§ 55-370. Time-share estate owners' association control liens.

A. The board of directors of the association shall have the authority to adopt regular annual assessments and to levy periodic special assessments against each of the time-share estate unit owners and to collect the same from such owners according to law, if the purpose in so doing is determined by the board of directors to be in the best interest of the project and the proceeds are used to pay time-share expenses. In addition, the board of directors of the association shall have the authority to collect, on behalf of the developer or on its own account, the maintenance fee imposed by the developer pursuant to § 55-369. The authority hereby granted and conferred upon the association shall exist notwithstanding any covenants and restrictions of record applicable to the project stated to the contrary and any such covenants and restrictions are hereby declared void.

B. The developer may provide that it not be obligated to pay all or a portion of any assessment, dues, or other charges of the association, however denominated, passed, or adopted, pursuant to subsection A, if such developer so provides, in bold type, in the time-share instrument for the time-share estate project. If no such provision exists, the developer shall be responsible to pay the same assessment, dues, or other charges that a time-share estate owner is obligated to pay for each of its unsold

time-shares existing at the end of the fiscal year of the association and no more if the board of directors of the association so determines. In no event shall either a time-share expense or the dues, assessment, or charges of the association discriminate against the developer.

C. The association shall have a lien on every time-share estate within its project for unpaid and past due regular or special assessments levied against that estate in accordance with the provisions of this chapter and for all unpaid and past due maintenance fees. *The exemption created by § 34-4 shall not be claimed against the debt or lien of the association created by this section.*

The association, in order to perfect the lien given by this subsection, shall file, before the expiration of four years from the time such special or regular assessment or maintenance fee became due and payable, in the clerk's office of the county or city in which the project is situated, a memorandum verified by the oath of any officer of the association or its managing agent and containing the following information:

1. The name and location of the project;
2. The name and address of each owner of the time-share on which the lien exists and a description of the unit in which the time-share is situate;
3. The amount of unpaid and past due special or regular assessments or unpaid and past due maintenance fees applicable to the time-share, together with the date when each became due;
4. The amount of any other charges owing occasioned by the failure of the owner to pay the assessments or maintenance fees, including late charges, interest, postage and handling, attorneys' fees, recording costs and release fees;
5. The name, address and telephone number of the association's trustee, if known at the time, who will be called upon by the association to foreclose on the lien upon the owner's failure to pay as provided in this subsection; and
6. The date of issuance of the memorandum.

Notwithstanding any other provision of this chapter, or any other provision of law requiring documents to be recorded in the deed books of the clerk's office of any court, from July 1, 1981, all memoranda of liens arising under this subsection shall be recorded in the deed books in such clerk's office. Any such memorandum shall be indexed in the general index to deeds, and such general index shall identify the lien as a lien for time-share estate regular or special assessments or maintenance fees.

It shall be the duty of the clerk in whose office such memorandum shall be filed as provided herein to record and index the same as provided in this subsection, in the names of the persons identified therein as well as in the name of the time-share estates owners' association. The cost of recording such memorandum shall be taxed against the owner of the time-share on which the lien is placed. The filing with the clerk of one memorandum on which is listed two or more delinquent time-share estate unit owners is permitted in order to perfect the lien hereby allowed and the cost of filing in this event shall be the clerk's fee as prescribed in subdivision A. 2. of § 17.1-275.

D. At any time after perfecting the lien pursuant to this section, the association may sell the time-share estate at public sale, subject to prior liens. For purposes of this section, the association shall have the power both to sell and convey the time-share estate, and shall be deemed the time-share estate owner's statutory agent for the purpose of transferring title to the time-share estate. A nonjudicial foreclosure sale shall be conducted by a trustee and in accordance with the following:

1. The association shall give notice to the time-share estate owner, prior to advertisement, as required by subdivision 4. The notice shall specify (i) the debt secured by the perfected lien; (ii) the action required to satisfy the debt secured by the perfected lien; (iii) the date, not less than 60 days from the date the notice is given to the time-share estate owner, by which the debt secured by the lien must be satisfied; and (iv) that failure to satisfy the debt secured by the lien on or before the date specified in the notice may result in the sale of the time-share estate. The notice shall further inform the time-share estate owner of the right to bring a court action in the circuit court of the county or city where the time-share project is located to assert the nonexistence of a debt or any other defenses of the time-share estate owner to the sale.

