SENATE BILL NO. 167

AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by the House Committee for Courts of Justice

on March 1, 2006)

(Patron Prior to Substitute—Senator Quayle)

- A BILL to amend and reenact §§ 20-108.1 and 20-108.2 of the Code of Virginia, relating to child support guidelines; factors used in determining child support.
 - Be it enacted by the General Assembly of Virginia:
- 1. That §§ 20-108.1 and 20-108.2 of the Code of Virginia are amended and reenacted as follows:

§ 20-108.1. Determination of child or spousal support.

11 A. In any proceeding on the issue of determining spousal support, the court shall consider all evidence presented relevant to any issues joined in that proceeding. The court's decision shall be 12 rendered based upon the evidence relevant to each individual case. 13

14 B. In any proceeding on the issue of determining child support under this title or Title 16.1 or Title 15 63.2, the court shall consider all evidence presented relevant to any issues joined in that proceeding. The court's decision in any such proceeding shall be rendered upon the evidence relevant to each individual 16 case. However, there shall be a rebuttable presumption in any judicial or administrative proceeding for 17 child support, including cases involving split custody or shared custody, that the amount of the award 18 which would result from the application of the guidelines set out in § 20-108.2 is the correct amount of 19 20 child support to be awarded. Liability for support shall be determined retroactively for the period measured from the date that the proceeding was commenced by the filing of an action with any court 21 provided the complainant exercised due diligence in the service of the respondent or, if earlier, the date 22 23 an order of the Department of Social Services entered pursuant to Title 63.2 and directing payment of 24 support was delivered to the sheriff or process server for service on the obligor.

In order to rebut the presumption, the court shall make written findings in the order, which findings 25 may be incorporated by reference, that the application of such guidelines would be unjust or 26 inappropriate in a particular case. The finding that rebuts the guidelines shall state the amount of support 27 that would have been required under the guidelines, shall give a justification of why the order varies 28 29 from the guidelines, and shall be determined by relevant evidence pertaining to the following factors 30 affecting the obligation, the ability of each party to provide child support, and the best interests of the 31 child: 32

- 1. Actual monetary support for other family members or former family members;
- 2. Arrangements regarding custody of the children, *including the cost of visitation travel*;

34 3. Imputed income to a party who is voluntarily unemployed or voluntarily under-employed; 35 provided that income may not be imputed to the custodial parent when a child is not in school, child care services are not available and the cost of such child care services are not included in the 36 37 computation and provided further, that any consideration of imputed income based on a change in a 38 party's employment shall be evaluated with consideration of the good faith and reasonableness of 39 employment decisions made by the party; 40

4. Debts of either party arising during the marriage for the benefit of the child;

5. Debts incurred for production of income;

42 65. Direct payments ordered by the court for health care coverage maintaining life insurance coverage pursuant to subsection D, education expenses, or other court-ordered direct payments for the 43 44 benefit of the child and costs related to the provision of health care coverage pursuant to subdivision 7 of <u>§ 20-60.3</u>: 45

7. Extraordinary capital gains such as capital gains resulting from the sale of the marital abode;

47 8. Age, physical and mental condition of the child or children, including unreimbursed medical or **48** dental expenses, and child-care expenses 6. Any special needs of a child resulting from any physical, 49 emotional, or medical condition;

97. Independent financial resources, if any, of the child or children;

108. Standard of living for the family child or children established during the marriage;

52 449. Earning capacity, obligations and needs, and financial resources, and special needs of each 53 parent;

54 12. Education and training of the parties and the ability and opportunity of the parties to secure such 55 education and training;

13. Contributions, monetary and nonmonetary, of each party to the well-being of the family; 56

57 1410. Provisions made with regard to the marital property under § 20-107.3, where said property 58 earns income or has an income-earning potential;

59 1511. Tax consequences to the parties regarding including claims for exemptions, child tax credit, 60 and child care credit for dependent children and child care expenses;

61 1612. A written agreement, *stipulation, consent order, or decree* between the parties which includes the amount of child support;

63 17. A pendente lite decree, which includes the amount of child support, agreed to by both parties or
 64 by counsel for the parties; and

65 1813. Such other factors, including tax consequences to each party, as are necessary to consider the equities for the parents and children.

