A. *As used in this section:*

"Health reimbursement arrangement" means a flexible spending arrangement, as defined in § 106(c)(2) of the Internal Revenue Code of 1986, that: (i) is paid for solely by the employer and not provided pursuant to salary reduction election or otherwise under a cafeteria plan qualifying under § 125 of the Internal Revenue Code of 1986; (ii) reimburses the employee for medical care expenses incurred by the employee and the employee's spouse and dependents; and (iii) provides reimbursements up to a maximum dollar amount for a coverage period and any unused portion of the maximum dollar amount at the end of a coverage period is carried forward to increase the maximum reimbursement amount in subsequent coverage periods.
