### Legal, Judgment, and Contract Rates of Interest.

A. The legal rate of interest shall be an annual rate of six percent.

B. Except as provided in subsection (b) of § 8.3A-112 and § 6.2-302, the legal rate of interest shall be implied when there is an obligation to pay interest and no express contract to pay interest at a specified rate.

C. The seller or provider of goods sold or services provided on an open account shall be entitled to, and may collect, interest at the legal rate upon the unpaid balance if (i) there exists no written agreement for closed-end credit under § 6.2-311 or open-end credit plan under § 6.2-312 and (ii) the purchaser or recipient of the goods or services fails to make payment in full within 60 days after mailing or presentation of a billing statement or invoice. Such interest shall begin to accrue on the day following such 60-day period.

§ 6.2-302. Judgment rate of interest.

A. The judgment rate of interest shall be an annual rate of six percent, except that a money judgment entered in an action arising from a contract shall carry interest at the rate lawfully charged on such contract, or at six percent annually, whichever is higher.

B. If the contract or other instrument does not fix an interest rate, the court shall apply the judgment rate of six percent to calculate prejudgment interest pursuant to § 8.01-382 and to calculate post-judgment interest.

C. The rate of interest for a judgment shall be the judgment rate of interest in effect at the time of entry of the judgment and shall not be affected by any subsequent changes to the rate of interest stated in this section.

§ 6.2-303. Contracts for more than legal rate of interest.

A. Except as otherwise permitted by law, no contract shall be made for the payment of interest on a loan at a rate that exceeds 12 percent per year.

B. Laws that permit payment of interest at a rate that exceeds 12 percent per year are set out, without limitation, in:

C. In the case of any loan upon which a person is not permitted to plead usury, interest and other charges may be imposed and collected as agreed by the parties.

D. Any provision of this chapter that provides that a loan or extension of credit may be enforced as agreed in the contract of indebtedness, shall not be construed to preclude the charging or collecting of other loan fees and charges permitted by law, in addition to the stated interest rate. Such other loan fees and charges need not be included in the rate of interest stated in the contract of indebtedness.

## Article 3.

### Usury.

§ 6.2-304. Plea of usury; judgment.

Any borrower may plead in general terms that the contract on which the action is brought was for the payment of interest greater than is allowed by statute. If the court determines that the contract is

*usurious, judgment shall be rendered only for the principal sum.*

*§ 6.2-305. Recovery of twice total usurious interest paid; limitation of action; injunction to prevent sale of property pending action; effect of errors in computation.*

*A. If interest in excess of that permitted by an applicable statute is paid upon any loan, the person paying may bring an action within two years from the first to occur of: (i) the date of the last scheduled loan payment or (ii) the date of payment of the loan in full, to recover from the person taking or receiving such payments:*

*1. The total amount of the interest paid to such person in excess of that permitted by the applicable statute;*

*2. Twice the total amount of interest paid to such person during the two years immediately preceding the date of the filing of the action; and*

*3. Court costs and reasonable attorney fees.*

*B. If the sale of property in which an interest has been conveyed to secure the payment of the debt is scheduled or anticipated, an injunction may be granted to prevent such sale pending the completion of an action brought pursuant to subsection A.*

*C. Any creditor who proves that interest or other charges in excess of those permitted by law were imposed or collected as a result of a bona fide error in computation or similar mistake shall not be liable for the penalties prescribed in this section. In such event, the creditor shall only be liable to return to the borrower the amount of interest or other charges collected in excess of the amount permitted by applicable statute.*

*§ 6.2-306. Waiver of rights violative of public policy.*

*A. Any agreement or contract in which the borrower waives the benefits of this chapter or releases any rights he may have acquired under this chapter shall be deemed to be against public policy and void.*

*B. The provisions of subsection A shall not apply to a waiver of benefits or release of rights made subsequent to a loan as part of a settlement of potential or pending claims by a borrower involving such loan.*

*§ 6.2-307. Assertion of defenses or claims by borrowers; effect of assignment.*

*As to any loan to which the provisions of §§ 6.2-327 and 6.2-328 are applicable, the borrower may assert any defense or claim he may have under §§ 6.2-304 and 6.2-305 against any assignee or transferee of the contract of indebtedness.*

*§ 6.2-308. Entities not permitted to plead usury.*

*A. No (i) corporation, (ii) partnership that is required to file a certificate pursuant to Chapter 2.1 (§ 50-73.1 et seq.) of Title 50 or was required to file a certificate pursuant to former Chapter 2 (§ 50-44 et seq.) or Chapter 3 (§ 50-74 et seq.) of Title 50 or that is formed under laws other than those of the Commonwealth, (iii) limited liability company, (iv) business trust, or (v) joint venture organized for the purpose of holding, developing, and managing real estate for profit, shall, by way of defense or otherwise, avail itself of any of the provisions of this chapter or any other statutory or case law relating to usury or compounding of interest to avoid or defeat the payment of any interest or any other sum that it has contracted to pay.*

*B. Nothing contained in this chapter or any other statutory or case law relating to usury or compounding of interest shall be construed to prevent the recovery of interest or any other sum that an entity described in subsection A has contracted to pay, regardless of whether it is more than the contract rate of interest and the fact appears on the face of the contract.*

#### *Article 4.*

#### *Loans Exempt from Limit on Contract Rate of Interest.*

*§ 6.2-309. Charges by banks and savings institutions on installment loans.*

*Notwithstanding any statutory or case law, a bank or savings institution making a loan payable in installments may impose finance charges and other charges and fees at such rates and in such amounts and manner as the borrower has agreed.*

*§ 6.2-310. Rate of interest chargeable by state banks and savings institutions.*

*In addition to the permissible interest rates and charges specifically granted to banks and savings institutions by this title, state banks and savings institutions may take, receive, reserve, and charge on any loan, any rate of interest, finance charge, or other loan charge permitted to any other lender under the laws of the Commonwealth, other than those rates or charges permitted to consumer finance companies under § 6.2-1520.*

*§ 6.2-311. Closed-end installment loans by sellers of goods or services.*

*A. Any seller of goods or services who extends credit under a closed-end installment credit plan or arrangement may impose finance charges at such rate or rates as the seller and the purchaser have agreed. Deferrals and extensions of the time for payment, if allowed by a seller of goods or services who extends credit under a closed-end installment credit plan or his assignee, may be subject to a finance charge if agreed to in the original contract or at the time of the renewal or extension. No additional finance charge shall be made for the extension of credit under such a plan or arrangement. If the total finance charge on the transaction is precomputed according to the actuarial method, the*

finance charge shall be calculated on the assumption that all scheduled payments will be made when due. The balance on which such finance charge may be imposed may include the deferred portion of the sales price, costs and charges incidental to the transaction, including (i) any insurance premium financed in connection therewith and (ii) the amount actually paid or to be paid by the seller to discharge a security interest or lien on the property traded in. The payment by a lessor to discharge a security interest or lien on the property traded in may be included in the gross capitalized cost of the goods leased and, for purposes of this chapter and Chapter 6 (§ 55-106 et seq.) of Title 55, shall not constitute a loan.

B. The debtor shall have the right to prepay in full on precomputed transactions and receive a rebate of unearned finance charge determined in accordance with the Rule of 78, as illustrated in § 6.2-403, or other method elected by the seller under which the finance charge imposed does not exceed the amount that results from application of the Rule of 78 on extensions of credit with an initial maturity of 61 months or less. On extensions of credit with an initial maturity of more than 61 months, the debtor shall receive a rebate computed under a method at least as favorable to the debtor as the actuarial method. The seller may also condition such rebate upon receiving a minimum of \$25 in finance charges. This amount, to the extent not earned, may be withheld from the rebate required hereunder.

C. In connection with such a credit plan, the seller may also:

1. Impose a late charge pursuant to § 6.2-400; and
2. Charge and collect a document fee as may be agreed upon by the seller and purchaser in connection with such credit plan. The document fee shall (i) be for the preparation, handling, and processing of documents relating to the goods or services and to the closing of the transaction and (ii) not be considered a finance charge for the purposes of this chapter.

D. Premiums for credit life insurance and credit accident and health insurance purchased by the debtor shall not be construed as an additional charge for the extension of credit if such insurance coverage is purchased voluntarily by the debtor. Premiums for property insurance on the goods purchased or leased, including vendor's single interest insurance on such goods, shall not be construed as additional charges for the extension of credit if a clear and conspicuous statement in writing is furnished by the seller or lessor to the buyer or lessee setting forth the cost of the insurance if obtained from or through the seller or lessor and stating that the buyer or lessee may choose the person through which the insurance is to be obtained.

#### § 6.2-312. Open-end credit plans.

A. Notwithstanding any provision of this chapter other than § 6.2-327, and except as provided in subsection C, a seller or lender engaged in extending credit under an open-end credit plan may impose, on credit extended under the plan, finance charges and other charges and fees at such rates and in such amounts and manner as may be agreed upon by the creditor and the obligor, if under the plan a finance charge is imposed upon the obligor if payment in full of the unpaid balance is not received at the place designated by the creditor prior to the next billing date, which shall be at least 25 days later than the prior billing date.

B. Notwithstanding the provisions of § 6.2-327 and subject to the provisions of § 8.9A-204.1, any loan made under this section may be secured in whole or in part by a subordinate mortgage or deed of trust on residential real estate improved by the construction thereon of housing consisting of one- to four-family dwelling units.

C. Except as provided in subsection D, (i) a licensee, as defined in § 6.2-1800, shall not engage in the extension of credit under an open-end credit plan described in this section and (ii) a third party shall not engage in the extension of credit under an open-end credit plan described in this section at any office, suite, room, or place of business where a licensee conducts the business of making payday loans. In addition to any other remedies or penalties provided for a violation of this section, any such extension of credit made by a licensee or third party in violation of this subsection shall be unenforceable against the borrower.

D. No prohibition in subsection C shall apply to an extension of credit under an open-end credit plan that is secured by a security interest in a motor vehicle, as such term is defined in § 46.2-100.

E. If a licensee, as defined in § 6.2-1800, surrenders its license under Chapter 18 (§ 6.2-1800 et seq.) or has its license revoked, and if following such surrender or revocation of its license the former licensee engages in the extension of credit under an open-end credit plan as described in this section, then the Commission shall not issue to such former licensee, or to any affiliate of the former licensee, a license under Chapter 18 (§ 6.2-1800 et seq.) for a period of 10 years from the date such license is surrendered or revoked. As used in this subsection, "affiliate of the former licensee" means a business entity that owns or controls, is owned or controlled by, or is under common ownership or control with, the former licensee.

#### § 6.2-313. Open-end credit extended by banks or savings institutions.

A. Notwithstanding any statutory or case law, any bank or savings institution may impose finance charges and other charges and fees at such rates and in such amounts and manner as may be agreed by the borrower under an open-end credit plan.

*B. In the event of the extension of credit by a bank or savings institution hereunder to be effected by the use of a credit card for the purchase of merchandise or services, no finance charge shall be imposed upon the cardholder or borrower on such extension of credit if payment in full of the unpaid balance owing for all extensions of credit under the open-end credit plan is received at the place designated by the creditor prior to the next billing date, which shall be at least 25 days later than the prior billing date.*

*§ 6.2-314. Motor vehicle purchase loans by subsidiaries and affiliates of banks and savings institutions.*

*Notwithstanding any statutory or case law, a subsidiary or affiliate of a bank or savings institution that is not a licensee under the provisions of Chapter 15 (§ 6.2-1500 et seq.) may impose finance charges and other charges and fees at such rates and in such amounts and manner as the borrower has agreed on loans payable in installments for the purpose of financing the purchase of a motor vehicle.*

*§ 6.2-315. Loans by certain financial institutions or brokers payable on demand or having a term up to one year.*

*Any bank, savings institution, broker duly licensed to transact business as a stockbroker, or broker-dealer registered with the Securities and Exchange Commission or the Commodity Futures Trading Commission, may loan money or discount bonds, bills, notes or other paper, whether payable on demand or for periods up to one year. Such a loan or discounting may be lawfully enforced as agreed in the contract of indebtedness. An interest rate charged in advance upon the entire amount of the loan or discount shall be lawful.*

*§ 6.2-316. Loans of \$5,000 or more made by certain financial institutions.*

*No person shall, by way of defense or otherwise, avail himself of the provisions of this chapter or any other section relating to usury to avoid or defeat the payment of interest, or any other sum, upon a loan made to a person by a bank, savings institution, industrial loan association, or credit union, if the initial principal amount of the loan is \$5,000 or more.*

*§ 6.2-317. Loans of \$5,000 or more for business or investment purposes.*

*A. For purposes of this section:*

*1. A loan shall be deemed to be for business or investment purposes if it is not for personal, family, or household purposes; and*

*2. Personal, family, or household purposes do not include a passive or active investment.*

*B. No person shall, by way of defense or otherwise, avail himself of the provisions of this chapter, or any other statutory or case law relating to usury or compounding of interest, to avoid or defeat the payment of interest, or any other sum, in connection with a loan made to a person for business or investment purposes, if the initial amount of the loan is \$5,000 or more.*

*§ 6.2-318. Loans by credit unions.*

*A. As used in this section, "average daily balance" means, for any billing period, that amount which is the sum of the actual amounts outstanding each day during the billing period divided by the number of days in the billing period.*

*B. Notwithstanding any other statute or provision relating to interest or usury, any credit union may charge interest as agreed by the borrower provided such interest is not charged in advance.*

*c. Any other balance which does not result in the credit union charging or receiving any sum in excess of what would be charged or received under subdivision a or b;*

*2. That no finance charge shall be imposed unless the bill is mailed not later than eight days, excluding Saturdays, Sundays and holidays, after the billing date, except that such time limitation shall not apply in any case where the credit union has been prevented, delayed, or hindered in mailing or delivering the bill within such time period because of an act of God, war, civil disorder, natural disaster, strike, or other excusable or justifiable cause; and*

*3. That in the event of the extension of open-end credit by a credit union to be effected by the use of a credit card for the purchase of merchandise or services, no finance charge shall be imposed upon the member or cardholder on such extension of credit if payment in full of the unpaid balance owing for extensions of credit for merchandise or services is received at the place designated by the credit union prior to the next billing date, which shall be at least 25 days later than the prior billing date.*

Such loan fee may only be reimposed by the lender upon a borrower in connection with the refinancing of a loan made pursuant to this subsection; and*

*3. The lender may charge the borrower with the actual costs of the loan as permitted by § 6.2-328.*

§ 6.2-328. Charges allowed on loan secured by subordinate mortgage.

A. Any lender making a loan secured by a subordinate mortgage or deed of trust may require the borrower to pay, in addition to the loan fee and interest permitted by § 6.2-327, the actual cost of a credit report, title examination, title insurance, mortgage guaranty insurance, recording fees, surveys, attorney fees, appraisal fees, and a fee to determine if the property securing the loan is located in a special flood hazard area. 2. Guaranteed by the Veterans Administration, pursuant to Title 38 of the United States Code; or

#### CHAPTER 4. CERTAIN LENDING PRACTICES.

##### Article 1.

##### Late Charges and Rebates of Unearned Interest.

§ 6.2-400. Amount of late charge; when charge can be made.

A. As used in this section:

"Late charges" does not include charges imposed upon acceleration of the entire debt or costs of collection and attorney fees as otherwise permitted by law by reason of a default by the debtor.

"Timely payment" means a payment made by the date fixed for payment or within a period of seven calendar days after such due date.

B. Any lender or seller may impose a late charge for failure to make timely payment of any installment due on a debt, whether installment or single maturity, provided that such late charge does not exceed five percent of the amount of such installment payment and that the charge is specified in the contract between the lender or seller and the debtor.

C. If any federal governmental agency or organization shall adopt any rules or regulations dealing with the application of late penalties as to loans insured or guaranteed by such federal agency or organization, then such rules and regulations shall control as to such loans insured or guaranteed by

them.

D. Any provision for late charges in excess of the amount permitted by this section shall be void as to such excess but shall not otherwise affect the validity of the obligation.

**§ 6.2-401. Acceleration clause in note evidencing installment loan; effect of acceleration.**

A. Any note or other contract evidencing an installment loan or other installment sales obligation with add-on interest may provide that the entire unpaid loan balance, at the option of the holder, shall become due and payable upon default in payment of any installment without impairing the negotiability of the note, if otherwise negotiable.

B. Upon such acceleration, the holder of the contract of indebtedness shall not be entitled to judgment for unearned interest, but the balance owing shall be computed as follows:

1. On loans payable in equal periodic installments with an initial maturity and corresponding amortization period not exceeding 61 months, the accelerated balance shall be calculated as if the borrower had made a voluntary prepayment and obtained as of the date of acceleration an interest credit based upon the Rule of 78 rebate method as defined in § 6.2-403; and

2. On other loans, the accelerated balance shall be calculated under a method at least as favorable to the borrower as the actuarial method.

C. The accelerated balance shall bear interest at the rate shown, or that should have been shown as the annual percentage rate under a truth in lending disclosure pursuant to federal law if the transaction was a consumer credit transaction.

**§ 6.2-402. Notice of use of Rule of 78 rebate method.**

Where any loan or sale on credit contains a provision that a rebate of unearned interest shall be calculated in accordance with the Rule of 78 rebate method as defined in § 6.2-403, the note or other instrument evidencing the loan or sale on credit shall contain a notice advising the borrower of the effect of the interest calculation. The notice shall be in all capital letters and in 10-point type, and shall be substantially as follows:

**NOTICE: IF YOU PAY THIS LOAN OR SALE ON CREDIT PARTIALLY OR IN FULL BEFORE ITS DUE DATE, THE AMOUNT OF INTEREST YOU PAY WILL BE GREATER THAN THE AMOUNT OF INTEREST YOU WOULD PAY FOR A SIMPLE INTEREST LOAN OF THE SAME PRINCIPAL AMOUNT.**

**§ 6.2-403. The Rule of 78.**

A. The Rule of 78 is so named because the integers one through 12 added together total 78.

B. The amount of the rebate of unearned interest to be credited upon the acceleration or anticipation of a loan on which such rebate is required to be calculated under the Rule of 78 shall be calculated as follows:

1. Determine the denominator of the fraction, to be used as provided in subdivision 3, by adding the integers corresponding to the number of months over which the loan is to be repaid according to its terms, which in the example of a four-year loan would be the sum obtained by adding all of the integers in the series one through 48.

2. Determine the numerator of the fraction, to be used as provided in subdivision 3, by adding in inverse sequence the integers corresponding to the number of months remaining on the loan after payment is anticipated, which in the example of a four-year loan anticipated after the third month, would be the sum obtained by adding all of the integers in the series 45 through one.

3. Multiply the original amount of interest that would have been paid over the life of the loan by a fraction that has as its denominator the number determined as in subdivision 1 and as its numerator the number determined as in subdivision 2. The product is the amount of unearned interest to be rebated under the Rule of 78.

C. Payment anticipated between scheduled payment dates shall not be considered but instead the succeeding scheduled payment date shall be used in determining the amount of unearned interest to be rebated under the Rule of 78 pursuant to this section.

**§ 6.2-404. When use of Rule of 78 prohibited or permitted.**

A. The Rule of 78 shall not be used to determine the amount of unearned interest to be rebated if payment of the debt is anticipated on any (i) loan of money made after January 1, 1991, with an initial maturity of more than 61 months; or (ii) sales contract made after January 1, 1991, that necessitates a loan as described in clause (i).

B. On any loan of money made with an initial maturity and corresponding amortization period of 61 months or less and that is payable in equal periodic installments, the Rule of 78 may be used to determine the amount of unearned interest to be rebated if payment of the debt is anticipated on the loan or contract.

**§ 6.2-405. References to sections regulating rebates of unearned interest and prepayment penalties.**

A. This article does not affect the application of §§ 6.2-420 through 6.2-423 regarding the imposition of prepayment penalties or rebates of unearned interest on certain loans secured by a lien on real estate.

B. This article does not affect the application of § 6.2-1409 regarding the imposition of prepayment penalties or rebates of unearned interest on loans made by an industrial loan association.

## Article 2.

*Loans Secured by Lien on Real Estate.**§ 6.2-406. Disclosure of terms of mortgage application.*

A. Any lender making, or broker arranging, loans secured by a first mortgage or first deed of trust on owner occupied residential real estate consisting of one- to four-family dwelling units shall provide, at the time an application for such a loan is submitted by a loan applicant, to the loan applicant a written statement that:

1. Describes when, if ever, the interest, points, and fees quoted will be locked in;
2. States that all the loan terms not legally locked in are subject to change until settlement, which shall be initiated by the loan applicant and lender or broker; and
3. Provides a good faith estimate of the processing time required for the loan. The estimate shall take into account the time needed for the performance of any local government inspections or other functions necessary to close the loan.

B. The requirements of subsection A shall not apply to any lender making 10 or fewer loans secured by a first mortgage or first deed of trust on such owner occupied residential real estate in any 12-month period.

*§ 6.2-407. Lenders to furnish borrower with copy of appraisal.*

Any lender that requires a borrower or prospective borrower to pay for an appraisal of residential real estate made in connection with a loan or application for a loan secured by the real estate shall, upon request by the borrower or prospective borrower, furnish free of charge the borrower or prospective borrower with a copy of the written appraisal or, if no written appraisal exists, with a statement of the appraised value within 10 business days of the receipt of such request.

*§ 6.2-408. Priority of interest on debts secured by mortgage or deed of trust.*

Interest that is charged pursuant to a written agreement, whether or not recorded, shall be of equal priority with the principal debt secured by the mortgage or deed of trust and shall have priority as to third parties as provided in Title 55.

*§ 6.2-409. Addition of unpaid interest to principal balance.*

A. For the purpose of this section:

"First deed of trust" or "first mortgage" includes all deeds of trust and mortgages, and amendments thereto, that are made by the same grantor or mortgagor, secure notes held by the same holder, convey substantially the same real estate, and are superior to all other deeds of trust or mortgages on the real estate.

