§ 2.2-4007. Notice of intended regulatory action; public participation; informational proceedings; effect of noncompliance.

A. Any person may petition an agency to request the agency to develop a new regulation or amend an existing regulation. The agency receiving the petition shall consider and respond to the petition within 180 days. Agency decisions to initiate or not initiate rulemaking in response to petitions shall not be subject to judicial review.

B. In the case of all regulations, except those regulations exempted by §§ 2.2-4002, 2.2-4006 or § 2.2-4011, an agency shall provide the Registrar of Regulations with a Notice of Intended Regulatory Action that describes the subject matter and intent of the planned regulation. At least thirty days shall be provided for public comment after publication of the Notice of Intended Regulatory Action. An agency shall not file proposed regulations with the Registrar until the public comment period on the Notice of Intended Regulatory Action has closed.

C. Agencies shall state in the Notice of Intended Regulatory Action whether they plan to hold a public hearing on the proposed regulation after it is published. Agencies shall hold such public hearings if required by basic law. If the agency states an intent to hold a public hearing on the proposed regulation in the Notice of Intended Regulatory Action, then it shall hold the public hearing. If the agency states in its Notice of Intended Regulatory Action that it does not plan to hold a hearing on the proposed regulation, then no public hearing is required unless, prior to completion of the comment period specified in the Notice of Intended Regulatory Action (i) the Governor directs the agency to hold a public hearing or (ii) the agency receives requests for a public hearing from at least twenty-five persons.

D. Public participation guidelines for soliciting the input of interested parties in the formation and development of its regulations shall be developed, adopted and utilized by each agency pursuant to the provisions of this chapter. The guidelines shall set out any methods for the identification and notification of interested parties, and any specific means of seeking input from interested persons or groups that the agency intends to use in addition to the Notice of Intended Regulatory Action. The guidelines shall set out a general policy for the use of standing or ad hoc advisory panels and consultation with groups and individuals registering interest in working with the agency. Such policy shall address the circumstances in which the agency considers the panels or consultation appropriate and intends to make use of the panels or consultation.

E. In formulating any regulation, including but not limited to those in public assistance *and social services* programs, the agency pursuant to its public participation guidelines shall afford interested persons an opportunity to submit data, views, and arguments, either orally or in writing, to the agency or its specially designated subordinate. However, the agency may begin drafting the proposed regulation prior to or during any opportunities it provides to the public to submit comments.

F. In the case of all regulations, except those regulations exempted by §§ 2.2-4002, 2.2-4006, or § 2.2-4011, the proposed regulation and general notice of opportunity for oral or written submittals as to that regulation shall be published in the Virginia Register of Regulations in accordance with the provisions of subsection B of § 2.2-4031. In addition, the agency may, in its discretion, (i) publish the notice in any newspaper and (ii) publicize the notice through press releases and such other media as will best serve the purpose and subject involved. The Register and any newspaper publication shall be made at least sixty days in advance of the last date prescribed in the notice for such submittals. All notices, written submittals, and transcripts, summaries or notations of oral presentations, as well as any agency action thereon, shall be matters of public record in the custody of the agency.

G. Before delivering any proposed regulation under consideration to the Registrar as required in subsection H, the agency shall deliver a copy of that regulation to the Department of Planning and

182 Budget. In addition to determining the public benefit, the Department of Planning and Budget in
183 coordination with the agency, shall, within forty-five days, prepare an economic impact analysis of the
184 proposed regulation. The economic impact analysis shall include, but need not be limited to, the
185 projected number of businesses or other entities to whom the regulation would apply; the identity of any
186 localities and types of businesses or other entities particularly affected by the regulation; the projected
187 number of persons and employment positions to be affected; the impact of the regulation on the use and
188 value of private property; and the projected costs to affected businesses, localities or entities to
189 implement or comply with the regulations, including the estimated fiscal impact on such localities and
190 sources of potential funds to implement and comply with such regulation. Agencies shall provide the
191 Department with such estimated fiscal impacts on localities and sources of potential funds. The
192 Department may request the assistance of any other agency in preparing the analysis. The Department
193 shall deliver a copy of the analysis to the agency drafting the regulation, which shall comment thereon
194 as provided in subsection H, and a copy to the Registrar for publication with the proposed regulation.
195 No regulation shall be promulgated for consideration pursuant to subsection H until the impact analysis
196 has been received by the Registrar. For purposes of this section, the term "locality, business, or entity
197 particularly affected" means any locality, business, or entity that bears any identified disproportionate
198 material impact that would not be experienced by other localities, businesses, or entities. The analysis
199 shall represent the Department's best estimate for the purposes of public review and comment on the
200 proposed regulation. The accuracy of the estimate shall in no way affect the validity of the regulation,
201 nor shall any failure to comply with or otherwise follow the procedures set forth in this subsection
202 create any cause of action or provide standing for any person under Article 5 (§ 2.2-4025 et seq.) of this
203 chapter or otherwise to challenge the actions of the Department hereunder or the action of the agency in
204 adopting the proposed regulation.

205 H. Before promulgating any regulation under consideration, the agency shall deliver a copy of that
206 regulation to the Registrar together with a summary of the regulation and a separate and concise
207 statement of (i) the basis of the regulation, defined as the statutory authority for promulgating the
208 regulation, including an identification of the section number and a brief statement relating the content of
209 the statutory authority to the specific regulation proposed; (ii) the purpose of the regulation, defined as
210 the rationale or justification for the new provisions of the regulation, from the standpoint of the public's
211 health, safety or welfare; (iii) the substance of the regulation, defined as the identification and
212 explanation of the key provisions of the regulation that make changes to the current status of the law;
213 (iv) the issues of the regulation, defined as the primary advantages and disadvantages for the public, and
214 as applicable for the agency or the state, of implementing the new regulatory provisions; and (v) the
215 agency's response to the economic impact analysis submitted by the Department of Planning and Budget
216 pursuant to subsection G. Any economic impact estimate included in the agency's response shall
217 represent the agency's best estimate for the purposes of public review and comment, but the accuracy of
218 the estimate shall in no way affect the validity of the regulation. Staff as designated by the Code
219 Commission shall review proposed regulation submission packages to ensure the requirements of this
220 subsection are met prior to publication of the proposed regulation in the Register. The summary; the
221 statement of the basis, purpose, substance, and issues; the economic impact analysis; and the agency's
222 response shall be published in the Virginia Register of Regulations, together with the notice of
223 opportunity for oral or written submittals on the proposed regulation.

224 I. When an agency formulating regulations in public assistance *and social services* programs cannot
225 comply with the public comment requirements of subsection F due to time limitations imposed by state
226 or federal laws or regulations for the adoption of such regulation, the Secretary of Health and Human
227 Resources may shorten the time requirements of subsection F. If, in the Secretary's sole discretion, such
228 time limitations reasonably preclude any advance published notice, he may waive the requirements of
229 subsection F. However, the agency shall, as soon as practicable after the adoption of the regulation in a
230 manner consistent with the requirements of subsection F, publish notice of the promulgation of the
231 regulation and afford an opportunity for public comment. The precise factual basis for the Secretary's
232 determination shall be stated in the published notice.

233 J. If one or more changes with substantial impact are made to a proposed regulation from the time
234 that it is published as a proposed regulation to the time it is published as a final regulation, any person
235 may petition the agency within thirty days from the publication of the final regulation to request an
236 opportunity for oral and written submittals on the changes to the regulation. If the agency receives
237 requests from at least twenty-five persons for an opportunity to submit oral and written comments on the
238 changes to the regulation, the agency shall (i) suspend the regulatory process for thirty days to solicit
239 additional public comment and (ii) file notice of the additional thirty-day public comment period with
240 the Registrar of Regulations, unless the agency determines that the changes made are minor or
241 inconsequential in their impact. The comment period, if any, shall begin on the date of publication of
242 the notice in the Register. Agency denial of petitions for a comment period on changes to the regulation
243 shall be subject to judicial review.

K. In no event shall the failure to comply with the requirements of subsection F of this section be deemed mere harmless error for the purposes of § 2.2-4027.

L. This section shall not apply to the issuance by the State Air Pollution Control Board of variances to its regulations.

If the court finds in favor of the party complaining of agency action, the court shall remand the case to the agency for further proceedings. H. When a child is believed to be in need of inpatient treatment for mental illness as provided in § 16.1-340.

§ 16.1-260. Intake; petition; investigation.

A. All matters alleged to be within the jurisdiction of the court shall be commenced by the filing of a petition, except as provided in subsection H of this section and in § 16.1-259. The form and content of the petition shall be as provided in § 16.1-262. No individual shall be required to obtain support services from the Department of Social Services prior to filing a petition seeking support for a child. Complaints, requests and the processing of petitions to initiate a case shall be the responsibility of the intake officer. However, (i) the attorney for the Commonwealth of the city or county may file a petition on his own motion with the clerk, (ii) the Department of Social Services may file support petitions on its own motion with the clerk, and (iii) any attorney may file petitions on behalf of his client with the clerk except petitions alleging that the subject of the petition is a child alleged to be in need of services, in need of supervision or delinquent. Complaints alleging abuse or neglect of a child shall be referred initially to the local department of public welfare or social services in accordance with the provisions of Chapter 12-115 (§ 63.1-248.1 63.2-1500 et seq.) of Title 63.1-63.2. Motions and other subsequent pleadings in a case shall be filed directly with the clerk. The intake officer or clerk with whom the petition or motion is filed shall inquire whether the petitioner is receiving child support services or public assistance. No individual who is receiving support services or public assistance shall be denied the right to file a petition or motion to establish, modify or enforce an order for support of a child. If the petitioner is seeking or receiving child support services or public assistance, the clerk, upon issuance of process, shall forward a copy of the petition or motion, together with notice of the court date, to the Division of Child Support Enforcement.

B. The appearance of a child before an intake officer may be by (i) personal appearance before the intake officer or (ii) use of two-way electronic video and audio communication. If two-way electronic video and audio communication is used, an intake officer may exercise all powers conferred by law. All communications and proceedings shall be conducted in the same manner as if the appearance were in person, and any documents filed may be transmitted by facsimile process. The facsimile may be served or executed by the officer or person to whom sent, and returned in the same manner, and with the same force, effect, authority, and liability as an original document. All signatures thereon shall be treated as original signatures. Any two-way electronic video and audio communication system used for an appearance shall meet the standards as set forth in subsection B of § 19.2-3.1.

When the court service unit of any court receives a complaint alleging facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed informally to make such adjustment as is practicable without the filing of a petition or may authorize a petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause for the issuance of the petition.

An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision or delinquent only if the juvenile (i) is not alleged to have committed a violent juvenile felony; (ii) has not previously been proceeded against informally or adjudicated in need of supervision or delinquent; or (iii) is not the subject of a complaint filed pursuant to § 22.1-258 and the attendance officer has provided documentation to the intake officer or magistrate that the relevant school division has complied with the provisions of § 22.1-258. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is in need of supervision or delinquent shall be filed with the court if the juvenile had previously been proceeded against informally by intake or had been adjudicated in need of supervision or delinquent.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, in need of supervision or delinquent, the intake officer shall (i) develop a plan for

the juvenile, which may include restitution and the performance of community service, based upon community resources and the circumstances which resulted in the complaint, (ii) create an official record of the action taken by the intake officer and file such record in the juvenile's case file, and (iii) advise the juvenile and the juvenile's parent, guardian or other person standing in loco parentis and the complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241 will result in the filing of a petition with the court.

C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody, visitation or support of a child is the subject of controversy or requires determination, (ii) a person has deserted, abandoned or failed to provide support for any person in violation of law, (iii) a child or such child's parent, guardian, legal custodian or other person standing in loco parentis is entitled to treatment, rehabilitation or other services which are required by law, or (iv) family abuse has occurred and a protective order is being sought pursuant to §§ 16.1-253.1, 16.1-253.4 or § 16.1-279.1. If any such complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to be abused, neglected, in need of services, in need of supervision or delinquent, if the intake officer believes that probable cause does not exist, or that the authorization of a petition will not be in the best interest of the family or juvenile or that the matter may be effectively dealt with by some agency other than the court, he may refuse to authorize the filing of a petition.

D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need of supervision have utilized or attempted to utilize treatment and services available in the community and have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer determines that the parties have not attempted to utilize available treatment or services or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility or individual to receive treatment or services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in writing at that time of the complainant's right to apply to a magistrate for a warrant. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. After a petition is filed alleging that a juvenile committed an act which would be a crime if committed by an adult, the intake officer shall, as soon as practicable, provide notice by telephone of the filing of the petition and the nature of the offense to the superintendent of the school division in which the petitioner alleges the juvenile is or should be enrolled, provided the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), or 7 (§ 18.2-308 et seq.) of Chapter 7 of Title 18.2;

2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;

3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;

4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;

5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;

6. Manufacture, sale or distribution of marijuana pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;

7. Arson and related crimes, pursuant to Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2;

8. Burglary and related offenses, pursuant to §§ 18.2-89 through 18.2-93; or

9. Robbery pursuant to § 18.2-58.

Promptly after filing a petition the intake officer shall also mail notice, by first-class mail, to the superintendent. The failure to provide information regarding the school in which the juvenile who is the subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other pedestrian offenses, game and fish laws or a violation of the ordinance of any city regulating surfing or any ordinance establishing curfew violations or animal control violations. In such cases the court may proceed on a summons issued by the officer investigating the violation in the same manner as provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene of the accident or at any other location where a juvenile who is involved in such an accident may be located, proceed on a summons in lieu of filing a petition.

2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subdivision H of § 16.1-241.

3. In the case of a violation of § 18.2-266 or § 29.1-738, or the commission of any other alcohol-related offense, provided the juvenile is released to the custody of a parent or legal guardian pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or legal guardian to appear before the court with the juvenile. Disposition of the charge shall be in the manner provided in § 16.1-278.8 or § 16.1-278.9. If the juvenile so charged with a violation of § 18.2-266 or § 29.1-738 refuses to provide a sample of blood or breath or samples of both blood and breath for chemical analysis pursuant to §§ 18.2-268.1 through 18.2-268.12 or § 29.1-738.2, the provisions of these sections shall be followed except that the magistrate shall authorize execution of the warrant as a summons. The summons shall be served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the violation of § 18.2-266 or § 29.1-738 is to be tried.

4. In the case of offenses which, if committed by an adult, would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as provided by law for adults provided that notice of the summons to appear is mailed by the investigating officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of the jurisdiction granted it in § 16.1-241.

§ 16.1-278.2. Abused, neglected, or abandoned children or children without parental care.

A. Within seventy-five days of a preliminary removal order hearing held pursuant to § 16.1-252 or a hearing on a preliminary protective order held pursuant to § 16.1-253, a dispositional hearing shall be held if the court found abuse or neglect and (i) removed the child from his home or (ii) entered a preliminary protective order. Notice of the dispositional hearing shall be provided to the child's parent, guardian, legal custodian or other person standing in loco parentis in accordance with § 16.1-263. The hearing shall be held and a dispositional order may be entered, although a parent, guardian, legal custodian or person standing in loco parentis fails to appear and is not represented by counsel, provided personal or substituted service was made on the person, or the court determines that such person cannot be found, after reasonable effort, or in the case of a person who is without the Commonwealth, the person cannot be found or his post office address cannot be ascertained after reasonable effort. Notice shall also be provided to the local department of social services, the guardian ad litem and, if appointed, the court-appointed special advocate.

If a child is found to be ~~(i)~~(a) abused or neglected; ~~(ii)~~(b) at risk of being abused or neglected by a parent or custodian who has been adjudicated as having abused or neglected another child in his care; or ~~(iii)~~(c) abandoned by his parent or other custodian, or without parental care and guardianship because of his parent's absence or physical or mental incapacity, the juvenile court or the circuit court may make any of the following orders of disposition to protect the welfare of the child:

1. Enter an order pursuant to the provisions of § 16.1-278;

2. Permit the child to remain with his parent, subject to such conditions and limitations as the court may order with respect to such child and his parent or other adult occupant of the same dwelling;

3. Prohibit or limit contact as the court deems appropriate between the child and his parent or other adult occupant of the same dwelling whose presence tends to endanger the child's life, health or normal development. The prohibition may exclude any such individual from the home under such conditions as the court may prescribe for a period to be determined by the court but in no event for longer than 180 days from the date of such determination. A hearing shall be held within 150 days to determine further disposition of the matter ~~which~~ that may include limiting or prohibiting contact for another 180 days;

4. Permit the local board of social services or a public agency designated by the community policy and management team to place the child, subject to the provisions of § 16.1-281, in suitable family homes, child-caring institutions, residential facilities, or independent living arrangements with legal

674 custody remaining with the parents or guardians. The local board or public agency and the parents or
675 guardians shall enter into an agreement which shall specify the responsibilities of each for the care and
676 control of the child. The board or public agency ~~which~~ *that* places the child shall have the final
677 authority to determine the appropriate placement for the child.

678 Any order allowing a local board or public agency to place a child where legal custody remains with
679 the parents or guardians as provided in this section shall be entered only upon a finding by the court
680 that reasonable efforts have been made to prevent placement out of the home and that continued
681 placement in the home would be contrary to the welfare of the child; and the order shall so state.

682 5. After a finding that there is no less drastic alternative, transfer legal custody, subject to the
683 provisions of § 16.1-281, to any of the following:

684 a. A relative or other interested individual subject to the provisions of subsection A1 of this section;

685 b. A child welfare agency, private organization or facility ~~which~~ *that* is licensed or otherwise
686 authorized by law to receive and provide care for such child; however, a court shall not transfer legal
687 custody of an abused or neglected child to an agency, organization or facility out of the Commonwealth
688 without the approval of the Commissioner of Social Services; or

689 c. The local board of ~~public welfare~~ or social services of the county or city in which the court has
690 jurisdiction or, at the discretion of the court, to the local board of the county or city in which the child
691 has residence if other than the county or city in which the court has jurisdiction. The local board shall
692 accept the child for care and custody, provided that it has been given reasonable notice of the pendency
693 of the case and an opportunity to be heard. However, in an emergency in the county or city in which
694 the court has jurisdiction, the local board may be required to accept a child for a period not to exceed
695 fourteen days without prior notice or an opportunity to be heard if the judge entering the placement
696 order describes the emergency and the need for such temporary placement in the order. Nothing in this
697 section shall prohibit the commitment of a child to any local board of ~~public welfare~~ or social services
698 in the Commonwealth when the local board consents to the commitment. The board to which the child
699 is committed shall have the final authority to determine the appropriate placement for the child.

700 Any order authorizing removal from the home and transferring legal custody of a child to a local
701 board of ~~public welfare~~ or social services as provided in this section shall be entered only upon a
702 finding by the court that reasonable efforts have been made to prevent removal and that continued
703 placement in the home would be contrary to the welfare of the child; and the order shall so state.

704 6. Transfer legal custody pursuant to subdivision 5 of this section and order the parent to participate
705 in such services and programs or to refrain from such conduct as the court may prescribe; or

706 7. Terminate the rights of the parent pursuant to § 16.1-283.

707 A1. Any order transferring custody of the child to a relative or other interested individual pursuant to
708 subdivision A. 5. a. ~~of subsection A of this section~~ shall be entered only upon a finding, based upon a
709 preponderance of the evidence, that the relative or other interested individual is one who, after an
710 investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and
711 care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is
712 committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability
713 to protect the child from abuse and neglect; and the order shall so state. The court's order transferring
714 custody to a relative or other interested individual should further provide for, as appropriate, any terms
715 or conditions which would promote the child's interest and welfare; ongoing provision of social services
716 to the child and the child's custodian; and court review of the child's placement.

717 B. If the child has been placed in foster care, at the dispositional hearing the court shall review the
718 foster care plan for the child filed in accordance with § 16.1-281 by the local department of social
719 services, a public agency designated by the community policy and management team which places a
720 child through an agreement with the parents or guardians where legal custody remains with the parents
721 or guardians, or child welfare agency.

722 C. Any preliminary protective orders entered on behalf of the child shall be reviewed at the
723 dispositional hearing and may be incorporated, as appropriate, in the dispositional order.

724 D. A dispositional order entered pursuant to this section is a final order from which an appeal may
725 be taken in accordance with § 16.1-296.

726 § 16.1-278.4. Children in need of services.

727 If a child is found to be in need of services or a status offender, the juvenile court or the circuit
728 court may make any of the following orders of disposition for the supervision, care and rehabilitation of
729 the child:

730 1. Enter an order pursuant to the provisions of § 16.1-278.

731 2. Permit the child to remain with his parent subject to such conditions and limitations as the court
732 may order with respect to such child and his parent.

733 3. Order the parent with whom the child is living to participate in such programs, cooperate in such
734 treatment or be subject to such conditions and limitations as the court may order and as are designed for
735 the rehabilitation of the child and his parent.

4. Beginning July 1, 1992, in the case of any child fourteen years of age or older, where the court finds that the child is not able to benefit appreciably from further schooling, the court may excuse the child from further compliance with any legal requirement of compulsory school attendance as provided under § 22.1-254 or authorize the child, notwithstanding the provisions of any other law, to be employed in any occupation which is not legally declared hazardous for children under the age of eighteen.

5. Permit the local board of social services or a public agency designated by the community policy and management team to place the child, subject to the provisions of § 16.1-281, in suitable family homes, child caring-institutions, residential facilities, or independent living arrangements with legal custody remaining with the parents or guardians. The local board or public agency and the parents or guardians shall enter into an agreement which shall specify the responsibilities of each for the care and control of the child. The board or public agency ~~which~~ *that* places the child shall have the final authority to determine the appropriate placement for the child.

Any order allowing a local board or public agency to place a child where legal custody remains with the parents or guardians as provided in this section shall be entered only upon a finding by the court that reasonable efforts have been made to prevent placement out of the home and that continued placement in the home would be contrary to the welfare of the child, and the order shall so state.

6. Transfer legal custody to any of the following:

a. A relative or other individual who, after study, is found by the court to be qualified to receive and care for the child;

b. A child welfare agency, private organization or facility ~~which~~ *that* is licensed or otherwise authorized by law to receive and provide care for such child. The court shall not transfer legal custody of a child in need of services to an agency, organization or facility out of the Commonwealth without the approval of the Commissioner of Social Services; or

c. The local board of ~~public welfare~~ or social services of the county or city in which the court has jurisdiction or, at the discretion of the court, to the local board of the county or city in which the child has residence if other than the county or city in which the court has jurisdiction. The local board shall accept the child for care and custody, provided that it has been given reasonable notice of the pendency of the case and an opportunity to be heard. However, in an emergency in the county or city in which the court has jurisdiction, the local board may be required to accept a child for a period not to exceed fourteen days without prior notice or an opportunity to be heard if the judge entering the placement order describes the emergency and the need for such temporary placement in the order. Nothing in this subdivision shall prohibit the commitment of a child to any local board of ~~public welfare~~ or social services in the Commonwealth when the local board consents to the commitment. The board to which the child is committed shall have the final authority to determine the appropriate placement for the child.

Any order authorizing removal from the home and transferring legal custody of a child to a local board of ~~public welfare~~ or social services as provided in this subdivision shall be entered only upon a finding by the court that reasonable efforts have been made to prevent removal and that continued placement in the home would be contrary to the welfare of the child, and the order shall so state.

7. Require the child to participate in a public service project under such conditions as the court prescribes.

§ 16.1-278.18. Money judgments.

A. Each juvenile and domestic relations district court may enter judgment for money in any amount for arrears of support and maintenance of any person in cases in which (i) the court has previously acquired personal jurisdiction over all necessary parties or a proceeding in which such jurisdiction has been obtained has been referred or transferred to the court by a circuit court or another juvenile and domestic relations district court and (ii) payment of such money has been previously ordered by the court, a circuit court, or another juvenile and domestic relations district court. However, no judgment shall be entered unless the motion of a party, a probation officer, a ~~superintendent of public welfare~~ *local director of social services*, or the court's own motion is duly served on the person against whom judgment is sought, in accordance with the applicable provisions of law relating to notice when proceedings are reopened. The motion shall contain a caption stating the name of the court, the title of the action, the names of all parties and the address of the party against whom judgment is sought, the amount of arrearage for which judgment is sought, and the date and time when such judgment will be sought. No support order may be retroactively modified. It may, however, be modified with respect to any period during which there is a pending petition for modification, but only from the date that notice of such petition has been given to the responding party.

B. The judge or clerk of the court shall, upon written request of the obligee under a judgment entered pursuant to this section, certify and deliver an abstract of that judgment to the obligee or Department of Social Services, who may deliver the abstract to the clerk of the circuit court having jurisdiction over appeals from juvenile and domestic relations district court. The clerk shall issue

797 executions of the judgment.

798 C. If the judgment amount does not exceed the jurisdictional limits of *subdivision (1) of § 16.1-77*
799 ~~(4)~~, exclusive of interest and any attorneys' fees, an abstract of any such judgment entered pursuant to
800 this section may be delivered to the clerk of the general district court of the same judicial district. The
801 clerk shall issue executions upon the judgment.

802 D. Arrearages accumulated prior to July 1, 1976, shall also be subject to the provisions of this
803 section.

804 § 16.1-281. Foster care plan.

805 A. In any case in which (i) a local board of social services or a public agency designated by the
806 community policy and management team places a child through an agreement with the parents or
807 guardians where legal custody remains with the parents or guardian, or (ii) legal custody of a child is
808 given to a local board of ~~public welfare~~ or social services or a child welfare agency, the *local*
809 department of ~~public welfare~~ or social services, the public agency designated or child welfare agency or
810 the family assessment and planning team established pursuant to § 2.2-5207 shall prepare a foster care
811 plan for such child, as described hereinafter. The individual family service plan developed by the family
812 assessment and planning team pursuant to § 2.2-5208 may be accepted by the court as the foster care
813 plan if it meets the requirements of this section. The representatives of such department, agency, or team
814 shall consult with the child's parents, except when parental rights have been terminated, and any other
815 person or persons standing in loco parentis at the time the board or child welfare agency obtained
816 custody or the board or the public agency placed the child, concerning the matters which should be
817 included in such plan. The department, public agency, child welfare agency or team shall file the plan
818 with the juvenile and domestic relations district court within sixty days following the transfer of custody
819 or the board's or public agency's placement of the child unless the court, for good cause shown, allows
820 an extension of time, which shall not exceed an additional sixty days. However, a foster care plan shall
821 be filed in accordance with the provisions of § 16.1-277.01 with a petition for approval of an
822 entrustment agreement. A foster care plan need not be prepared if the child is returned to his prior
823 family or placed in an adoptive home within sixty days following transfer of custody to the board or
824 agency or the board's or public agency's placement of the child.

825 B. The foster care plan shall describe (i) the programs, care, services and other support which will be
826 offered to the child and his parents and other prior custodians; (ii) the participation and conduct which
827 will be sought from the child's parents and other prior custodians; (iii) the visitation and other contacts
828 which will be permitted between the child and his parents and other prior custodians; (iv) the nature of
829 the placement or placements which will be provided for the child; and (v) in writing and where
830 appropriate for children age sixteen or over, the programs and services which will help the child prepare
831 for the transition from foster care to independent living. If consistent with the child's health and safety,
832 the plan shall be designed to support reasonable efforts which lead to the return of the child to his
833 parents or other prior custodians within the shortest practicable time which shall be specified in the plan.
834 The child's health and safety shall be the paramount concern of the court and the agency throughout the
835 placement, case planning, service provision and review process.

836 If the department, child welfare agency or team determines that it is not reasonably likely that the
837 child can be returned to his prior family within a practicable time, consistent with the best interests of
838 the child, in a separate section of the plan the department, child welfare agency or team shall ~~(i)~~(a)
839 include a full description of the reasons for this conclusion; ~~(ii)~~(b) determine the opportunities for
840 placing the child with a relative or in an adoptive home; ~~(iii)~~(c) design the plan to lead to the child's
841 successful placement with a relative if a subsequent transfer of custody to the relative is planned, or in
842 an adoptive home within the shortest practicable time, and if neither of such placements is feasible;
843 ~~(iv)~~(d) explain why independent living for a child sixteen years of age or older, permanent foster care or
844 continued foster care is the plan for the child. "Independent living" includes the services and programs
845 needed to assist the child in making a transition from foster care to self-sufficiency. The department or
846 agency may include with such proposed plan a proper pleading seeking the termination of residual
847 parental rights pursuant to § 16.1-283.

848 The local board or other child welfare agency having custody of the child shall not be required by
849 the court to make reasonable efforts to reunite the child with a parent if the court finds that ~~(i)~~(1) the
850 residual parental rights of the parent regarding a sibling of the child have previously been involuntarily
851 terminated; ~~(ii)~~(2) the parent has been convicted of an offense under the laws of this Commonwealth or
852 a substantially similar law of any other state, the United States or any foreign jurisdiction which
853 constitutes murder or voluntary manslaughter, or a felony attempt, conspiracy or solicitation to commit
854 any such offense, if the victim of the offense was a child of the parent, a child with whom the parent
855 resided at the time such offense occurred or the other parent of the child; or ~~(iii)~~(3) the parent has been
856 convicted of an offense under the laws of this Commonwealth or a substantially similar law of any other
857 state, the United States or any foreign jurisdiction which constitutes felony assault resulting in serious
858 bodily injury or felony bodily wounding resulting in serious bodily injury or felony sexual assault, if the

victim of the offense was a child of the parent or a child with whom the parent resided at the time of such offense. As used in this section "serious bodily injury" means bodily injury which involves substantial risk of death, extreme physical pain, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member, organ or mental faculty. Within thirty days of making a determination that reasonable efforts to reunite the child with the parents are not required, the court shall hold a permanency planning hearing pursuant to § 16.1-282.1.

C. A copy of the entire foster care plan shall be sent by the court to the child, if he is twelve years of age or older; the guardian ad litem for the child, the attorney for the child's parents or for any other person standing in loco parentis at the time the board or child welfare agency obtained custody or the board or public agency placed the child, to the parents or other person standing in loco parentis, and such other persons as appear to the court to have a proper interest in the plan. However, a copy of the plan shall not be sent to a parent whose parental rights regarding the child have been terminated. A copy of the plan, excluding the section of the plan describing the reasons why the child cannot be returned home and the alternative chosen, shall be sent by the court to the foster parents. A hearing shall be held for the purpose of reviewing and approving the foster care plan. The hearing shall be held within seventy-five days of (i) the child's initial foster care placement, if the child was placed through an agreement between the parents or guardians and the local department of social services, other public agency or a child welfare agency; (ii) the original preliminary removal order hearing, if the child was placed in foster care pursuant to § 16.1-252; (iii) the hearing on the petition for relief of custody, if the child was placed in foster care pursuant to § 16.1-277.02; or (iv) the dispositional hearing at which the child was placed in foster care and an order was entered pursuant to §§ 16.1-278.2, 16.1-278.3, 16.1-278.4, 16.1-278.5, 16.1-278.6 or § 16.1-278.8. However, the hearing shall be held in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. If the judge makes any revision in any part of the foster care plan, a copy of the changes shall be sent by the court to all persons who received a copy of the original of that part of the plan.

C1. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide for, as appropriate, any terms or conditions which would promote the child's interest and welfare; ongoing provision of social services to the child and the child's custodian; and court review of the child's placement.

D. The court in which the foster care plan is filed shall be notified immediately if the child is returned to his parents or other persons standing in loco parentis at the time the board or agency obtained custody or the board or public agency placed the child.

E. Nothing in this section shall limit the authority of the juvenile judge or the staff of the juvenile court, upon order of the judge, to review the status of children in the custody of local boards of ~~public welfare or~~ social services or placed by local boards of social services or the public agency designated by the community policy and management team on its own motion. The court shall appoint an attorney to act as guardian ad litem to represent the child any time a hearing is held to review the foster care plan filed for the child or to review the child's status in foster care.

F. At the conclusion of the hearing at which the foster care plan is reviewed, the court shall schedule a foster care review hearing to be held within six months in accordance with § 16.1-282. Parties who are present at the hearing pursuant to this section shall be given notice of the date set for the foster care review hearing and parties who are not present shall be summoned as provided in § 16.1-263.

§ 16.1-294. Placing child on parole in foster home or with institution; how cost paid.

When the child is returned to the custody of the court for parole supervision by the court service unit or the local department of ~~public welfare or~~ social services for supervision, and, after a full investigation, the court is of the opinion that the child should not be placed in his home or is in need of treatment, and there are no funds available to board and maintain the child or to purchase the needed treatment services, the court service unit or the local department of ~~public welfare or~~ social services shall arrange with the Director of the Department of Juvenile Justice for the boarding of the child in a foster home or with any private institution, society or association or for the purchase of treatment services. In determining the proper placement for such a child, the Department may refer the child to the locality's family assessment and planning team for assessment and recommendation for services. The cost of maintaining such child shall be paid monthly, according to schedules prepared and adopted by the Department, out of funds appropriated for such purposes. Treatment services for such child shall be paid from funds appropriated to the Department for such purpose.

§ 16.1-332. Orders of court; investigation, report and appointment of counsel.

920 If deemed appropriate the court may (i) require the local department of ~~welfare or~~ social services or
921 any other agency or person to investigate the allegations in the petition and file a report of that
922 investigation with the court, (ii) appoint counsel for the minor's parents or guardian, or (iii) make any
923 other orders regarding the matter which the court deems appropriate. In any case pursuant to this article
924 the court shall appoint counsel for the minor to serve as guardian ad litem.

925 § 20-64. Proceedings instituted by petition.

926 Proceedings under this chapter may be instituted upon petition, verified by oath or affirmation, filed
927 by the spouse or child or by any probation officer or by any state or local law-enforcement officer or by
928 ~~any state or local public welfare officer~~ *the Department of Social Services* upon information received, or
929 by any other person having knowledge of the facts, and the petition shall set forth the facts and
930 circumstances of the case.

931 § 20-88.02. Transfer of assets to qualify for assistance; liability of transferees.

932 A. As used in this section, "uncompensated value" means the aggregate amount by which the fair
933 market value of all property or resources, including fractional interests, transferred by any transferor
934 after the effective date of and subject to this section, exceeds the aggregate consideration received for
935 such property or resources.

936 B. Within thirty months prior to the date on which any person receives benefits from any program of
937 public assistance *or social services* as defined in § ~~63-1-87~~ *63.2-100*, if such person has transferred any
938 property or resources resulting in uncompensated value, the transferee of such property or resources shall
939 be liable to repay the Commonwealth for benefits paid on behalf of the transferor up to the amount of
940 that uncompensated value less \$25,000.

941 C. In their discretion, the heads of the agencies which administer the appropriate program or
942 programs of public assistance may petition the circuit court having jurisdiction over the property or over
943 the transferee for an order requiring repayment. That order shall continue in effect, as the court may
944 determine, for so long as the transferor receives public assistance or until the uncompensated value is
945 completely repaid. With respect to all transfers subject to this section, a rebuttable presumption is
946 created that the transferee acted with the intent and for the purpose of assisting the transferor to qualify
947 for public assistance. If the presumption is rebutted, this section shall not apply and the petition shall be
948 dismissed.

949 D. After reasonable investigation, the agency or agencies administering the program of public
950 assistance shall not file any petition, and no court shall order payments under subsection B of this
951 section if it is determined that: (i) the uncompensated value of the property transferred is \$25,000 or
952 less, (ii) that the property transferred was the home of the transferor at the time of the transfer and the
953 transferor or any of the following individuals reside in the home: the transferor's spouse, any natural or
954 adopted child of the transferor under the age of twenty-one years or any natural or adopted child of the
955 transferor, regardless of age, who is blind or disabled as defined by the federal Social Security Act or
956 the Virginia Medicaid Program, or (iii) the transferee is without financial means or that such payment
957 would work a hardship on the transferee or his family. If the transferee does not fully cooperate with the
958 investigating agency to determine the nature and extent of the hardship, there shall be a rebuttable
959 presumption that no hardship exists.

960 § 20-108. Revision and alteration of such decrees.

961 The court may, from time to time after decreeing as provided in § 20-107.2, on petition of either of
962 the parents, or on its own motion or upon petition of any probation officer or ~~superintendent of public~~
963 ~~welfare~~ *the Department of Social Services*, which petition shall set forth the reasons for the relief
964 sought, revise and alter such decree concerning the care, custody, and maintenance of the children and
965 make a new decree concerning the same, as the circumstances of the parents and the benefit of the
966 children may require. The intentional withholding of visitation of a child from the other parent without
967 just cause may constitute a material change of circumstances justifying a change of custody in the
968 discretion of the court.

969 No support order may be retroactively modified, but may be modified with respect to any period
970 during which there is a pending petition for modification, but only from the date that notice of such
971 petition has been given to the responding party.

972 § 20-108.2. Guideline for determination of child support.

973 A. There shall be a rebuttable presumption in any judicial or administrative proceeding for child
974 support under this title or Title 16.1 or ~~63-1~~ *63.2*, including cases involving split custody or shared
975 custody, that the amount of the award which would result from the application of the guidelines set
976 forth in this section is the correct amount of child support to be awarded. In order to rebut the
977 presumption, the court shall make written findings in the order as set out in § 20-108.1, which findings
978 may be incorporated by reference, that the application of the guidelines would be unjust or inappropriate
979 in a particular case as determined by relevant evidence pertaining to the factors set out in §§ 20-107.2
980 and 20-108.1. The Department of Social Services shall set child support at the amount resulting from
981 computations using the guidelines set out in this section pursuant to the authority granted to it in

Chapter 1319 (§ ~~63.1-249~~ 63.2-1900 et seq.) of Title ~~63.1-63.2~~ and subject to the provisions of § ~~63.1-264.2~~ 63.2-1918.

B. For purposes of application of the guideline, a basic child support obligation shall be computed using the schedule set out below. For combined monthly gross income amounts falling between amounts shown in the schedule, basic child support obligation amounts shall be extrapolated. However, unless one of the following exemptions applies where the sole custody child support obligation as computed pursuant to subdivision G. 1. is less than \$65 per month, there shall be a presumptive minimum child support obligation of \$65 per month payable by the payor parent. Exemptions from this presumptive minimum monthly child support obligation shall include: parents unable to pay child support because they lack sufficient assets from which to pay child support and who, in addition, are institutionalized in a psychiatric facility; are imprisoned with no chance of parole; are medically verified to be totally and permanently disabled with no evidence of potential for paying child support, including recipients of Supplemental Security Income (SSI); or are otherwise involuntarily unable to produce income. "Number of children" means the number of children for whom the parents share joint legal responsibility and for whom support is being sought.

C. For purposes of this section, "gross income" means all income from all sources, and shall include, but not be limited to, income from salaries, wages, commissions, royalties, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, social security benefits except as listed below, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, veterans' benefits, spousal support, rental income, gifts, prizes or awards.

If a parent's gross income includes disability insurance benefits, it shall also include any amounts paid to or for the child who is the subject of the order and derived by the child from the parent's entitlement to disability insurance benefits. To the extent that such derivative benefits are included in a parent's gross income, that parent shall be entitled to a credit against his or her ongoing basic child support obligation for any such amounts, and, if the amount of the credit exceeds the parent's basic child support obligations, the credit may be used to reduce arrearages.

Gross income shall be subject to deduction of reasonable business expenses for persons with income from self-employment, a partnership, or a closely held business. "Gross income" shall not include benefits from public assistance *and social services* programs as defined in § ~~63.1-87~~ 63.2-100, federal supplemental security income benefits, or child support received. For purposes of this subsection, spousal support received shall be included in gross income and spousal support paid shall be deducted from gross income when paid pursuant to an order or written agreement.

Where there is an existing court or administrative order or written agreement relating to the child or children of a party to the proceeding, who are not the child or children who are the subject of the present proceeding, then there is a presumption that there shall be deducted from the gross income of the party subject to such order or written agreement, the amount that the party is actually paying for the support of a child or children pursuant to such order or agreement.

Where a party to the proceeding has a natural or adopted child or children in the party's household or primary physical custody, and the child or children are not the subject of the present proceeding, there is a presumption that there shall be deducted from the gross income of that party the amount as shown on the Schedule of Monthly Basic Child Support Obligations contained in subsection B that represents that party's support obligation based solely on that party's income as being the total income available for the natural or adopted child or children in the party's household or primary physical custody, who are not the subject of the present proceeding. Provided, however, that the existence of a party's financial responsibility for such a child or children shall not of itself constitute a material change in circumstances for modifying a previous order of child support in any modification proceeding. Any adjustment to gross income under this subsection shall not create or reduce a support obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and provide other basic necessities for the child, as determined by the court.

In cases in which retroactive liability for support is being determined, the court or administrative agency may use the gross monthly income of the parties averaged over the period of retroactivity.

D. Any extraordinary medical and dental expenses for treatment of the child or children shall be added to the basic child support obligation. For purposes of this section, extraordinary medical and dental expenses are uninsured expenses in excess of \$100 for a single illness or condition and shall include but not be limited to eyeglasses, prescription medication, prostheses, and mental health services whether provided by a social worker, psychologist, psychiatrist, or counselor.

E. Any costs for health care coverage as defined in § ~~63.1-250~~ 63.2-1900 and dental care coverage, when actually being paid by a parent, to the extent such costs are directly allocable to the child or children, and which are the extra costs of covering the child or children beyond whatever coverage the parent providing the coverage would otherwise have, shall be added to the basic child support obligation.

F. Any child-care costs incurred on behalf of the child or children due to employment of the custodial parent shall be added to the basic child support obligation. Child-care costs shall not exceed the amount required to provide quality care from a licensed source. When requested by the noncustodial parent, the court may require the custodial parent to present documentation to verify the costs incurred for child care under this subsection. Where appropriate, the court shall consider the willingness and availability of the noncustodial parent to provide child care personally in determining whether child-care costs are necessary or excessive.

G. 1. Sole custody support. The sole custody total monthly child support obligation shall be established by adding (i) the monthly basic child support obligation, as determined from the schedule contained in subsection B ~~of this section~~, (ii) all extraordinary medical expenses, (iii) costs for health care coverage to the extent allowable by subsection E, and (iv) work-related child-care costs and taking into consideration all the factors set forth in subsection B of § 20-108.1. The total monthly child support obligation shall be divided between the parents in the same proportion as their monthly gross incomes bear to their monthly combined gross income. The monthly obligation of each parent shall be computed

by multiplying each parent's percentage of the parents' monthly combined gross income by the total monthly child support obligation.

However, the monthly obligation of the noncustodial parent shall be reduced by the cost for health care coverage to the extent allowable by subsection E when paid directly by the noncustodial parent.

2. Split custody support. In cases involving split custody, the amount of child support to be paid shall be the difference between the amounts owed by each parent as a noncustodial parent, computed in accordance with subdivision 1 of this subsection, with the noncustodial parent owing the larger amount paying the difference to the other parent.

For the purpose of this section and § 20-108.1, split custody shall be limited to those situations where each parent has physical custody of a child or children born of the parents, born of either parent and adopted by the other parent or adopted by both parents. For the purposes of calculating a child support obligation where split custody exists, a separate family unit exists for each parent, and child support for that family unit shall be calculated upon the number of children in that family unit who are born of the parents, born of either parent and adopted by the other parent or adopted by both parents. Where split custody exists, a parent is a custodial parent to the children in that parent's family unit and is a noncustodial parent to the children in the other parent's family unit.

3. Shared custody support.

(a) Where a party has custody or visitation of a child or children for more than ninety days of the year, as such days are defined in subdivision G. 3. (c), a shared custody child support amount based on the ratio in which the parents share the custody and visitation of any child or children shall be calculated in accordance with this subdivision. The presumptive support to be paid shall be the shared custody support amount, unless a party affirmatively shows that the sole custody support amount calculated as provided in subdivision G. 1. is less than the shared custody support amount. If so, the lesser amount shall be the support to be paid. For the purposes of this subsection, the following shall apply:

(i) Income share. "Income share" means a parent's percentage of the combined monthly gross income of both parents. The income share of a parent is that parent's gross income divided by the combined gross incomes of the parties.

(ii) Custody share. "Custody share" means the number of days that a parent has physical custody, whether by sole custody, joint legal or joint residential custody, or visitation, of a shared child per year divided by the number of days in the year. The actual or anticipated "custody share" of the parent who has or will have fewer days of physical custody shall be calculated for a one-year period. The "custody share" of the other parent shall be presumed to be the number of days in the year less the number of days calculated as the first parent's "custody share." For purposes of this calculation, the year may begin on such date as is determined in the discretion of the court, and the day may begin at such time as is determined in the discretion of the court. For purposes of this calculation, a day shall be as defined in subdivision G. 3. (c).

(iii) Shared support need. "Shared support need" means the presumptive guideline amount of needed support for the shared child or children calculated pursuant to subsection B of this section, for the combined gross income of the parties and the number of shared children, multiplied by 1.4.

(iv) Sole custody support. "Sole custody support" means the support amount determined in accordance with subdivision G 1.

(b) Support to be paid. The shared support need of the shared child or children shall be calculated pursuant to subdivision G. 3. (a) (iii). This amount shall then be multiplied by the other parent's custody share. To that sum for each parent shall be added the other parent's cost of health care coverage to the extent allowable by subsection E, plus the other parent's work-related child-care costs to the extent allowable by subsection F. This total for each parent shall be multiplied by that parent's income share. The support amounts thereby calculated that each parent owes the other shall be subtracted one from the other and the difference shall be the shared custody support one parent owes to the other, with the payor parent being the one whose shared support is the larger. Any extraordinary medical and dental expenses, to the extent allowable by subsection D, shall be shared directly by the parents in accordance with their income shares, and shall not be adjusted by the custody share. The parents shall pay their respective shares of these extraordinary medical expenses as they are incurred, and they are not added to each party's shared custody support owed to the other party. The method of payment of said allowable expenses shall be contained in the support order. When the shared support is compared to the sole custody support to determine which is the lesser support, pursuant to subdivision G. 3. (a), the extraordinary medical expenses shall not enter into either calculation.

(c) Definition of a day. For the purposes of this section, "day" means a period of twenty-four hours; however, where the parent who has the fewer number of overnight periods during the year has an overnight period with a child, but has physical custody of the shared child for less than twenty-four hours during such overnight period, there is a presumption that each parent shall be allocated one-half of a day of custody for that period.

(d) Minimum standards. Any calculation under this subdivision shall not create or reduce a support obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and provide other basic necessities for the child. If the gross income of either party is equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of Health and Human Services from time to time, then the shared custody support calculated pursuant to this subsection shall not be the presumptively correct support and the court may consider whether the sole custody support or the shared custody support is more just and appropriate.

(e) Support modification. When there has been an award of child support based on the shared custody formula and one parent consistently fails to exercise custody or visitation in accordance with the parent's custody share upon which the award was based, there shall be a rebuttable presumption that the support award should be modified.

(f) In the event that the shared custody support calculation indicates that the net support is to be paid to the parent who would not be the parent receiving support pursuant to the sole custody calculation, then the shared support shall be deemed to be the lesser support.

H. The Secretary of Health and Human Resources shall ensure that the guideline set out in this section is reviewed by October 31, 2001, and every three years thereafter, by a panel that includes a representative of a juvenile and domestic relations court and a circuit court, a representative of the executive branch, a member of the House of Delegates, a member of the Senate to be appointed by the chairmen of the House and Senate Committees for Courts of Justice, members of the bar, two custodial and two noncustodial parents and a child advocate. The panel shall determine the adequacy of the guideline for the determination of appropriate awards for the support of children by considering current research and data on the cost of and expenditures necessary for rearing children, and any other resources it deems relevant to such review. The panel shall report its findings to the General Assembly before it next convenes following such review.

§ 22.1-30. Certain officers may not act on school board or serve as tie breaker.

A. 1796 § 51.5-65. Functions, duties and powers of Commissioner.

1797 In addition to the functions, duties and powers conferred and imposed upon the Commissioner by
1798 other provisions of law, he shall:

1799 1. Ensure that the provisions of this chapter are properly administered;

1800 2. Assist and cooperate with local authorities in the administration of this chapter;

1807 The Department is authorized to receive, for and on behalf of the Commonwealth and its
1808 subdivisions, from the United States and agencies thereof, and from any and all other sources, gifts and

1810 vision impaired, including expenses of administration.

1821 The Department shall retain title to items of nonexpendable equipment purchased by the Department
1822 for individuals or groups of individuals, in accordance with this chapter and the federal Rehabilitation
1823 Act, while such equipment has an undepreciated monetary value. Once the equipment has reached a
1824 depreciated value of zero, the Department may donate the equipment to the individual or group of

individuals then authorized to use it by the Department. The donation shall be consistent with the public purpose of promoting the rehabilitation of persons with disabilities. The Department, in concert with the Department of Accounts, shall establish criteria for depreciation of such equipment in accordance with generally accepted principles and maintain depreciation records. The Department shall report a donation pursuant to this section to the Division of Purchases and Supply and to the Auditor of Public Accounts. Nothing in this section shall be construed to excuse the Department from complying with § 2.2-1124 except for equipment donated pursuant to this section.

§ 51.5-68. Register of the blind; reports required of physicians and others.

The Department shall prepare and maintain a complete register of the blind in the Commonwealth, which shall include information that the Department deems of value. Information needed for research purposes may be made available to an organization or individual engaged in research only for purposes directly connected with the administration of programs relating to the blind and vision impaired, including research for the development of new knowledge or techniques that would be useful in the administration of the program, but only if the organization or individual furnishes satisfactory assurance that the information will be used solely for the purpose for which it is provided; that it will not be released to persons not connected with the study under consideration; and that the final product of the research will not reveal any information that may serve to identify any person about whom information has been obtained through the Department without written consent of such person and the Department. If any person willfully discloses information concerning individuals except as provided herein he shall be guilty of a Class 1 misdemeanor, and upon conviction, shall be punished accordingly.

§ 51.5-70. Establishment of standards of personnel and service.

The Department shall, as to matters relating to rehabilitation of the blind or vision impaired, establish minimum standards of service and personnel based upon training, experience and general ability for the personnel employed by the Department and the Commissioner in the administration of this chapter and adopt necessary regulations to maintain such standards, including such regulations as may be embraced in the development of a system of personnel administration meeting requirements of the federal Department of Education.

§ 51.5-71. State Rehabilitation Council for the Blind and Vision Impaired created.

The State Rehabilitation Council for the Blind and Vision Impaired is hereby created to provide advice to the Department for the Blind and Vision Impaired regarding vocational services provided pursuant to Title I and Title VI of the federal Rehabilitation Act. B. The Board shall establish an advisory board for each of the manufacturing and services industries established pursuant to this section. Each board shall consist of nine persons, at least two of whom shall be blind persons or parents of blind persons, at least two of whom shall represent human service agencies, and the remainder of whom shall represent local business and manufacturing entities and other employers. The Board shall initially appoint the members of each advisory board. As each member's term expires, the advisory board shall itself make subsequent appointments for terms of three years. No member shall serve for more than two consecutive three-year terms. The powers and duties of each advisory board shall include but not be limited to advising managers of the manufacturing plants

2550 Corporation Commission for any class of credit transaction) after receipt of a completed application for
2551 credit, a creditor shall notify the applicant of its action on the application.

2552 (2)2. Each applicant against whom adverse action is taken shall be entitled to a statement of reasons
2553 for such action from the creditor. A creditor satisfies this obligation by:

2554 (A)a. Providing statement of reasons in writing as a matter of course to applicants against whom
2555 adverse action is taken; or

2557 statement of reasons within thirty days after receipt by the creditor of a request made within sixty days
2558 after such notification, and (ii) the identity of the person or office from which such statement may be
2559 obtained. Such statement may be given orally if the written notification advises the applicant of his right
2560 to have the statement of reasons confirmed in writing on written request.

2561 (3)3. A statement of reasons meets the requirements of this section only if it contains the specific
2562 reasons for the adverse action taken.

(4)4. Where a creditor has been requested by a third party to make a specific extension of credit directly or indirectly to an applicant, the notification and statement of reasons required by this subsection may be made directly by such creditor, or indirectly through the third party, provided in either case that the identity of the creditor is disclosed.

(5)5. The requirements of subdivision (2)2, (3)3, or (4)4 may be satisfied by verbal statements or notifications in the case of any creditor who did not act on more than 150 applications during the calendar year preceding the calendar year in which the adverse action is taken, as determined under regulations of the State Corporation Commission.

