

VIRGINIA ACTS OF ASSEMBLY — CHAPTER

An Act to amend and reenact §§ 58.1-602 and 58.1-609.3 of the Code of Virginia, relating to sales and use tax; exemption for semiconductor tangible personal property.

[H 530]

Approved

Be it enacted by the General Assembly of Virginia:

1. That §§ 58.1-602 and 58.1-609.3 of the Code of Virginia are amended and reenacted as follows:
§ 58.1-602. Definitions.

As used in this chapter, unless the context clearly shows otherwise, the term or phrase:

"Advertising" means the planning, creating, or placing of advertising in newspapers, magazines, billboards, broadcasting and other media, including, without limitation, the providing of concept, writing, graphic design, mechanical art, photography and production supervision. Any person providing advertising as defined herein shall be deemed to be the user or consumer of all tangible personal property purchased for use in such advertising.

"Amplification, transmission and distribution equipment" means, but is not limited to, production, distribution, and other equipment used to provide Internet-access services, such as computer and communications equipment and software used for storing, processing and retrieving end-user subscribers' requests.

"Business" includes any activity engaged in by any person, or caused to be engaged in by him, with the object of gain, benefit or advantage, either directly or indirectly.

"Cost price" means the actual cost of an item or article of tangible personal property computed in the same manner as the sales price as defined in this section without any deductions therefrom on account of the cost of materials used, labor, or service costs, transportation charges, or any expenses whatsoever.

"Custom program" means a computer program which is specifically designed and developed only for one customer. The combining of two or more prewritten programs does not constitute a custom computer program. A prewritten program that is modified to any degree remains a prewritten program and does not become custom.

"Distribution" means the transfer or delivery of tangible personal property for use, consumption, or storage by the distributee, and the use, consumption, or storage of tangible personal property by a person who has processed, manufactured, refined, or converted such property, but does not include the transfer or delivery of tangible personal property for resale or any use, consumption, or storage otherwise exempt under this chapter.

"Gross proceeds" means the charges made or voluntary contributions received for the lease or rental of tangible personal property or for furnishing services, computed with the same deductions, where applicable, as for sales price as defined in this section over the term of the lease, rental, service, or use, but not less frequently than monthly.

"Gross sales" means the sum total of all retail sales of tangible personal property or services as defined in this chapter, without any deduction, except as provided in this chapter. "Gross sales" shall not include the federal retailers' excise tax or the federal diesel fuel excise tax imposed in § 4091 of the Internal Revenue Code if the excise tax is billed to the purchaser separately from the selling price of the article, or the Virginia retail sales or use tax, or any sales or use tax imposed by any county or city under § 58.1-605 or 58.1-606.

"Import" and "imported" are words applicable to tangible personal property imported into the Commonwealth from other states as well as from foreign countries, and "export" and "exported" are words applicable to tangible personal property exported from the Commonwealth to other states as well as to foreign countries.

"In this Commonwealth" or "in the Commonwealth" means within the limits of the Commonwealth of Virginia and includes all territory within these limits owned by or ceded to the United States of America.

"Integrated process," when used in relation to semiconductor manufacturing, means a process that begins with the research or development of semiconductor products, equipment, or processes, includes the handling and storage of raw materials at a plant site, and continues to the point that the product is packaged for final sale and either shipped or conveyed to a warehouse. Without limiting the foregoing, any semiconductor equipment, fuel, power, energy, supplies, or other tangible personal property shall be deemed used as part of the integrated process if its use contributes, before, during, or after production, to higher product quality, production yields, or process efficiencies. Except as otherwise provided by

57 *law, such term shall not mean general maintenance or administration.*

58 "Internet" means collectively, the myriad of computer and telecommunications facilities, which
59 comprise the interconnected world-wide network of computer networks.

60 "Internet service" means a service that enables users to access proprietary and other content,
61 information electronic mail, and the Internet as part of a package of services sold to end-user
62 subscribers.

63 "Lease or rental" means the leasing or renting of tangible personal property and the possession or use
64 thereof by the lessee or renter for a consideration, without transfer of the title to such property.

65 "Manufacturing, processing, refining, or conversion" includes the production line of the plant starting
66 with the handling and storage of raw materials at the plant site and continuing through the last step of
67 production where the product is finished or completed for sale and conveyed to a warehouse at the
68 production site, and also includes equipment and supplies used for production line testing and quality
69 control. The term "manufacturing" shall also include the necessary ancillary activities of newspaper and
70 magazine printing when such activities are performed by the publisher of any newspaper or magazine
71 for sale daily or regularly at average intervals not exceeding three months.

