

**Department of Planning and Budget  
2003 Fiscal Impact Statement**

**1. Bill Number** HB2799

**House of Origin**      ☐ Introduced      ☐ Substitute      ☐ Engrossed

**Second House**      ☐ In Committee      ☐ Substitute      ☒ Enrolled

**2. Patron** Scott

**3. Committee** Passed Both Houses

**4. Title** Northern Virginia Transportation District Program.

**5. Summary/Purpose:**

Designates an additional project to be financed by bonds authorized for certain projects in the Northern Virginia Transportation District Program and reduce the funding for another project by an equal amount.

**6. Fiscal Impact Estimates are:** Final, see Item 8.

**7. Budget amendment necessary:** No.

**8. Fiscal implications:**

Since there is not an increase in the overall bond authorization, there does not appear to be a fiscal impact. According to the Department of Transportation, the funding allotment has not been obligated for the Fairfax County Parkway, between Route 1 and Route 7, and, thus, funding could be moved from this project. However, it is unclear, at this time, if reducing the funding for the project could impact the expectation of the schedule and funding within the Northern Virginia Transportation District.

**9. Specific agency or political subdivisions affected:** The Northern Virginia Transportation District and the Department of Transportation.

**10. Technical amendment necessary:** No.

**11. Other comments:** None.