There shall be a local board in each county and city of the Commonwealth. However, any combination of counties and cities may establish one local board for those jurisdictions as hereinafter provided in this article.

§ 63.2-301. Local board appointments and terms of office.

The members of each local board first appointed shall be appointed initially for terms of from one to four years so as to provide for the balanced overlapping of the terms of the membership thereon and the members of a local board representing more than one county or city shall be appointed initially for such terms, of not less than one nor more than four years, as may be determined by the governing bodies of their respective counties or cities. Subsequent appointments shall be for a term of four years each, except that appointments to fill vacancies that occur during terms shall be for the remainder of those unexpired terms. Appointments to fill unexpired terms shall not be considered full terms, and such persons shall be eligible to be appointed to two consecutive full terms. No person may serve more than two consecutive full terms; ; however, this section shall not apply where a local government official is constituted to be the local board. A member of a local board who serves two consecutive full terms shall be ineligible for reappointment to such local board until the end of an intervening four-year period dating from the expiration of the last of the two consecutive terms.

§ 63.2-302. How local board for a single county is constituted.

The local board serving a single county shall be, at the discretion of the governing body of the county, either a local government official or a local board consisting of residents of the county who are, except as provided in § 63.2-303, appointed by the governing body of the county. If residents of the county constitute the local board, such board shall consist of three or more members. The governing body shall appoint a member of the board of supervisors to be one member of the local board, except in those cases where the board of supervisors has determined otherwise. When a member of the board of supervisors who was appointed as a member of the local board ceases to be a member of the board of supervisors, his office as a member of the local board shall also be vacated and another member of the board of supervisors shall be appointed to fill such vacancy.

If a local government official constitutes the local board, he may designate a senior staff person in the local department to act in his behalf, in his absence, to approve, cancel or change grants made under the provisions of this title.

§ 63.2-303. Local boards in counties having special forms of county government.

Where the statutes dealing with special forms of county government provide for the appointment of local boards, the provisions of such statutes shall control.

§ 63.2-304. How local board of a city is constituted.

The local board serving a single city shall be, at the discretion of the city council, either a local government official or a local board consisting of five members appointed by the city council of such city in accordance with the provisions of § 63.2-301. If a local government official constitutes the local board, he may designate a senior staff person in the local department to act in his behalf, in his absence, with respect to approving, cancelling or changing grants made under the provisions of this title.

§ 63.2-305. Advisory boards.

A. If the governing body of a city or county or the governing bodies of any combination of cities and counties participating in a district designate, under the provisions of §§ 63.2-302, 63.2-304 or 63.2-307, a local government official as constituting the local board, such governing body or bodies shall appoint a board to serve in an advisory capacity to such local government official with respect to the duties and functions imposed upon him by this title.

Each such advisory board shall consist of no fewer than five and no more than thirteen members. In the case of an advisory board established for a district, there shall be at least one member on the board from each county and city in the district. The members shall be appointed initially for terms of from one to four years so as to provide for the balanced overlapping of the terms of the membership thereon. Subsequent appointments shall be for a term of four years each, except that appointments to fill vacancies that occur during terms shall be for the remainder of these unexpired terms. Appointments to fill unexpired terms shall not be considered full terms, and such persons shall be eligible to be appointed to two consecutive full terms. No person shall serve more than two consecutive full terms. The local government official shall be an ex officio member, without vote, of the advisory board.

The advisory board shall elect its own chairman and shall meet at least bimonthly. In addition to regularly scheduled meetings, it may meet at the call of the chairman or on the petition of at least one-half of the members.

2. To monitor the formulation and implementation of public assistance and social services programs

3239 by the local department;

3240 3. To meet with the local government official who constitutes the local board at least four times a
3241 year for the purpose of making recommendations on policy matters concerning the local department;

3242 4. To make an annual report to the governing body or bodies, concurrent with the budget
3243 presentation of the local department, concerning the administration of the public assistance and social
3244 services programs; and

3245 5. To submit to the governing body or bodies, from time to time, other reports that the advisory
3246 board deems appropriate.

3247 § 63.2-306. Local boards established by two or more political subdivisions.

3248 The provisions of §§ 63.2-302 and 63.2-304 notwithstanding, the Board, with the prior consent of the
3249 Governor, may establish districts consisting of two or more counties or cities or combinations of cities
3250 and counties. Except as provided in § 63.2-307, there shall be one district board of not less than three
3251 nor more than nine members for each such district. There shall be at least one member of the district
3252 board from each county and city in the district. Additional representation from one or more counties or
3253 cities within the stipulated maximum may be determined by the Board, with population being the
3254 principal factor in such determination. Appointments to the district board shall be made by the
3255 governing body of each county and city in the district, upon certification of the establishment of such
3256 district by the Board. The Board shall designate the initial term of each district board member to be not
3257 less than one nor more than four years in duration, so as to provide for a balanced overlapping of
3258 terms. Subsequent appointments shall be for terms of four years each, except appointments to fill a
3259 vacancy, which shall be for the unexpired term. Appointments to fill unexpired terms shall not be
3260 considered full terms, and such persons shall be eligible to be appointed to two consecutive full terms.
3261 No member shall serve for more than two consecutive full terms. A member who serves two consecutive
3262 full terms shall be ineligible for reappointment to the district board until the end of an intervening
3263 one-year period dating from the expiration of the last of the two consecutive terms. Before requesting
3264 the Governor's approval for establishment of any such district, the Board shall consult with the
3265 governing body of each county or city that would be included in the district. No county or city shall be
3266 included in any such district served by one board unless the local governing body so elects. The district
3267 board of any district consisting of two or more counties or cities or combinations of counties and cities
3268 shall be considered to be a local board.

3269 Administrative costs of a district board shall be borne by the participating local governments on the
3270 basis of population and case load with equal weight being given to each factor or in such manner as
3271 the respective governing bodies provide by agreement.

3272 In cases in which a district board includes a county, a member of the board of supervisors of such
3273 county may be a member of the local board.

3274 In cases in which a district board includes a city, a member of the council of such city may be a
3275 member of the local board, notwithstanding any provision of the charter of any city in force on March
3276 4, 1971.

3277 § 63.2-307. Local boards serving certain districts.

3278 Notwithstanding the provisions of § 63.2-306:

3279 1. The local board for the York County and City of Poquoson district may be, at the discretion of the
3280 governing bodies of the participating city and county, the local director. If such local director serves as
3281 the local board, he may designate a senior staff person in the local department to act on his behalf, in
3282 his absence, to approve, cancel or change grants made under the provisions of this title.

3283 2. At the discretion of the governing bodies of the participating cities and counties, the local board
3284 for a district may be composed of the chief administrative officer of each political subdivision, who may
3285 designate his principal assistant to act on his behalf, in his absence, to approve, cancel or change
3286 grants made under the provisions of this title.

3287 In addition, the provisions of § 63.2-305 shall apply.

3669 *§ 63.2-411. Construction and operation of children's residential facilities.*

Subject to approval by the Governor, a local board is authorized and empowered (i) to operate, construct, purchase, renovate or enlarge children's residential facilities for children who are in the custody of such local board by reason of commitment, voluntary entrustment or temporary detention order or (ii) to contract for such services from other counties or cities operating such facilities or from individuals or private corporations whose facilities are licensed by the appropriate state agency. The cost of maintaining children in such facilities through purchase of service contracts shall be established in accordance with regulations of the Board. Any moneys paid by a local board of a county or city to another county or city for services purchased pursuant to this section shall be applied by that county or city to the establishment and operation of such children's residential facilities. Children's residential facilities established pursuant to the provisions of this section shall meet standards prescribed by the Board.

Within the limits of appropriations of state funds, the Department shall reimburse the local board one half the actual cost of the construction, purchase, renovation or enlargement of each such facility. The Commonwealth shall reimburse the local board for administrative costs of operations of such facilities, including the entire reasonable cost of food, medicines, disinfectants, beds and bedding, utilities, equipment and service maintenance, transportation, staff salaries and fringe benefits, insurance and other necessary supplies in accordance with the provisions of § 63.2-401.

In the event that a local board requests and receives financial assistance for the costs of the local share of the construction, purchase, renovation or operation of children's residential facilities for children who are in the custody of such local board from any source other than reimbursement provided pursuant to this section, the total financial assistance and reimbursement shall not exceed the total cost of construction, purchase, renovation or operations, and such funds shall not be considered state funds.

§ 63.2-412. Assistance to needy persons engaged in work or training programs; costs of administration of such programs.

Notwithstanding any other provisions of law, the Commissioner is authorized, subject to the approval of the Board, to initiate and administer a program providing for payments to or in behalf of needy persons engaged in work or training programs. Such payments may be made by transfer of funds to an appropriate agency administering a work or training program. The Commissioner is also authorized to pay all costs incurred in the administration of such programs from funds appropriated for such purposes.

Subtitle II.

Public Assistance.

CHAPTER 5.

GENERAL PROVISIONS.

§ 63.2-500. Definitions.

For purposes of this subtitle, unless the context otherwise clearly requires:

"Agreement" means the written individualized agreement of personal responsibility required by this chapter.

"Case manager" means the worker designated by the local department, a private-sector contractor or a private community-based organization including nonprofit entities, churches, or voluntary organizations that provide case management services.

"Intensive case management" means individualized services provided by a properly trained case manager.

§ 63.2-501. Application for assistance.

Except as provided for in the state plan for medical assistance services pursuant to § 32.1-325, application for public assistance shall be made to the local board and filed with the local director of the county or city in which the applicant resides. The application shall be in writing on forms prescribed by the Commissioner and shall be signed by the applicant under penalty of perjury in accordance with § 63.2-502.

If the condition of the applicant for public assistance precludes his signing an application, the application may be made on his behalf by his guardian or conservator. If no guardian or conservator has been appointed for the applicant, the application may be made by any competent adult person having sufficient knowledge of the applicant's circumstances to provide the necessary information, until such time as a guardian or conservator is appointed by a court.

§ 63.2-502. False application or false swearing; penalty.

Any person who knowingly makes any false application for public assistance or who knowingly swears or affirms falsely to any matter or thing required by the provisions of this title or as to any information required by the Commissioner, incidental to the administration of the provisions of this title, to be sworn to or affirmed, shall be guilty of perjury and, upon conviction therefor, shall be punished in accordance with the provisions of § 18.2-434.

§ 63.2-503. Procedure upon receipt of application.

3731 Upon receipt of the application for public assistance, the local director shall make or cause to be
3732 made promptly such investigation as he deems necessary to determine the completeness and correctness
3733 of the statements contained in the application and to ascertain the facts supporting the application and
3734 such other information as the local board or the Commissioner may require, and shall submit
3735 recommendations in writing to the local board.

3736 The Board may by regulation authorize the local directors to provide immediate and temporary
3737 assistance to persons pending action of the local boards.

3738 § 63.2-504. Decision of local board that applicant entitled to public assistance.

3739 Upon completion of the investigation the local board shall determine whether the applicant is
3740 eligible for public assistance under this subtitle, and, if eligible, the amount of such public assistance
3741 and the date upon which such public assistance shall begin. If the local board approves the payment of
3742 public assistance, such public assistance shall thereupon, until changed, modified, or revoked be paid as
3743 hereinafter provided. If the local board does not act upon any such application within the period
3744 specified by Board regulation, or, if the circumstances require immediate public assistance to prevent
3745 hardship, the local director may provide necessary public assistance pending determination by the local
3746 board.

3747 § 63.2-505. Determining the amount of public assistance.

3748 The Board shall adopt regulations governing the amount of public assistance persons receive under
3749 the provisions of this subtitle. In making such regulations, the Board shall consider significant
3750 differences in living costs in various counties and cities and, unless otherwise precluded by law, shall
3751 establish or approve such variations in monetary public assistance standards for shelter allowance on a
3752 regional or local basis, as may be appropriate.

3753 The amount of public assistance any person receives under the provisions of this subtitle shall be
3754 determined according to Board regulations with regard to (i) the property and income of the person and
3755 any support he receives from other sources, including from persons legally responsible for his support,
3756 and (ii) the average cost of providing public assistance statewide. It shall be sufficient to provide public
3757 assistance that, when added to all other income and support of the recipient (exclusive of that not to be
3758 taken into account as hereinafter provided), provides such person with a reasonable subsistence. In
3759 determining the income of and support available to a person, the amount of income required to be
3760 exempted by federal statute, or if the federal statute makes such exemption permissive, then such portion
3761 thereof as may be determined by the Board shall not be considered in determining the amount of
3762 assistance any person may receive under this subtitle.

3763 Any amounts received by a person pursuant to a settlement agreement with, or judgment in a lawsuit
3764 brought against, a manufacturer or distributor of "Agent Orange" for damages resulting from exposure
3765 to "Agent Orange" shall be disregarded in determining the amount of public assistance such person may
3766 receive from state public assistance programs and from federal public assistance programs to the extent
3767 permitted by federal law or regulation, and such amounts shall not be subject to a lien or be available
3768 for reimbursement to the Commonwealth or any local department for public assistance, notwithstanding
3769 the provisions of § 63.2-409.

3770 Any individual or family applying for or receiving public assistance under the Temporary Assistance
3771 for Needy Families Program, medical assistance services for low income families with children, food
3772 stamp or energy assistance programs, to the extent permitted by federal law and regulation, may have
3773 or establish one interest-bearing savings account per assistance unit not to exceed \$5,000 at a financial
3774 institution for the purpose of paying for tuition, books, and incidental expenses at any elementary,
3775 secondary or career and technical school or any college or university or for making a down payment on
3776 a primary residence or for business incubation. Any funds deposited in the account, and any interest
3777 earned thereon, shall be exempt from consideration in any calculation under any specified public
3778 assistance program for so long as the fund and interest remain on deposit in the account. Any amounts
3779 withdrawn from the account for the purposes stated in this section shall be exempt from consideration in
3780 any calculation under any specified public assistance program. For the purposes of this section,
3781 business incubation means the initial establishment of a commercial operation that is owned by a
3782 member of the public assistance unit. The net worth of any business owned by a member of the public
3783 assistance unit shall be exempt from consideration in any calculation under the public assistance
3784 programs specified above so long as the net worth of the business is less than \$5,000. The Board shall
3785 adopt regulations to establish penalties for amounts withdrawn from any accounts for any other
3786 purposes than those stated in this section or other misuse of these funds.

3787 § 63.2-506. Public assistance not transferable or subject to execution.

3788 Except as provided in § 63.2-512, no public assistance given under this subtitle shall be transferable
3789 or assignable, at law or in equity, and none of the money paid or payable as public assistance under
3790 this subtitle shall be subject to execution, levy, attachment, garnishment or other legal process, or to the
3791 operation of any bankruptcy or insolvency laws.

3792 § 63.2-507. Personal representatives for recipients of public assistance funds.

A. If any otherwise qualified applicant for, or recipient of, benefits accruing under the provisions of this subtitle is or shall become unable to manage the funds accruing thereunder, or otherwise fails so to manage, to the extent that deprivation or hazard to himself or others results, or, in the case of Temporary Assistance for Needy Families, the benefits are not being used for the children, a petition may be filed by the local director of the county or city wherein the applicant or recipient resides, in any court of that county or city having jurisdiction in fiduciary matters for the appointment of a personal representative not an employee of the local department, for the purpose of receiving and managing any such payments accruing thereunder for any such recipient or payee. The petition shall allege one or more of the above grounds for the appointment of such representative.

B. The court shall summarily order a hearing on the petition and shall cause the applicant, recipient, or payee to be notified at least five days in advance of the time and place for the hearing. Findings of fact shall be made by the court without a jury. The court may require the local director to furnish a report containing any information necessary and this report shall remain confidential. Reports and findings of fact under this section shall not be competent as evidence in any proceeding dealing with any subject matter other than provided in this section.

C. If the court finds that the applicant, recipient, or payee is unable to manage such payments, or otherwise fails so to manage, to the extent that deprivation or hazard to himself or others results, or, in the case of Temporary Assistance for Needy Families, the payment is not being used for such child or children, the court may enter an order stating its findings and appointing some responsible person, not an employee of the local department, as personal representative of the applicant, recipient or payee for the purpose set forth herein.

D. The court may in its discretion at the time of the appointment or subsequently require the personal representative to give bond to assure the faithful performance of the duties required. An accounting by the personal representative shall be made at least annually and the court may require additional accounting at such intervals as may be deemed necessary. Failure to render such accounts and to account satisfactorily for all proceeds received shall be sufficient cause for the removal of the personal representative. The personal representative may be removed by the court upon the petition of the local director and another such representative may be appointed. No court costs shall be assessed in proceedings under this section; however, when the accruing benefits exceed \$500 per year per applicant or recipient, the clerk of the court shall assess a fee of \$5.

§ 63.2-508. Fees for representing applicant or recipient.

No person shall make any charge or receive any fees for representing an applicant for or recipient of public assistance with respect to his application or request for increased assistance prior to a determination thereon by the local board, whether such fee or charge is paid by the applicant or recipient or any other person.

§ 63.2-509. Public assistance subject to amendment or repeal of laws.

All public assistance granted under this subtitle shall be deemed to be granted and to be held subject to the provisions of this subtitle and any amending or repealing act that may hereafter be passed, and no recipient shall have any claim for compensation, or otherwise, by reason of his public assistance being affected in any way by any amending or repealing act.

§ 63.2-510. Obligation of person to support certain children living in same home; penalty.

A person shall be responsible for the support and maintenance of any child or children living in the same home in which he and the natural or adoptive parent of such child or children cohabit as man and wife and any such person who without cause willfully neglects or refuses or fails to provide for such support and maintenance shall be guilty of a misdemeanor and upon conviction shall be punished in accordance with the provisions of § 20-61.

A pregnancy or the birth of a child during the time a person occupies the status set out above shall not be required as proof of cohabitation.

The obligations imposed herein shall continue so long as such person occupies the status herein described.

§ 63.2-511. Proceedings against persons liable for support.

The local board may proceed in the manner provided by law against any person who is liable for the support of an applicant or recipient of public assistance to require such person, if of sufficient financial ability, to support the applicant or recipient.

§ 63.2-512. Recovery of public assistance erroneously paid.

Any assistance or part thereof erroneously paid to a recipient or former recipient may be recovered by the Board or local board from the recipient or former recipient as a debt. In accordance with Board regulations, the amount erroneously paid may also be recovered from the income, assets or other property of the recipient or former recipient or from the public assistance payable to the recipient.

§ 63.2-513. Notification of change in circumstances.

If at any time during the continuance of public assistance any change occurs, including but not

3854 limited to, the possession of any property or the receipt of regular income by the recipient or by any
3855 person who is included within a recipient's grant, that, in the circumstances upon which current
3856 eligibility or amount of assistance were determined, would materially affect such determination, it shall
3857 be the duty of such recipient to notify as defined by regulation the local department of such change, and
3858 the local board may either cancel the public assistance, or alter the amount thereof.

3859 Any recipient who knows or reasonably should know that such change in circumstances will
3860 materially affect his eligibility for assistance or the amount thereof and willfully fails to comply with the
3861 provisions of this section, is guilty of a violation of § 63.2-522.

3862 § 63.2-514. Reconsideration, cancellation or changes in amount of public assistance.

3863 All public assistance grants shall be reconsidered by the local board as frequently as may be
3864 required by Board regulations and at such other times as the local board may deem necessary. After
3865 such investigation as the local board deems necessary, or the Board requires, the amount of public
3866 assistance may be changed, or public assistance may be entirely withdrawn if the local board finds that
3867 the recipient's circumstances have altered sufficiently to warrant such action.

3868 If the local board does not act within thirty days of the receipt of information affecting the amount
3869 of assistance or the eligibility therefor as to any recipient, or if the circumstances require immediate
3870 action, the local director may make necessary adjustments in the amount of public assistance or suspend
3871 further assistance to any such individual pending action by the local board.

3872 § 63.2-515. Notice to applicant or recipient of decision.

3873 As soon as the local board makes any decision granting, denying, changing or discontinuing any
3874 grant of public assistance, it shall give written notice thereof to the applicant or recipient.

3875 § 63.2-516. Record of decision.

3876 The local board shall preserve for such time as the Commissioner may prescribe, a record of its
3877 decision and all supporting documents and records including the findings and recommendations of the
3878 local director.

3879 § 63.2-517. Right of appeal to Commissioner.

3880 Any applicant or recipient aggrieved by any decision of a local board in granting, denying, changing
3881 or discontinuing public assistance, may, within thirty days after receiving written notice of such
3882 decision, appeal therefrom to the Commissioner.

3883 Any applicant or recipient aggrieved by the failure of the local board to make a decision within a
3884 reasonable time may ask for a review of the same by the Commissioner.

3885 The Commissioner may delegate the duty and authority to duly qualified hearing officers to consider
3886 and make determinations on any appeal or review by an applicant for or recipient of public assistance
3887 concerning any decision of a local board. The Commissioner shall establish an appeals review panel to
3888 review administrative hearing decisions upon the request of either the applicant or the local board. Such
3889 panel shall determine if any changes are needed in the conduct of future hearings, or to policy and
3890 procedures related to the issue of the administrative appeal, and periodically report its findings to the
3891 Commissioner.

3892 Any applicant or recipient aggrieved by any decision of a local board concerning food stamps may
3893 appeal to the Commissioner in accordance with federal law and regulation.

3894 § 63.2-518. Action by Commissioner on appeal.

3895 The Commissioner shall provide an opportunity for a hearing, reasonable notice of which shall be
3896 given in writing to the applicant or recipient and to the proper local board in such manner and form as
3897 the Commissioner may prescribe. The Commissioner may make or cause to be made an investigation of
3898 the facts. The Commissioner shall give fair and impartial consideration to the testimony of witnesses, or
3899 other evidence produced at the hearing, reports of investigations of the local board and local director
3900 or of investigations made or caused to be made by the Commissioner, or any facts which the
3901 Commissioner may deem proper to enable him to decide fairly the appeal or review.

3902 § 63.2-519. Finality of decision of Commissioner.

3903 The decision of the Commissioner shall be binding and considered a final agency action for purposes
3904 of judicial review of such action pursuant to the provisions of the Administrative Process Act
3905 (§ 2.2-4000 et seq.).

3906 § 63.2-520. How public assistance paid.

3907 Public assistance shall be paid to or on behalf of the applicant monthly, or at such other time or
3908 times as the regulations of the Board may provide, by the treasurer, the district fiscal officer, or other
3909 disbursing officer of the county or city, upon order of the local board or local director, from funds
3910 appropriated or made available for such purpose by the local governing body of such county or city.
3911 Wherever two or more counties or cities have been combined to form a district pursuant to § 63.2-306,
3912 such public assistance payments shall be made by the district fiscal officer.

3913 In the event, however, that the Board adopts regulations to provide for state issuance of public
3914 assistance payments, such public assistance shall be paid by the State Treasurer. In emergency
3915 situations or in the event of delay or error in a state issuance of public assistance payments, emergency

payments may be issued by local boards as authorized by Board regulations.

§ 63.2-521. Change of residence.

Any recipient of Temporary Assistance for Needy Families or medical assistance who moves from one county or city in this Commonwealth to another county or city therein, shall thereafter be treated as if the grant of Temporary Assistance for Needy Families or medical assistance had been made by the county or city into which he moves, and the local board of the county or city from which he moves shall transfer all necessary records relating to the recipient to the local board of the county or city into which such recipient moves.

§ 63.2-522. False statements, representations, impersonations and fraudulent devices; penalty.

Whoever obtains, or attempts to obtain, or aids or abets any person in obtaining, by means of a willful false statement or representation, or by impersonation, or other fraudulent device, public assistance or benefits from other programs designated under regulations of the Board, State Board of Health or the Board of Medical Assistance Services to which he is not entitled or who fails to comply with the provisions of § 63.2-513 is guilty of larceny. It shall be the duty of the local director, the Commissioner of Health or the Director of the Department of Medical Assistance Services to investigate alleged violations and enforce the provisions of this section. A warrant or summons may be issued for each violation of which the local director, the Commissioner of Health or the Director of the Department of Medical Assistance Services has knowledge. The local director, the Commissioner or the Director shall ensure that the attorney for the Commonwealth is notified of any investigation or alleged violation under this section. Trial for violations of this section shall be in the county or city from whose local department assistance was sought or obtained.

In any prosecution under the provisions of this section, it shall be lawful and sufficient in the same indictment or accusation to charge and therein to proceed against the accused for any number of distinct acts of such false statements, representations, impersonations or fraudulent devices that may have been committed by him within six months from the first to the last of the acts charged in the indictment or accusation.

§ 63.2-523. Unauthorized use of food stamps, electronic benefit transfer cards, and energy assistance prohibited; penalties.

Whoever knowingly and with intent to defraud transfers, acquires, alters, traffics in or uses, or aids or abets another person in transferring, acquiring, altering, trafficking in, using, or possessing food stamps, electronic benefit transfer cards or other devices subject to federal reserve system regulations regarding Electronic Fund Transfers, 12 CFR § 205.1 et seq., or benefits from energy assistance programs, or possesses food coupons, authorization to purchase cards, electronic benefit transfer cards or other devices subject to federal reserve system regulations regarding Electronic Fund Transfers, 12 CFR § 205.1 et seq., or benefits from energy assistance programs in any manner not authorized by law is guilty of larceny.

A violation of this section may be prosecuted either in the county or city where the public assistance was granted or in the county or city where the violation occurred.

§ 63.2-524. Denial of benefits upon finding of fraudulent acts.

Any individual applying for or receiving benefits under the federal Food Stamp program or the Temporary Assistance for Needy Families program may be denied such benefits in accordance with federal law if such person is found by a court or pursuant to an administrative hearing to have intentionally (i) made a false or misleading statement or misrepresented, concealed or withheld facts, or (ii) committed any act intended to mislead, misrepresent, conceal or withhold facts or propound a falsity, for the purpose of establishing or maintaining eligibility for such benefits.

The Board is authorized to adopt regulations governing conduct of administrative hearings and denial of benefits authorized by this section.

§ 63.2-525. Payment by Department for legal services.

Notwithstanding any provision of §§ 2.2-2814, 2.2-2815, 2.2-2816, 2.2-2823, 2.2-2824, 2.2-2825 or 2.2-2826 to the contrary, whenever there shall be authorized by law an assistant attorney for the Commonwealth and such assistant's duties consist of the prosecution of public assistance fraud cases pursuant to §§ 18.2-95, 18.2-96, 63.2-502, 63.2-513, 63.2-522, 63.2-523 or 63.2-524, the Department may, with the consent of the attorney for the Commonwealth of the jurisdiction, contract with the county or city or combination thereof for whom such assistant attorney for the Commonwealth is authorized regarding the duties of such assistant and regarding the payment by the Department of the entire salary, expenses, including secretarial services, and allowances of such assistant, as shall be approved by the Compensation Board, for the entire time devoted to these duties. Any such contract may provide that the county, city, or combination thereof shall pay the entire amount of such salary, expenses, and allowances and that the Department shall reimburse such county or city therefor. The amount of such salary, expenses, and allowances shall be set by the Compensation Board as provided by law.

§ 63.2-526. Statewide fraud control program.

3977 A. The Department shall establish a statewide fraud control program to ensure that fraud prevention
3978 and investigation are pursued throughout the Commonwealth. The Board shall adopt regulations to
3979 implement the provisions of this section.

3980 B. Each local department shall establish fraud prevention and investigation units only insofar as
3981 money is appropriated therefor, which shall be staffed with sufficient qualified personnel to fulfill the
3982 regulations adopted by the Board. Solely for the purposes of obtaining motor vehicle licensing and
3983 registration information from entities within and without the Commonwealth, each local department
3984 fraud prevention and investigation unit shall be deemed to be a criminal justice agency as defined in
3985 § 9.1-101. The local departments may contract with other local departments to share a fraud prevention
3986 and investigation unit and may contract with private entities to perform fraud investigation. Any private
3987 entity performing fraud investigations shall comply with the requirements of § 30-138 and shall not be
3988 deemed to be a criminal justice agency.

3989 C. The duties of fraud units may include but shall not be limited to (i) developing methods to prevent
3990 the fraudulent receipt of public assistance administered by the local board and (ii) investigating whether
3991 persons who receive public assistance through the local board are receiving it fraudulently. The fraud
3992 unit shall provide whatever assistance is necessary to attorneys for the Commonwealth in prosecuting
3993 cases involving fraud.

3994 D. There is hereby created in the state treasury a special nonreverting fund to be known as the
3995 Fraud Recovery Special Fund, hereafter referred to as "the Fund." The Fund shall be established on the
3996 books of the Comptroller. All overpayment moneys collected or recovered by local departments related
3997 to food stamp, Temporary Assistance for Needy Families, and other federal benefit programs
3998 administered by the Department net of any refunds due the federal government shall be paid into the
3999 state treasury and credited to the Fund, except as prohibited by federal law or regulation. Any moneys
4000 remaining in the Fund at the end of each fiscal year shall not revert to the general fund but shall
4001 remain in the Fund. Moneys in the Fund shall be used solely for the purpose of funding state and local
4002 fraud control programs.

4003 Funding for local and state fraud control activities shall be comprised of (i) general funds
4004 appropriated for this activity, (ii) any federal funds available for this purpose, and (iii) balances in the
4005 Fund.

4006 E. Local departments shall apply to the Commissioner for reimbursement from the Fund for the local
4007 share of direct costs. The Commissioner shall authorize reimbursements to the local departments from
4008 the Fund as provided in the general appropriation act. To receive or continue receiving reimbursements
4009 from the Fund, the local departments shall administer their fraud and investigation units in compliance
4010 with Board regulations. The number of local fraud workers for which the state will provide
4011 reimbursement in each locality shall be determined by Board regulations.

4012 CHAPTER 6.

4013 TEMPORARY ASSISTANCE FOR NEEDY FAMILIES PROGRAM.

4014 § 63.2-600. Temporary Assistance for Needy Families (TANF); purpose; administration.

4015 There is hereby created the Temporary Assistance for Needy Families Program, hereinafter referred
4016 to as TANF or the "Program." The Program shall be administered by the Department in compliance
4017 with Titles IV-A and IV-F of the Social Security Act and related federal regulations (excluding 45
4018 C.F.R. Parts 255 and 256), as such laws and regulations were in effect at the time of the enactment of
4019 the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193 on August
4020 22, 1996, to the extent that such laws and regulations do not conflict with (i) those sections of P.L.
4021 104-193 which are mandatory; (ii) waivers granted by the Department of Health and Human Services to
4022 Virginia in effect as of January 1, 1997; (iii) state laws and regulations; (iv) the State Plan For Title
4023 IV-A of the Social Security Act: Financial Assistance Aid to Families with Dependent Children in effect
4024 as of September 30, 1996; or (v) the Title IV-F of the Social Security Act Job Opportunities and Basic
4025 Skills Training Program State Plan in effect as of September 30, 1996. Further, in any instance where a
4026 state law or regulation enacted pursuant to a waiver conflicts with the terms of P.L. 104-193 or the
4027 Title IV-A or IV-F State Plans, such state law or regulation shall control.

4028 § 63.2-601. Virginia Temporary Assistance for Needy Families Program; goals.

4029 The goals of the Temporary Assistance for Needy Families Program are to:

4030 1. Offer Virginians living in poverty the opportunity to achieve economic independence by removing
4031 barriers and disincentives to work and providing positive incentives to work;

4032 2. Provide families living in poverty with the opportunities and work skills necessary for
4033 self-sufficiency;

4034 3. Allow families living in poverty to contribute materially to their own self-sufficiency;

4035 4. Set out the responsibilities of and expectations for recipients of public assistance and the
4036 government; and

4037 5. Provide families living in poverty with the opportunity to obtain work experience through the
4038 Virginia Initiative for Employment not Welfare (VIEW).

None of the provisions of this chapter shall be construed or interpreted to create any rights, causes of action, administrative claims or exemptions to the provisions of the Program, except as specifically provided in §§ 63.2-609, 63.2-613 and 63.2-618.

The Department of Business Assistance and the Virginia Employment Commission shall assist the Department in the administration of the Program.

§ 63.2-602. Eligibility for Temporary Assistance for Needy Families; penalty.

A. A person shall be eligible for Temporary Assistance for Needy Families if that person:

1. Has not attained the age of eighteen years, or, if regularly attending a secondary school or in the equivalent level of career and technical education, has not attained the age of nineteen years and is reasonably expected to complete his senior year of school prior to attaining age nineteen;

2. Is a resident of Virginia;

3. Is living with his father, mother, grandfather, grandmother, brother, sister, stepfather, stepmother, stepbrother, stepsister, uncle, aunt, first cousin, nephew, or niece in a residence maintained by such relative or is in placement under conditions specified by the Board;

4. Is in need of public assistance; and

5. If under the age of eighteen years, is in compliance with compulsory school attendance laws (§ 22.1-254 et seq.) as described in § 63.2-606. Prior to imposing a sanction of benefits, the local department shall make reasonable efforts to discuss with the parent or caretaker, by personal contact that may include direct telephone contact, a plan to return the child to school. If such efforts fail, the local department shall mail a written advance notice of proposed action to the parent or caretaker advising that benefits may be reduced if the parent or caretaker fails to contact the local department to develop a plan to return the child to school.

B. An applicant for TANF shall:

1. Furnish, apply for or have an application made on his behalf, and on behalf of all children for whom assistance is being requested, for a social security account number to be used in the administration of the program;

2. Assign the Commonwealth any rights to support from any other person such applicant may have on his own behalf or on behalf of any other family member for whom the applicant is applying for or receiving aid and that have accrued at the time such assignment is executed;

3. Identify the parents of the child for whom aid is claimed, subject to the "good cause" provisions or exceptions in federal law or regulations. However, this requirement shall not apply if the child is in a foster care placement or if the local department determines, based upon the sworn statement of the applicant or recipient or of another person with knowledge of the circumstances, that the child was conceived as the result of incest or rape; and

4. Cooperate in (i) locating the parent of the child with respect to whom TANF is claimed, (ii) establishing the paternity of a child born out of wedlock with respect to whom TANF is claimed, (iii) obtaining support payments for such applicant or recipient and for a child with respect to whom TANF is claimed, and (iv) obtaining any other payments or property due such applicant or recipient for such child.

Any applicant or recipient who intentionally misidentifies another person as a parent shall be guilty of a Class 5 felony.

C. Unless an exception to the requirement set forth in subdivision B. 3. applies, the Department's Division of Child Support Enforcement shall proceed to determine parentage pursuant to Chapter 3.1 (§ 20-49.1 et seq.) of Title 20. If paternity is not established after six months of receipt of TANF, the case shall be reviewed to determine the reason that paternity has not been established. If paternity has not been established due to the caretaker relative's noncooperation, the local department may suspend the entire grant or the adult portion of the grant, subject to Board regulations.

D. TANF shall be provided to two-parent families on the same terms and conditions that TANF is provided to single-parent families.

§ 63.2-603. Eligibility for TANF; childhood immunizations.

An applicant for TANF shall provide verification that all eligible children not enrolled in school, a licensed family day home, or a licensed child day center, have received immunizations in accordance with § 32.1-46. However, if an eligible child has not received immunizations in accordance with § 32.1-46, verification shall be provided at the next scheduled redetermination of eligibility for TANF after initial eligibility is granted that the child has received at least one dose of each of the immunizations required by § 32.1-46 as appropriate for the child's age and that the child's physician or the local health department has developed a plan for completing the immunizations. Verification of compliance with the plan for completing the immunizations shall be presented at subsequent redeterminations of eligibility for TANF.

If necessary, the local department shall provide assistance to the TANF recipient in obtaining verification from immunization providers. No sanction may be imposed until the reason for the failure to

4100 comply with the immunization requirement has been identified and any barriers to accessing
4101 immunizations have been removed.

4102 Failure by the recipient to provide the required verification of immunizations shall result in a
4103 reduction in the amount of monthly assistance received from the TANF program until the required
4104 verification is provided. The reduction shall be fifty dollars for the first child and twenty-five dollars for
4105 each additional child for whom verification is not provided.

4106 Any person who becomes ineligible for TANF payments as a result of this provision shall nonetheless
4107 be considered a TANF recipient for all other purposes.

4108 § 63.2-604. Eligibility for TANF; children born to TANF recipients.

4109 Notwithstanding the provisions of § 63.2-602 and the TANF program regulations, the Board shall
4110 revise the schedule of TANF financial assistance to be paid to a family by eliminating the increment in
4111 TANF benefits to which a family would otherwise be eligible as a result of the birth of a child during
4112 the period of TANF eligibility or during the period in which the family or adult recipient is ineligible
4113 for TANF benefits pursuant to a penalty imposed by the Commissioner for failure to comply with benefit
4114 eligibility or child support requirements, subsequent to which the family or adult recipient is again
4115 eligible for benefits. The Board shall provide that a recipient family in which the mother gives birth to
4116 an additional child during the period of the mother's eligibility for TANF financial assistance, or during
4117 a temporary penalty period of ineligibility for financial assistance, may receive additional financial
4118 assistance only in the case of a general increase in the amount of TANF financial assistance that is
4119 provided to all TANF recipients. Applicants shall receive notice of the provisions of this section at the
4120 time of application for TANF. This section shall not apply to legal guardians, grandparents, or other
4121 persons in loco parentis who are not the biological or adoptive parents of the child.

4122 There shall be no elimination of the increment in benefits for children born within ten months after
4123 the mother begins to receive TANF.

4124 A single custodial parent who does not receive additional TANF financial assistance for the birth of
4125 a child pursuant to this section shall receive the total value of all child support payments due and
4126 collected for such child, and the value of such payments shall not be counted as income for the
4127 purposes of TANF eligibility and grant determination.

4128 § 63.2-605. Eligibility for TANF; parolees and probationers who fail drug tests.

4129 Upon receipt of notification from a probation or parole officer that a TANF caretaker under his
4130 supervision has failed a drug test, the local department shall provide future TANF cash benefits to such
4131 caretaker's assistance unit as protective or vendor payments to a third party payee for the benefit of the
4132 assistance unit. After twelve months, the local department may reinstate such caretaker as the payee for
4133 the assistance unit provided such caretaker has failed no subsequent drug test within such twelve-month
4134 period. Any caretaker who is reported to have failed a drug test under this section may appeal such
4135 report, including the validity of any test results, pursuant to §§ 63.2-517, 63.2-518 and 63.2-519.

4136 § 63.2-606. Eligibility for TANF; school attendance.

4137 In order to be eligible for TANF, members of the assistance unit, including minor custodial parents,
4138 shall be in compliance with compulsory school attendance laws (§ 22.1-254 et seq.). The Board shall
4139 adopt regulations to implement the provisions of this section, including procedures for local departments
4140 to (i) receive notification from local school divisions of students who are truant and (ii) assist families
4141 in noncompliance to achieve compliance. An applicant for or recipient of TANF or any member of his
4142 assistance unit who has been found guilty under § 22.1-263 shall not be eligible for TANF financial
4143 assistance until in compliance with compulsory school attendance laws. Any person who becomes
4144 ineligible for TANF financial assistance as a result of this section shall nonetheless be considered a
4145 TANF recipient for all other purposes.

4146 § 63.2-607. Eligibility for TANF; minor parent residency.

4147 A. Except as provided in subsection B, an unemancipated minor custodial parent may receive TANF
4148 for himself and his child only if the individual and his child reside in the home maintained by his parent
4149 or person standing in loco parentis. For purposes of TANF eligibility determination, a minor who
4150 receives government-provided public assistance is not considered emancipated unless married.

4151 B. The provisions of subsection A shall not apply if:

4152 1. The individual has no parent or person standing in loco parentis who is living or whose
4153 whereabouts are known;

4154 2. The local department determines that the physical or emotional health or safety of the individual
4155 or his dependent child would be jeopardized if the individual and dependent child lived in the same
4156 residence with the individual's parent or the person standing in loco parentis for the individual; or

4157 3. The local department otherwise determines, in accordance with Board regulations, that there is
4158 good cause for waiving the requirements of subsection A.

4159 C. If the individual and his dependent child are not required to live with the individual's parent or
4160 the person standing in loco parentis for the individual, the local department shall assist the individual in
4161 locating an appropriate adult supervised supportive living arrangement taking into consideration the

needs and concerns of the minor and thereafter shall require that the individual and his child reside in such living arrangement or an alternative appropriate arrangement as a condition of the continued receipt of TANF. If the local department is unable, after making diligent efforts, to locate any such appropriate living arrangement, it shall provide case management and other social services consistent with the best interests of the individual and child who live independently.

§ 63.2-608. Virginia Initiative for Employment Not Welfare (VIEW).

A. The Department shall establish and administer the Virginia Initiative for Employment Not Welfare (VIEW) to reduce long-term dependence on welfare, to emphasize personal responsibility and to enhance opportunities for personal initiative and self-sufficiency by promoting the value of work. The Department shall endeavor to develop placements for VIEW participants that will enable participants to develop job skills that are likely to result in independent employment and that take into consideration the proficiency, experience, skills and prior training of a participant.

VIEW shall recognize clearly defined responsibilities and obligations on the part of public assistance recipients and shall include a written agreement of personal responsibility requiring parents to participate in work activities while receiving TANF, earned-income disregards to reduce disincentives to work, and a limit on TANF financial assistance.

VIEW shall require all able-bodied recipients of TANF who do not meet an exemption and who are not employed within ninety days of receipt of TANF benefits to participate in a work activity. VIEW shall require eligible TANF recipients to participate in unsubsidized, partially subsidized or fully subsidized employment and enter into an agreement of personal responsibility. If recipients cannot be placed in an unsubsidized or subsidized job, they shall be required to participate in a six-month community work experience placement. Upon completion of the initial six-month work requirement, participants may receive education and training in conjunction with continued work experience to make them more employable.

B. To the maximum extent permitted by federal law, and notwithstanding other provisions of Virginia law, the Department and local departments may, through applicable procurement laws and regulations, engage the services of public and private organizations to operate VIEW and to provide services incident to such operation.

C. All VIEW participants shall be under the direction and supervision of a case manager.

D. The Department shall ensure that participants are assigned to one of the following employment categories in priority order not less than ninety days after TANF eligibility determination:

1. Unsubsidized private-sector employment;

2. Subsidized employment, as follows:

a. The Department shall conduct a program in accordance with this section and any applicable federal waivers that shall be known as the Full Employment Program (FEP). FEP replaces TANF and food stamp benefits with subsidized employment. Persons not able to find unsubsidized employment who are otherwise eligible for both TANF and food stamp benefits shall participate in FEP unless exempted by this chapter. FEP shall assign participants to and subsidize wage-paying private-sector jobs designed to increase the participants' self-sufficiency and improve their competitive position in the workforce.

b. The Department shall administer a wage fund that shall be used exclusively to meet the necessary expenditures of FEP. Funds to operate FEP, drawn from funds appropriated for expenditure by or apportioned to Virginia for operation of the TANF and food stamp programs, shall be deposited in this pool. All payments by the Department to participating employers for FEP participants shall be made from the pool.

c. Participants in FEP shall be placed in full-time employment when appropriate and shall be paid by the employer at an hourly rate not less than the federal or state minimum wage, whichever is higher. For each participant hour worked, the Department shall reimburse the employer the amount of the federal or state minimum wage and costs up to the available amount of the participant's combined value of TANF and food stamps. At no point shall a participant's spendable income received from wages and tax credits be less than the value of TANF and food stamps received prior to the work placement.

d. Every employer subject to the Virginia unemployment insurance tax shall be eligible for assignment of FEP participants, but no employer shall be required to utilize such participants. Employers shall ensure that jobs made available to FEP participants are in conformity with § 3304 (a) (5) of the Federal Unemployment Tax Act. FEP participants cannot be used to displace regular workers.

e. FEP employers shall:

(i) Endeavor to make FEP placements positive learning and training experiences;

(ii) Provide on-the-job training to the degree necessary for the participants to perform their duties;

(iii) Pay wages to participants at the same rate that they are paid to other employees performing the same type of work and having similar experience and employment tenure;

(iv) Provide sick leave, holiday and vacation benefits to participants to the same extent and on the same basis that they are provided to other employees performing the same type of work and having

4223 *similar employment experience and tenure;*

4224 *(v) Maintain health, safety and working conditions at or above levels generally acceptable in the*
4225 *industry and no less than those in which other employees perform the same type of work;*

4226 *(vi) Provide workers' compensation coverage for participants;*

4227 *(vii) Encourage volunteer mentors from among their other employees to assist participants in*
4228 *becoming oriented to work and the workplace; and*

4229 *(viii) Sign an agreement with the local department outlining the employer requirements to participate*
4230 *in FEP. All agreements shall include notice of the employer's obligation to repay FEP reimbursements*
4231 *in the event the employer violates FEP rules.*

4232 *f. As a condition of FEP participation, employers shall be prohibited from discriminating against any*
4233 *person, including program participants, on the basis of race, color, sex, national origin, religion, age,*
4234 *or disability;*

4235 *3. Part-time or temporary employment; or*

4236 *4. Community work experience, as follows:*

4237 *a. The Department and local departments shall work with other state, regional and local agencies*
4238 *and governments in developing job placements that serve a useful public purpose as provided in § 482*
4239 *(f) of the Social Security Act, as amended. Placements shall be selected to provide skills and serve a*
4240 *public function. VIEW participants shall not displace regular workers.*

4241 *b. The number of hours per week for participants shall be determined by combining the total dollar*
4242 *amount of TANF and food stamps and dividing by the minimum wage with a maximum of a work week*
4243 *of thirty-two hours, of which up to eight hours of employment-related education and training may*
4244 *substitute for work experience employment.*

4245 *E. Notwithstanding the provisions of subsections A and D, if a local department determines that a*
4246 *VIEW participant is in need of job skills and would benefit from immediate job skills training, it may,*
4247 *with the participant's consent, exempt the participant from job search requirements and place the*
4248 *participant in a career and technical education program targeted to skills required for particular*
4249 *employment opportunities in the locality if the participant meets two or more of the criteria specified in*
4250 *this subsection. Eligible participants include those with problems related to obtaining and retaining*
4251 *employment, such as participants (i) with less than a high school education, (ii) whose reading or math*
4252 *skills are at or below the eighth grade level, (iii) who have not retained a job for a period of at least*
4253 *six months during the prior two years, or (iv) who are in a treatment program for a substance abuse*
4254 *problem or are receiving services through a family violence treatment program. The career and*
4255 *technical education program shall be for a minimum of thirty hours per week. Prior to placing the*
4256 *VIEW participant in the career and technical program, the local department shall have a memorandum*
4257 *of understanding with an employer that such participant will be placed, if qualified and the employer*
4258 *has an opening, in a job with the employer at the conclusion of the program. The VIEW participant*
4259 *shall be required to work an average of eight hours per week during the vocational educational*
4260 *program in part-time or temporary employment or community work experience. The VIEW participant*
4261 *may continue in the career and technical education program for as long as the local department*
4262 *determines he is progressing satisfactorily and to the extent permitted by the Personal Responsibility*
4263 *and Work Opportunity Reconciliation Act of 1996 (P.L. 104-193), as amended.*

4264 *F. Notwithstanding the provisions of subsections A and D, persons eligible to participate in TANF*
4265 *shall also be eligible to participate in approved projects established through the Economic and*
4266 *Employment Improvement Program for Disadvantaged Persons of Chapter 7 (§ 63.2-700 et seq.) of this*
4267 *title.*

4268 *G. Participants may be reevaluated after a period determined by the local department and*
4269 *reassigned to another work component. In addition, the number of hours worked may be reduced by the*
4270 *local department so that a participant may complete additional training or education to further his*
4271 *employability.*

4272 *H. Local departments shall be authorized to sanction participants up to the full amount of the TANF*
4273 *grant and food stamps allotment for noncompliance.*

4274 *I. VIEW participants shall not be assigned to projects that require that they travel unreasonable*
4275 *distances from their homes or remain away from their homes overnight without their consent.*

4276 *Any injury to a VIEW participant by accident arising out of and in the course of community work*
4277 *experience shall be covered by the participant's existing Medicaid coverage. If a community work*
4278 *experience participant is unable to work due to such an accident, his status shall be reviewed to*
4279 *determine whether he is eligible for an exemption from the limitation on TANF financial assistance.*

4280 *A community work experience participant who becomes incapacitated for thirty days or more shall*
4281 *be eligible for TANF financial assistance for the duration of the incapacity, if otherwise eligible.*

4282 *The Board shall adopt regulations providing for the accrual of paid sick leave or other equivalent*
4283 *mechanism for community work experience participants.*

4284 *§ 63.2-609. VIEW Exemptions.*

The following TANF recipients shall be exempt from mandatory participation in VIEW and shall remain eligible for TANF financial assistance:

1. Any individual, including all minor caretakers, under sixteen years of age;
2. Any individual at least sixteen, but no more than nineteen years of age, who is enrolled full-time in elementary or secondary school, including career and technical education programs. The career and technical education program must be equivalent to secondary school. Once the individual loses this exemption, he cannot requalify for the exemption, even if he returns to school, unless the case is closed and reopened or he becomes exempt for another reason. Whenever feasible, such recipients should participate in summer work;

3. Any individual who is unable to participate because of a temporary medical condition that is preventing entry into employment or training, as determined by a physician and certified by a written medical statement. Such an exemption shall be reevaluated every sixty days to determine whether the person is still exempt;

4. Any individual who is incapacitated, as determined by receipt of Social Security Disability Benefits or Supplemental Security Income. This exemption shall not be granted to either parent in a TANF-UP case; eligibility shall be evaluated for regular TANF cases on the basis of the parent's incapacity;

5. Any individual sixty years of age or older;

6. Any individual who is the sole caregiver of another member of the household who is incapacitated as determined by receipt of Social Security Disability Benefits or Supplemental Security Income or another condition as determined by the Board and whose presence is essential for the care of the other member on a substantially continuous basis;

7. A parent or caretaker-relative of a child under eighteen months of age who personally provides care for the child. A parent of a child not considered part of the TANF public assistance unit under § 63.2-604 may be granted a temporary exemption of not more than six weeks after the birth of such child;

8. A female who is in her fourth through ninth month of pregnancy as determined by a written medical statement provided by a physician;

9. Children receiving Title IV-E-Foster Care;

10. Families where the primary caretakers of a child or children are legal guardians, grandparents, or other persons standing in loco parentis and are not the adoptive or biological parents of the child.

In a TANF-UP case, both parents shall be referred for participation unless one meets an exemption; only one parent can be exempt. If both parents meet an exemption criterion, they shall decide who will be referred for participation.

§ 63.2-610. Participation in VIEW; coordinated services.

A. In administering VIEW, the Department shall ensure that local departments provide delivery and coordination of all services through intensive case management. VIEW participants shall be referred to a case manager. The case manager shall fully explain VIEW to the participant and shall provide the participant with written materials explaining VIEW.

B. The Department shall assist local departments in improving the delivery of services, including intensive case management, through the utilization of public, private and nonprofit organizations, to the extent permissible under federal law.

C. The Department shall be responsible for the coordination of the intensive case management. Job finding and job matching leading to independent employment shall be facilitated by the Virginia Employment Commission and the Department of Business Assistance.

D. The Secretary of Health and Human Resources, assisted by the Secretary of Commerce and Trade, shall prepare and maintain an annual plan for coordinating and integrating all appropriate services in order to promote successful outcomes. The plan shall encourage the use of local and regional service providers and permit a variety of methods of providing services. Emphasis shall be placed on coordinating and integrating career counseling, job development, job training and skills, job placement, and academic and technical education. Public and private institutions of higher education and other agencies which offer similar or related services shall be invited to participate as fully as possible in developing, implementing and updating the annual coordination plan.

E. The Secretary of Health and Human Resources shall:

1. Increase public awareness of the federal earned income credit and encourage families who may be eligible to apply for this tax credit;

2. Pursue aggressive child-support initiatives as established by the General Assembly;

3. Work with community providers to develop adoption, education, family planning, marriage, parenting, and training options for Program participants;

4. Increase public awareness of the tax advantages of relocating one's residence in order to secure employment;

5. Provide leadership for the development of community work experience opportunities in VIEW;

6. Develop strategies to educate, assist and stimulate employers to hire participants and to provide community work experience opportunities, in consultation with representatives of employers and relevant public and private agencies on the state and local level; and

7. Provide technical assistance to local departments to assist them in working with employers in the community to develop job and community work experience opportunities for participants.

