4. Title Pilot Project with Centers for Disease Control and Prevention created.

5. Summary/Purpose: Create a pilot project under the Department of Technology Planning (DTP) to develop a standardized Geographic Information System model for the purposes of sharing relevant public data. This pilot project shall involve the Northern Virginia Planning District Commission (NVPDC), Richmond Regional Planning District Commission (RRPDC), Hampton Roads Planning District Commission (HRPDC), Department of Health and within DTP the Geographic Information Network Division (VGIN Division). The planning district commissions, as appropriate, shall provide staff support to the VGIN Division and all agencies of the Commonwealth shall provide assistance to the division, as requested. The bill also requires the VGIN Division to submit an annual report to the Governor and the General Assembly on the progress of this pilot project. The bill expires on July 1, 2005.

6. No Fiscal Impact.

7. Budget amendment necessary: No.

8. Fiscal implications: DTP has indicated there are no additional costs for the Commonwealth. Although some resources shall be expended from DTP's VGIN Division to perform the study, DTP maintains it can be accomplished under the division's current staffing level.

The proposed legislation does not specify what form the assistance agencies must provide to the VGIN Division if requested.

9. Specific agency or political subdivisions affected: Northern Virginia Planning District Commission (NVPDC), Richmond Regional Planning District Commission (RRPDC), Hampton Roads Planning District Commission (HRPDC), Department of Health, Department of Technology Planning VGIN Division

10. Technical amendment necessary: No.

11. Other comments: None.
