[S 588]

Approved April 23, 2008

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 6.1-459, 6.1-460, 6.1-461, 6.1-467, and 6.1-469 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding sections numbered 6.1-453.1 and 6.1-469.1 as follows:**

*§ 6.1-453.1. Payday lending database.*

*A. The Commission shall certify and contract with one or more third parties to develop, implement, and maintain a real-time, Internet-accessible database that contains such payday loan information as the Commission may require from time to time by administrative rule or policy statement. The database shall be operational by January 1, 2009.*

*B. The following provisions shall apply to the database:*

*1. Before making a payday loan, a licensee shall query the database through a Commission-certified database provider and shall retain evidence of the query for the Commission's supervisory review. The database will allow a licensee to make a payday loan only if making the loan is permissible under the provisions of this chapter. During any period that the database is unavailable due to technical problems beyond the licensee's control, a licensee may rely on the payday loan applicant's written representations, rather than the database's information, to verify that making the loan applied for is permissible under the provisions of this chapter. Because a licensee may rely on the accuracy of the applicant's representations and the database's information, a licensee is not subject to any administrative penalty or civil liability if that information is later determined to be inaccurate.*

*2. The database provider will maintain the database, will take all actions it deems necessary to protect the confidentiality and security of the information contained in the database, will be responsible for the confidentiality and security of such information, and will own the information contained in the database. The Commission will have access to and utilize the database as an enforcement tool to ensure licensees' compliance with the provisions of this chapter.*

*3. Upon a licensee's query, the database will advise the licensee whether the applicant is eligible for a new payday loan and, if the applicant is ineligible, the reason for such ineligibility. If the database advises the licensee that the applicant is ineligible for a payday loan, then the applicant shall direct any inquiry regarding the specific reason for such ineligibility to the database provider rather than to the licensee. The information contained in the payday loan database is confidential and exempt from the Freedom of Information Act (§ 2.2-3700 et seq.).*

*4. If a licensee and borrower consummate a payday loan, then the licensee shall pay a fee to defray the costs of submitting the database inquiry. The amount of the database inquiry fee shall be calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to actual cost of the operation of the database. If a licensee submits a database inquiry but does not consummate a payday loan with the applicant, then the licensee shall not pay the database inquiry fee. Each licensee shall remit all database inquiry fees directly to the database provider on a weekly basis.*

*5. If a borrower enters into a payday loan or pays or otherwise satisfies a payday loan in full, or if a borrower enters into an extended payment plan as provided in subdivision 26 of § 6.1-459 or an extended term loan as provided in subdivision 27 of § 6.1-459, then the licensee making the loan shall report such event or other information to the database not later than the close of business on the date of such event.*

*§ 6.1-459. Required and prohibited business methods.*

*Each licensee shall comply with the following requirements:*
