7. Budget Amendment Necessary: No

8. Fiscal Implications: Revenue impact is unknown as DMV cannot forecast the number of additional DV license plates that would be issued if the definition of "disabled" is amended to 50%. However, for each additional plate issued, the Department would see a loss of \$49.50

- \$39.50 for the registration fee and \$10.00 for the special plate fee. Also, the Northern Virginia and Hampton Roads Transportation Authorities would lose revenues (\$10 per vehicle) on vehicles with a garage jurisdiction embraced by these Authorities.

9. Specific Agency or Political Subdivisions Affected: DMV and localities which constitute the Northern Virginia Transportation Authority (the counties of Arlington, Fairfax, Loudoun and Prince William; as well as the cities of Alexandria, Fairfax, Falls Church, Manassas and Manassas Park) and the Hampton Roads Transportation Authority (the cities of Chesapeake, Hampton, Newport News, Norfolk, Poquoson, Portsmouth, Suffolk, Virginia Beach, and Williamsburg, and the counties of Isle of Wight, James City and York).