67 C. In any proceeding under this title or Title 16.1 or Title 63.2 on the issue of determining child
68 support, the court shall have the authority to order a party to provide health care coverage, as defined in
69 § 63.2-1900, for dependent children if reasonable under all the circumstances and health care coverage
70 for a spouse or former spouse.

D. In any proceeding under this title, Title 16.1 or Title 63.2 on the issue of determining child support, the court shall have the authority to order a party to (i) maintain any existing life insurance policy on the life of either party provided the party so ordered has the right to designate a beneficiary and (ii) designate a child or children of the parties as the beneficiary of all or a portion of such life insurance for so long as the party so ordered has a statutory obligation to pay child support for the child or children.

E. Except when the parties have otherwise agreed, in any proceeding under this title, Title 16.1 or
Title 63.2 on the issue of determining child support, the court shall have the authority to and may, in its discretion, order one party to execute all appropriate tax forms or waivers to grant to the other party the right to take the income tax dependency exemption for any tax year or future years, for any child or children of the parties for federal and state income tax purposes.

82 § 20-108.2. Guideline for determination of child support; quadrennial review by Child Support
83 Guidelines Review Panel; executive summary.

84 A. There shall be a rebuttable presumption in any judicial or administrative proceeding for child 85 support under this title or Title 16.1 or 63.2, including cases involving split custody or shared custody, that the amount of the award which would result from the application of the guidelines set forth in this 86 87 section is the correct amount of child support to be awarded. In order to rebut the presumption, the court shall make written findings in the order as set out in § 20-108.1, which findings may be 88 89 incorporated by reference, that the application of the guidelines would be unjust or inappropriate in a 90 particular case as determined by relevant evidence pertaining to the factors set out in §§ 20-107.2 and 91 20-108.1. The Department of Social Services shall set child support at the amount resulting from 92 computations using the guidelines set out in this section pursuant to the authority granted to it in Chapter 19 (§ 63.2-1900 et seq.) of Title 63.2 and subject to the provisions of § 63.2-1918. 93

94 B. For purposes of application of the guideline, a basic child support obligation shall be computed using the schedule set out below. For combined monthly gross income amounts falling between amounts 95 96 shown in the schedule, basic child support obligation amounts shall be extrapolated. However, unless 97 one of the following exemptions applies where the sole custody child support obligation as computed pursuant to subdivision G 1 is less than \$65 per month, there shall be a presumptive minimum child 98 99 support obligation of \$65 per month payable by the payor parent. Exemptions from this presumptive minimum monthly child support obligation shall include: parents unable to pay child support because 100 they lack sufficient assets from which to pay child support and who, in addition, are institutionalized in 101 102 a psychiatric facility; are imprisoned with no chance of parole; are medically verified to be totally and permanently disabled with no evidence of potential for paying child support, including recipients of 103 Supplemental Security Income (SSI); or are otherwise involuntarily unable to produce income. "Number 104 of children" means the number of children for whom the parents share joint legal responsibility and for 105 106 whom support is being sought.

317 C. For purposes of this section, "gross income" means all income from all sources, and shall include, 318 but not be limited to, income from salaries, wages, commissions, royalties, bonuses, dividends, severance 319 pay, pensions, interest, trust income, annuities, capital gains, social security benefits except as listed 320 below, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, 321 veterans' benefits, spousal support, rental income, gifts, prizes or awards.

322 If a parent's gross income includes disability insurance benefits, it shall also include any amounts 323 paid to or for the child who is the subject of the order and derived by the child from the parent's entitlement to disability insurance benefits. To the extent that such derivative benefits are included in a 324 parent's gross income, that parent shall be entitled to a credit against his or her ongoing basic child 325 326 support obligation for any such amounts, and, if the amount of the credit exceeds the parent's basic child support obligations, the credit may be used to reduce arrearages. 327

Gross income shall be subject to deduction of reasonable business expenses for persons with income 328 329 from self-employment, a partnership, or a closely held business. "Gross income" shall not include:

- 330 1. Benefits from public assistance and social services programs as defined in § 63.2-100; 331
 - 2. Federal supplemental security income benefits;
 - 3. Child support received; or

332

333 4. Income received by the payor from secondary employment income not previously included in 334 "gross income," where the payor obtained the income to discharge a child support arrearage established 335 by a court or administrative order and the payor is paying the arrearage pursuant to the order. "Secondary employment income" includes but is not limited to income from an additional job, from 336 self-employment, or from overtime employment. The cessation of such secondary income upon the 337 338 payment of the arrearage shall not be the basis for a material change in circumstances upon which a 339 modification of child support may be based-; or

340 5. Any one-time, or very infrequent, receipt of money or value that is not expected to be repeated, 341 as, for example, a capital gain, inheritance, gift, prize, or award.