"Grantor" or "mortgagor" includes an owner of real estate, and spouse, who has assumed responsibility for the obligation secured by such deed of trust or mortgage encumbering the real estate.

"Real estate" includes a leasehold estate of not less than 25 years.

B. Notwithstanding any other statutory or case law relating to compounding of interest, if regularly scheduled periodic payments on an obligation secured by a first mortgage or first deed of trust on real estate are insufficient to pay currently accruing interest on the then principal balance, an agreement in the contract of indebtedness, or other agreement signed by the borrower, providing for the addition of such unpaid interest to the principal balance and the future accrual of interest on such balances, shall be enforceable as written.

C. Disclosure of charges in a disclosure given to the borrower pursuant to federal disclosure laws or regulations and acceptance of the loan proceeds by the borrower shall be deemed an agreement signed by the borrower within the meaning of this section.

*§ 6.2-410. Borrowers not to be required to employ particular professionals.*

In the case of loans secured by deeds of trust or mortgages on one- to four-family dwelling units, the lender may not require the borrower to use the services of a particular attorney, surveyor, or insurer. The lender shall have the right to approve any attorney, surveyor, or insurer selected by the borrower, provided such approval is not unreasonably withheld.

*§ 6.2-411. Requirements relating to insurance.*

A. Any lender making a loan secured by a subordinate mortgage or deed of trust, as defined in § 6.2-300, may require the borrower to provide:

1. Evidence of flood insurance if the security property is located in a special flood hazard area;
2. Evidence of fire and extended coverage insurance; and
3. Decreasing term life insurance, in an amount not exceeding the amount of the loan and for a period not exceeding the term of the loan.

B. At the option of the borrower, accident and health insurance and involuntary unemployment insurance may be provided by the lender.

C. Proof of all insurance issued in connection with loans subject to this chapter shall be furnished to the borrower within 10 days from the date the loan is closed.

*§ 6.2-412. Fire insurance coverage under certain loans not to exceed replacement value of improvements.*

A. As used in this section, "property insurance coverage" means insurance against losses or damages caused by perils that commonly are covered in insurance policies described with terms similar to

"standard fire" or "standard fire with extended coverage."

B. No lender shall require a borrower, as a condition to receiving or maintaining a loan secured by any mortgage or deed of trust, to provide or purchase property insurance coverage against risks to any improvements on any real property in an amount exceeding the replacement value of the improvements on the real property.

C. In determining the replacement value of the improvements on any real property, the lender may:

1. Accept the value placed on the improvements by the insurer; or
2. Use the value placed on the improvements that is determined by the lender's appraisal of the real property.

D. A violation of this section shall not affect the validity of the mortgage or deed of trust securing the loan.

§ 6.2-413. Obligation of lender to reimburse unused mortgage guaranty insurance premiums.

Any lender that requires, as a prerequisite to its lending money for the purchase of real property, that private mortgage insurance be secured to insure a certain amount of the lender's interest in the property shall return to the person who paid the premium, or other person entitled thereto, any portion of the premium for such insurance that is not used to secure insurance for the lender's interest in the property.

§ 6.2-414. Obligation of person maintaining escrow account to pay taxes and insurance; penalties.

Any lender or other person maintaining escrow accounts for the payment of taxes or insurance, who on receipt of notice thereof, fails to make timely payment therefor, and incurs a penalty or late charge thereon or a cancellation for nonpayment if there are sufficient funds in such escrow account at least five days before such due date to make such payment, shall be liable for the penalty or late charge assessed for late payment and for any loss as a result of the property being uninsured for nonpayment. The lender or other person shall give written notice to any obligor of the payment of such penalty or late charge within five days after such payment is made.

§ 6.2-415. Lender not to cancel insurance policy at time of refinancing under certain circumstances.

A. No lender shall require a borrower or debtor, for the protection of property securing the credit or lien, to cancel an existing insurance policy on such property at the time of a refinancing solely to change the effective dates of coverage under the policy, unless the expiration date of such policy is within four months of the date of the closing.

B. The provision of subsection A shall not prevent a lender from requesting a new policy when the coverage under the existing policy is inadequate or there is reasonable concern over the soundness or services of the insurer.

§ 6.2-416. Certain mortgages not to prohibit further encumbrance of real property.

Where any loan is secured by a mortgage or deed of trust on real property comprised of one- to four-family residential dwelling units, the note, or mortgage or deed of trust evidencing such loan shall in no way prohibit the further encumbrance of the real property.

§ 6.2-417. Mortgage or deed of trust to contain notice that debt is subject to call or modification on conveyance of property.

Where any loan is secured by a mortgage or deed of trust on real property comprised of one- to four-family residential dwelling units, and the note or mortgage or deed of trust evidencing or securing the loan contains a provision that the holder of the note secured by such mortgage or deed of trust may accelerate payment of or renegotiate the terms of such loan upon sale or conveyance of the security property or part thereof, then the mortgage or deed of trust shall contain in the body or on the margin thereof a statement, either in capital letters or underlined, that advises the borrower as follows: "Notice - The debt secured hereby is subject to call in full or the terms thereof being modified in the event of sale or conveyance of the property conveyed."

§ 6.2-418. Property owner entitled to written statement of payoff amount.

A. If an obligation is secured by the lien of a deed of trust or mortgage on real estate, and the owner of the real estate is entitled to prepay the obligation secured by the deed of trust or mortgage, the owner shall be entitled to receive from the holder of the obligation a written statement setting forth the total amount to be paid as of a particular date in order to obtain a release of the deed of trust or mortgage.

B. The holder of the obligation secured by the deed of trust or mortgage shall mail or deliver such written statement of the payoff amount to the property owner or his designee within 10 business days of the receipt of a written request for such payoff information from the property owner or his designee if the request contains the loan number and the address or other description of the location of the subject premises.

C. Upon payment in full of the obligation, the holder shall promptly cause the cancelled loan documents to be forwarded to the owner or his designee.

D. An inadvertent error made in the calculation of the payoff amount shall neither release the obligor from the requirement to pay the full amount due under the contract of indebtedness, nor release the holder of the contract of indebtedness from the requirement to return any overpayment to the obligor or his designee.

*E. A request for payoff information under this section may be made one time within a 12-month period without charge, and a fee not exceeding \$15 may be charged for each additional request made within such period.*

*§ 6.2-419. Disclosure of terms of assumption.*

*A. An owner of residential real estate that is improved by the construction thereon of housing consisting of four or fewer dwelling units and encumbered by a mortgage or deed of trust shall have the right, upon written request to any holder of the obligation secured by the mortgage or deed of trust, to receive a written disclosure of whether the holder will permit a qualified purchaser to assume the mortgage or deed of trust. If the answer is in the affirmative, the holder shall disclose the following information regarding the terms of such assumption:*

- 1. The rate of interest to be assumed, which may vary with an exterior standard;*
- 2. The balance of the escrow account, if any;*
- 3. Any fees and charges to be assessed by the holder against the seller and buyer in connection with the assumption;*
- 4. Usual limitations or requirements placed on the assumption; and*
- 5. Other terms and conditions of the assumption deemed pertinent by the holder.*

*B. The holder shall state the time period during which the terms disclosed pursuant to subsection A shall be valid, together with any limitations thereon.*

*C. Any holder receiving such a written request from an owner shall respond in writing within 10 business days of the receipt of the request.*

*D. Any holder receiving a second or subsequent written request with respect to the same mortgage or deed of trust within any 12-month period may charge a fee, not to exceed \$15, for each additional request. The fee shall be paid in advance.*

*§ 6.2-420. Prepayment penalty not to be collected in certain circumstances.*

*No lender shall collect or receive any prepayment penalty on loans secured by real property comprised of one- to four-family residential dwelling units if the prepayment results from the enforcement of the right to call the loan upon the sale of the real property that secures the loan. If the loan is prepaid because of sale to a person who the lender has refused to approve for purposes of assuming the loan or failed to approve within 15 days after receipt by it of written request for approval, the prepayment shall be presumed to result from enforcement of the right to call the loan.*

*§ 6.2-421. Certain contracts to permit prepayment; amount of prepayment penalty.*

*A. For the purpose of this section:*

*1. "First deed of trust" or "first mortgage" includes all deeds of trust and mortgages, and amendments thereto, that are made by the same grantor or mortgagor, secure notes held by the same holder, convey substantially the same real estate, and are superior to all other deeds of trust or mortgages on the real estate; and*

*2. "Real estate" includes a leasehold estate of not less than 25 years.*

*B. Every loan contract, except as provided in subsection D, that is secured by a first deed of trust or first mortgage on real estate if the principal amount of the loan is less than \$75,000, shall:*

A. A cardholder who receives a credit card from an issuer, which card the cardholder has not requested nor consented to the issuance of in writing, nor used, shall not be liable for any amount owing because of a use of the credit card.

B. The failure to destroy or return an unsolicited credit card shall neither:

1. Be evidence of a cardholder's request for or consent to the issuance of the credit card, nor
2. Constitute negligence on the part of the cardholder.

C. Use by an authorized agent of the cardholder shall be the equivalent of use by the cardholder. The burden of proving the authority of an agent shall be upon the issuer.

§ 6.2-426. When request, consent, or use not condition precedent to liability.

The request, consent, or use required in § 6.2-425 as a condition precedent to liability shall not be necessary in any instance:

1. Of a credit card that is a renewal of a credit card previously held and used by the cardholder or his authorized agent within 12 months of the renewal date; or
2. Where the card is issued to a customer who has previously established credit with the issuer and has used such credit within 12 months prior to the issuance of the card.

§ 6.2-427. Costs and attorney fee in suit on card; evidence of request or consent.

A. In any suit arising out of the use of a credit card, where the request, consent, or use as required by § 6.2-425 is denied and is not proved, and judgment shall be for the defendant, the court shall assess against the issuer all court costs and shall award the defendant a reasonable attorney fee.

B. For purposes of subsection A, a certified copy of the request or consent shall be admissible as evidence that such request or consent was obtained.

§ 6.2-428. Production of credit card number as condition of check cashing or acceptance prohibited.

A. Except as otherwise provided in subsection D, no person shall, as a means of identification or for any other purpose:

Such action shall be brought in the general district or circuit court, whichever is appropriate, of any county or city wherein the defendant resides or has a place of business. In the event the aggrieved party prevails, he may be awarded reasonable attorney fees and court costs in addition to any damages awarded.

C. This section shall not be construed to (i) impose liability on any employee or agent of a person, where that employee or agent has acted in accordance with the directions of his employer, (ii) prohibit a person from requesting a purchaser to display a credit card as an indication of creditworthiness or financial responsibility or as identification, and in these instances the type, the issuer, and the expiration date of the credit card may be recorded, or (iii) require acceptance of a check, whether or not a credit card is presented.

D. A person may require production of and may record a credit card number as a condition for

cashing a check only where (i) the person requesting the card number has agreed with the issuer to cash checks as a service to the issuer's cardholders, (ii) the issuer has agreed to guarantee cardholder checks cashed by that person, and (iii) the cardholder has given actual, apparent, or implied authority for use of his card number in this manner and for this purpose.

A. No person that accepts payment devices for any purpose shall print on any receipt provided to the holder of the payment device (i) more than the last four digits of the payment device number or (ii) the expiration date.

B. For transactions in which the sole means of recording the person's payment device number is by handwriting or by an imprint or copy of the payment device, no receipt, other than the one original, shall display the information prohibited in subsection A. Returning all copies, including carbons, that do not comply with this section, to the payment device holder or authorized user or destroying such copies and carbons in front of the payment device holder or authorized user shall constitute compliance with this section.

C. The provisions of this section shall apply to all cash registers or other machines or devices that electronically print receipts for payment device transactions that are placed in service on or after July 1, 2003.

D. For all cash registers or other machines or devices that electronically print receipts for payment device transactions in service prior to July 1, 2003, the provisions of this subsection shall not apply until July 1, 2005.

E. Any person violating this section (i) shall be liable to the payment device holder and the issuer for any damages or expenses, or both, including attorney fees, that the payment device holder incurs due to the use of the payment device without the permission of the payment device holder and (ii) may be compelled, in a proceeding instituted in any appropriate court by the attorney for the Commonwealth, to comply with this section by injunction, mandamus, or other appropriate remedy. Without limiting the remedies authorized by this section in a proceeding instituted by the attorney for the Commonwealth, any person failing, neglecting, or refusing to obey any injunction, mandamus, or other remedy obtained pursuant to this section, shall be subject, in the discretion of the court, to a civil penalty not to exceed \$1,000 for each violation.

Solely for the purpose of a buyer asserting claims and defenses pursuant to 15 U.S.C. § 1666i, a transaction shall be presumed to have occurred at the mailing address most recently provided by the cardholder to the card issuer, without regard to the location where the last act necessary for the formation of the contract between the cardholder and the party honoring the card took place.

Any application form or preapproved written solicitation for an open-end credit card account to be used for personal, family, or household purposes that is mailed to a consumer residing in the Commonwealth by or on behalf of a creditor, whether or not the creditor is located in the Commonwealth, other than an application form or solicitation included in a magazine, newspaper, or other publication distributed by someone other than the creditor, shall contain or be accompanied by a disclosure that satisfies the initial disclosure requirements of Federal Reserve Board Regulation Z (12 C.F.R. Part 226).

**Article 4.**

**Open-End Credit Plans.**

**§ 6.2-433. Amendment to open-end credit contract or plan by bank or savings institution.**

A. Any open-end credit plan, as defined in § 6.2-300, by a bank or savings institution may be amended in any respect by the bank or savings institution at any time and from time to time to modify or delete terms, or to add new terms, which new or modified terms and amendment need not be of a kind previously included in or contemplated by such contract or plan, or of a kind integral to the relationship of the parties, by following the procedures, if any, set forth in the contract or plan for effecting changes in the terms thereof, subject to the bank's or savings institution's complying with any applicable notice requirements under the Truth in Lending Act (15 U.S.C. § 1601 et seq.) and regulations promulgated thereunder, as in effect from time to time.

B. Unless the contract or plan referred to in subsection A otherwise expressly provides, a bank or savings institution may amend such contract or plan in any respect at any time and from time to time, whether or not the amendment or the subject of the amendment was originally contemplated or addressed by the parties or is integral to the relationship between the parties. Without limiting the foregoing, such amendment may change terms by the addition of new terms or by the deletion or modification of existing terms, whether relating to plan benefits or features, the periodic rate or rates used to calculate finance charges, the manner of calculating periodic rate finance charges or

outstanding unpaid indebtedness, variable schedules or formulas, finance charges other than periodic rate finance charges, other charges or fees, collateral requirements, methods for obtaining or repaying extensions of credit, attorney fees, plan termination, the manner for amending the terms of the contract or plan, arbitration or other alternative dispute resolution mechanisms, or other matters of any kind whatsoever. Unless the contract or plan otherwise expressly provides, any amendment may, on and after the date upon which it becomes effective as to a particular borrower, apply to all then outstanding unpaid indebtedness in the borrower's account under the contract or plan, including any such indebtedness that arose prior to the effective date of the amendment. A contract or plan may be amended pursuant to this subsection regardless of whether the contract or plan is active or inactive or whether additional borrowings are available thereunder. Any such amendment may become effective as determined by the bank or savings institution, subject to compliance by the bank or savings institution with any applicable provisions under the Truth in Lending Act (15 U.S.C. § 1601 et seq.) and the regulations promulgated thereunder, as in effect from time to time. Any notice of an amendment sent by the bank or savings institution may be included in the same envelope with a periodic statement or as part of the periodic statement or in other materials sent to the borrower.

§ 6.2-435. Law governing open-end credit contract or plan by seller or lender.

An open-end credit plan as defined in § 6.2-300, between a seller or lender and an obligor shall be governed solely by federal law, and by the laws of the Commonwealth, unless otherwise expressly agreed in writing by the parties.

##### Additional Provisions Applicable to Consumer Credit.

§ 6.2-436. Compliance with federal law.

Every person subject to the provisions of 15 U.S.C. § 1601 et seq. and Federal Reserve Board Regulation Z (12 C.F.R. Part 226) shall comply with such statutes and regulations when offering or extending consumer credit as defined therein. A lender who fails to comply with this section shall not be subject to any liability or penalty beyond those imposed by such federal statutes and regulations.

§ 6.2-437. Right of buyer of consumer goods to refinance certain payments; agreements as to fluctuation in schedule of payments.

A. In any sales transaction, except one pursuant to an open-end account, involving exclusively consumer goods as defined in subdivision (a)(23) of § 8.9A-102 in which credit is extended and a security interest in consumer goods is taken, any installment payment, other than a down payment made prior to or contemporaneously with the execution of an agreement evidencing the transaction, that is more than 10 percent greater than the regular or recurring installment payments, shall be subject to the buyer's right to refinance such a payment on the basis of an extended period of time. Such additional payments shall be in amounts that shall allow the unpaid balance to be paid in as few periodic payments, not more than 10 percent greater than the regularly scheduled installment payments, as are required to pay such balance. Such additional payments shall be considered and treated as part of the original transaction.

B. The parties may agree in a separate writing that one or more payments or the intervals between one or more payments shall be reduced or expanded in accordance with the desires or needs of the buyer, if such fluctuations in the schedule of payments are expressly arranged to coincide with the anticipated fluctuations in the buyer's capability to make such payments.

C. No seller who has refused to refinance in compliance with the provisions of this section shall be entitled (i) to the return or repossession of the goods involved in the transaction or (ii) to a judgment for the unpaid balance involved in the transaction at the time of his failure to do so.

#### CHAPTER 5.

##### EQUAL CREDIT OPPORTUNITIES.

§ 6.2-500. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Adverse action" means a denial or revocation of credit, a change in the terms of an existing credit arrangement, or a refusal to grant credit in substantially the amount or on substantially the terms requested. The term does not include a refusal to extend additional credit under an existing credit arrangement where the applicant is delinquent or otherwise in default, or where such additional credit would exceed a previously established credit limit.

"Applicant" means any person who applies to a creditor directly for an extension, renewal, or continuation of credit, or applies to a creditor indirectly by use of an existing credit plan for an amount exceeding the previously established credit limit.

"Credit" means the right granted by a creditor to a debtor to defer payment of debt or to incur debt and defer its payment or to purchase property or services and defer payment therefor.

*"Creditor" means any person who regularly extends, renews, or continues credit; any person who regularly arranges for the extension, renewal, or continuation of credit; or any assignee of an original creditor who participates in the decision to extend, renew, or continue credit.*

*§ 6.2-501. Prohibited discrimination.*

*A. It shall be unlawful for any creditor to discriminate against any applicant, with respect to any aspect of a credit transaction:*

*1. On the basis of race, color, religion, national origin, sex or marital status, or age, provided the applicant has the capacity to contract; or*

*2. Because all or part of the applicant's income derives from any public assistance or social services program.*

*B. It shall not constitute discrimination for purposes of this chapter for a creditor:*

*1. To make an inquiry of marital status if such inquiry is for the purpose of ascertaining the creditor's rights and remedies applicable to the particular extension of credit and not to discriminate in a determination of creditworthiness;*

*2. To make an inquiry of the applicant's age or of whether the applicant's income derives from any public assistance or social services program if such inquiry is for the purpose of determining the amount and probable continuance of income levels, credit history, or other pertinent element of creditworthiness as provided in regulations of the Commission;*

*3. To use any empirically derived credit system which considers age if such system is demonstrably and statistically sound in accordance with regulations of the Commission, except that in the operation of such system the age of an elderly applicant may not be assigned a negative factor or value; or*

*4. To make an inquiry or to consider the age of an elderly applicant when the age of such applicant is to be used by the creditor in the extension of credit in favor of such applicant.*

*C. It is not a violation of this section for a creditor to refuse to extend credit offered pursuant to:*

*1. Any credit assistance program expressly authorized by law for an economically disadvantaged class of persons;*

*2. Any credit assistance program administered by a nonprofit organization for its members or an economically disadvantaged class of persons; or*

*3. Any special purpose credit program offered by a profit-making organization to meet special social needs which meets standards prescribed in regulations by the Commission, if such refusal is required by or made pursuant to such program.*

*§ 6.2-502. Notification of action on credit application.*

*Within 30 days, or such longer reasonable time as specified in regulations of the Commission for any class of credit transaction, after receipt of a completed application for credit, a creditor shall notify the applicant of its action on the application.*

*§ 6.2-503. Statement of reasons for adverse action.*

*A. Each applicant against whom adverse action is taken shall be entitled to a statement of reasons for the action on the application from the creditor. A creditor shall satisfy this obligation by:*

*1. Providing statement of reasons in writing as a matter of course to applicants against whom adverse action is taken; or*

*2. Giving written notification of adverse action that discloses (i) the applicant's right to a statement of reasons within 30 days after receipt by the creditor of a request made within 60 days after such notification and (ii) the identity of the person or office from which such statement may be obtained. The statement may be given orally if the written notification advises the applicant of his right to have the statement of reasons confirmed in writing on written request.*

*B. A statement of reasons meets the requirements of this section only if it contains the specific reasons for the adverse action taken.*

*C. Where a creditor has been requested by a third party to make a specific extension of credit directly or indirectly to an applicant, the notification and statement of reasons required by this section may be made directly by such creditor, or indirectly through the third party, provided in either case that the identity of the creditor is disclosed.*

*D. The requirements of subsections A, B, and C may be satisfied by oral statements or notifications in the case of any creditor who did not act on more than 150 applications during the calendar year preceding the calendar year in which the adverse action is taken, as determined under regulations of the Commission.*

*§ 6.2-504. Requirement of signatures of both parties to a marriage not discriminatory in a secured transaction.*

*For the purposes of a secured transaction, a request for the signature of both parties to a marriage for the purpose of creating a valid lien, passing clear title, waiving inchoate rights to property, or assigning earnings, shall not constitute discrimination under this chapter. This provision shall not be construed to permit a creditor to take sex or marital status into account in connection with the evaluation of creditworthiness of any applicant.*

*§ 6.2-505. Remedies for violation.*

*A. Any creditor who fails to comply with any requirement imposed under this chapter shall be liable*

to the aggrieved applicant in an amount equal to the sum of any actual damages sustained by such applicant.