§ 63.2-611. Case management; support services; transitional support services.

A. The Commissioner, through the local departments, with such funds as appropriated, shall offer families participating in VIEW intensive case management services throughout the family's participation in VIEW. Case management services shall include initial assessment of the full range of services that will be needed by each family including testing and evaluation, development of the individualized agreement of personal responsibility, and periodic reassessment of service needs and the agreement of personal responsibility. It shall be the goal of the Department to have a statewide intensive case management ratio not higher than the statewide average ratio in Title IV-F of the Social Security Act Job Opportunities and Basic Skills Training Program State Plan as the ratio existed on July 1, 1995. The Department shall include in its annual report to the Governor and General Assembly an evaluation of program effectiveness statewide and by locality, including an evaluation of case management services.

B. Local departments are authorized to provide services to VIEW families throughout the family's participation in VIEW subject to regulations adopted by the Board, including:

1. Child care for the children of participants if:

a. The participant is employed and child-care services are essential to the continued employment of the participant;

b. Child-care services are required to enable a participant to receive job placement, job training or education services; or

c. The participant is otherwise eligible for child care pursuant to Board regulations.

2. Transportation that will enable parental employment or participation in services required by the agreement of personal responsibility.

3. Job counseling, education and training, and job search assistance consistent with the purposes of VIEW.

4. Medical assistance.

C. A participant whose TANF financial assistance is terminated, either voluntarily or involuntarily, shall receive the following services for up to twelve months after termination, if needed:

1. Assistance with child care if such assistance enables the individual to work;

2. Assistance with transportation, if such transportation enables the individual to work; and

3. Medical assistance, including transitional medical assistance for families with a working parent who becomes ineligible for TANF financial assistance because of increased earnings, unless (i) medical insurance is available through the parent's employer or (ii) family income exceeds 185 percent of the federal poverty level.

D. The Department or local departments may purchase or otherwise acquire motor vehicles from the centralized fleet of motor vehicles controlled by the Commonwealth Transportation Commissioner under Article 7 (§ 2.2-1173 et seq.) of Chapter 11 of Title 2.2 and sell or otherwise transfer such vehicles to TANF recipients or former recipients. Purchases, sales, and other transfers of vehicles under this subsection shall not be subject to the provisions of the Virginia Public Procurement Act (§ 2.2-4300 et seq.), or the provisions of §§ 2.2-1124, 2.2-1153, 2.2-1156, and 2.2-1177 relating to the sale, purchase, and transfer of surplus motor vehicles and other surplus state property.

E. Nothing in this section shall be construed or interpreted to create a cause of action or administrative claim based upon a right or entitlement to any specific services or an exemption or waiver from any provision of VIEW.

§ 63.2-612. Time limit on the receipt of TANF.

Unless otherwise exempt, VIEW participants and their families may receive TANF financial assistance for a maximum of twenty-four months only, subject to § 63.2-613. VIEW participants and their families may receive TANF financial assistance, if otherwise eligible, after a subsequent period of twenty-four months without (i) participation in VIEW, (ii) the receipt of TANF financial assistance, or (iii) the receipt of transitional assistance.

The local department shall notify a VIEW participant and his family that his TANF financial assistance is scheduled to be terminated as provided in this section. Notice shall be given sixty days prior to such termination and shall inform the VIEW participant and his family of the exception regulations adopted by the Board and the procedure to be followed by the VIEW participant and his family if he believes that he is entitled to an extension of benefits.

§ 63.2-613. Hardship exceptions.

The Board shall adopt regulations providing exceptions to the time limitations of this chapter in cases of hardship. In adopting regulations, the Board shall address circumstances:

1. Where a VIEW participant has been actively seeking employment by engaging in job-seeking

activities required pursuant to § 60.2-612 and is unable to find employment;

2. Where factors relating to job availability may be unfavorable;

3. Where the VIEW participant loses his job as a result of factors not related to his job performance; and

4. Where extension of benefits for up to one year will enable a participant to complete employment-related education or training.

§ 63.2-614. Financial eligibility.

A. Pursuant to regulations adopted by the Board, the parent of an eligible child or children who is married to a person not the parent of the child or children shall not be eligible for TANF if the parent's spouse's income, when deemed available to the family unit according to federal regulations, in and of itself, exceeds the state eligibility standard for such aid. However, eligibility for the child or children shall be considered by counting the income of such parent and child or children, and any portion of the parent's spouse's income that exceeds 150 percent of the federal poverty level for the spouse and parent. If the income of the parent's spouse that is deemed available does not, in and of itself, exceed the state eligibility standard for TANF, none of the spouse's income shall be counted as available to the family unit, and eligibility shall be determined considering only the income, if any, of the parent and the child or children. If the parent fails or refuses to cooperate with the Department's Division of Child Support Enforcement in the pursuit of child support, the income of the parent's current spouse shall be counted in accordance with Title IV-A federal regulations at 45 C.F.R. 233.20(a)(3)(xiv) in determining eligibility for TANF for the parent's child or children.

B. Program participants shall be eligible for the income disregards and resource exclusions in § 63.2-505.

C. VIEW participants and their families shall also be eligible for the following income disregards and resource exclusions:

1. To reward work, a VIEW participant and his family who have earned income from any source other than VIEW, may continue to receive TANF financial assistance for up to two years from the date that both parties initially sign the agreement. However, in no event shall the TANF payment when added to the earned income exceed such percentage of the federal poverty level established by the Commissioner, and if necessary any TANF payment shall be reduced so that earned income plus the TANF payment equals such percentage of the federal poverty level established by the Commissioner.

2. The fair market value, not to exceed \$ 7,500, of one operable motor vehicle per family.

§ 63.2-615. Payment of tuition and other expenses of public assistance recipients enrolled in skill development training programs.

The Board may authorize the payment of tuition fees, transportation costs or other necessary or incidental expenses for obtaining skill development training or retraining for qualified public assistance recipients. The Board may, by regulation, prescribe necessary requisites and conditions under which such payments may be made. Such assistance shall be in addition to any other public assistance for which such recipient may be eligible and shall not affect his entitlement thereto.

§ 63.2-616. Provision of public assistance and social services.

Local departments may combine community resources to assist the families of persons who may be in need because of the limitations on TANF financial assistance and may arrange for appropriate care of needy families where the limitation on TANF financial assistance as a result of the birth of an additional child or the two-year limit on TANF financial assistance is executed. Public assistance and social services may be provided that include, but are not limited to, help for families in obtaining donated food and clothing, continuation of food stamps for adults and children who are otherwise eligible, child care, and Medicaid coverage for adults and children who are otherwise eligible for Medicaid.

§ 63.2-617. Diversionary cash assistance.

The Board shall adopt regulations to enable TANF eligible applicants meeting certain criteria to receive at one time the maximum TANF cash assistance that the applicant would otherwise receive for a period up to 120 days. An individual may receive diversionary TANF cash assistance only one time in a sixty-month period and, in so doing, waives his eligibility for TANF for a period of up to 160 days. Diversionary assistance shall be used to divert the family from receiving ongoing TANF cash assistance by providing assistance for one-time emergencies.

§ 63.2-618. Notice and appeal.

A participant aggrieved by the decision of a local board granting, denying, changing or discontinuing public assistance may appeal such decision pursuant to § 63.2-517. If a hearing request is received prior to the effective date of any proposed change in benefit status, a participant appealing such change shall have the right to continued direct payment of TANF benefits pending final administrative action on such appeal.

§ 63.2-619. Evaluation and reporting.

4469 A. In administering the Program, the Commissioner shall develop and use evaluation methods that
4470 measure achievement of the goals specified in § 63.2-601.

4471 B. The Commissioner shall file an annual report with the Governor and General Assembly regarding
4472 the achievement of such goals.

4473 The annual report shall include a full assessment of the Program, including its effectiveness and
4474 funding status, statewide and for each locality; and a comparison of the results of the previous annual
4475 reports. The Department shall publish the outcome criteria to be included in the annual report.

4476 § 63.2-620. Child care services for TANF and low-income families.

4477 The Department shall identify strategies for Virginia to obtain the maximum amount of federal funds
4478 available for child care services for TANF recipients and families whose incomes are at or below 185
4479 percent of the federal poverty level. The Department shall provide an annual report on these strategies
4480 to the chairmen of the House Committees on Appropriations and Health, Welfare and Institutions and
4481 Senate Committees on Finance and Rehabilitation and Social Services by December 15.

4482 CHAPTER 7.

4483 ECONOMIC EMPLOYMENT IMPROVEMENT PROGRAM FOR DISADVANTAGED PERSONS.

4484 § 63.2-700. Economic and Employment Improvement Program established.

4485 A. With such funds as may be appropriated for this purpose and from such gifts, donations, grants,
4486 bequests, and other funds as may be received on its behalf by the Department, the Department shall
4487 administer the Economic and Employment Improvement Program for Disadvantaged Persons, hereinafter
4488 the "Economic and Employment Improvement Program," to facilitate the continuation of existing
4489 projects funded pursuant to the provisions of this chapter, to improve the employability of and provide
4490 assistance to disadvantaged persons through education and skills training, and to extend the eligibility
4491 for education and job training services.

4492 B. The Economic and Employment Improvement Program shall comply with state and federal laws
4493 and regulations governing workforce training, welfare reform, adult literacy and education, and career
4494 and technical education programs and shall be consistent with existing state apprenticeship programs.

4495 § 63.2-701. Economic and Employment Improvement Program awards administered by Department;
4496 establishment of policies.

4497 The Department shall establish policies for the implementation of the Economic and Employment
4498 Improvement Program. Such policies shall provide for (i) the continuation and enforcement of
4499 regulations in effect on July 1, 1999, under which eligible projects were approved for grant awards by
4500 the Governor's Employment and Training Department; (ii) the designation of projects to receive grant
4501 awards in accordance with the recommendations of the Grant Awards Committee, pursuant to
4502 § 63.2-702; and (iii) additional provisions establishing eligibility criteria for projects designed to serve
4503 certain hard-to-employ persons as provided in clauses (iv) through (vii) of subsection C of § 63.2-702.

4504 § 63.2-702. Grant Awards Committee reestablished; eligible projects; criteria for award of grants.

4505 A. There is hereby reestablished the Economic and Employment Improvement Program for
4506 Disadvantaged Persons Grant Awards Committee, which shall be composed of nine members designated
4507 by the relevant agency heads as follows: (i) one representative of the State Board for Community
4508 Colleges who shall have expertise in grant writing and review; (ii) one representative of the Department
4509 of Education, who shall have expertise in the administration and delivery of career and technical
4510 education programs and services administered by and through the public schools, and the delivery of
4511 adult literacy and education services; (iii) one representative of the Virginia Employment Commission,
4512 who shall have expertise in the administration and evaluation of workforce training programs; (iv) one
4513 representative of the Department of Labor and Industry who shall have expertise in labor and
4514 employment law; (v) one representative of the Department who shall be knowledgeable of the
4515 requirements of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (P.L.
4516 104-193), as amended, and the Temporary Assistance for Needy Families Program; (vi) one
4517 representative of a local department who shall have expertise and experience in assisting chronically
4518 unemployed and hard-to-employ persons, designated by the Commissioner; (vii) one representative of the
4519 Department of Corrections, who shall have expertise in the education and job training programs offered
4520 to incarcerated persons, and the Department of Corrections' transition and job placement programs that
4521 are available to persons leaving the correctional system; (viii) one representative of a local workforce
4522 investment board, designated by the Commissioner of the Virginia Employment Commission; and (ix)
4523 one representative of four-year institutions of higher education whose service areas and student
4524 populations are comprised of disproportionately high percentages of disadvantaged persons, designated
4525 by the Chairman of the State Council of Higher Education.

4526 The Commissioner shall provide written notification to the respective agency heads of the
4527 reestablishment of the Economic and Employment Improvement Program for Disadvantaged Persons
4528 Grant Awards Committee, and shall request that the respective agency head designate the appropriate
4529 persons to represent the agency on the Awards Committee.

4530 B. Upon the appropriation of funds for this purpose and from such gifts, donations, grants, bequests,

and other funds as may be received by the Department on behalf of the Economic and Employment Improvement Program, the Committee shall issue a request for proposals for grant projects designed to improve the employability of and provide assistance to disadvantaged persons through education and skills training. The Committee shall review each grant application, make grant awards in accordance with the eligibility criteria established in this section, and evaluate the effectiveness of the educational and skills training services delivered by the funded projects. The Committee shall report the results of its evaluation annually, on or before July 1, to the governing boards of agencies represented on the Committee, to the Governor, and to the General Assembly.

C. On and after July 1, 2000, the Economic and Employment Improvement Program shall consist of no more than ten grant projects, including projects awarded grants by the Governor's Employment and Training Department and in existence on July 1, 1999, located in regions throughout the Commonwealth to provide equal geographical distribution of such projects. Priority for awarding such grants shall be given to projects designed to serve persons who are (i) historically underrepresented in Virginia institutions of higher education, and in management and at administrative levels in the business community; (ii) residing in counties, cities, and towns with high local stress indicators and in economically depressed regions of the Commonwealth; (iii) disproportionately represented in the workforce in minimum wage jobs and occupations requiring minimum education, training, and skills; (iv) ineligible to continue to receive public assistance under state and federal laws; (v) eligible to participate in the Temporary Assistance for Needy Families Program; (vi) returning to the community from state and federal correctional institutions; (vii) chronically unemployed or hard-to-employ; (viii) displaced by technological advances in industry; or (ix) subject to any combination thereof. Education and job training programs shall be designed to enable individuals to move from minimum wage jobs to higher-salaried occupations and employment opportunities and to pursue careers and professions. Grants for all projects shall be awarded on a competitive basis to applicants responding to requests for proposals.

D. Eligible projects shall (i) satisfy the criteria for receiving awards, pursuant to subsection C of this section; (ii) provide educational programs, job training opportunities, or other support services to improve the employability of persons ineligible to continue to receive public assistance, or who are eligible to participate in the programs included in the Temporary Assistance for Needy Families Program, or populations experiencing high rates of unemployment or underemployment; (iii) provide training and education reflective of current and projected workforce needs in the Commonwealth that will enable persons to move from minimum wage jobs to higher-salaried occupations, careers, and professions; (iv) provide coordinated delivery of services, such as community-business partnerships and community outreach programs through the schools or departments of business at two-year and four-year public and private institutions of higher education; (v) include a component to evaluate the effectiveness of the delivery of educational and job skills training services; and (vi) encourage mentoring through partnerships between institutions of higher education, corporations, and small businesses. CHAPTER 8.

OTHER GRANTS OF PUBLIC ASSISTANCE.

§ 63.2-800. Auxiliary grants program;; administration of program.

A. The Board is authorized to prepare and implement, effective with repeal of Titles I, X, and XIV of the Social Security Act, a plan for a state and local funded auxiliary grants program to provide assistance to certain individuals ineligible for benefits under Title XVI of the Social Security Act, as amended, and to certain other individuals for whom benefits provided under Title XVI of the Social Security Act, as amended, are not sufficient to maintain the minimum standards of need established by the Board. The plan shall be in effect in all political subdivisions in the Commonwealth and shall be administered in conformity with Board regulations .

Nothing herein is to be construed to affect any such section as it relates to Temporary Assistance for Needy Families, general relief or services to persons eligible for assistance under Public Law 92-603 enacted by the Ninety-second United States Congress.

B. Those individuals who receive an auxiliary grant and who reside in licensed assisted living facilities or adult foster care homes shall be entitled to a personal needs allowance when computing the amount of the auxiliary grant. The amount of such personal needs allowance shall be set forth in the appropriation act.

C. The Board shall adopt regulations for the administration of the auxiliary grants program that shall include requirements for the Department to use in establishing auxiliary grant rates for licensed assisted living facilities and adult foster care homes. At a minimum these requirements shall address (i)

4592 the process for the facilities and homes to use in reporting their costs, including allowable costs and
4593 resident charges, the time period for reporting costs, forms to be used, financial reviews and audits of
4594 reported costs; (ii) the process to be used in calculating the auxiliary grant rates for the facilities and
4595 homes; and (iii) the services to be provided to the auxiliary grant recipient and paid for by the auxiliary
4596 grant and not charged to the recipient's personal needs allowance.

4597 D. In order to receive an auxiliary grant while residing in an assisted living facility an individual
4598 shall have been evaluated by a case manager or other qualified assessor to determine his need for
4599 residential living care. An individual may be admitted to an assisted living facility pending evaluation
4600 and assessment as allowed by Board regulations, but in no event shall any public agency incur a
4601 financial obligation if the individual is determined ineligible for an auxiliary grant. For purposes of this
4602 section, "case manager" means an employee of a human services agency who is qualified and
4603 designated to develop and coordinate plans of care. The Board shall adopt regulations to implement the
4604 provisions of this subsection.

4605 § 63.2-801. Food stamp program.

4606 The Board is authorized, in accordance with the federal Food Stamp Act, to implement a food stamp
4607 program in which each political subdivision in the Commonwealth shall participate. Such program shall
4608 be administered in conformity with the Board regulations.

4609 § 63.2-802. Eligibility for general relief.

4610 If a local board has exercised its option to establish a program of general relief, a person shall be
4611 eligible for such components of the general relief program as the locality chooses to provide if he is in
4612 need of general relief. The establishment of and continued participation in such general relief program
4613 shall be optional with the local board. Nothing contained in this section shall restrict the authority of a
4614 local board under § 63.2-314. No person shall be deemed to be in need of general relief, however, if he
4615 fails to accept available employment which is appropriate to his physical and mental abilities and
4616 training, taking into consideration his home and family responsibilities which would affect his
4617 availability for employment. Prepaid funeral expenses, which do not exceed an amount established by
4618 the Board, shall not be considered a financial asset in determining a person's eligibility for general
4619 relief.

4620 § 63.2-803. Payment for legal services in claims for Supplemental Security Income.

4621 The Commissioner shall establish an advocacy project to assist recipients of general relief or
4622 children entrusted or committed to foster care who may be eligible for federal Supplemental Security
4623 Income (SSI) benefits in obtaining such benefits. Local departments may determine and refer appropriate
4624 potential SSI claimants to attorneys, or advocates working under the supervision of an attorney, for
4625 representation under this project. This project shall provide for disbursements to any such attorney or
4626 advocate upon receipt of a favorable decision in such referred claims.

4627 Such disbursements shall be in an amount determined by the Board to be sufficient to ensure prompt
4628 and adequate representation of such recipients. This amount shall not exceed the lesser of the
4629 recoupment for state and local assistance paid, as provided by the Social Security Act, 42 U.S.C. § 1383
4630 (g), as amended, or twenty-five percent of the maximum federal back-due SSI grant payable to an
4631 individual.

4632 Such disbursement shall be made upon submission by the attorney of a petition and a copy of the
4633 favorable decision. Petitions must be presented within sixty days of the favorable Social Security
4634 Administration decision.

4635 The Board, in consultation with the Virginia State Bar, shall adopt regulations necessary to
4636 implement this section.

4637 § 63.2-804. Eligibility to receive convict-made dentures.

4638 Any person who is a recipient of dental care provided by the Department of Health is eligible to
4639 receive, if so prescribed, dentures manufactured in a state correctional facility.

4640 § 63.2-805. Home Energy Assistance Program.

4641 A. The General Assembly declares that it is the policy of this Commonwealth to support the efforts of
4642 public agencies, private utility service providers, and charitable and community groups seeking to assist
4643 low-income Virginians in meeting their residential energy needs. To this end, the Department is
4644 designated as the state agency responsible for coordinating state efforts in this regard.

4645 B. There is hereby created in the state treasury a special nonreverting fund to be known as the
4646 Home Energy Assistance Fund, hereinafter the "Fund." Moneys in the Fund shall be used to:

4647 1. Supplement the assistance provided through the Department's administration of the federal
4648 Low-Income Home Energy Assistance Program Block Grant; and

4649 2. Assist the Commonwealth in maximizing the amount of federal funds available under the
4650 Low-Income Home Energy Assistance Program and the Weatherization Assistance Program by providing
4651 funds to comply with fund matching requirements, and by means of leveraging in accordance with the
4652 rules set by the Home Energy Assistance Program.

4653 The Fund shall be established on the books of the Comptroller. The Fund shall consist of donations

and contributions to the Fund and such moneys as shall be appropriated by the General Assembly. Interest earned on money in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes set forth in this section. The State Treasurer shall make expenditures and disbursements from the Fund on warrants issued by the Comptroller upon written request signed by the Commissioner. Up to twelve percent of the Fund may be used to pay the Department's expenses in administering the Home Energy Assistance Program.

C. The Department shall establish and operate the Home Energy Assistance Program. In administering the Home Energy Assistance Program, it shall be the responsibility of the Department to:

1. Administer distributions from the Fund; and
2. Report annually to the Governor and the General Assembly on or before October 1 of each year on the effectiveness of low-income energy assistance programs in meeting the needs of low-income Virginians.

The Department is authorized to assume responsibility for administering all or any portion of any private, voluntary low-income energy assistance program upon the application of the administrator thereof, on such terms as the Department and such administrator shall agree and in accordance with applicable law and regulations. If the Department assumes administrative responsibility for administering such a voluntary program, it is authorized to receive funds collected through such voluntary program and distribute them through the Fund.

D. Local departments may, to the extent that funds are available, promote interagency cooperation at the local level by providing technical assistance, data collection and service delivery.

E. Subject to Board regulations and to the availability of state or private funds for low-income households in need of energy assistance, the Department is authorized to:

1. Receive state and private funds for such services; and
2. Disburse funds to state agencies, and vendors of energy services, to provide energy assistance programs for low income households.

F. Actions of the Department relating to the review, allocation and awarding of benefits and grants shall be exempt from the provisions of Article 3 (§ 2.2-4018 et seq.) and Article 4 (§ 2.2-4024 et seq.) of Chapter 40 of the Administrative Process Act (§ 2.2-4000 et seq.).

G. No employee or former employee of the Department shall divulge any information acquired by him in the performance of his duties with respect to the income or assistance eligibility of any individual or household obtained in the course of administering the Home Energy Assistance Program, except in accordance with proper judicial order. The provisions of this section shall not apply to (i) acts performed or words spoken or published in the line of duty under law; (ii) inquiries and investigations to obtain information as to the implementation of this chapter by a duly constituted committee of the General Assembly, or when such inquiry or investigation is relevant to its study, provided that any such information shall be privileged; or (iii) the publication of statistics so classified as to prevent the identification of any individual or household.

Subtitle III.

Social Services Programs.

CHAPTER 9.

FOSTER CARE.

§ 63.2-900. Accepting children for placement in homes, facilities, etc., by local boards.

A. Pursuant to § 63.2-319, a local board shall have the right to accept for placement in suitable family homes, children's residential facilities or independent living arrangements, subject to the supervision of the Commissioner and in accordance with regulations adopted by the Board, such persons under eighteen years of age as may be entrusted to it by the parent, parents or guardian, committed by any court of competent jurisdiction, or placed through an agreement between it and the parent, parents or guardians where legal custody remains with the parent, parents, or guardians. The Board shall adopt regulations for the provision of foster care services by local boards which shall be directed toward the prevention of unnecessary foster care placements and towards the immediate care of and permanent planning for children in the custody of or placed by local boards and which shall achieve, as quickly as practicable, permanent placements for such children. The local board shall, in accordance with the regulations adopted by the Board and in accordance with the entrustment agreement or other order by which such person is entrusted or committed to its care, have custody and control of the person so entrusted or committed to it until he is lawfully discharged, has been adopted or has attained his majority. Whenever a local board places a child where legal custody remains with the parent, parents or guardians, the board shall enter into an agreement with the parent, parents or guardians. The agreement shall specify the responsibilities of each for the care and control of the child. The local board shall have authority to place for adoption, and to consent to the adoption of, any child

properly committed or entrusted to its care when the order of commitment or entrustment agreement between the parent or parents and the agency provides for the termination of all parental rights and responsibilities with respect to the child for the purpose of placing and consenting to the adoption of the child. The local board shall also have the right to accept temporary custody of any person under eighteen years of age taken into custody pursuant to subdivision B of § 16.1-246, or § 63.2-1517. The placement of a child in a foster home, whether within or without the Commonwealth, shall not be for the purpose of adoption unless the placement agreement between the foster parents and the local board specifically so stipulates.

B. Prior to placing any such child in any foster home or children's residential facility, the local board shall enter into a written agreement with the foster parents or other appropriate custodian setting forth therein the conditions under which the child is so placed pursuant to § 63.2-902. However, if a child is placed in a children's residential facility licensed as a temporary emergency shelter, and a verbal agreement for placement is secured within eight hours of the child's arrival at the facility, the written agreement does not need to be entered into prior to placement, but shall be completed and signed by the local board and the facility representative within twenty-four hours of the child's arrival or by the end of the next business day after the child's arrival.

§ 63.2-901. Supervision of placement of children in homes.

The local director shall supervise the placement in suitable homes of children placed through an agreement with the parents or guardians or entrusted or committed to the local board pursuant to §§ 63.2-900, 63.2-902 and 63.2-903.

§ 63.2-902. Agreements with persons taking children.

Every local board and licensed child-placing agency shall, with respect to each child placed by it in a foster home or children's residential facility, enter into a written agreement with the head of such home or facility, which agreement shall provide that the authorized representatives of the local board or agency shall have access at all times to such child and to the home or facility, and that the head of the home or facility will release custody of the child so placed to the authorized representatives of the local board or agency whenever, in the opinion of the local board or agency, or in the opinion of the Commissioner, it is in the best interests of the child.

§ 63.2-903. Entrustment agreements; adoption.

A. Whenever a local board, licensed child-placing agency, licensed children's residential facility or licensed independent foster home accepts custody of a child pursuant to an entrustment agreement entered into under the authority of this section, a petition for approval of the entrustment agreement (i) shall be filed in the juvenile and domestic relations district court of the city or county within a reasonable period of time, not to exceed eighty-nine days after the execution of an entrustment agreement for less than ninety days, if the child is not returned to his home within that period; and (ii) shall be filed within a reasonable period of time, not to exceed thirty days after the execution of an entrustment agreement for ninety days or longer or for an unspecified period of time, if such entrustment agreement does not provide for the termination of all parental rights and responsibilities with respect to the child. However, a licensed children's residential facility shall not be required to file a petition for approval of the entrustment agreement when the child is placed there by a parent or parents. A petition for approval of a permanent entrustment agreement that provides for the termination of all parental rights and responsibilities with respect to a child in the custody of a local board or licensed child-placing agency pursuant to an entrustment agreement entered into under the authority of this section may only be filed by a local board or licensed child-placing agency, if permitted by its license.

B. For purposes of this section, a parent who is less than eighteen years of age shall be deemed fully competent and shall have legal capacity to execute a valid entrustment agreement, including an agreement that provides for the termination of all parental rights and responsibilities, and shall be as fully bound thereby as if such parent had attained the age of eighteen years. An entrustment agreement for the termination of all parental rights and responsibilities with respect to the child shall be valid notwithstanding that it is not signed by the father of a child born out of wedlock if the identity of the father is not reasonably ascertainable, or if such father is given notice of the entrustment by registered or certified mail to his last known address and fails to object to the entrustment within twenty-one days of mailing of such notice. An affidavit of the mother that the identity of the father is not reasonably ascertainable shall be sufficient evidence of this fact, provided there is no other evidence that would refute such an affidavit. The absence of such an affidavit shall not be deemed evidence that the identity of the father is reasonably ascertainable. For purposes of determining whether the identity of the father is reasonably ascertainable, the standard of what is reasonable under the circumstances shall control, taking into account the relative interests of the child, the mother and the father.

C. An entrustment agreement for the termination of parental rights and responsibilities with respect to the child shall be valid notwithstanding that it is not signed by the birth father of a child when such father has been convicted of a violation of subsection A of § 18.2-61, § 18.2-63 or subsection B of

§ 18.2-366, and the child was conceived as a result of such violation.

D. A child may be placed for adoption by a licensed child-placing agency or a local board, in accordance with the provisions of § 63.2-1221.

§ 63.2-904. Investigation, visitation and supervision of foster homes or independent living placement; removal of child.

A. Before placing or arranging for the placement of any such child in a foster home or independent living placement, a local board or licensed child-placing agency shall cause a careful study to be made to determine the suitability of such home or independent placement, and after placement shall cause such home or independent placement and child to be visited as often as necessary to protect the interests of such child.

B. Every local board or licensed child-placing agency that places a child in a foster home or independent living placement shall maintain such supervision over such home or independent living placement as shall be required by the standards and policies established by the Board.

C. Whenever any child placed by a local board or licensed child-placing agency and still under its control or supervision is subject, in the home in which he is placed, to unwholesome influences or to neglect or mistreatment, or whenever the Commissioner shall so order, such local board or agency shall cause the child to be removed from such home and shall make for him such arrangements as may be approved by the Commissioner.

§ 63.2-905. Foster care services.

Foster care services are the provision of a full range of casework, treatment and community services for a planned period of time to a child who is abused or neglected as defined in § 63.2-100 or in need of services as defined in § 16.1-228 and his family when the child (i) has been identified as needing services to prevent or eliminate the need for foster care placement, (ii) has been placed through an agreement between the local board or the public agency designated by the community policy and management team and the parents or guardians, or (iii) has been committed or entrusted to a local board or licensed child welfare agencies.

§ 63.2-906. Foster care plans; permissible plan goals; court review of foster children.

A. Each child, who is committed or entrusted to the care of a local board or to a licensed child-placing agency, or who is placed through an agreement between a local board or a public agency designated by the community policy and management team and the parent, parents or guardians where legal custody remains with the parent, parents or guardians, shall have a foster care plan as specified in § 16.1-281.

A court may place a child in the care and custody of (i) a public agency in accordance with § 16.1-251 or § 16.1-252, and (ii) a public or licensed private child-placing agency in accordance with § 16.1-278.2, § 16.1-278.4, § 16.1-278.5, § 16.1-278.6, or § 16.1-278.8. Children may be placed by voluntary relinquishment in the care and custody of a public or private agency in accordance with § 16.1-277.01 or §§ 16.1-277.02 and 16.1-278.3. Children may be placed through an agreement where legal custody remains with the parent, parents or guardians in accordance with §§ 63.2-900 and 63.2-903 or § 2.2-5208.

B. Each child in foster care shall be assigned a permanent plan goal to be reviewed and approved by the juvenile and domestic relations district court having jurisdiction of the child's case. Permissible plan goals are to:

1. Transfer custody of the child to his prior family;
2. Transfer custody of the child to a relative other than his prior family;
3. Finalize an adoption of the child;
4. Place the child in permanent foster care;
5. Achieve independent living; or
6. Place the child in another planned permanent living arrangement in accordance with subsection

A2. of § 16.1-282.1.

C. Each child in foster care shall be subject to the permanency planning and review procedures established in §§ 16.1-281, 16.1-282 and 16.1-282.1.

§ 63.2-907. Administrative review of children in foster care.

Each local board shall establish and keep current a social service plan with service objectives and shall provide the necessary social services for achievement of a permanent home for each child for whom it has care and custody or has an agreement with the parents or guardians to place in accordance with regulations adopted by the Board. Each local board shall review the cases of children placed through an agreement or in its custody in accordance with the regulations adopted by the Board. Each local board shall review the cases of children placed through an agreement or in its custody on a planned basis to evaluate the current status and effectiveness (i) of the service plan's objectives and (ii) of the services being provided for each child in custody, which are directed toward the immediate care of and planning for permanency for the child, in accordance with policies of the Board.

4838 The Department shall establish and maintain (a) a system to review and monitor compliance by local
4839 boards with the policies adopted by the Board and (b) a tracking system of every child in the care and
4840 custody of or placed by local boards in order to monitor the effectiveness of service planning, service
4841 objectives and service delivery by the local boards that shall be directed toward the achievement of
4842 permanency for children in foster care.

4843 The Board shall adopt regulations necessary to implement the procedures and policies set out in this
4844 section. The Board shall establish as a goal that at any point in time the number of children who are in
4845 foster care for longer than twenty-four months shall not exceed 5,500 children.

4846 § 63.2-908. Permanent foster care placement.

4847 A. Permanent foster care placement means the place in which a child has been placed pursuant to
4848 the provisions of §§ 63.2-900, 63.2-903 and this section with the expectation and agreement between the
4849 placing agency and the place of permanent foster care that the child shall remain in the placement until
4850 he reaches the age of majority unless modified by court order or unless removed pursuant to § 16.1-251
4851 or § 63.2-1517. A permanent foster care placement may be a place of residence of any natural person
4852 or persons deemed appropriate to meet a child's needs on a long-term basis.

4853 B. A local department or a licensed child-placing agency shall have authority pursuant to a court
4854 order to place a child over whom it has legal custody in a permanent foster care placement where the
4855 child shall remain until attaining majority or thereafter, until the age of twenty-one years, if such
4856 placement is a requisite to providing funds for the care of such child, so long as the child is a
4857 participant in an educational, treatment or training program approved pursuant to regulations of the
4858 Board. No such child shall be removed from the physical custody of the foster parents in the permanent
4859 care placement except upon order of the court or pursuant to § 16.1-251 or § 63.2-1517. The
4860 department or agency so placing a child shall retain legal custody of the child. A court shall not order
4861 that a child be placed in permanent foster care unless it finds that (i) diligent efforts have been made by
4862 the local department to place the child with his natural parents and such efforts have been unsuccessful,
4863 and (ii) diligent efforts have been made by the local department to place the child for adoption and
4864 such efforts have been unsuccessful or adoption is not a reasonable alternative for a long-term
4865 placement for the child under the circumstances.

4866 C. Unless modified by the court order, the foster parent in the permanent foster care placement shall
4867 have the authority to consent to surgery, entrance into the armed services, marriage, application for a
4868 motor vehicle and driver's license, application for admission into college and any other such activities
4869 that require parental consent and shall have the responsibility for informing the placing department or
4870 agency of any such actions.

4871 D. Any child placed in a permanent foster care placement by a local department shall, with the
4872 cooperation of the foster parents with whom the permanent foster care placement has been made,
4873 receive the same services and benefits as any other child in foster care pursuant to §§ 63.2-319,
4874 63.2-900 and 63.2-903 and any other applicable provisions of law.

4875 E. The Board shall establish minimum standards for the utilization, supervision and evaluation of
4876 permanent foster care placements.

4877 F. The rate of payment for permanent foster care placements by a local department shall be in
4878 accordance with standards and rates established by the Board. The rate of payment for such placements
4879 by other licensed child-placing agencies shall be in accordance with standards and rates established by
4880 the individual agency.

4881 G. If the child has a continuing involvement with his natural parents, the natural parents should be
4882 involved in the planning for a permanent placement. The court order placing the child in a permanent
4883 placement shall include a specification of the nature and frequency of visiting arrangements with the
4884 natural parents.

4885 H. Any change in the placement of a child in permanent foster care or the responsibilities of the
4886 foster parents for that child shall be made only by order of the court which ordered the placement
4887 pursuant to a petition filed by the foster parents, local department, licensed child-placing agency or
4888 other appropriate party.

4889 § 63.2-909. Child support for child placed in foster care by court.

4890 Pursuant to § 16.1-290, responsible persons shall pay child support for a child placed in foster care
4891 from the date that custody was awarded to the local department. The court order shall state the names
4892 of the responsible persons obligated to pay support, and either specify the amount of the support
4893 obligation pursuant to §§ 20-108.1 and 20-108.2 or indicate that the Division of Child Support
4894 Enforcement will establish the amount of the support obligation. In fixing the amount of support, the
4895 court or the Division of Child Support Enforcement shall consider the extent to which the payment of
4896 support by the responsible person may affect the ability of such responsible person to implement a foster
4897 care plan developed pursuant to § 16.1-281.

4898 § 63.2-910. Child support for child placed in foster care where legal custody remains with parent or
4899 guardian.

Responsible persons shall pay child support for a child placed in foster care through an agreement where legal custody remains with the parent or guardian pursuant to subdivision 4 of § 16.1-278.2 or § 63.1-56, from the date that the child was placed in foster care. The agreement between the parents and the local board or public agency shall include provisions for the payment of child support. In fixing the amount of support, the court, the Division of Child Support Enforcement, the local board or the public agency shall consider the extent to which the payment of support by the responsible person may affect the ability of such responsible person to implement a foster care plan. If the responsible person fails or refuses to pay such sum on a timely basis, the local board or public agency may petition the juvenile court to order such payment.

§ 63.2-911. Liability insurance for foster parents.

The Department may provide liability insurance for civil matters for persons providing basic foster care services in foster homes, as defined in §§ 63.2-100 and 63.2-905, that are approved by local boards for children in their custody or children who the board has entered into an agreement to place where legal custody remains with the parents or guardians.

§ 63.2-912. Visitation of child placed in foster care.

The circuit courts and juvenile and domestic relations district courts shall have the authority to grant visitation rights to the natural parents and grandparents of any child entrusted or committed to foster care if the court finds (i) that the parent or grandparent had an on-going relationship with the child prior to his being placed in foster care and (ii) it is in the best interests of the child that the relationship continue. The order of the court committing the child to foster care shall state the nature and extent of any visitation rights granted as provided in this section.

CHAPTER 10.

INTERSTATE COMPACT ON THE PLACEMENT OF CHILDREN.

§ 63.2-1000. Interstate Compact on the Placement of Children; form of compact.

The Governor of Virginia is hereby authorized and requested to execute, on behalf of the Commonwealth of Virginia, with any other state or states legally joining therein, a compact which shall be in form substantially as follows:

The contracting states solemnly agree that:

ARTICLE I.

Purpose and Policy.

It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis of which to evaluate a projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

ARTICLE II.

Definitions.

As used in this compact:

(a) "Child" means a person who, by reason of minority, is legally subject to parental, guardianship or similar control.

(b) "Sending agency" means a party state, officer or employee thereof; a subdivision of a party state, or officer or employee thereof; a court of a party state; a person, corporation, association, charitable agency or other entity which sends, brings, or causes to be sent or brought any child to another party state.

(c) "Receiving state" means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities or for placement with private agencies or persons.

(d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not include any institution caring for the mentally ill, mentally defective or epileptic or any institution primarily educational in character, and any hospital or other medical facility.

ARTICLE III.

Conditions for Placement.

(a) No sending agency shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending

4961 agency shall comply with each and every requirement set forth in this article and with the applicable
4962 laws of the receiving state governing the placement of children therein.

4963 (b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for
4964 placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the
4965 appropriate public authorities in the receiving state written notice of the intention to send, bring, or
4966 place the child in the receiving state. The notice shall contain:

4967 (1) The name, date and place of birth of the child.

4968 (2) The identity and address or addresses of the parents or legal guardian.

4969 (3) The name and address of the person, agency or institution to or with which the sending agency
4970 proposes to send, bring, or place the child.

4971 (4) A full statement of the reasons for such proposed action and evidence of the authority pursuant
4972 to which the placement is proposed to be made.

4973 (c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to
4974 paragraph (b) of this article may request of the sending agency, or any other appropriate officer or
4975 agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or
4976 additional information as it may deem necessary under the circumstances to carry out the purpose and
4977 policy of this compact.

4978 (d) The child shall not be sent, brought or caused to be sent or brought into the receiving state until
4979 the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to
4980 the effect that the proposed placement does not appear to be contrary to the interests of the child.

4981 ARTICLE IV.

4982 *Penalty for Illegal Placement.*

4983 The sending, bringing, or causing to be sent or brought into any receiving state of a child in
4984 violation of the terms of this compact shall constitute a violation of the laws respecting the placement of
4985 children of both the state in which the sending agency is located or from which it sends or brings the
4986 child and of the receiving state. Such violation may be punished or subjected to penalty in either
4987 jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any
4988 such violation shall constitute full and sufficient grounds for the suspension or revocation of any license,
4989 permit, or other legal authorization held by the sending agency which empowers or allows it to place,
4990 or care for children.

4991 ARTICLE V.

4992 *Retention of Jurisdiction.*

4993 (a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in
4994 relation to the custody, supervision, care, treatment and disposition of the child which it would have had
4995 if the child had remained in the sending agency's state, until the child is adopted, reaches majority,
4996 becomes self-supporting or is discharged with the concurrence of the appropriate authority in the
4997 receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child
4998 or its transfer to another location and custody pursuant to law. The sending agency shall continue to
4999 have financial responsibility for support and maintenance of the child during the period of the
5000 placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to
5001 deal with an act of delinquency or crime committed therein.

5002 (b) When the sending agency is a public agency, it may enter into an agreement with an authorized
5003 public or private agency in the receiving state providing for the performance of one or more services in
5004 respect of such cases by the latter as agent for the sending agency.

5005 (c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to
5006 place children in the receiving state from performing services or acting as agent in that state for a
5007 private charitable agency of the sending state; nor to prevent the agency in the receiving state from
5008 discharging financial responsibility for the support and maintenance of a child who has been placed on
5009 behalf of the sending agency without relieving the responsibility set forth in paragraph (a) hereof.

5010 ARTICLE VI.

5011 *Institutional Care of Delinquent Children.*

5012 A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant
5013 to this compact but no such placement shall be made unless the child is given a court hearing on notice
5014 to the parent or guardian with opportunity to be heard, prior to his being sent to such other party
5015 jurisdiction for institutional care and the court finds that:

5016 1. Equivalent facilities for the child are not available in the sending agency's jurisdiction; and

5017 2. Institutional care in the other jurisdiction is in the best interest of the child and will not produce
5018 undue hardship.

5019 ARTICLE VII.

5020 *Compact Administrator.*

5021 The executive head of each jurisdiction party to this compact shall designate an officer who shall be
5022 general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like

officers of other party jurisdictions, shall have the power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE VIII.

Limitations.

This compact shall not apply to:

(a) *The sending or bringing of a child into a receiving state by his parent, step-parent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or nonagency guardian in the receiving state.*

(b) *Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.*

ARTICLE IX.

Enactment and Withdrawal.

This compact shall be open to joinder by any state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of Congress, the Government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE X.

Construction and Severability.

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

CHAPTER 11.

IMPLEMENTATION OF THE INTERSTATE COMPACT ON THE PLACEMENT OF CHILDREN.

§ 63.2-1100. Definitions.

For the purposes of Chapter 10 (§ 63.2-1000 et seq.) of this title, the following words shall have the meaning ascribed to them by this section:

A. *"Appropriate public authorities" as used in Article III of the compact means, with reference to this Commonwealth, the Department.*

B. *"Appropriate authority in the receiving state" as used in subdivision (a) of Article V of the compact means, with reference to this Commonwealth, the Commissioner.*

§ 63.2-1101. Discharging financial responsibilities imposed by compact or agreement.

Financial responsibility for any child placed pursuant to the provisions of Chapter 10 (§ 63.2-1000 et seq.) of this title shall be determined in accordance with the provision of Article V of the compact. In the event of partial or complete default of performance thereunder, the provisions of Chapter 19 (§ 63.2-1900 et seq.) of this title may also be invoked.

§ 63.2-1102. Supplementary agreements.

The officers and agencies of this Commonwealth and its subdivisions having authority to place children are hereby empowered to enter into supplementary agreements with appropriate officers or agencies in other party states pursuant to subdivision (b) of Article V of the compact pursuant to Chapter 10 (§ 63.2-1000 et seq.) of this title. Any such agreement which contains a financial commitment or imposes a financial obligation on this Commonwealth or on a subdivision or agency thereof is subject to the written approval of the State Comptroller and of the chief fiscal officer of the subdivision involved.

§ 63.2-1103. Fulfilling requirements for visitation, inspection or supervision.

Requirements for visitation, inspection or supervision of children, homes, institutions or other agencies in another party state set forth in Subtitle IV (§ 63.2-1700 et seq.) of this title shall be deemed to be fulfilled if performed by an authorized public or private agency in the receiving state pursuant to an agreement entered into by appropriate officers or agencies of this Commonwealth or of a subdivision thereof as provided in subdivision (b) of Article V of the compact pursuant to Chapter 10 (§ 63.2-1000 et seq.) of this title.

5084 § 63.2-1104. *Children from other states and countries.*

5085 A. Any child-placing agency or court that brings or sends, or causes to be brought or sent, a
5086 nonresident child into Virginia for the purpose of an interstate placement shall comply with the
5087 regulations and procedures adopted by the Board for the administration of the Interstate Compact on
5088 the Placement of Children (§ 63.2-1000 et seq.) regardless of whether the state from which the child is
5089 sent is a party to the compact. The agency shall also comply with all the regulations of the Board
5090 relating to nonresident children so brought or sent into the Commonwealth. Intercountry placements
5091 made by licensed child-placing agencies, courts, or other entities are subject to regulations prescribed
5092 by the Board.

5093 B. The Board is authorized to adopt regulations for the bringing or sending of such children into the
5094 Commonwealth by child-placing agencies or courts for the purpose of an interstate placement, and for
5095 the care, maintenance, supervision and control of all children so brought or sent into the
5096 Commonwealth until they have been adopted, attained their majority, or have been otherwise lawfully
5097 discharged or released, as are reasonably conducive to the welfare of such children and as comply with
5098 the provisions of the Interstate Compact on the Placement of Children (§ 63.2-1000 et seq.).

5099 § 63.2-1105. *Children placed out of Commonwealth.*

5100 A. Any child-placing agency, licensed pursuant to Subtitle IV (§ 63.2-1700 et seq.), local board or
5101 court that takes or sends, or causes to be taken or sent, any resident child out of the Commonwealth for
5102 the purpose of an interstate or intercountry placement shall comply with the appropriate provisions of
5103 the Interstate Compact on the Placement of Children (§ 63.2-1000 et seq.) or shall first obtain the
5104 consent of the Commissioner, given in accordance with regulations of the Board relating to resident
5105 children so taken or sent out of the Commonwealth.

5106 B. The Board is authorized to adopt regulations for the placement of children out of the
5107 Commonwealth by licensed child-placing agencies, local boards or courts as are reasonably conducive
5108 to the welfare of such children and as comply with the Interstate Compact on the Placement of Children
5109 (§ 63.2-1000 et seq.). Provided, however, notwithstanding the provisions of subdivision (d) of Article II
5110 of the compact that exclude from the definition of "placement" those institutions that care for the
5111 mentally ill, mentally defective or epileptic or any institution primarily educational in character and any
5112 hospital or other medical facility, the Board shall prescribe procedures and regulations to govern such
5113 placements out of the Commonwealth by licensed child-placing agencies, local boards or courts.

5114 CHAPTER 12.

5115 ADOPTION.

5116 Article 1.

5117 General Provisions.

5118 § 63.2-1200. *Who may place children for adoption.*

5119 A child may be placed for adoption by:

- 5120 1. A licensed child-placing agency;
5121 2. A local board;
5122 3. The child's parent or legal guardian if the placement is a parental placement; and
5123 4. Any agency outside the Commonwealth that is licensed or otherwise duly authorized to place
5124 children for adoption by virtue of the laws under which it operates.

5125 § 63.2-1201. *Filing of petition for adoption; venue; jurisdiction; and proceedings.*

5126 Proceedings for the adoption of a minor child and for a change of name of such child shall be
5127 instituted only by petition to a circuit court in the county or city in which the petitioner resides or in the
5128 county or city in which is located the child-placing agency that placed the child. Such petition may be
5129 filed by any natural person who resides in the Commonwealth or who has custody of a child placed by
5130 a child-placing agency of the Commonwealth, for leave to adopt a minor child not legally his by birth
5131 and, if it is so desired by the petitioner, also to change the name of such child. In the case of married
5132 persons, the petition shall be the joint petition of the husband and wife but, in the event the child to be
5133 adopted is legally the child by birth or adoption of one of the petitioners, such petitioner shall unite in
5134 the petition for the purpose of indicating consent to the prayer thereof only. The petition shall contain a
5135 full disclosure of the circumstances under which the child came to live, and is living, in the home of the
5136 petitioner. Each petition for adoption shall be signed by the petitioner as well as by counsel of record,
5137 if any. In any case in which the petition seeks the entry of an adoption order without referral for
5138 investigation, the petition shall be under oath.

5139 A single petition for adoption under the provisions of this section shall be sufficient for the
5140 concurrent adoption by the same petitioners of two or more children who have the same birth parent or
5141 parents, and nothing in this section shall be construed as having heretofore required a separate petition
5142 for each of such children.

5143 § 63.2-1202. *Parental, or agency, consent required; exceptions.*

5144 A. No petition for adoption shall be granted, except as hereinafter provided in this section, unless
5145 written consent to the proposed adoption is filed with the petition. Such consent shall be signed and

acknowledged before an officer authorized by law to take acknowledgments. The consent of a birth parent for the adoption of his child placed directly by the birth parent shall be executed as provided in § 63.2-1233, and the circuit court may accept a certified copy of an order entered pursuant to § 63.2-1233 in satisfaction of all requirements of this section, provided the order clearly evidences compliance with the applicable notice and consent requirements of § 63.2-1233.

B. A birth parent who has not reached the age of eighteen shall have legal capacity to give consent to adoption and shall be as fully bound thereby as if the birth parent had attained the age of eighteen years.

C. Consent shall be executed:

1. By the parents or surviving parent of a child born in wedlock. A child born to a married birth mother shall be presumed to be the child of her husband and his consent shall be required. This presumption may be rebutted by sufficient evidence, satisfactory to the circuit court, which would establish by a preponderance of the evidence the paternity of another man, or the impossibility or improbability of cohabitation of the birth mother and her husband for a period of at least 300 days preceding the birth of the child, in such case his consent shall not be required. If the parents are divorced and the residual parental rights and responsibilities as defined in § 16.1-228 of one parent have been terminated by terms of the divorce, or other order of a court having jurisdiction, the petition may be granted without the consent of such parent; or

2. By the parents or surviving parent of a child born to parents who were not married to each other at the time of the child's conception or birth. The consent of the birth father of a child born to parents who were not married to each other at the time of the child's conception or birth shall not be required (i) if the identity of the birth father is not reasonably ascertainable or (ii) if the identity of such birth father is ascertainable and his whereabouts are known, such birth father is given notice of the adoption proceeding, including the date and location of the hearing, by registered or certified mail to his last known address, and such birth father fails to object to the adoption proceeding within twenty-one days of the mailing of such notice. Such objection shall be in writing, signed by the objecting party or counsel of record for the objecting party and shall be filed with the clerk of the circuit court in which the petition was filed during the business day of the court, within the time period specified in this section. Failure of the objecting party to appear at the consent hearing, either in person or by counsel, shall constitute a waiver of such objection; or

3. By the child-placing agency or the local board having custody of the child, with right to place him for adoption, through court commitment or parental agreement as provided in §§ 63.2-900, 63.2-903 or 63.2-1221; or an agency outside the Commonwealth that is licensed or otherwise duly authorized to place children for adoption by virtue of the laws under which it operates; and

4. By the child if he is fourteen years of age or older, unless the circuit court finds that the best interests of the child will be served by not requiring such consent.

D. No consent shall be required of the birth father of a child when the birth father is convicted of a violation of subsection A of § 18.2-61, § 18.2-63 or subsection B of § 18.2-366, and the child was conceived as a result of such violation.

E. When a child has been placed by the birth parent(s) with the prospective adoptive parent(s) who is the child's grandparent, adult brother or sister, adult uncle or aunt, or adult great uncle or great aunt, the circuit court may accept the written and signed consent of the birth parent(s) that has been acknowledged by an officer authorized by law to take such acknowledgments.

§ 63.2-1203. When consent is withheld or unobtainable.

A. If, after consideration of the evidence, the circuit court finds that the valid consent of any person or agency whose consent is required is withheld contrary to the best interests of the child as set forth in § 63.2-1205, or is unobtainable, the circuit court may grant the petition without such consent:

1. Twenty-one days after personal service of notice of petition on the party or parties whose consent is required by this section; or

2. If personal service is unobtainable, ten days after the completion of the execution of an order of publication against the party or parties whose consent is required by this section concerning the petition; or

3. If the judge certifies on the record that the identity of any person whose consent is hereinabove required is not reasonably ascertainable.

An affidavit of the birth mother that the identity of the birth father is not reasonably ascertainable shall be sufficient evidence of this fact, provided there is no other evidence before the circuit court that would refute such an affidavit. The absence of such an affidavit shall not be deemed evidence that the identity of the birth father is reasonably ascertainable. For purposes of determining whether the identity of the birth father is reasonably ascertainable, the standard of what is reasonable under the circumstances shall control, taking into account the relative interests of the child, the birth mother and the birth father.

