in such program or subsequently that such person has violated, without good cause, any of the conditions set forth by the court in entering the program, the court shall dispose of the case as if no program had been entered, in which event the revocation provisions of § 46.2-389 and subsection A of § 46.2-391 shall be applicable to the conviction. The court shall, upon final disposition of the case, send a copy of its order to the Commissioner of the Department of Motor Vehicles. If such order provides for the issuance of a restricted license, the Commissioner of the Department of Motor Vehicles, upon receipt thereof, shall issue a restricted license. Appeals from any such disposition shall be allowed as provided by law. The time within which an appeal may be taken shall be calculated from the date of the final disposition of the case or any motion for rehearing, whichever is later.

D. Any person who has been convicted in another state of the violation of a law of such state substantially similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24, and whose privilege to operate a motor vehicle in this Commonwealth is subject to revocation under the provisions of § 46.2-389 and subsection A of § 46.2-391, may petition the general district court of the county or city in which he resides that he be given probation and assigned to a program as provided in subsection A of this section and that, upon entry into such program, he be issued an order in accordance with subsection E of this section. If the court finds that such person would have qualified therefor if he had been convicted in this Commonwealth of a violation of § 18.2-266 or subsection A of § 46.2-341.24, the court may grant the petition and may issue an order in accordance with subsection E of this section as to the period of license suspension or revocation imposed pursuant to § 46.2-389 or subsection A of § 46.2-391. Such order shall be conditioned upon the successful completion of a program by the petitioner. If the court subsequently finds that such person has violated any of the conditions set forth by the court, the court shall dispose of the case as if no program had been entered and shall notify the Commissioner, who shall revoke the person's license in accordance with the provisions of § 46.2-389 or subsection A of § 46.2-391. A copy of the order granting the petition or subsequently revoking or suspending such person's license to operate a motor vehicle shall be forthwith sent to the Commissioner of the Department of Motor Vehicles.

No period of license suspension or revocation shall be imposed pursuant to this subsection which, when considered together with any period of license suspension or revocation previously imposed for the same offense in any state, results in such person's license being suspended for a period in excess of the maximum periods specified in this subsection.

E. Except as otherwise provided herein, whenever a person enters a certified program pursuant to this section, and such person's license to operate a motor vehicle, engine or train in the Commonwealth has been suspended or revoked, the court may, in its discretion and for good cause shown, provide that such person be issued a restricted permit to operate a motor vehicle for any or all of the following purposes: (i) travel to and from his place of employment; (ii) travel to and from an alcohol rehabilitation program entered pursuant to this subsection; (iii) travel during the hours of such person's employment if the operation of a motor vehicle is a necessary incident of such employment; (iv) travel to and from school if such person is a student, upon proper written verification to the court that such person is enrolled in a continuing program of education; (v) such other medically necessary travel as the court deems necessary and proper upon written verification of need by a licensed health professional; or (vi) travel necessary to transport a minor child under the care of such person to and from school, day care, and facilities

housing medical service providers. No restricted license issued pursuant to this subsection shall permit any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). The court shall order the surrender of such person's license to operate a motor vehicle to be disposed of in accordance with the provisions of § 46.2-398 and shall forward to the Commissioner of the Department of Motor Vehicles a copy of its order entered pursuant to this subsection, which shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a permit is issued as is reasonably necessary to identify such person. The court shall also provide a copy of its order to the person so convicted who may operate a motor vehicle on the order until receipt from the Commissioner of the Department of Motor Vehicles of a restricted license, if the order provides for a restricted license for that time period. A copy of such order and, after receipt thereof, the restricted license shall be carried at all times while operating a motor vehicle. Any person who operates a motor vehicle in violation of any restrictions imposed pursuant to this section shall be guilty of a violation of § 18.2-272. Such restricted license shall be conditioned upon enrollment within fifteen days in, and successful completion of, a program as described in subsection A of this section. No restricted license shall be issued during the first four months of a revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391 for a second offense of the type described therein committed within ten years of a first such offense. *No restricted license shall be issued during the first year of a revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391 for a second offense of the type described therein committed within five years of a first such offense.* No restricted license shall be issued during any revocation period imposed pursuant to subsection C of § 18.2-271 or subsection B of § 46.2-391. Notwithstanding the provisions of § 46.2-411, the fee charged pursuant to § 46.2-411 for reinstatement of the driver's license of any person whose privilege or license has been suspended or revoked as a result of a violation of § 18.2-266, subsection A of § 46.2-341.24 or of any ordinance of a county, city or town, or of any federal law or the laws of any other state similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24 shall be \$105. Forty dollars of such reinstatement fee shall be retained by the Department of Motor Vehicles as provided in § 46.2-411, forty dollars shall be transferred to the Commission on VASAP, and twenty-five dollars shall be transferred to the Commonwealth Neurotrauma Initiative Trust Fund.

