5. Summary/Purpose: Drunk in public. Provides that a third conviction of being intoxicated in public or profanely cursing in public is a Class 2 misdemeanor (confinement in jail for not more than six months or a fine of not more than \$1000, either or both). First and second convictions will remain a Class 4 misdemeanor (a fine of not more than \$250).

6. Fiscal Impact Estimates are: PRELIMINARY; See item 8.

7. Budget amendment necessary: No.

8. Fiscal implications: Anyone convicted of a Class 2 misdemeanor is subject to a sentence of up to six months in jail. Therefore, this proposal could result in an increase in the number of persons sentenced to jail.

There is not enough information available to reliably estimate how many additional inmates in jail could result from this proposal. Any increase in jail population will increase costs to the state. The Commonwealth pays the localities \$8.00 a day for each misdemeanant or otherwise local responsible prisoner held in a jail. It also funds most of the jails' operating costs, e.g. correctional officers. The state's share of these costs on a per prisoner, per day basis varies from locality to locality. However, according to the Compensation Board's most recent Jail Cost Report (FY 2005), the estimated total state support for local jails averaged \$28.35 per inmate, per day in FY 2005.

9. Specific agency or political subdivisions affected: Local and regional jails, Compensation Board, state and local law enforcement agencies.

10. Technical amendment necessary: No.

11. Other comments: None.