B. Any creditor, other than the federal or state government or any political subdivision or agency of such government, who fails to comply with any requirement imposed under this chapter shall be liable to the aggrieved applicant for punitive damages in an amount not greater than \$10,000, as determined by the court, in addition to any actual damages provided in subsection A.

C. Upon application by an aggrieved applicant, an appropriate court may grant such equitable and declaratory relief as is necessary to enforce the requirements imposed under this chapter.

D. In the case of any successful action to enforce the foregoing liability, the costs of the action, together with the reasonable attorney fee as determined by the court, shall be added to any damages awarded by the court under the provisions of subsections A, B, and C.

E. Any action under this chapter may be brought in an appropriate court within two years from the date of the occurrence of the violation.

**§ 6.2-506. Commission regulations.**

The Commission shall adopt regulations to effectuate the purposes of this chapter provided that such regulations conform to and are no broader in scope than regulations, and amendments thereto, adopted by the Board of Governors of the Federal Reserve System under the federal Equal Credit Opportunity Act (15 U.S.C. § 1691 et seq.). Such conforming regulations shall exempt from the coverage of this chapter any class of transactions which may be exempted from time to time from the federal Equal Credit Opportunity Act (15 U.S.C. § 1691 et seq.), by regulations of the Federal Reserve System.

**§ 6.2-507. Limitation on liability.**

No provision of this chapter imposing any liability shall apply to any act done or omitted in good faith in conformity with any rule, regulation, or interpretation thereof by the Commission or by the Federal Reserve Board or officer or employee duly authorized by the Board to issue such interpretation or approvals under the comparable provisions of the federal Equal Credit Opportunity Act, (15 U.S.C. § 1691 et seq.), and regulations thereunder, notwithstanding that after such act or omission has occurred, such rule, regulation, or interpretation is amended, rescinded, or determined by judicial or other authority to be invalid for any reason.

**§ 6.2-508. Compliance with Equal Credit Opportunity Act constitutes compliance with chapter.**

Compliance with the federal Equal Credit Opportunity Act, (15 U.S.C. § 1691 et seq.), as amended, and regulations issued by the Federal Reserve Board thereunder, constitutes compliance with this chapter.

**§ 6.2-509. Public to be informed of rights under chapter.**

The Commission shall use any methods available to it to inform the public of the rights created by this chapter. Notice given pursuant to the federal Equal Credit Opportunity Act, (15 U.S.C. § 1691 et seq.), and regulations promulgated thereto, shall satisfy the requirements of this section.

**§ 6.2-510. Commission to investigate complaints; records to be open to public.**

The Commission shall receive, investigate, and mediate complaints of violations of this chapter and shall keep all records pertaining to such complaints, investigations, and mediations open to the public. Nothing in this section shall toll the operation of subsection E of § 6.2-505.

**§ 6.2-511. Credit standards discoverable.**

Nothing in this chapter shall be construed to prohibit the discovery of a creditor's standards for granting credit, which discovery shall be under appropriate discovery procedures in the court in which an action is brought.

**§ 6.2-512. Election of remedies.**

Where the same act or omission constitutes a violation of this chapter and of applicable federal law, a person aggrieved by such conduct may bring a legal action to recover monetary damages either under this chapter or under federal law, but not both. This election of remedies shall not apply to court actions in which the relief sought does not include monetary damages or to administrative actions.

**§ 6.2-513. Authority of Attorney General.**

Notwithstanding any other provisions of the law to the contrary, the Attorney General may investigate and bring an action in the name of the Commonwealth to enjoin any violation of this chapter.

§ 6.2-601. Federal insurance of deposits required for all banks or savings institutions.

Notwithstanding any other provisions contained in this title, no bank or savings institution doing business in the Commonwealth shall accept deposits unless its deposit accounts are insured by the Federal Deposit Insurance Corporation or other federal insurance agency, up to the limits of the insurance provided thereby. No bank or savings institution shall solicit deposits in the Commonwealth, nor shall any other person solicit or accept deposits in the Commonwealth on behalf of a bank or savings institution, unless the deposit accounts of such bank or savings institution are insured by the Federal Deposit Insurance Corporation or other federal insurance agency, up to the limits of the insurance provided thereby.

§ 6.2-602. Adverse claims to accounts.

A. Notice to any financial institution doing business in the Commonwealth of an adverse claim to funds in an account with such institution shall not require the institution to recognize the adverse claim unless the adverse claimant shall either:

1. Procure a restraining order, injunction, or other appropriate order against the financial institution from an appropriate court; or
2. Execute to such financial institution, in form and with sureties acceptable to it, a bond indemnifying the institution from any and all liability, loss, damage, costs, and expenses, for and on account of the payment or recognition of such adverse claim, or the dishonor of, or failure to pay, any check, or failure to comply with any other order, of the person to whose credit the account is held.

§ 6.2-603. Medical savings accounts and health savings accounts.

To the extent allowed by federal law, a bank, insured savings institution, or credit union may act as a trustee or custodian of health savings accounts established with financial institutions under § 223 of the United States Internal Revenue Code of 1986, as amended from time to time, and medical savings accounts established with financial institutions under § 220 of the United States Internal Revenue Code of 1986, as amended from time to time. The financial institution shall administer such accounts in accordance with the requirements of federal law.

Article 2.

#### Multiple-party Accounts.

§ 6.2-604. Definitions.

As used in this article, unless the context requires a different meaning:

"Account" means a contract of deposit of funds between a depositor and a financial institution, and includes a checking account, savings account, certificate of deposit, share account, and other similar arrangements.

"Beneficiary" means a person named in a trust account as one for whom a party to the account is named as trustee.

"Financial institution" means any entity authorized to do business under state or federal laws relating to financial institutions that is authorized to establish accounts, including, without limitation, banks, trust companies, savings institutions, and credit unions.

"Joint account" means an account payable on request to one or more of two or more parties whether or not mention is made of any right of survivorship.

"Multiple-party account" means any of the following types of account: (i) a joint account, (ii) a P.O.D. account, or (iii) a trust account. The term does not include accounts established for deposit of funds of a partnership, joint venture, or other association for business purposes, or accounts controlled by one or more persons as the duly authorized agent or trustee for a corporation, unincorporated

association, charitable or civic organization, or a regular fiduciary or trust account where the relationship is established other than by deposit agreement.

"Net contribution" of a party to a joint account as of any given time is the sum of all deposits thereto made by or for him, less all withdrawals made by or for him which have not been paid to or applied to the use of any other party, plus a pro rata share of any interest or any dividends included in the current balance. The term includes, in addition, any proceeds of deposit life insurance added to the account by reason of the death of the party whose net contribution is in question.

"Party" means a person who, by the terms of the account, has a present right, subject to request, to payment from a multiple-party account. The term includes a P.O.D. payee or beneficiary of a trust account only after the account becomes payable to him by reason of his surviving the original payee or trustee. The term includes a guardian, conservator, personal representative, or assignee, including an attaching creditor, of a party. The term also includes a person identified as a trustee of an account for another whether or not a beneficiary is named, but it does not include any named beneficiary unless he has a present right of withdrawal.

"Payment," with respect to sums on deposit, includes withdrawal, payment on check or other directive of a party, and any pledge of sums on deposit by a party and any setoff, or reduction or other disposition of all or part of an account pursuant to a pledge.

"P.O.D. account" means an account payable on request to one person during his lifetime and on his death to one or more P.O.D. payees, or to one or more persons during their lifetimes and on the death of all of them to one or more P.O.D. payees.

"P.O.D. payee" means a person designated on a P.O.D. account as one to whom the account is payable on request after the death of one or more persons.

"Proof of death" includes a death certificate; a certificate of qualification upon a decedent's estate; or an authenticated copy of any record or report of a governmental agency, domestic or foreign, that a person is dead.

"Request" means a proper request for withdrawal, or a check or order for payment, that complies with all conditions of the account, including special requirements concerning necessary signatures and regulations of the financial institution. If the financial institution conditions withdrawal or payment on advance notice, for purposes of this article the request for withdrawal or payment is treated as immediately effective and a notice of intent to withdraw is treated as a request for withdrawal.

"Sums on deposit" means the balance payable on a multiple-party account including interest, dividends, and in addition any deposit life insurance proceeds added to the account by reason of the death of a party.

"Trust account" means an account in the name of one or more parties as trustee for one or more beneficiaries where the relationship is established by the form of the account and the deposit agreement with the financial institution and there is no subject of the trust other than the sums on deposit in the account, without regard to whether payment to the beneficiary is mentioned in the deposit agreement. The term does not include (i) a regular trust account under a testamentary trust or a trust agreement that has significance apart from the account or (ii) a fiduciary account arising from a fiduciary relationship such as an attorney-client relationship.

"Withdrawal" includes payment to a third person pursuant to check or other directive of a party.

#### § 6.2-605. Applicability.

A. The provisions of §§ 6.2-606, 6.2-607, and 6.2-608 concerning beneficial ownership as between parties, or as between parties and P.O.D. payees or beneficiaries of multiple-party accounts, are relevant only to controversies between these persons and their creditors and other successors, and have no bearing on the power of withdrawal of these persons as determined by the terms of account contracts.

B. The provisions of §§ 6.2-612 through 6.2-617 govern the liability of financial institutions that make payments pursuant thereto, and their set-off rights.

#### § 6.2-606. Ownership during lifetime; garnishment, attachment, or levy.

A. A joint account belongs, during the lifetimes of all parties, to the parties in proportion to the net contributions by each to the sums on deposit, except that a joint account between persons married to each other shall belong to them equally, and unless, in either case, there is clear and convincing evidence of a different intent.

B. A P.O.D. account belongs to the original payee during his lifetime and not to any P.O.D. payee. If two or more parties are named as original payees, during their lifetimes rights as between them are governed by subsection A.

C. Unless (i) a contrary intent is manifested by the terms of the account or the deposit agreement or (ii) there is other clear and convincing evidence of an irrevocable trust, a trust account belongs beneficially and absolutely to the trustee during his lifetime. If two or more parties are named as trustee on the account, during their lifetimes beneficial rights as between them are governed by subsection A. If there is an irrevocable trust, the account belongs beneficially to the beneficiary.

D. Upon an order of garnishment, attachment, or other levy addressed to a party to a joint account as mentioned in subsection A, or a trust account as mentioned in subsection C, the financial institution

shall:

1. File an answer setting forth the form of account, whether it has funds responsive to the process, and such information as it has as to the names and addresses of the parties to the account;
2. Send a copy of such answer by first class mail to the petitioning creditor or counsel of record;
3. From the time of service of such garnishment, attachment or levy, hold the amount subject to such garnishment, attachment or levy, or such lesser amount or sum as it may have, which amount shall be set forth in its answer; and
4. Not permit any person to draw against such amount whether by check against such account or otherwise.

E. If the petitioning creditor shall desire to pursue the question of ownership of such funds held subject to the claim of two or more parties to the deposit account, it shall (i) provide the clerk of the court that issued the order of garnishment, attachment, or other levy with a copy of the documents originally served on the original defendants or judgment defendants and (ii) request the clerk to issue a summons accompanied by such copy with a copy of a notice to co-depositors containing substantially the following information: "Attached is a copy of the documents served on a financial institution to cause it to withhold money from an account in which you may have an interest. If you wish to protect your interests, you or your attorney should take appropriate legal action promptly."

F. Upon payment of the appropriate fees, the clerk shall issue such summons to be served on any other party having an interest or apparent interest in such account. Service on a party to the account made at the address on record at the financial institution shall be presumed to be proper service for the purposes of this section. In addition, a copy of such summons and notice shall be issued and served on or mailed to both the financial institution and the original defendant or judgment debtor. If such summons is received either by certified or registered mail or acknowledged in writing within 21 days on or by such financial institution, it shall continue to hold such funds pending further order of the court. If such financial institution is not served with, or does not acknowledge, such an order within 21 days from the filing of such answer, it may treat the garnishment, attachment or levy, insofar as it relates to such joint or trust accounts, as terminated on the twenty-second day and being of no further force or effect.

G. The court shall allow the financial institution its reasonable expenses in responding to discovery of its records and may condition any such discovery upon prepayment of such expenses.

H. Orders to withhold and deliver issued by the Department of Social Services shall be complied with as provided in §§ 63.2-1929 and 63.2-1931.

#### § 6.2-607. Effect of divorce.

Upon the entry of a decree of divorce, either a mensa et thoro or a vinculo matrimonii, all rights of either consort in any multiple-party account then existing between them, including the right of survivorship, shall be extinguished; and any joint account then existing between the consorts shall thereupon be converted into a tenancy in common, in the proportions provided in subsection A of § 6.2-606, unless otherwise ordered by the court.

#### § 6.2-608. Right of survivorship.

A. Sums remaining on deposit at the death of a party to a joint account belong to the surviving party as against the estate of the decedent unless there is clear and convincing evidence of a different intention at the time the account is created. If there are two or more surviving parties, their respective ownerships during their lifetime shall be in proportion to their previous ownership interests under § 6.2-606 augmented by an equal share for each survivor of any interest the decedent may have owned in the account immediately before his death; and the right of survivorship continues between the surviving parties.

B. If the account is a P.O.D. account:

1. On the death of one of two or more original payees, the rights to any sums remaining on deposit are governed by subsection A;

2. On the death of the sole original payee or of the survivor of two or more original payees, any sums remaining on deposit belong to the P.O.D. payee or payees if surviving, or to the survivor of them if one or more die before the original payee. If two or more P.O.D. payees survive, there is no right of survivorship in the event of death of a P.O.D. payee thereafter unless the terms of the account or deposit agreement expressly provide for survivorship between them.

C. If the account is a trust account:

1. On the death of one of two or more trustees, the rights to any sums remaining on deposit are governed by subsection A;

2. On the death of the sole trustee or the survivor of two or more trustees, any sums remaining on deposit belong to the persons named as beneficiaries, if surviving, or to the survivor of them if one or more die before the trustee, unless there is clear evidence of a contrary intent. If two or more beneficiaries survive the death of the sole trustee or the last survivor of two or more trustees, there is no right of survivorship in the event of death of any beneficiary thereafter unless the terms of the account or deposit agreement expressly provide for survivorship between them.

D. In other cases, the death of any party to a multiple-party account has no effect on beneficial

ownership of the account other than to transfer the rights of the decedent as part of his estate. If the terms of the account clearly indicate that there is no right of survivorship, the estate of a decedent party shall succeed to the rights of decedent in such account.

E. A right of survivorship arising from the express terms of the account or under this section, a beneficiary designation in a trust account, or a P.O.D. payee designation, cannot be changed by will.

§ 6.2-609. Change of form of account upon written order to financial institution.

The provisions of § 6.2-608 as to rights of survivorship are determined by the form of the account at the death of a party. This form may be altered by written order given by a party to the financial institution to change the form of the account or to stop or vary payment under the terms of the account. The order or request shall be signed by a party, received by the financial institution during the party's lifetime, and not countermanded by other written order of the same party during his lifetime.

§ 6.2-610. Transfers arising from right of survivorship nontestamentary.

Any transfers resulting from the application of § 6.2-608 are effective by reason of the account contracts involved and this article and are not to be considered as testamentary or subject to Chapter 3 (§ 64.1-45 et seq.) of Title 64.1.

§ 6.2-611. Liability of surviving party for debts and other liabilities of decedent's estate.

A. If the assets of a deceased party's estate, other than the assets in a multiple-party account, are not sufficient to pay the debts, taxes, and expenses of estate administration, including statutory allowances to the surviving spouse, minor children, and dependent children, no transfer of account funds, to which the deceased party was beneficially entitled immediately before his death, shall be effective, by virtue of a party's survivorship of the decedent, against the estate of such deceased party to the extent such funds are needed to pay such liabilities of the estate.

B. A surviving party, P.O.D. payee, or beneficiary who receives payment from a multiple-party account after the death of a deceased party shall be liable to account to his personal representative for amounts the decedent owned beneficially immediately before his death to the extent necessary to discharge the claims and charges described in subsection A that remain unpaid after application of the decedent's estate. No proceeding to assert this liability shall be commenced (i) unless the personal representative has received a written demand by a surviving spouse, a creditor, or one acting for a minor or dependent child of the decedent and (ii) later than two years following the death of the decedent. Sums recovered by the personal representative shall be administered as part of the decedent's estate.

C. This section shall not affect the right of a financial institution to make payment on multiple-party accounts according to the terms thereof, or make it liable to the estate of a deceased party unless, before payment, the institution has been served with process in a proceeding by the personal representative.

§ 6.2-612. Financial institution duties; multiple-party accounts.

Financial institutions may enter into multiple-party accounts to the same extent that they may enter into single-party accounts. Any multiple-party account may be paid, on request, to any one or more of the parties. A financial institution shall not be required to inquire as to the source of funds received for deposit to a multiple-party account, or to inquire as to the proposed application of any sum withdrawn from an account, for purposes of establishing net contributions.

§ 6.2-613. Payment of sums in joint account.

Any sums in a joint account may be paid, on request, to any party without regard to whether any other party is incapacitated or deceased at the time the payment is demanded. Payment may not be made to the personal representative or heirs of a deceased party unless (i) proof of death is presented to the financial institution showing that the decedent was the last surviving party or (ii) there is no right of survivorship under § 6.2-608.

§ 6.2-614. Payment of P.O.D. account.

Any P.O.D. account may be paid, on request, to any original party to the account. Payment may be made, on request, to the P.O.D. payee or to the personal representative or heirs of a deceased P.O.D. payee upon presentation to the financial institution of proof of death showing that the P.O.D. payee survived all persons named as original payees. Payment may be made to the personal representative or heirs of a deceased original payee if proof of death is presented to the financial institution showing that his decedent was the survivor of all other persons named on the account either as an original payee or as P.O.D. payee.

§ 6.2-615. Payment of trust account.

Any trust account may be paid, on request, to any trustee. Unless the financial institution has received written notice that the beneficiary has a vested interest not dependent upon his surviving the trustee, payment may be made to the personal representative or heirs of a deceased trustee if proof of death is presented to the financial institution showing that his decedent was the survivor of all other persons named on the account either as trustee or beneficiary. Payment may be made, on request, to the beneficiary upon presentation to the financial institution of proof of death showing that the beneficiary or beneficiaries survived all persons named as trustees.

§ 6.2-616. Discharge of financial institution upon payment.

A. Payment made pursuant to §§ 6.2-612 through 6.2-615 discharges the financial institution from all claims for amounts so paid whether or not the payment is consistent with the beneficial ownership of the account as between parties, P.O.D. payees, or beneficiaries, or their successors.

B. The discharge provided by subsection A does not extend to payments made after a financial institution has received written notice from any party able to request present payment to the effect that withdrawals in accordance with the terms of the account should not be permitted. Unless the notice is withdrawn by the person giving it, or the successor of any deceased party has concurred in any demand for withdrawal, a discharge provided by subsection A shall not apply to withdrawals permitted by the financial institution.

C. No other notice or any other information shown to have been available to a financial institution shall affect its right to the discharge provided by subsection A. The discharge provided by subsection A shall have no bearing on the rights of parties in disputes between themselves or their successors concerning the beneficial ownership of funds in, or withdrawn from, multiple-party accounts.

D. If any party, or the personal representative of any party, notifies the financial institution in writing not to permit withdrawals by any party, the financial institution may refuse, without liability, to allow any withdrawal pending the determination of the rights of the parties.

§ 6.2-617. Setoff by financial institution against account.

Without qualifying any other statutory right to setoff or lien, and subject to any contractual provision, if a party to a multiple-party account is indebted to a financial institution, the financial institution has a right to setoff against the account in which the party has or had immediately before his death a present right of withdrawal. The amount of the account subject to setoff is that proportion to which the debtor is, or was immediately before his death, beneficially entitled, and in the absence of proof of net contributions, to an equal share with all parties having present rights of withdrawal.

§ 6.2-618. Identification of joint accounts.

A. Every financial institution in the Commonwealth offering joint accounts to its depositors shall either:

1. Maintain two separate forms for the creation of joint accounts, one of which shall be clearly labeled "JOINT ACCOUNT WITH SURVIVORSHIP" and the other of which shall be clearly labeled "JOINT ACCOUNT - NO SURVIVORSHIP," both of which shall be made available to all persons opening joint accounts; or

2. Maintain one form for the creation of such accounts that shall contain the two labels "JOINT ACCOUNT WITH SURVIVORSHIP" and "JOINT ACCOUNT - NO SURVIVORSHIP," with appropriate blank space or lines beside such labels for the parties to sign in order to indicate the type of account desired, which signature requirement shall be in addition to any signature verification form.

B. The forms provided for in subdivision A 1 may be identical in all respects except for the labels therein specified. This section shall not be construed to prevent any financial institution from changing from one method of identification to the other method of identification at any time, nor to require a financial institution making such a change to make any changes to the forms of its existing accounts.

C. The forms described in subsection A shall include disclosures to inform persons opening joint accounts of the disposition of such accounts upon a party's death. Disclosures in a form substantially similar to the following shall satisfy the requirements of this section:

Joint Account With Survivorship - On the death of a party to the account, the deceased party's ownership in the account passes to the surviving party or parties to the account.

Joint Account - No Survivorship - On the death of a party to the account, the deceased party's ownership in the account passes as a part of the party's estate under the party's will, trust, or by intestacy.

D. This section is not applicable to joint accounts created before July 1, 1980.

§ 6.2-619. Certain duties of parties to joint accounts in financial institutions.

A. Parties to a joint account in a financial institution occupy the relation of principal and agent as to each other, with each standing as a principal in regard to his ownership interest in the joint account and as agent in regard to the ownership interest of the other party. The provisions of §§ 11-9.6 and 37.2-1018 shall apply to such principal/agent relationships.

