The Tax Commissioner is authorized to promulgate regulations requiring vendors of or sellers to such persons to collect the tax imposed by this chapter on the cost price of such tangible personal property to such persons and may refuse to issue certificates of registration to such persons.

The term "transient" shall not include a purchaser of camping memberships, time-shares, condominiums, or other similar contracts or interests that permit the use of, or constitute an interest in, real estate, however created or sold and whether registered with this Commonwealth or not. "Sales price" means the total amount for which tangible personal property or services are sold, including any services that are a part of the sale, valued in money, whether paid in money or otherwise, and includes any amount for which credit is given to the purchaser, consumer, or lessee by the dealer, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, losses or any other expenses whatsoever. Where used articles are taken in trade, or in a series of trades as a credit or part payment on the sale of new or used articles, the tax levied by this chapter shall be paid on the net difference between the sales price of the new or used articles and the credit for the used articles.

186 of business. The term does not include the exercise of any right or power, including use, distribution, or
187 storage, over any tangible personal property sold to a nonresident donor for delivery outside of the
188 Commonwealth to a nonresident recipient pursuant to an order placed by the donor from outside the
189 Commonwealth via mail or telephone.

194 integrated manufacturing or mining process, but not including ancillary activities such as general
195 maintenance or administration. When used in relation to mining, it shall refer to the activities specified
