*An Act to amend and reenact § 8.01-225 of the Code of Virginia and the third enactment of Chapter 18 of the Acts of Assembly of 2003, relating to certain persons rendering emergency care who are exempt from liability.*

[H 2669]

Approved

**Be it enacted by the General Assembly of Virginia:**

1. **That § 8.01-225 of the Code of Virginia is amended and reenacted as follows:**
  - § 8.01-225. Persons rendering emergency care, obstetrical services exempt from liability.
    - A. Any person who:
      1. In good faith, renders emergency care or assistance, without compensation, to any ill or injured person at the scene of an accident, fire, or any life-threatening emergency, or en route therefrom to any hospital, medical clinic or doctor's office, shall not be liable for any civil damages for acts or omissions resulting from the rendering of such care or assistance.
      2. In the absence of gross negligence, renders emergency obstetrical care or assistance to a female in active labor who has not previously been cared for in connection with the pregnancy by such person or by another professionally associated with such person and whose medical records are not reasonably available to such person shall not be liable for any civil damages for acts or omissions resulting from the rendering of such emergency care or assistance. The immunity herein granted shall apply only to the emergency medical care provided.
      3. In good faith and without compensation, including any emergency medical services technician certified by the Board of Health, administers epinephrine in an emergency to an individual shall not be liable for any civil damages for ordinary negligence in acts or omissions resulting from the rendering of such treatment if such person has reason to believe that the individual receiving the injection is suffering or is about to suffer a life-threatening anaphylactic reaction.
      4. Provides assistance upon request of any police agency, fire department, rescue or emergency squad, or any governmental agency in the event of an accident or other emergency involving the use, handling, transportation, transmission or storage of liquefied petroleum gas, liquefied natural gas, hazardous material or hazardous waste as defined in § 18.2-278.1 or regulations of the Virginia Waste Management Board shall not be liable for any civil damages resulting from any act of commission or omission on his part in the course of his rendering such assistance in good faith.
      5. Is an emergency medical care attendant or technician possessing a valid certificate issued by authority of the State Board of Health who in good faith renders emergency care or assistance whether in person or by telephone or other means of communication, without compensation, to any injured or ill person, whether at the scene of an accident, fire or any other place, or while transporting such injured or ill person to, from or between any hospital, medical facility, medical clinic, doctor's office or other similar or related medical facility, shall not be liable for any civil damages for acts or omissions resulting from the rendering of such emergency care, treatment or assistance, including but in no way limited to acts or omissions which involve violations of State Department of Health regulations or any other state regulations in the rendering of such emergency care or assistance.
      6. In good faith and without compensation, renders or administers emergency cardiopulmonary resuscitation, cardiac defibrillation, including, but not limited to, the use of an automated external defibrillator, or other emergency life-sustaining or resuscitative treatments or procedures which have been approved by the State Board of Health to any sick or injured person, whether at the scene of a fire, an accident or any other place, or while transporting such person to or from any hospital, clinic, doctor's office or other medical facility, shall be deemed qualified to administer such emergency treatments and procedures and shall not be liable for acts or omissions resulting from the rendering of such emergency resuscitative treatments or procedures.
      7. Operates an automated external defibrillator at the scene of an emergency, trains individuals to be operators of automated external defibrillators, or orders automated external defibrillators, shall be immune from civil liability for any personal injury that results from any act or omission in the use of an automated external defibrillator in an emergency where the person performing the defibrillation acts as an ordinary, reasonably prudent person would have acted under the same or similar circumstances, unless such personal injury results from gross negligence or willful or wanton misconduct of the person rendering such emergency care.
      8. Is a volunteer in good standing and certified to render emergency care by the National Ski Patrol

58 System, Inc., who, in good faith and without compensation, renders emergency care or assistance to any  
59 injured or ill person, whether at the scene of a ski resort rescue, outdoor emergency rescue or any other  
60 place or while transporting such injured or ill person to a place accessible for transfer to any available  
61 emergency medical system unit, or any resort owner voluntarily providing a ski patroller employed by  
62 him to engage in rescue or recovery work at a resort not owned or operated by him, shall not be liable  
63 for any civil damages for acts or omissions resulting from the rendering of such emergency care,  
64 treatment or assistance, including but not limited to acts or omissions which involve violations of any  
65 state regulation or any standard of the National Ski Patrol System, Inc., in the rendering of such  
66 emergency care or assistance, unless such act or omission was the result of gross negligence or willful  
67 misconduct.