B. For the purposes of this section, the ownership interest of the parties to the joint account shall be determined in accordance with the provisions of this article.

§ 6.2-620. Application of article to accounts existing on July 1, 1980.

A. Unless otherwise provided in this article, the provisions of this article shall be applicable to all multiple-party accounts in every financial institution in the Commonwealth on July 1, 1980, regardless of when such multiple-party accounts might have been opened or created.

B. Nothing in this article shall affect the common-law presumption of convenience now existing between persons not married to each other in joint accounts that were created prior to July 1, 1980, insofar as the ownership of the funds, whenever deposited, during their joint lifetime or their right of survivorship therein are concerned. Issues regarding ownership of such funds shall continue to be decided pursuant to the precedents of the Virginia Supreme Court.

obtain a certificate of authority to transact business in the Commonwealth in accordance with § 13.1-757.

§ 6.2-703. Acquisition of interest in entity other than financial institution by financial institutions.

No financial institution shall acquire more than five percent of the voting shares or otherwise gain control of any entity other than a financial institution without prior notice to the Commission.

§ 6.2-704. Acquisition of interests in financial institutions and financial institution holding companies; application; notice; Commission approval required.

A. Except as provided in this chapter, no person shall acquire or make any public offer to acquire, directly or indirectly, control of a Virginia financial institution or a Virginia financial institution holding company, and no Virginia financial institution holding company shall acquire more than five percent of the voting shares of any Virginia financial institution or of any other Virginia financial institution holding company, unless it first shall:

1. File with the Commission an application in such form as the Commission may prescribe from time to time;

2. Deliver to the Commission such other information as the Commission may require with such certification of financial information and such verification by oath or affirmation of other data as the Commission may deem appropriate;

3. Pay such application fee as the Commission may prescribe from time to time; and

4. Except in the case of an entity that is a domestic corporation or a foreign corporation qualified to do business in the Commonwealth, deliver to the Commission a written consent to service of process in any action or suit arising out of or in connection with said proposed acquisition through service of process on the Secretary of the Commonwealth.

B. Upon receipt of an application, the Commission shall notify the affected Virginia financial institution or Virginia financial institution holding company, and shall solicit the views of the affected Virginia financial institution or Virginia financial institution holding company. The application and all other information required by the Commission under this section, except such additional information as the Commission determines should be kept confidential, shall be held as part of the public records and made available to the public.

C. An out-of-state bank holding company may acquire a Virginia bank holding company or a Virginia bank if: (i) the out-of-state bank holding company complies with the application requirements of subsection A and (ii) the Commission does not disapprove the application, after the investigation prescribed by § 6.2-705.

§ 6.2-705. Investigation of application.

A. For 60 days following receipt of a complete application with the required information, fee, and consent as provided in subsection A of § 6.2-704, the Commission may conduct an investigation for the purpose of determining whether:

1. The proposed acquisition would be detrimental to the safety and soundness of the applicant or of the Virginia financial institution or Virginia financial institution holding company that the applicant seeks to control or the stock of which is to be acquired;

2. The applicant, its directors and officers, if applicable, and any proposed new directors and officers of the Virginia financial institution or Virginia financial institution holding company that the applicant seeks to control or the stock of which is to be acquired, are qualified by character, experience, and financial responsibility to control and operate a Virginia financial institution;

3. The proposed acquisition would be prejudicial to the interests of the depositors, creditors, beneficiaries of fiduciary accounts, or shareholders of the applicant or of the Virginia financial institution holding company or any Virginia financial institution that the applicant seeks to control or the stock of which is to be acquired; and

4. The acquisition is in the public interest.

B. The 60-day investigation period may be:

1. Shortened or waived by the Commission, as it deems appropriate, if the Commission finds that it must act immediately in order to prevent the probable failure of a Virginia financial institution involved; or

2. Extended only if the Commission determines that the applicant has not furnished all the information required by subsection A of § 6.2-704 or that the information submitted is substantially inaccurate or misleading.

C. Within the prescribed investigation period, and upon request of the applicant or the Virginia financial institution or Virginia financial institution holding company that the applicant seeks to control or the stock of which is to be acquired, the Commission may order a hearing concerning the proposed acquisition.

D. Within the prescribed investigation period, the Commission, by giving written notice of its decision and the reasons therefor to the applicant and to the Virginia financial institution or Virginia financial institution holding company that the applicant seeks to control or the stock of which is to be acquired, may (i) disapprove the application or (ii) impose such conditions on the acquisition as the Commission may deem advisable to effectuate the purposes of this chapter.

E. If the Commission (i) takes no action within the prescribed investigation period or (ii) issues notice within the prescribed investigation period of its intent not to disapprove the application, the acquisition may be completed by the applicant.

F. Any party in interest aggrieved by any decision of the Commission, as a matter of right, may appeal to the Supreme Court of Virginia in the manner provided by law.

G. The provisions of this section shall not apply:

1. To mergers or acquisitions of assets authorized by the Commission pursuant to the provisions of § 6.2-914;

2. If the acquisition or merger is arranged by the Commission or other supervisory authority in order to prevent the insolvency or closing of the institution; or

3. If a financial institution itself forms a corporation for the purpose of acquiring and holding the stock of such financial institution and it is proposed that the shareholders of the financial institution will become the shareholders of the financial institution holding company being organized. This exclusion shall apply regardless of the fact that some shareholders of the financial institution may dissent from the proposal.

§ 6.2-706. Cooperative agreements with other regulatory authorities.

Prior to approving the acquisition of any Virginia bank or Virginia bank holding company by any out-of-state bank holding company, or the acquisition of any out-of-state bank or out-of-state bank holding company by any Virginia bank holding company, the Commission shall enter into cooperative agreements with the appropriate regulatory authorities for the periodic examination of any out-of-state bank holding company that has a Virginia bank subsidiary, or any subsidiary of such holding company. The Commission may accept reports of examination and other records from such authorities in lieu of conducting its own examinations.

§ 6.2-707. Reports and examinations.

The Commission may require any financial institution holding company that controls a Virginia financial institution to furnish such reports as it deems appropriate to the proper supervision of such holding companies. Unless the Commission determines otherwise, reports prepared for federal authorities may be submitted by such holding company in satisfaction of the requirements of this section. If, in the judgment of the Commission, such information and reports are inadequate for the Commission's intended purposes, the Commission may examine any such financial institution holding company and any subsidiary doing business in the Commonwealth.

§ 6.2-708. Unsafe or unsound practices; cease and desist orders.

Upon finding that any activity of a financial institution holding company, including the control of an entity other than a Virginia financial institution, is or may be detrimental to the safety or soundness of a financial institution that is subject to regulation under the laws of the Commonwealth, the Commission, after reasonable notice to the financial institution holding company and an opportunity for it to be heard, shall have authority to order it to cease and desist from such activity.

§ 6.2-709. Conformity with federal forms.

To the maximum extent consistent with the effective discharge of the Commission's responsibilities, the forms prescribed by the Commission under this chapter for registration, reports, or any other forms shall conform with those established by regulation adopted pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. § 1841 et seq.) or Section 10 of the Home Owners' Loan Act (12 U.S.C. § 1467a et seq.).

§ 6.2-710. Regulations excluding financial institution holding companies from this chapter.

The Commission may adopt regulations excluding financial institution holding companies from the provisions of this chapter, under conditions comparable to those provided in either the Bank Holding Company Act of 1956 (12 U.S.C. § 1841 et seq.) or Section 10 of the Home Owners' Loan Act (12 U.S.C. § 1467a et seq.), when control of a Virginia financial institution arises (i) out of the acquisition of shares in a fiduciary capacity, (ii) in connection with an underwriting of securities or proxy solicitation, or (iii) in connection with securing or collecting a debt.

§ 6.2-711. Civil penalties; injunction.

A. To the extent provided for therein, the Commission may impose a civil penalty of not less than \$100 but not exceeding \$1,000 per day for each day of noncompliance upon financial institution holding companies subject to the laws of the Commonwealth that fail to comply with any of the provisions of § 6.2-707 for a period of longer than 30 days, after being called upon by the Commission for a statement, or to do such other act as is therein provided. The Commission may impose a civil penalty of not less than \$25 but not exceeding \$100 per day for each day of noncompliance upon any officer of any such financial institution holding company, who shall refuse to give any examiner the information or refuse to be sworn, as required by this title.

B. The Commission (i) may impose a civil penalty not exceeding \$10,000 against any financial institution holding company subject to the laws of the Commonwealth or against any of its directors, officers, or employees for violating any lawful order of the Commission and (ii) may remove from office any director or officer who a second time violates any such order. In all cases the defendant shall have an opportunity to be heard and to introduce evidence, and the right to appeal as provided by law.

C. Any person violating any provision of this chapter or any regulation adopted thereunder shall be subject to injunction by the Commission or by an appropriate court on motion of any party in interest. In addition, the Commission may impose a civil penalty of not more than \$1,000 per day for each day the violation continues upon any person violating any provision of this chapter or any regulation adopted thereunder.

§ 6.2-712. A savings institution holding company seeking to acquire a bank or bank holding company deemed a bank holding company.

For purposes of this chapter, any savings institution holding company seeking to acquire a bank or bank holding company, shall be deemed to be a bank holding company, for purposes of determining whether such savings institution holding company is permitted to acquire the bank or bank holding company in question.

§ 6.2-713. Applicable laws and regulations.

A. Any Virginia bank that is controlled by a bank holding company that is not a Virginia bank holding company shall be subject to all laws of the Commonwealth and all regulations under such laws that are applicable to Virginia banks controlled by Virginia bank holding companies.

B. The Commission shall adopt such regulations, including the imposition of reasonable application and administration fees, as it finds necessary to implement and effect the provisions of this chapter.

§ 6.2-714. Examinations of out-of-state bank holding companies and subsidiaries; reports; joint actions.

A. The Commission shall have the authority to examine any out-of-state bank holding company owning a Virginia bank and each of its Virginia or non-Virginia bank or nonbank subsidiaries.

B. The Commission shall require reports of each out-of-state bank holding company subject to this chapter. Such reports shall be filed under oath with such frequency and in such scope and detail as may be appropriate for the purpose of assuring continuing compliance with the provisions of this chapter.

C. The Commission may enter into joint actions with other regulatory authorities having concurrent jurisdiction over any out-of-state bank holding company that has a Virginia bank subsidiary or may take such actions independently to carry out its responsibilities under this chapter, assure the safety and soundness of any Virginia banks, and assure compliance with the provisions of this chapter and the applicable banking laws of the Commonwealth.

§ 6.2-715. Notice of intent to acquire out-of-state bank.

A Virginia bank holding company or an out-of-state bank holding company that controls a Virginia bank shall file with the Commission (i) notice of its intention to acquire a bank outside Virginia and (ii) such information as the Commission shall request. The Commission shall within 30 days, or an extended period not exceeding 15 days, disapprove such acquisition if it determines that the acquisition could affect detrimentally the safety or soundness of a Virginia bank. It shall approve such acquisition within 45 days if it determines that the acquisition will not affect detrimentally the safety or soundness of such Virginia bank.

§ 6.2-802. Effect of chapter on certain banks.

B. No provision of this chapter other than § 6.2-803 shall apply to any bank chartered prior to June 15, 1910, under the laws of the Commonwealth but having no place of business within the Commonwealth and conducting its entire business outside of the Commonwealth.

§ 6.2-803. Entities authorized to engage in banking business.

A. No person, except (i) corporations duly chartered and already conducting banking business in the Commonwealth under authority of the laws of the Commonwealth or the United States, (ii) corporations that shall hereafter be incorporated under, and authorized to conduct banking business in the Commonwealth under authority of, the laws of the Commonwealth, (iii) corporations that shall hereafter be authorized to do business in the Commonwealth under the banking laws of the United States, and (iv) banks authorized, after July 1, 1995, to establish and operate one or more branches in the Commonwealth under Article 6 (§ 6.2-836 et seq.) or Article 7 (§ 6.2-849 et seq.) of this chapter, shall engage in the banking business in the Commonwealth. C. Nothing in this section shall be construed:

2. To prevent a real estate broker as defined in § 54.1-2100 from owning or operating a bank provided that the requirements of this chapter are met.

§ 6.2-804. Amendment of powers of state banks by regulation of the Commission.

A. In addition to the powers specifically granted to banks by the provisions of this chapter, the Commission may by regulation amend the powers of state banks so as to allow such state banks to engage in any activity in which a bank subject to the jurisdiction of the federal government may be authorized by federal legislation or regulation to engage.

B. The Commission, by regulation, may specify the activities that are permitted to be conducted at a location that is not authorized as a branch under § 6.2-831, in order to allow a state bank to engage in any activity in which a bank subject to the jurisdiction of the federal government may engage at a location other than a branch.

*C. Regulations authorized by this section shall be adopted as provided in the Commission's Rules.*

*§ 6.2-805. Commission authorized to confer on state banks power to make charges comparable to those permitted to national banking associations.*

*In addition to the permissible interest rates and charges that banks specifically, and lenders generally, are granted the power to charge by this title, the Commission may, by order, from time to time confer upon state banks the power to take, receive, reserve, and charge on any loan or discount made, at a rate of one per centum in excess of the discount rate on 90-day commercial paper in effect at the Federal Reserve Bank for the fifth Federal Reserve District. The Commission may thereby confer upon state banks the power to make charges that are comparable to those permitted under any federal statute or regulation to any national banking association.*

*§ 6.2-806. Saturday closing of banks.*

*Any bank, including national banking associations and federal reserve banks, may permit any one or more or all of its offices to remain closed on any one or more or all Saturdays, as the bank, by resolution of its board of directors, may from time to time determine. Any Saturday on which an office of a bank remains closed, as herein permitted, shall constitute a legal holiday as to such office. Any act authorized, required or permitted to be performed at, by or with respect to any such office on a Saturday on which the office is so closed may be performed on the next succeeding business day. No liability or loss of rights of any kind shall result from such delay.*

*A. As used in this section, "compliance review committee" means a committee appointed by the board of directors of a bank for the purpose of evaluating and improving the bank's compliance with federal and state laws and adherence to its own established ethical and financial standards, and includes any other person when that person acts in an investigatory capacity at the direction of a compliance review committee.*

*B. Any records, reports, or other documents created by a compliance review committee are confidential and shall not be discoverable or admissible in evidence in any civil action unless, upon motion, the trial court determines in its discretion that there has been an abuse of the provisions of this section.*

*C. Any records, reports, or other documents produced by a compliance review committee and delivered to a federal or state governmental agency remain confidential and shall not be discoverable or admissible in evidence in any civil action, except to the extent that applicable law provides that such records, reports or other documents are not protected from disclosure.*

*D. In no event shall the existence of or any action by a compliance review committee serve as a basis or justification for delay of, or limit upon, the discovery process set forth in state or federal rules.*

*E. The work product created by any person acting in an investigatory capacity at the direction of a compliance review committee prior to his participation in the work of the compliance review committee or at the direction of the compliance review committee shall be subject to the rules governing discovery in accordance with the Rules of the Virginia Supreme Court.*

*F. This section shall not be construed to limit the discovery or admissibility:*

*1. In any civil action of any records, reports or other documents that are not created by a compliance review committee; or*

*2. Of any factual information which may be reviewed by a compliance review committee.*

#### *Article 2.*

§ 6.2-810. Effect of chapter on charter powers.

The powers, privileges, duties and restrictions conferred and imposed upon any bank existing and doing business under the laws of the Commonwealth are abridged, enlarged or modified, as each particular case may require, to conform to the provisions of this chapter.

§ 6.2-811. Membership in Federal Reserve Bank System or Federal Home Loan Bank System.

Any bank that has been or is hereafter incorporated under the laws of the Commonwealth, at its election, may become a member bank of the Federal Reserve Bank System, subject to the provisions of the Federal Reserve Act (P.L. 63-43, 38 Stat. 251) as it may be amended to permit a bank to become a member, or the Federal Home Loan Bank System, subject to the provisions of the Federal Home Loan Bank Act (P.L. 72-304, 47 Stat. 785) as it may be amended to permit a bank to become a member, or both. Upon becoming a member of either system, the bank shall be vested with all powers conferred upon state member banks of such systems by the terms of such acts. The powers shall be exercised subject to all restrictions and limitations imposed by the Federal Reserve Act or the Federal Home Loan Bank Act, or by regulations of the Federal Reserve Board or the Federal Housing Finance Board, respectively, adopted pursuant to such acts. The right is expressly reserved to revoke or amend the powers conferred pursuant to this section. The Commission may disclose to the Federal Reserve Board, or to examiners duly appointed by it, all information in reference to the affairs of any bank which has become, or desires to become a member of the system.

§ 6.2-812. Inspection of records, reports, and information of insured banks.

A. As used in this section, "insured bank" has the meaning assigned to it in § 12-B of the Federal Reserve Act (12 U.S.C. § 1813(h)), as amended.

B. All records, reports, reports of examinations, and information relating to insured banks shall be open to the inspection of, and made available to, the officers and duly accredited agents of the Federal Deposit Insurance Corporation so long as like records, reports, and information in the possession or under the control of the Federal Deposit Insurance Corporation are, by federal statute, made available and subject to inspection by the Commission.

§ 6.2-813. Participation by banks in school thrift or savings plans.

A bank may contract with the principal of any elementary or secondary school, if authorized to do so by the school board in any locality where the bank has a location, for the bank to participate in a school thrift or savings plan. A participating bank may accept deposits at the school either by its own collector or by any representative of the school who becomes the agent of the bank for such purpose.

§ 6.2-814. Powers of banks.

A. Every bank shall have power to exercise, by its board of directors or duly authorized officers or agents, subject to law, all incidental powers that are necessary to carry on the business of banking, by:

1. Discounting and negotiating bills of exchange, promissory notes, drafts, and other evidences of debt;
2. Receiving deposits;
3. Buying and selling exchange, coin, and bullion;
4. Lending money on real property, personal property, security, or collateral;

13. Establishing an international banking facility, either as a division of the bank or as a separate corporate entity under § 6.2-885; and
14. Utilizing armored vehicles or other vehicles to provide adequate protection for the funds

transported for receipt of deposits of its customers or to deliver currency and coin.

B. In addition to the permissible business authorized by subsection A, the Commission may, upon the Commission's finding that an emergency exists, confer by order upon banks such temporary powers as the Commission may determine to be in the public interest. Such powers as are conferred may be (i) authorized for a limited period of time, (ii) granted selectively to fewer than all banks, and (iii) revoked by further order of the Commission.

§ 6.2-815. Suspension of business during emergency.

Every bank doing business in the Commonwealth is authorized temporarily to suspend its usual business during a period of actual or threatened enemy attack, civil insurrection or riot, affecting the community in which such institution is doing business or other emergency justifying temporary closing such as fire, flood, or hurricane.

§ 6.2-816. Banks to obtain certificate of authority.

Before any bank shall begin business it shall obtain from the Commission a certificate of authority authorizing it to do so. Prior to the issuance of such certificate, the Commission shall ascertain:

1. That all of the provisions of law have been complied with;
2. That financially responsible individuals have subscribed for capital stock and surplus in an amount deemed by the Commission to be sufficient to warrant successful operation. The amount of capital stock shall not be less than \$2 million, except that the capital stock shall not be less than \$500,000 for any trust company incorporated for the sole purpose of exercising fiduciary powers authorized by the provisions of Article 3 (§ 6.2-819 et seq.) of this chapter. The minimum capital stock requirement under this subdivision (i) shall apply when a bank is being organized to begin business and (ii) shall not apply when this section is referred to or used in connection with the conversion of an operating savings institution or national bank to a state bank or the reorganization of an operating bank under a holding company;
3. That oaths of all the directors have been taken and filed in accordance with the provisions of § 6.2-863;
4. That, in its opinion, the public interest will be served by banking facilities or additional banking facilities, as the case may be, in the community where the bank is proposed. The addition of such facilities shall be deemed in the public interest if, based on all relevant evidence and information, advantages such as, but not limited to, increased competition, additional convenience, or gains in efficiency outweigh possible adverse effects such as, but not limited to, diminished or unfair competition, undue concentration of resources, conflicts of interests, or unsafe or unsound practices;
5. That the corporation is formed for no other reason than a legitimate banking business;
6. That the moral fitness, financial responsibility, and business qualifications of individuals named as officers and directors of the proposed bank are sufficient to command the confidence of the community where the bank is proposed;
7. That the bank's deposits are to be insured by a federal agency up to the limits of the insurance provided thereby; and
8. Anything else deemed pertinent.

§ 6.2-817. Capital stock subscriptions.

A. Subscriptions to the capital stock of a bank shall be paid in money at not less than par. No bank shall begin business until the amounts specified in its certificate of authority to commence business have been received by the bank.

B. All money received for subscriptions to or for purchases of stock of a bank before it opens for business shall be deposited in an escrow account in an insured financial institution or invested in United States government obligations, under the joint control of two organizing directors of the bank, both of whom shall be bonded for an amount equal to the total amount of the money to be collected. Such funds, together with any income thereon, shall be remitted to the bank on the day it opens for business. If the bank is denied a certificate of authority or is refused insurance of accounts, or it otherwise is determined that the bank will not open for business, such funds, after payment of any amount owing for expenses in connection with such attempted organization, including reasonable consulting fees, attorney fees, salaries, filing fees, and other expenses, shall be refunded to subscribers or shareholders.

C. The requirement that capital stock be paid in money shall not be construed to prohibit the establishment, as otherwise authorized by law, of stock option plans and stock purchase plans, and the issuance of stock pursuant to such plans. Such plans shall be established only after the bank has opened for business, and shall be approved by a majority vote of the bank's shareholders. In no event shall any stock option be granted at a price which is less than 100 percent of the book value per share of the stock as shown by the bank's last published statement prior to the granting of the option.

§ 6.2-818. Commissions or other compensation for sale of stock not permitted.

