91 § 59.1-369. Powers and duties of the Commission.

93 chapter and to exercise the control of horse racing as set forth in § 59.1-364. Such powers and duties
94 shall include but not be limited to the following:

95 1. The Commission is vested with jurisdiction and supervision over all horse racing licensed under
96 the provisions of this chapter including all persons conducting, participating in, or attending any race
97 meeting. It shall employ such persons to be present at race meetings as are necessary to ensure that they
98 are conducted with order and the highest degree of integrity. It may eject or exclude from the enclosure
99 or from any part thereof any person, whether or not he possesses a license or permit, whose conduct or
100 reputation is such that his presence may, in the opinion of the Commission, reflect on the honesty and
101 integrity of horse racing or interfere with the orderly conduct of horse racing.

102 2. The Commission, its representatives, and employees shall visit, investigate, and have free access to
103 the office, track, facilities, satellite facilities or other places of business of any license or permit holder,
104 and may compel the production of any of the books, documents, records, or memoranda of any license
105 or permit holder for the purpose of satisfying itself that this chapter and its regulations are strictly
106 complied with. In addition, the Commission may require the production of an annual balance sheet and
107 operating statement of any person licensed or granted a permit pursuant to the provisions of this chapter
108 and may require the production of any contract to which such person is or may be a party.

109 3. The Commission shall promulgate regulations and conditions under which horse racing with
110 pari-mutuel wagering shall be conducted in the Commonwealth, and all such other regulations it deems
111 necessary and appropriate to effect the purposes of this chapter, including a requirement that licensees
112 post, in a conspicuous place in every place where pari-mutuel wagering is conducted, a sign which bears
113 a toll-free telephone number for "Gamblers Anonymous" or other organization which provides assistance
114 to compulsive gamblers. Such regulations shall include provisions for affirmative action to assure
115 participation by minority persons in contracts granted by the Commission and its licensees. Nothing in
116 this subdivision shall be deemed to preclude private local ownership or participation in any horse
117 racetrack. Such regulations may include penalties for violations. The regulations shall be subject to the
118 Administrative Process Act (§ 2.2-4000 et seq.).

119 4. The Commission shall promulgate regulations and conditions under which simulcast horse racing
120 shall be conducted at a licensed horse racetrack or satellite facility in the Commonwealth and all such

other regulations it deems necessary and appropriate to effect the purposes of this chapter. Such regulations shall include provisions that all simulcast horse racing shall comply with the Interstate Horse Racing Act of 1978 (15 U.S.C. § 3001 et seq.) and shall require the holder of an unlimited license to schedule not less than 150 live racing days in the Commonwealth each calendar year; however, the Commission shall have the authority to alter the required number of live racing days based on what the Commission deems to be in the best interest of the Virginia horse industry. Such regulations shall authorize up to 10 satellite facilities and restrict majority ownership of satellite facilities to an entity licensed by the Commission which owns a horse racetrack in the Commonwealth. Nothing in this subdivision shall be deemed to preclude private local ownership or participation in any satellite facility. ~~Wagering Except as authorized pursuant to subdivision 5, wagering on simulcast horse racing shall take place only at a licensed horse racetrack or satellite facility.~~

5. The Commission shall promulgate regulations and conditions regulating and controlling a ~~method of pari-mutuel wagering conducted in the Commonwealth that is permissible under the Interstate Horseracing Act, § 3001 et seq. of Chapter 57 of Title 15 of the United States Code, and in which an individual may establish an account with an entity, approved by the Commission, to place pari-mutuel wagers in person or electronically advance deposit account wagering.~~ Such regulations shall include, but not be limited to, (i) standards, qualifications, and procedures for the issuance of a license to any such entity or entities pursuant to § 59.1-375 to operate pari-mutuel wagering in the Commonwealth; (ii) provisions regarding access to books, records, and memoranda, and submission to investigations and audits, as authorized by subdivisions 2 and 10 of this section; and (iii) provisions regarding the collection of all revenues due to the Commonwealth from the placing of such wagers. No pari-mutuel wager may be made on or with any computer owned or leased by the Commonwealth, or any of its subdivisions, or at any public elementary or secondary school, or any public college or university. The Commission also shall ensure that, except for this method of pari-mutuel wagering, all wagering on simulcast horse racing shall take place only at a licensed horse racetrack or satellite facility.