72 The determination whether any manufacturing, mining, processing, refining or conversion activity is
73 industrial in nature shall be made without regard to plant size, existence or size of finished product
74 inventory, degree of mechanization, amount of capital investment, number of employees or other factors
75 relating principally to the size of the business. Further, "industrial in nature" shall include, but not be
76 limited to, those businesses classified in codes 10 through 14 and 20 through 39 published in the
77 Standard Industrial Classification Manual for 1972 and any supplements issued thereafter.

78 "Modular building" means, but shall not be limited to, single and multifamily houses, apartment
79 units, commercial buildings, and permanent additions thereof, comprised of one or more sections that are
80 intended to become real property, primarily constructed at a location other than the permanent site, built
81 to comply with the Virginia Industrialized Building Safety Law (§ 36-70 et seq.) as regulated by the
82 Virginia Department of Housing and Community Development, and shipped with most permanent
83 components in place to the site of final assembly. For purposes of this chapter, a modular building shall
84 not include a mobile office as defined in § 58.1-2401 or any manufactured building subject to and
85 certified under the provisions of the National Manufactured Housing Construction and Safety Standards
86 Act of 1974 (42 U.S.C. § 5401 et seq.).

87 "Modular building manufacturer" means a person or corporation who owns or operates a
88 manufacturing facility and is engaged in the fabrication, construction and assembling of building
89 supplies and materials into modular buildings, as defined in this section, at a location other than at the
90 site where the modular building will be assembled on the permanent foundation and may or may not be
91 engaged in the process of affixing the modules to the foundation at the permanent site.

92 "Modular building retailer" means any person who purchases or acquires a modular building from a
93 modular building manufacturer, or from another person, for subsequent sale to a customer residing
94 within or outside of the Commonwealth, with or without installation of the modular building to the
95 foundation at the permanent site.

96 "Motor vehicle" means a "motor vehicle" as defined in § 58.1-2401, taxable under the provisions of
97 the Virginia Motor Vehicles Sales and Use Tax Act (§ 58.1-2400 et seq.) and upon the sale of which all
98 applicable motor vehicle sales and use taxes have been paid.

99 "Occasional sale" means a sale of tangible personal property not held or used by a seller in the
100 course of an activity for which he is required to hold a certificate of registration, including the sale or
101 exchange of all or substantially all the assets of any business and the reorganization or liquidation of
102 any business, provided such sale or exchange is not one of a series of sales and exchanges sufficient in
103 number, scope and character to constitute an activity requiring the holding of a certificate of registration.

104 "Open video system" means an open video system authorized pursuant to 47 U.S.C. § 573 and, for
105 purposes of this chapter only, shall also include Internet service regardless of whether the provider of
106 such service is also a telephone common carrier.

107 "Person" includes any individual, firm, copartnership, cooperative, nonprofit membership corporation,
108 joint venture, association, corporation, estate, trust, business trust, trustee in bankruptcy, receiver,
109 auctioneer, syndicate, assignee, club, society, or other group or combination acting as a unit, body
110 politic or political subdivision, whether public or private, or quasi-public, and the plural of such term
111 shall mean the same as the singular.

112 "Prewritten program" means a computer program that is prepared, held or existing for general or
113 repeated sale or lease, including a computer program developed for in-house use and subsequently sold
114 or leased to unrelated third parties.

115 "Retail sale" or a "sale at retail" means a sale to any person for any purpose other than for resale in
116 the form of tangible personal property or services taxable under this chapter, and shall include any such
117 transaction as the Tax Commissioner upon investigation finds to be in lieu of a sale. All sales for resale

must be made in strict compliance with regulations applicable to this chapter. Any dealer making a sale for resale which is not in strict compliance with such regulations shall be personally liable for payment of the tax.