5207 *B. If the child is not in the custody of a child-placing agency and both parents are deceased, the*
5208 *circuit court, after hearing evidence to that effect, may grant the petition without the filing of any*
5209 *consent.*

5210 *§ 63.2-1204. When consent is revocable; fraud or duress; mutual consent.*

5211 *Parental consent to an adoption shall be revocable prior to the final order of adoption (i) upon*
5212 *proof of fraud or duress or (ii) after placement of the child in an adoptive home, upon written, mutual*
5213 *consent of the birth parents and prospective adoptive parents.*

5214 *§ 63.2-1205. Best interests of the child; standards for determining.*

5215 *In determining whether the valid consent of any person whose consent is required is withheld*
5216 *contrary to the best interests of the child, or is unobtainable, the juvenile and domestic relations district*
5217 *court shall consider whether the failure to grant the petition pending before it would be detrimental to*
5218 *the child. In determining whether the failure to grant the petition would be detrimental to the child, the*
5219 *juvenile and domestic relations district court shall consider all relevant factors, including the birth*
5220 *parent(s)' efforts to obtain or maintain legal and physical custody of the child; whether the birth*
5221 *parent(s)' efforts to assert parental rights were thwarted by other people; the birth parent(s)' ability to*
5222 *care for the child; the age of the child; the quality of any previous relationship between the birth*
5223 *parent(s) and the child and between the birth parent(s) and any other minor children; the duration and*
5224 *suitability of the child's present custodial environment; and the effect of a change of physical custody on*
5225 *the child.*

5226 *§ 63.2-1206. No parental presumption after revocation period expires.*

5227 *If, after the expiration of the appropriate revocation period provided for in § 63.2-1223 or*
5228 *§ 63.2-1234, a birth parent or an alleged birth parent attempts to obtain or regain custody of or*
5229 *attempts to exercise parental rights to a child who has been placed for adoption, there shall be no*
5230 *parental presumption in favor of any party. Upon the motion of any such birth parent or alleged birth*
5231 *parent, or upon the motion of any person or agency with whom the child has been placed, the circuit or*
5232 *juvenile and domestic relations district court shall determine (i) whether the birth parent or alleged*
5233 *birth parent is a person whose consent to the adoption is required and, if so, then (ii) pursuant to*
5234 *§63.2-1205, whether, in the best interest of the child, the consent of the person whose consent is*
5235 *required is being withheld contrary to the best interest of the child or is unobtainable.*

5236 *§ 63.2-1207. Removal of child from adoptive home.*

5237 *When a child is placed in an adoptive home pursuant to an adoptive home placement agreement by*
5238 *a local board or by a licensed child-placing agency pursuant to § 63.2-1221, or by the birth parent or*
5239 *legal guardian of the child pursuant to § 63.2-1230, and a circuit court of competent jurisdiction has*
5240 *not entered an interlocutory order of adoption, such child shall not be removed from the physical*
5241 *custody of the adoptive parents, except (i) with the consent of the adoptive parents; (ii) upon order of*

5268 *C. The investigation requested by the circuit court shall include, in addition to other inquiries that*

the circuit court may require the child-placing agency or local director to make, inquiries as to (i) whether the petitioner is financially able, except as provided in Chapter 13 (§ 63.2-1300 et seq.) of this title, morally suitable, in satisfactory physical and mental health and a proper person to care for and to train the child; (ii) what the physical and mental condition of the child is; (iii) why the parents, if living, desire to be relieved of the responsibility for the custody, care and maintenance of the child, and what their attitude is toward the proposed adoption; (iv) whether the parents have abandoned the child or are morally unfit to have custody over him; (v) the circumstances under which the child came to live, and is living, in the same home of the petitioner; (vi) whether the child is a suitable child for adoption by the petitioner; and (vii) what fees have been paid by the petitioners or on their behalf to persons or agencies that have assisted them in obtaining the child. Any report made to the circuit court shall include a recommendation as to the action to be taken by the circuit court on the petition. A copy of any report made to the circuit court shall be furnished to counsel of record representing the adopting parent or parents. When the investigation reveals that there may have been a violation of § 63.2-1200 or § 63.2-1218, the local director or child-placing agency shall so inform the circuit court and the Commissioner.

D. The report shall include the relevant physical and mental history of the birth parents if known to the person making the report. However, nothing in this subsection shall require that an investigation of the physical and mental history of the birth parents be made.

E. If the specific provisions set out in §§ 63.2-1228, 63.2-1238, 63.2-1242 and 63.2-1244 do not apply, the petition and all exhibits shall be forwarded to the local director where the petitioners reside or to a licensed child-placing agency.

§ 63.2-1209. Entry of interlocutory order.

If, after considering the home study or any required report, the circuit court is satisfied that all of the applicable requirements have been complied with, that the petitioner is financially able to maintain adequately, except as provided in Chapter 13 (§ 63.2-1300 et seq.) of this title, and is morally suitable and a proper person to care for and train the child, that the child is suitable for adoption by the petitioner, and that the best interests of the child will be promoted by the adoption, it shall enter an interlocutory order of adoption declaring that henceforth, subject to the probationary period hereinafter provided for and to the provisions of the final order of adoption, the child will be, to all intents and purposes, the child of the petitioner. If the petition includes a prayer for a change of the child's name and the circuit court is satisfied that such change is in the best interests of the child, upon entry of final order, the name of the child shall be changed. An attested copy of every interlocutory order of adoption shall be forwarded forthwith by the clerk of the circuit court in which it was entered to the Commissioner and to the licensed or duly authorized child-placing agency or the local director that prepared the required home study or report.

If the circuit court denies the petition for adoption and if it appears to the circuit court that the child is without proper care, custody or guardianship, the circuit court may, in its discretion, appoint a guardian for the child or commit the child to a custodial agency as provided for in §§ 16.1-278.2, 16.1-278.3 and 31-5, respectively.

§ 63.2-1210. Probationary period and interlocutory order not required under certain circumstances.

The circuit court may omit the probationary period and the interlocutory order and enter a final order of adoption under the following circumstances:

1. If the child is legally the child by birth or adoption of one of the petitioners and if the circuit court is of the opinion that the entry of an interlocutory order would otherwise be proper.

2. After receipt of the report required by § 63.2-1208, if the child has been placed in the home of the petitioner by a child-placing agency and (i) the placing or supervising agency certifies to the circuit court that the child has lived in the home of the petitioner continuously for a period of at least six months immediately preceding the filing of the petition and has been visited by a representative of such agency at least three times within a six-month period, provided there are not less than ninety days between the first visit and the last visit, and (ii) the circuit court is of the opinion that the entry of an interlocutory order would otherwise be proper. The circuit court may, for good cause shown, in cases of placement by a child-placing agency, omit the requirement that the visits be made in the six months immediately preceding the filing of the petition, provided that such visits were made in some six-month period preceding the filing.

3. After receipt of the report, if the child has resided in the home of the petitioner continuously for at least three years immediately prior to the filing of the petition for adoption, and the circuit court is of the opinion that the entry of an interlocutory order would otherwise be proper.

4. When a child has been placed by the birth parent with the prospective adoptive parent who is the child's grandparent, adult brother or sister, adult uncle or aunt, or adult great uncle or great aunt and the circuit court has accepted the written consent of the birth parent in accordance with § 63.2-1202, and the circuit court is of the opinion that the entry of an interlocutory order would otherwise be

5330 proper. If the circuit court determines the need for an investigation prior to the final order of adoption,
5331 it shall refer the matter to the local director or a licensed child placing agency for an investigation and
5332 report, which shall be completed within such time as the circuit court designates.

5333 5. After receipt of the report, if the child has been legally adopted according to the laws of a foreign
5334 country with which the United States has diplomatic relations and if the circuit court is of the opinion
5335 that the entry of an interlocutory order would otherwise be proper, and the child (i) has resided in the
5336 home of the petitioners for at least one year immediately prior to the filing of the petition, or (ii) has
5337 resided in the home of the petitioners for at least six months immediately prior to the filing of the
5338 petition, has been visited by a representative of a child-placing agency or of the local department three
5339 times within such six-month period with no fewer than ninety days between the first and last visits, and
5340 the three visits have occurred within eight months immediately prior to the filing of the petition.

5341 6. After receipt of the report, if the child was placed into Virginia from a foreign country in
5342 accordance with § 63.2-1104, and if the child has resided in the home of the petitioner for at least six
5343 months immediately prior to the filing of the petition and has been visited by a representative of a
5344 licensed child-placing agency or of the local three times within the six-month period with no fewer than
5345 ninety days between the first and last visits, and the three visits have occurred within eight months
5346 immediately prior to the filing of the petition.

5347 § 63.2-1211. Revocation of interlocutory order.

5348 The circuit court may, by order entered of record, revoke its interlocutory order of adoption at any
5349 time prior to the entry of the final order, for good cause shown, on its own motion, or on the motion of
5350 the birth parents of the child, or of the petitioner, or of the child himself by his next friend, or of the
5351 child-placing agency, which placed the child with the petitioners or of the Commissioner; but, no such
5352 order of revocation shall be entered, except on motion of the petitioner, unless the petitioner is given ten
5353 days' notice of such motion in writing and an opportunity to be heard or has removed from the
5354 Commonwealth. The clerk of the circuit court shall forward an attested copy of every such order to the
5355 Commissioner and to the child-placing agency that placed the child.

5356 When an interlocutory order has been entered and subsequently is revoked, the circuit court may
5357 proceed in the same manner as set forth in § 63.2-1209 to enter an order concerning the subsequent
5358 custody or guardianship of the child.

5359 § 63.2-1212. Visitations during probationary period and report.

5360 A. Except as hereinafter provided, after the entry of an interlocutory order of adoption, (i) the
5361 licensed or duly authorized child-placing agency; or, (ii) if the child was not placed by an agency and
5362 the placement is not a parental placement, the local director; or, (iii) if the placement is a parental
5363 placement, the child-placing agency that submitted the home study; or, (iv) if the child was placed by an
5364 agency in another state or by an agency, court, or other entity in another country, the local director or
5365 licensed child-placing agency, whichever agency completed the home study or provided supervision,
5366 shall cause the child to be visited at least three times within a period of six months by an agent of such
5367 local board or local department or by an agent of such licensed or duly authorized child-placing
5368 agency. Whenever practicable, such visits shall be made within the six months' period immediately
5369 following the date of entry of the interlocutory order; however, no less than ninety days shall elapse
5370 between the first visit and the last visit. The agency that placed the child, the child-placing agency that
5371 submitted the home study, the local director or the licensed child-placing agency, as applicable, shall
5372 make a written report to the circuit court, in such form as the Commissioner may prescribe, of the
5373 findings made pursuant to such visitations. A copy of the report to the circuit court shall be furnished to
5374 the counsel of record for the parties, which copy shall be returned by such counsel as is required by
5375 § 63.2-1246 for the return of the original report. A copy of the report to the circuit court shall be
5376 served on the Commissioner by delivering or mailing a copy to him on or before the day of filing the
5377 report with the circuit court. On the report to the circuit court there shall be appended either
5378 acceptance of service or certification of the local director or the representative of the child-placing
5379 agency, that copies were served as this section requires, showing the date of delivery or mailing. The
5380 Commissioner may notify the circuit court within twenty-one days of the date of delivery or mailing of
5381 the report as shown by the agency, during which time the circuit court shall withhold consideration of
5382 the merits of the report pending review of the report by the Commissioner, of any disapproval thereof
5383 stating reasons for any further action on the report that he deems necessary.

5384 B. The three supervisory visits required in subsection A shall be conducted in the presence of the
5385 child. At least one such visit shall be conducted in the home of the petitioners in the presence of the
5386 child and both petitioners, unless the petition was filed by a single parent or one of the petitioners is no
5387 longer residing in the home.

5388 C. When it is determined for purposes of subsection B that the petitioner no longer resides in the
5389 adoptive home, the child-placing agency or local director shall contact the petitioner to determine
5390 whether or not the petitioner wishes to remain a party to the proceedings and shall include in its report
5391 to the circuit court the results of its findings.

§ 63.2-1213. Final order of adoption.

After the expiration of six months from the date upon which the interlocutory order is entered, and after considering the report made pursuant to § 63.2-1212, if the circuit court is satisfied that the best interests of the child will be served thereby, the circuit court shall enter the final order of adoption. However, a final order of adoption shall not be entered until information has been furnished by the petitioner in compliance with § 32.1-262 unless the circuit court, for good cause shown, finds the information to be unavailable or unnecessary. No circuit court shall deny a petitioner a final order of adoption for the sole reason that the child was placed in the adoptive home by a person not authorized to make such placements pursuant to § 63.2-1200. An attested copy of every final order of adoption shall be forwarded, by the clerk of the circuit court in which it was entered, to the Commissioner and to the child-placing agency that placed the child or to the local director, in cases where the child was not placed by an agency.

§ 63.2-1214. Annual review of pending petitions for adoption; duty of Commissioner and circuit court clerk.

After the expiration of twelve months from the date of the entry of the last order upon a petition for adoption, except when the last order entered is a final order of adoption, it shall be the responsibility of the Commissioner to notify the clerk of the circuit court of all adoption cases that have been pending for a period of more than twelve months, and the clerk of the circuit court shall place on the docket all such cases for review by the circuit court as soon as practicable.

§ 63.2-1215. Legal effects of adoption.

The birth parents, and the parents by previous adoption, if any, except where a final order of adoption is entered pursuant to § 63.2-1241, and any other person whose interest in the child derives from or through such parent or previous adoptive parent, including but not limited to grandparents, stepparents, former stepparents, blood relatives and family members, other than any such parent who is the husband or wife of one of the petitioners, shall, by such final order of adoption, be divested of all legal rights and obligations in respect to the child including the right to petition any court for visitation with the child, but in all cases the child shall be free from all legal obligations of obedience and maintenance in respect to such persons. Any child adopted under the provisions of this chapter shall, from and after the entry of the interlocutory order or from and after the entry of the final order where no such interlocutory order is entered, be, to all intents and purposes, the child of the person or persons so adopting him, and, unless and until such interlocutory order or final order is subsequently revoked, shall be entitled to all the rights and privileges, and subject to all the obligations, of a child of such person or persons born in lawful wedlock. An adopted person is the child of an adopting parent, and as such, the adopting parent shall be entitled to testify in all cases civil and criminal, as if the adopted child was born of the adopting parent in lawful wedlock.

§ 63.2-1216. Final order not subject to attack after six months.

After the expiration of six months from the date of entry of any final order of adoption from which no appeal has been taken to the Court of Appeals, the validity thereof shall not be subject to attack in any proceedings, collateral or direct, for any reason, including but not limited to fraud, duress, failure to give any required notice, failure of any procedural requirement, or lack of jurisdiction over any person, and such order shall be final for all purposes.

§ 63.2-1217. Provision of false information; penalty.

Any person who knowingly and intentionally provides false information in writing and under oath, which is material to an adoptive placement shall be guilty of a Class 6 felony. The Commissioner is authorized to investigate such cases and may refer the case to the attorney for the Commonwealth for prosecution.

§ 63.2-1218. Certain exchange of property, advertisement, solicitation prohibited; penalty.

No person or child-placing agency shall charge, pay, give, or agree to give or accept any money, property, service or other thing of value in connection with a placement or adoption or any act undertaken pursuant to this chapter except (i) reasonable and customary services provided by a licensed or duly authorized child-placing agency and fees paid for such services; (ii) payment or reimbursement for medical expenses and insurance premiums that are directly related to the birth mother's pregnancy and hospitalization for the birth of the child who is the subject of the adoption proceedings, for mental health counseling received by the birth mother or birth father related to the adoption, and for expenses incurred for medical care for the child; (iii) payment or reimbursement for reasonable and necessary expenses for food, clothing, and shelter when, upon the written advice of her physician, the birth mother is unable to work or otherwise support herself due to medical reasons or complications associated with the pregnancy or birth of the child; (iv) payment or reimbursement for reasonable expenses incurred incidental to any required court appearance including, but not limited to, transportation, food and lodging; (v) usual and customary fees for legal services in adoption proceedings; and (vi) payment or reimbursement of reasonable expenses incurred for transportation in connection with any of the services

5453 specified in this section or intercountry placements as defined in § 63.2-100 and as necessary for
5454 compliance with state and federal law in such placements. No person shall advertise or solicit to
5455 perform any activity prohibited by this section. Any person violating the provisions of this section shall
5456 be guilty of a Class 6 felony. The Commissioner is authorized to investigate cases in which fees paid for
5457 legal services appear to be in excess of usual and customary fees in order to determine if there has
5458 been compliance with the provisions of this section.

5459 § 63.2-1219. Suspected violation of property exchange information.

5460 If the juvenile and domestic relations or circuit court or any participating licensed or duly
5461 authorized child-placing agency suspects that there has been a violation of § 63.2-1218 in connection
5462 with a placement or adoption, it shall report such findings to the Commissioner for investigation and
5463 appropriate action. If the Commissioner suspects that a person has violated § 63.2-1218, he shall report
5464 his findings to the appropriate attorney for the Commonwealth. If the Commissioner believes that such
5465 violation has occurred in the course of the practice of a profession or occupation licensed or regulated
5466 pursuant to Title 54.1, he shall also report such findings to the appropriate regulatory authority for
5467 investigation and appropriate disciplinary action.

5468 § 63.2-1220. Birth certificate.

5469 For the purpose of securing a new birth certificate for an adopted child, the procedures set forth in
5470 § 32.1-262 shall be followed.

5471 Article 2.

5472 Agency Adoptions.

5473 § 63.2-1221. Placement of children for adoption by agency or local board.

5474 A licensed child-placing agency or local board may place for adoption, and is empowered to consent
5475 to the adoption of, any child who is properly committed or entrusted to its care, in accordance with the
5476 provisions of §§ 63.2-900, 63.2-903, 63.2-1817 or this section, when the order of commitment or the
5477 entrustment agreement between the birth parent(s) and the agency or board provides for the termination
5478 of all parental rights and responsibilities with respect to the child for the purpose of placing and
5479 consenting to the adoption of such child.

5480 The entrustment agreement shall divest the birth parent(s) of all legal rights and obligations with
5481 respect to the child, and the child shall be free from all legal obligations of obedience and maintenance
5482 with respect to them, provided that such rights and obligations may be restored to the birth parent(s)
5483 and the child by circuit court order prior to the entry of a final order of adoption upon proof of fraud
5484 or duress.

5485 § 63.2-1222. Execution of entrustment agreement by birth parent(s); exceptions; notice and objection
5486 to entrustment; copy required to be furnished.

5487 For the purposes of this section, a birth parent who is less than eighteen years of age shall be
5488 deemed fully competent and shall have legal capacity to execute a valid entrustment agreement,
5489 including an agreement that provides for the termination of all parental rights and responsibilities, and
5490 shall be as fully bound thereby as if such birth parent had attained the age of eighteen years.

5491 An entrustment agreement for the termination of all parental rights and responsibilities with respect
5492 to the child shall be valid notwithstanding that it is not signed by the birth father of a child born out of
5493 wedlock if the identity of the birth father is not reasonably ascertainable, or if such birth father is given
5494 notice of the entrustment by registered or certified mail to his last known address and fails to object to
5495 the entrustment within twenty-one days of the mailing of such notice. Such objection shall be in writing,
5496 signed by the objecting party or counsel of record for the objecting party and shall be filed with the
5497 agency that mailed the notice of entrustment within the time period specified in § 63.2-1223. An affidavit
5498 of the birth mother that the identity of the birth father is not reasonably ascertainable shall be sufficient
5499 evidence of this fact, provided there is no other evidence that would refute such an affidavit. The
5500 absence of such an affidavit shall not be deemed evidence that the identity of the birth father is
5501 reasonably ascertainable. For purposes of determining whether the identity of the birth father is
5502 reasonably ascertainable, the standard of what is reasonable under the circumstances shall control,
5503 taking into account the relative interests of the child, the birth mother and the birth father.

5504 An entrustment agreement for the termination of all parental rights and responsibilities with respect
5505 to the child shall be valid notwithstanding that it is not signed by the birth father of a child when the
5506 birth father has been convicted of a violation of subsection A of § 18.2-61, § 18.2-63 or subsection B of
5507 § 18.2-366, and the child was conceived as a result of such violation.

5508 A copy of the entrustment agreement shall be furnished to all parties signing such agreement.

5509 § 63.2-1223. Revocation of entrustment agreement.

5510 A valid entrustment agreement terminating all parental rights and responsibilities to the child shall
5511 be revocable by either of the birth parents until (i) the child has reached the age of twenty-five days
5512 and (ii) fifteen days have elapsed from the date of execution of the agreement. In addition, a valid
5513 entrustment agreement shall be revocable by either of the birth parents if the child has not been placed
5514 in the home of adoptive parents at the time of such revocation. Revocation of an entrustment agreement

shall be in writing and signed by the revoking party. The written revocation shall be delivered to the child-placing agency or local board to which the child was originally entrusted. Delivery of the written revocation shall be made during the business day of the child-placing agency or local board to which the child was originally entrusted, in accordance with the applicable time period set out in this section. If the revocation period expires on a Saturday, Sunday, legal holiday or any day on which the agency or local board is officially closed, the revocation period shall be extended to the next day that is not a Saturday, Sunday, legal holiday or other day on which the agency or local board is officially closed. Upon revocation of the entrustment agreement, the child shall be returned to the parent revoking the agreement.

§ 63.2-1224. Counseling of birth parents required.

Prior to the placement of a child for adoption, the licensed child-placing agency or local board having custody of the child shall counsel the birth mother or, if reasonably available, both birth parents, concerning the disposition of their child.

§ 63.2-1225. Determination of appropriate home.

In determining the appropriate home in which to place a child for adoption, a married couple or an unmarried individual shall be eligible to receive placement of a child for purposes of adoption. In addition, the agency or board may consider the recommendations of a physician or attorney licensed in the Commonwealth, or a clergyman who is familiar with the situation of the prospective adoptive parents or the child. The physician, attorney or clergyman shall not charge any fee for recommending such a placement to a board or agency and shall not advertise that he is available to make such recommendations.

§ 63.2-1226. Parental placement sections apply if birth parents designate adoptive parents.

When a licensed child-placing agency or a local board accepts custody of a child for the purpose of placing the child with adoptive parents designated by the birth parents or a person other than a licensed child-placing agency or local board, the parental provisions of this chapter shall apply to such placement.

§ 63.2-1227. Filing of petition for agency adoption.

A petition for the adoption of a child placed in the home of the petitioners by a child-placing agency shall be filed in the name by which the child will be known after adoption, provided the name is followed by the registration number of the child's original birth certificate and the state or country in which the registration occurred unless it is verified by the registrar of vital statistics of the state or country of birth that such information is not available. The report of investigation required by § 63.2-1208 and, when applicable, the report required by § 63.2-1212 shall be identified with the child's name as it appears on the birth certificate, the birth registration number and the name by which the child is to be known after the final order of adoption is entered.

A single petition for adoption under the provisions of this section shall be sufficient for the concurrent adoption by the same petitioners of two or more children who have the same birth parent or parents, and nothing in this section shall be construed as having heretofore required a separate petition for each of such children.

§ 63.2-1228. Forwarding of petition.

Upon the filing of the petition, the circuit court shall forward a copy of the petition and all exhibits thereto to the Commissioner and to the agency that placed the child. In cases where the child was placed by an agency in another state, or by an agency, court, or other entity in another country, the petition and all exhibits shall be forwarded to the local director or licensed child-placing agency, whichever agency completed the home study or provided supervision. If no Virginia agency provided such services, the petition and all exhibits shall be forwarded to the local director of the locality where the petitioners reside or resided at the time of filing the petition, or had legal residence at the time of the filing of the petition.

§ 63.2-1229. Foster parent adoption.

When a foster parent who has a child placed in the foster parents' home by a licensed or duly authorized child-placing agency desires to adopt the child and (i) the child has resided in the home of such foster parent continuously for at least eighteen months and (ii) the birth parents' rights to the child have been terminated, the circuit court shall accept the petition filed by the foster parent and shall order a thorough investigation of the matter to be made pursuant to § 63.2-1208. The circuit court may refer the matter for investigation to a licensed or duly authorized child-placing agency other than the agency holding custody of the child. Upon completion of the investigation and report and filing of the consent of the agency holding custody of the child, or upon the finding contemplated by subsection C of § 63.2-1202, the circuit court may enter a final order of adoption waiving visitation requirements, if the circuit court determines that the adoption is in the best interests of the child.

Article 3.

Parental Placement Adoptions.

5576 § 63.2-1230. *Placement of children by parent or guardian.*

5577 The birth parent or legal guardian of a child may place his child for adoption directly with the
5578 adoptive parents of his choice. Consent to the proposed adoption shall be executed upon compliance
5579 with the provisions of this chapter before a juvenile and domestic relations district court or, if the birth
5580 parent or legal guardian does not reside in Virginia, before a court having jurisdiction over child
5581 custody matters in the jurisdiction where the birth parent or legal guardian resides when requested by a
5582 juvenile and domestic relations district court of this Commonwealth, pursuant to § 20-146.11. Consent
5583 proceedings shall be advanced on the juvenile and domestic relations district court docket so as to be
5584 heard by the court within ten days of filing of the petition, or as soon thereafter as practicable so as to
5585 provide the earliest possible disposition.

5586 § 63.2-1231. *Home study; simultaneous meeting required; exception.*

5587 Prior to the consent hearing in the juvenile and domestic relations district court, a home study of the
5588 adoptive parent(s) shall be completed by a licensed or duly authorized child placing agency in
5589 accordance with regulations adopted by the Board. The home study shall make inquiry as to (i) whether
5590 the prospective adoptive parents are financially able, morally suitable, and in satisfactory physical and
5591 mental health to enable them to care for the child; (ii) the physical and mental condition of the child, if
5592 known; (iii) the circumstances under which the child came to live, or will be living, in the home of the
5593 prospective adoptive family, as applicable; (iv) what fees have been paid by the prospective adoptive
5594 family or in their behalf in the placement and adoption of the child; (v) whether the requirements of
5595 subdivisions A. 1., A. 2., A. 3. and A. 5. of § 63.2-1232 have been met; and (vi) any other matters
5596 specified by the circuit court. In the course of the home study, the agency social worker shall meet at
5597 least once with the birth parent(s) and prospective adoptive parents simultaneously. When the child has
5598 been placed with prospective adoptive parents who are related to the child as specified in subdivision 6
5599 of §63.2-1233, this meeting is not required.

5600 § 63.2-1232. *Requirements of a parental placement adoption.*

5601 A. The juvenile and domestic relations district court shall not accept consent until it determines that:

5602 1. The birth parent(s) are aware of alternatives to adoption, adoption procedures, and opportunities
5603 for placement with other adoptive families, and that the birth parents' consent is informed and
5604 uncoerced.

5605 2. A licensed or duly authorized child-placing agency has counseled the prospective adoptive parents
5606 with regard to alternatives to adoption, adoption procedures, including the need to address the parental
5607 rights of birth parents, the procedures for terminating such rights, and opportunities for adoption of
5608 other children; that the prospective adoptive parents' decision is informed and uncoerced; and that they
5609 intend to file an adoption petition and proceed toward a final order of adoption.

5610 3. The birth parent(s) and adoptive parents have exchanged identifying information including but not
5611 limited to full names, addresses, physical, mental, social and psychological information and any other
5612 information necessary to promote the welfare of the child.

5613 4. Any financial agreement or exchange of property among the parties and any fees charged or paid
5614 for services related to the placement or adoption of the child have been disclosed to the court and that
5615 all parties understand that no binding contract regarding placement or adoption of the child exists.

5616 5. There has been no violation of the provisions of § 63.2-1218 in connection with the placement;
5617 however, if it appears there has been such violation, the court shall not reject consent of the birth
5618 parent to the adoption for that reason alone but shall report the alleged violation as required by
5619 § 63.2-1219.

5620 6. A licensed or duly authorized child-placing agency has conducted a home study of the prospective
5621 adoptive home in accordance with regulations established by the Board and has provided to the court a
5622 report of such home study, which shall contain the agency's recommendation regarding the suitability of
5623 the placement. A married couple or an unmarried individual shall be eligible to receive placement of a
5624 child for adoption.

5625 7. The birth parent(s) have been informed of their opportunity to be represented by legal counsel.

5626 B. The juvenile and domestic relations district court shall not accept the consent if the requirements
5627 of subsection A have not been met. In such cases, it shall refer the birth parent to a licensed or duly
5628 authorized child-placing agency for investigation and recommendation in accordance with §§ 63.2-1208
5629 and 63.2-1238. If the juvenile and domestic relations district court determines that any of the parties is
5630 financially unable to obtain the required services, it shall refer the matter to the local director.

5631 § 63.2-1233. *Consent to be executed in juvenile and domestic relations district court; exceptions.*

5632 When the juvenile and domestic relations district court is satisfied that all requirements of
5633 § 63.2-1232 have been met with respect to at least one birth parent and the adoptive child is at least
5634 ten days old, that birth parent or both birth parents, as the case may be, shall execute consent to the
5635 proposed adoption in compliance with the provisions of § 63.2-1202 while before the juvenile and
5636 domestic relations district court in person and in the presence of the prospective adoptive parents. The
5637 juvenile and domestic relations district court shall accept the consent of the birth parent(s) and transfer

custody of the child to the prospective adoptive parents, pending notification to any nonconsenting birth parent, as described hereinafter.

1. a. The execution of consent before the juvenile and domestic relations district court shall not be required of a birth father who is not married to the mother of the child at the time of the child's conception or birth if (i) the birth father consents under oath and in writing to the adoption; (ii) the birth mother swears under oath and in writing that the identity of the birth father is not reasonably ascertainable; (iii) the identity of the birth father is ascertainable and his whereabouts are known, he is given notice of the proceedings by registered or certified mail to his last known address and he fails to object to the proceeding within twenty-one days of the mailing of such notice. Such objection shall be in writing, signed by the objecting party or counsel of record for the objecting party and shall be filed with the clerk of the juvenile and domestic relations district court in which the petition was filed during the business day of the court, within the time period specified in this section. Failure of the objecting party to appear at the consent hearing, either in person or by counsel, shall constitute a waiver of such objection; or (iv) the putative birth father named by the birth mother denies under oath and in writing paternity of the child. An affidavit of the birth mother that the identity of the birth father is not reasonably ascertainable shall be sufficient evidence of this fact, provided there is no other evidence before the juvenile and domestic relations district court that would refute such an affidavit. The absence of such an affidavit shall not be deemed evidence that the identity of the birth father is reasonably ascertainable. For purposes of determining whether the identity of the birth father is reasonably ascertainable, the standard of what is reasonable under the circumstances shall control, taking into account the relative interests of the child, the birth mother and the birth father.

b. The juvenile and domestic relations district court may accept the written consent of the birth father who is not married to the birth mother of the child at the time of the child's conception or birth, provided that the identifying information required in § 63.2-1232 is filed in writing with the juvenile and domestic relations district court of jurisdiction. Such consent shall be executed after the birth of the child, shall advise the birth father of his opportunity for legal representation, and shall be presented to the juvenile and domestic relations district court for acceptance. The consent may waive further notice of the adoption proceedings and shall contain the name, address and telephone number of the birth father's legal counsel or an acknowledgment that he was informed of his opportunity to be represented by legal counsel and declined such representation.

c. In the event that the birth mother's consent is not executed in the juvenile and domestic relations district court, the consent of the birth father who is not married to the birth mother of the child shall be executed in the juvenile and domestic relations district court.

d. A child born to a married birth mother shall be presumed to be the child of her husband and his consent shall be required. This presumption may be rebutted by sufficient evidence, satisfactory to the juvenile and domestic relations district court, which would establish by a preponderance of the evidence the paternity of another man or the impossibility or improbability of cohabitation of the birth mother and her husband for a period of at least 300 days preceding the birth of the child, in which case the husband's consent shall not be required.

2. A birth parent whose consent is required as set forth in § 63.2-1202, whose identity is known and who neither consents before the juvenile and domestic relations district court as described above, nor executes a written consent to the adoption or a denial of paternity out of court as provided above, shall be given notice, including the date and location of the hearing, of the proceedings pending before the juvenile and domestic relations district court and be given the opportunity to appear before the juvenile and domestic relations district court. Such hearing may occur subsequent to the proceeding wherein the consenting birth parent appeared but may not be held until twenty-one days after personal service of notice on the nonconsenting birth parent, or if personal service is unobtainable, ten days after the completion of the execution of an order of publication against such birth parent. The juvenile and domestic relations district court may appoint counsel for the birth parent(s). If the juvenile and domestic relations district court finds that consent is withheld contrary to the best interests of the child, as set forth in § 63.2-1205, or is unobtainable, it may grant the petition without such consent and enter an order waiving the requirement of consent of the nonconsenting birth parent and transferring custody of the child to the prospective adoptive parents, which order shall become effective fifteen days thereafter. If the juvenile and domestic relations district court denies the petition, the juvenile and domestic relations district court shall order that any consent given for the purpose of such placement shall be void and, if necessary, the court shall determine custody of the child as between the birth parents.

3. Except as provided in subdivision 4, if consent cannot be obtained from at least one birth parent, the juvenile and domestic relations district court shall deny the petition and determine custody of the child pursuant to § 16.1-278.2.

4. If the child was placed by the birth parent(s) with the prospective adoptive parents and if both birth parents have failed, without good cause, to appear at a hearing to execute consent under this

5699 section for which they were given proper notice pursuant to § 16.1-264, the juvenile and domestic
5700 relations district court may grant the petition without the consent of either birth parent and enter an
5701 order waiving consent and transferring custody of the child to the prospective adoptive parents, which
5702 order shall become effective fifteen days thereafter. Prior to the entry of such an order, the juvenile and
5703 domestic relations district court may appoint legal counsel for the birth parents and shall find by clear
5704 and convincing evidence (i) that the birth parents were given proper notice of the hearing(s) to execute
5705 consent and of the hearing to proceed without their consent; (ii) that the birth parents failed to show
5706 good cause for their failure to appear at such hearing(s); and (iii) that pursuant to § 63.2-1205, the
5707 consent of the birth parents is withheld contrary to the best interests of the child or is unobtainable.

5708 5. If both birth parents are deceased, the juvenile and domestic relations district court, after hearing
5709 evidence to that effect, may grant the petition without the filing of any consent.

5710 6. When a child has been placed by the birth parent(s) with prospective adoptive parents who are
5711 the child's grandparents, adult brother or sister, adult uncle or aunt or adult great uncle or great aunt,
5712 consent does not have to be executed in the juvenile and domestic relations district court in the presence
5713 of the prospective adoptive parents. The juvenile and domestic relations district court may accept written
5714 consent that has been signed and acknowledged before an officer authorized by law to take
5715 acknowledgments. No hearing shall be required for the court's acceptance of such consent.

5716 When such child has resided in the home of the prospective adoptive parent(s) continuously for three
5717 or more years, this section shall not apply, and consent shall be executed in accordance with subsection
5718 E of § 63.2-1202.

5719 7. No consent shall be required from the birth father of a child placed pursuant to this section when
5720 such father is convicted of a violation of subsection A of § 18.2-61, § 18.2-63 or subsection B of
5721 § 18.2-366, and the child was conceived as a result of such violation, nor shall the birth father be
5722 entitled to notice of any of the proceedings under this section.

5723 8. The juvenile and domestic relations district court shall review each order entered under this
5724 section at least annually until such time as the final order of adoption is entered.

5725 § 63.2-1234. When consent is revocable.

5726 Consent shall be revocable as follows:

5727 1. By either consenting birth parent for any reason for up to fifteen days from its execution.

5728 a. Such revocation shall be in writing, signed by the revoking party or counsel of record for the
5729 revoking party and shall be filed with the clerk of the juvenile and domestic relations district court in
5730 which the petition was filed during the business day of the juvenile and domestic relations district court,
5731 within the time period specified in this section. If the revocation period expires on a Saturday, Sunday,
5732 legal holiday or any day on which the clerk's office is closed as authorized by statute, the revocation
5733 period shall be extended to the next day that is not a Saturday, Sunday, legal holiday or other day on
5734 which the clerk's office is closed as authorized by statute.

5735 b. Upon the filing of a valid revocation within the time period set out in this section, the juvenile
5736 and domestic relations district court shall order that any consent given for the purpose of such
5737 placement is void and, if necessary, the juvenile and domestic relations district court shall determine
5738 custody of the child as between the birth parents.

5739 2. By any party prior to the final order of adoption (i) upon proof of fraud or duress or (ii) after
5740 placement of the child in an adoptive home, upon written, mutual consent of the birth parents and
5741 prospective adoptive parents.

5742 § 63.2-1235. Adoptive home not in child's best interests.

5743 If the juvenile and domestic relations district court determines from the information provided to it
5744 that placement in the prospective adoptive home will be contrary to the best interests of the child, it
5745 shall so inform the birth parents. If the birth parents choose not to retain custody of the child nor to
5746 designate other prospective adoptive parents, or if the birth parents' whereabouts are not reasonably
5747 ascertainable, the juvenile and domestic relations district court shall determine custody of the child.

5748 § 63.2-1236. Duty of Department to disseminate information.

5749 The Department shall develop and disseminate information to the public regarding the provisions of
5750 parental placement adoptions, including the desirability of initiating the procedures required by
5751 § 63.2-1232 as early in the placement and adoption process as possible to ensure that birth parents are
5752 aware of the provisions of this law and begin required procedures in a timely manner.

5753 § 63.2-1237. Petition for parental placement adoption; jurisdiction, contents.

5754 Proceedings for the parental placement adoption of a minor child and for a change of name of such
5755 child shall be instituted only by petition to the circuit court in the county or city in which the petitioner
5756 resides. Such petition may be filed by any natural person who resides in the Commonwealth for leave to
5757 adopt a minor child not legally his by birth and, if it is so desired by the petitioner, also to change the
5758 name of such child. In the case of married persons, the petition shall be the joint petition of the
5759 husband and wife but, in the event the child to be adopted is legally the child by birth or adoption of
5760 one of the petitioners, such petitioner shall unite in the petition for the purpose of indicating his or her

consent to the prayer thereof only. The petition shall contain a full disclosure of the circumstances under which the child came to live, and is living, in the home of the petitioner. Each petition for adoption shall be signed by the petitioner as well as by counsel of record, if any. In any case in which the petition seeks the entry of an adoption order without referral for investigation, the petition shall be under oath.

The petition shall state that the findings required by § 63.2-1232 have been made and shall be accompanied by appropriate documentation supporting such statement, to include copies of documents executing consent and transferring custody of the child to the prospective adoptive parents, and a copy of the report required by § 63.2-1231. The court shall not waive any of the requirements of this paragraph nor any of the requirements of § 63.2-1232.

A single petition for adoption under the provisions of this section shall be sufficient for the concurrent adoption by the same petitioners of two or more children who have the same birth parent or parents; and nothing in this section shall be construed as having heretofore required a separate petition for each of such children.

§ 63.2-1238. Forwarding of petition; when investigation and report not required.

A. Upon the filing of the petition, the circuit court shall forward a copy of the petition and all exhibits thereto to the Commissioner and to the local director where the petitioners reside or resided at the time of filing the petition, or had legal residence at the time of the filing of the petition. However, in cases where a licensed child-placing agency has completed a home study, the petition and all exhibits shall be forwarded to the licensed child-placing agency.

B. In parental placement adoptions where consent has been properly executed, no investigation and report pursuant to § 63.2-1208 is required. However, the circuit court may order a thorough investigation of the matter and report in which case the provisions of § 63.2-1208 shall apply.

§ 63.2-1239. Return of copies furnished to counsel.

Any copy of the report required by § 63.2-1208 to be furnished to counsel of record representing the adopting parent or parents shall, upon the entry of a final order of adoption, or other final disposition of the matter, be returned by such counsel, without having been duplicated, to the clerk of the circuit court in which final disposition of the matter is had, to be disposed of as is required by § 63.2-1246 for the return of the original report.

§ 63.2-1240. Court issuing order deemed sending agency under Interstate Compact on Placement of Children.

When a petitioner moves outside the Commonwealth after the entry of an interlocutory order of adoption but prior to the entry of a final order of adoption and the child was not placed by a child-placing agency, the circuit court issuing the interlocutory order shall be deemed the sending agency for the purposes of the Interstate Compact on the Placement of Children authorized pursuant to the provisions of § 63.2-1000.

Article 4.

Stepparent Adoption.

§ 63.2-1241. Adoption of child by new spouse of birth or adoptive parent.

A. When the spouse of a birth parent of a child born in wedlock or the spouse of a parent by adoption of the child has died, and the surviving birth parent or parent by adoption marries again and the new spouse desires to adopt the child, on a petition filed by the surviving birth parent or parent by adoption and new spouse for the adoption and change of name of the child, the circuit court may proceed to order the proposed adoption or change of name without referring the matter to the local director.

B. When a birth parent of a legitimate infant or a parent by adoption is divorced and marries again and the birth parent or parent by adoption desires the new spouse to adopt the child, on a petition filed by the birth parent or parent by adoption and the new spouse for the adoption and change of name of the child, the circuit court may proceed to order the proposed adoption or change of name without referring the matter to the local director if the other birth parent or parent by adoption consents in writing to the adoption or change of name or if the other birth parent or parent by adoption is deceased.

C. When the custodial birth parent of a child born to parents who were not married to each other at the time of the child's conception or birth marries and the new spouse of such custodial birth parent desires to adopt such child, on a petition filed by the custodial birth parent and spouse for the adoption and change of name of the child, the circuit court may proceed to order the proposed adoption and change of name without referring the matter to the local director if (i) the noncustodial birth parent consents, under oath, in writing to the adoption, or (ii) the mother swears, under oath, in writing, that the identity of the father is not reasonably ascertainable, or (iii) the putative father named by the mother denies paternity of the child, or (iv) the child is fourteen years of age or older and has lived in the home of the person desiring to adopt the child for at least five years, or (v) the noncustodial birth

5881 *circuit court in which it was entered shall forthwith transmit to the Commissioner all reports made in*

and E of § 63.2-1247, nonidentifying information from such adoption file shall not be open to inspection, or be copied, by anyone other than the adopted person, if eighteen years of age or over, or licensed or authorized child-placing agencies providing services to the child or the adoptive parents, except upon the order of a circuit court entered upon good cause shown. However, if the adoptive parents, or either of them, is living, the adopted person shall not be permitted to inspect the home study of the adoptive parents unless the Commissioner first obtains written permission to do so from such adoptive parent or parents.

No identifying information from such adoption file shall be disclosed, open to inspection or made available to be copied except as provided in subsections A, B and E of § 63.2-1247 or upon application of the adopted person, if eighteen years of age or over, to the Commissioner, who shall designate the person or agency that made the investigation to attempt to locate and advise the birth family of the application. The designated person or agency shall report the results of the attempt to locate and advise the birth family to the Commissioner, including the relative effects that disclosure of the identifying information may have on the adopted person, the adoptive parents, and the birth family. The adopted person and the birth family may submit to the Commissioner, and the Commissioner shall consider, written comments stating the anticipated effect that the disclosure of identifying information may have upon any party. Upon a showing of good cause, the Commissioner shall disclose the identifying information. If the Commissioner fails to designate a person or agency to attempt to locate the birth family within thirty days of receipt of the application, or if the Commissioner denies disclosure of the identifying information after receiving the designated person's or agency's report, the adopted person may apply to the circuit court for an order to disclose such information. Such order shall be entered only upon good cause shown after notice to and opportunity for hearing by the applicant for such order and the person or agency that made the investigation. "Good cause" when used in this section shall mean a showing of a compelling and necessitous need for the identifying information.

An eligible adoptee who is a resident of Virginia may apply for the court order provided for herein to (i) the circuit court of the county or city where the adoptee resides or (ii) the circuit court of the county or city where the central office of the Department is located. An eligible adoptee who is not a resident of Virginia shall apply for such a court order to the circuit court of the county or city where the central office of the Department is located.

If the identity and whereabouts of the adoptive parents and the birth parents are known to the person or agency, the circuit court may require the person or agency to advise the adoptive parents and the birth parents of the pendency of the application for such order. In determining good cause for the disclosure of such information, the circuit court shall consider the relative effects of such action upon the adopted person, the adoptive parents and the birth parents. The adopted person and the birth family may submit to the circuit court, and the circuit court shall consider, written comments stating the anticipated effect that the disclosure of identifying information may have upon any party.

When consent of the birth parents is not obtainable, due to the death of the birth parents or mental incapacity of the birth parents, the circuit court may release identifying information to the adult adopted person. In making this decision, the circuit court shall consider the needs and concerns of the adopted person and the birth family if such information is available, the actions the agency took to locate the birth family, the information in the agency's report and the recommendation of the agency.

The Commissioner, person or agency may charge a reasonable fee to cover the costs of processing requests for nonidentifying information.

Upon entry of a final order of adoption or other final disposition of a matter involving the placement of a child by a licensed child-placing agency or a local board or an investigation by the local director of a placement for adoption of a child, the agency or local board shall transmit to the Commissioner all reports and collateral information in connection with the case, which shall be preserved by the Commissioner in accordance with this section.

§ 63.2-1247. Disclosure to birth family; adoptive parents; medical, etc., information; exchange of information; open records in parental placement adoptions.

A. Where the adoption is finalized on or after July 1, 1994, and the adopted person is twenty-one years of age or over, the adopted person's birth parents and adult birth siblings may apply to the Commissioner for the disclosure of identifying information from the adoption file. The Commissioner shall designate the person or agency that made the investigation to attempt to locate and advise the adopted person of the application. The designated person or agency shall report the results of the attempt to locate and advise the adopted person to the Commissioner, including the relative effects that disclosure of the identifying information may have on the adopted person, the adoptive parents, and the birth family. The adopted person and the birth family may submit to the Commissioner, and the Commissioner shall consider, written comments stating the anticipated effect that the disclosure of identifying information may have upon any party. Upon a showing of good cause, the Commissioner shall disclose the identifying information. If the Commissioner fails to designate a person or agency to

5945 attempt to locate the adopted person within thirty days of receipt of the application, or if the
5946 Commissioner denies disclosure of the identifying information after receiving the designated person's or
5947 agency's report, the birth parents or adult birth siblings, whoever applied, may apply to the circuit court
5948 for an order to disclose such information. Such order shall be entered only upon good cause shown
5949 after notice to and opportunity for hearing by the applicant for such order and the person or agency
5950 that made the investigation. "Good cause" when used in this section shall mean a showing of a
5951 compelling and necessitous need for the identifying information.

5952 A birth parent or adult birth sibling who is a resident of Virginia may apply for the court order
5953 provided for herein to (i) the circuit court of the county or city where the birth parent or adult birth
5954 sibling resides or (ii) the circuit court of the county or city where the central office of the Department is
5955 located. A birth parent or adult birth sibling who is not a resident of Virginia shall apply for such a
5956 court order to the circuit court of the county or city where the central office of the Department is
5957 located.

5958 If the identity and whereabouts of the adopted person and adoptive parents are known to the person
5959 or agency, the circuit court may require the person or agency to advise the adopted person and
5960 adoptive parents of the pendency of the application for such order. In determining good cause for the
5961 disclosure of such information, the circuit court shall consider the relative effects of such action upon
5962 the adopted person, the adoptive parents and the birth family. The adopted person and the birth family
5963 may submit to the circuit court, and the circuit court shall consider, written comments stating the
5964 anticipated effect that the disclosure of identifying information may have upon any party.

5965 When consent of the adopted person is not obtainable, due to the death or mental incapacity of the
5966 adopted person, the circuit court may release identifying information to the birth parents or adult birth
5967 siblings. In making this decision, the circuit court shall consider the needs and concerns of the birth
5968 parents or adult birth siblings and the adoptive family if such information is available, the actions the
5969 agency took to locate the adopted person, the information in the agency's report and the
5970 recommendation of the agency.

5971 B. Where the adoption is finalized on or after July 1, 1994, and the adopted person is under
5972 eighteen years of age, the adoptive parents or other legal custodian of the child may apply to the
5973 Commissioner for the disclosure of identifying information about the birth family. The Commissioner
5974 shall designate the person or agency that made the investigation to attempt to locate and advise the
5975 birth family of the application. The designated person or agency shall report the results of the attempt
5976 to locate and advise the birth family to the Commissioner, including the relative effects that disclosure
5977 of the identifying information may have on the adopted person, the adoptive parents or other legal
5978 custodian, and the birth family. The adoptive parents, legal custodian and birth family may submit to
5979 the Commissioner, and the Commissioner shall consider, written comments stating the anticipated effect
5980 that the disclosure of identifying information may have upon any party. Upon a showing of good cause,
5981 the Commissioner shall disclose the identifying information. If the Commissioner fails to designate a
5982 person or agency to attempt to locate the birth family within thirty days of receipt of the application, or
5983 if the Commissioner denies disclosure of the identifying information after receiving the designated
5984 person's or agency's report, the adoptive parents or legal custodian, whoever applied, may apply to the
5985 circuit court for an order to disclose such information. Such order shall be entered only upon good
5986 cause shown after notice to and opportunity for hearing by the applicant for such order and the person
5987 or agency that made the investigation. "Good cause" when used in this section shall mean a showing of
5988 a compelling and necessitous need for the identifying information.

5989 An adoptive parent or legal custodian who is a resident of Virginia may apply for the court order
5990 provided for herein to (i) the circuit court of the county or city where the adoptive parent or legal
5991 custodian resides or (ii) the circuit court of the county or city where the central office of the
5992 Department is located. An adoptive parent or legal custodian who is not a resident of Virginia shall
5993 apply for such a court order to the circuit court of the county or city where the central office of the
5994 Department is located.

5995 If the identity and whereabouts of the birth parents are known to the person or agency, the circuit
5996 court may require the person or agency to advise the birth parents of the pendency of the application
5997 for such order. In determining good cause for the disclosure of such information, the circuit court shall
5998 consider the relative effects of such action upon the adopted person, the adoptive parents or legal
5999 custodian and the birth parents. The birth family may submit to the circuit court, and the circuit court
6000 shall consider, written comments stating the anticipated effect that the disclosure of identifying
6001 information may have upon any party.

6002 When consent of the birth family is not obtainable, due to the death of the birth parents or mental
6003 incapacity of the birth parents, the circuit court may release identifying information to the adoptive
6004 parents or legal custodian. In making this decision, the circuit court shall consider the needs and
6005 concerns of the adoptive parents or legal custodian and the birth family if such information is available,
6006 the actions the agency took to locate the birth family, the information in the agency's report and the

recommendation of the agency.

C. In any case where a physician or licensed mental health provider submits a written statement, in response to a request from the adult adoptee, adoptive parent, birth parent or adult birth siblings, indicating that it is critical that medical, psychological or genetic information be conveyed, and states clearly the reasons why this is necessary, the agency that made the investigation shall make an attempt to inform the adult adoptee, adoptive parents, birth parents or adult birth siblings, whichever is applicable, of the information. The Commissioner shall provide information from the adoption record to the searching agency if necessary to facilitate the search. Confidentiality of all parties shall be maintained by the agency.

D. In cases where at least one of the adoptive parents and one of the birth parents agree in writing to allow the agency involved in the adoption to exchange nonidentifying information and pictures, the agency may exchange this information with such adoptive parents and birth parents when the whereabouts of the adoptive parents and birth parents is known or readily accessible. Such agreement must be entered into or withdrawn by either party at any time or may be withdrawn by the adult adoptee.

E. In parental placement adoptions, where the consent to the adoption was executed on or after July 1, 1994, the entire adoption record shall be open to the adoptive parents, the adoptee who is eighteen years of age or older, and a birth parent who executed a written consent to the adoption.

§ 63.2-1248. Fees for home studies, investigations, visitations and reports.