2. After expiration of the 60-day notice period provided in subdivision 1, the association may appoint a trustee to conduct the sale. The appointment of the trustee shall be filed in the clerk's office of the circuit court in the county or city in which the time-share project is located. It shall be the duty of the clerk in whose office such appointment is filed to record and index the same, as provided in this subsection, in the names of the persons identified therein as well as in the name of the association. The association, at its option, may from time to time remove the trustee and appoint a successor trustee.

3. If the time-share estate owner meets the conditions specified in this subdivision prior to the date of the foreclosure sale, the time-share estate owner shall have the right to have enforcement of the perfected lien discontinued prior to the sale of the time-share estate. Such conditions are that the time-share estate owner: (i) satisfy the debt secured by lien that is the subject of the nonjudicial foreclosure sale and (ii) pay all expenses and costs incurred in perfecting and enforcing the lien, including but not limited to advertising costs and reasonable attorney fees.

4. In addition to the advertisement required by subdivision 5, the association shall give written notice of the time, date, and place of any proposed sale in execution of the lien, including the name, address,

and telephone number of the trustee, by personal delivery or by mail to (i) the present owner of the time-share estate to be sold at his last known address as such owner and address appear in the records of the association, (ii) any lienholder who holds a note against the time-share estate secured by a deed of trust recorded at least 30 days prior to the proposed sale and whose address is recorded with the deed of trust, and (iii) any assignee of such a note secured by a deed of trust provided the assignment and address of the assignee are likewise recorded at least 30 days prior to the proposed sale. Mailing a copy of the advertisement or the notice containing the same information to the owner by certified or registered mail no less than 14 days prior to such sale and to the lienholders and their assigns, at the addresses noted in the memorandum of lien, by ordinary mail no less than 14 days prior to such sale shall be a sufficient compliance with the requirement of notice.

5. The advertisement of sale by the association shall be in a newspaper having a general circulation in the city or county wherein the time-share estate to be sold and the time-share project, or any portion thereof, lies pursuant to the following provisions:

a. The association shall advertise once a week for four successive weeks; however, if the time-share estate and the time-share project or some portion thereof is located in a city or in a county immediately contiguous to a city, publication of the advertisement five different days, which may be consecutive days, shall be deemed adequate. The sale shall be held on any day following the day of the last advertisement that is no earlier than eight days following the first advertisement nor more than 30 days following the last advertisement.

b. Such advertisement shall be placed in that section of the newspaper where legal notices appear or where the type of time-share estate being sold is generally advertised for sale. The advertisement of sale, in addition to such other matters as the association finds appropriate, shall set forth a description of the time-share estate to be sold, which description need not be as extensive as that contained in the deed of trust, but shall identify the time-share project by street address, if any, or, if none, shall give the general location of such time-share project with reference to streets, routes, or known landmarks with further identification of the time-share estate to be sold. Where available, tax map identification may be used but is not required. The advertisement shall also include the date, time, place, and terms of sale and the name of the association. It shall set forth the name, address, and telephone number of the representative, agent, or attorney who may be able to respond to inquiries concerning the sale.

c. In addition to the advertisement required by subdivisions 5 a and 5 b, the association may give such other further and different advertisement as the association finds appropriate.

6. In the event of postponement of the sale, which postponement shall be at the discretion of the association, advertisement of the postponed sale shall be in the same manner as the original advertisement of sale.

7. Failure to comply with the requirements for advertisement contained in this section shall, upon petition, render a sale of the property voidable by the court. Such petition shall be filed within 60 days of the sale or the right to do so shall lapse.

8. In the event of a sale, the association shall have the following powers and duties:

a. The association may sell two or more time-share estates at the sale. Written one-price bids may be made and shall be received by the trustee from the association or any person for entry by announcement at the sale. Any person other than the trustee may bid at the foreclosure sale, including a person who has submitted a written one-price bid. Upon request to the trustee, any other bidder in attendance at a foreclosure sale shall be permitted to inspect written bids. Unless otherwise provided in the time-share instrument, the association may bid to purchase the time-share estate at a foreclosure sale. The association may own, lease, encumber, exchange, sell, or convey the time-share estate. Whenever the written bid of the association is the highest bid submitted at the sale, such written bid shall be filed by the trustee with his account of sale required under subdivision D 10 of this section and § 26-15. The written bid submitted pursuant to this subsection may be prepared by the association, its agent or attorney.