68 9. Is an employee of a school board, authorized by a prescriber and trained in the administration of  
69 insulin and glucagon, who, upon the written request of the parents as defined in § 22.1-1, assists with  
70 the administration of insulin or administers glucagon to a student diagnosed as having diabetes who  
71 requires insulin injections during the school day or for whom glucagon has been prescribed for the  
72 emergency treatment of hypoglycemia shall not be liable for any civil damages for ordinary negligence  
73 in acts or omissions resulting from the rendering of such treatment if the insulin is administered  
74 according to the child's medication schedule or such employee has reason to believe that the individual  
75 receiving the glucagon is suffering or is about to suffer life-threatening hypoglycemia. Whenever any  
76 employee of a school board is covered by the immunity granted herein, the school board employing him  
77 shall not be liable for any civil damages for ordinary negligence in acts or omissions resulting from the  
78 rendering of such insulin or glucagon treatment.

79 B. Any licensed physician serving without compensation as the operational medical director for a  
80 licensed emergency medical services agency in this Commonwealth shall not be liable for any civil  
81 damages for any act or omission resulting from the rendering of emergency medical services in good  
82 faith by the personnel of such licensed agency unless such act or omission was the result of such  
83 physician's gross negligence or willful misconduct.

84 Any person serving without compensation as a dispatcher for any licensed public or nonprofit  
85 emergency services agency in this Commonwealth shall not be liable for any civil damages for any act  
86 or omission resulting from the rendering of emergency services in good faith by the personnel of such  
87 licensed agency unless such act or omission was the result of such dispatcher's gross negligence or  
88 willful misconduct.

89 Any individual, certified by the State Office of Emergency Medical Services as an emergency  
90 medical services instructor and pursuant to a written agreement with such office, who, in good faith and  
91 in the performance of his duties, provides instruction to persons for certification or recertification as a  
92 certified basic life support or advanced life support emergency medical services technician shall not be  
93 liable for any civil damages for acts or omissions on his part directly relating to his activities on behalf  
94 of such office unless such act or omission was the result of such emergency medical services instructor's  
95 gross negligence or willful misconduct.

96 Any licensed physician serving without compensation as a medical advisor to an E-911 system in  
97 this Commonwealth shall not be liable for any civil damages for any act or omission resulting from  
98 rendering medical advice in good faith to establish protocols to be used by the personnel of the E-911  
99 service, as defined in § 58.1-3813.1, when answering emergency calls unless such act or omission was  
100 the result of such physician's gross negligence or willful misconduct.

101 Any licensed physician who directs the provision of emergency medical services, as authorized by  
102 the State Board of Health, through a communications device shall not be liable for any civil damages  
103 for any act or omission resulting from the rendering of such emergency medical services unless such act  
104 or omission was the result of such physician's gross negligence or willful misconduct.

105 Any licensed physician serving without compensation as a supervisor of an automated external  
106 defibrillator in this Commonwealth shall not be liable for any civil damages for any act or omission  
107 resulting from rendering medical advice in good faith to the owner of the automated external  
108 defibrillator relating to personnel training, local emergency medical services coordination, protocol  
109 approval, automated external defibrillator deployment strategies, and equipment maintenance plans and  
110 records unless such act or omission was the result of such physician's gross negligence or willful  
111 misconduct.

112 C. Any provider of telecommunication service, as defined in § 58.1-3812, including mobile service,  
113 in this Commonwealth shall not be liable for any civil damages for any act or omission resulting from  
114 rendering such service with or without charge related to emergency calls unless such act or omission  
115 was the result of such service provider's gross negligence or willful misconduct.

116 Any volunteer engaging in rescue or recovery work at a mine or any mine operator voluntarily  
117 providing personnel to engage in rescue or recovery work at a mine not owned or operated by such  
118 operator, shall not be liable for civil damages for acts or omissions resulting from the rendering of such

119 rescue or recovery work in good faith unless such act or omission was the result of gross negligence or  
120 willful misconduct.

121 D. Nothing contained in this section shall be construed to provide immunity from liability arising out  
122 of the operation of a motor vehicle.