Nothing in this subdivision shall be deemed to authorize any licensee of the Commission to conduct or offer to conduct advance deposit account wagering pursuant to any arrangement with any licensee of the Alcoholic Beverage Control Board or other retail establishment, other than a licensed horse racetrack or satellite facility.

Notwithstanding the provisions of § 59.1-392, the allocation of revenue from a ~~method of pari-mutuel wagering in which an individual may establish an account with an entity approved by the Commission to place pari-mutuel wagers in person or electronically advance deposit account wagering~~ shall include a licensee fee to the Commission, and shall be subject to a contractual agreement, approved by the Commission, between such entity and an unlimited licensee and representatives of the recognized majority horsemen groups concerning the distribution of the remaining portion of the retainage. *If the license applicant has not been able to reach such an agreement with an unlimited licensee and representatives of the recognized majority horsemen's organizations after good faith negotiations, the license applicant may apply for a temporary license to operate advance deposit account wagering pursuant to § 59.1-376.1.*

Nothing in this subdivision shall be construed to limit the Commission's authority as set forth elsewhere in this section.

6. The Commission may issue subpoenas for the attendance of witnesses before it, administer oaths, and compel production of records or other documents and testimony of such witnesses whenever, in the judgment of the Commission, it is necessary to do so for the effectual discharge of its duties.

7. The Commission may compel any person holding a license or permit to file with the Commission such data as shall appear to the Commission to be necessary for the performance of its duties including but not limited to financial statements and information relative to stockholders and all others with any pecuniary interest in such person. It may prescribe the manner in which books and records of such persons shall be kept.

8. The Commission may enter into arrangements with any foreign or domestic government or governmental agency, for the purposes of exchanging information or performing any other act to better ensure the proper conduct of horse racing.

9. The Commission shall report annually on or before March 1 to the Governor and the General Assembly, which report shall include a financial statement of the operation of the Commission.

10. The Commission may order such audits, in addition to those required by § 59.1-394, as it deems necessary and desirable.

11. The Commission shall upon the receipt of a complaint of an alleged criminal violation of this chapter immediately report the complaint to the Attorney General of the Commonwealth and the State Police for appropriate action.

12. The Commission shall provide for the withholding of the applicable amount of state and federal income tax of persons claiming a prize or pay-off for a winning wager and shall establish the thresholds

182 for such withholdings.

183 13. The Commission, its representatives and employees may, within the enclosure, stable, or other
184 facility related to the conduct of racing, and during regular or usual business hours, subject any (i)
185 permit holder to personal inspections, including alcohol and drug testing for illegal drugs, inspections of
186 personal property, and inspections of other property or premises under the control of such permit holder
187 and (ii) horse eligible to race at a race meeting licensed by the Commission to testing for substances
188 foreign to the natural horse within the racetrack enclosure or other place where such horse is kept. Any
189 item, document or record indicative of a violation of any provision of this chapter or Commission
190 regulations may be seized as evidence of such violation. All permit holders consent to the searches and
191 seizures authorized by this subdivision, including breath, blood and urine sampling for alcohol and
192 illegal drugs, by accepting the permit issued by the Commission. The Commission may revoke or
193 suspend the permit of any person who fails or refuses to comply with this subdivision or any rules of
194 the Commission. Commission regulations in effect on July 1, 1998, shall continue in full force and
195 effect until modified by the Commission in accordance with law.

196 14. The Commission shall require the existence of a contract between the licensee and the recognized
197 majority horseman's group providing for purses and prizes. Such contract shall be subject to the approval
198 of the Commission, which shall have the power to approve or disapprove any of its items, including but
199 not limited to the provisions regarding purses and prizes. Such contracts shall provide that on pools
200 generated by wagering on simulcast horse racing from outside the Commonwealth, (i) for the first \$75
201 million of the total pari-mutuel handle for each breed, the licensee shall deposit funds at the minimum
202 rate of five percent in the horsemen's purse account, (ii) for any amount in excess of \$75 million but
203 less than \$150 million of the total pari-mutuel handle for each breed, the licensee shall deposit funds at
204 the minimum rate of six percent in the horsemen's purse account, (iii) for amounts in excess of \$150
205 million for each breed, the licensee shall deposit funds at the minimum rate of seven percent in the
206 horsemen's purse account. Such deposits shall be made in the horsemen's purse accounts of the breed
207 that generated the pools and such deposits shall be made within five days from the date on which the
208 licensee receives wagers.