The Commission shall not issue a certificate of authority to any bank to commence business if commissions, fees, brokerage, or other compensation, have been paid or contracted to be paid by the bank, or by anyone in its behalf, either directly or indirectly, to any person for the sale of stock in the bank.

Article 3.

*Conduct of Trust Business by Banks.*

§ 6.2-819. *Authority to engage in trust business; permission of Commission required.*

A. A bank shall not engage in the trust business unless its articles of incorporation state that one of its purposes is to engage in the trust business.

B. A bank shall not commence to engage in the trust business without first obtaining permission from the Commission. The Commission shall not grant such permission unless it finds that:

1. The bank's capital structure is sufficiently strong to support such additional undertaking;
2. The personnel who will direct the proposed trust department have adequate experience and training, and will devote sufficient time to its affairs to insure compliance with the law and to protect the bank against surcharge; and

3. The granting of trust powers to the bank will be in the public interest.

C. Notwithstanding the provisions of subsection B, any bank actively engaged in the trust business on January 1, 1966, may continue in the trust business without the Commission's permission.

D. A bank authorized to do a trust business shall conduct such business in accordance with the applicable provisions of Chapter 10 (§ 6.2-1000 et seq.).

§ 6.2-820. *Powers of national banks as fiduciaries.*

All national banks that have been, or hereafter may be, permitted by law to act as trustee and in other fiduciary capacities, shall have the rights, powers, privileges, and immunities conferred upon trust companies by Chapter 10 (§ 6.2-1000 et seq.).

§ 6.2-821. *Separation of banking and trust functions; establishment of trust department.*

Every state bank that obtains permission from the Commission to engage in trust business shall establish a separate trust department. Such department shall be established before such institution undertakes to act in any fiduciary capacity and shall be placed under the management of an officer or officers whose duties shall be prescribed by the board of directors of the institution or by either an amendment to the bylaws of the institution or by a resolution duly entered in the minutes of the board of directors.

Article 4.

*Bank Mergers and Conversions.*

§ 6.2-822. *Merger and share exchange by state banks.*

A. Virginia banks as defined in § 6.2-849 may merge upon compliance with the provisions of Article 12 (§ 13.1-715.1 et seq.) of the Virginia Stock Corporation Act. The provisions of:

1. Section 13.1-716 that relate to a merger with a foreign corporation as foreign eligible entity shall not apply, except that the provisions of § 13.1-716 relating to merger shall apply to the merger of a state and a national bank if the national bank is engaged in business in Virginia, and if the state bank is to be the surviving bank; and

2. Section 13.1-730 shall not apply to a merger under this section.

B. A national bank shall be treated as if it were a foreign corporation and as if the United States were the state where it is organized. A bank may enter into a share exchange, as permitted by § 13.1-717, provided there is also compliance with Chapter 7 (§ 6.2-700 et seq.). The exclusion in subdivision G 3 of § 6.2-705 shall not apply in the case of such an exchange of shares.

C. In the event of a merger authorized by subsection A or B, the merged corporation, whether it be one of merging banks, or a new bank formed by means of such merger, shall without further act or deed succeed to, and be vested with all offices, rights, obligations and relations of trust or of a fiduciary nature, including appointments, designations and nominations, existing immediately prior to the time at which such merger became effective, or then belonging or pertaining to any one or more of the banks, parties to such merger, or which would then inure to any one or more of such banks.

D. No state bank resulting from any merger shall do business in the Commonwealth until it shall have obtained from the Commission a certificate of authority authorizing it to do so. The provisions of § 6.2-816 shall apply to the issuance, or refusal of the Commission to issue, the certificate herein provided for, to the same extent as if the merged bank were a new bank.

E. In the case of a merger heretofore or hereafter effected, the surviving or new bank shall be deemed to have been in actual operation for the period during which the oldest of the banks involved in the merger has been in actual operation.

§ 6.2-823. *Conversion of national banking association to state bank; certificate of authority.*

A. A national banking association, organized under the laws of the United States and doing business in the Commonwealth, may be converted into and become a state bank by the following procedure:

1. The directors of the national banking association shall cause to be incorporated under the laws of the Commonwealth a corporation authorized by its certificate of incorporation to conduct the business of banking as the successor of the national banking association. With regard to such incorporation:

a. The certificate of incorporation of the corporation shall conform as nearly as may be legally permissible to that of the national banking association;

b. The principal office of the corporation shall be in the county or city wherein the national banking association has its principal office; and

c. The amount of the capital stock of the corporation, its division into shares, the par value of shares, their classification and preferences, if any, shall conform to those of the national banking association, and the minimum capital of the state bank shall comply with that required for a bank under § 6.2-816.

2. The national banking association shall effect its conversion to a state bank in accordance with the procedure prescribed by Subchapter XV of Chapter 2 of Title 12 of the United States Code (12 U.S.C. § 214 et seq.), as it now exists or as it may hereafter be amended.

3. Upon completion of the procedures required by subdivision 2, the president of the national banking association and the official having custody of its records shall execute, under the seal of the association, a certificate showing in detail the procedures followed, the number of shares of each class of stock of the national banking association issued and outstanding, and the vote of each class of stockholders in favor of the plan of conversion. The national banking association shall then file the certificate with the Commission.

B. The Commission shall examine the certificate filed pursuant to subdivision A 3. If from such examination it appears that the procedure required by subdivision A 2 has been followed and that the conversion has been approved by the stockholders of the national banking association in the manner and by the percentage vote required by federal law, the Commission may issue to the newly incorporated state bank a certificate of authority to do business as a bank, in accordance with the provisions of § 6.2-816. Upon the issue of such certificate, the conversion of the national banking association into a state bank shall become effective and be automatically completed.

§ 6.2-824. Status of converted bank.

Upon the conversion of a national banking association to a state bank as provided in § 6.2-823, the state bank shall be considered to be the same business and corporate entity as the former national banking association, except that the state bank shall have the rights, powers, and duties as prescribed by state law. Any reference to the former national banking association in any contract, will, or document shall be deemed to be a reference to the state bank if not inconsistent with the provisions of the contract, will, or document or with applicable law.

§ 6.2-825. State bank becoming national bank; notice required; effect on liabilities.

A. Any bank incorporated under the laws of the Commonwealth may, upon compliance with federal law, be converted into a national banking association.

B. When any state bank becomes a corporation for carrying on the business of banking under federal law, it shall notify the Commission of such fact and file with the Commission a copy of its authorization as a national banking association certified by the Comptroller of the Currency. Such bank shall thereupon cease to be a corporation under the laws of the Commonwealth, except that, for a period not exceeding three years thereafter, its corporate existence shall be deemed to continue for the purposes of (i) prosecuting or defending suits by or against it and (ii) enabling it to settle and close its affairs, to dispose of and convey its property, and to divide its capital, but not for the purpose of continuing the business for which such bank was established.

C. A conversion from a state to a national bank shall not release the state bank from its obligations to pay and discharge (i) all the liabilities created by law or incurred by it before becoming a national banking association, (ii) any tax imposed by the laws of the Commonwealth up to the date of its becoming such national banking association in proportion to the time which has elapsed since the next preceding payment therefor, or (iii) any assessment, penalty, or forfeiture imposed or incurred under the laws of the Commonwealth up to the date it became a national banking association.

§ 6.2-826. Effect of conversion of state bank to national bank.

A. When a conversion of a state bank into a national banking association under the authority granted by § 6.2-825 becomes effective, all the property of the former state bank, including all its right, title, and interest in and to all property of every kind, whether real, personal, or mixed, and things in action, and every right, privilege, interest, and asset of any conceivable value or benefit then existing, belonging, or pertaining to it, or which would inure to it, shall immediately, by act of law and without any conveyance or transfer, and without any further act or deed, be vested in and become the property of such national bank. The national bank shall have, hold, and enjoy the same in its own right as fully and to the same extent as if the same were possessed, held, or enjoyed by the state bank. The national bank shall be deemed to be a continuation of the entity and identity of the state banking corporation that is operated under and pursuant to federal law.

B. All the rights, obligations, and relations of the converted state bank to or in respect to (i) any person, estate, creditor, depositor, trustee, or beneficiary of any trust and (ii) any executorship or trusteeship or other trust or fiduciary function, including appointments, designations, and nominations, shall remain unimpaired. The national bank, as of the beginning of its corporate existence, shall, by operation of this section, succeed to all such rights, obligations, relations, and trusts, including appointments, designations, and nominations, and the duties and liabilities connected therewith. The national bank shall execute and perform each and every such trust and relation in the same manner as if such national bank had itself assumed the trust or relation, including the obligations and liabilities connected therewith.

*C. If the state banking corporation is acting as administrator, coadministrator, executor, coexecutor, trustee, or cotrustee of, or in respect to, any estate or trust being administered under the laws of the Commonwealth, such relation, as well as any other or similar fiduciary relation, and all rights, privileges, duties, and obligations connected therewith, shall remain unimpaired and shall continue in such national bank from and as of the beginning of its corporate existence, irrespective of (i) the date when any such relation may have been created or established, (ii) the date of any trust agreement relating thereto, or (iii) the date of the death of any testator or decedent whose estate is being so administered.*

*D. Nothing done in connection with a conversion from a state to a national bank, in respect to any such executorship, trusteeship, or similar fiduciary relation, shall (i) be deemed to be or to effect, under the laws of the Commonwealth, a renunciation or revocation of any letters of administration or letters testamentary pertaining to such relation or a removal or resignation from any such executorship or trusteeship or (ii) be deemed to be of the same effect as if the executor or trustee had died or otherwise become incompetent to act. Nothing in this section shall in any way affect any provisions of law if a national bank becomes a state bank.*

*§ 6.2-827. Rights of national bank stockholders dissenting from conversion.*

*D. Any director or officer removed and restrained under the provisions of subsection B from participating in any manner in the management of any bank of which he is a director or officer, and who thereafter participates in any manner in the management of such bank except as a stockholder*

therein, is guilty of a Class 6 felony.

*§ 6.2-866. Meetings of board of directors.*

The board of directors of every bank shall hold meetings at least once in each calendar month. At each meeting of the board, a majority of the whole board shall be necessary for the lawful transaction of business. Notwithstanding the foregoing, (i) the shareholders, by bylaw, may fix any number not less than five as a quorum and (ii) the Commission may allow less frequent meetings, but not less often than quarterly.

*§ 6.2-867. Discount by officer, director, or employee of paper refused by bank.*

No officer, director, or employee of a bank may purchase or discount any note or paper at a rate of interest in excess of what such bank might charge knowing that such bank has refused to purchase or discount such paper.

*§ 6.2-868. Bonds required of officers and employees; blanket bond.*

A. The board of directors of every bank shall require bonds from all of the active officials and employees of such corporation. In lieu of such bonds, the board may obtain one or more blanket bonds. A bank holding company may obtain a blanket bond covering all affiliate banks within the holding company. The surety on every bond shall be a bonding or surety company authorized to transact business in the Commonwealth. The penalty of any such bond shall be increased whenever in the opinion of the Commission it is necessary for the protection of the public interest.

B. If a bank is unable to obtain the bond required by this section, it shall immediately notify the Commission, which may then direct the bank to have an audit performed at its expense by an independent certified public accounting firm. The bank shall obtain blanket bond coverage as soon as such coverage is available. Failure to obtain blanket bond coverage may be cause for action by the Commission as provided by § 6.2-906.

*§ 6.2-869. Dividends; surplus; undivided profits.*

A. The board of directors of any bank may declare a dividend of so much as the board shall judge expedient of the net undivided profits of the bank, after providing for all expenses, losses, interest and taxes accrued, or due by such bank. Before any such dividend is declared, any deficit in capital funds originally paid in shall have been restored by earnings to their initial level, and no dividend shall be declared or paid by any bank which would impair the paid-in capital of the bank.

B. To ascertain the net undivided profits before any dividend shall be declared, all debts due to such bank on which interest is past due and unpaid for a period of 12 months, unless the same are well secured and in process of collection by law, shall be deducted from the undivided profits in addition to all expenses, losses, interest and taxes accrued, and the balance shall be deemed to be the net undivided profits.

C. Notwithstanding the foregoing provisions of this section, the Commission may limit or approve the payment of dividends by the board of directors of any bank when the Commission determines that such limitation or approval is warranted by the financial condition of the bank.

*Article 9.*

*Investments and Loans.*

*§ 6.2-870. Limitation of amount invested in bank premises.*

A. No bank, without the approval of the Commission, shall invest in its bank building and premises, property held for future accommodation, or in stock or other obligations of any corporation holding title to premises of the bank, if the aggregate of such investments and loans, together with the amount of any indebtedness of such corporation, 50 percent or more of the stock of which is owned by the bank, will exceed the greater of (i) 50 percent of the capital stock, surplus, and undivided profits of the bank or (ii) 100 percent of the capital stock of the bank. If, subsequent to any investment or loan, the surplus or undivided profits of any such bank are diminished by losses so that the investments or loans amount to more than the greater of (a) 50 percent of its paid-in capital stock and its remaining surplus and undivided profits or (b) 100 percent of the capital stock, the bank shall not pay dividends without the permission of the Commission until such investments or loans are equal to or less than the greater of 50 percent of the capital stock, surplus, and undivided profits, or 100 percent of the capital stock of the bank.

B. In computing the bank's investment in depreciable property, the initial price or cost may be reduced by reasonable depreciation.

C. The Commission shall not in any event approve investments and loans in excess of the foregoing if the aggregate amount thereof would exceed 60 percent of the bank's capital stock, surplus, and undivided profits. The Commission in approving such excess investments may impose, as a condition of such approval, restrictions upon dividends or other restrictions upon the bank. The restrictions shall expire automatically when the investment of the bank in building premises shall no longer exceed the greater of (i) 50 percent of the capital stock, surplus, and undivided profits of the bank or (ii) 100 percent of the capital stock.

*§ 6.2-871. Investment in stock or securities of bank service corporations.*

A. As used in this section, "bank service corporation" means a corporation engaged primarily in rendering services, other than the renting of the bank premises or the furnishing of furniture or fixtures,

to two or more banks.

B. A bank may acquire, own, and hold the stock and other securities or obligations of a bank service corporation in an amount not to exceed 10 percent of the bank's capital stock and permanent surplus. A bank may not invest in any bank service corporation unless it uses or intends to use the services of the bank service corporation. A bank may not invest in more than one bank service corporation without the consent of the Commission.

C. Stock in a Federal Reserve Bank shall not be considered stock of a bank service corporation within the meaning of this section.

§ 6.2-872. For what purpose banks may purchase, hold, and convey real estate.

A. In addition to the authority provided in § 6.2-873, every bank incorporated under the laws of the Commonwealth may purchase, hold, and convey the following real estate for the purposes stated and for no other:

1. Real estate that is desirable and prudent for its present or future accommodation in the transaction of its business;

2. Real estate that is mortgaged or otherwise encumbered to it in good faith by way of security for debts contracted;

3. Real estate that is conveyed to it in satisfaction of debts previously contracted in the course of its dealings; and

4. Real estate it purchased at sales under judgments, decrees, mortgages, or deeds of trust held by it, in whole or in part, or purchased to secure debts due to it. No bank shall possess any real estate that is encumbered by a mortgage or other encumbrance, or hold the title to and possess any real estate conveyed to it in satisfaction of debt or purchased by it for the protection of obligations secured thereby, for a longer period than 10 years without the written approval of the Commission. If within such 10-year period, a bank shall have reduced upon its books the asset value of such mortgage, deed of trust, or real estate to the nominal sum of one dollar, it may thereafter continue to hold and own the same indefinitely without the approval of the Commission.

B. Nothing in this section shall affect the validity of the title to any such real estate conveyed or transferred by a bank.

§ 6.2-873. Additional permissible investments in real estate.

A. In addition to the ownership of real estate permitted in § 6.2-872, a bank may invest:

1. In real estate (i) for the purpose of producing income or for inventory and sale or (ii) for improvement, including the erection of buildings thereon, for sale or rental purposes. The bank may hold, sell, lease, operate, or otherwise exercise the rights of an owner of any such property; and

2. In the stock or other securities or obligations of a controlled subsidiary corporation under § 6.2-885 or 6.2-886 formed or utilized for the purposes in subdivision 1.

B. Unless specifically authorized by the Commissioner:

1. A bank shall not invest more than five percent in the aggregate of its assets in the investments authorized in subdivisions A 1 and A 2.

2. A bank shall not invest and lend in any one project an amount in excess of the loan limit to one borrower as provided in § 6.2-875.

§ 6.2-874. Prohibited uses of bank's own stock; other investments or loans.

A. No bank shall:

1. Acquire or own its own stock except to protect itself against loss from debts previously contracted, in which case the stock shall be disposed of within 12 months after it is acquired, and except as herein permitted;

2. Make loans collaterally secured by the stock of the bank, except that this section shall not affect the validity of any such security agreement between the bank and its borrower; or

3. Invest any of its funds in:

a. Shares of stock of any other corporation;

b. Any security of a limited liability company; or

c. Any notes or other obligations that are secured by real estate on which the bank is prohibited by § 6.2-878 from making any loans secured thereby.

B. The prohibitions in subsection A shall not prevent any bank from:

1. Acquiring any such stock, notes, or other obligations to protect itself or any fund in its custody or possession against loss from debts theretofore contracted;

2. Acquiring, owning, and holding stock of a building corporation or security of a limited liability company of the character and to the amount provided by § 6.2-870;

3. Acquiring, owning, and holding stock of an agricultural credit corporation organized under the laws of the Commonwealth, provided that the total amount of such stock shall not exceed 20 percent of the amount of the capital stock of the bank actually paid in and unimpaired, plus the amount of its unimpaired surplus fund;

4. Acquiring, owning, and holding stock of the Federal National Mortgage Association, the Government National Mortgage Association, or the Federal Home Loan Mortgage Corporation;

5. Acquiring, holding, and owning stock in any corporations or securities of limited liability

companies which have as their purpose the operation of parking lots or parking garages, provided that no bank shall own, at any one time, stock in such corporations exceeding two percent of the amount of the capital stock of such bank actually paid in and unimpaired, plus the amount of its unimpaired surplus fund;

6. Acquiring, owning, and holding stock of a small business investment company as defined by the Federal Small Business Investment Act of 1958;

7. Acquiring, owning, and holding stock of an industrial development company organized under the provisions of the Virginia Industrial Development Corporation Act (§ 13.1-981 et seq.);

8. Acquiring, owning, and holding stock of a bank service corporation or security of a controlled subsidiary corporation, subject to § 6.2-871 or 6.2-885, or from investing in a limited liability company, provided such investment conforms to § 6.2-871 or 6.2-885;

9. Acquiring, owning, and holding stock of the Student Loan Marketing Association, a corporation organized under the Higher Education Act of 1965, as amended;

10. Acquiring, owning, and holding stock of a "clearing corporation" as defined in § 8.8A-102;

11. Acquiring, owning, and holding stock of a trust subsidiary as defined in § 6.2-1000;

12. Investing up to four percent of its capital and surplus, including undivided profits, in shares of any bankers' bank organized under § 6.2-809 or in any bank holding company wherein the ownership of shares in such bank holding company is restricted to (i) financial institutions which have or are eligible for insurance of deposits by a federal agency or (ii) a financial institution holding company as defined in § 6.2-700 or a savings institution holding company as defined in § 6.2-1100;

13. Acquiring its own stock, with the book value of all such stock held not to exceed in the aggregate five percent of the book value of all shares issued and outstanding, including capital, surplus, and undivided profits as of the time of the purchase being made. In computing such capital surplus and undivided profits for purposes of this section, amounts received for resale of any repurchased stock shall be added back to capital, surplus, and undivided profits for purposes of computation of the five percent limitation. Such purchase may be without the written consent of the Commission, unless the Commission or Commissioner has previously notified the bank in writing that it may not utilize this subdivision until further notice. The Commission may further allow purchases of such stock in excess of such five percent criterion if the Commission finds that the purchase (i) will not impair the safety and solvency of the bank and (ii) is otherwise appropriate. The Commission may require the divestiture of any shares held if deemed necessary and appropriate;

14. Acquiring, owning, and holding, subject to such conditions as the Commissioner may prescribe, shares of investment companies;

15. Acquiring, owning, and holding, subject to such conditions as the Commissioner may prescribe, shares of stock in a community development corporation;

16. Acquiring, owning, and holding shares of the Federal Agricultural Mortgage Corporation; or

17. Acquiring, owning, and holding shares of a Federal Home Loan Bank.

C. The provisions of this section shall not be construed to require a bank to dispose of any preferred stocks lawfully acquired as an investment prior to January 1, 1940.

§ 6.2-875. Limitations on obligations of borrowers.

A. As used in this section:

"Installment consumer paper" shall include installment notes of up to 10 years' duration for the purchase of unimproved real property.

"Obligation" means the direct liability of the maker or acceptor of the paper discounted with or sold to a bank and the liability of the endorser, drawer, or guarantor who obtains a loan from or discounts paper with or sells paper under his guaranty to such bank. "Obligation" shall include:

1. In the case of obligations of a corporation or a limited liability company, all obligations of all subsidiaries thereof in which the corporation or limited liability company owns or controls a majority interest; and

2. Any liability of the bank under a letter of credit, other than a letter of credit arising out of transactions involving the importation or exportation of goods or the domestic shipment of goods, except to the extent (i) the bank has a binding participation of another bank, organized under the laws of the Commonwealth or another state or the United States, or a written commitment by another such bank to assume primary liability therefor or (ii) such bank issuing the letter of credit has in its possession money on deposit to the credit of such customer or securities or assets readily convertible into cash with which to honor such letter of credit.

B. Subject to the exceptions set forth in subsections D, E, F, and I, the total obligations of any person, including, with respect to a partnership, as provided in subsection C, the partners having a five percent or greater interest in either the income or capital of a partnership other than limited partners, to any bank shall at no time exceed 15 percent of the sum of the capital, surplus, and loan loss reserve of such bank.