b. The association may require of any bidder at any sale a cash deposit of as much as 33.33% of the sale price before his bid is received, which shall be refunded to him if the time-share estate is not sold to him through action of the trustee. The deposit of the successful bidder shall be applied to his credit at settlement, or if such bidder fails to complete his purchase promptly, the deposit shall be applied to pay the costs and expenses of the sale, and the balance, if any, shall be retained by the association in connection with that sale.

c. The association shall receive and receipt for the proceeds of sale, no purchaser being required to see to the application of the proceeds, and apply the same in the following order: first, to the reasonable expenses of sale, including reasonable attorney fees; second, to the satisfaction of all taxes, levies, and assessments, with costs and interest; third, to the satisfaction of the lien for the time-share estate owners' assessments; fourth, to the satisfaction in the order of priority of any remaining inferior claims of record; and fifth, to pay the residue of the proceeds to the time-share estate owner or his assigns; provided, however, that the association as to such residue shall not be bound by any inheritance, devise, conveyance, assignment or lien of or upon the unit owner's equity, without actual notice thereof prior to distribution.

9. The trustee shall deliver to the purchaser a trustee's deed conveying the time-share estate with special warranty of title. The trustee shall not be required to take possession of the time-share estate prior to the sale thereof or to deliver possession of the time-share estate to the purchaser at the sale.

10. The trustee shall file an accounting of the sale with the commissioner of accounts pursuant to § 26-15 and every account of a sale shall be recorded pursuant to § 26-16. In addition, the accounting shall be made available for inspection and copying pursuant to § 55-370.01 upon the written request of the prior time-share estate owner, current time-share estate owner, or any holder of a recorded lien against the time-share estate at the time of the sale. The association shall maintain a copy of the accounting for at least 12 months following the foreclosure sale.

11. If the sale of a time-share estate is made pursuant to this subsection and the accounting is made by the trustee, the title of the purchaser at such sale shall not be disturbed unless within six months from the date of foreclosure, the sale is set aside by the court or an appeal is allowed by the Supreme Court of Virginia, and a decree is therein entered requiring such sale to be set aside.

When payment or satisfaction is made of a debt secured by the lien perfected by this subsection, such lien shall be released in accordance with the provisions of § 55-66.3. For the purposes of § 55-66.3, any officer of the time-share estate owners' association or its managing agent shall be deemed the duly authorized agent of the lien creditor.

E. The commissioner of accounts to whom an account of sale is returned in connection with the foreclosure of either a lien under subsection C or a purchase money deed of trust taken back by the developer in the sale of a time-share in order to satisfy § 26-15 shall be entitled to a fee, not to exceed forty-five dollars, on each such sale.

F. Any time-share owner within the project having executed a contract for the disposition of the time-share, shall be entitled, upon request, to a recordable statement setting forth the amount of unpaid regular or special assessments or maintenance fees currently levied against that time-share. Such request shall be in writing, directed to the president of the time-share estate owners' association, and delivered to the principal office of the association. Failure of the association to furnish or make available such statement within twenty days from the actual receipt of such written request shall extinguish the lien created by subsection C as to the time-share involved. Payment of a fee reflecting the reasonable cost of materials and labor, not to exceed the actual cost thereof, may be required as a prerequisite to the issuance of such a statement.

§ 55-370.01. Time-share owners' association books and records; meetings; use of e-mail.

A. Subject to the provisions of subsection B, all books and records, or copies thereof, kept by or on behalf of the association shall be maintained so that such books and records, or portions thereof, are reasonably available for inspection after written request by a member in good standing or his authorized agent. The association may charge such member or his agent a reasonable fee for copying the requested information. No books or records shall be removed from their location by the examining member or his agent. The right of inspection shall exist without reference to the duration of membership and may be exercised only during reasonable business hours and at a mutually convenient time and location, under the supervision of the custodian, and upon 15 days' written notice.

For purposes of this subsection, the requested books and records shall be considered "reasonably available" if copies thereof are delivered to the requesting member or his agent within seven business days of the date the association receives the written request. However, the requesting member or his agent shall be permitted to inspect the books and records wherever located at any reasonable time, under reasonable conditions, and under the supervision of the custodian of the records. The custodian shall supply copies of the records where requested and upon payment of the copying fee.

The association shall provide members of the association with the location of the books and records, along with the name and address of the custodian, by any reasonable method, which may include posting in a reasonable location at the situs of the time-share project or in the annual report required by § 55-370.1.