Notwithstanding the provisions of § 17.1-275, the circuit court with jurisdiction over any adoption matter, or the person, agency, or child-placing agency that attempts to locate the birth family pursuant to § 63.2-1246 or subsection B of § 63.2-1247, or that attempts to locate the adult adoptee pursuant to subsection A of § 63.2-1247, shall assess a fee against the petitioner, or applicant and, in the case of local departments, shall assess such fee in accordance with regulations and fee schedules established by the Board, for home studies, investigations, visits and reports provided by the appropriate local department, person, or agency pursuant to §§ 20-160, 63.2-1208 63.2-1212, 63.2-1231, 63.2-1238, or § 63.2-1246. The Board shall adopt regulations and fee schedules, which shall include (i) standards for determining the petitioner's or applicant's ability to pay and (ii) a scale of fees based on the petitioner's or applicant's income and family size and the actual cost of the services provided. The fee charged shall not exceed the actual cost of the service. The fee shall be paid to the appropriate local department, person, or agency and a receipt therefor shall be provided to the circuit court, or to the Commissioner if pursuant to § 63.2-1246 or § 63.2-1247, prior to the acceptance of parental consent, entry of any final order, or release of identifying information by the Commissioner, and no court shall accept parental consent or enter any final order and the Commissioner shall not release any identifying information until proof of payment of such fees has been received.

CHAPTER 13.

ADOPTION ASSISTANCE FOR CHILDREN WITH SPECIAL NEEDS.

§ 63.2-1300. Purpose and intent of adoption assistance.

The purpose of adoption assistance is to facilitate adoptive placements and ensure permanency for children with special needs . Adoption assistance includes subsidy payments made pursuant to requirements set forth in this chapter. A child with special needs is any child (i) in the custody of a local board that has the authority to place the child for adoption and consent thereto in accordance with the provisions of §§ 63.2-900, 63.2-903 and 63.2-1105 or (ii) in the custody of a licensed child-placing agency, for whom it has been determined that it is unlikely that the child will be adopted within a reasonable period of time due to one or more factors including, but not limited to:

1. Physical, mental or emotional condition existing prior to adoption;
2. Hereditary tendency, congenital problem or birth injury leading to substantial risk of future disability; or

3. Individual circumstances of the child related to age, racial or ethnic background or close relationship with one or more siblings.

Child with special needs shall also include a child for whom the factors set out in subdivision 1 or 2 are present at the time of adoption but are not diagnosed until after the final order of adoption is entered and no more than one year has elapsed.

§ 63.2-1301. Subsidy payments; when adoptive parents, etc., eligible.

Subsidy payments shall be made to the adoptive parents and other persons on behalf of a child in the custody of the local board or in the custody of a licensed child-placing agency and placed for adoption, pursuant to this chapter, if it is determined that:

- (1) The child is a child with special needs; and
- (2) The adoptive parents are capable of providing the permanent family relationships needed by the child in all respects except financial.

Such subsidy payments shall be made, however, only after a reasonable but unsuccessful effort has

6068 *been made to place the child with appropriate adoptive parents without the provision of adoption*
6069 *assistance pursuant to this chapter except in cases where the child has developed significant emotional*
6070 *ties with the prospective adoptive parents while in the care of such parents as a foster child.*

6071 *§ 63.2-1302. Subsidy payments; maintenance; special needs; payment agreements; continuation of*
6072 *payments when adoptive parents move to another jurisdiction; funds.*

6073 *A. Subsidy payments shall include:*

6074 *1. A maintenance subsidy that shall be payable monthly to provide for the support and care of the*
6075 *child; however, the maintenance subsidy shall not exceed the maximum regular foster care payment that*
6076 *would otherwise be made for the child; and*

6077 *2. A special need subsidy to provide special services to the child that the adoptive parents cannot*
6078 *afford and that are not covered by insurance or otherwise, including, but not limited to:*

6079 *a. Medical, surgical and dental care;*

6080 *b. Hospitalization;*

6081 *c. Legal services in effecting adoption;*

6082 *d. Individual remedial educational services;*

6083 *e. Psychological and psychiatric treatment;*

6084 *f. Speech and physical therapy;*

6085 *g. Special services, equipment, treatment and training for physical and mental handicaps; and*

6086 *h. Cost of adoptive home study and placement by a child-placing agency other than the local board.*

6087 *Special need subsidies may be paid to the vendor of the goods or services directly or through the*
6088 *adoptive parents.*

6089 *Subsidy payments shall cease when the child with special needs reaches the age of eighteen years. If*
6090 *it is determined that the child has a mental or physical handicap, or an educational delay resulting from*
6091 *such handicap, warranting the continuation of assistance, subsidy payments may be made until the child*
6092 *reaches the age of twenty-one years.*

6093 *B. Maintenance subsidy payments and special need subsidy payments shall be made on the basis of*
6094 *an adoption assistance agreement entered into by the local board and the adoptive parents or, in cases*
6095 *in which the child is in the custody of a licensed child-placing agency, an agreement between the local*
6096 *board, the licensed child-placing agency and the adoptive parents.*

6097 *Prior to entering into an adoption assistance agreement, the local board or licensed child-placing*
6098 *agency shall ensure that adoptive parents have received information about their child's eligibility for*
6099 *subsidy; about their child's special needs and, to the extent possible, the current and potential impact of*
6100 *those special needs. The local board or licensed child-placing agency shall also ensure that adoptive*
6101 *parents receive information about the process for appeal in the event of a disagreement between the*
6102 *adoptive parent and the local board or the adoptive parent and the child-placing agency and*
6103 *information about the procedures for revising the adoption assistance agreement.*

6104 *Adoptive parents shall submit annually to the local board within thirty days of the anniversary date*
6105 *of the approved agreement an affidavit which certifies that (i) the child on whose behalf they are*
6106 *receiving subsidy payments remains in their care, (ii) the child's condition requiring subsidy continues to*
6107 *exist, and (iii) whether or not changes to the adoption assistance agreement are requested. Failure to*
6108 *provide this information may be grounds for suspension of the subsidy payment until such time as the*
6109 *information is provided.*

6110 *Maintenance subsidy payments made pursuant to this section shall not be reduced unless the*
6111 *circumstances of the child or adoptive parents have changed significantly in relation to the terms of the*
6112 *subsidy agreement.*

6113 *C. Responsibility for subsidy payments for a child placed for adoption shall be continued by the*
6114 *local board that initiated the agreement in the event that the adoptive parents live in or move to another*
6115 *jurisdiction, provided that the adoptive parents meet the conditions of the agreement and provided that*
6116 *an agreement can be made with the appropriate agency of the locality within or without the*

6129

UNIFORM ACT ON ADOPTION AND MEDICAL ASSISTANCE.

§ 63.2-1400. Findings and purposes.

A. The legislature finds that locating adoptive families for children for whom state assistance is desirable pursuant to the Virginia State Adoption Assistance Law, and ensuring the protection of the interests of the children affected during the entire assistance period, require special measures when the adoptive parents move to other states or are residents of another state. Provision of medical and other necessary services for children, with state assistance, encounters special difficulties when the provision of services takes place in other states.

B. The purposes of this Act are to authorize the Governor to enter into interstate agreements with agencies of other states for the protection of children on behalf of whom adoption assistance is being provided by the Department and to provide procedures for interstate children's adoption assistance payments, including medical payments.

§ 63.2-1401. Compacts authorized.

The Governor is authorized to develop, participate in the development of, negotiate and enter into one or more interstate compacts on behalf of this Commonwealth with other states to implement one or more of the purposes set forth in this chapter. When so entered into, and for so long as it remains in force, the compact shall have the force and effect of law.

§ 63.2-1402. Definitions.

For the purposes of this chapter:

"Adoption assistance state" means the state that is signatory to an adoption assistance agreement in a particular case.

"Residence state" means the state of which the child is a resident by virtue of the residence of the adoptive parents.

"State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands, or a territory or possession of or administered by the United States.

§ 63.2-1403. Contents of compacts.

A. A compact entered into pursuant to the authority conferred by this chapter shall have the following content:

1. A provision making it available for joinder by all states.

2. A provision or provisions for withdrawal from the compact upon written notice to the parties, but with a period of one year between the date of the notice and the effective date of the withdrawal.

3. A requirement that the protections afforded by or pursuant to the compact continue in force for the duration of the adoption assistance and be applicable to all children and their adoptive parents who, on the effective date of the withdrawal, are receiving adoption assistance from a party state other than the one in which they are resident and have their principal place of abode.

4. A requirement that each instance of adoption assistance to which the compact applies be covered by an adoption assistance agreement in writing between the adoptive parents and the child welfare agency of the state which undertakes to provide the adoption assistance, and further, that any such agreement be expressly for the benefit of the adopted child and enforceable by the adoptive parents and the state agency providing the adoption assistance.

5. Such other provisions as may be appropriate to implement the proper administration of the compact.

B. A compact entered into pursuant to the authority conferred by this chapter may contain the following provisions in addition to those required pursuant to subsection A:

1. Provisions establishing procedures and entitlements to medical, developmental, child care or other social services for the child in accordance with applicable laws, even though the child and the adoptive parents are in a state other than the one responsible for or providing the services or the funds to defray part or all of the costs thereof.

2. Such other provisions as may be appropriate or incidental to the proper administration of the compact.

§ 63.2-1404. Medical assistance.

A. A child with special needs resident in this Commonwealth who is the subject of an adoption assistance agreement with another state shall be entitled to receive a medical assistance identification from this Commonwealth upon the filing in the Department of a certified copy of the adoption assistance agreement obtained from the adoption assistance state. In accordance with regulations of the Department, the adoptive parents shall be required at least annually to show that the agreement is still in force or has been renewed.

B. The Department of Medical Assistance Services shall consider the holder of medical assistance identification pursuant to this section as any other holder of a medical assistance identification under the laws of this Commonwealth and shall process and make payment on claims on account of such

6191 holder in the same manner and pursuant to the same conditions and procedures as for other recipients
 6192 of medical assistance.

6193 C. The Department shall provide coverage and benefits not provided by the state plan for medical
 6194 assistance in the residence state for a child who is in another state and who is covered by an adoption
 6195 assistance agreement made in Virginia to the extent required by the agreement. However, there shall be
 6196 no reimbursement for services or benefit amounts covered under any insurance or other third party
 6197 medical contract or arrangement held by the child or the adoptive parents. The Department of Medical
 6198 Assistance Services shall adopt regulations implementing this subsection. The additional coverages and
 6199 benefit amounts provided pursuant to this subsection shall be for services for which there is no federal
 6200 financial contribution or which, if federally aided, are not provided by the residence state. Such
 6201 regulations shall include procedures to be followed in obtaining prior approvals for services when such
 6202 approval is required for the assistance.

6203 D. The submission of any claim for payment or reimbursement for services or benefits pursuant to
 6204 this section or the making of any statement in connection therewith, which claim or statement the maker
 6205 knows or should know to be false, misleading or fraudulent shall be punishable as perjury and shall
 6206 also be subject to a fine of not more than \$10,000 or imprisonment for not more than two years, or
 6207 both.

6208 E. The provisions of this section shall apply only to medical assistance for children under adoption
 6209 assistance agreements from states that have entered into a compact with this Commonwealth under
 6210 which the other state provides medical assistance to children with special needs under adoption
 6211 assistance agreements made by this Commonwealth. All other children entitled to medical assistance
 6212 pursuant to adoption assistance agreements entered into by this Commonwealth shall be eligible to
 6213 receive it in accordance with the laws and procedures applicable thereto.

6214 § 63.2-1405. Federal participation.

6215 Consistent with federal law, the Department and the Department of Medical Assistance Services, in
 6216 connection with the administration of this chapter and any compact pursuant hereto, shall include in
 6217 any state plan made pursuant to the Adoption Assistance and Child Welfare Act of 1980 (P.L. 96-272),
 6218 Titles IV (e) and XIX of the Social Security Act, as amended, and any other applicable federal laws, the
 6219 provision of adoption assistance and medical assistance for which the federal government pays some or
 6220 all of the costs. The Departments shall apply for and administer all relevant federal aid in accordance
 6221 with law.

6227 The General Assembly declares that it is the policy of this Commonwealth to require reports of
 6228 suspected child abuse and neglect for the purpose of identifying children who are being abused or
 6229 neglected, of assuring that protective services will be made available to an abused or neglected child in
 6230 order to protect such a child and his siblings and to prevent further abuse or neglect, and of preserving
 6231 the family life of the parents and children, where possible, by enhancing parental capacity for adequate
 6232 child care.

6233 § 63.2-1501. Definitions.

6234 As used in this chapter unless the context requires a different meaning:

6235 "Court" means the juvenile and domestic relations district court of the county or city.

6236 "Prevention" means efforts that (i) promote health and competence in people and (ii) create, promote
 6237 and strengthen environments that nurture people in their development.

6239 There is created a Child-Protective Services Unit in the Department that shall have the following
 6240 powers and duties:

6241 1. To evaluate and strengthen all local, regional and state programs dealing with child abuse and
 6242 neglect.

6243 2. To assume primary responsibility for directing the planning and funding of child-protective
 6244 services. This shall include reviewing and approving the annual proposed plans and budgets for
 6245 protective services submitted by the local departments.

6246 3. To assist in developing programs aimed at discovering and preventing the many factors causing
 6247 child abuse and neglect.

6248 4. To prepare and disseminate, including the presentation of, educational programs and materials on
 6249 child abuse and neglect.

6250 5. To provide educational programs for professionals required by law to make reports under this
 6251 chapter.

8. To maintain staff qualified pursuant to Board regulations to assist local department personnel in determining whether an employee of a private or state-operated hospital, institution or other facility or an employee of a school board, abused or neglected a child in such hospital, institution, or other facility, or public school.

9. To monitor the processing and determination of cases where an employee of a private or state-operated hospital, institution or other facility, or an employee of a school board, is suspected of abusing or neglecting a child in such hospital, institution, or other facility, or public school.

12. To provide for methods to preserve the confidentiality of all records in order to protect the rights of the child, and his parents or guardians.

§ 63.2-1503. Local departments to establish child-protective services; duties.

A. Each local department shall establish child-protective services under a departmental coordinator within such department or with one or more adjacent local departments that shall be staffed with qualified personnel pursuant to regulations adopted by the Board. The local department shall be the public agency responsible for receiving and responding to complaints and reports, except that (i) in cases where the reports or complaints are to be made to the court and the judge determines that no local department within a reasonable geographic distance can impartially respond to the report, the court shall assign the report to the court services unit for evaluation; and (ii) in cases where an employee at a private or state-operated hospital, institution or other facility, or an employee of a school board is suspected of abusing or neglecting a child in such hospital, institution or other facility, or public school, the local department shall request the Department and the relevant private or state-operated hospital, institution or other facility, or school board to assist in conducting a joint investigation in accordance with regulations adopted by the Board, in consultation with the Departments of Education, Health, Medical Assistance Services, Mental Health, Mental Retardation and Substance Abuse Services, Juvenile Justice and Corrections.

B. The local department shall ensure, through its own personnel or through cooperative arrangements with other local agencies, the capability of receiving reports or complaints and responding to them promptly on a twenty-four-hours-a-day, seven-days-per-week basis.

C. The local department shall widely publicize a telephone number for receiving complaints and reports.

D. The local department shall upon receipt of a complaint, report immediately to the attorney for the Commonwealth and the local law-enforcement agency and make available to them the records of the local department when abuse or neglect is suspected in any case involving (i) death of a child; (ii) injury or threatened injury to the child in which a felony or Class 1 misdemeanor is also suspected; (iii) any sexual abuse, suspected sexual abuse or other sexual offense involving a child, including but not limited to the use or display of the child in sexually explicit visual material, as defined in § 18.2-374.1; (iv) any abduction of a child; (v) any felony or Class 1 misdemeanor drug offense involving a child; or (vi) contributing to the delinquency of a minor in violation of § 18.2-371, and provide the attorney for the Commonwealth and the local law-enforcement agency with records of any complaints of abuse or neglect involving the victim or the alleged perpetrator. The local department shall not allow reports of the death of the victim from other local agencies to substitute for direct reports to the attorney for the Commonwealth and the local law-enforcement agency.

E. When abuse or neglect is suspected in any case involving the death of a child, the local department shall report the case immediately to the regional medical examiner and the local law-enforcement agency.

F. The local department shall use reasonable diligence to locate (i) any child for whom a report of suspected abuse or neglect has been received and is under investigation, receiving family assessment, or for whom a founded determination of abuse and neglect has been made and a child-protective services case opened and (ii) persons who are the subject of a report that is under investigation or receiving family assessment, if the whereabouts of the child or such persons are unknown to the local department.

G. When an abused or neglected child and the persons who are the subject of an open child-protective services case have relocated out of the jurisdiction of the local department, the local department shall notify the child-protective services agency in the jurisdiction to which such persons have relocated, whether inside or outside of the Commonwealth, and forward to such agency relevant

6314 portions of the case record. The receiving local department shall arrange protective and rehabilitative
6315 services as required by this section.

6316 H. When a child for whom a report of suspected abuse or neglect has been received and is under
6317 investigation or receiving family assessment and the child and the child's parents or other persons
6318 responsible for the child's care who are the subject of the report that is under investigation or family
6319 assessment have relocated out of the jurisdiction of the local department, the local department shall
6320 notify the child-protective services agency in the jurisdiction to which the child and such persons have
6321 relocated, whether inside or outside of the Commonwealth, and complete such investigation or family
6322 assessment by requesting such agency's assistance in completing the investigation or family assessment.
6323 The local department that completes the investigation or family assessment shall forward to the
6324 receiving agency relevant portions of the case record in order for the receiving agency to arrange
6325 protective and rehabilitative services as required by this section.

6326 I. Upon receipt of a report of child abuse or neglect, the local department shall determine the
6327 validity of such report and shall make a determination to conduct an investigation pursuant to
6328 § 63.2-1505 or, if designated as a child-protective services differential response agency by the
6329 Department according to § 63.2-1504, a family assessment pursuant to § 63.2-1506.

6330 J. The local department shall foster, when practicable, the creation, maintenance and coordination of
6331 hospital and community-based multi-disciplinary teams that shall include where possible, but not be
6332 limited to, members of the medical, mental health, social work, nursing, education, legal and
6333 law-enforcement professions. Such teams shall assist the local departments in identifying abused and
6334 neglected children; coordinating medical, social, and legal services for the children and their families;
6335 developing innovative programs for detection and prevention of child abuse; promoting community
6336 concern and action in the area of child abuse and neglect; and disseminating information to the general
6337 public with respect to the problem of child abuse and neglect and the facilities and prevention and
6338 treatment methods available to combat child abuse and neglect. These teams may be the family
6339 assessment and planning teams established pursuant to § 2.2-5207. Multi-disciplinary teams may develop
6340 agreements regarding the exchange of information among the parties for the purposes of the
6341 investigation and disposition of complaints of child abuse and neglect, delivery of services, and child
6342 protection. Any information exchanged in accordance with the agreement shall not be considered to be
6343 a violation of the provisions of §§ 63.2-102, 63.2-104 or 63.2-105.

6344 The local department shall also coordinate its efforts in the provision of these services for abused
6345 and neglected children with the judge and staff of the court.

6346 K. The local department shall develop, where practical, memoranda of understanding for responding
6347 to reports of child abuse and neglect with local law enforcement and the attorney for the
6348 Commonwealth.

6349 L. The local department shall report annually on its activities concerning abused and neglected
6350 children to the court and to the Child-Protective Services Unit in the Department on forms provided by
6351 the Department.

6352 M. Statements, or any evidence derived therefrom, made to local department child-protective services
6353 personnel, or to any person performing the duties of such personnel, by any person accused of the
6354 abuse, injury, neglect or death of a child after the arrest of such person, shall not be used in evidence
6355 in the case in chief against such person in the criminal proceeding on the question of guilt or innocence
6356 over the objection of the accused, unless the statement was made after such person was fully advised (i)
6357 of his right to remain silent, (ii) that anything he says may be used against him in a court of law, (iii)
6358 that he has a right to the presence of an attorney during any interviews, and (iv) that if he cannot
6359 afford an attorney, one will be appointed for him prior to any questioning.

6360 N. Notwithstanding any other provision of law, the local department, in accordance with Board
6361 regulations, shall transmit information regarding founded complaints or family assessments and may
6362 transmit other information regarding reports, complaints, family assessments and investigations involving
6363 active duty military personnel or members of their household to family advocacy representatives of the
6364 United States Armed Forces.

6365 § 63.2-1504. Child-protective services differential response system.

6366 The Department shall implement a child-protective services differential response system in all local
6367 departments. The differential response system allows local departments to respond to valid reports or
6368 complaints of child abuse or neglect by conducting either an investigation or a family assessment. The
6369 Department shall publish a plan to implement the child-protective services differential response system
6370 in local departments by July 1, 2000, and complete implementation in all local departments by July 1,
6371 2003. The Department shall develop a training program for all staff persons involved in the differential
6372 response system, and all such staff shall receive this training.

6373 § 63.2-1505. Investigations by local departments.

6374 A. An investigation requires the collection of information necessary to determine:

6375 1. The immediate safety needs of the child;

2. The protective and rehabilitative services needs of the child and family that will deter abuse or neglect;

3. Risk of future harm to the child;

4. Alternative plans for the child's safety if protective and rehabilitative services are indicated and the family is unable or unwilling to participate in services;

5. Whether abuse or neglect has occurred;

6. If abuse or neglect has occurred, who abused or neglected the child; and

7. A finding of either founded or unfounded based on the facts collected during the investigation.

B. If the local department responds to the report or complaint by conducting an investigation, the local department shall:

1. Make immediate investigation and, if the report or complaint was based upon one of the factors specified in subsection B of § 63.2-1509, the department may file a petition pursuant to § 16.1-241.3;

2. Complete a report and transmit it forthwith to the Department, except that no such report shall be transmitted in cases in which the cause to suspect abuse or neglect is one of the factors specified in subsection B of § 63.2-1509 and the mother sought substance abuse counseling or treatment prior to the child's birth;

3. Consult with the family to arrange for necessary protective and rehabilitative services to be provided to the child and his family;

4. Petition the court for services deemed necessary including, but not limited to, removal of the child or his siblings from their home;

5. Determine within forty-five days if a report of abuse or neglect is founded or unfounded and transmit a report to such effect to the Department and to the person who is the subject of the investigation. However, upon written justification by the local department, such determination may be extended, not to exceed a total of sixty days. If through the exercise of reasonable diligence the local department is unable to find the child who is the subject of the report, the time the child cannot be found shall not be computed as part of the forty-five-day or sixty-day period and documentation of such reasonable diligence shall be placed in the record; and

6. If a report of abuse or neglect is unfounded, transmit a report to such effect to the complainant and parent or guardian and the person responsible for the care of the child in those cases where such person was suspected of abuse or neglect.

§ 63.2-1506. Family assessments by local departments.

A. A family assessment requires the collection of information necessary to determine:

1. The immediate safety needs of the child;

2. The protective and rehabilitative services needs of the child and family that will deter abuse or neglect;

3. Risk of future harm to the child; and

4. Alternative plans for the child's safety if protective and rehabilitative services are indicated and the family is unable or unwilling to participate in services.

B. When a local department has been designated as a child-protective services differential response system participant by the Department pursuant to § 63.2-1504 and responds to the report or complaint by conducting a family assessment, the local department shall:

1. Conduct an immediate family assessment and, if the report or complaint was based upon one of the factors specified in subsection B of § 63.2-1509, the department may file a petition pursuant to § 16.1-241.3;

2. Immediately contact the subject of the report and the family of the child alleged to have been abused or neglected and give each a written explanation of the family assessment procedure. The family assessment shall be in writing and shall be completed in accordance with Board regulation;

3. Complete the family assessment within forty-five days and transmit a report to such effect to the Department and to the person who is the subject of the family assessment. However, upon written justification by the local department, the family assessment may be extended, not to exceed a total of sixty days;

4. Consult with the family to arrange for necessary protective and rehabilitative services to be provided to the child and his family;

5. Petition the court for services deemed necessary including, but not limited to, removal of the child or his siblings from their home;

6. Make no disposition of founded or unfounded for reports in which a family assessment is completed; and

7. Commence an immediate investigation, if at any time during the completion of the family assessment, the local department determines that an investigation is required.

C. When a local department has been designated as a child-protective services differential response agency by the Department, the local department may investigate any report of child abuse or neglect,

6437 *but the following valid reports of child abuse or neglect shall be investigated: (i) sexual abuse, (ii) child*
6438 *fatality, (iii) abuse or neglect resulting in serious injury as defined in § 18.2-371.1, (iv) child has been*
6439 *taken into the custody of the local department, or (v) cases involving a caretaker at a state-licensed*
6440 *child day center, religiously exempt child day center, licensed, registered or approved family day home,*
6441 *private or public school, hospital or any institution.*

6442 § 63.2-1507. Cooperation by state entities.

6443 All law-enforcement departments and other state and local departments, agencies, authorities and
6444 institutions shall cooperate with each child-protective services coordinator of a local department and
6445 any multi-discipline teams in the detection and prevention of child abuse.

6446 Article 2.

6447 Complaints.

6448 § 63.2-1508. Valid report or complaint.

6449 A valid report or complaint means the local department has evaluated the information and
6450 allegations of the report or complaint and determined that the local department shall conduct an
6451 investigation or family assessment because the following elements are present:

6452 1. The alleged victim child or children are under the age of eighteen at the time of the complaint or
6453 report;

6454 2. The alleged abuser is the alleged victim child's parent or other caretaker;

6455 3. The local department receiving the complaint or report has jurisdiction; and

6456 4. The circumstances described allege suspected child abuse or neglect.

6457 Nothing in this section shall relieve any person specified in § 63.2-1509 from making a report
6458 required by that section, regardless of the identity of the person suspected to have caused such abuse or
6459 neglect.

6460 § 63.2-1509. Physicians, nurses, teachers, etc., to report certain injuries to children; penalty for
6461 failure to report.

6462 A. The following persons who, in their professional or official capacity, have reason to suspect that a
6463 child is an abused or neglected child, shall report the matter immediately to the local department of the
6464 county or city wherein the child resides or wherein the abuse or neglect is believed to have occurred or
6465 to the Department's toll-free child abuse and neglect hotline:

6466 1. Any person licensed to practice medicine or any of the healing arts;

6467 2. Any hospital resident or intern, and any person employed in the nursing profession;

6468 3. Any person employed as a social worker;

6469 4. Any probation officer;

6470 5. Any teacher or other person employed in a public or private school, kindergarten or nursery
6471 school;

6472 6. Any person providing full-time or part-time child care for pay on a regularly planned basis;

6473 7. Any duly accredited Christian Science practitioner;

6474 8. Any mental health professional;

6475 9. Any law-enforcement officer;

6476 10. Any mediator eligible to receive court referrals pursuant to § 8.01-576.8;

6477 11. Any professional staff person, not previously enumerated, employed by a private or
6478 state-operated hospital, institution or facility to which children have been committed or where children
6479 have been placed for care and treatment;

6480 12. Any person associated with or employed by any private organization responsible for the care,
6481 custody or control of children; and

6482 13. Any person who is designated a court-appointed special advocate pursuant to Article 5
6483 (§ 9.1-151 et seq.) of Chapter 1 of Title 9.1.

6484 If neither the locality in which the child resides nor where the abuse or neglect is believed to have
6485 occurred is known, then such report shall be made to the local department of the county or city where
6486 the abuse or neglect was discovered or to the Department's toll-free child abuse and neglect hotline.

6487 If an employee of the local department is suspected of abusing or neglecting a child, the report shall
6488 be made to the court of the county or city where the abuse or neglect was discovered. Upon receipt of
6489 such a report by the court, the judge shall assign the report to a local department that is not the
6490 employer of the suspected employee for investigation or family assessment. The judge may consult with
6491 the Department in selecting a local department to respond to the report or the complaint.

6492 If the information is received by a teacher, staff member, resident, intern or nurse in the course of
6493 professional services in a hospital, school or similar institution, such person may, in place of said
6494 report, immediately notify the person in charge of the institution or department, or his designee, who
6495 shall make such report forthwith.

6496 The initial report may be an oral report but such report shall be reduced to writing by the child
6497 abuse coordinator of the local department on a form prescribed by the Board. The person required to
6498 make the report shall disclose all information that is the basis for his suspicion of abuse or neglect of

the child and, upon request, shall make available to the child-protective services coordinator and the local department, which is the agency of jurisdiction, any records or reports that document the basis for the report.

B. For purposes of subsection A, "reason to suspect that a child is abused or neglected" shall include (i) a finding made by an attending physician within seven days of a child's birth that the results of a blood or urine test conducted within forty-eight hours of the birth of the child indicate the presence of a controlled substance not prescribed for the mother by a physician; (ii) a finding by an attending physician made within forty-eight hours of a child's birth that the child was born dependent on a controlled substance which was not prescribed by a physician for the mother and has demonstrated withdrawal symptoms; (iii) a diagnosis by an attending physician made within seven days of a child's birth that the child has an illness, disease or condition which, to a reasonable degree of medical certainty, is attributable to in utero exposure to a controlled substance which was not prescribed by a physician for the mother or the child; or (iv) a diagnosis by an attending physician made within seven days of a child's birth that the child has fetal alcohol syndrome attributable to in utero exposure to alcohol. When "reason to suspect" is based upon this subsection, such fact shall be included in the report along with the facts relied upon by the person making the report.

C. Any person required to file a report pursuant to this section who fails to do so within seventy-two hours of his first suspicion of child abuse or neglect shall be fined not more than \$500 for the first failure and for any subsequent failures not less than \$100 nor more than \$1,000.

§ 63.2-1510. Complaints by others of certain injuries to children.

Any person who suspects that a child is an abused or neglected child may make a complaint concerning such child, except as hereinafter provided, to the local department of the county or city wherein the child resides or wherein the abuse or neglect is believed to have occurred or to the Department's toll-free child abuse and neglect hotline. If an employee of the local department is suspected of abusing or neglecting a child, the complaint shall be made to the court of the county or city where the abuse or neglect was discovered. Upon receipt of such a report by the court, the judge shall assign the report to a local department that is not the employer of the suspected employee for investigation or family assessment; or, if the judge believes that no local department in a reasonable geographic distance can be impartial in responding to the reported case, the judge shall assign the report to the court service unit of his court for evaluation. The judge may consult with the Department in selecting a local department to respond to the report or complaint. Such a complaint may be oral or in writing and shall disclose all information which is the basis for the suspicion of abuse or neglect of the child.

§ 63.2-1511. Complaints of abuse and neglect against school personnel.

A. If a teacher, principal or other person employed by a local school board or employed in a school operated by the Commonwealth is suspected of abusing or neglecting a child in the course of his educational employment, the complaint shall be investigated in accordance with §§ 63.2-1503 and 63.2-1505. Pursuant to § 22.1-279.1, no teacher, principal or other person employed by a school board or employed in a school operated by the Commonwealth shall subject a student to corporal punishment. However, this prohibition of corporal punishment shall not be deemed to prevent (i) the use of incidental, minor or reasonable physical contact or other actions designed to maintain order and control; (ii) the use of reasonable and necessary force to quell a disturbance or remove a student from the scene of a disturbance that threatens physical injury to persons or damage to property; (iii) the use of reasonable and necessary force to prevent a student from inflicting physical harm on himself; (iv) the use of reasonable and necessary force for self-defense or the defense of others; or (v) the use of reasonable and necessary force to obtain possession of weapons or other dangerous objects or controlled substances or paraphernalia that are upon the person of the student or within his control. In determining whether the actions of a teacher, principal or other person employed by a school board or employed in a school operated by the Commonwealth are within the exceptions provided in this section, the local department shall examine whether the actions at the time of the event that were made by such person were reasonable.

B. For purposes of this section, "corporal punishment" or "abused or neglected child" shall not include physical pain, injury or discomfort caused by the use of incidental, minor or reasonable physical contact or other actions designed to maintain order and control as permitted in clause (i) of subsection A or the use of reasonable and necessary force as permitted by clauses (ii), (iii), (iv), and (v) of subsection A, or by participation in practice or competition in an interscholastic sport, or participation in physical education or an extracurricular activity.

§ 63.2-1512. Immunity of person making report, etc., from liability.

Any person making a report pursuant to § 63.2-1509, a complaint pursuant to § 63.2-1510, or who takes a child into custody pursuant to § 63.2-1517, or who participates in a judicial proceeding resulting therefrom shall be immune from any civil or criminal liability in connection therewith, unless it

6560 *is proven that such person acted in bad faith or with malicious intent.*

6561 *§ 63.2-1513. Knowingly making false reports; penalties.*

6562 *A. Any person fourteen years of age or older who makes or causes to be made a report of child*
6563 *abuse or neglect pursuant to this chapter that he knows to be false shall be guilty of a Class 1*

6572 *Records.*

6573 *§ 63.2-1514. Retention of records in all reports; procedures regarding unfounded reports alleged to*
6574 *be made in bad faith or with malicious intent.*

6575 *A. The local department shall retain the records of all reports or complaints made pursuant to this*
6576 *chapter, in accordance with regulations adopted by the Board.*

6577 *B. The Department shall maintain a child abuse and neglect information system that includes a*
6578 *central registry of founded complaints, pursuant to § 63.2-1515. The Department shall maintain all (i)*
6579 *unfounded investigations, (ii) family assessments, and (iii) reports or complaints determined to be not*
6580 *valid in a record which is separate from the central registry and accessible only to the Department and*
6581 *to local departments for child-protective services. The purpose of retaining these complaints or reports*
6582 *is to provide local departments with information regarding prior complaints or reports. In no event shall*
6583 *the mere existence of a prior complaint or report be used to determine that a subsequent complaint or*

6589 *report in that one year. The department shall retain the records for an additional period of up to two*
6590 *years if requested in writing by the person who is the subject of such complaint or report. The*
6591 *child-protective services records regarding the petitioner which result from such complaint or report*
6592 *shall be purged immediately by any custodian of such records upon presentation to the custodian of a*

6594 *report was made in bad faith or with malicious intent. After purging the records, the custodian shall*
6595 *notify the petitioner in writing that the records have been purged.*

6596 *C. At the time the local department notifies a person who is the subject of a complaint or report*
6597 *made pursuant to this chapter that such complaint or report is either an unfounded investigation or a*

6600 *in bad faith or with malicious intent.*

6601 *D. Any person who is the subject of an unfounded report or complaint made pursuant to this chapter*
6602 *who believes that such report or complaint was made in bad faith or with malicious intent may petition*
6603 *the circuit court in the jurisdiction in which the report or complaint was made for the release to such*
6604 *person of the records of the investigation or family assessment. Such petition shall specifically set forth*
6605 *the reasons such person believes that such report or complaint was made in bad faith or with malicious*
6606 *intent. Upon the filing of such petition, the circuit court shall request and the local department shall*
6607 *provide to the circuit court its records of the investigation or family assessment for the circuit court's in*

6615 *§ 63.2-1515. Central registry; disclosure of information.*

6616 *The central registry shall contain such information as shall be prescribed by Board regulation;*
6617 *however, when the founded case of abuse or neglect does not name the parents or guardians of the*
6618 *child as the abuser or neglector, and the abuse or neglect occurred in a licensed or unlicensed child*
6619 *day center, a licensed, registered or approved family day home, a private or public school, or a*
6620 *children's residential facility, the child's name shall not be entered on the registry without consultation*

without consultation with and permission of the parents or guardians for a founded case of abuse and neglect that does not name the parents or guardians of the child as the abuser or neglecter, such parents or guardians may have the child's name removed by written request to the Department. The information contained in the central registry shall not be open to inspection by the public. However, appropriate disclosure may be made in accordance with Board regulations. The Department shall respond to requests for a search of the central registry made by (i) local departments and (ii) local school boards regarding applicants for employment, pursuant to § 22.1-296.4, in cases where there is no match within the central registry within ten business days of receipt of such requests. § 63.2-1516. Tape recording child abuse investigations.

Any person who is suspected of abuse or neglect of a child and who is the subject of an investigation or family assessment pursuant to this chapter may tape record any communications between him and child-protective services personnel that take place during the course of such investigation or family assessment, provided all parties to the conversation are aware the conversation is to be recorded. The parties' knowledge of the recording shall be demonstrated by a declaration at the beginning of the recorded portion of the conversation that the recording is to be made. If a person who is suspected of abuse or neglect of a child and who is the subject of an investigation or family assessment pursuant to this chapter elects to make a tape recording as provided in this section, the child-protective services personnel may also make such a recording.

§ 63.2-1517. Authority to take child into custody.

A. A physician or child-protective services worker of a local department or law-enforcement official investigating a report or complaint of abuse and neglect may take a child into custody for up to seventy-two hours without prior approval of parents or guardians provided:

1. The circumstances of the child are such that continuing in his place of residence or in the care or custody of the parent, guardian, custodian or other person responsible for the child's care, presents an imminent danger to the child's life or health to the extent that severe or irremediable injury would be likely to result or if evidence of abuse is perishable or subject to deterioration before a hearing can be held;

2. A court order is not immediately obtainable;

3. The court has set up procedures for placing such children;

4. Following taking the child into custody, the parents or guardians are notified as soon as practicable that he is in custody;

5. A report is made to the local department; and

6. The court is notified and the person or agency taking custody of such child obtains, as soon as possible, but in no event later than seventy-two hours, an emergency removal order pursuant to § 16.1-251; however, if a preliminary removal order is issued after a hearing held in accordance with § 16.1-252 within seventy-two hours of the removal of the child, an emergency removal order shall not be necessary.

B. If the seventy-two-hour period for holding a child in custody and for obtaining a preliminary or emergency removal order expires on a Saturday, Sunday, or legal holiday or day on which the court is lawfully closed, the seventy-two hours shall be extended to the next day that is not a Saturday, Sunday, or legal holiday or day on which the court is lawfully closed.

§ 63.2-1518. Authority to talk to child or sibling.

Any person required to make a report or conduct an investigation or family assessment, pursuant to this chapter may talk to any child suspected of being abused or neglected or to any of his siblings without consent of and outside the presence of his parent, guardian, legal custodian, or other person standing in loco parentis, or school personnel.

§ 63.2-1519. Physician-patient and husband-wife privileges inapplicable.

§ 63.2-1520. Photographs and X-rays of child; use as evidence.

In any case of suspected child abuse, photographs and X-rays of the child may be taken without the consent of the parent or other person responsible for such child as a part of the medical evaluation. Photographs of the child may also be taken without the consent of the parent or other person

6683 responsible for such child as a part of the investigation or family assessment of the case by the local
6684 department or the court; however, such photographs shall not be used in lieu of medical evaluation.
6685 Such photographs and X-rays may be introduced into evidence in any subsequent proceeding.

6686 The court receiving such evidence may impose such restrictions as to the confidentiality of
6687 photographs of any minor as it deems appropriate.

6691 guardian ad litem or, if the child has been committed to the custody of a local department, the attorney
6692 for the local department may apply for an order from the court that the testimony of the alleged victim
6693 or of a child witness be taken in a room outside the courtroom and be televised by two-way
6694 closed-circuit television. The person seeking such order shall apply for the order at least seven days
6695 before the trial date.

6696 B. The provisions of this section shall apply to the following:

6700 C. The court may order that the testimony of the child be taken by closed-circuit television as
6701 provided in subsections A and B if it finds that the child is unavailable to testify in open court in the
6702 presence of the defendant, the jury, the judge, and the public, for any of the following reasons:

6703 1. The child's persistent refusal to testify despite judicial requests to do so;

6704 2. The child's substantial inability to communicate about the offense; or

6705 3. The substantial likelihood, based upon expert opinion testimony, that the child will suffer severe
6706 emotional trauma from so testifying.

6707 Any ruling on the child's unavailability under this subsection shall be supported by the court with
6708 findings on the record or with written findings in a court not of record.

6709 D. In any proceeding in which closed-circuit television is used to receive testimony, the attorney for
6710 the child and the defendant's attorney and, if the child has been committed to the custody of a local
6711 board, the attorney for the local board shall be present in the room with the child, and the child shall

6722 made by a child the age of twelve or under at the time the statement is offered into evidence, describing
6723 any act of a sexual nature performed with or on the child by another, not otherwise admissible by
6724 statute or rule, may be admissible in evidence if the requirements of subsection B are met.

6725 B. An out-of-court statement may be admitted into evidence as provided in subsection A if:

6726 1. The child testifies at the proceeding, or testifies by means of a videotaped deposition or
6727 closed-circuit television, and at the time of such testimony is subject to cross-examination concerning the
6728 out-of-court statement or the child is found by the court to be unavailable to testify on any of these
6729 grounds:

6730 (a) The child's death;

6731 (b) The child's absence from the jurisdiction, provided such absence is not for the purpose of
6732 preventing the availability of the child to testify;

6733 (c) The child's total failure of memory;

6734 (d) The child's physical or mental disability;

6735 (e) The existence of a privilege involving the child;

6736 (f) The child's incompetency, including the child's inability to communicate about the offense because
6737 of fear or a similar reason; and

6738 (g) The substantial likelihood, based upon expert opinion testimony, that the child would suffer
6739 severe emotional trauma from testifying at the proceeding or by means of a videotaped deposition or
6740 closed-circuit television.

6741 2. The child's out-of-court statement is shown to possess particularized guarantees of trustworthiness
6742 and reliability.

6743 C. A statement may not be admitted under this section unless the proponent of the statement notifies
6744 the adverse party of his intention to offer the statement and the substance of the statement sufficiently in

6745 advance of the proceedings to provide the adverse party with a reasonable opportunity to prepare to
 6746 meet the statement, including the opportunity to subpoena witnesses.

6747 D. In determining whether a statement possesses particularized guarantees of trustworthiness and
 6748 reliability under subdivision B. 2., the court shall consider, but is not limited to, the following factors:

6749 1. The child's personal knowledge of the event;

6750 2. The age and maturity of the child;

6751 3. Certainty that the statement was made, including the credibility of the person testifying about the
 6752 statement and any apparent motive such person may have to falsify or distort the event including bias,
 6753 corruption or coercion;

6754 4. Any apparent motive the child may have to falsify or distort the event, including bias, corruption,
 6755 or coercion;

6756 5. The timing of the child's statement;

6757 6. Whether more than one person heard the statement;

6758 7. Whether the child was suffering pain or distress when making the statement;

6759 8. Whether the child's age makes it unlikely that the child fabricated a statement that represents a
 6760 graphic, detailed account beyond the child's knowledge and experience;

6761 9. Whether the statement has internal consistency or coherence, and uses terminology appropriate to
 6762 the child's age;

6763 10. Whether the statement is spontaneous or directly responsive to questions;

6764 11. Whether the statement is responsive to suggestive or leading questions; and

6765 12. Whether extrinsic evidence exists to show the defendant's opportunity to commit the act
 6766 complained of in the child's statement.

6767 E. The court shall support with findings on the record, or with written findings in a court not of
 6768 record, any rulings pertaining to the child's unavailability and the trustworthiness and reliability of the
 6769 out-of-court statement.

6770 § 63.2-1523. Use of videotaped statements of complaining witnesses as evidence.

6771 A. In any civil proceeding involving alleged abuse or neglect of a child pursuant to this chapter or
 6772 pursuant to §§ 16.1-241, 16.1-251, 16.1-252, 16.1-253, 16.1-283 or § 20-107.2, a recording of a
 6773 statement of the alleged victim of the offense, made prior to the proceeding, may be admissible as
 6774 evidence if the requirements of subsection B are met and the court determines that:

6775 1. The alleged victim is the age of twelve or under at the time the statement is offered into evidence;

6776 2. The recording is both visual and oral, and every person appearing in, and every voice recorded
 6777 on, the tape is identified;

6778 3. The recording is on videotape or was recorded by other electronic means capable of making an
 6779 accurate recording;

6780 4. The recording has not been altered;

6781 5. No attorney for any party to the proceeding was present when the statement was made;

6782 6. The person conducting the interview of the alleged victim was authorized to do so by the
 6783 child-protective services coordinator of the local department;

6784 7. All persons present at the time the statement was taken, including the alleged victim, are present
 6785 and available to testify or be cross-examined at the proceeding when the recording is offered; and

6786 8. The parties or their attorneys were provided with a list of all persons present at the recording and
 6787 were afforded an opportunity to view the recording at least ten days prior to the scheduled proceedings.

6788 B. A recorded statement may be admitted into evidence as provided in subsection A if:

6789 1. The child testifies at the proceeding, or testifies by means of closed-circuit television, and at the
 6790 time of such testimony is subject to cross-examination concerning the recorded statement or the child is
 6791 found by the court to be unavailable to testify on any of these grounds:

6792 (a) The child's death;

6793 (b) The child's absence from the jurisdiction, provided such absence is not for the purpose of
 6794 preventing the availability of the child to testify;

6795 (c) The child's total failure of memory;

6796 (d) The child's physical or mental disability;

6797 (e) The existence of a privilege involving the child;

6798 (f) The child's incompetency, including the child's inability to communicate about the offense because
 6799 of fear or a similar reason;

6800 (g) The substantial likelihood, based upon expert opinion testimony, that the child would suffer
 6801 severe emotional trauma from testifying at the proceeding or by means of closed-circuit television; and

6802 2. The child's recorded statement is shown to possess particularized guarantees of trustworthiness
 6803 and reliability.

6804 C. A recorded statement may not be admitted under this section unless the proponent of the
 6805 statement notifies the adverse party of his intention to offer the statement and the substance of the

6806 statement sufficiently in advance of the proceedings to provide the adverse party with a reasonable
6807 opportunity to prepare to meet the statement, including the opportunity to subpoena witnesses.

6808 D. In determining whether a recorded statement possesses particularized guarantees of
6809 trustworthiness and reliability under subdivision B. 2., the court shall consider, but is not limited to, the
6810 following factors:

6811 1. The child's personal knowledge of the event;

6812 2. The age and maturity of the child;

6813 3. Any apparent motive the child may have to falsify or distort the event, including bias, corruption,
6814 or coercion;

6815 4. The timing of the child's statement;

6816 5. Whether the child was suffering pain or distress when making the statement;

6817 6. Whether the child's age makes it unlikely that the child fabricated a statement that represents a
6818 graphic, detailed account beyond the child's knowledge and experience;

6819 7. Whether the statement has a "ring of verity," has internal consistency or coherence, and uses
6820 terminology appropriate to the child's age;

6821 8. Whether the statement is spontaneous or directly responsive to questions;

6822 9. Whether the statement is responsive to suggestive or leading questions; and

6823 10. Whether extrinsic evidence exists to show the defendant's opportunity to commit the act
6824 complained of in the child's statement.

6825 E. The court shall support with findings on the record, or with written findings in a court not of
6826 record, any rulings pertaining to the child's unavailability and the trustworthiness and reliability of the
6827 recorded statement.

6828 § 63.2-1524. Court may order certain examinations.

6829 The court may order psychological, psychiatric and physical examinations of the child alleged to be
6830 abused or neglected and of the parents, guardians, caretakers or siblings of a child suspected of being
6831 neglected or abused.

6832 § 63.2-1525. Prima facie evidence for removal of child custody.

6833 In the case of a petition in the court for removal of custody of a child alleged to have been abused
6834 or neglected, competent evidence by a physician that a child is abused or neglected shall constitute
6835 prima facie evidence to support such petition.

6836 § 63.2-1526. Appeals of certain actions of local departments.

6837 A. A person who is suspected of or is found to have committed abuse or neglect may, within thirty
6838 days of being notified of that determination, request the local department rendering such determination
6839 to amend the determination and the local department's related records. Upon written request, the local
6840 department shall provide the appellant all information used in making its determination. Disclosure of
6841 the reporter's name or information which may endanger the well-being of a child shall not be released.
6842 The identity of a collateral witness or any other person shall not be released if disclosure may endanger
6843 his life or safety. Information prohibited from being disclosed by state or federal law or regulation shall
6844 not be released. The local department shall hold an informal conference or consultation where such
6845 person, who may be represented by counsel, shall be entitled to informally present testimony of
6846 witnesses, documents, factual data, arguments or other submissions of proof to the local department.
6847 With the exception of the local director, no person whose regular duties include substantial involvement
6848 with child abuse and neglect cases shall preside over the informal conference. If the local department
6849 refuses the request for amendment or fails to act within forty-five days after receiving such request, the
6850 person may, within thirty days thereafter, petition the Commissioner, who shall grant a hearing to
6851 determine whether it appears, by a preponderance of the evidence, that the determination or record
6852 contains information which is irrelevant or inaccurate regarding the commission of abuse or neglect by
6853 the person who is the subject of the determination or record and therefore shall be amended. A person
6854 who is the subject of a report who requests an amendment to the record, as provided above, has the
6855 right to obtain an extension for an additional specified period of up to sixty days by requesting in
6856 writing that the forty-five days in which the local department must act be extended. The extension
6857 period, which may be up to sixty days, shall begin at the end of the forty-five days in which the local
6858 department must act. When there is an extension period, the thirty-day period to request an
6859 administrative hearing shall begin on the termination of the extension period.

6860 B. The Commissioner shall designate and authorize one or more members of his staff to conduct
6861 such hearings. The decision of any staff member so designated and authorized shall have the same force
6862 and effect as if the Commissioner had made the decision. The hearing officer shall have the authority to
6863 issue subpoenas for the production of documents and the appearance of witnesses. The hearing officer is
6864 authorized to determine the number of depositions that will be allowed and to administer oaths or
6865 affirmations to all parties and witnesses who plan to testify at the hearing. The Board shall adopt
6866 regulations necessary for the conduct of such hearings. Such regulations shall include provisions stating
6867 that the person who is the subject of the report has the right (i) to submit oral or written testimony or

documents in support of himself and (ii) to be informed of the procedure by which information will be made available or withheld from him. In case of any information withheld, such person shall be advised of the general nature of such information and the reasons, for reasons of privacy or otherwise, that it is being withheld. Upon giving reasonable notice, either party at his own expense may depose a nonparty and submit such deposition at the hearing pursuant to Board regulation. Upon good cause shown, after a party's written motion, the hearing officer may issue subpoenas for the production of documents or to compel the attendance of witnesses at the hearing, except that alleged child victims of the person and their siblings shall not be subpoenaed, deposed or required to testify. The person who is the subject of the report may be represented by counsel at the hearing. Upon petition, the court shall have the power to enforce any subpoena that is not complied with or to review any refusal to issue a subpoena. Such decisions may not be further appealed except as part of a final decision that is subject to judicial review. Such hearing officers are empowered to order the amendment of such determination or records as is required to make them accurate and consistent with the requirements of this chapter or the regulations adopted hereunder. If, after hearing the facts of the case, the hearing officer determines that the person who is the subject of the report has presented information that was not available to the local department at the time of the local conference and which if available may have resulted in a different determination by the local department, he may remand the case to the local department for reconsideration. The local department shall have fourteen days in which to reconsider the case. If, at the expiration of fourteen days, the local department fails to act or fails to amend the record to the satisfaction of the appellant, the case shall be returned to the hearing officer for a determination. If aggrieved by the decision of the hearing officer, such person may obtain further review of the decision in accordance with Article 5 (§2.2-4025 et seq.) of the Administrative Process Act (§ 2.2-4000 et seq.).

C. Whenever an appeal of the local department's finding is made and a criminal charge is also filed against the appellant for the same conduct involving the same victim as investigated by the local department, the appeal process shall automatically be stayed until the criminal prosecution in circuit court is completed. During such stay, the appellant's right of access to the records of the local department regarding the matter being appealed shall also be stayed. Once the criminal prosecution in circuit court has been completed, the local department shall advise the appellant in writing of his right to resume his appeal within the time frames provided by law and regulation.

Article 5.

The evaluation shall include, but is not limited to, the following information: changes in the number of investigations, the number of families receiving services, the number of families rejecting services, the impact on out-of-home placements, the availability of needed services, community cooperation, successes and problems encountered, the overall operation of the child-protective services

6929 differential response system and recommendations for improvement. The Department shall submit annual
 6930 reports to the House Committee on Health, Welfare and Institutions and the Senate Committee on

6955 *Adult Protective Services.*

6956 § 63.2-1603. Protection of aged or incapacitated adults; definitions.

6957 As used in this article:

6958 "Adult" means any person eighteen years of age and older who is incapacitated and any qualifying
 6959 person sixty years of age and older, who, in either case, both of whom reside in the Commonwealth;
 6960 provided, however, "adult" may include incapacitated or qualifying nonresidents who are temporarily in
 6961 the Commonwealth and who are in need of temporary or emergency protective services.

6962 "Emergency" means that an adult is living in conditions that present a clear and substantial risk of
 6963 death or immediate and serious physical harm to himself or others.