The terms "retail sale" and a "sale at retail" shall specifically include the following: (i) the sale or charges for any room or rooms, lodgings, or accommodations furnished to transients for less than 90 continuous days by any hotel, motel, inn, tourist camp, tourist cabin, camping grounds, club, or any other place in which rooms, lodging, space, or accommodations are regularly furnished to transients for a consideration; (ii) sales of tangible personal property to persons for resale when because of the operation of the business, or its very nature, or the lack of a place of business in which to display a certificate of registration, or the lack of a place of business in which to keep records, or the lack of adequate records, or because such persons are minors or transients, or because such persons are engaged in essentially service businesses, or for any other reason there is likelihood that the Commonwealth will lose tax funds due to the difficulty of policing such business operations; and (iii) the separately stated charge made for automotive refinishing repair materials that are permanently applied to or affixed to a motor vehicle during its repair. The Tax Commissioner is authorized to promulgate regulations requiring vendors of or sellers to such persons to collect the tax imposed by this chapter on the cost price of such tangible personal property to such persons and may refuse to issue certificates of registration to such persons.

The term "transient" shall not include a purchaser of camping memberships, time-shares, condominiums, or other similar contracts or interests that permit the use of, or constitute an interest in, real estate, however created or sold and whether registered with the Commonwealth or not. Further, a purchaser of a right or license which entitles the purchaser to use the amenities and facilities of a specific real estate project on an ongoing basis throughout its term shall not be deemed a transient; provided, however, that the term or time period involved is for seven years or more.

The terms "retail sale" and "sale at retail" shall not include a transfer of title to tangible personal property after its use as tools, tooling, machinery or equipment, including dies, molds, and patterns, if (i) at the time of purchase, the purchaser is obligated, under the terms of a written contract, to make the transfer and (ii) the transfer is made for the same or a greater consideration to the person for whom the purchaser manufactures goods.

"Retailer" means every person engaged in the business of making sales at retail, or for distribution, use, consumption, or storage to be used or consumed in the Commonwealth.

"Sale" means any transfer of title or possession, or both, exchange, barter, lease or rental, conditional or otherwise, in any manner or by any means whatsoever, of tangible personal property and any rendition of a taxable service for a consideration, and includes the fabrication of tangible personal property for consumers who furnish, either directly or indirectly, the materials used in fabrication, and the furnishing, preparing, or serving for a consideration of any tangible personal property consumed on the premises of the person furnishing, preparing, or serving such tangible personal property. A transaction whereby the possession of property is transferred but the seller retains title as security for the payment of the price shall be deemed a sale.

"Sales price" means the total amount for which tangible personal property or services are sold, including any services that are a part of the sale, valued in money, whether paid in money or otherwise, and includes any amount for which credit is given to the purchaser, consumer, or lessee by the dealer, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, losses or any other expenses whatsoever. "Sales price" shall not include (i) any cash discount allowed and taken (ii) finance charges, carrying charges, service charges or interest from credit extended on sales of tangible personal property under conditional sale contracts or other conditional contracts providing for deferred payments of the purchase price, or (iii) separately stated local property taxes collected. Where used articles are taken in trade, or in a series of trades as a credit or part payment on the sale of new or used articles, the tax levied by this chapter shall be paid on the net difference between the sales price of the new or used articles and the credit for the used articles.

"Semiconductor cleanrooms" means the integrated systems, fixtures, piping, partitions, flooring, lighting, equipment, and all other property used to reduce contamination or to control airflow, temperature, humidity, vibration, or other environmental conditions required for the integrated process of semiconductor manufacturing.

"Semiconductor equipment" means (i) machinery or tools or repair parts or replacements thereof; (ii) the related accessories, components, pedestals, bases, or foundations used in connection with the operation of the equipment, without regard to the proximity to the equipment, the method of attachment, or whether the equipment or accessories are affixed to the realty; (iii) semiconductor wafers and other property or supplies used to install, test, calibrate or recalibrate, characterize, condition, measure, or maintain the equipment and settings thereof; and (iv) equipment and supplies used for quality control testing of product, materials, equipment, or processes; or the measurement of equipment performance or

179 *production parameters regardless of where or when the quality control, testing, or measuring activity*
 180 *takes place, how the activity affects the operation of equipment, or whether the equipment and supplies*
 181 *come into contact with the product.*

182 "Storage" means any keeping or retention of tangible personal property for use, consumption or
 183 distribution in the Commonwealth, or for any purpose other than sale at retail in the regular course of
 184 business.

185 "Tangible personal property" means personal property which may be seen, weighed, measured, felt,
 186 or touched, or is in any other manner perceptible to the senses. The term "tangible personal property"
 187 shall not include stocks, bonds, notes, insurance or other obligations or securities. The term "tangible
 188 personal property" shall include (i) telephone calling cards upon their initial sale, which shall be exempt
 189 from all other state and local utility taxes, and (ii) manufactured signs.