F. The court shall have jurisdiction over any person entering such program under any provision of this section until such time as the case has been disposed of by either successful completion of the program, or revocation due to ineligibility or violation of a condition or conditions imposed by the court, whichever shall first occur. Revocation proceedings shall be commenced by notice to show cause why the court should not revoke the privilege afforded by this section. Such notice shall be made by first-class mail to the last known address of such person, and shall direct such person to appear before the court in response thereto on a date contained in such notice, which shall not be less than ten days from the date of mailing of the notice. Failure to appear in response to such notice shall of itself be grounds for revocation of such privilege. Notice of revocation under this subsection shall be sent forthwith to the Commissioner of the Department of Motor Vehicles.

G. The State Treasurer, the Commission on VASAP or any city or county is authorized to accept any gifts or bequests of money or property, and any grant, loan, service, payment or property from any source, including the federal government, for the purpose of driver alcohol education. Any such gifts, bequests, grants, loans or payments shall be deposited in the separate fund provided in subsection B.

H. The Commission on VASAP, or any county, city, town, or any combination thereof may establish and, if established, shall operate, in accordance with the standards and criteria required by this subsection, alcohol safety action programs in connection with highway safety. Each such program shall operate under the direction of a local independent policy board chosen in accordance with procedures approved and promulgated by the Commission on VASAP. Local sitting or retired district court judges who regularly hear or heard cases involving driving under the influence and are familiar with their local alcohol safety action programs may serve on such boards. The Commission on VASAP shall establish minimum standards and criteria for the implementation and operation of such programs and shall establish procedures to certify all such programs to ensure that they meet the minimum standards and criteria stipulated by the Commission. The Commission shall also establish criteria for the administration of such programs for public information activities, for accounting procedures, for the auditing requirements of such programs and for the allocation of funds. Funds paid to the Commonwealth hereunder shall be utilized in the discretion of the Commission on VASAP to offset the costs of state programs and local programs run in conjunction with any county, city or town and costs incurred by the Commission. The Commission shall submit an annual report as to actions taken at the close of each calendar year to the Governor and the General Assembly.

I. Notwithstanding any other provisions of this section or of § 18.2-271, nothing in this section shall permit the court to suspend, reduce, limit, or otherwise modify any disqualification from operating a commercial motor vehicle imposed under the provisions of the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.).

§ 19.2-299.2. Alcohol and substance abuse screening and assessment for designated Class 1 misdemeanor convictions.

A. When a person is convicted of any offense committed on or after January 1, 2000, under Article 1 (§ 18.2-247 et seq.) or Article 1.1 (§ 18.2-265.1 et seq.) of Chapter 7 of Title 18.2, and such offense is punishable as a Class 1 misdemeanor, the court shall order the person to undergo a substance abuse screening as part of the sentence if the defendant's sentence includes probation supervision by a community corrections program established pursuant to Article 2 (§ 53.1-180 et seq.) of Chapter 5 of Title 53.1 or participation in a local alcohol safety action program. *Whenever a court requires a person to enter into and successfully complete an alcohol safety action program pursuant to § 18.2-271.1 for a second offense of the type described therein, or orders an evaluation of a person to be conducted by an alcohol safety action program pursuant to any provision of § 46.2-391, the alcohol safety action program shall assess such person's degree of alcohol abuse before determining the appropriate level of treatment to be provided or to be recommended for such person being evaluated pursuant to § 46.2-391.*

The court may order such screening upon conviction as part of the sentence of any other Class 1 misdemeanor if the defendant's sentence includes probation supervision by a community corrections program established pursuant to Article 2 (§ 53.1-180 et seq.) of Chapter 5 of Title 53.1, participation in a local alcohol safety action program or any other sanction and the court has reason to believe the defendant has a substance abuse or dependence problem.

