7. Budget amendment necessary: No

8. Fiscal implications: This proposal will not change the current fee structure for federal or statewide elected officials. Current law, §24.2-524A, requires that candidates for all federal and statewide elected offices must pay a state a primary fee to State Board of Elections for deposit into the "state primary fee fund" where it is to be used to help defray the Commonwealth's expenses for the primary. The section authorized refunds of the fee in the event the prospective candidate does not become a candidate. In FY2006 a total of \$59,472 was deposited to the fund out of which \$39,648 was refunded.

9. Specific agency or political subdivisions affected: State Board of Election, local electoral boards

10. Technical amendment necessary: No