123 E. (Expires July 1, 2005) 1. In the absence of gross negligence or willful misconduct, a health care  
124 provider shall not be liable in any civil action resulting from (i) injuries to any health care worker  
125 sustained in connection with administration of the vaccinia (smallpox) vaccine or other smallpox  
126 countermeasure, or (ii) any injuries to any other person sustained as a result of such other person  
127 coming into contact, directly or indirectly, with a health care worker; provided the vaccinia (smallpox)  
128 vaccine or smallpox countermeasure was administered and monitored in accordance with the  
129 recommendations of the Centers for Disease Control and Prevention in effect at the time of the vaccinia  
130 (smallpox) vaccine or other smallpox countermeasure administration. Nothing in this subsection shall  
131 preclude an injured health care worker, who is otherwise eligible for workers' compensation benefits  
132 pursuant to Title 65.2, from receipt of such benefits.

133 2. In the absence of gross negligence or willful misconduct, a health care worker shall not be liable  
134 in any civil action for injuries to any other person sustained as a result of such other person coming into  
135 contact, directly or indirectly, with a health care worker, provided the vaccinia (smallpox) vaccine or  
136 smallpox countermeasure was administered and monitored in accordance with the recommendations of  
137 the Centers for Disease Control and Prevention in effect at the time of the vaccinia (smallpox) vaccine  
138 or other smallpox countermeasure administration.

139 3. For the purposes of this subsection, " health care provider " means a health care provider  
140 participating in a smallpox preparedness program, pursuant to a declaration by the United States  
141 Department of Health and Human Services ("HHS"), through which individuals associated with the  
142 health care provider have received the vaccinia (smallpox) vaccine or other smallpox countermeasure  
143 defined by HHS from any hospital, clinic, state or local health department, or any other entity that is  
144 identified by state or local government entities or the HHS to participate in a vaccination program.

145 4. For the purposes of this subsection, "health care worker" means a health care worker to whom the  
146 vaccinia (smallpox) vaccine or other smallpox countermeasure has been administered as part of a  
147 smallpox preparedness program pursuant to a declaration by HHS. Such health care workers shall  
148 include but shall not be limited to: (i) employees of a health care provider referenced in subdivision 3,  
149 (ii) independent contractors with a health care provider referenced in subdivision 3, (iii) persons who  
150 have practice privileges in a hospital, (iv) persons who have agreed to be on call in an emergency room,  
151 (v) persons who otherwise regularly deliver prehospital care to patients admitted to a hospital, and (vi)  
152 first responders *who, for the purposes of this section, are defined as any law-enforcement officer,*  
153 *firefighter, emergency medical personnel, or other public safety personnel functioning in a role identified*  
154 *by a federal, state, or local emergency response plan.*

155 F. For the purposes of this section, the term "compensation" shall not be construed to include (i) the  
156 salaries of police, fire or other public officials or personnel who render such emergency assistance, (ii)  
157 the salaries or wages of employees of a coal producer engaging in emergency medical technician service  
158 or first aid service pursuant to the provisions of §§ 45.1-161.38, 45.1-161.101, 45.1-161.199 or §  
159 45.1-161.263, (iii) complimentary lift tickets, food, lodging or other gifts provided as a gratuity to  
160 volunteer members of the National Ski Patrol System, Inc., by any resort, group or agency, or (iv) the  
161 salary of any person who (a) owns an automated external defibrillator for the use at the scene of an  
162 emergency, (b) trains individuals, in courses approved by the Board of Health, to operate automated  
163 external defibrillators at the scene of emergencies, (c) orders automated external defibrillators for use at  
164 the scene of emergencies, or (d) operates an automated external defibrillator at the scene of an  
165 emergency.

166 For the purposes of this section, an emergency medical care attendant or technician shall be deemed  
167 to include a person licensed or certified as such or its equivalent by any other state when he is  
168 performing services which he is licensed or certified to perform by such other state in caring for a  
169 patient in transit in this Commonwealth, which care originated in such other state.

170 Further, the public shall be urged to receive training on how to use cardiopulmonary resuscitation  
171 (CPR) and an automated external defibrillator (AED) in order to acquire the skills and confidence to  
172 respond to emergencies using both CPR and an AED.

173 **2. That the third enactment of Chapter 18 of the Acts of Assembly of 2003 is amended and**  
174 **reenacted as follows:**

175 **3. That the provisions of this act shall expire on July 1, ~~2005~~ 2008.**

176 **3. That the provisions of this act shall expire on July 1, 2008.**