342 For purposes of this subsection: (i) spousal support received shall be included in gross income and 343 spousal support paid shall be deducted from gross income when paid pursuant to an order or written 344 agreement and (ii) one-half of any self-employment tax paid shall be deducted from gross income.

345 Where there is an existing court or administrative order or written agreement relating to the child or 346 children of a party to the proceeding, who are not the child or children who are the subject of the 347 present proceeding, then there is a presumption that there shall be deducted from the gross income of 348 the party subject to such order or written agreement, the amount that the party is actually paying for the 349 support of a child or children pursuant to such order or agreement.

SB167H1

350 Where a party to the proceeding has a natural or adopted child or children in the party's household 351 or primary physical custody, and the child or children are not the subject of the present proceeding, 352 there is a presumption that there shall be deducted from the gross income of that party the amount as 353 shown on the Schedule of Monthly Basic Child Support Obligations contained in subsection B that 354 represents that party's support obligation based solely on that party's income as being the total income 355 available for the natural or adopted child or children in the party's household or primary physical 356 custody, who are not the subject of the present proceeding. Provided, however, that the existence of a party's financial responsibility for such a child or children shall not of itself constitute a material change 357 358 in circumstances for modifying a previous order of child support in any modification proceeding. Any 359 adjustment to gross income under this subsection shall not create or reduce a support obligation to an 360 amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and 361 provide other basic necessities for the child, as determined by the court.

362 In cases in which retroactive liability for support is being determined, the court or administrative 363 agency may use the gross monthly income of the parties averaged over the period of retroactivity.

364 D. Except for good cause shown or the agreement of the parties, in addition to any other child 365 support obligations established pursuant to this section, any child support order shall provide that the 366 parents pay in proportion to their gross incomes, as used for calculating the monthly support obligation, any reasonable and necessary unreimbursed medical or dental expenses that are in excess of \$250 for 367 368 any calendar year for each child who is the subject of the obligation. The method of payment of those 369 expenses shall be contained in the support order. Each parent shall pay his respective share of expenses 370 as those expenses are incurred. Any amount paid under this subsection shall not be adjusted by, nor 371 added to, the child support calculated in accordance with subsection G. For the purposes of this section, 372 medical or dental expenses shall include but not be limited to eyeglasses, prescription medication, prosthetics, orthodontics, and mental health or developmental disabilities services, including but not 373 374 limited to services provided by a social worker, psychologist, psychiatrist, counselor, or therapist.

E. Any costs for healthcare coverage as defined in § 63.2-1900 and dental care coverage, when
actually being paid by a parent, to the extent such costs are directly allocable to the child or children,
and which are the extra costs of covering the child or children beyond whatever coverage the parent
providing the coverage would otherwise have, shall be added to the basic child support obligation.

379 F. Any child-care costs incurred on behalf of the child or children due to employment of the 380 custodial parent shall be added to the basic child support obligation. Child-care costs shall not exceed 381 the amount required to provide quality care from a licensed source. When requested by the noncustodial 382 parent, the court may require the custodial parent to present documentation to verify the costs incurred 383 for child care under this subsection. Where appropriate, the court shall consider the willingness and 384 availability of the noncustodial parent to provide child care personally in determining whether child-care 385 costs are necessary or excessive. Upon the request of either party, and upon a showing of the tax 386 savings a party derives from child-care cost deductions or credits, the court shall factor actual tax 387 consequences into its calculation of the child-care costs to be added to the basic child support obligation. 388 G. 1. Sole custody support. The sole custody total monthly child support obligation shall be 389 established by adding (i) the monthly basic child support obligation, as determined from the schedule 390 contained in subsection B, (ii) costs for health care coverage to the extent allowable by subsection E, 391 and (iii) work-related child-care costs and taking into consideration all the factors set forth in subsection 392 B of § 20-108.1. The total monthly child support obligation shall be divided between the parents in the 393 same proportion as their monthly gross incomes bear to their monthly combined gross income. The 394 monthly obligation of each parent shall be computed by multiplying each parent's percentage of the 395 parents' monthly combined gross income by the total monthly child support obligation.