6964 "Incapacitated person" means any adult who is impaired by reason of mental illness, mental
 6965 retardation, physical illness or disability, advanced age or other causes to the extent that the adult lacks
 6966 sufficient understanding or capacity to make, communicate or carry out responsible decisions concerning
 6967 his or her well-being.

6968 § 63.2-1604. Establishment of Adult Protective Services Unit; duties.

6969 There is hereby created the Adult Protective Services Unit within the Adult Services Program in the
 6970 Department, which shall have the following powers and duties:

 6983 training program or within the first year of their employment;

§ 63.2-1605. Protective services for aged and incapacitated adults.

Each local board, to the extent that federal or state matching funds are made available to each locality, shall provide, subject to supervision of the Commissioner and in accordance with regulations adopted by the Board, adult protective services for persons who are found to be abused, neglected or exploited and who meet one of the following criteria: (i) the person is sixty years of age or older or (ii) the person is incapacitated and has no relative or other person able, available and willing to provide guidance, supervision or other needed care. The requirement to provide such services shall not limit the right of any individual to refuse to accept any of the services so offered, except as provided in § 63.2-1608.

§ 63.2-1606. Protection of aged or incapacitated adults; mandated and voluntary reporting; penalty for failure to report.

A. Matters giving reason to suspect the abuse, neglect or exploitation of adults shall be reported by any person licensed to practice medicine or any of the healing arts, any hospital resident or intern, any person employed in the nursing profession, any person employed by a public or private agency or facility and working with adults, any person providing full-time or part-time care to adults for pay on a regularly scheduled basis, any person employed as a social worker, any mental health professional and any law-enforcement officer, in his professional or official capacity, who has reason to suspect that an adult is an abused, neglected or exploited adult. The report shall be made immediately to the local department of the county or city wherein the adult resides or wherein the adult abuse, neglect or exploitation is believed to have occurred. If neither locality is known, then the report shall be made to the local department of the county or city where the adult abuse, neglect, or exploitation was discovered. If the information is received by a staff member, resident, intern or nurse in the course of professional services in a hospital or similar institution, such person may, in place of the report, immediately notify the person in charge of the institution or department, or his designee, who shall make such report forthwith. Any person required to make the report or notification required by this subsection shall do so either orally or in writing and shall disclose all information that is the basis for the suspicion of adult abuse, neglect or exploitation. Upon request, any person required to make the report shall make available to the adult protective services worker and the local department investigating the reported case of adult abuse, neglect or exploitation any information, records or reports which document the basis for the report. All persons required to report suspected adult abuse, neglect or exploitation who maintain a record of a person who is the subject of such a report shall cooperate with the investigating adult protective services worker of a local department and shall make information, records and reports which are relevant to the investigation available to such worker to the extent permitted by state and federal law.

B. The report required by subsection A shall be reduced to writing within seventy-two hours by the director of the local department on a form prescribed by the Board.

C. Any person required to make a report pursuant to subsection A who has reason to suspect that an adult has been sexually abused as that term is defined in § 18.2-67.10, and any person in charge of a hospital or similar institution, or a department thereof, who receives such information from a staff member, resident, intern or nurse, also shall immediately report the matter, either orally or in writing, to the local law-enforcement agency where the adult resides or the sexual abuse is believed to have occurred, or if neither locality is known, then where the abuse was discovered. The person making the report shall disclose and, upon request, make available to the law-enforcement agency all information forming the basis of the report.

D. Any financial institution that suspects that an adult customer has been exploited financially may report such suspected exploitation to the local department of the county or city wherein the adult resides or wherein the exploitation is believed to have occurred. Such a complaint may be oral or in writing. For purposes of this section, a financial institution means any bank, savings institution, credit union, securities firm, or insurance company.

E. Any person other than those specified in subsection A who suspects that an adult is an abused, neglected or exploited adult may report the matter to the local department of the county or city wherein the adult resides or wherein the abuse, neglect or exploitation is believed to have occurred. Such a complaint may be oral or in writing.

F. Any person who makes a report or provides records or information pursuant to subsection A, D or E or who testifies in any judicial proceeding arising from such report, records or information shall be immune from any civil or criminal liability on account of such report, records, information or testimony, unless such person acted in bad faith or with a malicious purpose.

G. All law-enforcement departments and other state and local departments, agencies, authorities and institutions shall cooperate with each adult protective services worker of a local department in the detection and prevention of adult abuse, neglect or exploitation.

H. Any person who is found guilty of failing to make a required report or notification pursuant to

7052 subsection A or C, within 24 hours of having the reason to suspect abuse, shall be fined not more than
7053 \$500 for the first failure and not less than \$100 nor more than \$1,000 for any subsequent failures.

7054 § 63.2-1607. Duty of director upon receiving report.

7055 Any local director who receives a report that a person is in need of adult protective services shall
7056 make a prompt and thorough investigation to determine whether the person is in need of adult
7057 protective services and what services are needed. The investigation shall include a visit to the person
7058 and consultation with others having knowledge of the facts of the particular case. If the local
7059 department is denied access to interview the person or denied entrance to the residence of the person
7060 believed to be an adult in need of adult protective services, the local department may petition the circuit
7061 court for an order allowing access or entry or both. Upon a showing of good cause, the court may
7062 enter such order upon a petition supported by an affidavit or by sworn testimony in person that
7063 establishes that such department has received a report that the individual is in need of adult protective
7064 services and access to interview the person has been denied the local department by a third party. After
7065 completing the investigation, the local director shall make a written report of the case indicating
7066 whether he believes adult protective services are needed. If a report that a person is in need of adult
7067 protective services is unfounded, the local director shall notify the individual making the report of this
7068 determination. If the local director determines that the adult needs adult protective services according to
7069 the criteria set forth in subsection A of § 63.2-1609, the local director may petition the circuit court for
7070 an emergency order for adult protective services pursuant to § 63.2-1609. If the case involves a
7071 regulated facility, and if the person alleged to be in need of services leaves the facility or if his safety is
7072 otherwise assured, the local director shall forthwith refer the case to the appropriate regulatory
7073 authority or agency for administrative or criminal investigation. The local director shall, not later than
7074 forty-five days after referral, contact the investigating agency to determine the status of the
7075 investigation.

7076 § 63.2-1608. Involuntary adult protective services.

7077 A. If an adult lacks the capacity to consent to receive adult protective services, these services may be
7078 ordered by a court on an involuntary basis through an emergency order pursuant to § 63.2-1609 or
7079 through the appointment of a guardian pursuant to Article 1.1 (§ 37.1-134.6 et seq.) of Chapter 4 of
7080 Title 37.1.

7081 B. In ordering involuntary adult protective services, the court shall authorize only that intervention
7082 which it finds to be least restrictive of the adult's liberty and rights, while consistent with his welfare
7083 and safety. The basis for such finding shall be stated in the record by the court.

7084 C. The adult shall not be required to pay for involuntary adult protective services, unless such
7085 payment is authorized by the court upon a showing that the person is financially able to pay. In such
7086 event the court shall provide for reimbursement of the actual costs incurred by the local department in
7087 providing adult protective services, excluding administrative costs.

7088 § 63.2-1609. Emergency order for adult protective services.

7089 A. Upon petition by the local department to the circuit court, the court may issue an order
7090 authorizing the provision of adult protective services on an emergency basis to an adult after finding on
7091 the record, based on a greater weight of the evidence, that:

7092 1. The adult is incapacitated;

7093 2. An emergency exists;

7094 3. The adult lacks the capacity to consent to receive adult protective services; and

7095 4. The proposed order is substantially supported by the findings of the local department which has
7096 investigated the case, or if not so supported, there are compelling reasons for ordering services.

7097 B. In issuing an emergency order, the court shall adhere to the following limitations:

7098 1. Only such adult protective services as are necessary to improve or correct the conditions creating
7099 the emergency shall be ordered, and the court shall designate the approved services in its order. In
7100 ordering adult protective services the court shall consider the right of a person to rely on nonmedical
7101 remedial treatment in accordance with a recognized religious method of healing in lieu of medical care.

7102 2. The court shall specifically find in the emergency order whether hospitalization or a change of
7103 residence is necessary. Approval of the hospitalization or change of residence shall be stated in the
7104 order. No person may be committed to a mental health facility under this section.

7105 3. Adult protective services may be provided through an appropriate court order only for a period of
7106 five days. The original order may be renewed once for a five-day period upon a showing to the court
7107 that continuation of the original order is necessary to remove the emergency.

7108 4. In its order the court shall appoint the petitioner or another interested person, as temporary
7109 guardian of the adult with responsibility for the person's welfare and authority to give consent for the
7110 person for the approved adult protective services until the expiration of the order.

7111 5. The issuance of an emergency order and the appointment of a temporary guardian shall not
7112 deprive the adult of any rights except to the extent provided for in the order or appointment.

7113 C. The petition for an emergency order shall set forth the name, address, and interest of the

petitioner; the name, age and address of the adult in need of adult protective services; the nature of the emergency; the nature of the person's disability, if determinable; the proposed adult protective services; the petitioner's reasonable belief, together with facts supportive thereof, as to the existence of the facts stated in subdivisions A. 1. through A. 4.; and facts showing the petitioner's attempts to obtain the adult's consent to the services and the outcomes of such attempts.

D. Written notice of the time, date and place for the hearing shall be given to the person, to his spouse, or if none, to his nearest known next of kin, and a copy of the petition shall be attached. Such notice shall be given at least twenty-four hours prior to the hearing for emergency intervention. The court may waive the twenty-four hour notice requirement upon showing that (i) immediate and reasonably foreseeable physical harm to the person or others will result from the twenty-four hour delay, and (ii) reasonable attempts have been made to notify the adult, his spouse, or if none, his nearest known next of kin.

E. Upon receipt of a petition for an emergency order for adult protective services, the court shall hold a hearing. The adult who is the subject of the petition shall have the right to be present and be represented by counsel at the hearing. If it is determined that the person is indigent, or, in the determination of the judge, lacks capacity to waive the right to counsel, the court shall locate and appoint a guardian ad litem. If the person is indigent, the cost of the proceeding shall be borne by the Commonwealth. If the person is not indigent, the cost of the proceeding shall be borne by such person. This hearing shall be held no earlier than twenty-four hours after the notice required in subsection D has been given, unless such notice has been waived by the court.

F. The adult, the temporary guardian or any interested person may petition the court to have the emergency order set aside or modified at any time there is evidence that a substantial change in the circumstances of the person for whom the emergency services were ordered has occurred.

G. Where adult protective services are rendered on the basis of an emergency order, the temporary guardian shall submit to the court a report describing the circumstances thereof including the name, place, date and nature of the services provided. This report shall become part of the court record. Such report shall be confidential and open only to such persons as may be directed by the court.

H. If the person continues to need adult protective services after the renewal order provided in subdivision B. 3. has expired, the temporary guardian or the local department shall immediately petition the court to appoint a guardian pursuant to Article 1.1 (§ 37.1-134.6 et seq.) of Chapter 4 of Title 37.1. § 63.2-1610. Voluntary adult protective services.

A. Any adult may receive adult protective services, provided or arranged for by the director if the adult requests or affirmatively consents to receive these services. If the person withdraws or refuses consent, the services shall not be provided.

B. No person shall interfere with the provision of adult protective services to an adult who requests or consents to receive such services. In the event that interference occurs on a continuing basis, the director may petition the court to enjoin such interference.

C. The actual costs incurred by the local department in providing adult protective services shall be borne by the local department, unless the adult agrees to pay for them or a court authorizes the local department to receive reasonable reimbursement for the adult protective services, excluding administrative costs, from the person's assets after a finding that the adult is financially able to make such payment.

7180 service delivery; and

7181 2. Provide services directly to victims of domestic violence.

7182 § 63.2-1614. Authority to receive and grant funds.

7183 Subject to regulations of the Board and to the availability of state or federal funds for services to the

7185 1. Receive state and federal funds for services to the victims of domestic violence;

7186 2. Disperse funds through matching grants to local, public or private nonprofit agencies to provide
7187 service programs for the victims of domestic violence; and

7188 3. Develop and implement grant mechanisms for funding such local services.

7189 § 63.2-1615. What functions and services may be funded.

7190 In dispersing funds through grants to local agencies to provide service programs for the victims of
7191 domestic violence, the Department may fund both administrative functions and the delivery of direct
7192 services, including a portion of: the operational costs of offices and shelters including staff, rent,
7193 utilities, travel and supplies; twenty-four hour crisis intervention hotlines; counseling; information and
7194 referral; self-help groups; transportation; emergency shelter; and follow-up services.

7195 Subtitle IV.

7196 Licensure.

7197 CHAPTER 17.

7198 LICENSURE AND REGISTRATION PROCEDURES.

7199 Article 1.

7200 General Provisions.

7201 § 63.2-1700. Application fees; regulations and schedules; use of fees; certain facilities, centers and
7202 agencies exempt.

7203 The Board is authorized to adopt regulations and schedules for fees to be charged for processing
7204 applications for licenses to operate assisted living facilities, adult day care centers and child welfare
7205 agencies. Such schedules shall specify minimum and maximum fees and, where appropriate, gradations
7206 based on the capacity of such facilities, centers and agencies. Fees shall be used for the development
7207 and delivery of training for operators and staff of facilities, centers and agencies. Fees shall be
7208 expended for this purpose within two fiscal years following the fiscal year in which they are collected.
7209 These fees shall not be applicable to facilities, centers or agencies operated by federal entities.

7210 The Board, in consultation with the Child Day-Care Council, shall develop training programs for
7211 operators and staffs of licensed child day programs. Such programs shall include formal and informal
7212 training offered by institutions of higher education, state and national associations representing child
7213 care professionals, local and regional early childhood educational organizations and licensed child care
7214 providers. To the maximum extent possible, the Board shall ensure that all provider interests are
7215 represented and that no single approach to training shall be given preference.

7216 § 63.2-1701. Licenses required; issuance, expiration and renewal; maximum number of residents,
7217 participants or children; posting of licenses.

7218 A. Every person who constitutes, or who operates or maintains, an assisted living facility, adult day
7219 care center or child welfare agency shall obtain the appropriate license from the Commissioner, which
7220 may be renewed. The Commissioner, upon request, shall consult with, advise, and assist any person
7221 interested in securing and maintaining any such license. Each application for a license shall be made to
7222 the Commissioner, in such form as he may prescribe. It shall contain the name and address of the
7223 applicant, and, if the applicant is an association, partnership, limited liability company or corporation,
7224 the names and addresses of its officers and agents. The application shall also contain a description of
7225 the activities proposed to be engaged in and the facilities and services to be employed, together with
7226 other pertinent information as the Commissioner may require.

7227 B. The licenses shall be issued on forms prescribed by the Commissioner. Any two or more licenses
7228 may be issued for concurrent operation of more than one assisted living facility, adult day care center
7229 or child welfare agency, but each license shall be issued upon a separate form. Each license and
7230 renewals thereof for an assisted living facility, adult day care center or child welfare agency may be
7231 issued for periods of up to three successive years, unless sooner revoked or surrendered.

7232 C. The length of each license or renewal thereof for an assisted living facility shall be based on the
7233 judgment of the Commissioner regarding the compliance history of the facility and the extent to which it
7234 meets or exceeds state licensing standards. Based on this judgment, the Commissioner may issue
7235 licenses or renewals thereof for periods of six months, one year, two years, or three years.

7236 D. The Commissioner may extend or shorten the duration of licensure periods for a child welfare

7237 agency whenever, in his sole discretion, it is administratively necessary to redistribute the workload for
7238 greater efficiency in staff utilization.

7239 E. Each license shall indicate the maximum number of persons who may be cared for in the assisted
7240 living facility, adult day care center or child welfare agency for which it is issued.

7241 F. The license and any other documents required by the Commissioner shall be posted in a
7242 conspicuous place on the licensed premises.

7243 G. Every person issued a license which has not been suspended or revoked shall renew such license
7244 prior to its expiration.

7245 § 63.2-1702. Investigation on receipt of application.

7246 Upon receipt of the application the Commissioner shall cause an investigation to be made of the
7247 activities, services and facilities of the applicant, of the applicant's financial responsibility, and of his
7248 character and reputation or, if the applicant is an association, partnership, limited liability company or
7249 corporation, the character and reputation of its officers and agents. In the case of child welfare
7250 agencies, the financial records of an applicant shall not be subject to inspection if the applicant submits
7251 a current balance sheet and income statement accompanied by a letter from a certified public
7252 accountant certifying the accuracy thereof and three credit references. In the case of child welfare
7253 agencies, the character and reputation investigation upon application shall include background checks
7254 pursuant to § 63.2-1721; however, a children's residential facility shall comply with the background
7255 check requirements contained in § 63.2-1726.

7256 § 63.2-1703. Variances.

7257 The Commissioner may grant a variance to a regulation when the Commissioner determines that (i)
7258 a licensee or applicant for licensure as an assisted living facility, adult day center or child welfare
7259 agency has demonstrated that the implementation of a regulation would impose a substantial financial
7260 or programmatic hardship and (ii) the variance would not adversely affect the safety and well-being of
7261 residents, participants or children in care. The Commissioner shall review each allowable variance at
7262 least annually. At a minimum, this review shall address the impact of the allowable variance on persons
7263 in care, adherence by the licensee to any conditions attached, and the continuing need for the allowable
7264 variance.

7265 § 63.2-1704. Voluntary registration of family day homes; inspections; investigation upon receipt of
7266 complaint; revocation or suspension of registration.

7267 A. Any person who maintains a family day home serving fewer than six children, exclusive of the
7268 provider's own children and any children who reside in the home, may apply for voluntary registration.
7269 An applicant shall file with the Commissioner, prior to beginning any such operation and thereafter
7270 biennially, a statement which shall include, but not be limited to, the following:

7271 1. The name, address, phone number, and social security number of the person maintaining the
7272 family day home;

7273 2. The number and ages of the children to receive care;

7274 3. A sworn statement or affirmation in which the applicant attests to the accuracy of the information
7275 submitted to the Commissioner;

7276 4. Documentation that the background check requirements for registered child welfare agencies in
7277 Article 3 (§ 63.2-1719 et seq.) of this chapter have been met; and

7278 5. Documentation that the home has met the requirements of a self-administered health and safety
7279 guidelines evaluation checklist adopted by the Board.

7280 Upon receiving such information on prescribed forms, and after having determined that the home has
7281 satisfied the standards for voluntary registration, the Commissioner shall issue a certificate of
7282 registration to the family day home.

7283 B. The Commissioner shall contract with qualified local agencies and community organizations to
7284 certify family day homes as eligible for registration, pursuant to Board regulations. If no qualified local
7285 agencies or community organizations are available, the Commissioner shall implement the provisions of
7286 this section. Upon receipt of an application of a qualified local agency or community organization to
7287 certify family day homes as eligible for registration, the Commissioner shall cause an investigation to be
7288 made of the applicant's activities, services, facilities, and financial responsibility, of the character and
7289 reputation of the officers and agents of the applicant, and of its compliance with requirements
7290 established for the issuance of such contracts.

7291 C. The Board shall adopt regulations to implement the provisions of this section. Such regulations
7292 shall provide guidelines for the following:

7293 1. The identification of family day homes which may meet the standards for voluntary registration
7294 provided in subsection A;

7295 2. The establishment of qualifications for local agencies and community organizations to which a
7296 contract may be issued by the Commissioner for the certification of family day homes as eligible for
7297 registration, and standards for the purpose of ensuring compliance with the standards and requirements

7298 of the contract, including monitoring and random inspections;

7299 3. The establishment of standards and requirements for contracts issued by the Commissioner to
7300 qualified local agencies and community organizations, upon review of the Board, for the certification of
7301 family day homes as eligible for registration;

7302 4. A requirement that the contract organization shall provide administrative services, including, but
7303 not limited to, processing applications for the voluntary registration of family day homes, certifying such
7304 homes as eligible for registration, providing technical assistance, training and consultation with family
7305 day homes, and maintaining permanent records regarding all family day homes which it may certify as
7306 eligible for registration;

7307 5. The establishment of requirements for a self-administered health and safety guidelines evaluation
7308 checklist;

7309 6. The criteria and process for the renewal of the certificate of registration; and

7310 7. A schedule for charges to be made by the contract organization or by the Department if it
7311 implements the provisions of this section, for processing applications for the voluntary registration of
7312 family day homes. The charges collected shall be maintained for the purpose of recovering
7313 administrative costs incurred in processing applications and certifying as eligible or registering such
7314 homes.

7315 D. The contract organization, upon determining that a family day home has satisfied the standards
7316 for voluntary registration, shall certify the home as eligible for registration on forms prescribed by the
7317 Commissioner. The Commissioner, upon determining that certification has been properly issued, may
7318 register the family day home.

7319 E. The provisions of this section shall not apply to any family day home located in a county, city, or
7320 town in which the governing body provides by ordinance for the regulation and licensing of persons
7321 who provide child-care services for compensation and for the regulation and licensing of child-care
7322 facilities pursuant to the provisions of § 15.2-914.

7323 F. Upon receipt of a complaint concerning a registered family day home, the Commissioner shall
7324 cause an investigation to be made, including on-site visits as he deems necessary, of the activities,
7325 services, and facilities. The person who maintains such home shall afford the Commissioner reasonable
7326 opportunity to inspect the operator's facilities and records and to interview any employees and any child
7327 or other person within his custody or control. Whenever a registered family day home is determined by
7328 the Commissioner to be in noncompliance with the standards for voluntary registration, the
7329 Commissioner shall give reasonable notice to the operator of the nature of the noncompliance and may
7330 thereafter revoke or suspend the registration.

7331 § 63.2-1705. Compliance with Uniform Statewide Building Code.

7332 A. Buildings licensed as assisted living facilities, adult day care centers and child welfare agencies
7333 shall be classified by and meet the specifications for the proper Use Group as required by the Virginia
7334 Uniform Statewide Building Code.

7335 B. Buildings used for assisted living facilities or adult day care centers shall be licensed for
7336 ambulatory or nonambulatory residents or participants. Ambulatory means the condition of a resident or
7337 participant who is physically and mentally capable of self-preservation by evacuating in response to an
7338 emergency to a refuge area as defined by the Uniform Statewide Building Code without the assistance
7339 of another person, or from the structure itself without the assistance of another person if there is no
7340 such refuge area within the structure, even if such resident or participant may require the assistance of
7341 a wheelchair, walker, cane, prosthetic device, or a single verbal command to evacuate. Nonambulatory
7342 means the condition of a resident or participant who by reason of physical or mental impairment is not
7343 capable of self-preservation without the assistance of another person.

7344 § 63.2-1706. Inspections and interviews.

7345 A. Applicants for licensure and licensees shall at all times afford the Commissioner reasonable
7346 opportunity to inspect all of their facilities, books and records, and to interview their agents and
7347 employees and any person living or participating in such facilities, or under their custody, control,
7348 direction or supervision.

7349 B. For any assisted living facility or adult day care center issued a license or renewal thereof for a
7350 period of six months, the Commissioner shall make at least two inspections during the six-month period,
7351 one of which shall be unannounced. For any assisted living facility or adult day care center issued a
7352 license or renewal thereof for a period of one year, the Commissioner shall make at least three
7353 inspections each year, at least two of which shall be unannounced. For any assisted living facility or
7354 adult day care center issued a license or a renewal thereof for a period of two years, the Commissioner
7355 shall make at least two inspections each year, at least one of which shall be unannounced. For any
7356 assisted living facility or adult day care center issued a three-year license, the Commissioner shall make
7357 at least one inspection each year, which shall be unannounced.

7358 C. All licensed child welfare agencies shall be inspected not less than twice annually, and one of
7359 those inspections shall be unannounced.

D. The activities, services and facilities of each applicant for renewal of his license as an assisted living facility, adult day care center or child welfare agency shall be subject to an inspection or examination by the Commissioner to determine if he is in compliance with current regulations of the Board or Child Day-Care Council, whichever is applicable.

E. For any licensed assisted living facility, adult day care center or child welfare agency, the Commissioner may authorize such other announced or unannounced inspections as the Commissioner considers appropriate.

§ 63.2-1707. Issuance or refusal of license; notification; provisional and conditional licenses.

Upon completion of his investigation, the Commissioner shall issue an appropriate license to the applicant if (i) the applicant has made adequate provision for such activities, services and facilities as are reasonably conducive to the welfare of the residents, participants or children over whom he may have custody or control; (ii) the applicant has submitted satisfactory documentation of financial responsibility such as, but not limited to, a letter of credit, a certified financial statement, or similar documents; (iii) he is, or the officers and agents of the applicant if it is an association, partnership, limited liability company or corporation are, of good character and reputation; and (iv) the applicant and agents comply with the provisions of this subtitle. Otherwise, the license shall be denied. Immediately upon taking final action, the Commissioner shall notify the applicant of such action.

Upon completion of the investigation for the renewal of a license, the Commissioner may issue a provisional license to any applicant if the applicant is temporarily unable to comply with all of the licensure requirements. Such provisional license may be renewed, but the issuance of a provisional license and any renewals thereof shall be for no longer a period than six successive months.

At the discretion of the Commissioner, a conditional license may be issued to an applicant to operate a new facility in order to permit the applicant to demonstrate compliance with licensure requirements. Such conditional license may be renewed, but the issuance of a conditional license and any renewals thereof shall be for no longer a period than six successive months.

§ 63.2-1708. Records and reports.

Every licensed assisted living facility, licensed adult day care center, licensed or registered child welfare agency, or family day home approved by a family day system shall keep such records and make such reports to the Commissioner as he may require. The forms to be used in the making of such reports shall be prescribed and furnished by the Commissioner.

§ 63.2-1709. Enforcement and sanctions; special orders.

A. The Board shall adopt regulations for the Commissioner to use in determining when the imposition of administrative sanctions or initiation of court proceedings, severally or jointly, is appropriate in order to ensure prompt correction of violations in assisted living facilities and adult day care centers involving noncompliance with state law or regulation as discovered through any inspection or investigation conducted by the Departments of Social Services, Health, or Mental Health, Mental Retardation and Substance Abuse Services. The Commissioner may impose such sanctions or take such actions as are appropriate for violation of any of the provisions of this subtitle or any regulation adopted under any provision of this subtitle that adversely affects the health, safety or welfare of an assisted living facility resident or an adult day care participant. Such sanctions or actions may include (i) petitioning the court to appoint a receiver for any assisted living facility or adult day care center and (ii) revoking or denying renewal of the license for the assisted living facility or adult day care center for violation of any of the provisions of this subtitle, § 54.1-3408 or any regulation adopted under this subtitle that violation adversely affects, or is an imminent and substantial threat to, the health, safety or welfare of the person cared for therein, or for permitting, aiding or abetting the commission of any illegal act in an assisted living facility or adult day care center.

B. The Commissioner may revoke or deny the renewal of the license of any child welfare agency which violates any provision of this subtitle or fails to comply with the limitations and standards set forth in its license.

C. Notwithstanding any other provision of law, following a proceeding as provided in § 2.2-4019, the Commissioner may issue a special order for violation of any of the provisions of this subtitle, § 54.1-3408 or any regulation adopted under any provision of this subtitle that violation adversely affects, or is an imminent and substantial threat to, the health, safety or welfare of the person cared for therein, or for permitting, aiding or abetting the commission of any illegal act in an assisted living facility, adult day care center or child welfare agency. The issuance of a special order shall be considered a case decision as defined in § 2.2-4001. The Commissioner shall not delegate his authority to impose civil penalties in conjunction with the issuance of special orders.

D. The Commissioner may take the following actions regarding licensed assisted living facilities, adult day care centers and child welfare agencies through the issuance of a special order:

1. Place a licensee on probation upon finding that the licensee is substantially out of compliance with the terms of its license and that the health and safety of residents, participants or children are at

7421 risk;

7422 2. Reduce licensed capacity or prohibit new admissions when the Commissioner concludes that the
7423 licensee cannot make necessary corrections to achieve compliance with regulations except by a
7424 temporary restriction of its scope of service;

7425 3. Require that probationary status announcements, provisional licenses, and denial or revocation
7426 notices be posted in a prominent place at each public entrance of the licensed premises and be of
7427 sufficient size and distinction to advise consumers of serious or persistent violations;

7428 4. Mandate training for the licensee or licensee's employees, with any costs to be borne by the
7429 licensee, when the Commissioner concludes that the lack of such training has led directly to violations
7430 of regulations;

7431 5. Assess civil penalties of not more than \$500 per inspection upon finding that the licensee is
7432 substantially out of compliance with the terms of its license and the health and safety of residents,
7433 participants or children are at risk;

7434 6. Require licensees to contact parents, guardians or other responsible persons in writing regarding
7435 health and safety violations; and

7436 7. Prevent licensees who are substantially out of compliance with the licensure terms or in violation
7437 of the regulations from receiving public funds.

7438 E. The Board shall adopt regulations to implement the provisions of this section.

7439 § 63.2-1710. Appeal from refusal, denial of renewal or revocation of license.

7440 A. Whenever the Commissioner refuses to issue a license or to renew a license, or revokes a license
7441 for an assisted living facility, adult day care center or child welfare agency, the provisions of the
7442 Administrative Process Act (§ 2.2-4000 et seq.) shall apply, except that all appeals from notice of the
7443 Commissioner's intent to refuse to issue or renew, or revoke a license shall be received in writing from
7444 the assisted living facility, adult day care center or child welfare agency operator within fifteen days of
7445 the date of receipt of the notice. Judicial review of a final review agency decision shall be in
7446 accordance with the provisions of the Administrative Process Act. No stay may be granted upon appeal
7447 to the Virginia Supreme Court.

7448 B. In every appeal to a court of record, the Commissioner shall be named defendant.

7449 C. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for
7450 operation without a license.

7451 D. When issuance or renewal of a license as an assisted living facility or adult day care center has
7452 been refused by the Commissioner, the applicant shall not thereafter for a period of one year apply
7453 again for such license unless the Commissioner in his sole discretion believes that there has been such a
7454 change in the conditions on account of which he refused the prior application as to justify considering
7455 the new application. When an appeal is taken by the applicant pursuant to subsection A, the one-year
7456 period shall be extended until a final decision has been rendered on appeal.

7457 E. When issuance or renewal of a license for a child welfare agency has been refused by the
7458 Commissioner, the applicant shall not thereafter for a period of six months apply again for such license
7459 unless the Commissioner in his sole discretion believes that there has been such a change in the
7460 conditions on account of which he refused the prior application as to justify considering the new
7461 application. When an appeal is taken by the applicant pursuant to subsection A, the six-month period
7462 shall be extended until a final decision has been rendered on appeal.

7463 § 63.2-1711. Injunction against operation without license.

7464 Any circuit court having jurisdiction in the county or city where the principal office of any assisted
7465 living facility, adult day care center or child welfare agency is located shall, at the suit of the
7466 Commissioner, have jurisdiction to enjoin its operation without a license required by this subtitle.

7467 § 63.2-1712. Offenses; penalty.

7468 Any person, and each officer and each member of the governing board of any association or
7469 corporation that operates an assisted living facility, adult day care center or child welfare agency, shall
7470 be guilty of a Class 1 misdemeanor if he:

7471 1. Interferes with any representative of the Commissioner in the discharge of his duties under this
7472 subtitle;

7473 2. Makes to the Commissioner or any representative of the Commissioner any report or statement,
7474 with respect to the operation of any assisted living facility, adult day care center or child welfare
7475 agency, that is known by such person to be false or untrue;

7476 3. Operates or engages in the conduct of an assisted living facility, adult day care center or child
7477 welfare agency without first obtaining a license as required by this subtitle or after such license has
7478 been revoked or has expired and not been renewed. No violation shall occur if the facility, center or
7479 agency has applied to the Department for renewal prior to the expiration date of the license. Every
7480 day's violation of this subdivision shall constitute a separate offense; or

7481 4. Operates or engages in the conduct of an assisted living facility, adult day care center or child
7482 welfare agency serving more persons than the maximum stipulated in the license.

§ 63.2-1713. Misleading advertising prohibited.

§ 63.2-1717. Certification of preschool or nursery school programs operated by accredited private schools; provisional certification; annual statement and documentary evidence required; enforcement; injunctive relief.

A. A preschool or nursery school program operated by a private school accredited by a statewide accrediting organization recognized by the Board of Education or a private school or preschool that offers to preschool-aged children a program accredited by the National Association for the Education of Young Children's National Academy of Early Childhood Programs; the Association of Christian Schools International; the American Association of Christian Schools; the National Early Childhood Program Accreditation; the National Accreditation Council for Early Childhood Professional Personnel and Programs; the International Academy for Private Education; Standards for the American Montessori Society Accreditation; the International Accreditation and Certification of Childhood Educators, Programs, and Trainers; or the National Accreditation Commission and is recognized by the Board of Education, shall be exempt from licensure under this subtitle if it complies with the provisions of this section and meets the requirements of either subsection B or subsection C or subsection D.

B. A school described in subsection A shall meet the following conditions in order to be exempt under this subsection:

1. The school offers kindergarten or elementary school instructional programs that satisfy compulsory school attendance laws, and children below the age of compulsory school attendance also participate in such instructional programs;

2. The instructional programs for children of and below the age of eligibility for school attendance share (i) a specific verifiable common pedagogy, (ii) education materials, (iii) methods of instruction, and (iv) professional training and individual teacher certification standards, all of which are required by a state-recognized accrediting organization;

4. The instructional program contemplates a three-to-four-year learning cycle under a common pedagogy; and

5. Children below the age of eligibility for kindergarten attendance do not attend the instructional program for more than four hours per day.

C. A school described in subsection A shall be exempt from licensure if it maintains an enrollment ratio at any one time during the current school year of five children age five or above to one four-year-old child as long as no child in attendance is under age four and the number of pupils in the preschool program does not exceed twelve pupils for each instructional adult.

D. A private school or preschool described in subsection A shall meet the following conditions in order to be exempt under this subsection:

1. The school offers instructional classes and has been in operation since January 1984.

2. The school does not hold itself out as a child care center, child day center, or child day program.

3. Children enrolled in the school are at least three years of age and do not attend more than (i) three hours per day and (ii) five days per week.

4. The enrolled children attend only one program offered by the school per day.

5. The school maintains a certificate or permit issued pursuant to a local government ordinance that addresses health, safety and welfare of the children, such as but not limited to space requirements, and

7667 requires annual inspections.

7668 E. The school shall file with the Commissioner, prior to the beginning of the school year or calendar
7669 year, as the case may be, and thereafter, annually, a statement which includes the following:

7670 1. Intent to operate a certified preschool program;

7671 2. Documentary evidence that the school has been accredited as provided in subsection A;

7676 has been inspected (i) before initial certification by the local building official and (ii) within the

7678 department, and local fire marshal or Office of the State Fire Marshal, whichever is appropriate, and

7692 criminal record check as provided in subdivision A. 11. of § 19.2-389 as a condition of initial or
7693 continued employment. The school shall not hire or continue employment of any such person who has
7694 an offense specified in § 63.2-1719.

7695 All accredited private schools seeking certification of preschool programs shall file such information
7696 on forms prescribed by the Commissioner. The Commissioner shall certify all preschool programs of
7697 accredited private schools which comply with the provisions of subsection A.

7698 F. A preschool program of a private school that has not been accredited as provided in subsection
7699 A, or which has not provided documentation to the Commissioner that it has initiated the accreditation
7700 process, shall be subject to licensure.

7701 The Commissioner shall issue a provisional certificate to a private school which provides
7702 documentation to the Commissioner that it has initiated the accreditation process. The provisional
7703 certificate shall permit the school to operate its preschool program during the accreditation process
7704 period. The issuance of an initial provisional certificate shall be for a period not to exceed one year. A
7705 provisional certificate may be renewed up to an additional year if the accrediting organization provides
7706 a statement indicating it has visited the school within the previous six months and the school has made
7707 sufficient progress. Such programs shall not be subject to licensure during the provisional certification
7708 period.

7709 G. If a school fails to complete the accreditation process or is denied accreditation, the
7710 Commissioner shall revoke the provisional certification and the program shall thereafter be subject to
7711 licensure.

7712 H. If the preschool program of a private school which is accredited as provided in subsection A fails
7713 to file the statement and the required documentary evidence, the Commissioner shall notify the school of
7714 its noncompliance and may thereafter take such action as he determines appropriate, including notice
7715 that the program is required to be licensed.

7716 I. The revocation or denial of the certification of a preschool program shall be subject to appeal
7717 pursuant to the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Judicial review of a
7718 final agency decision shall be in accordance with the provisions of the Administrative Process Act.

7719 J. Any person who has reason to believe that a private school falling within the provisions of this
7720 section is in noncompliance with any applicable requirement of this section may report the same to the
7721 Department, the local department, the local health department, or the local fire marshal, each of which
7722 may inspect the school for noncompliance, give reasonable notice to the school of the nature of its
7723 noncompliance, and thereafter may take appropriate action as provided by law, including a suit to
7724 enjoin the operation of the preschool program.

7725 K. Upon receipt of a complaint concerning a certified preschool program of an accredited private
7726 school, or of a private school to which provisional certification has been issued, if for good cause
7727 shown there is reason to suspect that the school is in noncompliance with any provision of this section
7728 or the health or safety of the children attending the preschool program is in danger, the Commissioner

shall cause an investigation to be made, including on-site visits as he deems necessary of the services, personnel, and facilities of the school's program. The school shall afford the Commissioner reasonable opportunity to inspect the school's program, records, and facility, and to interview the employees and any child or parent or guardian of a child who is or has been enrolled in the preschool program. If, upon completion of the investigation, it is determined that the school is in noncompliance with the provisions of this section, the Commissioner shall give reasonable notice to the school of the nature of its noncompliance and thereafter may take appropriate action as provided by law, including a suit to enjoin the operation of the preschool program.

L. Failure of a private school to comply with the provisions of this section, or a finding that the health and safety of the children attending the preschool program are in clear and substantial danger upon the completion of an investigation, shall be grounds for revocation of the certification issued pursuant to this section.

M. If a private school operates a child day program outside the scope of its instructional classes during the school year or operates a child day program during the summer, the child day program shall be subject to licensure under the regulations adopted pursuant to § 63.2-1734.

N. Nothing in this section shall prohibit a preschool operated by or conducted under the auspices of a private school from obtaining a license pursuant to this subtitle.

§ 63.2-1718. Inspection of unlicensed child or adult care operations; inspection warrant.

In order to perform his duties under this subtitle, the Commissioner may enter and inspect any unlicensed child or adult care operation with the consent of the owner or person in charge, or pursuant to a warrant. Administrative search warrants for inspections of child or adult care operations, based upon a petition demonstrating probable cause and supported by an affidavit, may be issued ex parte by any judge having authority to issue criminal warrants whose territorial jurisdiction includes the child or adult care operation to be inspected, if he is satisfied from the petition and affidavit that there is reasonable and probable cause for the inspection. The affidavit shall contain either a statement that consent to inspect has been sought and refused, or that facts and circumstances exist reasonably justifying the failure to seek such consent. Such facts may include, without limitation, past refusals to permit inspection or facts establishing reason to believe that seeking consent would provide an opportunity to conceal violations of statutes or regulations. Probable cause may be demonstrated by an affidavit showing probable cause to believe that the child or adult care operation is in violation of any provision of this subtitle or any regulation adopted pursuant to this subtitle, or upon a showing that the inspection is to be made pursuant to a reasonable administrative plan for the administration of this subtitle. The inspection of a child or adult care operation that has been the subject of a complaint pursuant to § 63.2-1728 shall have preeminent priority over any other inspections of child or adult care operations to be made by the Commissioner unless the complaint on its face or in the context of information known to the Commissioner discloses that the complaint has been brought to harass, to retaliate, or otherwise to achieve an improper purpose, and that the improper purpose casts serious doubt on the veracity of the complaint.

I. A licensed assisted living facility shall notify and provide all students a copy of the provisions of this article prior to or upon enrollment in a certified nurse aide program operated by such assisted living facility.

J. The provisions of this section shall not apply to any children's residential facility licensed pursuant to § 63.2-1701, which instead shall comply with the background investigation requirements contained in § 63.2-1726.

K. A person who complies in good faith with the provisions of this section shall not be liable for any civil damages for any act or omission in the performance of duties under this section unless the act or omission was the result of gross negligence or willful misconduct.

A. Upon application for licensure or registration as a child welfare agency, (i) all applicants; (ii) agents at the time of application who are or will be involved in the day-to-day operations of the child welfare agency or who are or will be alone with, in control of, or supervising one or more of the children; and (iii) any other adult living in the home of an applicant for licensure or registration as a family day home shall undergo a background check. In addition, foster or adoptive parents requesting approval by child-placing agencies and operators of family day homes requesting approval by family day systems, and any other adult residing in the family day home or existing employee or volunteer of the family day home, shall undergo background checks pursuant to subsection B prior to their approval.

B. Background checks pursuant to this section require:

2. A criminal history record check through the Central Criminal Records Exchange pursuant to § 19.2-389; and

3. A search of the central registry maintained pursuant to § 63.2-1515 for any founded complaint of child abuse and neglect.

C. The character and reputation investigation pursuant to § 63.2-1702 shall include background checks pursuant to subsection B of persons specified in subsection A. The applicant shall submit the background check information required in subsection B to the Commissioner's representative prior to issuance of a license, registration or approval. The applicant shall provide an original criminal record clearance with respect to offenses specified in § 63.2-1719 or an original criminal history record from the Central Criminal Records Exchange. Any person making a materially false statement regarding the sworn statement or affirmation provided pursuant to subdivision B. 1. shall be guilty of a Class 1 misdemeanor. If any person specified in subsection A required to have a background check has any offense as defined in § 63.2-1719, and such person has not been granted a waiver by the Commissioner pursuant to § 63.2-1723 or is not subject to the exception in subsection E, (i) the Commissioner shall not issue a license or registration to a child welfare agency; (ii) a child-placing agency shall not approve an adoptive or foster home; or (iii) a family day system shall not approve a family day home.

D. No person specified in subsection A shall be involved in the day-to-day operations of the child welfare agency or shall be alone with, in control of, or supervising one or more of the children without first having completed background checks pursuant to subsection B.

E. Notwithstanding any provision to the contrary contained in this section, a child-placing agency may approve as an adoptive parent an applicant convicted of not more than one misdemeanor as set out in § 18.2-57 not involving abuse, neglect or moral turpitude, provided ten years have elapsed following the conviction.

F. If an applicant is denied licensure, registration or approval because of information from the central registry or convictions appearing on his criminal history record, the Commissioner shall provide a copy of the information obtained from the central registry or the Central Criminal Record Exchange

7913 or both to the applicant.

7914 G. Further dissemination of the background check information is prohibited other than to the
7915 Commissioner's representative or a federal or state authority or court as may be required to comply
7916 with an express requirement of law for such further dissemination.

7917 H. The provisions of this section referring to a sworn statement or affirmation and to prohibitions on
7918 the issuance of a license for any offense shall not apply to any children's residential facility licensed
7919 pursuant to § 63.2-1701, which instead shall comply with the background investigation requirements
7920 contained in § 63.2-1726.

7921 § 63.2-1722. Revocation or denying renewal based on background checks; failure to obtain
7922 background check.

7923 A. The Commissioner may revoke or deny renewal of a license or registration of a child welfare
7924 agency, an assisted living facility or adult day care center, a child-placing agency may revoke the
7925 approval of a foster home, and a family day system may revoke the approval of a family day home if
7926 the assisted living facility, adult day care center, child welfare agency, foster home or approved family
7927 day home has knowledge that a person specified in §§ 63.2-1720 and 63.2-1721 required to have a
7928 background check has an offense as defined in § 63.2-1719, and such person has not been granted a
7929 waiver by the Commissioner pursuant to § 63.2-1723 or is not subject to the exceptions in subsection B
7930 of § 63.2-1720 and subsection E of § 63.2-1721, and the facility, center or agency refuses to separate
7931 such person from employment or service.

7932 B. Failure to obtain background checks pursuant to §§ 63.2-1720 and 63.2-1721 shall be grounds
7933 for denial or revocation of a license, registration or approval. No violation shall occur if the assisted
7934 living facility, adult day care center or child welfare agency has applied for the background check
7935 timely and it has not been obtained due to administrative delay. The provisions of this section shall be
7936 enforced by the Department.

7937 § 63.2-1723. Child welfare agencies; criminal conviction and waiver.

7938 A. Any person who seeks to operate, volunteer or work at a child welfare agency and who is
7939 disqualified because of a criminal conviction or a criminal conviction in the background check of any
7940 other adult living in a family day home regulated by the Department, pursuant to §§ 63.2-1720,
7941 63.2-1721 and 63.1-1724, may apply in writing for a waiver from the Commissioner. The Commissioner
7942 may grant a waiver if the Commissioner determines that (i) the person is of good moral character and
7943 reputation and (ii) the waiver would not adversely affect the safety and well-being of children in the
7944 person's care. The Commissioner shall not grant a waiver to any person who has been convicted of a
7945 barrier crime as defined in § 63.2-1719. However, the Commissioner may grant a waiver to a family
7946 day home regulated by Department if any other adult living in the home of the applicant or provider
7947 has been convicted of not more than one misdemeanor offense under § 18.2-57 or § 18.2-57.2, provided
7948 (a) five years have elapsed following the conviction and (b) the Department has conducted a home study
7949 that includes, but is not limited to, (1) an assessment of the safety of children placed in the home and
7950 (2) a determination that the offender is now a person of good moral character and reputation. The
7951 waiver shall not be granted if the adult living in the home is an assistant or substitute provider or if
7952 such adult has been convicted of a misdemeanor offense under both §§ 18.2-57 and 18.2-57.2. Any
7953 waiver granted under this section shall be available for inspection by the public. The child welfare
7954 agency shall notify in writing every parent and guardian of the children in its care of any waiver
7955 granted for its operators, employees or volunteers.

7956 B. The Board shall adopt regulations to implement the provisions of this section.

7957 § 63.2-1724. Records check by unlicensed child day center; penalty.

7958 Any child day center that is exempt from licensure pursuant to § 63.2-1716 shall require a
7959 prospective employee or volunteer or any other person who is expected to be alone with one or more
7960 children enrolled in the child day center to obtain within thirty days of employment or commencement of
7961 volunteer service, a search of the central registry maintained pursuant to § 63.2-1515 on any founded
7962 complaint of child abuse or neglect and a criminal records check as provided in subdivision A. 11. of
7963 § 19.2-389 and shall refuse employment or service to any person who has any offense defined in
7964 § 63.2-1719. Such center shall also require a prospective employee or volunteer to provide a sworn
7965 statement or affirmation disclosing whether or not the applicant has ever been (i) the subject of a
7966 founded complaint of child abuse or neglect, or (ii) convicted of a crime or is the subject of pending
7967 criminal charges for any offense within the Commonwealth or any equivalent offense outside the
7968 Commonwealth. For purposes of this section, convictions shall include prior adult convictions and
7969 juvenile convictions or adjudications of delinquency based on a crime that would have been a felony if
7970 committed by an adult within or outside the Commonwealth. Any person making a materially false
7971 statement regarding any such offense shall be guilty of a Class 1 misdemeanor. If an applicant is denied
7972 employment or service because of information from the central registry or convictions appearing on his
7973 criminal history record, the child day center shall provide a copy of the information obtained from the
7974 central registry or Central Criminal Records Exchange or both to the applicant. Further dissemination

of the information provided to the facility is prohibited.

The provisions of this section referring to volunteers shall apply only to volunteers who will be alone with any child in the performance of their duties and shall not apply to a parent-volunteer of a child attending the child day center whether or not such parent-volunteer will be alone with any child in the performance of his duties. A parent-volunteer is someone supervising, without pay, a group of children which includes the parent-volunteer's own child, in a program which operates no more than four hours per day, where the parent-volunteer works under the direct supervision of a person who has received a clearance pursuant to this section.

§ 63.2-1725. Records checks of child day centers or family day homes receiving federal, state or local child care funds; penalty.

Whenever any child day center or family day home that has not met the requirements of §§ 63.2-1720, 63.2-1721 and 63.2-1724 applies to enter into a contract with a local department to provide child care services to clients of the local department, the local department shall require a criminal records check pursuant to subdivision A. 11. of § 19.2-389, as well as a search of the central registry maintained pursuant to § 63.2-1515, on any child abuse or neglect investigation, of the applicant; any employee; prospective employee; volunteers; agents involved in the day-to-day operation; all agents who are alone with, in control of, or supervising one or more of the children; and any other adult living in a family day home. The applicant shall provide the local department with copies of these records checks. The child day center or family day home shall not be permitted to enter into a contract with a local department for child care services when an applicant; any employee; a prospective employee; a volunteer, an agent involved in the day-to-day operation; an agent alone with, in control of, or supervising one or more children; or any other adult living in a family day home has any offense as defined in § 63.2-1719. The child day center or family day home shall also require the above individuals to provide a sworn statement or affirmation disclosing whether or not the person has ever been (i) the subject of a founded case of child abuse or neglect or (ii) convicted of a crime or is the subject of any pending criminal charges within the Commonwealth or any equivalent offense outside the Commonwealth. Any person making a materially false statement regarding any such offense shall be guilty of a Class 1 misdemeanor. If a person is denied employment or work because of information from the central registry or convictions appearing on his criminal history record, the child day center or family day program shall provide a copy of such information obtained from the central registry or Central Criminal Records Exchange or both to the person. Further dissemination of the information provided to the facility, beyond dissemination to the local department, is prohibited.

§ 63.2-1726. Background check required; children's residential facilities.

A. As a condition of employment, volunteering or providing services on a regular basis, every children's residential facility that is regulated or operated by the Departments of Social Services; Education; Military Affairs; or Mental Health, Mental Retardation and Substance Abuse Services shall require any individual who (i) accepts a position of employment at such a facility who was not employed by that facility prior to July 1, 1994, (ii) volunteers for such a facility on a regular basis and will be alone with a juvenile in the performance of his duties who was not a volunteer at such facility prior to July 1, 1994, or (iii) provides contractual services directly to a juvenile for such facility on a regular basis and will be alone with a juvenile in the performance of his duties who did not provide such services prior to July 1, 1994; to submit to fingerprinting and to provide personal descriptive information, to be forwarded along with the applicant's fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding such applicant. The children's residential facility shall inform the applicant that he is entitled to obtain a copy of any background check report and to challenge the accuracy and completeness of any such report and obtain a prompt resolution before a final determination is made of the applicant's fitness to have responsibility for the safety and well-being of children. The applicant shall provide the children's residential facility with a written statement or affirmation disclosing whether he has ever been convicted of or is the subject of pending charges for any offense within or outside the Commonwealth. Prior to permitting an applicant to begin his duties, the children's residential facility shall obtain the statement or affirmation from the applicant and shall submit the applicant's fingerprints and personal descriptive information to the Central Criminal Records Exchange.

The Central Criminal Records Exchange, upon receipt of an individual's record or notification that no record exists, shall forward it to the state agency which operates or regulates the children's residential facility with which the applicant is affiliated. The state agency shall, upon receipt of an applicant's record lacking disposition data, conduct research in whatever state and local record-keeping systems are available in order to obtain complete data. The state agency shall report to the children's facility whether the applicant meets the criteria to have responsibility for the safety and well-being of children based on whether or not the applicant has ever been convicted of or is the subject of pending

8036 charges for the following crimes: murder or manslaughter as set out in Article 1 (§ 18.2-30 et seq.) of
8037 Chapter 4 of Title 18.2, abduction for immoral purposes as set out in § 18.2-48, assault and bodily

8048 (§ 18.2-372 et seq.) of Chapter 8 of Title 18.2, as set out in § 18.2-379, or an equivalent offense in
8049 another state. If the applicant is denied employment, or the opportunity to volunteer or provide services
8050 at a children's residential facility because of information appearing on his criminal history record, and
8051 the applicant disputes the information upon which the denial was based, upon written request of the
8052 applicant the state agency shall furnish the applicant the procedures for obtaining his criminal history
8053 record from the Federal Bureau of Investigation. If the applicant has been permitted to provide services
8054 pending receipt of the report, the children's residential facility is not precluded from suspending the
8055 applicant from his position or denying the applicant unsupervised access to clients pending a final
8056 determination of the applicant's fitness to have responsibility for the safety and well-being of children.
8057 The information provided to the children's residential facility shall not be disseminated except as
8058 provided in this section.