C. For the purposes of this section:

1. The obligation of partners in the partnership and the partnership shall not be combined with each other except if (i) the purpose for which the obligation of any partner was incurred or utilized relates to

the partnership or the purposes of the partnership, including acquisition of an interest in the partnership, such obligation shall be combined with the obligation of the partnership or (ii) the primary source of repayment of a partner's individual obligation is the partnership or funds therefrom, the obligation of the partnership shall be combined with the obligation of such partner, other than a limited partner or partner with less than five percent interest, and the limitation specified herein shall apply to the combined obligations of each such partner and the partnership. Except in the two instances specified in clauses (i) and (ii), the individual liability of the partner shall not be treated as an obligation of the individual, and the obligations of partner as individual guarantor on partnership obligations shall not be treated as an obligation of the individual for purposes of computation hereunder when, in either case, the bank has a certificate of a responsible officer, designated by the board of directors for this purpose, stating that the responsibility of the partnership for each obligation has been evaluated and the bank is relying primarily upon such partnership for the payment of such indebtedness; and

2. There may be counted as part of the surplus (i) the undivided profits as of the date of the most recent call statement and (ii) capital notes and debentures, the issuance of which has been approved by the Commission, outstanding as of said date, and consisting of debt obligations subordinate to all other contractual liabilities of the bank.

D. The following kinds of obligations shall not be subject to any limitation, except as expressly stated in subdivision 20:

1. Obligations in the form of drafts or bills of exchange drawn in good faith against actually existing values;

2. Obligations arising out of the discount of commercial or business paper actually owned by the person, partnership, association, limited liability company, or corporation negotiating the same;

3. Obligations drawn in good faith against actually existing values and secured by goods or commodities in process of shipment;

7. First mortgage real estate loans that are insured by the Federal Housing Administrator;

8. Obligations guaranteed as to principal and interest by the United States;

9. Loans in which the Small Business Administration or a federal reserve bank has definitely agreed or committed itself to participate, to the extent of such participation;

10. Obligations guaranteed by the Small Business Administration or Farmers Home Administration, to the extent of such guaranty;

11. Loans that the Federal Commodity Credit Corporation has definitely agreed to purchase;

14. Bonds and notes of the Federal National Mortgage Association;

15. Bonds, debentures, and other similar obligations of Federal Land Banks, Federal Intermediate Credit Banks, or Banks for Cooperatives issues pursuant to acts of Congress;

16. Obligations of the Federal Financing Bank, the Student Loan Marketing Association, the Federal Home Loan Mortgage Corporation, the National Credit Union Administration, Farm Credit Banks, the Government National Mortgage Association, or the Commodity Credit Corporation;

17. Time deposits in, or obligations issued by, a Federal Home Loan Bank;

18. Repurchase agreements of obligations authorized by this subsection;

19. Obligations of any person, secured by not less than a like amount of bonds or notes or other evidences of indebtedness of the United States or of the Commonwealth;

20. Obligations as endorser or guarantor of installment consumer paper that carry a full or limited endorsement or guarantee of the person transferring the same when the bank has a certificate of a responsible officer, designated by its board of directors for that purpose, stating that the responsibility of the maker of such obligation has been evaluated and the bank is relying primarily upon such maker for the payment of such obligation. In such case the limitations of this section as to the obligations of the maker shall be the sole applicable loan limitation; and

21. Obligations secured by the pledge or assignment of certificates of deposit or saving certificates of the lending bank, to the extent of the principal amount of such certificates so pledged or assigned.

E. The following kinds of obligations shall be subject to a limitation of 30 percent of such capital and surplus:

1. Obligations as endorser or guarantor of notes, other than commercial or business paper excepted under subdivision D 2 having a maturity of not more than six months, and owned by the person endorsing and negotiating the same;

2. Obligations of any person in the form of notes or drafts secured by shipping documents or

instruments (i) transferring or securing title covering livestock or (ii) giving a lien on livestock when the market value of the livestock securing the obligations is not at any time less than 115 percent of the amount by which the obligations exceed 15 percent of such capital and surplus; and

3. Obligations secured by bonds or notes of the United States, or bonds of the Commonwealth or any of its political subdivisions, if the face value thereof is at least equal to the excess of the obligations over 15 percent of such capital and surplus.

F. Nonrenewable obligations having not more than 10 months to run consisting of notes or drafts secured by shipping documents, warehouse receipts, or similar documents creating a security interest in readily marketable, nonperishable, staple commodities, insured to the extent that insurance is customarily required, shall be subject to a sliding scale limitation up to 50 percent of such capital, surplus, and undivided profits. The sliding scale limitation shall require that when the face amount of the obligation exceeds 15 percent of such capital and surplus by any number of percentage points up to 35, the market value of the security for the obligation shall exceed the face amount of the obligation by at least the same number of percentage points.

G. The Commission shall adopt necessary regulations to require entities that would otherwise be treated as separate entities to be treated as related for the purposes of compelling reporting not more frequently than quarterly, to the Commission of the aggregate obligations of such parties to the bank. For the purposes of this subsection:

1. The Commission may treat as related parties individuals that are in the same household or that are the parents, grandparents, children, or grandchildren of each other whether or not in the same household;

2. Any person owning as much as 34 percent of stock of a corporation or being an officer or director of such corporation may be treated as related to such corporation;

3. Any person entitled to a share of the profits and losses of or distributions from a limited liability company, or who is a manager of a manager-managed limited liability company or a member of a member-managed limited liability company, may be treated as related to the limited liability company; and

4. Any person having an interest in income or capital of a partnership may be treated as a related party.

H. All loans made by a bank in excess of 15 percent of its capital and surplus shall be approved by the board of directors or the executive committee of the bank by resolution recorded in the bank's minute book.

I. Notwithstanding the limitations in this section, the Commission may by regulation authorize state banks to make loans to one borrower in such amounts as may be authorized under any lending limit laws applicable to national banks.

#### *§ 6.2-876. Loans to executive officers or directors.*

A. The maximum amount of loans and other extensions of credit a bank may make to any of its executive officers or directors, and the conditions and procedures for approval of such extensions of credit, shall be governed by Federal Reserve Board Regulation O, 12 C.F.R. Part 215, whether or not the bank is a member of the Federal Reserve System.

B. The aggregate amount of a bank's extensions of credit to its executive officers or directors, and their interests, shall not be excessive. The Commission shall adopt such regulations as may be required to prevent excessive aggregate amounts of extensions of credit by a bank to such persons and their interests.

#### *§ 6.2-877. Overdrafts by bank officer or director.*

No bank shall pay an overdraft of an executive officer or director of the bank on an account at the bank unless the payment of funds is made in accordance with (i) a written, preauthorized, interest-bearing extension of credit plan that specifies a method of repayment or (ii) a written, preauthorized transfer of funds from another account of the account holder at the bank. This prohibition does not apply to the payment of inadvertent overdrafts on an account in an aggregate amount of \$1,000 or less if (a) the account is not overdrawn for more than five business days and (b) the member bank charges the executive officer or director the same fee charged any other customer of the bank in similar circumstances.

#### *§ 6.2-878. Loans secured by real estate generally.*

A. As used in this section, "loan secured by real estate" means an obligation executed or assumed by the borrower that is secured by mortgage, deed of trust, or similar instrument, encumbering real estate that is owned by the borrower and upon which the bank relies as the principal security for the loan.

B. No bank shall make any loan secured by real estate when such loan, together with all prior liens or encumbrances on such real estate, exceeds 90 percent of the appraised value of the real estate securing such loan.

C. The appraisals necessitated by this section shall be required if the loan shall equal or exceed an amount established from time to time by the Commissioner. In establishing such amount, the Commissioner shall take into consideration the requirements imposed on banks under applicable federal regulations. Such appraisals shall be in writing, signed by the appraisers, and shall be retained in the

files of the bank, subject to examination of bank examiners. The appraisers so appointed shall be experienced persons competent to appraise real estate in the locality where the real estate is located.

D. Any bank may make loans secured by real estate that do not comply with the limitations and restrictions in this section if the total unpaid amount of such loans, exclusive of the loans that subsequently comply with such limitations and restrictions, does not exceed 10 percent of the total amount of loans secured by real estate.

E. The provisions of this section relating to ratio of loan to appraised value and appraisal shall not apply if:

1. The real estate security is taken solely as an abundance of caution on terms which are not more favorable than they would be in absence of such a lien on real estate;

2. A real estate security conveyance is taken by or ancillary to the assignment of lease obligations upon which the bank is relying primarily and prudently;

3. A subsequent transaction results from an existing extension of credit providing (i) that the borrower has performed satisfactorily, (ii) there is no advance of new money, except as formerly agreed, (iii) the credit standing of the borrower is not deteriorating, and (iv) there is no obvious and noticeable deterioration of marketing conditions or the physical assets which provide collateral security to the bank; or

4. A lien upon real estate is taken to secure a prior advance which was not secured by such real estate.

F. In cases where an appraisal by a state-certified or state-licensed appraiser is not required, under this section or other sections of this chapter in a real estate-related financial transaction, the bank as a matter of prudence may take and preserve a reasonable appraisal, valuation, or analysis of real estate or real property in connection with such transaction.

G. The Commission may by order or regulation eliminate loans or specific categories of loans from the requirements of this section.

H. The provisions of this section shall not be construed to prohibit any bank from accepting, as security for a loan that it had made in good faith without security or upon security since found to be inadequate, an obligation or obligations secured by mortgage, deed of trust, or other such instrument upon real estate.

§ 6.2-879. Certain loans not considered loans secured by real estate.

A. If the bank reasonably and prudently relies upon factors other than or in addition to the real estate security, such as general credit standing, guarantees, commitments, or tangible or intangible personal property security, and enters in its records a written statement of the factors it relies on, the loan does not constitute a loan secured by real estate within the meaning of § 6.2-878, except that if the terms of the transaction shall be more favorable than in the absence of a lien, an appraisal shall be required as provided under § 6.2-878.

B. Loans made to homeowners for maintenance, repair, landscaping, modernization, alteration, improvement to, and furnishings and equipment for, their homes, whether or not secured, shall not be considered as loans secured by real estate within the meaning of § 6.2-878, provided each such loan shall (i) be payable in approximately equal monthly installments, (ii) not be for a term longer than 12 years, and (iii) not exceed an amount specified in accordance with subsection C of § 6.2-878. Such home loans may otherwise be made under the provisions of § 6.2-878 or 6.2-880. If such loan is in excess of the amount specified under subsection C of § 6.2-878, unless the taking of real estate security is solely in the abundance of caution and the terms are not more favorable than in the absence of such a real estate lien, an appraisal as required by § 6.2-878 or 6.2-880 shall be required by the bank.

§ 6.2-880. Construction loans.

A. As used in this section, "construction loan" means a loan (i) made to finance the construction of a building or otherwise to improve real estate and (ii) with a maturity not exceeding 60 months.

B. A construction loan that is accompanied by a valid and binding agreement to advance an amount equal to or greater than the construction loan upon the completion of the building or improvement, which agreement is entered into by an individual or entity acceptable to the bank or the bank itself, whether or not secured by a mortgage or similar lien on the real estate upon which the building or improvement is being constructed, shall not be considered as a loan secured by real estate within the meaning of § 6.2-878, but shall be classed as an ordinary commercial loan, unless the terms of the transaction shall be more favorable than in the absence of a lien, in which case an appraisal shall be required as provided under § 6.2-878.

C. No bank shall invest in, or be liable in, construction loans in an aggregate amount in excess of 100 percent of its capital and surplus, except that any such loans supported by an executed agreement for permanent financing shall not be included in such aggregate amount.

D. Loans to finance construction of buildings or otherwise to improve real estate may be made under this section or under the provisions of § 6.2-878.

E. Loans made under subsection H of § 6.2-878 or subsection A of § 6.2-879 shall not be treated as construction loans for purposes of the limitations of this section.

§ 6.2-881. Investment in reverse annuity mortgages.

*A bank may invest in reverse annuity mortgages to the extent and in the manner that may be provided in regulations adopted by the Commission.*

*§ 6.2-882. Bank borrowing money or rediscounting its notes.*

*A. Any bank borrowing money or rediscounting any of its notes shall at all times show on its books and accounts and in its reports the amount of such borrowed money or rediscounts.*

*B. No officer, director, or employee of any bank shall issue the note of such bank for borrowed money or rediscount any note or pledge any of the assets of such bank, except when authorized by resolution of the board of directors of such bank previously made and entered upon the minutes of such bank, under such regulations and in such form as may be adopted by the Commission.*

*§ 6.2-883. Acceptance of drafts or bills of exchange; issuance of letters of credit.*

*A. Any bank doing business in the Commonwealth, subject to conditions, limitations, and restrictions imposed by the Commission, may (i) accept for payment at a future date drafts or bills of exchange drawn upon it by its customers on time not exceeding six months and (ii) issue letters of credit, upon such terms and conditions and of such duration as may be deemed appropriate by such bank, that authorize the holders thereof to draw drafts upon it or its correspondent, which drafts may be payable at sight or may be accepted for payment from the date of presentment on time not exceeding six months.*

*B. The Commission, in adopting conditions, limitations, and restrictions with respect to such acceptances or letters of credit, shall use as a standard or guide the respective conditions, limitations, and restrictions, if any, imposed from time to time by federal statute or by the Federal Reserve Board on its member banks.*

*§ 6.2-884. Ownership and lease of personal property.*

*A. As used in this section, "personal property" includes fixtures.*

*B. A bank may become the owner and lessor of personal property, subject to the following limitations:*

*1. Except in the case of short-term leases where a subsequent sale or reletting is anticipated, the rentals receivable by the bank under the initial lease of any item of personal property shall equal at least the cost to the bank of such item of personal property;*

*2. Any leasing or rental obligations to any bank of any person shall be treated as obligations subject to the limitations imposed by § 6.2-875; and*

*3. Upon the expiration of any lease whether by virtue of the lease agreement or by virtue of the retaking of possession by the bank, the personal property shall be sold or otherwise disposed of, or charged off within one year from the time of expiration of such lease unless it is held for the purpose of reletting.*

*C. No personal property acquired pursuant to this section shall be included in computable investment in fixed assets under § 6.2-870.*

*§ 6.2-885. Investment in stock or securities of controlled subsidiary corporations.*

*A. As used in this section and §§ 6.2-886, 6.2-887, and 6.2-888:*

*"Control" has the meaning assigned to it in § 2 of the Bank Holding Company Act of 1956 (12 U.S.C. § 1841 et seq.).*

*"Controlled subsidiary corporation" means a corporation that is controlled by a bank organized under the laws of the Commonwealth, or by more than one bank, at least one of which is organized under the laws of the Commonwealth.*

*B. A bank may acquire, own, and hold the stock, securities, or obligations of one or more controlled subsidiary corporations. Such investment in stock, securities, or obligations, together with any investment of the bank in stock, securities, or obligations of a bank service corporation, shall not exceed in the aggregate 50 percent of the bank's capital stock and permanent surplus, without the permission of the Commission, which limit on investment shall not include, but shall be in addition to, investment in (i) a real estate subsidiary as provided in § 6.2-873, (ii) the stock, securities, or obligations of a building corporation under § 6.2-870, and (iii) controlled subsidiary corporations that are wholly owned by the bank.*

*C. A controlled subsidiary corporation shall not be authorized to (i) receive deposits except as hereafter provided; (ii) engage in the trust business; or (iii) conduct any business that is required under § 13.1-620 to be specifically stated in the articles of incorporation, except a controlled subsidiary corporation may engage in the business of credit card operations, leasing, safe deposit, factoring, credit bureaus, mortgage brokerage or servicing, data processing, international banking and finance, and any other function or business activity in which a bank might engage, except the receipt of deposits, or the trust business. Subject to the foregoing limitations on the businesses that a controlled subsidiary corporation is authorized to conduct, and with the prior approval of the Commission and subject to such conditions as the Commission may impose, a controlled subsidiary corporation may also engage in any business that is authorized by statute, regulation, or official interpretation for a subsidiary of a national bank or an out-of-state state bank as defined in § 6.2-836 to the extent such activity is financial in nature, or incidental or complimentary to a financial activity, and is not otherwise prohibited by state law. A controlled subsidiary corporation transacting business as a real estate brokerage firm shall be governed by § 6.2-888 and be subject to the provisions of this section. A controlled subsidiary*

corporation may charge and collect such finance charges and fees or interest rates as are authorized to banks by the laws of the Commonwealth or as otherwise authorized by Chapter 3 (§ 6.2-300 et seq.).

D. A controlled subsidiary corporation engaged solely in the business of international banking and finance, and subject to the regulation and supervision by the Board of Governors of the Federal Reserve System, shall not be prohibited from receiving deposits or from taking any other action that any such regulated international banking and finance institution is permitted to take.

E. The provisions of § 6.2-874 relating to investment of funds in shares of stock of another corporation shall be applicable to controlled subsidiary corporations, except that a controlled subsidiary corporation may acquire, own, and hold stock in a subsidiary corporation if a bank would be permitted to directly acquire, own, or hold the stock hereunder. The provisions of § 6.2-876 relating to loans to officers, directors, or employees of the bank shall be applicable both to loans by the subsidiary to officers, directors, or employees of the bank and to loans by the bank to officers, directors, or employees of the subsidiary, with the approval of the board of directors of the bank only being required for purposes of § 6.2-876. The limitations of §§ 6.2-878 through 6.2-881 as they relate to appraisal value, maximum term, and amortization on loans secured by real estate shall be applicable to controlled subsidiary corporations. Notwithstanding any provisions of this subsection to the contrary, the restrictions set out in §§ 6.2-874 through 6.2-881 shall not be imposed upon any controlled subsidiary that has no state banks as shareholders.

F. The provisions of § 6.2-875 relating to limitations upon obligations of any one borrower shall apply to the total obligations of any borrower in the aggregate to the subsidiary corporation and to any bank or bank holding company owning stock securities or obligations of such subsidiary corporation. The loan limit of the subsidiary shall be computed by attributing to the subsidiary a pro rata share of the lending limit of each bank stockholder prorated in accordance with the percentage of stock owned by such bank. However, in the case of a subsidiary, any of the stock, securities, or other obligations of which are owned by a bank holding company, the loan limits of the subsidiary shall be computed by attributing to the subsidiary a pro rata share of the lending limits of all bank subsidiaries of such holding company, which share shall be prorated based on the percentage of stock owned by the holding company and all subsidiary banks thereof. In computing whether a bank or a subsidiary that is not wholly owned is complying with its lending limit, the loans of the bank and the subsidiary to any common borrower shall be aggregated on a basis pro rata to the percentage of stock of the subsidiary owned by the bank. Such controlled subsidiary corporation shall not otherwise be subject to the provisions of this chapter except where it is expressly so provided. Notwithstanding any provisions of this subsection to the contrary, the restrictions set out in §§ 6.2-874 through 6.2-881 shall not be imposed upon any controlled subsidiary that has no state banks as shareholders.

§ 6.2-886. Regulation of controlled subsidiary corporations by Commission.

A. A controlled subsidiary corporation shall be subject to audit and examination by the Commission whether or not it is an affiliate as defined in § 6.2-899. The controlled subsidiary corporation shall pay such examination fees as shall be imposed under § 6.2-908 for the examination of trust departments. If upon examination the Commission shall ascertain that the corporation is created or operated in violation of this section or that the manner of operation is detrimental to the business of the parent bank and its depositors, it may order the bank to dispose of all or part of its investment in such corporation upon such terms as the Commission may deem proper.

B. A controlled subsidiary may not merge or consolidate unless the surviving corporation is itself a controlled subsidiary corporation, or unless as a result of such merger or consolidation the bank divests itself of all stock or other securities that are held pursuant to the authority granted by this section.

C. The Commission shall have the same powers over controlled subsidiary corporations as it has over banks under §§ 6.2-913, 6.2-915, 6.2-917, 6.2-918, and 6.2-919, excepting those controlled subsidiary corporations that have no state banks as stockholders.

§ 6.2-887. Insurance business of controlled subsidiary.

A. In addition to the types of business authorized in § 6.2-885, a controlled subsidiary corporation that is a domestic or foreign corporation, the majority of the voting stock of which is owned, directly or indirectly, by (i) a bank or banks organized under the laws of the United States, (ii) a bank or banks organized under the laws of the Commonwealth, (iii) a bank or banks organized under the laws of another state, or (iv) a bank holding company owning a bank or banks in the Commonwealth or in another state, may be formed to:

1. Transact the type of insurance business specified in § 38.2-120 and other insurance normally written under the coverage known as financial institution blanket bonds;

2. Underwrite insurance indemnifying the bank, its holding companies or its affiliates, and their directors and officers against liability; and

3. Underwrite reinsurance of mortgage guaranty insurance, subject to such conditions as the Commission may impose, on loans secured by real estate made or purchased by such controlled reinsurance subsidiary's affiliates or by a bank owning such controlled subsidiary.