209 15. Notwithstanding the provisions of § 59.1-391, the Commission may grant provisional limited
210 licenses or provisional unlimited licenses to own or operate racetracks or satellite facilities to an
211 applicant prior to the applicant securing the approval through the local referendum required by
212 § 59.1-391. The provisional licenses issued by the Commission shall only become effective upon the
213 approval of the racetrack or satellite wagering facilities in a referendum conducted pursuant to
214 § 59.1-391 in the jurisdiction in which the racetrack or satellite wagering facility is to be located.

215 § 59.1-376.1. *Temporary licenses to operate advance deposit account wagering.*

216 A. *If an applicant for a license to operate advance deposit account wagering has not been able to*
217 *reach an agreement with an unlimited licensee and representatives of the recognized majority*
218 *horsemen's organizations concerning the distribution of the retainage after good faith negotiations, the*
219 *license applicant may submit its application together with an affidavit specifying and certifying its offer*
220 *to an unlimited licensee and the recognized horsemen's groups, attesting that it has entered into good*
221 *faith negotiations with both, that it has offered the terms specified and certified in its affidavit, and that*
222 *its offer has been rejected, stating with particularity the basis given to it for rejection of its offer and by*
223 *whom it was rejected. In such event, the Commission shall be authorized to appoint an impartial third*
224 *party to mediate the negotiations regarding the contractual agreement between the entity and an*
225 *unlimited licensee and representatives of the recognized majority horsemen's groups concerning the*
226 *distribution of the remaining portion of the retainage, and if the parties are unable to agree following*
227 *such mediation, may specify the terms of such contract; provided, however, that the combined amount*
228 *that shall be paid to an unlimited licensee and the representatives of the recognized horsemen's groups*
229 *in equal amounts shall not be less than 5.5 percent nor more than 11 percent of the gross total handle*
230 *of wagers placed with the advanced deposit account wagering licensee from within the Commonwealth.*

231 B. *Notwithstanding subdivision 5 of § 59.1-369, upon receipt of the application and affidavit*
232 *described in subsection A of this section, the Commission may grant a temporary license to operate*
233 *advance deposit account wagering to any applicant for a license to conduct advance deposit account*
234 *wagering whose application is complete except for a contractual agreement, approved by the*
235 *Commission, between such entity and an unlimited licensee and representatives of the recognized*
236 *majority horsemen's groups concerning the distribution of the portion of the retainage remaining after*
237 *the license fee has been paid to the Commission and who is otherwise deemed by the Commission to be*
238 *fully qualified to conduct account advance deposit wagering in the Commonwealth. Such license shall*
239 *expire at the end of six months and shall be subject to one renewal. If a temporary license is not*
240 *granted, the applicant is entitled to a hearing on the issue of qualifications.*

241 C. *If a temporary license is granted, the temporary licensee shall pay one-half percent of the gross*
242 *total handle of wagers placed with the licensee from the Commonwealth to the Commission on the tenth*
243 *day of the month following the month in which the temporary licensee receives wagers from within the*

Commonwealth. The temporary licensee shall also deposit an amount specified by the Commission, which shall be not less than 5.5 percent nor more than 11percent of the gross total handle of wagers placed with the licensee from within the Commonwealth each month, into an escrow account in the name of the Commission no later than the tenth of the month following the month in which such wagers are placed. Such escrow account shall be in a financial institution approved by the Commission and shall be distributed by the Commission in equal amounts to any unlimited licensee and representatives of the recognized majority horsemen's groups, until such time as the unlimited licensee, representatives of the recognized horsemen's groups, and the temporary advance deposit account wagering licensee reach an agreement regarding the retainage that is acceptable to the Commission and the Commission has granted a license to operate advance deposit account wagering replacing the temporary license.

D. A temporary license may be revoked summarily by the Commission for any cause set forth in § 59.1-385 without complying with subsection A of § 59.1-385. Revocation of a temporary license shall be effective upon service of the order of revocation upon the licensee or upon the expiration of three business days after the order of the revocation has been mailed to the licensee either at his residence or the address given for the business in the license application. No further notice shall be required.

2. That an emergency exists and this act is in force from its passage.

3. That the Virginia Racing Commission shall promulgate regulations to implement the provisions of this act to be effective within 280 days of its enactment.