B. A substance abuse screening ordered pursuant to this section shall be conducted by the local alcohol safety action program. When an offender is ordered to enter programming under the community corrections program established pursuant to Article 2 (§ 53.1-180 et seq.) of Chapter 5 of Title 53.1, rather than the local alcohol safety action program, the local community corrections program shall be responsible for the screening. However, if a community corrections program has not been established for the locality, the local alcohol safety action program shall conduct the screening as part of the sentence.

C. If the screening indicates that the person has a substance abuse or dependence problem, an assessment shall be completed and if the assessment confirms that the person has a substance abuse or dependence problem, as a condition of a suspended sentence and probation, the court shall order the person to complete the substance abuse education and intervention component, or both as appropriate, of the local alcohol safety action program or such other treatment program, if available, such as in the opinion of the court would be best suited to the needs of the person. If the referral is to the local alcohol safety action program, the program may charge a fee for the education and intervention component, or both, not to exceed \$300, based upon the defendant's ability to pay.

§ 46.2-341.28. Penalty for driving commercial motor vehicle while intoxicated; subsequent offense; prior conviction.

Any person violating any provision of subsection A of § 46.2-341.24 shall be guilty of a Class 1 misdemeanor.

Any person convicted of a second offense committed within less than five years after a first offense under subsection A of § 46.2-341.24 shall be punishable by a fine of not less than \$200 nor more than \$2,500 and by confinement in jail for not less than one month nor more than one year. ~~Forty-eight hours~~ Five days of such confinement shall be a mandatory, minimum sentence not subject to suspension by the court. Any person convicted of a second offense committed within a period of five to ten years of a first offense under subsection A of § 46.2-341.24 shall be punishable by a fine of not less than \$200 nor more than \$2,500 and by confinement in jail for not less than one month nor more than one year. Any person convicted of a third offense or subsequent offense committed within ten years of an offense under subsection A of § 46.2-341.24 shall be punishable by a fine of not less than \$500 nor more than \$2,500 and by confinement in jail for not less than two months nor more than one year. Thirty days of such confinement shall be a mandatory, minimum sentence not subject to suspension by the court if the third or subsequent offense occurs within less than five years. Ten days of such confinement shall be a mandatory, minimum sentence not subject to suspension by the court if the third or subsequent offense occurs within a period of five to ten years of a first offense.

For the purposes of this section a conviction or finding of not innocent in the case of a juvenile under (i) § 18.2-51.4 or § 18.2-266, (ii) the ordinance of any county, city or town in this Commonwealth substantially similar to the provisions of § 18.2-51.4 or § 18.2-266, (iii) subsection A of § 46.2-341.24, or (iv) the laws of any other state substantially similar to the provisions of §§ 18.2-51.4, 18.2-266 or subsection A of § 46.2-341.24, shall be considered a prior conviction.

§ 46.2-391. Revocation of license for conviction of driving while under influence of drugs or intoxicants; exception; petition for restoration of privilege.

A. The Commissioner shall forthwith revoke and not thereafter reissue for three years the driver's license of any person on receiving a record of the conviction of any person who is adjudged to be a second offender in violation of the provisions of subsection A of § 46.2-341.24 (driving a commercial motor vehicle under the influence of drugs or intoxicants), § 18.2-51.4 (maiming committed while driving under the influence of drugs or intoxicants), § 18.2-266 (driving under the influence of drugs or intoxicants), § 18.2-272 (driving while the driver's license has been forfeited for a conviction under § 18.2-266), or a violation of a federal law or a law of any other state or a valid ordinance of any county, city, or town of the Commonwealth similar to subsection A of § 46.2-341.24, §§ 18.2-51.4, 18.2-266 or § 18.2-272, if the second violation adjudication occurred within ten years from the prior

violation. However, if the Commissioner has received a copy of a court order as provided in subsection E of § 18.2-271.1, he shall proceed as provided in the order of the court.