B. Any such controlled subsidiary corporation shall (i) transact only the insurance business specifically permitted by this section and (ii) be subject to the further provisions of Title 38.2 otherwise

*applicable to insurance companies transacting a comparable business.*

*C. The investment of any bank in the stock, services, or other obligations of such a controlled subsidiary shall not exceed two percent of such bank's capital, surplus, and undivided profits.*

*§ 6.2-888. Real estate brokerage business of controlled subsidiary.*

*A. In addition to the types of business authorized in §§ 6.2-885 and 6.2-887, a controlled subsidiary corporation may be formed and licensed to transact business as a real estate brokerage firm in accordance with § 54.1-2106.1, provided such controlled subsidiary corporation transacts the real estate brokerage business and such services only in accordance with the specific provisions of this section. Such controlled subsidiary corporation shall be subject to the provisions of Chapter 21 (§ 54.1-2100 et seq.) of Title 54.1 that are otherwise applicable to real estate brokerage companies transacting a comparable business.*

*B. A controlled subsidiary corporation of a state bank may own and transact business as a real estate brokerage firm and provide the services of a real estate brokerage firm, only upon the Commission's determination that the state bank making application to do so is in full compliance with applicable law. The investment of any bank in the stock, securities, or other obligations of a controlled subsidiary corporation shall be approved by the Commission only upon a determination by the Commission that (i) the depositors of the bank are adequately protected from the risk of such ownership and (ii) the ownership is a safe and sound investment for the bank in accordance with applicable law. Such determination shall include but not be limited to providing written notice to the Virginia Real Estate Board and receiving written confirmation from the Virginia Real Estate Board that the real estate brokerage firm, to be owned, and its brokers, are in good standing in accordance with the requirements of Chapter 21 (§ 54.1-2100 et seq.) of Title 54.1.*

*C. A controlled subsidiary corporation of a state bank may own and transact business as a real estate brokerage firm only in compliance with the following:*

*1. The controlled subsidiary corporation, or a state bank that owns a controlled subsidiary corporation, that engages in real estate brokerage, shall not:*

*a. Impose a requirement, orally or in writing, that a borrower shall contract for or enter into any other arrangement for real estate services with its affiliated real estate brokerage firm;*

*d. Impose a requirement, orally or in writing, that a condition of providing real estate brokerage services is that the customer shall make application for a loan or any other arrangement for other services of the bank or any of its subsidiaries, affiliates, or service entities, except as otherwise permitted under the Real Estate Settlement Procedures Act of 1974, (12 U.S.C. § 2601 et seq.), and regulations adopted thereunder;*

estate transaction, that the person is not required to consult with, contract for, or enter into an arrangement for real estate brokerage services with its affiliated real estate brokerage firm; and

3. A real estate brokerage firm that is affiliated with a bank shall clearly and conspicuously disclose in writing, in a separate document, before the time an agency agreement for real estate brokerage services is executed, that the person is not required to apply, contract for, or enter into any other arrangement for services of a particular bank or any of its subsidiaries, affiliates, or service entities.

D. The requirements of this section are in addition to the requirements of the Real Estate Settlement Procedures Act of 1974, (12 U.S.C. § 2601 et seq.), and regulations adopted thereunder.

G. In the event of a violation of this section, the Commission may take such action as is authorized in accordance with § 6.2-946, including issuance of an order requiring the state bank to cease and desist the activity that violates this section and imposing penalties.

#### Article 10.

#### Reserves.

##### § 6.2-889. Required reserves.

A. As used in this section, unless the context requires otherwise:

"Demand deposits" means all deposits the payment of which can be legally required in less than 30 days.

"Time deposits" means all deposits the payment of which cannot be legally required in less than 30 days.

B. Every bank shall maintain a reserve related to its demand deposits and to its time deposits. The reserve on:

1. Demand deposits shall consist of actual cash on hand and balances payable on demand, due from other solvent banks; and

2. Time deposits shall consist of actual cash on hand and balances payable on demand due from other solvent banks; provided that up to 100 percent of such reserve on time deposits may be in the form of short maturity general obligations of the United States, such maximum percentage to be fixed by the Commission.

C. The Commission shall by regulation establish from time to time the reserve requirements within the following limits:

1. On demand deposits: zero to 15 percent; and

2. On time deposits: zero to five percent.

D. The reserves required herein for each day shall be computed on the basis of average daily deposits covering a biweekly period, provided that shorter averaging periods may be fixed by regulation of the Commission.

E. Nothing herein shall be construed to relieve any bank which is a member of the Federal Reserve System from maintaining a reserve fund in accordance with the requirements applicable to such member banks.

##### § 6.2-890. Preferences by pledging assets.

A. No bank shall give preference to any depositor or creditor by pledging the assets of such bank, except as otherwise authorized by subsection B, or except to secure deposits of trust funds made pursuant to the provisions of § 6.2-1005 or 6.2-1057.

B. Notwithstanding the provisions of subsection A, any bank:

1. May deposit securities for the purpose of securing deposits of:

a. The United States government and its agencies;

b. The Commonwealth, its agencies, and its political subdivisions;

c. Insolvent national bank funds as permitted under 12 U.S.C. § 192;

d. Proceeds of sale of United States obligations as permitted under 31 U.S.C. § 771; and

e. Bankruptcy funds deposited under the provisions of 11 U.S.C. § 15345;

2. May deposit securities for the purpose of securing sureties on surety bonds furnished to secure deposits listed in subdivision 1, or may, in lieu of depositing such securities to secure deposits of political subdivisions of the Commonwealth, by its board of directors, adopt a resolution before such public funds are deposited therein, to the effect that, in the event of the insolvency or failure of such

bank, such public funds thereafter deposited therein shall, in the distribution of the assets of such bank, be paid in full before any other depositors shall be paid deposits thereafter made therein. The adoption of such resolution shall be deemed to constitute an obligation binding on such bank;

3. Is authorized to pledge its assets as security for amounts of borrowed money which shall not, without the approval of the Commission given in advance in writing, exceed in the aggregate the amount of the capital, surplus, and undivided profits of such bank actually paid in or earned and remaining undiminished by losses or otherwise. The amount of assets pledged for the security of such a loan shall not, without such approval, exceed 150 percent of the amount borrowed. No loan in excess of the amount so permitted made to any such bank shall be invalid or illegal as to the lender, even though made without the consent of the Commission. Rediscounting with or without guarantee or endorsement of notes, drafts, bills of exchange, or loans is hereby authorized and shall not be limited by the terms of this section, and shall not be considered as borrowed money within the meaning of this section;

4. Is authorized to borrow from a Federal Reserve Bank or a Federal Home Loan Bank and to rediscount with and sell to a Federal Reserve Bank or a Federal Home Loan Bank any and all notes, drafts, bills of exchange, acceptances, and other securities, and to give security for all money so borrowed and for all liabilities incurred by the discount of such notes, drafts, bills of exchange and other securities without restriction in like manner and to the same extent as national banks may lawfully do under the acts of Congress and regulations of the Board of Governors of the Federal Reserve System and the Federal Housing Finance Board; and

5. Is authorized to pledge its assets in connection with qualified financial contracts, which transactions shall be governed by this subdivision and not subdivision 3. The amount of assets pledged for obligations under such contracts shall not exceed 150 percent of the amount of the obligations, without the consent of the Commission, and the qualified financial contract shall be in writing and approved by the board of directors of such bank or an appropriate committee, which approval shall be reflected in the minutes of such board or committee. At the time any qualified financial contracts consisting of retail repurchase agreements are sold by a state bank, the market value of the underlying security must be at least equal to the amount of the aggregate purchase price paid by the purchasers of the retail repurchase agreements. As used in this subdivision, "qualified financial contract" means a qualified financial contract as defined in 12 U.S.C. § 1821(e)(8)(D)(i), as the same may be amended, and any contract or transaction that the Commissioner determines to be a qualified financial contract for purposes of this section.

#### § 6.2-891. Perfection of certain security interests.

When securities are sold by a bank subject to an obligation of repurchase, any security interest or interest of ownership therein may be perfected:

1. As specified by Title 8.8A or Title 8.9A;
2. By designation to the person holding physical custody thereof, which shall include a person keeping the master records, in case of securities identified by book entry only, that certain securities identified by serial number or dollar amount are held for the benefit of third parties other than the bank, who may, but need not, be identified by name; or
3. By physical separation on the premises of the bank in a separate drawer, compartment, or other facility. The bank may, from time to time, instruct any third party holding such securities that the previously identified securities or an amount of such securities previously identified as pledged or belonging to third parties have been released from such pledge by payment of all or part of the amount due, or have been repurchased. The records of the bank shall identify the persons who are pledgees or owners of such securities. Book-entry securities held in a bank's customer-safekeeping account, used for the same purpose, at the Federal Reserve Bank, notwithstanding that other customer securities are held in the same account, shall be deemed in compliance with subdivision 2, provided such securities are identified in the bank's records as required by this section.

#### § 6.2-892. Federal deposit insurance a credit towards certain required bonds.

If a bank is required by the laws of the Commonwealth to furnish or deposit a surety bond or securities as security for the payment of any funds deposited in the bank, other than funds received or held in the trust department of the bank awaiting investment or distribution, the amount of the penalty of such bond or the amount of such securities shall be as required by law, less the amount of such deposit that, to the satisfaction of the body, officer, or other person responsible for seeing that a surety bond or amount of securities is furnished as security for such deposit, is insured under the provisions of § 12-b of the Federal Reserve Act, as amended, or any amendments thereto.

#### Article 11.

##### Deposit Accounts.

#### § 6.2-893. Payment of balance of deceased person or person under disability.

Any bank may pay any balance on deposit to the credit of any deceased person or of any person under disability, to the personal representative, curator, conservator, or committee of such person upon a letter of qualification as such personal representative, curator, conservator or committee, issued by an appropriate court. The letter shall be sufficient authority for such transfer. Any such bank making such transfer shall no longer be liable for such deposit to any person. The presentation of a duly certified

letter of qualification as personal representative, curator, conservator, or committee shall be conclusive proof of the jurisdiction of the court issuing the same. Payment to a fiduciary qualified under the law of a state other than the Commonwealth shall be in accordance with Chapter 5 (§ 26-59 et seq.) of Title 26 and § 64.1-130.

§ 6.2-894. Deposits in and withdrawals from accounts of convicts.

A. Notwithstanding the provisions of Chapter 11 (§ 53.1-221 et seq.) of Title 53.1, a person convicted of a felony and sentenced to confinement in a state correctional institution for one year or longer, with the written consent of the Director of the Department of Corrections, may have a bank account, free from control of all persons except the Director of the Department of Corrections and a committee appointed pursuant to the provisions of § 53.1-221. A deposit made in a bank account by a convict shall be held for the exclusive right and benefit of the convict. The check, order, or receipt of the convict shall be a complete and sufficient release and discharge for any payments made from the deposit in the bank, until the bank is notified in writing by a duly qualified committee or the Director of the Department of Corrections not to permit further withdrawals from that account.

B. Upon receipt of such written notice or commencing on the banking day following the date of receipt of such written notice, the bank shall not permit further withdrawal, except with the consent of the committee or the Director of the Department of Corrections. A bank may further accept, pay or collect items on account for proceeds of collection of a bank account of a convict, despite his conviction or confinement or the bank's knowledge thereof, until it receives written directions to the contrary from the committee of such convict or the Director of the Department of Corrections.

§ 6.2-895. Payment of small balance to distributees or other persons.

A. When the balance in any bank to the credit of a deceased person upon whose estate there has been no qualification does not exceed \$15,000, it shall be lawful for the bank, after 60 days from the death of such person, to pay such balance to the decedent's spouse. If the decedent does not have a surviving spouse, the bank may pay the balance to the distributees of the decedent or other persons entitled thereto under the laws of the Commonwealth. The receipt for such payment shall discharge and acquit the bank in full to all persons on account of the deposit.

B. The balance of an account described in subsection A, or any part thereof not to exceed the amount given priority by § 64.1-157, after 30 days from the death of such person, at the request of the decedent's spouse, or if there is none, then at the request of the distributees of the decedent or other persons entitled under the laws of the Commonwealth, may be paid to the undertaker or mortuary handling the funeral of the decedent. A receipt of the payee shall be a full and final release of the payor.

§ 6.2-896. Deposits of minors.

A bank may establish a deposit account for a minor as the sole and absolute owner of such account. The bank may receive deposits by or for such minor, honor any withdrawal request of the minor, and act in any other manner with respect to such account on the minor's order. Any payment or delivery of funds from such account to the minor, or the payment of a check or other written order for withdrawal of funds signed by such minor owner, shall be a valid and sufficient release and discharge of such bank for any payment or delivery so made. The parent or guardian of such minor shall not in his capacity as parent or guardian have the power to withdraw or transfer funds in any such account unless the minor has given written notice to the bank to accept the signature of such parent or guardian.

§ 6.2-897. Bank need not inquire as to fiduciary funds deposited in fiduciary's personal account.

If any fiduciary or agent makes a deposit in a bank to his personal credit of checks drawn by him upon an account in his own name as fiduciary, or of checks drawn by him upon an account in the name of his principal, if he is empowered to draw checks thereon, or of checks payable to his principal and endorsed by him as fiduciary, the bank receiving the deposit:

1. Shall not be required to inquire whether the fiduciary is committing thereby a breach of his obligation as fiduciary; and

2. Is authorized to pay the amount of the deposit or any part thereof upon the withdrawal by the fiduciary without being liable to the principal, unless the bank receives the deposit or pays the withdrawal with (i) actual knowledge that the fiduciary, in making such deposit or in making such withdrawal, is committing a breach of his obligation as fiduciary or (ii) knowledge of such facts that its action in receiving the deposit or paying the check amounts to bad faith.

Article 12.

Examinations and Reports.

§ 6.2-898. Examinations.

The Commission, as often as it deems necessary in the public interest, shall examine or cause to be examined each bank incorporated under the laws of, and doing business in, the Commonwealth. Such examination shall be conducted at least once in every three-year period.

§ 6.2-899. Examination of affiliates.

A. As used in this section, "affiliate" of any bank means any entity (i) of which such bank, directly or indirectly, owns or controls either a majority of the voting shares or more than 50 percent of the number of shares voted for the election of its directors, trustees, or other persons exercising similar

functions at the preceding election, or controls in any manner the election of a majority of its directors, trustees, or other persons exercising similar functions, (ii) of which control is held, directly or indirectly, through stock ownership or in any other manner, by the shareholders of such bank who own or control either a majority of the shares of such bank or more than 50 percent of the number of shares voted for the election of directors of such bank at the preceding election, or by trustees for the benefit of the shareholders of any such bank, or (iii) of which a majority of the directors, trustees, or other persons exercising similar functions are directors of such bank.

B. The Commission, in connection with the examination of any bank, may make or cause to be made such examination of the affiliates of the bank as shall be necessary to ascertain the financial condition of the bank and to disclose fully the relations between the bank and its affiliates and the effect of such relations upon the affairs of the bank.

*§ 6.2-900. Special examinations.*

The Commission, when (i) written application made to it by the board of directors or by the stockholders representing two-fifths of the total outstanding capital stock of any bank incorporated under the laws of, and doing business in, the Commonwealth or (ii) in the judgment of the Commission it may be necessary for the protection of the public or of persons depositing or dealing with such bank, shall make or cause to be made a special examination of the bank. All expenses incident to such special examination may be charged to the bank so examined and shall be paid by the bank so charged.

*§ 6.2-901. Assistance in making examinations.*

A. Upon the making of any examination under the provisions of § 6.2-898, 6.2-899, or 6.2-900, the officers, directors and employees of the bank being examined or the affiliate of which is being examined, upon the demand of the person or officer designated to make such examination shall:

1. Give to such examiner full access to all the money, books, papers, notes, bills, and other evidences of debts due to the bank;
2. Disclose fully and accurately all indebtedness and liability thereof; and
3. Furnish all information that the examiner may deem necessary to a full investigation into the affairs of such bank.

B. The examiner shall have the right to examine, under oath, any and all of the directors, officers, clerks, and employees in any manner connected with the operation of any bank touching any matter or thing pertaining to the examination, and for that purpose shall have authority to administer oaths to them.

C. When any bank shall utilize an independent data processing service, the operations of such independent data processing firm and its records pertaining to any bank being examined shall be open to inspection by examiners. Access to such operations and information shall be a prerequisite to the use of such independent data processing services by any bank regulated hereunder.

D. The Commission may impose a civil penalty of not less than \$25 but not exceeding \$100 per day for each day of noncompliance upon any officer of any bank who it determines, in proceedings commenced in accordance with the Commission's Rules, has refused to give any examiner the information, or refuse to be sworn, as required by this section.

*§ 6.2-902. Notice of examination.*

No prior or advance notice of any examination shall be given any bank or any of its directors, officers, or employees unless the Bureau determines that notice will facilitate and not diminish the effectiveness of an examination.

*§ 6.2-903. Revaluation of assets after examination.*

If it appears to the Commission, from an examination of any bank, that any of the bank's assets are valued by the bank at an amount in excess of their fair and reasonable value, the Commission, after the bank has been given an opportunity for a hearing before the Commission, may require the bank to revalue the assets on the basis of their fair and reasonable value.

*§ 6.2-904. Report of examination; inspection and dissemination to directors.*

A. When any bank is examined under the provisions of this article, a copy of the report of the examination, at any time after its completion, shall be open for inspection by the officers and directors of the bank. No other copies of the report of examination shall be made except as necessary for the inspection. The copies of the report made for officers and directors of the bank shall not be removed from the premises of the bank. The other such copies shall be destroyed after the inspection has been completed. The original examination report shall be retained in the records of the Bureau.

B. Upon resolution of the board of directors of the bank, the report, at any time during the established period, may be inspected in the bank by the officers and directors of any other bank or by any other person designated in the resolution.

*§ 6.2-905. Communications to board or executive committee.*

Each official communication directed by the Commission or any state bank examiner to any bank, or to any officer thereof, relating to an examination or investigation made or caused to be made by the Commission, or containing suggestions or recommendations as to the conduct of the bank, shall, if required by the Commission or examiner submitting the communication, be submitted by the officer or director of the bank receiving it, to the executive committee or board of directors of the bank. The

communication shall be duly noted in the minutes of the meeting of the board or executive committee.

*§ 6.2-906. Disclosure of irregularities; Commission's powers.*

A. If upon the examination of any bank, the Commission ascertains that the banking laws of the Commonwealth are not being fully observed, that any irregularities are being practiced, or that the bank's capital has been or is in danger of being impaired, the Commission shall give immediate notice thereof to the officers and directors of the bank. In addition, if it is deemed necessary in order to conserve the assets of such bank or to protect the interests of depositors and creditors thereof, the Commission may do any one or more of the following:

1. Temporarily suspend the right of such bank to receive any further deposits;
2. Temporarily close such bank, for a period not exceeding 60 days, which period may be further extended for one or more 60-day periods as the Commission may deem necessary;
3. Require the officers and directors of the bank to liquidate its outstanding loans insofar as shall be required;
4. Require that any impairment of the capital stock be made good;
5. Require that any irregularities be promptly corrected;
6. Require the bank to make reports, daily or at such other times as may be required to the Commission, as to the results achieved in carrying out the orders of the Commission; and
7. Without examination, close, for such period as the Commission may deem necessary, any bank facing an emergency due to withdrawal of deposits or otherwise, or, without closing such bank, grant to it the right to suspend or limit the withdrawal of deposits, for such period as the Commission may determine.

B. If any bank fails or refuses to comply with any such order of the Commission, or if the Commission shall determine that a receiver for any such bank should be appointed, the Commission may apply for the appointment of a receiver to take charge of the business affairs and assets of the bank and to wind up its affairs as provided in this chapter.

*§ 6.2-907. Reports of condition and other statements.*

A. Every bank shall make to the Commission statements of its financial condition at such times as the Commission may require. Such statements shall be (i) made in accordance with forms prescribed by the Commission, (ii) certified under oath by the president or cashier of the bank, or, if there is no cashier, by the treasurer, and (iii) attested by at least three of its directors.

B. The Commission shall require all banks doing business in the Commonwealth to make the statements described in subsection A, and at the time prescribed. The Commission shall prepare such forms as may be necessary to carry out the provisions of this section.

C. Whenever the Commission calls for statements, it shall forward to each such bank two forms, one of which, after being properly filled out and certified as required by subsection A, shall be returned to the Commission within a time prescribed by the Commission. The other form, filled out in like manner, shall be filed with the records of the bank. The Commission shall allow banks to submit such statements electronically. Any bank that submits such statements electronically shall maintain a copy of the statement with the required certified signatures affixed.

D. The Commission may require any bank to prepare and submit such other reports and material as it deems necessary to protect and promote the public interest.

E. The Commission may impose a civil penalty of not less than \$100 but not exceeding \$1,000 per day for each day of noncompliance upon any bank that it determines, in proceedings commenced in accordance with the Commission's Rules, has failed to comply with any of the provisions of this section, for a period of longer than 30 days, after being called upon by the Commission for a statement, or to do such other act as is herein provided.

*§ 6.2-908. Fees for supervision and regulation and for certain examinations and investigations.*

A. For the purpose of defraying the expenses of supervision and regulation of banks, the Commission shall assess against each bank an annual fee. A bank's annual fee shall be calculated according to a schedule set by the Commission. The schedule shall bear a reasonable relationship to the assets of various individual banks and to other factors relating to their respective costs for supervision, regulation, and examination.

B. The Commission shall also charge additional fees:

1. Of \$330 per day per examiner during examinations for the supervision and regulation of trust departments;
2. Of \$10,000 for investigating an application for a certificate of authority pursuant to § 6.2-816;
3. Of \$1,800 for investigating an application for authority to establish a branch pursuant to § 6.2-831 or a facility pursuant to § 6.2-835;
4. Of \$7,500 for investigating an application of merger. The Commission shall not be entitled to any further fees for investigating any application to retain existing branches of the applying banks as branches of the merged bank;
5. Of \$1,000 for investigating an application for authority to change the location of an existing bank or branch bank; and
6. Of \$2,000 for investigating an application for authority to exercise trust powers.

C. Notwithstanding the designation of the fees set forth in subdivisions B 1 through B 6, the Commission may reduce by regulation or order any fee, if the Commission concludes that there is a reasonable basis for doing so and that the reduction of the fee will not be detrimental to the effectiveness of the Bureau.

*§ 6.2-909. Assessment and payment of fees; lien.*

A. Except as provided in subsections B and C, all fees and charges assessed pursuant to § 6.2-908 shall be assessed against each bank by the Commission on or before July 1 of each year and shall be paid into the state treasury on or before the following July 31. The Commission shall mail the assessment to each bank on or before July 1 of each year.

B. Fees for investigating applications for a certificate of authority shall be paid before the investigation is made.

C. Fees for the examination of trust departments shall be paid into the state treasury within 30 days after the Commission notifies the bank of the amount of the fee.

