3. Committee Militia, Police and Public Safety

4. Title Shooting in certain areas.

5. Summary/Purpose: Makes it a Class 1 misdemeanor to discharge a firearm towards a subdivision within the range of the firearm, or to discharge a firearm towards any person or structure, when no barrier exists that would prevent the projectile from striking a person or structure. With these changes, a locality would no longer be able to prohibit hunting generally within a half-mile radius of a subdivision, but would still be able to prohibit hunting within a subdivision.

6. Fiscal Impact Estimates are: PRELIMINARY; See item 8.

7. Budget amendment necessary: No.

8. Fiscal implications: Anyone convicted of a Class 1 misdemeanor is subject to a sentence of up to 12 months in jail. Therefore, this proposal could result in an increase in the number of persons sentenced to jail.

There is not enough information available to reliably estimate how many additional inmates in jail could result from this proposal. Any increase in jail population will increase costs to the state. The Commonwealth pays the localities \$8.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (FY 2005), the estimated total state support for local jails averaged \$28.35 per inmate, per day in FY 2005.

9. Specific agency or political subdivisions affected: Local and regional jails, Compensation Board, state and local law enforcement agencies.

10. Technical amendment necessary: No.

11. Other comments: None.