8059 B. Those individuals listed in clauses (i), (ii) and (iii) of subsection A shall also authorize the

8069 C. The Boards of Social Services; Education; Juvenile Justice; and Mental Health, Mental
8070 Retardation and Substance Abuse Services, and the Department of Military Affairs, may adopt
8071 regulations to comply with the provisions of this section. Copies of any information received by a
8072 children's residential facility pursuant to this section shall be available to the agency that regulates or
8073 operates such facility but shall not be disseminated further. The cost of obtaining the criminal history
8074 record and the central registry information shall be borne by the employee or volunteer unless the
8075 children's residential facility, at its option, decides to pay the cost.

8076 § 63.2-1727. Sex offender or child abuser prohibited from operating or residing in family day home.

8077 It shall be unlawful for any person to operate a family day home if he, or if he knows that any other

8085 § 63.2-1728. Establishment of toll-free telephone line for complaints; investigation on receipt of
8086 complaints.

8087 With such funds as are appropriated for this purpose, the Commissioner shall establish a toll-free
8088 telephone line to respond to complaints regarding operations of assisted living facilities, adult day care
8089 centers and child welfare agencies. Upon receipt of a complaint concerning the operation of an assisted
8090 living facility, adult day care center or child welfare agency, regardless of whether the program is
8091 subject to licensure, the Commissioner shall, for good cause shown, cause an investigation to be made,
8092 including on-site visits as he deems necessary, of the activities, services, records and facilities. The
8093 assisted living facility, adult day care center or child welfare agency shall afford the Commissioner
8094 reasonable opportunity to inspect all of the operator's activities, services, records and facilities and to
8095 interview its agents and employees and any child or other person within its custody or control.
8096 Whenever an assisted living facility, adult day care center or child welfare agency subject to inspection
8097 under this section is determined by the Commissioner to be in noncompliance with the provisions of this

subtitle or with regulations adopted pursuant to this subtitle, the Commissioner shall give reasonable notice to the assisted living facility, adult day care center or child welfare agency of the nature of its noncompliance and may thereafter take appropriate action as provided by law, including a suit to enjoin the operation of the assisted living facility, adult day care center or child welfare agency.

§ 63.2-1729. Confidentiality of complainant's identity.

Whenever the Department conducts inspections and investigations in response to complaints received from the public, the identity of the complainant and the identity of any resident, participant or child who is the subject of the complaint, or identified therein, shall be confidential and shall not be open to inspection by members of the public. Identities of the complainant and resident, participant or child who is the subject of the complaint shall be revealed only if a court order so requires. Nothing contained herein shall prevent the Department, in its discretion, from disclosing to the assisted living facility, adult day care center or child welfare agency the nature of the complaint or the identity of the resident, participant or child who is the subject of the complaint. Nothing contained herein shall prevent the Department or its employees from making reports under Chapter 15 (§ 63.2-1500 et seq.) of this title or Article 2 (§ 63.2-1603 et seq.) of Chapter 16 of this title. If the Department intends to rely, in whole or in part, on any statements made by the complainant, at any administrative hearing brought against the assisted living facility, adult day care center or child welfare agency, the Department shall disclose the identity of the complainant to the assisted living facility, adult day care center or child welfare agency a reasonable time in advance of such hearing.

8208 Article I.

8209 Assisted Living Facilities.

8210 § 63.2-1800. Licensure requirements.

8211 A. Each license shall indicate whether the facility is licensed to provide residential living care or
8212 residential living and assisted living care.

8213 B. Any facility licensed exclusively as an assisted living facility shall not use in its title the words
8214 "convalescent," "health," "hospital," "nursing," "sanatorium," or "sanitarium," nor shall such words be
8215 used to describe the facility in brochures, advertising, or other marketing material. No facility shall
8216 advertise or market a level of care that it is not licensed to provide. Nothing in this subsection shall
8217 prohibit the facility from describing services available in the facility.

8218 C. Upon initial application for a license, any person applying to operate an assisted living facility
8219 who has not previously owned or managed or does not currently own or manage such a facility shall be
8220 required to undergo training by the Commissioner. The training programs shall focus on health and

safety regulations and resident rights as they pertain to assisted living facilities and shall be completed by the owner or administrator prior to the granting of an initial license. Such training shall be required of those owners and currently employed administrators of an assisted living facility at the time of initial application for a license. The Commissioner may also approve training programs provided by other entities and allow owners or administrators to attend such approved training programs in lieu of training by the Commissioner. The Commissioner may also approve for licensure applicants who meet requisite experience criteria as established by the Board. The Commissioner may, at his discretion, issue a license conditioned upon the owner or administrator's completion of the required training.

§ 63.2-1801. Access to assisted living facilities by community services boards and behavioral health authorities.

All assisted living facilities shall provide reasonable access to staff or contractual agents of community services boards, local government departments with policy-advisory community services boards or behavioral health authorities as defined in Title 37.1 for the purposes of (i) assessing or evaluating, (ii) providing case management or other services or assistance, or (iii) monitoring the care of clients residing in the facility. Such staff or contractual agents also shall be given reasonable access to other facility residents who have previously requested their services.

§ 63.2-1802. Safe, secure environments for residents with serious cognitive impairments.

Assisted living facilities may provide safe, secure environments for residents with serious cognitive impairments due to a primary diagnosis of dementia if they comply with the Board's regulations governing such placement. The Board's regulations shall define (i) serious cognitive impairment, which shall include, but not be limited to, a physician assessment and (ii) safe, secure environment. Prior to placing a resident with a serious cognitive impairment due to a primary diagnosis of dementia in a safe, secure environment, an assisted living facility shall obtain the written approval of one of the following persons, in the specified order of priority: (a) the resident, if capable of making an informed decision; (b) a guardian or legal representative for the resident; however, such an appointment shall not be required in order that written approval may be obtained; (c) a relative authorized pursuant to the Board's regulations to act as the resident's representative; or (d) an independent physician who is skilled and knowledgeable in the diagnosis and treatment of dementia, if a guardian, legal representative or relative is unavailable. Such written approval shall be retained in the resident's file.

§ 63.2-1803. Staffing of assisted living facilities.

A. An administrator is any person meeting the qualifications for administrator of an assisted living facility, pursuant to regulations adopted by the Board. Any person meeting the qualifications for a licensed nursing home administrator under § 54.1-3103 shall be deemed qualified to (i) serve as an administrator of an assisted living facility and (ii) serve as the administrator of both an assisted living facility and a licensed nursing home, provided the assisted living facility and licensed nursing home are part of the same building.

B. The assisted living facility shall have adequate and sufficient staff to provide services to attain and maintain (i) the physical, mental and psychosocial well-being of each resident as determined by resident assessments and individual plans of care and (ii) the physical safety of the residents on the premises. Upon admission and upon request, the assisted living facility shall provide in writing a description of the types of staff working in the facility and the services provided, including the hours such services are available.

§ 63.2-1804. Uniform assessment instrument.

A uniform assessment instrument setting forth a resident's care needs shall be completed for all residents upon admission and at subsequent intervals as determined by Board regulation. No uniform assessment instrument shall be required to be completed upon admission if a uniform assessment instrument was completed by a case manager or other qualified assessor within ninety days prior to such admission to the assisted living facility unless there has been a change in the resident's condition within that time which would affect the admission. Uniform assessment instruments shall not be required to be completed more often than once every twelve months on individuals residing in assisted living facilities except that uniform assessment instruments shall be completed whenever there is a change in the resident's condition that appears to warrant a change in the resident's approved level of care. At the request of the assisted living facility, the resident's representative, the resident's physician, the Department or the local department, an independent assessment, using the uniform assessment instrument shall be completed to determine whether the resident's care needs are being met in the current placement. The resident's case manager or other qualified assessor shall complete the uniform assessment instrument for public pay residents or, upon request by the private pay resident, for private pay residents. Unless a private pay resident requests the uniform assessment instrument be completed by a case manager or other qualified assessor, qualified staff of the assisted living facility or an independent private physician may complete the uniform assessment instrument for private pay residents; however, for private pay residents, social and financial information which is not relevant because of the

8282 resident's payment status shall not be required. The cost of administering the uniform assessment
8283 instrument pursuant to this section shall be borne by the entity designated pursuant to Board
8284 regulations. Upon receiving the uniform assessment instrument prior to admission of a resident, the
8285 assisted living facility administrator shall provide written assurance that the facility has the appropriate
8286 license to meet the care needs of the resident at the time of admission.

8287 § 63.2-1805. Admissions and discharge.

8288 A. The Board shall adopt regulations:

8289 1. Governing admissions to assisted living facilities;

8290 2. Establishing a process to ensure that residents admitted or retained in an assisted living facility
8291 receive the appropriate services and that, in order to determine whether a resident's needs can continue
8292 to be met by the facility and whether continued placement in the facility is in the best interests of the
8293 resident, each resident receives periodic independent reassessments and reassessments in the event of
8294 significant deterioration of the resident's condition;

8295 3. Governing appropriate discharge planning for residents whose care needs can no longer be met
8296 by the facility;

8297 4. Addressing the involuntary discharge of residents;

8298 5. Requiring that residents are informed of their rights pursuant to § 63.2-1808 at the time of
8299 admission;

8300 6. Establishing a process to ensure that any resident temporarily detained in an inpatient facility
8301 pursuant to § 37.1-67.1 is accepted back in the assisted living facility if the resident is not involuntarily
8302 committed pursuant to § 37.1-67.3; and

8303 7. Requiring that each assisted living facility train all employees who are mandated to report adult
8304 abuse, neglect, or exploitation pursuant to § 63.2-1606 on such reporting procedures and the
8305 consequences for failing to make a required report.

8306 B. Assisted living facilities shall not admit or retain individuals with any of the following conditions
8307 or care needs:

8308 1. Ventilator dependency.

8309 2. Dermal ulcers III and IV, except those stage III ulcers which are determined by an independent
8310 physician to be healing.

8311 3. Intravenous therapy or injections directly into the vein except for intermittent intravenous therapy
8312 managed by a health care professional licensed in Virginia or as permitted in subsection C.

8313 4. Airborne infectious disease in a communicable state, that requires isolation of the individual or
8314 requires special precautions by the caretaker to prevent transmission of the disease, including diseases
8315 such as tuberculosis and excluding infections such as the common cold.

8316 5. Psychotropic medications without appropriate diagnosis and treatment plans.

8317 6. Nasogastric tubes.

8318 7. Gastric tubes except when the individual is capable of independently feeding himself and caring
8319 for the tube or as permitted in subsection C.

8320 8. Individuals presenting an imminent physical threat or danger to self or others.

8321 9. Individuals requiring continuous licensed nursing care (seven-days-a-week,
8322 twenty-four-hours-a-day).

8323 10. Individuals whose physician certifies that placement is no longer appropriate.

8324 11. Unless the individual's independent physician determines otherwise, individuals who require
8325 maximum physical assistance as documented by the uniform assessment instrument and meet Medicaid
8326 nursing facility level-of-care criteria as defined in the State Plan for Medical Assistance. Maximum
8327 physical assistance means that an individual has a rating of total dependence in four or more of the
8328 seven activities of daily living as documented on the uniform assessment instrument.

8329 12. Individuals whose health care needs cannot be met in the specific assisted living facility as
8330 determined by the facility.

8331 13. Such other medical and functional care needs of residents which the Board determines cannot
8332 properly be met in an assisted living facility.

8333 C. Except for auxiliary grant recipients, at the request of the resident, and pursuant to regulations of
8334 the Board, care for the conditions or care needs defined in subdivisions B. 3. and B. 7. may be provided
8335 to a resident in an assisted living facility by a licensed physician, a licensed nurse under a physician's
8336 treatment plan or by a home care organization licensed in Virginia when the resident's independent
8337 physician determines that such care is appropriate for the resident.

8338 D. In adopting regulations pursuant to subsections A, B and C, the Board shall consult with the
8339 Departments of Health and Mental Health, Mental Retardation and Substance Abuse Services.

8340 § 63.2-1806. Hospice care.

8341 Notwithstanding § 63.2-1805, at the request of the resident, hospice care may be provided in an
8342 assisted living facility under the same requirements for hospice programs provided in Article 7
8343 (§ 32.1-162.1 et seq.) of Chapter 5 of Title 32.1, if the hospice program determines that such program is

appropriate for the resident.

§ 63.2-1807. Certification in cardiopulmonary resuscitation; do not resuscitate orders.

The owners or operators of any assisted living facility may provide that their employees who are certified in cardiopulmonary resuscitation (CPR) shall not be required to resuscitate any resident for whom a valid written order not to resuscitate in the event of cardiac or respiratory arrest has been issued by the attending physician and has been included in the resident's individualized service plan.

§ 63.2-1808. Rights and responsibilities of residents of assisted living facilities; certification of licensure.

A. Any resident of an assisted living facility has the rights and responsibilities enumerated in this section. The operator or administrator of an assisted living facility shall establish written policies and procedures to ensure that, at the minimum, each person who becomes a resident of the assisted living facility:

1. Is fully informed, prior to or at the time of admission and during the resident's stay, of his rights and of all rules and expectations governing the resident's conduct, responsibilities, and the terms of the admission agreement; evidence of this shall be the resident's written acknowledgment of having been so informed, which shall be filed in his record;

§ 63.2-1810. Dual licenses for certain child day centers.

Any facility licensed as a child day center which also meets the requirements for a license as a summer camp by the Department of Health under the provisions of § 35.1-18 shall be entitled to a summer camp license. Such a facility shall comply with all of the regulations adopted by the Board or Child Day-Care Council, whichever is applicable, and the State Board of Health for each such license.

§ 63.1-1811. Asbestos inspection required for child day centers.

The Commissioner shall not issue a license to any child day center which is located in a building built prior to 1978 until he receives a written statement that the building has been inspected for asbestos, as defined by § 2.2-1162, and in accordance with the regulations for initial asbestos inspections pursuant to the Asbestos Hazard Emergency Response Act, 40 CFR Pt. 763 - Asbestos Containing Materials in Schools. The inspection shall be conducted by personnel competent to identify the presence of asbestos and licensed in Virginia as an asbestos inspector and as an asbestos management planner pursuant to Chapter 5 (§ 54.1-500 et seq.) of Title 54.1. The written statement shall state that either (i) no asbestos was detected or (ii) asbestos was detected and response actions to abate any risk to human health have been completed or (iii) asbestos was detected and response actions to abate any risk to human health have been recommended in accordance with a specified schedule and plan pursuant to applicable state and federal statutes and regulations. The statement shall include identification of any significant hazard areas, the date of the inspection and be signed by the person who inspected for the asbestos. If asbestos was detected, an operations and maintenance plan shall be developed in accordance with the regulations of the Asbestos Hazard Emergency Response Act and the statement shall be signed by the person who prepared the operations and maintenance plan. Any inspection, preparation of an operations and maintenance plan or response action shall be performed by competent personnel who have been licensed in accordance with the provisions of Chapter 5 of Title 54.1.

When asbestos has been detected, the applicant for licensure shall also submit to the Commissioner a written statement that response actions to abate any risk to human health have been or will be initiated in accordance with a specified schedule and plan as recommended by an asbestos management planner licensed in Virginia. This statement shall be signed by the applicant for licensure.

The written statements required by this section shall be submitted for approval to the Commissioner's representative prior to issuance of a license. The provisions of this section shall not apply to child day centers located in buildings required to be inspected pursuant to Article 5 (§ 2.2-1162 et seq.) of Chapter 11 of Title 2.2.

§ 63.2-1812. Delay in acting on application, or in notification.

In case the Commissioner fails to take final action upon an application for a license within sixty days after the application is made, either by way of issuance or refusal, or fails within such time to notify the applicant thereof, it shall be lawful for the applicant to engage in the operations or activities for which the license is desired, until the Commissioner has taken final action and notified the applicant thereof; however, no application shall be deemed made until all the required information is submitted in the form prescribed by the Commissioner. The provisions of this section shall not apply to a children's residential facility, child-placing agency, or independent foster home.

§ 63.2-1813. Visitation by parents or guardians in child day programs.

A custodial parent or guardian shall be admitted to any child day program. For purposes of this section, "child day program" is one in which a person or organization has agreed to assume responsibility for the supervision, protection, and well-being of a child under the age of thirteen for less than a twenty-four-hour period, regardless of whether it is licensed. Such right of admission shall apply only while the child is in the child day program.

§ 63.2-1814. Public funds to be withheld for serious or persistent violations.

The Board and the State Board of Education may adopt policies, as permitted by state and federal law, to restrict the eligibility of a licensed child welfare agency to receive or continue to receive funds when such agency is found to be in serious or persistent violation of regulations.

§ 63.2-1815. Subtitle not to apply to certain schools and institutions.

None of the provisions of this subtitle shall apply to any private school or charitable institution incorporated under the laws of this Commonwealth, which is located West of Sandy Ridge and on the watersheds of Big Sandy River, and to which no contributions are made by the Commonwealth or any agency thereof.

§ 63.2-1816. Municipal and county appropriations; contracts.

The governing bodies of the several cities and counties of this Commonwealth may, in their discretion, appropriate to incorporated charitable organizations licensed by the Commissioner for the purpose of receiving and caring for children, or placing or boarding them in private homes, such sums as to them may seem proper, for the maintenance and care of such dependent children as the charitable organizations may receive from the respective cities and counties. And the governing body of any county

8528 may make contracts with such organizations.

8529 § 63.2-1817. Acceptance and control over children by licensed child-placing agency, children's
8530 residential facility or independent foster home.

8531 A licensed child-placing agency, children's residential facility or independent foster home shall have
8532 the right to accept, for any purpose not contrary to the limitations contained in its license, such children
8533 as may be entrusted or committed to it by the parents, guardians, relatives or other persons having
8534 legal custody thereof, or committed by any court of competent jurisdiction. The agency, facility or home
8535 shall, within the terms of its license and the agreement or order by which such child is entrusted or
8536 committed to its care, have custody and control of every child so entrusted or committed and accepted,
8537 until he is lawfully discharged, has been adopted, or has attained his majority.

8538 An agency that is licensed as a child-placing agency by the Department and certified as a
8539 proprietary school for students with disabilities by the Department of Education shall not be required to
8540 take custody of any child placed in its special education program but shall enter into a placement
8541 agreement with the parents or guardian of the child concerning the respective responsibilities of the
8542 agency and the parents or guardian for the care and control of the child. Such an agency shall conform
8543 with all other legal requirements of licensed child-placing agencies including the provisions of
8544 §§ 16.1-281 and 16.1-282.

8545 A licensed private child-placing agency may accept placement of a child through an agreement with
8546 a local department where the local department retains legal custody of the child or where the parents or
8547 legal guardian of the child retain legal custody but have entered into a placement agreement with the
8548 local department or the public agency designated by the community policy and management team.

8549 Whenever a licensed child-placing agency accepts legal custody of a child, the agency shall comply
8550 with §§ 16.1-281 and 16.1-282.

8551 A children's residential facility licensed as a temporary emergency shelter may accept a child for
8552 placement provided that verbal agreement for placement is obtained from the parents, guardians,
8553 relatives or other persons having legal custody thereof, within eight hours of the child's arrival at the
8554 facility and provided that a written placement agreement is completed and signed by the legal guardian
8555 and the facility representative within twenty-four hours of the child's arrival or by the end of the next
8556 business day after the child's arrival.

8557 § 63.2-1818. Reports to Commissioner.

8558 Upon the entry of a final order of adoption involving a child placed by a licensed child-placing
8559 agency, that agency shall transmit to the Commissioner all reports and collateral information in
8560 connection with the case which shall be preserved by the Commissioner in accordance with § 63.2-1246.
8561 Such agency may keep duplicate copies of such reports and collateral information or may obtain copies
8562 of such documents from the Commissioner at a reasonable fee as prescribed by the Board.

8563 § 63.2-1819. Where child-placing agencies may place children; investigation and visitation;
8564 supervision.

8565 Any licensed child-placing agency may place or negotiate and arrange for the placement of children
8566 in any licensed children's residential facility, and, unless its license contains a limitation to the contrary,
8567 a licensed child-placing agency may also place or arrange for the placement of such persons in any
8568 suitable foster home or independent living placement.

It is the purpose of this chapter to promote the efficient and accurate collection, accounting and receipt of support for financially dependent children and their custodians, and to further the effective and timely enforcement of such support while ensuring that all functions in the Department are appropriate or necessary to comply with applicable federal law.

When so ordered by the court or the Department, support for financially dependent children and their custodians shall be paid by obligors to the Department's State Disbursement Unit (SDU) or in district offices located within the Commonwealth for processing by the SDU. The Department shall have authority to enter into contracts with any appropriate public or private entities to enforce, collect, account for and disburse payments for child or spousal support.

The Division of Child Support Enforcement within the Department shall be authorized to issue payments to implement the disbursement of funds pursuant to the provisions of this section.

§ 63.2-1902. Central unit for information and administration; cooperation enjoined.

The Department is authorized and directed to establish a central unit within the Department to administer the Title IV, D State Plan according to 45 C.F.R. 302.12. The central unit shall have the statewide jurisdiction and authority to:

8651 1. Establish a registry for the receipt of information;
8652 2. Answer interstate inquiries concerning noncustodial parents;
8653 3. Coordinate and supervise departmental activities in relation to noncustodial parents to ensure
8654 effective cooperation with law-enforcement agencies; and
8655 4. Contract and enter into cooperative agreements with individuals and agencies including
8656 law-enforcement agencies, in order that they may assist the Department in its responsibilities.
8657 The central unit within the Department shall supervise offices whose primary functions are:
8658 a. Location of absent noncustodial parents;
8659 b. Assessment of the ability of noncustodial parents to pay child or child and spousal support and to
8660 obtain health care coverage for dependent children;
8661 c. Establishment, modification and enforcement of support obligations including health care coverage
8662 for dependent children, through administrative action;
8663 d. Preparation of individual cases for court action existing under all laws of the Commonwealth;
8664 e. Ensuring on a consistent basis that support continues in all cases in which support is assessed
8665 administratively or ordered by the court; and
8666 f. Provision of its services in establishing paternity and establishing and enforcing support
8667 obligations equally to public-assisted and nonpublic-assisted families.
8668 To effectuate the purposes of this section, the Commissioner may request and shall receive from
8669 state, county and local agencies within and without the Commonwealth, including but not limited to
8670 such agencies and entities responsible for vital records; tax and revenue; real and titled personal
8671 property; authorizations to engage in a business, trade, profession or occupation; employment security;
8672 motor vehicle licensing and registration; public assistance programs and corrections, all information
8673 and assistance as authorized by this chapter. Solely for the purposes of obtaining motor vehicle
8674 licensing and registration information from entities within and without the Commonwealth, the Division
8675 of Child Support Enforcement shall be deemed to be a criminal justice agency. With respect to
8676 individuals who owe child support or are alleged in a pending paternity proceeding to be a putative
8677 father, the Commissioner may request and shall receive the names and addresses of such individuals
8678 and the names and addresses of such individuals' employers as appearing in the customer records of
8679 public utilities, cable television companies and financial institutions. All state, county and city agencies,
8680 officers and employees shall cooperate in the location of noncustodial parents who have abandoned or
8681 deserted, or are failing to support, children and their custodial parents and shall on request supply the
8682 Department with all information on hand relative to the location, income, benefits and property of such
8683 noncustodial parents, notwithstanding any provision of law making such information confidential. A civil
8684 penalty not to exceed \$1,000 may be assessed by the Commissioner for a failure to respond to a request
8685 for information made in accordance with this section.
8686 Any public or private person, partnership, firm, corporation or association, any financial institution
8687 and any political subdivision, department or other entity of the Commonwealth who in good faith and in
8688 the absence of gross negligence, willful misconduct or breach of an ethical duty, provide information
8689 requested pursuant to this section shall be immune from liability, civil or criminal, that might otherwise
8690 result from the release of such information to the Department.
8691 § 63.2-1903. Authority to issue certain orders.
8692 A. In the absence of a court order, the Department shall have the authority to issue orders directing
8693 the payment of child, and child and spousal support and, if available at reasonable cost as defined in
8694 § 63.2-1900, to require a provision for health care coverage for dependent children of the obligor,
8695 which shall include the requirements specified for employers pursuant to subdivision A. 5. of § 20-79.3.
8696 Liability for child support shall be determined retroactively for the period measured from the date the
8697 order directing payment is delivered to the sheriff or process server for service upon the obligor.
8698 In ordering the payment of child support, the Department shall set such support at the amount
8699 resulting from computation pursuant to the guideline set out in § 20-108.2, subject to the provisions of
8700 § 63.2-1918.
8701 B. When a payee, as defined in § 63.2-1900, no longer has physical custody of a child, the
8702 Department shall have the authority to redirect child support payments to a custodial parent who has
8703 physical custody of the child when an assignment of rights has been made to the Department or an
8704 application for services has been made by such custodial parent with the Division of Child Support
8705 Enforcement.
8706 C. The Department shall have the authority, upon notice from the Department of Medical Assistance
8707 Services, to use any existing enforcement mechanisms provided by this chapter to collect the wages,
8708 salary, or other employment income or to withhold amounts from state tax refunds of any obligor who
8709 has not used payments received from a third party to reimburse, as appropriate, either the other parent
8710 of such child or the provider of such services, to the extent necessary to reimburse the Department of
8711 Medical Assistance Services.
8712 D. The Department may order the obligor and payee to notify each other or the Department upon

request of current gross income as defined in § 20-108.2 and any other pertinent information which may affect child support amounts. For good cause shown, the Department may order that such information be provided to the Department and made available to the parties for inspection in lieu of the parties' providing such information directly to each other. The Department shall record the social security number of each party or control number issued to a party by the Department of Motor Vehicles pursuant to § 46.2-342 in the Department's file of the case.

E. The Department shall develop procedures governing the method and timing of periodic review and adjustment of child support orders established or enforced or both pursuant to Title IV-D of the Social Security Act, as amended. At the request of either parent subject to the order or of a state child support enforcement agency, the Department shall initiate a review of such order every three years without requiring proof or showing of a change in circumstances, and shall initiate appropriate action to adjust such order in accordance with the provisions of § 20-108.2 and subject to the provisions of § 63.2-1918.

F. In order to provide essential information for whatever establishment or enforcement actions are necessary for the collection of child support, the Commissioner, the Director of the Division of Child Support Enforcement and district managers of Division of Child Support Enforcement offices shall have the right to (i) subpoena financial records of, or other information relating to, the noncustodial parent and obligee from any person, firm, corporation, association, or political subdivision or department of the Commonwealth and (ii) summons the noncustodial parent and obligee to appear in the Division's offices. The Commissioner, Director and district managers may also subpoena copies of state and federal income tax returns. The district managers shall be trained in the correct use of the subpoena process prior to exercising subpoena authority. A civil penalty not to exceed \$1,000 may be assessed by the Commissioner for a failure to respond to a subpoena issued pursuant to this subsection.

G. In the absence of a court order, the Department may establish an administrative support order on an out-of-state obligor if the obligor and the obligee maintained a matrimonial domicile within the Commonwealth. The Department may also take action to enforce an administrative or court order on an out-of-state obligor. Service of such actions shall be in accordance with the provisions of §§ 8.01-296, 8.01-327, or § 8.01-329, or by certified mail, return receipt requested, in accordance with § 63.2-1917.

H. If a support order has been issued in another state but the obligor, the obligee, and the child now live in the Commonwealth, the Department may (i) enforce the order without registration, using all enforcement remedies available under this chapter and (ii) register the order in the appropriate tribunal of the Commonwealth for enforcement or modification.

§ 63.2-1904. Administrative support remedies available for individuals not receiving public assistance; fees.

The Department shall make available to those individuals not receiving public assistance, upon receipt of an authorization to seek or enforce a support obligation the same support services provided to recipients of public assistance. These services may include, but are not limited to:

1. Locating noncustodial parents to obtain child support;
2. Establishing paternity;
3. Establishing or modifying child support obligations, that shall include a provision for health care coverage for dependent children of the obligor; and
4. Enforcing and collecting child support obligations; however, the only support in arrears that may be enforced by administrative action are (i) arrearages accrued or accruing under a court order or decree or (ii) arrearages on an administrative order accruing from the entry of such administrative order.

No individual shall be required to obtain support services from the Department prior to commencing a judicial proceeding to establish, modify, enforce or collect a child support obligation.

The Board shall charge a fee of one dollar upon application for services pursuant to this section. At the option of the Department, the fee may be paid by the Department on behalf of all applicants.

The Department is further designated as the public entity responsible for implementing immediate income withholding pursuant to § 466 of the Social Security Act, as amended.

§ 63.2-1905. Establishment of State Case Registry.

The Department shall keep and maintain a State Case Registry (Registry) that contains case records of services provided by the Division of Child Support Enforcement, as well as each support order established or modified in the Commonwealth. Records contained in this Registry shall be promptly updated, maintained, and regularly monitored, and shall include (i) information on administrative actions and administrative and judicial proceedings and orders relating to paternity establishment and support; (ii) information obtained from comparison with federal, state or local sources of information; (iii) information on support collections and distributions; and (iv) any other relevant information. The Supreme Court of Virginia shall report information concerning judicial proceedings and orders relating to paternity and support to the Department. The Department shall be permitted to disseminate Registry information for information comparisons with other state and federal agencies, and as may be required

8774 pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law
8775 104-193) and any regulations adopted thereto. Such information comparison activities shall include the
8776 following: (a) Federal Case Registry of Child Support Orders, (b) Federal Parent Locator Service, (c)
8777 Temporary Assistance for Needy Families and Medicaid, and (d) intrastate and interstate information
8778 comparisons.

8779 § 63.2-1906. Department may disclose information to Internal Revenue Services.

8780 Upon approval of the Department of Health and Human Services, the Department may disclose to
8781 and keep the Internal Revenue Services of the Treasury of the United States advised of the names of all
8782 persons who are under legal obligation to support any dependent child or dependent children or their
8783 custodial parents and who are not doing so, to the end that the Internal Revenue Services may have
8784 available to it the names of such persons for review in connection with income tax returns and claims of
8785 dependencies made by persons filing income tax returns.

8786 § 63.2-1907. Child support enforcement; private contracts.

8787 A. Pursuant to the authority granted in § 63.2-1901, child support enforcement field work
8788 administrative functions and central office payment processing functions in the Commonwealth may be
8789 performed by private entities. The Department shall supervise the administration of the child support
8790 enforcement program, let and monitor all contracts with private entities and ensure compliance with
8791 applicable state and federal laws and regulations. The Department may also enter into contracts with
8792 private collection agencies and other entities to effect the collection of child support arrearages.
8793 Contracts entered into pursuant to this section shall be in accordance with the applicable laws and
8794 regulations governing public entities pursuant to the Public Procurement Act (§ 2.2-4300 et seq.). Any
8795 contract to perform child support enforcement field work administrative functions and central office
8796 payment processing functions entered into by the Department shall contain a provision that the entity to
8797 whom the contract is awarded shall give employment preference to qualified persons whose employment
8798 with the Division of Child Support Enforcement is terminated as a result of the privatization of child
8799 support enforcement functions. Notwithstanding any other provision of law, when hiring to fill vacant
8800 positions within the Department, preference shall be given to qualified persons who are unable to obtain
8801 employment with an entity who is awarded a contract to perform child support enforcement field work
8802 administrative functions and central office payment processing functions pursuant to this section and
8803 whose employment with the Division of Child Support Enforcement is terminated as a result of the
8804 privatization of child support enforcement functions.

8805 B. The Board shall establish guidelines to implement the Department's responsibilities under this
8806 section. Such guidelines shall specify procedures by which child support enforcement funding
8807 mechanisms authorized by state and federal law are allocated to fund central office and privatized child
8808 support enforcement functions.

8809 C. By July 1 of each year, the Department shall submit a written report to the Governor and
8810 General Assembly with a detailed summary and evaluation of the privatization of child support
8811 enforcement programs.

8812 Article 2.

8813 Public Assistance.

8814 § 63.2-1908. Payment of public assistance for child or custodial parent constitutes debt to
8815 Department by noncustodial parents; limitations; Department subrogated to rights.

8816 Any payment of public assistance money made to or for the benefit of any dependent child or
8817 children or their custodial parent creates a debt due and owing to the Department by the person or
8818 persons who are responsible for support of such children or custodial parent in an amount equal to the
8819 amount of public assistance money so paid. However, if a custodial parent receives TANF payments for
8820 some of the custodial parent's dependent children but not for other children pursuant to § 63.2-604, the
8821 custodial parent shall receive the total amount of support collected for the children for whom no TANF
8822 benefits are received. Such support payments shall not create a debt due and owing to the Department
8823 and the value of such payments shall not be counted as income for purposes of TANF eligibility and
8824 grant determination. Where there has been a court order for support, final decree of divorce ordering
8825 support, or administrative order under the provisions of this chapter for support, the debt shall be
8826 limited to the amount of such order or decree. The Commissioner, pursuant to § 63.2-1922, shall
8827 establish the debt in an amount determined to be consistent with a noncustodial parent's ability to pay.
8828 The Department shall have the right to petition the appropriate court for modification of a court order
8829 on the same grounds as either party to such cause.

8830 The Department shall be subrogated to the right of such child or children or custodial parent to
8831 prosecute or maintain any support action or execute any administrative remedy existing under the laws
8832 of the Commonwealth to obtain reimbursement of moneys thus expended and may collect on behalf of
8833 any such child, children or custodial parent any amount contained in any court order of support or any
8834 administrative order of support regardless of whether or not the amount of such orders exceeds the
8835 amount of public assistance paid. Any support paid in excess of the total amount of public assistance

paid shall be returned to the custodial parent by the Department. If a court order for support or final decree of divorce ordering support enters judgment for an amount of support to be paid by such noncustodial parent, the Department shall be subrogated to the debt created by such order, and said money judgment shall be deemed to be in favor of the Department. In any judicial proceeding brought by an attorney on behalf of the Department pursuant to this section to enforce a support obligation in which the Department prevails, attorney's fees shall be assessed pursuant to § 63.2-1960.

The Department shall have the authority to pursue establishment and enforcement actions against the person responsible for support after the closure of the public assistance case unless the custodial parent notifies the Department in writing that child support enforcement services are no longer desired.

Debt created by an administrative support order under this section shall not be incurred by nor at any time be collected from a noncustodial parent who is the recipient of public assistance moneys for the benefit of minor dependent children for the period such person or persons are in such status. Recipients of federal supplemental security income shall not be subject to the establishment of an administrative support order while they receive benefits from that source.

§ 63.2-1909. Receipt of public assistance for child as assignment of right in support obligation; Commissioner as attorney for endorsing drafts.

By accepting public assistance for or on behalf of a child or children, the recipient shall be deemed to have made an assignment to the Department of any and all right, title, and interest in any support obligation and arrearages owed to or for such child or children or custodial parent up to the amount of public assistance money paid for or on behalf of such child or children or custodial parent for such term of time as such public assistance moneys are paid; provided, however, that the Department may thereafter continue to collect any outstanding support obligation or arrearage owed to the Department as a result of such assignment up to the amount of public assistance money paid for or on behalf of such child or children or custodial parent which has not been paid by the noncustodial parent. The recipient shall also be deemed, without the necessity of signing any document, to have appointed the Commissioner as his or her true and lawful attorney-in-fact to act in his or her name, place, and stead to perform the specific act of endorsing any and all drafts, checks, money orders or other negotiable instruments representing support payments which are received on behalf of such child or children or custodial parent as reimbursement for the public assistance moneys previously paid to such recipient.

§ 63.2-1910. Payment of foster care expenditures for child constitutes debt to local department by noncustodial parents; limitations; local department subrogated to rights.

Any payment by a local department or public agency designated by a community policy and management team for room, board, and social services for a child in the custody of, or placed with, the local department or public agency designated by the community policy and management team, creates a debt due and owing to the local department or public agency by the persons responsible for support of such child in an amount equal to the amount paid by the local department or designated public agency and shall be assessable by the local department or designated public agency. However, where there has been a court order for support, final decree of divorce ordering support, or administrative order for support, the debt shall be limited to the amount of such order or decree. The Commissioner, pursuant to § 63.2-1922, or the court, pursuant to § 16.1-290, shall establish the debt in an amount determined to be consistent with the noncustodial parent's ability to pay. The Department, local department, or designated public agency shall have the right to petition the appropriate court for modification of a court order on the same grounds as either party to such cause.

The Department shall be subrogated to the right of such child to prosecute or maintain any support action or execute any administrative remedy existing under the laws of the Commonwealth to obtain reimbursement of moneys thus expended, and may collect on behalf of any such child any amount contained in any court order of support or any administrative order of support regardless of whether or not the amount of such orders exceeds the total amount paid by the local department or designated public agency. Any support paid in excess of the total amount shall be maintained in an account at the local department or designated public agency on behalf of the child. Any funds remaining in the account at the time that the child leaves foster care shall be paid either to the new legal guardian or to the child if he has been emancipated. If a court order for support or final decree of divorce ordering support enters judgment for an amount of support to be paid by such noncustodial parent, the Department shall be subrogated to the debt created by such order, and the money judgment shall be deemed to be in favor of the Department. In any judicial proceeding brought by an attorney on behalf of the Department pursuant to this section to enforce a support obligation in which the Department prevails, attorney's fees shall be assessed pursuant to § 63.2-1960.

The Department shall have the authority to pursue establishment and enforcement actions against the persons responsible for support after the local department or designated public agency no longer has custody of the child or responsibility for foster care placement.

Debts created by an administrative support order under this section shall not be incurred by nor at

any time collected from a noncustodial parent who is the recipient of public assistance for the benefit of minor dependent children for the period such person is in such status. Recipients of federal supplemental security income shall not be subject to the establishment of an administrative support order while they receive benefits from that source.

§ 63.2-1911. Duty of local departments to enforce support; referral to Department.

Whenever a local department approves an application for public assistance on behalf of a child or children and it appears to the satisfaction of the local department that the child has been abandoned by the noncustodial parent or that the person who has a responsibility for the care, support, or maintenance of such child has failed or neglected to give proper care or support to such child, the local department shall refer the matter to the Division within the Department responsible for the enforcement of support.

§ 63.2-1912. Minor noncustodial parents whose child receives TANF; child support obligations.

If a minor noncustodial parent whose child receives TANF is not in compliance with compulsory school attendance laws in Article 1 (§ 22.1-254 et seq.) of Chapter 14 of Title 22.1, he shall be required to pay child support as if he were an adult, and child support shall be collected.

Article 3.

Paternity.

§ 63.2-1913. Administrative establishment of paternity.

The Department may establish the parent and child relationship between a child and a man upon request, verified by oath or affirmation, filed by a child, a parent, a person claiming parentage, a person standing in loco parentis to the child or having legal custody of the child, or a representative of the Department or the Department of Juvenile Justice. The request may be filed at any time before the child attains the age of eighteen years.

Pursuant to subsection F of § 63.2-1903, the Department may summons a parent or putative parent to appear in the office of the Division of Child Support Enforcement to provide such information as may be necessary to the proceeding.

Paternity may be established by a written statement of the father and mother made under oath acknowledging paternity or scientifically reliable genetic tests, including blood tests, which affirm at least a ninety-eight percent probability of paternity. The Department may order genetic testing and shall pay the costs of such tests, subject to recoupment from the father, if paternity is established. Where an original test is contested and additional testing is requested, the Department may require advance payment by the contestant.

Before a voluntary acknowledgment of paternity is accepted by the Department as the basis for establishing paternity, the Department shall provide to both the mother and the putative father a written and oral description of the rights and responsibilities of acknowledging paternity and the consequences that arise from a signed acknowledgment, including the right to rescind the acknowledgment within the earlier of (i) sixty days from the date of signing or (ii) the date of entry of an order in an administrative or judicial proceeding relating to the child in which the signatory is a party.

A genetic test result affirming at least a ninety-eight percent probability of paternity shall have the same legal effect as a judgment entered pursuant to § 20-49.8. When sixty days have elapsed from its signing, a voluntary statement acknowledging paternity shall have the same legal effect as a judgment entered pursuant to § 20-49.8 and shall be binding and conclusive unless, in a subsequent judicial proceeding, the person challenging the statement establishes that the statement resulted from fraud, duress or a material mistake of fact. In any subsequent proceeding in which a statement acknowledging paternity is subject to challenge, the legal responsibilities of any person signing it shall not be suspended during the pendency of the proceeding, except for good cause shown.

The order of the Department in proceedings pursuant to this section shall be served upon the putative father in accordance with the provisions of Chapter 8 (§ 8.01-285 et seq.) or Chapter 9 (§ 8.01-328 et seq.) of Title 8.01. The Department shall file a copy of its order determining paternity, including the information required by subsection C of § 20-49.8, with the State Registrar of Vital Records within thirty days after the acknowledgment becomes binding and conclusive or the order otherwise becomes final. No judicial or administrative proceeding shall be required to ratify an unchallenged acknowledgment of paternity nor shall the Department or the courts have any jurisdiction over proceedings to ratify an unchallenged acknowledgment.

§ 63.2-1914. Hospital paternity establishment programs.

Each public and private birthing hospital in the Commonwealth shall provide unwed parents the opportunity to legally establish the paternity of a child prior to the child's discharge from the hospital following birth, by means of a voluntary acknowledgment of paternity signed by the mother and the father, under oath.

Birthing hospitals are defined as hospitals with licensed obstetric-care units, hospitals licensed to provide obstetric services, or licensed birthing centers associated with a hospital. Birthing centers are facilities outside hospitals that provide maternity services.

Designated staff members of such hospitals shall provide to both the mother and the alleged father, if he is present at the hospital, (i) written materials regarding paternity establishment, (ii) the forms necessary to voluntarily acknowledge paternity, (iii) a written and oral description of the rights and responsibilities of acknowledging paternity, and (iv) the opportunity, prior to the child's discharge from the hospital, to speak with staff who are trained to provide information and answer questions about paternity establishment. The provision by designated hospital staff members of the information required by this section, consistent with federal regulations, shall not constitute the unauthorized practice of law pursuant to Chapter 39 (§ 54.1-3900 et seq.) of Title 54.1.

Hospitals shall send the original acknowledgment of paternity containing the social security numbers, if available, of both parents, with the information required by Article 2 (§ 32.1-257 et seq.) of Chapter 7 of Title 32.1, to the State Registrar of Vital Records so that the birth certificate issued includes the name of the legal father of the child.

The Department shall (a) provide to birthing hospitals all necessary materials and forms, and a written description of the rights and responsibilities related to voluntary acknowledgment of paternity; (b) provide the necessary training, guidance and written instructions regarding voluntary acknowledgment of paternity; (c) annually assess each birthing hospital's paternity establishment program; (d) pay to each hospital an amount determined by regulation of the Board for each acknowledgment of paternity signed under oath by both parents; and (e) determine if a voluntary acknowledgment has been filed with the State Registrar of Vital Records in cases applying for paternity establishment services.

Article 4.

Orders and Review.

§ 63.2-1915. Administrative support order.

All administrative orders issued by the Department shall have the same force and effect as a court order. However, any order issued by a court of this Commonwealth supersedes an administrative order.

§ 63.2-1916. Notice of administrative support order; contents; hearing; modification.

The Commissioner may proceed against a noncustodial parent whose support debt has accrued or is accruing based upon subrogation to, assignment of, or authorization to enforce a support obligation. Such obligation may be created by a court order for support of a child or child and spouse or decree of divorce ordering support of a child or child and spouse. In the absence of such a court order or decree of divorce, the Commissioner may, pursuant to this chapter, proceed against a person whose support debt has accrued or is accruing based upon payment of public assistance or who has a responsibility for the support of any dependent child or children and their custodial parent. The administrative support order shall also provide that support shall continue to be paid for any child over the age of eighteen who is (i) a full-time high school student, (ii) not self-supporting, and (iii) living in the home of the parent seeking or receiving child support, until such child reaches the age of nineteen or graduates from high school, whichever comes first. The Commissioner shall initiate proceedings by issuing notice containing the administrative support order which shall become effective unless timely contested. The notice shall be served upon the debtor (a) in accordance with the provisions of §§ 8.01-296, 8.01-327 or § 8.01-329 or (b) by certified mail, return receipt requested, or the debtor may accept service by signing a formal waiver. A copy of the notice shall be sent to the obligee by first-class mail. The notice shall include the following:

1. A statement of the support debt or obligation accrued or accruing and the basis and authority under which the assessment of the debt or obligation was made;

2. A statement of the name of the child or children and custodial parent for whom support is being sought;

3. A statement that support shall continue to be paid for any child over the age of eighteen who is (i) a full-time high school student, (ii) not self-supporting, and (iii) living in the home of the parent seeking or receiving child support, until such child reaches the age of nineteen or graduates from high school, whichever comes first;

4. A demand for immediate payment of the support debt or obligation or, in the alternative, a demand that the debtor file an answer with the Commissioner within ten days of the date of service of the notice stating his defenses to liability;

5. A statement of each party's name, residential and, if different, mailing address, telephone number, driver's license number, and the name, address and telephone number of his employer; however, when a protective order has been issued or the Department otherwise finds reason to believe that a party is at risk of physical or emotional harm from the other party, information other than the name of the party at risk shall not be included in the notice;

6. A statement that if no answer is made on or before ten days from the date of service of the notice, the administrative support order shall be final and enforceable, and the support debt shall be assessed and determined subject to computation, and is subject to collection action;

7. A statement that the property of the debtor will be subject to lien and foreclosure, distraint, seizure and sale or an order to withhold and deliver or withholding of earnings;

8. A statement that the obligor shall keep the Department informed regarding access to health insurance coverage and health insurance policy information and a statement that health care coverage shall be required for the debtor's dependent children if available at reasonable cost as defined in § 63.2-1900;

9. A statement of each party's right to appeal and the procedures applicable to appeals from the decision of the Commissioner;

10. A statement that the obligor's income shall be immediately withheld to comply with this order unless the obligee, or the Department, if the obligee is receiving public assistance, and obligor agree to an alternative arrangement;

11. A statement that any determination of a support obligation under this section creates a judgment by operation of law and as such is entitled to full faith and credit in any other state or jurisdiction;

12. A statement that each party shall give the Department written notice of any change in his address or phone number within thirty days; and

13. A statement that each party shall keep the Department informed of the name, telephone number and address of his current employer.

If no answer is received by the Commissioner within ten days of the date of service or acceptance, the administrative support order shall be effective as provided in the notice. The Commissioner may initiate collection procedures pursuant to this chapter, Chapter 11 (§ 16.1-226 et seq.) of Title 16.1 or Title 20. The debtor and the obligee have ten days from the date of receipt of the notice to file an answer with the Commissioner to exercise the right to an administrative hearing.

Any changes in the amount of the administrative order must be made pursuant to this section. In no event shall an administrative hearing alter or amend the amount or terms of any court order for support or decree of divorce ordering support. No support order may be retroactively modified, but may be modified with respect to any period during which there is a pending petition for modification, but only from the date that notice of the review has been served on the nonrequesting party. Notice of the review shall be served for each review (1) in accordance with the provisions of §§ 8.01-296, 8.01-327 or § 8.01-329, or (2) by certified mail, with proof of actual receipt by the addressee, or (3) by the nonrequesting party executing a waiver. The existence of an administrative order shall not preclude either an obligor or obligee from commencing appropriate proceedings in a juvenile and domestic relations district court or a circuit court.

§ 63.2-1917. When delivery of notice to party at last known address may be deemed sufficient.

In any subsequent child support enforcement proceeding between the parties, upon sufficient showing that diligent effort was made to ascertain the location of a party, that party may be served with any required notice by delivery of the written notice to that party's residential or business address as filed with the court pursuant to § 20-60.3 or the Department, or if changed, as shown in the records of the Department or the court. However, any person served with notice as provided in this section may challenge, in a subsequent judicial proceeding, an order entered based upon such service on the grounds that he did not receive the notice and enforcement of the order would constitute manifest injustice.

§ 63.2-1918. Administrative establishment of obligations.

The Department shall set child support at the amount resulting from computations pursuant to the guideline set out in § 20-108.2 in determining the required monthly support obligation, the amount of support obligation arrearage, if any, and the amount to be paid periodically against such arrearage. There shall be a rebuttable presumption that the amount of the award which would result from the application of the guidelines is the correct amount of child support to be awarded. In order to rebut the presumption the Department shall make written findings in its order that the application of the guidelines would be unjust or inappropriate in a particular case as determined by relevant evidence pertaining to support for other children in the household or other children for whom any administrative or court order exists, or relevant evidence pertaining to imputed income to a person who is voluntarily unemployed or who fails to provide verification of income upon request of the Department; provided that income may not be imputed to the custodial parent because (i) a child is not regularly attending school, (ii) child care services are not available, or (iii) the cost of such child care services are not added to the basic child support obligation. Additional factors that may lead to rebuttal of the presumption shall be determined by Department regulation.

§ 63.2-1919. Requirement to provide financial statements.

Any noncustodial parent in the Commonwealth whose absence or failure to provide support and maintenance is the basis upon which an application is filed for child support services or public assistance and any custodial parent who applies for public assistance or child support services shall be required to complete a statement of his or her current monthly income, his or her total income over the past twelve months, amounts due from or to such person or parent under any court or administrative

orders for support of a child or child and spouse, the number of dependents for whom he or she is providing support, the amount he or she is contributing regularly toward the support of all children or custodial parents for whom application is made, and such other information as is pertinent to determining his or her ability to support his or her children or custodial parent. Such noncustodial parent shall certify under penalty of perjury the correctness of the statement. Such statement shall be provided upon demand made by the Department or any attorney representing the Department. Additional statements shall be filed annually thereafter with the Department as long as a debt to the Department exists or as long as there is an authorization for the Department to collect or enforce a support obligation. Failure to comply with this section shall constitute a Class 4 misdemeanor.

§ 63.2-1920. Department may order exchange of financial information.

The Department may order the obligor and payee to notify each other at specified intervals of current gross income as defined in § 20-108.2 and any other pertinent information which may affect child support amounts. For good cause shown, the Department may order that such information be provided to the Department and made available to the parties for inspection in lieu of the parties' providing such information directly to each other.

§ 63.2-1921. Authority to initiate reviews of certain orders.

A. The Department may, pursuant to this chapter and in accordance with § 20-108.2, initiate a review of the amount of support ordered by any court. If a material change in circumstances has occurred, the Department shall report its findings and a proposed modified order to the court which entered the order or the court having current jurisdiction. Notice of the review shall be served for each review on both parties (i) in accordance with the provisions of §§ 8.01-296, 8.01-327 or § 8.01-329, or (ii) by certified mail, with proof of actual receipt by the addressee, or (iii) by the nonrequesting party executing a waiver. Either party may request a hearing on the proposed modified order by filing a request with such court within thirty days of receipt of notice by the requesting party. Unless a hearing is requested within the time limits, no hearing shall be required and the court shall enter the modified order, which shall be effective from the date that notice of such review was served on the nonrequesting party. The court shall modify any prior court order, or schedule a hearing on its motion and so notify the parties and the Department. If a hearing is held, the Department shall have the burden of proof.

B. However, if the order being reviewed by the Department deviated from the guidelines, when entered, based on one or more of the deviating factors set out in § 20-108.1 and the Department determines that there has been a material change in circumstances, the procedure set forth in subsection A shall not apply and the Department shall schedule a hearing with the court which entered the order or the court having current jurisdiction.

C. A material change in circumstances shall be deemed to have occurred if the difference between the existing child support award and the amount which would result from application of the guidelines is at least ten percent of the existing child support award but not less than twenty-five dollars per month.

§ 63.2-1922. Commissioner may set amount of debt accrued where no court order or final divorce decree.

The Commissioner may, at any time, consistent with the provisions of § 63.2-1918, set or reset the amount of the debt accrued or accruing, due and owing under this chapter in those cases where there has been no court order for support or final decree of divorce ordering support entered.

Article 5.

Income Withholding.

§ 63.2-1923. Immediate withholding from income; exception; notices required.

A. Every administrative support order directing a noncustodial parent to pay child or child and spousal support shall provide for immediate income withholding from the noncustodial parent's income as defined in § 63.2-1900 of an amount for current support plus an amount to be applied toward liquidation of arrearages, if any, unless the obligor and the Department, on behalf of the obligee, agree to a written alternative payment arrangement, or good cause is shown. Good cause shall be based upon a written determination that, and explanation by the Department of why, implementing immediate withholding would not be in the best interests of the child. The total amount withheld shall not exceed the maximum amount permitted under § 34-29.

