**5. Summary:** Solar water heating system pay-as-you-save pilot program. Directs the State Corporation Commission to analyze, and if appropriate, to establish, a pilot program whereby residential customers who install a solar water heating system will be able to pay for the system as an item on their monthly electricity bill. Participation in the pilot program would be voluntary. Participating electric utilities will be required to submit proposed tariffs to provide for their recovery of the costs of the systems over a term not to exceed 75 percent of the expected life of the system, in monthly amounts that are less than the expected reductions in the consumer's electricity bill expected to result from the installation of the system.