B. Books and records kept by or on behalf of an association may be withheld from inspection to the extent that they concern:

1. Personnel records;
2. An individual's medical records;
3. Records relating to business transactions that are currently in negotiation;
4. Privileged communications with legal counsel;
5. Complaints against an individual member of the association;
6. Agreements containing confidentiality requirements;
7. Pending litigation;
8. The name, address, phone number, electronic mail address, or other personal information of time-share owners or members of the association, unless such owner or member first approves of the disclosure in writing;
9. Disclosure of information in violation of law; or
10. Meeting minutes or other records of an executive session of the board of directors held in accordance with subsection D.

The association shall be under no obligation to provide requested records to the extent that they are matters of public record or are otherwise readily obtainable from another source.

C. The association shall maintain among its records a complete, up-to-date list of the names and addresses of all current members in good standing who are owners of time-share estates in the time-share project. The association shall not publish such list or provide a copy of it to any time-share owner or to any third party except the board of directors or the developer. However, the association shall mail to those persons listed on the list materials provided by any member in good standing, upon written request of that member, if the purpose of the mailing is to advance legitimate association business. The use of any proxies solicited in this manner must comply with the provisions of the time-share instrument and this chapter. A mailing requested for the purpose of advancing legitimate association business shall occur within 45 days after receipt of a request from a member in good standing. The board of directors of the association shall be responsible for determining the appropriateness of any mailing requested pursuant to this subsection whose decision in this regard shall be final. The association shall be paid in advance for the association's actual costs in performing the mailing, including but not limited to postage, supplies, reasonable labor, and attorney fees.

D. Meetings of the board of directors shall be open to all members of record who are eligible to vote and who are in good standing. Minutes shall be recorded and shall be available as provided in subsection A. The board of directors may convene in closed session to consider personnel matters; consult with legal counsel; discuss and consider contracts, potential or pending litigation, and matters involving violations of the time-share instrument or rules and regulations adopted pursuant thereto for which a member, his family members, tenants, guests, or other invitees are responsible; or discuss and consider the personal liability of members to the association upon the affirmative vote in open meeting to assemble in closed session. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the closed session shall be included in the minutes. The board of directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No contract, motion, or other action adopted, passed, or agreed to in closed session shall become effective unless the board of directors, following the closed session, reconvenes in open meeting and takes a vote on such contract, motion, or other action, which shall have its substance reasonably identified in the open meeting. The requirements of this section shall not require the disclosure of information in violation of law.

E. Notwithstanding any provisions of the Virginia Nonstock Corporation Act (§ 13.1-801 et seq.) to the contrary:

1. The bylaws of the association may prescribe different quorum requirements for meetings of its members;

2. A director of the association may be removed from the office pursuant to any procedure provided in its articles of incorporation and, if none is provided, may be removed at a meeting called expressly for that purpose, with or without cause, by such vote as would suffice for his election.

F. Whenever in this chapter communication between the board of directors and a member of the association is required by mail, any electronic means may be used in the alternative, including e-mail, provided such electronic communication is personal and only between such board and such member.

G. Filings with the board may be made by any electronic means providing such board is willing to accept same.

§ 55-374. Public offering statement.

A. The developer shall prepare and distribute to each prospective purchaser prior to the execution of a contract for the purchase of a time-share, a copy of the current public offering statement about which the time-share relates. The public offering statement shall fully and accurately disclose the material characteristics of the time-share project registered under this chapter and such time-share offered, and shall make known to each prospective purchaser all material circumstances affecting such time-share project. A developer need not make joint disclosures concerning two or more time-share projects owned by the developer or any related entity unless such projects are included in the same time-share program and marketed jointly at any of the time-share projects. The proposed public offering statement shall be filed with the Board, and shall be in a form prescribed by its regulations. D. In the case of a conversion project, the developer shall give at least 90 days' notice to each of the tenants of the building or buildings which the developer intends to submit to the provisions of this chapter. During the first 60 days of such 90-day period, each of these tenants shall have the exclusive right to contract for the purchase of a time-share from the unit he occupies, but only if such unit is to be retained in the conversion project without substantial alteration in its physical layout. Such notice shall be hand delivered or sent by first-class mail, return receipt requested, and shall inform the tenants of the developer's intent to create a conversion project. Such notice may also constitute the notice to terminate the tenancy as provided for in § 55-222, except that, despite the provisions of § 55-222, a tenancy from month to month may only be terminated upon 120 days' notice as set forth herein when such termination is in regard to the creation of a conversion project. If, however, a tenant so notified remains in possession of the unit he occupies after the expiration of the 120-day period with the permission of the developer, in order to then terminate the tenancy, such developer shall give the tenant a further notice as provided in § 55-222.

