§ 4.1-235. Collection; computation, distribution of tax on wine and other alcoholic beverages; refunds and adjustments.

A. The Board shall collect the state taxes levied pursuant to § 4.1-234 as follows:

1. Collection shall be from the purchaser at the time of or prior to sale, except as to sales made to wholesale wine licensees. 2. In establishing the prices for items sold by it to persons other than wholesale licensees, the Board shall include a reasonable markup. The liter tax or ~~twenty percent~~ 23% tax, as appropriate, shall then be added to the price of each container of alcoholic beverages. The four percent tax on vermouth and farm winery wines shall then be added for those products. In all cases the final price for each container may be established so as to be a multiple of five.

In accounting for the state tax on sales the Board shall divide the net sales for the quarter by ~~1.20~~ 1.23 and multiply the result by ~~twenty percent~~ 23%. As to the sale of vermouth and farm winery wine, the Board shall divide the net sales for the quarter by 1.04 and multiply the result by four percent.

B. The amount of tax collected under this section during each quarter shall, within fifty days after the close of such quarter, be certified to the Comptroller by the Board and shall be transferred by him from the special fund described in § 4.1-116 to the general fund of the state treasury. The Board shall, not later than June 20 of every year, estimate the yield of the state tax on sales imposed by § 4.1-234 for the quarter ending June 30 and certify the amount of such estimate to the Comptroller, whereupon the Comptroller shall, before the end of the month, transfer the amount of such estimate from the special fund described in § 4.1-116 to the general fund of the state treasury, subject to such adjustment on account of an overestimate or underestimate as may be indicated within fifty days after the close of the quarter ending on June 30.

Forty-four percent of the amount derived from the liter tax levied pursuant to § 4.1-234 shall be transferred to the general fund and paid to the several counties, cities, and towns of the Commonwealth in proportion to their respective populations, and is appropriated for such purpose.

The counties, cities, and towns shall in no event receive from the taxes derived from the sale of wines less revenue than was received by such counties, cities, and towns for the year ending June 30, 1976.

Twelve percent of the amount derived from the liter tax levied shall be retained by the Board as operating revenue and distributed as provided in § 4.1-117.

The revenues generated by the increase in the tax imposed pursuant to subsection B of § 4.1-234, pursuant to enactments of the 2006 Session of the General Assembly, shall be transferred to the general
