The Governor shall base his approval in part on the expected operating cost-efficiency of the interior design of the facility. Reimbursements shall be paid subject to the provisions of § 53.1-82.2.

B. In the event that a county or city requests and receives financial assistance for capital costs of such jail project from the Department of Criminal Justice Services or from other public fund sources outside of the provisions of this law, the total financial assistance and reimbursement shall not exceed the total cost of the project.

59 design of the facility. Such reimbursement shall be paid subject to the provisions of § 53.1-82.2.

60 Such counties, cities, towns, or combination thereof may enter into agreements with the Department
61 of Corrections for the Department to operate such jail or to pay the costs of maintenance, upkeep and
62 other operational costs of the jail. Each city, county or town shall, however, bear the expense of local
63 prisoners from such city, county or town. In such case, the Department shall receive such costs from the
64 funds appropriated in the general appropriation act for criminal costs. The method of operation by the
65 Department shall be in the manner it prescribes, notwithstanding any other provision of law designating
66 sheriffs as the keepers of jails.

67 In lieu of an agreement by the localities with the Board for construction or operation of jail facilities,
68 the Board may agree to sell land owned by the Commonwealth to the localities. The Governor is hereby
69 authorized, at his discretion and upon the advice of the Board, to execute a conveyance of such land in
70 a form approved by the Attorney General.

71 B. In the event that a county, city or town requests and receives financial assistance for capital costs
72 of such jail project from the Department of Criminal Justice Services or from other public fund sources
73 outside of the provisions of this section, the total financial assistance and reimbursement shall not
74 exceed the total cost of the project.

75 § 53.1-82. Regional contracts for cooperative jailing of offenders; state reimbursement.

76 A. Three or more counties or cities, or any combination thereof, are authorized to contract for
77 services for the detention and confinement of categories of offenders in single or regional jail facilities
78 operated by the contracting jurisdictions. In addition, (i) any three or more counties, cities or towns, or
79 any combination thereof, operating a jail facility pursuant to an agreement for cooperative jailing
80 established on or before January 31, 1993, (ii) any existing regional jail facilities established by only
81 two cities, counties, or towns on or before June 30, 1982, ~~and~~ (iii) any regional jail facilities established
82 by only two contiguous counties whose boundaries are not contiguous by land with the boundaries of
83 any other county in the Commonwealth, *and (iv) two cities or counties, or any combination thereof,*
84 *where the combined population is over 100,000 and the combined area covers at least 1,000 square*
85 *miles,* may participate under the provisions of this section. The Board shall promulgate regulations
86 specifying the categories of offenders which may be served pursuant to the contracts provided for
87 herein.

88 The governing bodies of localities participating in an agreement for cooperative jailing shall create a
89 board to advise the locality in which the jail facility is located on matters affecting operation of the
90 facility. Each participating locality shall have at least one representative on the board. The sheriff and
91 any member of the local governing body of each participating locality shall be eligible for appointment
92 to the board; however, when a participating locality appoints more than one representative, the sheriff
93 shall be appointed unless the sheriff is the administrator or superintendent of the jail facility operated
94 pursuant to the agreement for cooperative jailing. A sheriff serving as such administrator or
95 superintendent shall be an ex officio member of the board.

96 When such contracts are approved by the Board and, for the implementation of the contract, require
97 the construction, enlargement or renovation of a regional jail facility or the enlargement or renovation of
98 an existing jail, the Commonwealth shall reimburse each such locality its pro rata share, up to one-half,
99 of the capital costs, as defined in § 53.1-82.2, of such jail project in accordance with the provisions of
100 this section and § 53.1-82.2. Any agreement for cooperative jailing entered into on or after July 1, 1991,
101 which requires the construction, enlargement or renovation of a single or regional jail facility shall
102 require such counties, cities and towns to participate in the costs of the facility for a minimum period of
103 thirty years. The Board shall promulgate regulations, to include criteria which may be used to assess
104 need and establish priorities, to serve as guidelines in evaluating requests for such reimbursement and to
105 ensure the fair and equitable distribution of state funds provided for such purpose. The Department shall
106 apply such regulations in preparing requests for appropriations. No such reimbursement shall be had
107 unless the plans and specifications, including the need for additional personnel, thereof have been
108 submitted to the Governor, and the jail project has been approved by him. The Governor shall base his
109 approval in part on the expected operating cost-efficiency of the interior design of the facility. Such
110 reimbursement shall be paid subject to the provisions of § 53.1-82.2.

111 B. In the event that a county, city or town requests and receives financial assistance for capital costs
112 of a jail project from the Department of Criminal Justice Services or from other public fund sources
113 outside of the provisions of this section, the total financial assistance and reimbursement shall not
114 exceed the total cost of the project.

115 In addition, no such reimbursement shall be had by localities entering into a contract pursuant to this
116 section on or after February 1, 1993, unless at least three of the participating localities were each
117 operating a jail on February 1, 1993.

118 **2. That notwithstanding the provisions of § 53.1-82.3 of the Code of Virginia, the City of Danville**
119 **and the County of Pittsylvania may submit the required community-based corrections plan, facility**
120 **specifications, and expected financing costs to the Department of Corrections by March 1, 2008.**

121 Futhermore, the Governor may include a recommendation for funding such project for
122 consideration by the General Assembly at its 2009 Session.