The developer of a conversion project, shall, in addition to the requirements of § 55-391.1, include with the application for registration a copy of the notice required by this subsection and a certified statement that such notice which fully complies with the provisions of this subsection shall be, at the time of the registration of the conversion project, mailed or delivered to each of the tenants in the building or buildings for which registration is sought.

E. The developer shall amend the public offering statement to reflect any material change in the time-share program or time-share project. If the developer has reserved in the time-share instrument the right to add to or delete incidental benefits or alternative purchases, the addition or deletion thereof shall not constitute a material change. Prior to distribution, the developer shall file with the Board the public offering statement amended to reflect any material change.

F. The Board may at any time require a developer to alter or supplement the form or substance of the public offering statement to assure full and fair disclosure to prospective purchasers. A developer may, in its discretion, prepare and distribute a public offering statement for each product offered or one public offering statement for all products offered.

G. In the case of a time-share project located outside the Commonwealth, similar disclosure statements required by other situs laws governing time-sharing may be acceptable alternative disclosure statements.

H. The developer shall prepare and distribute to each prospective purchaser prior to the execution of a purchase contract for a registered alternative purchase, a copy of the public offering statement about which such alternative purchase relates. The public offering statement shall fully and accurately disclose the material characteristics of such alternative purchase. The public offering statement for an alternative purchase shall be filed with the Board and shall be in a form prescribed by its regulations, if any.

The public offering statement for an alternative purchase need not contain any information about the

time-share project, time-share program or the time-shares offered by the developer which was initially offered to such purchaser by the developer. If the developer so elects, the public offering statement for an alternative purchase is not required to have any exhibits.

1. The public offering statement may be in any format, including a compact disc, provided the prospective buyer has available for review, along with ample time for any questions and answers, a copy of the public offering statement prior to his execution of a contract.

§ 55-376.3. Liability limited; liability actions prohibited.

A. Except as provided in subsection B, a project professional is not liable for injury to or death of a participant resulting from the inherent risks of project activities, so long as the warning contained in § 55-376.4 is posted as required. Except as provided in subsection B, no participant or participant's representative may maintain an action against or recover from a project professional for injury, loss, damage, or death of the participant resulting exclusively from any of the inherent risks of project activities; provided that in any action for damages against a project professional for a project activity, the project professional shall plead the affirmative defense of assumption of the risk of project activity by the participant.

B. Nothing in subsection A shall prevent or limit the liability of a project professional if the project professional does any one or more of the following:

1. Commits an act or omission that constitutes negligence or willful or wanton disregard for the safety of the participant, and that act or omission proximately causes injury, damage, or death to the participant;

2. Has actual knowledge or reasonably should have known of a dangerous condition on the land or in the facilities or equipment used in the project activity, or the dangerous propensity of a particular animal used in such activity and does not make the danger known to the participant, and the danger proximately causes injury, damage, or death to the participant; or

3. Intentionally injures the participant.

C. Any limitation on legal liability afforded by this section to a project professional is in addition to any other limitations of legal liability otherwise provided by law.

§ 55-376.4. Warning required.

A. The developer, association, or other project professional shall post and maintain signs that contain the warning notice specified in subsection B. One sign shall be placed in a clearly visible location at the entrance to the project and another at the site of the project activity. The warning notice shall consist of a sign in black letters, with each letter to be a minimum of one inch in height. Every written contract entered into by a project professional for the providing of professional services, instruction, or the rental of equipment to a participant, whether or not the contract involves project activities on or off the time-share project or at the site of the project activity, shall contain in clearly readable print the warning notice specified in subsection B.

B. The signs and contracts described in subsection A shall contain the following notice of warning:

"WARNING: Under Virginia law, there is no liability for an injury to or death of a participant in a project activity conducted at this location if such injury or death results from the inherent risks of the project activity. Inherent risks of project activities include, among others, risks of injury inherent to land, equipment, and animals, as well as the potential for you to act in a negligent manner that may contribute to your injury or death. You are assuming the risk of participating in this project activity."

C. Failure to comply with the requirements concerning warning signs and notices provided in this section shall prevent a project professional from invoking the privileges of immunity provided by this chapter.
