9 Be it enacted by the General Assembly of Virginia:

10 1. That §§ 2.2-3800, 2.2-3801, as it is currently effective and as it shall become effective, and
11 2.2-3808, as it is currently effective and as it shall become effective, of the Code of Virginia are
12 amended and reenacted as follows:

13 § 2.2-3800. Short title; findings; principles of information practice.

14 A. This chapter may be cited as the "Government Data Collection and Dissemination Practices Act."

15 B. The General Assembly finds that:

16 1. An individual's privacy is directly affected by the extensive collection, maintenance, use and
17 dissemination of personal information;

18 2. The increasing use of computers and sophisticated information technology has greatly magnified
19 the harm that can occur from these practices;

20 3. An individual's opportunities to secure employment, insurance, credit, and his right to due process,
21 and other legal protections are endangered by the misuse of certain of these personal information
22 systems; and

23 4. In order to preserve the rights guaranteed a citizen in a free society, legislation is necessary to
24 establish procedures to govern information systems containing records on individuals.

25 C. Recordkeeping agencies of the Commonwealth and political subdivisions shall adhere to the
26 following principles of information practice to ensure safeguards for personal privacy:

27 1. There shall be no personal information system whose existence is secret.

28 2. Information shall not be collected unless the need for it has been clearly established in advance.

29 3. Information shall be appropriate and relevant to the purpose for which it has been collected.

30 4. Information shall not be obtained by fraudulent or unfair means.

31 5. Information shall not be used unless it is accurate and current.

32 6. There shall be a prescribed procedure for an individual to learn the purpose for which information
33 has been recorded and particulars about its use and dissemination.

34 7. There shall be a clearly prescribed and uncomplicated procedure for an individual to correct, erase
35 or amend inaccurate, obsolete or irrelevant information.

36 8. Any agency holding personal information shall assure its reliability and take precautions to prevent
37 its misuse. ~~On and after July 1, 2004, no agency shall display the social security number of a data~~
38 ~~subject on a student or employee identification card, except that for universities and colleges that have~~
39 ~~such a prevention plan for misuse of personal information in place on or before July 1, 2004, in~~
40 ~~compliance with this section, the date shall be January 1, 2005. On and after July 1, 2006, no agency~~
41 ~~shall display an individual's entire social security number on any student or employee identification card.~~

42 9. There shall be a clearly prescribed procedure to prevent personal information collected for one
43 purpose from being used for another purpose.

44 10. The Commonwealth or any agency or political subdivision thereof shall not collect personal
45 information except as explicitly or implicitly authorized by law.

46 ~~D. After July 1, 2004, no agency, as defined in § 42.1-77, shall send or deliver or cause to be sent or~~
47 ~~delivered, any letter, envelope or package that displays a social security number on the face of the~~
48 ~~mailing envelope or package or from which a social security number is visible, whether on the outside~~
49 ~~or inside of the mailing envelope or package.~~
