A. Except as authorized in the Drug Control Act (§ 54.1-3400 et seq.), it shall be unlawful for any person to manufacture, sell, give, distribute, or possess with intent to manufacture, sell, give or distribute a controlled substance or an imitation controlled substance.

B. In determining whether any person intends to manufacture, sell, give or distribute an imitation controlled substance, the court may consider, in addition to all other relevant evidence, whether any distribution or attempted distribution of such pill, capsule, tablet or substance in any other form whatsoever included an exchange of or a demand for money or other property as consideration, and, if so, whether the amount of such consideration was substantially greater than the reasonable value of such pill, capsule, tablet or substance in any other form whatsoever, considering the actual chemical composition of such pill, capsule, tablet or substance in any other form whatsoever and, where applicable, the price at which over-the-counter substances of like chemical composition sell.

C. Except as provided in subsection C1, any person who violates this section with respect to a controlled substance classified in Schedule I or II shall upon conviction be imprisoned for not less than five nor more than 40 years and fined not more than \$500,000, one year of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and fined not more than \$500,000; however, if death or serious bodily injury of another unintentionally occurs as the result of the use of any controlled substance, which is manufactured, sold, given, distributed, or possessed with the intent to manufacture, sell, give, or distribute in violation of this subsection, either solely or due to its combination with any other controlled substance, then any person who violates this subsection shall upon conviction be imprisoned for not less than 10 years or more than life, three years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and be fined not more than \$500,000.

Upon a second or subsequent conviction of such a violation, any such person may, in the discretion of the court or jury imposing the sentence, be sentenced to imprisonment for life or for any period not less than five years, three years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and be fined not more than \$500,000; however, if death or serious bodily injury of another unintentionally occurs as the result of the use of such controlled substance, which is manufactured, sold, given, distributed, or possessed with the intent to manufacture, sell, give, or distribute in violation of this subsection, either solely or due to its combination with any other controlled substances, then any person who violates this subsection shall upon conviction be imprisoned for not less than 20 years or more than life, five years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and be fined not more than \$500,000.

When a person is convicted of a third or subsequent offense under this subsection and it is alleged in the warrant, indictment or information that he has been before convicted of two or more such offenses or of substantially similar offenses in any other jurisdiction which offenses would be felonies if committed in the Commonwealth and such prior convictions occurred before the date of the offense alleged in the warrant, indictment, or information, he shall be sentenced to imprisonment for life or for a period of not less than five ten years, five years of which shall be a mandatory minimum term of imprisonment to be served consecutively with any other sentence and he shall be fined not more than \$500,000; however, if death or serious bodily injury unintentionally occurs to another person as the result of the use of such controlled substance, which is manufactured, sold, given, distributed or possessed with the intent to manufacture, sell, give or distribute, either solely or due to its combination with any other controlled substances, then any person who violates this subsection shall upon conviction be imprisoned for not less than 30 years or more than life, 10 years of which shall be a mandatory

126 received in writing by the pharmacist prior to the filling thereof, and such written prescription is in fact  
127 received by the pharmacist within one week of the time of filling the same, or if such violation consists  
128 of a request by such authorized person for the filling by a pharmacist of a prescription which has not  
129 been received in writing by the pharmacist and such prescription is, in fact, written at the time of such
