**3. Committee** Transportation

**4. Title** Unattended children in a motor vehicle.

**5. Summary/Purpose:** Provides that any driver or operator of a motor vehicle who leaves an unattended child in a motor vehicle is guilty of a Class 1 misdemeanor. The bill defines "unattended child" as a child under six years of age who has been left in a motor vehicle by the driver or operator of the vehicle when the driver or operator is unable to continuously observe the child, unless a person 12 years of age or older is physically present in the motor vehicle with the child.

**6. Fiscal Impact Estimates are:** PRELIMINARY; See item 8.

**7. Budget amendment necessary:** No.

**8. Fiscal implications:** Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail. Therefore, this proposal could result in an increase in the number of persons sentenced to jail.

There is not enough information available to reliably estimate how many additional inmates in jail could result from this proposal. Any increase in jail population will increase costs to the state. The Commonwealth pays the localities \$8.00 a day for each misdemeanor or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (FY 2005), the estimated total state support for local jails averaged \$28.35 per inmate, per day in FY 2005.

**9. Specific agency or political subdivisions affected:** Local and regional jails, Compensation Board, state and local law enforcement agencies.

**10. Technical amendment necessary:** No.

**11. Other comments:** None.