However, the monthly obligation of the noncustodial parent shall be reduced by the cost for health care coverage to the extent allowable by subsection E when paid directly by the noncustodial parent.
Unreimbursed medical and dental expenses shall be calculated and allocated in accordance with subsection D.

400 2. Split custody support. In cases involving split custody, the amount of child support to be paid
401 shall be the difference between the amounts owed by each parent as a noncustodial parent, computed in
402 accordance with subdivision 1, with the noncustodial parent owing the larger amount paying the
403 difference to the other parent. Unreimbursed medical and dental expenses shall be calculated and
404 allocated in accordance with subsection D.

For the purpose of this section and § 20-108.1, split custody shall be limited to those situations where each parent has physical custody of a child or children born of the parents, born of either parent and adopted by the other parent or adopted by both parents. For the purposes of calculating a child support obligation where split custody exists, a separate family unit exists for each parent, and child support for that family unit shall be calculated upon the number of children in that family unit who are born of the parents, born of either parent and adopted by the other parent or adopted by both parents. 411 Where split custody exists, a parent is a custodial parent to the children in that parent's family unit and 412 is a noncustodial parent to the children in the other parent's family unit.

413 3. Shared custody support.

(a) Where a party has custody or visitation of a child or children for more than 90 days of the year,
(a) Where a party has custody or visitation of a child or children for more than 90 days of the year,
(a) where a party has custody or visitation of a child or children for more than 90 days of the year,
(a) where a party has custody or visitation of a child or children for more than 90 days of the year,
(b) as such days are defined in subdivision G 3 (c), a shared custody child support amount based on the
(c) a shared custody child or children shall be calculated in
(c) a shared custody and visitation of any child or children shall be calculated in
(c) a support amount based on the
(c) a shared custody child support amount based on the
(c) a shared custody and visitation of any child or children shall be calculated in
(c) a support amount, unless a party affirmatively shows that the sole custody support amount calculated as
(c) provided in subdivision G 1 is less than the shared custody support amount. If so, the lesser amount
(c) shall be the support to be paid. For the purposes of this subsection, the following shall apply:

(i) Income share. "Income share" means a parent's percentage of the combined monthly gross income of both parents. The income share of a parent is that parent's gross income divided by the combined gross incomes of the parties.

424 (ii) Custody share. "Custody share" means the number of days that a parent has physical custody, 425 whether by sole custody, joint legal or joint residential custody, or visitation, of a shared child per year 426 divided by the number of days in the year. The actual or anticipated "custody share" of the parent who 427 has or will have fewer days of physical custody shall be calculated for a one-year period. The "custody share" of the other parent shall be presumed to be the number of days in the year less the number of 428 429 days calculated as the first parent's "custody share." For purposes of this calculation, the year may begin 430 on such date as is determined in the discretion of the court, and the day may begin at such time as is 431 determined in the discretion of the court. For purposes of this calculation, a day shall be as defined in 432 subdivision G 3 (c).

(iii) Shared support need. "Shared support need" means the presumptive guideline amount of needed
support for the shared child or children calculated pursuant to subsection B of this section, for the
combined gross income of the parties and the number of shared children, multiplied by 1.4.

436 (iv) Sole custody support. "Sole custody support" means the support amount determined in437 accordance with subdivision G 1.

438 (b) Support to be paid. The shared support need of the shared child or children shall be calculated 439 pursuant to subdivision G 3 (a) (iii). This amount shall then be multiplied by the other parent's custody 440 share. To that sum for each parent shall be added the other parent's cost of health care coverage to the 441 extent allowable by subsection E, plus the other parent's work-related child-care costs to the extent allowable by subsection F. This total for each parent shall be multiplied by that parent's income share. 442 443 The support amounts thereby calculated that each parent owes the other shall be subtracted one from the 444 other and the difference shall be the shared custody support one parent owes to the other, with the payor 445 parent being the one whose shared support is the larger. Unreimbursed medical and dental expenses 446 shall be calculated and allocated in accordance with subsection D.

