§ 2.2-4327. Preference for community reinvestment activities in contracts for investment of funds.

Notwithstanding any other provision of law, any county or city that is authorized to and has established affordable housing programs pursuant to (i) § 15.2-2304 or § 15.2-2305 or (ii) a local ordinance adopted prior to December 31, 1988, may provide by resolution that in determining the award of any contract for time deposits or investment of its funds, the treasurer or director of finance of such county or city may consider, in addition to the typical criteria, the investment activities of qualifying institutions that enhance the supply of, or accessibility to, affordable housing within the jurisdiction, including the accessibility of such housing to employees of the county or city or employees of the local school board.