190 "Use" means the exercise of any right or power over tangible personal property incident to the
 191 ownership thereof, except that it does not include the sale at retail of that property in the regular course
 192 of business. The term does not include the exercise of any right or power, including use, distribution, or
 193 storage, over any tangible personal property sold to a nonresident donor for delivery outside of the
 194 Commonwealth to a nonresident recipient pursuant to an order placed by the donor from outside the
 195 Commonwealth via mail or telephone. The term does not include any sale determined to be a gift
 196 transaction, subject to tax under § 58.1-604.6.

197 "Use tax" refers to the tax imposed upon the use, consumption, distribution, and storage as herein
 198 defined.

199 "Used directly," when used in relation to manufacturing, processing, refining, or conversion, refers to
 200 those activities which are an integral part of the production of a product, including all steps of an
 201 integrated manufacturing or mining process, but not including ancillary activities such as general
 202 maintenance or administration. When used in relation to mining, it shall refer to the activities specified
 203 above, and in addition, any reclamation activity of the land previously mined by the mining company
 204 required by state or federal law.

205 "Video programmer" means a person or entity that provides video programming to end-user
 206 subscribers.

207 "Video programming" means video and/or information programming provided by or generally
 208 considered comparable to programming provided by a cable operator including, but not limited to,
 209 Internet service.

210 § 58.1-609.3. Commercial and industrial exemptions.

211 The tax imposed by this chapter or pursuant to the authority granted in §§ 58.1-605 and 58.1-606
 212 shall not apply to the following:

213 1. Personal property purchased by a contractor which is used solely in another state or in a foreign
 214 country, which could be purchased by such contractor for such use free from sales tax in such other
 215 state or foreign country, and which is stored temporarily in Virginia pending shipment to such state or
 216 country.

217 2. (i) Industrial materials for future processing, manufacturing, refining, or conversion into articles of
 218 tangible personal property for resale where such industrial materials either enter into the production of or
 219 become a component part of the finished product; (ii) industrial materials that are coated upon or
 220 impregnated into the product at any stage of its being processed, manufactured, refined, or converted for
 221 resale; (iii) machinery or tools or repair parts therefor or replacements thereof, fuel, power, energy, or
 222 supplies, used directly in processing, manufacturing, refining, mining or converting products for sale or
 223 resale; (iv) materials, containers, labels, sacks, cans, boxes, drums or bags for future use for packaging
 224 tangible personal property for shipment or sale; or (v) equipment, printing or supplies used directly to
 225 produce a publication described in subdivision 3 of § 58.1-609.6 whether it is ultimately sold at retail or
 226 for resale or distribution at no cost. Machinery, tools and equipment, or repair parts therefor or
 227 replacements thereof, shall be exempt if the preponderance of their use is directly in processing,
 228 manufacturing, refining, mining or converting products for sale or resale. The provisions of this
 229 subsection do not apply to the drilling, extraction, refining, or processing of oil, gas, natural gas and
 230 coalbed methane gas. In addition, the exemption provided herein shall not be applicable to any
 231 machinery, tools, and equipment, or any other tangible personal property used by a public service
 232 corporation in the generation of electric power, except for raw materials that are inputs to production of
 233 electricity, including fuel.

234 3. Tangible personal property sold or leased to a public service corporation engaged in business as a
 235 common carrier of property or passengers by railway, for use or consumption by such common carrier
 236 directly in the rendition of its public service.

237 4. Ships or vessels, or repairs and alterations thereof, used or to be used exclusively or principally in
 238 interstate or foreign commerce; fuel and supplies for use or consumption aboard ships or vessels plying
 239 the high seas, either in intercoastal trade between ports in the Commonwealth and ports in other states

of the United States or its territories or possessions, or in foreign commerce between ports in the Commonwealth and ports in foreign countries, when delivered directly to such ships or vessels; or tangible personal property used directly in the building, conversion or repair of the ships or vessels covered by this subdivision. This exemption shall include dredges, their supporting equipment, attendant vessels, and fuel and supplies for use or consumption aboard such vessels, provided the dredges are used exclusively or principally in interstate or foreign commerce.

5. Tangible personal property purchased for use or consumption directly and exclusively in basic research or research and development in the experimental or laboratory sense.