(c) Definition of a day. For the purposes of this section, "day" means a period of 24 hours; however,
where the parent who has the fewer number of overnight periods during the year has an overnight
period with a child, but has physical custody of the shared child for less than 24 hours during such
overnight period, there is a presumption that each parent shall be allocated one-half of a day of custody
for that period.

(d) Minimum standards. Any calculation under this subdivision shall not create or reduce a support
obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal
adequate housing and provide other basic necessities for the child. If the gross income of either party is
equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of
Health and Human Services from time to time, then the shared custody support calculated pursuant to
this subsection shall not be the presumptively correct support and the court may consider whether the
sole custody support or the shared custody support is more just and appropriate.

(e) Support modification. When there has been an award of child support based on the shared
custody formula and one parent consistently fails to exercise custody or visitation in accordance with the
parent's custody share upon which the award was based, there shall be a rebuttable presumption that the
support award should be modified.

463 (f) In the event that the shared custody support calculation indicates that the net support is to be paid
464 to the parent who would not be the parent receiving support pursuant to the sole custody calculation,
465 then the shared support shall be deemed to be the lesser support.

H. The Secretary of Health and Human Resources shall ensure that the guideline set out in this section is reviewed by October 31, 2001, and every four years thereafter, by the Child Support Guidelines Review Panel, consisting of 15 members comprised of four legislative members and 11 nonlegislative citizen members. Members shall be appointed as follows: three members of the House Committee for Courts of Justice, upon the recommendation of the chairman of such committee, to be appointed by the Speaker of the House of Delegates in accordance with the principles of proportional representation contained in the Rules of the House of Delegates; one member of the Senate Committee

473 for Courts of Justice, upon the recommendation of the chairman of such committee, to be appointed by **474** the Senate Committee on Rules; and one representative of a juvenile and domestic relations district 475 court, one representative of a circuit court, one representative of the Department of Social Services' 476 Division of Child Support Enforcement, three members of the Virginia State Bar, two custodial parents, 477 two noncustodial parents, and one child advocate, upon the recommendation of the Secretary of Health 478 and Human Resources, to be appointed by the Governor. The Panel shall determine the adequacy of the 479 guideline for the determination of appropriate awards for the support of children by considering current 480 research and data on the cost of and expenditures necessary for rearing children, and any other resources 481 it deems relevant to such review. The Panel shall report its findings to the General Assembly as 482 provided in the procedures of the Division of Legislative Automated Systems for the processing of 483 legislative documents and reports before the General Assembly next convenes following such review.

484 Legislative members shall serve terms coincident with their terms of office. Nonlegislative citizen
485 members shall serve at the pleasure of the Governor. All members may be reappointed. Appointments to
486 fill vacancies, other than by expiration of a term, shall be made for the unexpired terms. Vacancies shall
487 be filled in the same manner as the original appointments.

488 Legislative members shall receive such compensation as provided in § 30-19.12, and nonlegislative 489 citizen members shall receive such compensation for the performance of their duties as provided in 490 § 2.2-2813. All members shall be reimbursed for all reasonable and necessary expenses incurred in the 491 performance of their duties as provided in §§ 2.2-2813 and 2.2-2825. Funding for the costs of 492 compensation and expenses of the members shall be provided by the Department of Social Services.

493 The Department of Social Services shall provide staff support to the Panel. All agencies of the **494** Commonwealth shall provide assistance to the Panel, upon request.

495 The chairman of the Panel shall submit to the Governor and the General Assembly a quadrennial 496 executive summary of the interim activity and work of the Panel no later than the first day of 2006 497 regular session of the General Assembly and every four years thereafter. The executive summary shall 498 be submitted as provided in the procedures of the Division of Legislative Automated Systems for the 499 processing of legislative documents and reports and shall be posted on the General Assembly's website.

500 Notwithstanding any other provision of law, any amendments to this section shall not be retroactive 501 to a date before the effective date of the amendment, and shall not be the basis for a material change in 502 circumstances upon which a modification of child support may be based.