B. The order shall include, but not be limited to, notice (i) of the amount that will be withheld, (ii) that the withholding applies to any current or subsequent period of employment, (iii) of the right to contest whether a duty of support is owed and the information specified in the administrative order is correct, (iv) that a written request to appeal the withholding shall be made to the Department within ten days of receipt of the notice, and (v) of the actions that will be taken by the Department if an appeal is noted, which shall include the opportunity to present his objections to the administrative hearing officer at a hearing held pursuant to § 63.2-1942. Upon service of the order on the employer by certified mail, or service in accordance with the provisions of §§ 8.01-296, 8.01-327 or § 8.01-329, the employer shall

9143 deliver the order to the noncustodial parent. A copy shall be sent by first-class mail to the obligee.

9144 C. The noncustodial parent's employer shall be issued by certified mail or by electronic means,
9145 including facsimile transmission, an administrative order for withholding of income which shall conform
9146 to § 20-79.3. The rights and responsibilities of an employer with respect to such orders are set out in
9147 § 20-79.3.

9148 D. If the Department or its designee receives payments deducted from income of an obligor pursuant
9149 to more than one administrative order or a combination of judicial and administrative orders, the
9150 Department shall ensure that such payments are allocated among the obligees under such orders with
9151 priority given to payment of the order for current support. Where the Department or its designee
9152 receives payments pursuant to two or more orders for current support, the payments received shall be
9153 prorated on the basis of the amounts due under each such order. Upon satisfaction of any amounts due
9154 for current support, the remainder of the payments received shall be prorated on the basis of amount
9155 due under each such order. Upon satisfaction of any amounts due for current support, the remainder of
9156 the payments received shall be prorated on the basis of amounts due under any orders for accrued
9157 arrearages.

9158 E. Administrative orders for withholding from income shall be promptly terminated or modified by
9159 the Department when (i) the obligation to support has been satisfied and arrearages have been paid, (ii)
9160 the whereabouts of the child or child and custodial parent become unknown, or (iii) modification is
9161 appropriate because of a change in the amount of the obligation.

9162 § 63.2-1924. Withholding from income; default of administrative or judicial support order; notices
9163 required; priorities; orders from other states.

9164 A. As part of every administrative support order directing a noncustodial parent to pay child or child
9165 and spousal support or by separate order at any time thereafter, provision shall be made for
9166 withholding from the income of the noncustodial parent the amount of the withholding order plus an
9167 amount to be applied toward liquidation of arrearages if the noncustodial parent fails to make payments
9168 in an amount equal to the support payable for one month. The total amount withheld shall not exceed
9169 the maximum amount permitted under § 34-29.

9170 B. Upon default of an administrative or judicial support order, the Department shall serve notice on
9171 the noncustodial parent of the delinquency in accordance with the provisions of §§ 8.01-296, 8.01-327,
9172 or § 8.01-329 or by certified mail or electronic means, including facsimile transmission, for delivery to
9173 the noncustodial parent. The obligee shall also be sent a copy of such notice. The notice shall inform
9174 the noncustodial parent (i) of the amount that will be withheld, (ii) that the withholding applies to any
9175 current or subsequent period of employment, (iii) of the right to contest but that the only basis for
9176 contesting the withholding is a mistake of fact, (iv) that a written request to contest the withholding
9177 must be made to the Department within ten days of receipt of the notice, (v) of the actions that will be
9178 taken by the Department if a request to contest is noted, which shall include the opportunity to present
9179 his objections, which shall be limited to a mistake of fact, to the administrative hearing officer at a
9180 hearing held pursuant to § 63.2-1942, (vi) that a determination on the contest will be made no later
9181 than forty-five days from the date of service of such notice, and (vii) that payment of overdue support
9182 upon receipt of the required notice shall not be a bar to the implementation of withholding. Upon
9183 service of the notice on the employer for delivery to the obligor, a copy shall be sent by first-class mail
9184 to the obligee.

9185 C. The noncustodial parent's employer shall be issued by certified mail or by electronic means,
9186 including facsimile transmission, an administrative order for withholding of income that shall conform to
9187 § 20-79.3. The rights and responsibilities of an employer with respect to such orders are set out in
9188 § 20-79.3.

9189 D. The Department shall have the authority in the issuance of an administrative order under
9190 § 20-79.3, based on an existing court order, to convert the terms of payment to conform with the
9191 obligor's pay period interval. The Department shall utilize the conversion formula established by the
9192 Committee on District Courts.

9193 E. If the Department or its designee receives payments deducted from income of an obligor pursuant
9194 to more than one administrative order or a combination of judicial and administrative orders, the
9195 Department shall ensure that such payments are allocated among the obligees under such orders with
9196 priority given to payment of the order for current support. Where the Department or its designee
9197 receives payments pursuant to two or more orders for current support, the payments received shall be
9198 prorated on the basis of the amounts due under each such order. Upon satisfaction of any amounts due
9199 for current support, the remainder of the payments received shall be prorated on the basis of amounts
9200 due under each such order. Upon satisfaction of any amounts due for current support, the remainder of
9201 the payments received shall be prorated on the basis of amounts due under any orders for accrued
9202 arrearages.

9203 F. Administrative orders for withholding from income shall be promptly terminated or modified by
9204 the Department when (i) the obligation to support has been satisfied and arrearages have been paid, (ii)

the whereabouts of the child or child and custodial parent become unknown, or (iii) modification is appropriate because of a change in the amount of the obligation.

G. If a court of competent jurisdiction or the agency operating pursuant to an approved state plan under Sections 452 and 454 of the Social Security Act, as amended, in any state, territory of the United States or the District of Columbia has ordered a person to pay child or child and spousal support, upon notice and hearing as provided in this section, the Department shall issue an order, conforming to § 20-79.3, to the noncustodial parent's employer in this Commonwealth to withhold from the income of the noncustodial parent pursuant to a foreign support order in the same manner as provided in this section for administrative orders originating in this Commonwealth. Similar orders of the Department may be enforced in a similar manner in such other state, territory or district.

§ 63.2-1925. Certain amount of income that may be withheld by lien or order.

Whenever a support lien, order to withhold and deliver property or order for withholding of income is served upon any person, firm, corporation, association, political subdivision or department of this Commonwealth asserting a support debt against income and there is any such income in the possession of such person, then that person shall withhold from the disposable income as defined in § 63.2-100 (i) the amount stated in the lien, the order to withhold and deliver property, or the order for withholding of income; or (ii) the maximum amount permitted under § 34-29, whichever is less. The order shall show the maximum percentage of disposable income which may be withheld pursuant to § 34-29. The lien or order to withhold and deliver shall continue to operate and require such person, firm, corporation, association, political subdivision, or department of this Commonwealth to withhold the nonexempt portion of income at each succeeding income disbursement interval until the entire amount of the support debt stated in the lien has been withheld. The order for withholding of income continues until further notice by certified mail, return receipt requested, from the Department is received by the employer.

§ 63.2-1926. Withholding pursuant to foreign support order.

If a court of competent jurisdiction or the agency operating pursuant to an approved state plan under Sections 452 and 454 of the Social Security Act, as amended, in any state, territory of the United States or the District of Columbia has ordered a person to pay child or child and spousal support, upon notice and hearing as provided in this section, the Department shall order such noncustodial parent's employer in this Commonwealth to withhold from the earnings of the noncustodial parent pursuant to a foreign support order in the same manner as provided in §§ 63.2-1924 and 63.2-1923.

Article 6.

Enforcement Remedies.

§ 63.2-1927. Assertion of lien; effect.

Ten days after service of the notice containing the proposed administrative support order as provided in § 63.2-1916, or immediately upon receipt by the Department of a support order from a jurisdiction outside of Virginia, a lien may be asserted by the Commissioner upon the real or personal property of the debtor. The claim of the Department for a support debt, not paid when due, shall be a lien when docketed against all property of the debtor in the county or city where docketed with priority of a secured creditor. However, the lien of the Department shall be subordinate to the lien of any prior mortgagee. This lien shall be separate and apart from, and in addition to, any other lien created by, or provided for, in this title. Such order, when an abstract thereof is docketed with the circuit court, shall have the same effect as a docketed abstract of judgment from another Virginia court.

Whenever a support lien has been filed and there is in the possession of any person, firm, corporation, association, political subdivision or department of the Commonwealth having notice of such lien, any property which may be subject to the support lien, such property shall not be paid over, released, sold, transferred, encumbered or conveyed, except as provided for by the exemptions contained in § 63.2-1933, unless a written release or waiver signed by the Commissioner has been delivered to such person, firm, corporation, association, political subdivision or department of the Commonwealth or unless a determination has been made in a hearing pursuant to § 63.2-1916 or by a court ordering release of such support lien on the basis that no debt exists or that the debt has been satisfied.

§ 63.2-1928. Service of lien.

The Commissioner may at any time after the filing of a support lien serve a copy of said lien upon any person, firm, corporation, association, political subdivision or department of the Commonwealth in possession of earnings, or deposits or balances held in any bank account of any nature that are due, owing, or belonging to such debtor. Such support lien shall be served upon the person, firm, corporation, association, political subdivision or department of the Commonwealth either in the manner prescribed for the service of warrant in a civil action or by certified mail, return receipt requested. At any time after a support lien has been filed, the Director may notify consumer credit reporting agencies that the lien has been filed. No lien filed under § 63.2-1927 shall have any effect against earnings or bank deposits or balances unless it states the amount of the support debt accrued and unless service

9266 upon such person, firm, corporation, association, political subdivision or department of the
9267 Commonwealth in possession of earnings or bank accounts, deposits or balances is accomplished
9268 pursuant to this section.

9269 § 63.2-1929. Orders to withhold and to deliver property of debtor; issuance and service; contents;
9270 right to appeal; answer; effect; delivery of property; bond to release; fee; exemptions.

9271 A. After notice containing an administrative support order has been served or service has been
9272 waived or accepted, an opportunity for a hearing has been exhausted and a copy of the order furnished
9273 as provided for in § 63.2-1916, or whenever a court order for child or child and spousal support has
9274 been entered, the Commissioner is authorized to issue to any person, firm, corporation, association,
9275 political subdivision or department of the Commonwealth, orders to withhold and to deliver property of
9276 any kind including, but not restricted to, income of the debtor, when the Commissioner has reason to
9277 believe that there is in the possession of such person, firm, corporation, association, political subdivision
9278 or department of the Commonwealth, property that is due, owing, or belonging to such debtor. The
9279 orders to withhold and to deliver shall take priority over all other debts and creditors under state law
9280 of such debtor except with respect to a prior payroll deduction or income withholding order pursuant to
9281 §§ 20-79.1, 20-79.2, 63.2-1923 or 63.2-1924.

9282 B. The order to withhold shall also be served upon the debtor within a reasonable time thereafter,
9283 and shall state the amount of the support debt accrued. The order shall state in summary the terms of
9284 §§ 63.2-1925 and 63.2-1930 and shall be served in the manner prescribed for the service of a warrant
9285 in a civil action or by certified mail, return receipt requested. The order to withhold shall advise the
9286 debtor that this order has been issued to cause the property of the debtor to be taken to satisfy the debt
9287 and advise of property that may be exempted from this order. The order shall also advise the debtor of
9288 a right to appeal such order based upon a mistake of fact and that if no appeal is made within ten days
9289 of being served, his property is subject to be taken.

9290 C. If the debtor believes such property is exempt from this debt, within ten days of the date of
9291 service of the order to withhold, the debtor may file an appeal to the Commissioner stating any
9292 exemptions that may be applicable. If the Commissioner receives a timely appeal, a hearing shall be
9293 promptly scheduled before a hearing officer upon reasonable notice to the obligee. The Commissioner
9294 may delegate authority to conduct the hearing to a duly qualified hearing officer who shall consider the
9295 debtor's appeal. Action by the Commissioner under the provisions of this chapter to collect such support
9296 debt shall be valid and enforceable during the pendency of any appeal.

9297 The decision of the hearing officer shall be in writing and shall set forth the debtor's rights to
9298 appeal an adverse decision of the hearing officer pursuant to § 63.2-1943. The decision shall be served
9299 upon the debtor in accordance with the provisions of §§ 8.01-296, 8.01-327 or § 8.01-329 or mailed to
9300 the debtor at his last known address by certified mail, return receipt requested, or service may be
9301 waived. A copy of such decision shall also be mailed to the obligee. Such decision shall establish
9302 whether the debtor's property is exempt under state or federal laws and regulations.

9303 D. Any person, firm, corporation, association, political subdivision or department of the
9304 Commonwealth upon whom service has been made is hereby required to answer such order to withhold
9305 within ten days, exclusive of the day of service, under oath and in writing, and shall file true answers to
9306 the matters inquired of therein. In the event there is in the possession of any such person, firm,
9307 corporation, association, political subdivision or department of the Commonwealth, any property that
9308 may be subject to the claim of the Department, such property shall be withheld immediately upon
9309 receipt of the order to withhold, together with any additional property received by such person, firm,
9310 corporation, association, political subdivision, or department of the Commonwealth valued up to the
9311 amount of the order until receipt of an order to deliver or release. The property shall be delivered to
9312 the Commissioner upon receipt of an order to deliver; however, distribution of the property shall not be
9313 made during pendency of all appeals. Where money is due and owing under any contract of
9314 employment, express or implied, or is held by any person, firm, corporation, or association, political
9315 subdivision or department of the Commonwealth subject to withdrawal by the debtor, such money shall
9316 be delivered by remittance payable to the order of the Treasurer of Virginia. The person, firm,
9317 corporation, political subdivision or department of the Commonwealth herein specified shall be entitled
9318 to receive from such debtor a fee of five dollars for each answer or remittance on account of such
9319 debtor. The foregoing is subject to the exemptions contained in §§ 63.2-1925 and 63.2-1933.

9320 E. Delivery to the Commissioner shall serve as full acquittance and the Commonwealth warrants and
9321 represents that it shall defend and hold harmless for such actions persons delivering money or property
9322 to the Commissioner pursuant to this chapter.

9323 F. An order issued to an employer for withholding from the earnings of an employee pursuant to this
9324 section shall conform to § 20-79.3. The rights and obligations of an employer with respect to the order
9325 are set out in § 20-79.3.

9326 § 63.2-1930. Civil liability upon failure to comply with lien, order, etc.

9327 Should any person, firm, corporation, association, political subdivision or department of this

Commonwealth fail to answer an order to withhold and deliver within the time prescribed herein, or fail to refuse to deliver property pursuant to said order, or after actual notice of filing of a support lien, pay over, release, sell, transfer, or convey real or personal property subject to a support lien to or for the benefit of the debtor or any other person, or fail or refuse to surrender upon demand property distrained under § 63.2-1933 or fail or refuse to honor a voluntary assignment of wages under § 63.2-1945 presented by the Commissioner, such person, firm, corporation, association, political subdivision or department of this Commonwealth shall be liable to the Department in an amount equal to 100 percent of the value of the debt which is the basis of the lien, order to withhold and deliver, distraint, or an income withholding order or voluntary assignment of wages.

§ 63.2-1931. Effect of service on banks, savings institutions, etc.

Service of a lien or orders to withhold and deliver or any other notice or document authorized by this chapter on the main office or headquarters or registered agent of any bank, savings institution or other financial institution or broker-dealer as defined in § 13.1-501 or any other place designated by such financial institution or broker-dealer shall be effective as to any accounts, credits or other personal property (excluding property held in a safe-deposit box) of the noncustodial parent held by that institution or broker-dealer. The bank, savings institution, financial institution or broker-dealer may accept service or treat service as valid even though made at a point other than those specified above.

Within twenty-one days of receipt of an answer from any bank, savings institution or other financial institution or broker-dealer indicating that a support debtor may have an interest in funds in a joint account, the Department shall serve notice of the order to withhold on all joint account holders at the address for each account holder as provided by the bank, savings institution or other financial institution or broker-dealer in the same manner as service upon the support debtor. A copy of the notice shall be served on the financial institution or broker-dealer by certified mail, return receipt requested. Each account holder may appeal the action to a hearing officer as provided in § 63.2-1929. However, the issue to be determined by the hearing officer is limited to whether the support debtor has any interest in the joint account which is being held based on the support debtor's contribution to the account. Upon satisfactory proof that the support debtor has no interest in the joint account, the Department shall release the order to withhold. Upon receipt of the copy of the notice to the joint account holders, the financial institution or broker-dealer shall treat the initial order to withhold as continuing in effect over the entire property being withheld until a release or order to deliver is served by the Department or until the ninety-day period set forth in the following paragraph expires. If the financial institution or broker-dealer does not receive a copy of the notice to the joint account holders within twenty-one days from delivery of its answer, it may treat the order to withhold as released.

Upon the determination that the support debtor has some interest in the joint account, the Department shall initiate a petition in the general district court or in the circuit court, if the joint account and the amount claimed against the support debtor each exceed \$10,000, for the jurisdiction in which the support debtor or any joint account owner resides in order that the court may make a determination of the extent of the interest of the support debtor in the joint account, based on the amount the support debtor contributed to the account. If the support debtor and all account owners are nonresidents, venue shall be where the support obligee resides or where the property is located. In cases where the joint account is owned by persons married to each other, the funds in the account shall belong to them equally unless there is clear and convincing evidence otherwise. The Department shall serve a copy of the petition on the financial institution or broker-dealer by certified mail, return receipt requested. If the financial institution or broker-dealer does not receive a copy of the petition within ninety days of receipt of the notice to the joint account holders, it may treat the order to withhold as released.

Notwithstanding service or receipt of such order of support, the financial institution may pay any check deposited with it or another financial institution on or before the date of service or receipt of the order of support on it.

§ 63.2-1932. Data exchange agreements authorized; immunity.

The Commissioner is authorized and shall, as feasible, enter into agreements with financial institutions doing business in the Commonwealth to develop and operate, in conjunction with such financial institutions, a data match system using automated data exchanges to the maximum extent feasible. Pursuant to a data match system, a financial institution shall provide on a periodic basis, but no more frequently than every three months, the account title, record address, social security number or other taxpayer identification number, for any person in arrears in the payment of child support who is identified by the Department in the request by social security number or other taxpayer identification number.

Any such agreement shall provide for the following:

1. The financial institution shall be obligated to match only those accounts for which a social security number or taxpayer identification number is provided by the Department, and shall have no

9389 obligation to match or identify any account based on a person's name or any other identifying
9390 information;

9391 2. The financial institution shall provide the account title, record address, social security number or
9392 taxpayer identification number for any account matching the social security number and taxpayer
9393 identification number provided by the Department. It shall be the Department's responsibility to
9394 determine whether such account is an account subject to a lien, or order to withhold and deliver in
9395 accordance with the provisions of this chapter;

9396 3. The financial institution shall be given a reasonable time in which to respond to each data match
9397 request, based upon the capabilities of the financial institution to handle the data match system, but in
9398 no event less than thirty days; and

9399 4. The financial institution shall have no obligation to hold, encumber, or surrender assets in any
9400 account based on a match until it is served with a lien or order to withhold and deliver in accordance
9401 with the provisions of this chapter.

9402 The Department is authorized to pay a reasonable fee to a financial institution for conducting the
9403 data match, not to exceed the actual costs incurred by such financial institution and may assess and
9404 recover actual costs incurred from noncustodial parents identified as a result of the data match.

9405 A financial institution providing information in accordance with this section shall not be liable to
9406 any account holder or other person for any disclosure of information to the Department, for
9407 encumbering or surrendering any assets held by such financial institution in response to a lien or order
9408 to withhold and deliver issued by the Department, or for any other action taken pursuant to this section,
9409 including individual or mechanical errors, provided such action does not constitute gross negligence or
9410 willful misconduct.

9411 For purposes of this section, "account" means a demand deposit account, checking or negotiable
9412 withdrawal order account, savings account, time deposit account, share account, share draft account or
9413 money market mutual fund account maintained in this Commonwealth.

9414 § 63.2-1933. Distraint, seizure and sale of property subject to liens.

9415 Whenever a support lien has been filed pursuant to § 63.2-1927, the Commissioner may collect the
9416 support debt stated in such lien by distraint, seizure and sale of the property subject to such lien. The
9417 Commissioner shall give notice to the debtor and any person known to have or claim an interest therein
9418 of the general description of the property to be sold and the time and place of sale of such property.
9419 Such notice shall be given to such persons by certified mail, return receipt requested. A notice
9420 specifying the property to be sold shall be posted in at least two public places in the jurisdiction
9421 wherein the distraint has been made. The time of sale shall not be less than ten nor more than twenty
9422 days from the date of posting of such notices. Such sale shall be conducted by the Commissioner, who
9423 shall proceed to sell such property by parcel or by lot at a public auction, and who may set a minimum
9424 reasonable price to include the expenses of making a levy and of advertising the sale, and if the amount
9425 bid for such property at the sale is not equal to the price so fixed, the Commissioner may declare such
9426 property to be purchased by the Department for such price, or may conduct another sale of such
9427 property pursuant to the provisions of this section. In the event of sale, the debtor's account shall be
9428 credited with the amount for which the property has been sold. Property acquired by the Department as
9429 herein prescribed may be sold by the Commissioner at public or private sale, and the amount realized
9430 shall be placed in the state general fund to the credit of the Department. In all cases of sale, as
9431 aforesaid, the Commissioner shall issue a bill of sale or a deed to the purchaser and such bill of sale
9432 or deed shall be prima facie evidence of the right of the Commissioner to make such sale and
9433 conclusive evidence of the regularity of his proceeding in making the sale and shall transfer to the
9434 purchaser all right, title, and interest of the debtor in such property. The proceeds of any such sale,
9435 except in those cases wherein the property has been acquired by the Department, shall be first applied
9436 by the Commissioner to reimbursement of the costs of distraint and the sale, and thereafter in
9437 satisfaction of the delinquent account. Any excess which shall thereafter remain in the hands of the
9438 Commissioner shall be refunded to the debtor. Sums so refundable to a debtor may be subject to seizure
9439 or distraint by any taxing authority of the Commonwealth or its political subdivisions or by the
9440 Commissioner for new sums due and owing subsequent to the subject proceeding. Except as specifically
9441 provided in this chapter, there shall be exempt from attachment, distraint, seizure, execution and sale
9442 under this chapter such property as is exempt therefrom under the laws of this Commonwealth.

9443 § 63.2-1934. Action for foreclosure of lien; satisfaction.

9444 Whenever a support lien has been filed, an action in foreclosure of lien upon real or personal
9445 property may be brought in the circuit court of the jurisdiction wherein such real or personal property
9446 is or was located and the lien was filed. Judgment if rendered in favor of the Department shall be for
9447 the amount due, with costs, and the court shall allow, as part of the costs, the moneys paid for making
9448 and filing the claim of lien, and a reasonable attorney's fee. The court shall order any property upon
9449 which any lien provided for by this chapter is established, to be sold by the sheriff of the proper
9450 jurisdiction to satisfy the lien and costs. The payment of the lien debt, costs and reasonable attorney's

fees, at any time before sale, shall satisfy the judgment of foreclosure. Where the net proceeds of sale upon application to the debt claimed do not satisfy the debt in full, the Department shall have judgment over any deficiency remaining unsatisfied and further levy upon other property of the judgment debtor may be made under the same execution. In all sales contemplated under this section, advertising of notice shall only be necessary for two weeks in a newspaper published in the jurisdiction where such property is located, and if there be no newspaper therein, then in the most convenient newspaper having a circulation in such jurisdiction. Remedies provided for herein are alternatives to remedies provided for in other sections of this chapter.

§ 63.2-1935. Satisfaction of lien after foreclosure proceedings instituted; redemption.

Any person owning real property, or any interest in real property, against which a support lien has been filed and foreclosure instituted, shall have the right to pay the amount due, together with expenses of the proceedings and reasonable attorney fee to the Commissioner and upon such payment the Commissioner shall restore said property to him and all further proceedings in such foreclosure action shall cease. Such person shall also have the right within 240 days after sale of property foreclosed under § 63.2-1934 to redeem said property by making payment to the purchaser in the amount paid by the purchaser plus interest thereon at the rate of six per centum per annum.

§ 63.2-1936. Procedures for posting security, bond or guarantee to secure payment of overdue support.

The Department shall require, if feasible and consistent with guidelines established by the Department, that the noncustodial parent post security or bond or give some guarantee to secure overdue payments. Advance notice shall be sent to the noncustodial parent setting forth (i) the amount of the delinquency, (ii) the proposed action to be taken by the Department, (iii) the method available for contesting the impending action and (iv) that only a mistake of fact as defined in § 63.1-250 may be contested.

§ 63.2-1937. Applications for occupational or other license to include social security number; suspension upon delinquency; procedure.

Every initial application for or application for renewal of a license, certificate, registration or other authorization to engage in a business, trade, profession or occupation issued by the Commonwealth pursuant to Titles 22.1, 38.2, 46.2 or 54.1 or any other provision of law shall require that the applicant provide his social security number or a control number issued by the Department of Motor Vehicles pursuant to § 46.2-342.

Upon thirty days' notice to an obligor who (i) has failed to comply with a subpoena, summons or warrant relating to paternity or child support proceedings or (ii) is alleged to be delinquent in the payment of child support by a period of ninety days or more or for \$5,000 or more, an obligee or the Department on behalf of an obligee, may petition either the court that entered or the court that is enforcing the order for child support for an order suspending any license, certificate, registration or other authorization to engage in a business, trade, profession or occupation, or recreational activity issued to the obligor by the Commonwealth pursuant to Titles 22.1, 29.1, 38.2, 46.2 or 54.1 or any other provision of law. The notice shall be sent by certified mail, with proof of actual receipt. The notice shall specify that (a) the obligor has thirty days from the date of receipt to comply with the subpoena, summons or warrant or pay the delinquency or to reach an agreement with the obligee or the Department to pay the delinquency and (b) if compliance is not forthcoming or payment is not made or an agreement cannot be reached within that time, a petition will be filed seeking suspension of any license, certificate, registration or other authorization to engage in a business, trade, profession or occupation, or recreational license issued by the Commonwealth to the obligor.

The court shall not suspend a license, certificate, registration or authorization upon finding that an alternate remedy is available to the obligee or the Department that is likely to result in collection of the delinquency. Further, the court may refuse to order the suspension upon finding that (1) suspension would result in irreparable harm to the obligor or employees of the obligor or would not result in collection of the delinquency or (2) the obligor has made a demonstrated, good faith effort to reach an agreement with the obligee or the Department.

If the court finds that the obligor is delinquent in the payment of child support by ninety days or more or in an amount of \$5,000 or more and holds a license, certificate, registration or other authority to engage in a business, trade, profession or occupation or recreational activity issued by the Commonwealth, it shall order suspension. The order shall require the obligor to surrender any license, certificate, registration or other such authorization to the issuing entity within ninety days of the date on which the order is entered. If at any time after entry of the order the obligor (A) pays the delinquency or (B) reaches an agreement with the obligee or the Department to satisfy the delinquency within a period not to exceed ten years and makes at least one payment, representing at least five percent of the total delinquency or \$500, whichever is greater, pursuant to the agreement, or (C) complies with the subpoena, summons or warrant or reaches an agreement with the Department with respect to the

9512 subpoena, summons or warrant, upon proof of payment or certification of the compliance or agreement,
9513 the court shall order reinstatement. Payment shall be proved by certified copy of the payment record
9514 issued by the Department or notarized statement of payment signed by the obligee. No fee shall be
9515 charged to a person who obtains reinstatement of a license, certificate, registration or authorization
9516 pursuant to this section.

9517 § 63.2-1938. Commissioner may release lien or order or return seized property.

9518 The Commissioner may at any time release a support lien, or order to withhold and deliver, on all
9519 or part of the property of the debtor, or return seized property without liability, if assurance of payment
9520 is deemed adequate by the Commissioner, or if such action will facilitate the collection of the debt, but
9521 such release or return shall not operate to prevent future action to collect from the same or other
9522 property.

9523 § 63.2-1939. Commissioner may make demand, file and serve liens, when payments appear in
9524 jeopardy.

9525 If the Commissioner finds that the collection of any support debt based upon subrogation to or
9526 authorization to enforce the amount of support ordered by any court order or decree of divorce is in
9527 jeopardy, he may make demand under § 63.2-1916 for immediate payment of the support debt. Upon
9528 failure or refusal immediately to pay such support debt, he may file and serve liens pursuant to
9529 §§ 63.2-1927 and 63.2-1928, without regard to the ten-day period provided for in § 63.2-1916. However,
9530 no further action under §§ 63.2-1929, 63.2-1933 and 63.2-1934 may be taken until the notice
9531 requirements of § 63.2-1916 are met.

9532 § 63.2-1940. Reporting payment arrearage information to consumer credit reporting agencies.

9533 The Division of Child Support Enforcement shall provide support payment arrearage information on
9534 noncustodial parents, as defined in § 63.2-100, to consumer credit reporting agencies. Advance notice
9535 shall be sent to the noncustodial parent of the proposed release of arrearage information. The notice
9536 shall include information on the procedures available to the noncustodial parent for contesting the
9537 accuracy of the arrearage information.

9538 § 63.2-1941. Additional enforcement remedies.

9539 In addition to its other enforcement remedies, the Division of Child Support Enforcement is
9540 authorized to:

9541 1. Attach unemployment benefits through the Virginia Employment Commission pursuant to
9542 § 60.2-608 and workers' compensation benefits through the Workers' Compensation Commission
9543 pursuant to § 65.2-531; and

9544 2. Suspend an individual's driver's license pursuant to § 46.2-320.

9545 Article 7.

9546 Administrative Appeal.

9547 § 63.2-1942. Administrative hearing on notice of debt; withholdings; orders to withhold and deliver
9548 property to debtor; set-off debt collection.

9549 The Commissioner may delegate authority to conduct any administrative hearing pursuant to this
9550 chapter to a duly qualified hearing officer. The hearing shall be held upon reasonable notice to the
9551 obligee and the debtor. In no event shall such hearing officer be legally competent to render a decision
9552 as to the validity of a court order or a defense of nonpaternity. A decision of the hearing officer shall
9553 be in writing and shall set forth the debtor's and payee's rights to appeal the decision of the hearing
9554 officer to the appropriate circuit or juvenile and domestic relations district court. The decision shall be
9555 served upon the debtor in accordance with the provisions of §§ 8.01-296, 8.01-327 or § 8.01-329 or
9556 mailed to the debtor at his last known address by certified mail, return receipt requested, or the debtor
9557 may waive service of the decision at the time of the decision. A copy of such decision shall also be
9558 mailed to the obligee. Such decision shall establish the liability of the debtor, if any, and the validity of
9559 the administrative action taken.

9560 Action by the Commissioner under the provisions of this chapter to collect such support debt shall be
9561 valid and enforceable during the pendency of any appeal. The Commissioner may file and serve liens
9562 pursuant to §§ 63.1-1927 and 63.2-1928 during the pendency of the hearing or thereafter, whether or
9563 not appealed. Further action under § 63.2-1929 may be taken prior to any hearing or appeal. If the
9564 decision is in favor of the debtor, all money collected during the pendency of the appeal shall be
9565 returned to the debtor in accordance with procedures adopted by the Board.

9566 § 63.2-1943. Appeal from decision of hearing officer.

9567 An appeal may be taken by filing a written notice of appeal with the clerk of the court having proper
9568 jurisdiction to review the decision of the hearing officer. The clerk shall send reasonable notice of such
9569 appeal, which shall include the date and time of the hearing, to the appellee or to the Department
9570 when, at the request of another state's child support agency, it is acting on behalf of a nonresident
9571 obligee. A nonresident obligee for whom the Department is acting is not required to appear at the
9572 hearing. Evidence relative to the support obligation may be taken from a nonresident obligee by
9573 deposition and presented by the Department at the hearing. Such appeal shall be taken within ten days

9574 of receipt of the hearing officer's decision.

9575 From the decision of the hearing officer provided for in clause (iii) of subsection B of § 63.2-1924,
9576 and §§ 63.2-1916, 63.2-1929, and 63.2-1942 there shall be an appeal de novo to the juvenile and
9577 domestic relations district court of the jurisdiction wherein the appellant resides. If the appellant is a
9578 nonresident, venue on appeal shall be where the appellee resides. If both the appellant and the appellee
9579 are nonresidents, venue shall be where the property of the obligor is located or where the place of
9580 business of the obligor's employer is located; if more than one venue is available, then the appellant
9581 shall elect the place of venue.

9582 An appeal shall be to the circuit court with respect to determinations under the Set-off Debt
9583 Collection Act pursuant to Article 21 (§ 58.1-520 et seq.) of Chapter 3 of Title 58.1 concerning state
9584 income tax overpayments and with respect to federal income tax set-off actions.

9585 Article 8.

9586 Administrative Remedies.

9587 § 63.2-1944. Employee debtor rights protected; limitation.

9588 No employer shall discharge an employee for reason that a voluntary assignment of earnings under
9589 § 63.2-1945 has been presented in settlement of a support debt or that a support lien or order to
9590 withhold and deliver has been served against such employee's earnings.

9591 § 63.2-1945. Assignment of earnings to be honored; inapplicability of § 40.1-31.

9592 Any person, firm, corporation, association, political subdivision or department of the Commonwealth
9593 employing a person owing a support debt or obligation, shall honor an assignment of earnings to satisfy
9594 or retire a support debt or obligation of such person when ordered by the Commissioner by a payroll
9595 deduction order conforming to § 20-79.3. The rights and obligations of employees with respect to an
9596 order issued pursuant to this section are set out in § 20-79.3. Payment of moneys pursuant to an
9597 assignment of earnings presented by the Commissioner shall serve as full acquittance under any
9598 contract of employment, and the Commonwealth warrants and represents that it shall defend and hold
9599 harmless such action taken pursuant to such assignment of earnings. The Commissioner shall be
9600 released from liability for improper receipt of moneys under an assignment of earnings upon return of
9601 any moneys so received.

9602 Any assignment of earnings presented under this section shall not be subject to the requirements set
9603 forth in § 40.1-31.

9604 § 63.2-1946. Virginia New Hire Reporting Center; State Directory of New Hires; reporting by
9605 employers.

9606 A. Each employing unit shall report to the Virginia New Hire Reporting Center, operated under the
9607 authority of the Division of Child Support Enforcement, the initial employment of any person, as defined
9608 in § 60.2-212, within twenty days of such employment. The Center shall operate and maintain the
9609 Virginia State Directory of New Hires. The Center is authorized to share information with the Virginia
9610 Employment Commission.

9611 B. Employers who transmit such reports magnetically or electronically shall, if necessary, report by
9612 two monthly transmissions not less than twelve days nor more than sixteen days apart. Employers that
9613 have employees who are employed in two or more states and that transmit reports magnetically or
9614 electronically may comply by designating one state in which such employer has employees to which the
9615 employer will transmit the report, and transmitting such report to such state. Such employers shall notify
9616 the federal Secretary of Health and Human Services in writing as to which state is designated for the
9617 purpose of sending reports and shall provide a copy of that notification to the Virginia New Hire
9618 Reporting Center.

9619 C. Employers shall not report an employee of a state agency performing intelligence or
9620 counterintelligence functions, if the head of such agency has determined that such reporting could
9621 endanger the safety of the employee or compromise an ongoing investigation or intelligence mission.

9622 D. Information to be provided shall include only that information that is required by federal law.
9623 This information may be provided by mailing a copy of the employee's W-4 form, transmitting
9624 information magnetically or electronically in the prescribed format or by any other means determined by
9625 the Virginia New Hire Reporting Center to result in timely reporting. Within three business days after
9626 the date information regarding a newly hired employee is entered into the Virginia State Directory of
9627 New Hires, the Center shall furnish the information to the National Directory of New Hires established
9628 under § 453 (i) of the Social Security Act, as amended.

9629 E. The Board shall have the authority to adopt regulations as necessary, consistent with the federal
9630 law and its implementing regulations, to administer this provision, including any exemptions and
9631 waivers which are needed to reduce unnecessary or burdensome reporting.

9632 Article 9.

9634 § 63.2-1947. Assistance by Office of the Attorney General.

The attorney for the Commonwealth or other attorney who has responsibility for representing a local department and local board may, with the prior consent of the Attorney General, obtain the assistance of the Office of the Attorney General in the conduct of litigation arising under this chapter.

§ 63.2-1948. Payment by Department for legal services.

Any such contract may provide that the county, city or combination thereof shall pay such salary, expenses and allowances and that the Department shall reimburse such county or city therefor. The amount of such salary, expenses and allowances shall be set by the Compensation Board as provided by law.

The compensation for such special and private counsel shall be paid out of funds received by the Division of Child Support Enforcement as provided by state and federal law and such reasonable attorney's fees as may be recovered. The Attorney General may also use collection agencies as may be necessary and cost-effective to pursue fully the recovery of all costs and fees authorized by § 63.2-1960 in proceedings to enforce child support obligations.

B. By July 1 of each year, the Office of the Attorney General shall submit a written report to the Governor and General Assembly with a detailed summary and evaluation of the privatization of child support enforcement programs.

Such interest shall accrue, at the legal rate as established by § 6.1-330.53, on all support payments collected by the Department and paid to the payee more than thirty days following the end of the month in which the payment was received by the Department in nonpublic assistance cases. Interest shall be charged to the Department on such payments if the Department has an established case and if the obligor or payor provides identifying information including the Department case number or the noncustodial parent's name and correct social security number.

§ 63.2-1952. Interest on debts due.

Interest at the judgment interest rate as established by § 6.1-330.54 on any arrearage pursuant to an order being enforced by the Department pursuant to this chapter shall be collected by the Commissioner except in the case of a minor obligor during the period of his minority. The Commissioner shall maintain interest balance due accounts.

§ 63.2-1953. Disposition of funds collected as debts to Department.

placed in a special fund of the Department for use in the enforcement of the provisions of this chapter.

§ 63.2-1954. Distribution of collection.

Support payments received by the Department or the Department's designee shall be prorated among the obligees based upon the current amounts due pursuant to more than one judicial or administrative order, or a combination thereof, with any remaining amounts prorated among the obligees with orders for accrued arrearages in the same proration as the current support payments. All support payments received by the Department or the Department's designee shall be distributed to the obligee within two business days of receipt, provided that sufficient information accompanies the payment or is otherwise available to the Department within that time to identify the obligee and the place to which distribution should be made. The term "business day" means any day that is not a Saturday, Sunday, legal holiday or other day on which state offices are closed.

§ 63.2-1955. Distribution of collections from federal tax refund offsets.

The Department shall establish procedures for the prompt refund of any incorrect offset amounts and the compensation of unobligated spouses for the payment of their shares to obligees.

§ 63.2-1956. Release of excess funds to debtor.

Whenever any person, firm, corporation, association, political subdivision or department of the Commonwealth has in its possession earnings, deposits, accounts, or balances in excess of the amount of the debt claimed by the Department plus \$100, such person, firm, corporation, association, political subdivision or department of the Commonwealth may, without liability under this chapter, release such excess to the debtor.

§ 63.2-1957. Unidentifiable moneys held in special account.

All moneys collected in fees, costs, attorney fees, interest payments, or other funds received by the Commissioner which are unidentifiable as to the support account against which they should be credited, shall be held in a special fund from which the Commissioner may make disbursement for any costs or expenses incurred in the administration or enforcement of the provisions of this chapter.

§ 63.2-1958. Charging off support debts as uncollectible.

Any support debt due the Department pursuant to § 63.2-1908 that the Commissioner deems uncollectible may be transferred from accounts receivable to a doubtful account, cease to be accounted as an asset, and discharged from its records.

§ 63.2-1959. Department exempt from fees.

No filing or recording fees, court fees, or fees for service of process shall be required from the Department by any clerk, auditor, sheriff or other local officer for the filing of any actions or documents authorized by this chapter or, for the service of any summons or other process in any action or proceeding authorized by this chapter.

However, the Department shall not be entitled to recover attorney's fees or costs in any case in which the noncustodial parent prevails.

The Department shall have the authority to assess and recover the actual costs of genetic testing against the noncustodial parent if paternity is established. Where an original test is contested and additional testing is requested, the Department may require advance payment by the contestant. The genetic testing costs shall be set at the rate charged the Department by the provider of genetic testing services.

The Department shall have the authority to assess and recover the actual costs of intercept programs from the noncustodial parent. The intercept programs' costs shall be set at the rate actually charged the Department.

The Department shall have the authority to assess and recover the actual costs of fees for service of process, and seizure and sale pursuant to a levy on a judgment in enforcement actions from the noncustodial parent.

9778 be made on the basis of generally recognized low income criteria used by federal and state agencies.

9779 "Job training" means any type of instruction to an individual who is impoverished that enables him

9799 A. Any neighborhood organization may submit a proposal to the Commissioner requesting an
9800 allocation of tax credits for use by business firms making donations to the neighborhood organization.
9801 The proposal shall set forth the program to be conducted by the neighborhood organization, the
9802 impoverished people to be assisted, the estimated amount to be donated to the program and the plans
9803 for implementing the program.

9804 B. The Board is hereby authorized to adopt regulations for the approval or disapproval of such
9805 proposals by neighborhood organizations and for determining the value of the donations. Such
9806 regulations shall contain a requirement that an annual audit be provided by the neighborhood
9807 organization as a prerequisite for approval. Such regulations shall provide for the equitable allocation
9808 of the available amount of tax credits among the approved proposals submitted by neighborhood
9809 organizations. The regulations shall also provide that at least ten percent of the available amount of tax
9810 credits each year shall be allocated to qualified programs proposed by neighborhood organizations not
9811 receiving allocations in the preceding year; however, if the amount of tax credits for qualified programs
9812 requested by such neighborhood organizations is less than ten percent of the available amount of tax

9814 allocated to qualified programs proposed by other neighborhood organizations.

9815 C. If the Commissioner approves a proposal submitted by a neighborhood organization, the

Such allocation of tax credits to education programs shall constitute the minimum amount of tax credits to be allocated to education programs. However, if the amount of tax credits requested by neighborhood organizations for qualified education programs is less than \$2,750,000, the balance of such amount shall be allocated to other types of qualified programs. Tax credits shall not be authorized after fiscal year 2004.

§ 63.2-2003. Tax credit; amount; limitation; carry over.

A. The Commissioner shall certify to the Department of Taxation, or in the case of business firms subject to a tax under Article 1 (§ 58.1-2500 et seq.) of Chapter 25 or Article 2 (§ 58.1-2620 et seq.) of Chapter 26 of Title 58.1, to the State Corporation Commission, the applicability of the tax credit provided herein for a business firm.

No tax credit shall be granted to any business firm for donations to a neighborhood organization providing job training or education for individuals employed by the business firm. Any tax credit not usable for the taxable year the donation was made may be carried over to the extent usable for the next five succeeding taxable years or until the full credit has been utilized, whichever is sooner. Credits granted to a partnership, electing small business (Subchapter S) corporation, or limited liability company shall be allocated to their individual partners, shareholders, or members, respectively, in proportion to their ownership or interest in such business entities.

C. A tax credit shall be issued by the Commissioner to a business firm upon receipt of a certification made by a neighborhood organization to whom tax credits were allocated for an approved program pursuant to § 63.2-2002. The certification shall identify the type and value of the donation received and the business firm making the donation. A business firm shall be eligible for a tax credit under this section only to the extent that sufficient tax credits allocated to the neighborhood organization for an approved project are available.

§ 63.2-2004. Donations of professional services.

The value of the professional services, for purposes of determining the amount of tax credit allowed to a business firm for time spent by its salaried employee in rendering professional services to an approved project, shall be equal to the salary that such employee was actually paid for the period of time that such employee rendered professional services to the approved program.

C. Notwithstanding any provision of this chapter limiting eligibility for tax credits to business firms, physicians, dentists, nurse practitioners, physician assistants, optometrists, dental hygienists and pharmacists licensed pursuant to Title 54.1 who provide health care services within the scope of their licensure, without charge, at a clinic that has received an allocation of tax credits from the Commissioner and is organized in whole or in part for the delivery of health care services without charge, or to a clinic operated not for profit providing health care services for charges not exceeding those set forth in a scale prescribed by the State Board of Health pursuant to § 32.1-11 for charges to be paid by persons based upon ability to pay, shall be eligible for a tax credit pursuant to § 63.2-2003 based on the time spent in providing health care services at such clinic. The value of such services, for purposes of determining the amount of the tax credit allowable, rendered by the physician, dentist, nurse practitioner, physician assistant, optometrist, dental hygienist, or pharmacist, shall not exceed the lesser of (i) the reasonable cost for similar services from other providers or (ii) \$125 per hour.

§ 63.2-2005. Donations of contracting services.

"Assistance" means aid that is required to be provided by another person in order to safely complete the activity.

"Care for a mentally or physically impaired relative" means assistance with the activities of daily living provided to such relative when the relative has been screened and has been found to be eligible, in accordance with relevant state regulations, for placement and Medicaid reimbursement for services in an assisted-living facility or a nursing home or for receiving community-based long-term care services.

"Caregiver" means an adult with a Virginia adjusted gross income of not more than \$50,000 who provides care for a mentally or physically impaired relative within the Commonwealth.

"Fund" means the Virginia Caregivers Grant Fund established by § 63.2-2202.

"Mentally or physically impaired relative" means a relative who is a resident of Virginia that requires assistance with two or more activities of daily living during more than half the year.

"Relative" means a spouse, child, father, mother, sibling, or other person who is related by blood, marriage or adoption.

§ 63.2-2201. Caregivers Grant Program established.

A. From January 1, 2000, through December 31, 2005, any caregiver who provides care for a mentally or physically impaired relative shall be eligible to receive an annual caregivers grant in the amount of \$500. The grants under this chapter shall be paid from the Fund, as provided in this chapter, to the caregiver during the calendar year immediately following the calendar year in which the care for a mentally or physically impaired relative was provided. The total amount of grants to be paid under this chapter for any year shall not exceed the amount appropriated by the General Assembly to the Fund for payment to caregivers for such year.

B. Only one grant shall be allowed annually for each mentally or physically impaired relative receiving care under the provisions of this section. Multiple caregivers providing care to the same mentally or physically impaired relative shall be eligible to share the \$500 grant as mutually agreed. However, only one caregiver may submit a grant application for the relative. A caregiver providing care to more than one eligible relative shall submit a separate grant application for each relative receiving care.

10004 C. The mentally or physically impaired relative being cared for may live in the caregiver's home or
10005 in his own home but shall not be receiving Medicaid-reimbursed community long-term care services,
10006 other than on a temporary or periodic basis, or living in a nursing home or other assisted living facility
10007 where assistance with ADLs is already provided and the cost of such assistance is included in the
10008 monthly bill or rental fee.

10009 § 63.2-2202. Virginia Caregivers Grant Fund established.

10010 There is hereby established a special fund in the state treasury to be known as the Virginia
10011 Caregivers Grant Fund, which shall be administered by the Department. The Fund shall include such
10012 moneys as may be appropriated by the General Assembly from time to time and designated for the
10013 Fund. The Fund shall be used solely for the payment of grants to caregivers pursuant to this chapter.
10014 Unallocated moneys in the Fund in any year shall remain in the Fund and be available for allocation
10015 for grants under this chapter in ensuing fiscal years.

10016 § 63.2-2203. Grant application process; administration.

10017 A. Grant applications shall be submitted by caregivers to the Department between February 1 and
10018 May 1 of the year following the calendar year in which the care for a mentally or physically impaired
10019 relative was provided. Failure to meet the application deadline shall render the caregiver ineligible to
10020 receive a grant for care provided during such calendar year. For filings by mail, the postmark
10021 cancellation shall govern the date of the filing determination.

10022 B. Applications for grants shall include (i) proof of the caregiver's income; (ii) certification by the
10023 private physician who has screened the mentally or physically impaired relative and found him to be
10024 eligible, in accordance with relevant state regulations, for placement in an assisted-living facility or a
10025 nursing home or for receiving community long-term care services; (iii) the mentally or physically
10026 impaired relative's place of residence; and (iv) such other relevant information as the Department may
10027 reasonably require. Any caregiver applying for the grant pursuant to this chapter shall affirm, by
10028 signing and submitting his application for a grant, that the mentally or physically impaired relative for
10029 whom he provided care and the care provided meet the criteria set forth in this chapter. As a condition
10030 of receipt of a grant, a caregiver shall agree to make available to the Department for inspection, upon
10031 request, all relevant and applicable documents to determine whether the caregiver meets the
10032 requirements for the receipt of grants as set forth in this chapter, and to consent to the use by the
10033 Department of all relevant information relating to eligibility for the requested grant.

10034 C. The Department shall review applications for grants and determine the amount of the grant to be
10035 allocated to each caregiver. The Department shall allocate moneys in the following order of priority: (i)
10036 first, to unpaid grant amounts carried forward from prior years because caregivers did not receive the
10037 full amount of any grant to which they were eligible in a prior year and (ii) then to other eligible
10038 applicants. If the moneys in the Fund are less than the amount of grants to which applicants in any
10039 class of priority are eligible, the moneys in the Fund shall be apportioned among eligible applicants in
10040 such class pro rata, based upon the amount of the grant for which an applicant is eligible and the
10041 amount of money in the Fund available for allocation to such class.

10042 D. If a caregiver is allocated less than the full amount of a grant for which he is eligible in any
10043 year, the caregiver shall not be eligible for the deficiency in that year, but the unpaid portion of the
10044 grant to which the caregiver was eligible shall be carried forward by the Department to the following
10045 year, during which it shall be in the first class of priority as provided in subsection C. A caregiver shall
10046 have no claim against the Commonwealth with respect to any grant authorized by this chapter.

10047 E. The Department shall certify to the Comptroller the amount of grant to be allocated to eligible
10048 caregiver applicants. Payments shall be made by check issued by the State Treasurer on warrant of the
10049 Comptroller. The Comptroller shall not draw any warrants to issue checks for this program without a
10050 specific legislative appropriation as specified in conditions and restrictions on expenditures in the
10051 appropriation act.

10052 F. Actions of the Department relating to the review, allocation and awarding of grants shall be
10053 exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.) pursuant to
10054 subdivision B. 4. of § 2.2-4002. Decisions of the Department shall be final and not subject to review or
10055 appeal.

10056 § 63.2-2204. Confidentiality of information.

10057 Except in accordance with proper judicial order or as otherwise provided by law, any employee or
10058 former employee of the Department shall not divulge any information acquired by him in the
10059 performance of his duties with respect to the income or grant eligibility of any caregiver submitted
10060 pursuant to this chapter. The provisions of this section shall not be applicable to (i) acts performed or
10061 words spoken or published in the line of duty under law; (ii) inquiries and investigations to obtain
10062 information as to the implementation of this chapter by a duly constituted committee of the General
10063 Assembly, or when such inquiry or investigation is relevant to its study, provided that any such
10064 information shall be privileged; or (iii) the publication of statistics so classified as to prevent the
10065 identification of particular caregivers.

2. That the provisions of former Article 2 (§ 63.1-183 et seq.) of Chapter 9 of Title 63.1 shall be an uncodified act for the period commencing October 1, 2002, and expiring on October 1, 2004, as follows:

The State Board of Social Services is authorized to organize and establish a statewide system of public homes for the care and maintenance of indigent aged, infirm or incapacitated persons. In establishing such system the State Board shall include therein existing city, county and district homes which meet the standards required by the State Board. The State Board shall encourage the establishment of district homes as hereinafter provided.

The representatives from the counties and cities shall be elected by the respective governing bodies thereof. Such representatives shall be entitled to necessary expenses incurred, including mileage as provided by general law, in attending meetings of the board, and in addition each may receive an allowance of \$15 per day for each day that he shall be in attendance on the board, such allowance, however, not to exceed in any one year the sum of \$180 to be paid by the counties and cities, respectively. The accounts for such expenses and allowances shall be made out and verified by affidavits of the representatives and attested by the secretary of the board.

The governing bodies of the respective counties and cities in the Commonwealth for which such district homes are established are authorized to sell and convey by proper deed all the real estate held by them for the use, benefit and maintenance of their poor, and to sell all personal property used for that purpose, and out of the proceeds to appropriate so much as may be required to purchase and erect district homes as hereinafter provided.

The necessary funds, however, to purchase and to erect the district homes, may be appropriated by the governing bodies of the respective counties and cities for which such district homes are established from the general funds of such counties and cities.

§ 7. Duty to appoint members of board.