6. Tangible personal property sold or leased to an airline operating in intrastate, interstate or foreign commerce as a common carrier providing scheduled air service on a continuing basis to one or more Virginia airports at least one day per week, for use or consumption by such airline directly in the rendition of its common carrier service.

7. Meals furnished by restaurants or food service operators to employees as a part of wages.

8. Tangible personal property including machinery and tools, repair parts or replacements thereof, and supplies and materials used directly in maintaining and preparing textile products for rental or leasing by an industrial processor engaged in the commercial leasing or renting of laundered textile products.

9. (i) Certified pollution control equipment and facilities as defined in § 58.1-3660, except for any equipment that has not been certified to the Department of Taxation by a state certifying authority pursuant to such section and (ii) effective retroactive to July 1, 1994, and ending July 1, 2006, certified pollution control equipment and facilities as defined in § 58.1-3660 and which, in accordance with such section, have been certified by the Department of Mines, Minerals and Energy for coal, oil and gas production, including gas, natural gas, and coalbed methane gas.

10. Parts, tires, meters and dispatch radios sold or leased to taxicab operators for use or consumption directly in the rendition of their services.

11. High speed electrostatic duplicators or any other duplicators which have a printing capacity of 4,000 impressions or more per hour purchased or leased by persons engaged primarily in the printing or photocopying of products for sale or resale.

12. From July 1, 1994, and ending July 1, 2006, raw materials, fuel, power, energy, supplies, machinery or tools or repair parts therefor or replacements thereof, used directly in the drilling, extraction, refining, or processing of natural gas or oil and the reclamation of the well area. For the purposes of this section, the term "natural gas" shall mean "gas," "natural gas," and "coalbed methane gas" as defined in § 45.1-361.1. For the purposes of this section, "drilling," "extraction," "refining," and "processing" shall include production, inspection, testing, dewatering, dehydration, or distillation of raw natural gas into a usable condition consistent with commercial practices, and the gathering and transportation of raw natural gas to a facility wherein the gas is converted into such a usable condition. Machinery, tools and equipment, or repair parts therefor or replacements thereof, shall be exempt if the preponderance of their use is directly in the drilling, extraction, refining, or processing of natural gas or oil for sale or resale, or in well area reclamation activities required by state or federal law.

13. Beginning July 1, 1997, and ending July 1, 2011, (i) the sale, lease, use, storage, consumption, or distribution of an orbital or suborbital space facility, space propulsion system, space vehicle, satellite, or space station of any kind possessing space flight capability, including the components thereof, irrespective of whether such facility, system, vehicle, satellite, or station is returned to this Commonwealth for subsequent use, storage or consumption in any manner when used to conduct spaceport activities; (ii) the sale, lease, use, storage, consumption or distribution of tangible personal property placed on or used aboard any orbital or suborbital space facility, space propulsion system, space vehicle, satellite or space station of any kind, irrespective of whether such tangible personal property is returned to this Commonwealth for subsequent use, storage or consumption in any manner when used to conduct spaceport activities; (iii) fuels of such quality not adapted for use in ordinary vehicles, being produced for, sold and exclusively used for space flight when used to conduct spaceport activities; (iv) the sale, lease, use, storage, consumption or distribution of machinery and equipment purchased, sold, leased, rented or used exclusively for spaceport activities and the sale of goods and services provided to operate and maintain launch facilities, launch equipment, payload processing facilities and payload processing equipment used to conduct spaceport activities.

For purposes of this subdivision, "spaceport activities" means activities directed or sponsored at a facility owned, leased, or operated by or on behalf of the Virginia Commercial Space Flight Authority.

The exemptions provided by this subdivision shall not be denied by reason of a failure, postponement or cancellation of a launch of any orbital or suborbital space facility, space propulsion system, space vehicle, satellite or space station of any kind or the destruction of any launch vehicle or any components thereof.

14. *Semiconductor cleanrooms or equipment, fuel, power, energy, supplies, or other tangible*

301 *personal property used primarily in the integrated process of designing, developing, manufacturing, or*
302 *testing a semiconductor product, a semiconductor manufacturing process or subprocess, or*
303 *semiconductor equipment without regard to whether the property is actually contained in or used in a*
304 *cleanroom environment, touches the product, is used before or after production, or is affixed to or*
305 *incorporated into real estate.*