B. The Commissioner shall forthwith revoke and not thereafter reissue the driver's license of any person after receiving a record of the conviction of any person adjudged to be a third offender within a period of ten years in violation of the provisions of subsection A of § 46.2-341.24, §§ 18.2-51.4, 18.2-266, or a violation of federal law or a law of any other state or a valid ordinance of any county, city, or town of the Commonwealth similar to subsection A of § 46.2-341.24, §§ 18.2-51.4, 18.2-266 or § 18.2-272. ~~At the expiration of ten years from the date of the revocation hereunder, the person may petition the circuit court in the county or city in which he resides, and for good cause shown, his license may in the discretion of the court be restored on such conditions as the court may prescribe.~~

C. Any person who has had his driver's license revoked in accordance with subsection B of this section may petition the circuit court of his residence:

1. For restoration of his privilege to drive a motor vehicle in the Commonwealth after the expiration of five years from the date of his last conviction. On such petition, and for good cause shown, the court may, in its discretion, restore to the person the privilege to drive a motor vehicle in the Commonwealth *on condition that such person install an ignition interlock system in accordance with § 18.2-270.1 on all motor vehicles, as defined in § 46.2-100, owned by or registered to him, in whole or in part, for a period of at least six months, and upon whatever other conditions the court may prescribe*, subject to the provisions of law relating to issuance of driver's licenses, if the court is satisfied from the evidence presented that: (i) at the time of his previous convictions, the petitioner was addicted to or psychologically dependent on the use of alcohol or other drugs; (ii) at the time of the hearing on the petition, he is no longer addicted to or psychologically dependent on the use of alcohol or other drugs; and (iii) the defendant does not constitute a threat to the safety and welfare of himself or others with regard to the driving of a motor vehicle. However, prior to acting on the petition, the court shall order that an evaluation of the person, *to include an assessment of his degree of alcohol abuse and the appropriate treatment therefor, if any*, be conducted by a Virginia Alcohol Safety Action Program and recommendations therefrom be submitted to the court. The court may, in lieu of restoring the person's privilege to drive, authorize the issuance of a restricted license for a period not to exceed five years in accordance with the provisions of § 18.2-270.1 and subsection E of § 18.2-271.1. The court shall notify the Virginia Alcohol Safety Action Program which shall during the term of the restricted license monitor the person's compliance with the terms of the restrictions imposed by the court. Any violation of the restrictions shall be reported to the court, and the court may then modify the restrictions or revoke the license.

2. For a restricted permit to authorize such person to drive a motor vehicle in the Commonwealth in the course of his employment and to drive a motor vehicle to and from his home to the place of his employment after the expiration of three years from the date of his last conviction. The court may order that a restricted license for such purposes be issued in accordance with the procedures of subsection E of § 18.2-271.1, if the court is satisfied from the evidence presented that (i) at the time of the previous convictions, the petitioner was addicted to or psychologically dependent on the use of alcohol or other drugs; (ii) at the time of the hearing on the petition, he is no longer addicted to or psychologically dependent on the use of alcohol or such other drugs; and (iii) the defendant does not constitute a threat to the safety and welfare of himself and others with regard to the driving of a motor vehicle. The court ~~may~~ *shall* prohibit the person to whom a restricted license is issued from operating a motor vehicle that is not equipped with a functioning, certified ignition interlock system during all or any part of the term for which the restricted license is issued, in accordance with the provisions set forth in § 18.2-270.1. However, prior to acting on the petition, the court shall order that an evaluation of the person, *to include an assessment of his degree of alcohol abuse and the appropriate treatment therefor, if any*, be conducted by a Virginia Alcohol Safety Action Program and recommendations therefrom be submitted to the court. The Virginia Alcohol Safety Action Program shall during the term of the restricted license monitor the person's compliance with the terms of the restrictions imposed by the court. Any violation of the restrictions shall be reported to the court, and the court may then modify the restrictions or revoke the license.

~~In the computation of the five-year and three-year periods under subdivisions 1 and 2 of this subsection, such person shall be given credit for any period his driver's license was revoked under § 46.2-360 after adjudication as an habitual offender. The ignition interlock system installation requirement under subdivisions 1 and 2 of this subsection need only be satisfied once as to any since revocation under subsection B of this section for any person seeking restoration under subdivision 1 following the granting of a restricted license under subdivision 1 or 2.~~