D. All fees so assessed shall be a lien on the assets of the bank, and if not paid when due may be recovered in any court of the county or city in which such bank or institution is located having original jurisdiction of civil cases on motion of and in the name of the Commission.

*§ 6.2-910. Reduction of fees.*

If the Commission is of the opinion that the amounts of the several charges and fees set forth in § 6.2-908 will produce more revenue than is required to cover the costs and expenses to be paid from such charges and fees, the Commission, in its discretion, may reduce on a pro rata basis the amount of such charges and fees.

*§ 6.2-911. Examination of national banks.*

Every national bank that is now or may be designated as a state depository, so long as it acts as such, shall be subject to the examination provided for state banks, when, in the opinion of the State Treasurer, such examination is necessary for the protection of the Commonwealth. However, no fees or charges shall be imposed upon national banks for such examinations.

*Article 13.*

*Receiverships.*

*§ 6.2-912. Definition.*

As used in this article, "insolvent" means incapable of meeting the current demands of creditors or having liabilities which, in total, exceed the book value of assets.

*§ 6.2-913. Closing bank upon insolvency; appointment of receiver.*

A. If (i) any bank, upon its examination by the Commission, is found to be insolvent or (ii) the Commission deems it necessary with respect to any bank for the protection of the public interests, the Commission (a) may close immediately the doors of the bank without any notice and (b) by its duly appointed agent shall take charge of the books, assets, and affairs of the bank until the appointment of a receiver as provided by law.

B. If a bank has been closed by the Commission, the Commission may proceed (i) to have a receiver for the closed bank appointed in accordance with § 6.2-916 or (ii) as provided in Article 14 (§ 6.2-925 et seq.) of this chapter.

*§ 6.2-914. Merger or transfer of assets of insolvent bank.*

A. If the Commission finds that a bank is insolvent, that its merger into another bank is desirable for the protection of its depositors, and that an emergency exists, and, if the board of directors of such insolvent bank approves a plan of merger of such bank into another bank, (i) compliance with the requirements of § 13.1-718 shall be dispensed with as to such insolvent bank and (ii) the approval by the Commission of such plan of merger shall be the equivalent of approval by the holders of more than two-thirds of the outstanding shares of such insolvent bank for all purposes of Article 12 (§ 13.1-715.1 et seq.) of Chapter 9 of Title 13.1.

B. If the Commission finds that a bank is insolvent, that the acquisition of its assets by another bank is in the best interests of its depositors, and that an emergency exists, the Commission, with the consent of the boards of directors of both banks as to the terms and conditions of such transfer, including the assumption of all or certain liabilities, may enter an order transferring some or all of the assets of such insolvent bank to such other bank, in which event (i) compliance with the provisions of §§ 13.1-723 and 13.1-724 shall not be required and (ii) §§ 13.1-730 through 13.1-741 shall not be applicable to such transfer.

C. In the case either of a merger as provided in subsection A or of a sale of assets as provided in subsection B, the Commission shall provide that prompt notice of its finding of insolvency and of the merger or sale of assets be sent to the stockholders of record of the insolvent bank for the purpose of providing such shareholders an opportunity to challenge the finding that the bank is insolvent. The relevant books and records of such insolvent bank shall remain intact and be made available to such shareholders for a period of 30 days after such notice is sent. The Commission's finding of insolvency shall become final if a hearing before the Commission is not requested by any such shareholder within such 30-day period.

D. If, after such hearing provided in subsection C, the Commission finds that such bank was solvent,

it shall rescind its order entered pursuant to subsection A or B and the merger or transfer of assets shall be rescinded. However, if after such hearing the Commission finds that such bank was insolvent, its order shall be final.

*§ 6.2-915. Protection of state deposits upon insolvency.*

If, upon the examination of any bank that is designated as a state depository, it appears to the Commission that the bank is insolvent or is unable to meet its obligations and the legal demands upon it in the ordinary course of its business, the Commission shall forthwith notify the State Treasurer, who shall discontinue further deposits therein of state funds and take such action as may be necessary to protect the deposits of the Commonwealth therein.

*§ 6.2-916. Appointment of receiver.*

When, in the judgment of the Commission, it is necessary for the protection of the interests of the Commonwealth or of the depositors and creditors of any bank doing business in the Commonwealth, or of the creditors of any trust company doing business in the Commonwealth, the Commission shall apply to any court in the Commonwealth having jurisdiction to appoint receivers for the appointment of a receiver to take charge of the business affairs and assets, and to wind up the affairs and business, of any such bank or trust company (i) failing to comply with the requirements of the Commission or (ii) found upon examination to be insolvent or unable to meet its obligations and the legal demands made upon it in the ordinary course and conduct of its business.

*§ 6.2-917. Execution of powers of sale by receivers.*

A. When any receiver is appointed under the provisions of this article for any bank authorized to do a trust business or for any trust company, the receiver may be empowered by the court by which he is appointed:

1. To act for and on behalf of such bank or trust company in the execution of any power of sale conferred upon such bank or trust company by any instrument;
2. When such sale is made, to execute, acknowledge and deliver for and on behalf of such bank or trust company such deed as may be proper under the provisions of such instrument for the conveyance of title to the property conveyed therein; and
3. Upon payment of the amount secured under any such instrument, to execute, acknowledge, and deliver for and on behalf of such bank or trust company a proper release deed for the property conveyed therein.

B. Any such sale made by such receiver and any such deed or release executed by him, when so authorized and empowered, shall be as effective and as binding as if the same had been made or executed by such bank or trust company before the appointment of such receiver.

C. All sales that have been made by any such receivers within the Commonwealth, and all such deeds and release deeds that have been executed by any such receivers within the Commonwealth under the authority of the court by which they were appointed, since June 19, 1936, shall be as effective and as binding as if the same had been made by such bank or trust company before the appointment of such receiver.

*§ 6.2-918. Rights and powers of receivers generally.*

Any receiver appointed under the provisions of this article shall be and become assignee of the assets and property of the bank or trust company of which he has been appointed receiver, with power to prosecute and defend, in the name of the bank or trust company or in his name as such receiver or otherwise, in the Commonwealth or elsewhere, all such suits as may be necessary to wind up the affairs and business of such bank or trust company, and to appoint such agents or attorneys for any such purpose as the court may approve.

*§ 6.2-919. Interest on deposits; distribution of surplus remaining after payment of depositors.*

When an appropriate court, on a proper application therefor, shall appoint a receiver for any bank or trust company, the court may prescribe and direct, by order or decree entered of record, that the rate of interest to be paid by the receiver upon the claims of depositors of the bank or trust company shall not exceed the current or contracted rate of interest paid by the state bank or trust company on deposits. In addition, the court may fix the interest to be so paid at such lower rate as the court may deem proper under all the circumstances of the case. In such event, the court shall also direct that any surplus remaining after the payment in full of the depositors, together with the interest thereon as so prescribed and fixed, shall be distributed pro rata among the shareholders of the bank or trust company as of the date of the appointment of the receiver.

*§ 6.2-920. Proceedings to bar certain claims against banks in liquidation.*

If, in a suit having as its object the administration or liquidation of the assets of an insolvent bank or trust company operating in the Commonwealth, the court orders the payment to creditors of dividends on, or other payments of, claims as therein ascertained and established, and (i) the receiver or other person charged with making the ordered payment to creditors is unable to make the payment by reason of his inability to ascertain the address of any creditor, the failure of any creditor to apply to such disbursing official for payment when so directed by the order of the court, or any other similar reason; or (ii) a trustee engaged in the voluntary liquidation of the assets of an insolvent bank or trust company operating in the Commonwealth, by petition to an appropriate court in the locality wherein the

principal office of the insolvent bank or trust company is located, alleges and shows to the satisfaction of the court his inability to make payment to creditors for any of the reasons specified in clause (i), the court, in its discretion, may enter an order directing its receiver or other person charged with the duty of making such payment, or the trustee, to publish at least twice in a newspaper having a general circulation in the locality where the suit or petition is pending a list of creditors to whom dividends or payments are due and unpaid and the amount thereof. The publication shall include a notice that any creditor therein named who fails to apply to the disbursing official for payment of the amount due him within six months from the date of the last publication of such notice will be barred from his right thereafter to receive payment of amounts then due and from participation in any future dividends or payments that may thereafter be ordered.

§ 6.2-921. When publication of list of creditors unnecessary.

If any bank or trust company under the circumstances set forth in clause (i) or (ii) of § 6.2-920 is in liquidation for a period of more than 10 years, and more than five years have elapsed since the date of the entry of the last court order directing the payment to creditors of dividends on or other payments of claims as therein ascertained and established, then it shall be unnecessary to publish a list of creditors to whom dividends or payments are due and unpaid and the amount thereof. In such event, it shall only be necessary to publish a notice stating (i) the total amount of dividends ordered paid and unclaimed; (ii) that a list of such creditors may be seen at the office of the receiver, liquidating agent, or other disbursing officer; and (iii) that any creditor who fails to apply to such disbursing official for payment of the amount due him within six months from the date of the last publication of such notice shall be barred from his right thereafter to receive payment of amounts then due and from participation in any future dividends or payments that may thereafter be ordered.

§ 6.2-922. When publication once in two newspapers sufficient.

If there are two or more newspapers having general circulation in the locality where a suit or petition described in § 6.2-920 is pending, the court, in its discretion, in lieu of the publication provided for therein or in § 6.2-921, may direct that the list of creditors and the notice, be published once in at least two of the newspapers having general circulation in the locality.

§ 6.2-923. When claims barred.

After the lapse of six months from the date of the last publication of the notice prescribed by § 6.2-920, 6.2-921, or 6.2-922, the court shall enter an order barring the claims of all creditors who have not theretofore applied for payment of their claims. Thereafter, (i) no creditor who failed to apply for payment within such period shall bring or maintain any action, suit, or proceeding and (ii) no process shall issue, for the enforcement of any claim to dividends or payments previously ordered paid to such creditor. In addition, no such creditor shall participate in future dividends or payments thereafter ordered in the suit or petition to be paid. The court in which any such suit or petition is pending may, in its discretion, before final distribution and for good cause shown, reinstate any claim barred pursuant to the foregoing provisions of this section.

§ 6.2-924. Power of receivers to contract for loans and make investments.

A. Any court in the Commonwealth that has jurisdiction to appoint receivers, in its discretion, may authorize any receiver appointed by such court for any bank or trust company, pursuant to the provisions of this article:

1. To apply and contract for a loan from any corporation or agency that is (i) organized or provided for by, or pursuant to, federal law and (ii) authorized, among other purposes, to make loans upon the application of the receiver or liquidating agent of any bank that is closed, or in process of liquidation, secured by the assets of any such bank, and if such loan is for the purpose of aiding in the reorganization or liquidation of any such bank, secured by the payment of liquidating dividends from the proceeds thereof; and

2. To secure any loan described in subdivision 1 by the pledge, hypothecation or mortgage of any or all of the assets of the bank or trust company, or in such other manner as such court, in its discretion, may authorize.

B. Any such court, in its discretion, also may authorize any receiver so appointed by it to invest any funds in the hands of such receiver in bonds of the United States or of the Commonwealth.

#### Article 14.

##### Appointment of FDIC as Receiver.

§ 6.2-925. Definitions.

As used in this article, unless the context requires otherwise:

"Bank" means any bank or trust company organized under the laws of the Commonwealth.

"FDIC" or "Corporation" means the Federal Deposit Insurance Corporation. The term includes any successor to the Corporation or any other agency or instrumentality of the United States that undertakes to discharge the purposes of the Corporation.

"Receivership court" means the circuit court that appoints a receiver for a bank pursuant to this article.

§ 6.2-926. Appointment of FDIC as receiver.

In any case where the Commission has closed and taken possession of a bank, the deposits in which

are insured by the FDIC, the Commission may apply to any court in the Commonwealth having jurisdiction to appoint receivers for the appointment of the FDIC as receiver. The court, if it finds that to do so will be in the public interest, may appoint the FDIC receiver. Upon acceptance of the court's appointment of the FDIC as receiver, the FDIC shall not be required to post bond.

*§ 6.2-927. Transfer of title to bank assets.*

Upon the appointment of the FDIC as receiver, title to all assets of the bank shall vest in the FDIC without the execution of any instruments of conveyance, assignment, transfer, or endorsement.

*§ 6.2-928. Posting of notice; effect of posting notice.*

Immediately upon closing any bank with the intention of proceeding under the provisions of this article, the Commissioner shall post an appropriate notice of closing at the main entrance of the bank. Upon the posting of said notice, (i) no judgment lien, attachment lien, or voluntary lien shall thereafter attach to any asset of the bank and (ii) no director, officer, or agent of the bank thereafter shall have authority to act on behalf of the bank or to convey, transfer, assign, pledge, mortgage, or encumber any asset thereof.

*§ 6.2-929. Powers of receiver.*

The FDIC as receiver shall have the following powers:

1. To take possession of all books, records, and assets of the bank;
2. To collect all debts, claims, and judgments belonging to the bank, and to do such other acts as are necessary to preserve or liquidate its assets;
3. To execute in the name of the bank any instrument necessary or proper to effectuate its powers as receiver or perform its duties as such;
4. To initiate, pursue, and defend litigation involving any right, claim, interest, or liability of the bank;
5. To exercise any and all fiduciary functions of the bank as of the date of its appointment as receiver;
6. To borrow money as necessary in the liquidation of the bank, and to secure such borrowings by the pledge or mortgage of bank assets. The repayment of money borrowed under this subdivision and interest thereon shall be considered an expense of administration for purposes of § 6.2-933;
7. To abandon or convey title to any holder of a mortgage, security deed, security interest, or lien against property in which the bank has an interest, whenever the FDIC as receiver determines that to continue to claim such interest is burdensome and of no advantage to the bank, its depositors, creditors, or shareholders;
8. Subject to the approval of the receivership court, to (i) sell, lease, or exchange any and all real and personal property, (ii) compromise any debt, claim, or judgment due the bank, and (iii) discontinue any action or other proceeding pending therefor; and
9. Subject to the approval of the receivership court, to (i) pay off all mortgages, security deeds, security agreements, and liens upon any real or personal property belonging to the bank and (ii) purchase at judicial sale or sale authorized by court order any real or personal property in order to protect the bank's equity therein.

*§ 6.2-930. Emergency sale of assets.*

The FDIC as receiver, with ex parte approval of the receivership court, may sell all or any part of the closed bank's assets. All or any part of such assets may be sold to the Federal Deposit Insurance Corporation in its capacity as a corporation. The FDIC as receiver may also borrow from the FDIC, in its corporate capacity, any amount necessary to facilitate the assumption of deposit liabilities by an existing bank or a newly chartered bank, and may assign any part or all of the assets of the closed bank as security for such loan.

*§ 6.2-931. Notice and proof of claim; notice of rejection of claim; petition for hearing.*

All parties having claims against the closed bank shall present their claims, substantiated by legal proof, to the FDIC as receiver within 180 days after the closing of the bank. The FDIC as receiver shall cause notice of the claims procedure prescribed by this section to be published once a week for 12 consecutive weeks in a newspaper of general circulation in one or more localities as the receivership court may direct, and shall mail such notice to the last address of record of each person whose name appears as a creditor upon books of the bank. The receiver shall notify in writing any claimant whose claim has been rejected within 180 days following receipt of the claim. Any claimant whose claim has been rejected by the receiver may petition the receivership court for a hearing on his claim within 60 days of the date of notice his claim is rejected. Notice shall be deemed given when mailed.

*§ 6.2-932. Payment of claims filed after prescribed period.*

Any claim filed after the 180-day claim period prescribed by § 6.2-931, and subsequently accepted by the FDIC as receiver or allowed by the receivership court, shall be entitled to share in the distribution of assets only to the extent of the undistributed assets in the hands of the FDIC as receiver on the date such claim is accepted or allowed.

*§ 6.2-933. Distribution of assets.*

A. All claims against the bank's estate, proved to the satisfaction of the FDIC as receiver or approved by the receivership court, shall be paid in the following order:

1. Administration expenses of the liquidation;
2. Claims given priority under other provisions of state or federal law;
3. Deposit obligations;
4. Other general liabilities;
5. Debt subordinated to the claims of depositors and general creditors; and
6. Equity capital securities.

B. No interest on any claim shall be paid until all claims within the same class have received the full principal amount of claim.

§ 6.2-934. Receivership procedures involving assets held by closed bank as fiduciary.

The FDIC as receiver, with the approval of the receivership court, has the authority to appoint a successor to all rights, obligations, assets, deposits, agreements, and trusts held by the closed bank as trustee, administrator, executor, guardian, agent, or in any other fiduciary or representative capacity. The successor's duties and obligations commence upon appointment and are to the same extent binding upon the former bank as though the successor had originally assumed such duties and obligations. Specifically, the successor shall succeed to and be entitled to administer all trusteeships, administrations, executorships, guardianships, agencies, and all other fiduciary or representative proceedings to which the closed bank is named or appointed in wills, whenever probated, or to which it is appointed by any other instrument, court order, or by operation of law. Nothing in this section shall be construed to impair any right of the grantor or beneficiary of trust assets to secure the appointment of a substitute trustee or manager. Within 30 days after appointment, the successor shall (i) give written notice, insofar as practicable, to all interested parties named in the books and records of the bank or in trust documents held by it that such successor has been appointed in accordance with state law and (ii) cause the fact of its appointment to be recorded in appropriate courts of record.

§ 6.2-935. Termination of executory contracts and leases; liability; extension of statute of limitations.

Within 180 days of the date of the closing of the bank, the FDIC as receiver at its election may reject (i) any executory contract to which the closed bank is party without further liability to the closed bank or the receiver or (ii) any obligation of the bank as a lessee of real or personal property. The receiver's election to reject a lease creates no claim (a) for rent other than rent accrued to the date of termination or (b) for actual damages, if any, for such termination, not to exceed the equivalent of six months' payment. Notwithstanding any other law of the Commonwealth, the statute of limitations shall be extended for a period of six months on all causes of action which may accrue to the FDIC as receiver.

§ 6.2-936. Subrogation to rights of bank depositors.

Whenever the FDIC pays, or makes available for payment, the insured deposit liabilities of a closed bank, the FDIC, whether or not it acts as receiver, shall be subrogated to all rights of depositors against the closed bank to the same extent as subrogation is provided for by the Federal Deposit Insurance Act (12 U.S.C. § 1811 et seq.) in the case of a national bank.

§ 6.2-937. Destruction of records.

Subject to the approval of the receivership court, the closed bank's records may be destroyed after the FDIC, as receiver, determines that there is no further need for them.

#### Trust Powers and Trust Business.

##### § 6.2-1000. Definitions.

As used in this chapter, unless the context requires otherwise:

"Affiliated trust company" means a trust company that is controlled by a trust company holding company.

"Trust business" means the holding out by a person or legal entity to the public at large by advertising, solicitation or other means that the person or legal entity is available to act as a fiduciary in the Commonwealth or is accepting and undertaking to perform the duties of a fiduciary in the regular course of its business. A person does not engage in trust business by:

1. Rendering services as an attorney at law in the performance of duties as a fiduciary;
2. Rendering services as a certified or registered public accountant in the performance of duties as such;
3. Acting as trustee under a deed of trust made only as security for the payment of money or for the performance of another act;
4. Acting as a trustee in bankruptcy or as a receiver;
5. Holding trusts of real estate for the primary purpose of subdivision, development or sale, or to facilitate any business transaction with respect to such real estate;
6. Engaging in the business of an escrow agent;
7. Holding assets as trustee of a trust created for charitable purposes if:
  - a. The trustee is an entity exempt from federal income tax under § 501(c)(3) of the Internal Revenue Code; and

The trust is (i) exempt from federal income taxes under § 501(c)(3) of the Internal Revenue Code; (ii) a charitable remainder trust described in § 664 of the Internal Revenue Code; (iii) a pooled income fund described in § 642(c)(5) of the Internal Revenue Code; or (iv) a trust the charitable interest in which is either a guaranteed annuity or a fixed percentage distributed yearly of the fair market value of the trust property, described in § 2055(e)(2)(B) or § 2522(c)(2)(B) of the Internal Revenue Code;
8. Receiving rents and proceeds of sale as a licensed real estate broker on behalf of the principal; or
9. Engaging in securities transactions as a broker-dealer or salesman.

"Trust company" means a corporation, including an affiliated trust company, that is authorized to engage in the trust business under Article 2 (§ 6.2-1013 et seq.) of this chapter, the powers of which are expressly restricted to the conduct of trust business.

"Trust company holding company" means a corporation that controls a trust company. A trust company holding company shall not be deemed a financial institution holding company for any purpose under this title unless it controls a financial institution other than an affiliated trust company or another financial institution holding company.

"Trust institution" means any (i) bank authorized to engage in the trust business, (ii) trust company, or (iii) trust subsidiary.

"Trust subsidiary" or "subsidiary trust company" means a corporation organized under Chapter 9 (§ 13.1-601 et seq.) of Title 13.1, or an association organized under the National Banking Act with its main office located in the Commonwealth, that is authorized to transact trust business and business incidental thereto, but not to accept deposits except as incidental to such trust business.

##### § 6.2-1001. Entities authorized to engage in trust business.

A. No entities, except (i) corporations duly chartered and already conducting trust business in the Commonwealth under authority of the laws of the Commonwealth or the United States, (ii) banks hereafter incorporated under the laws of the Commonwealth that are authorized to engage in the trust business through a separate trust department pursuant to Article 3 (§ 6.2-819 et seq.) of Chapter 8, (iii) corporations authorized to engage in the trust business in the Commonwealth under the banking laws of the United States, (iv) trust companies authorized to establish and operate one or more trust offices or engage in trust business in the Commonwealth under Article 2 (§ 6.2-1013 et seq.) of this chapter, (v) trust subsidiaries authorized to engage in trust business under Article 3 (§ 6.2-1047 et seq.) of this chapter, (vi) multistate trust institutions authorized to engage in trust business under Article 4 (§ 6.2-1065 et seq.) of this chapter, (vii) private trust companies authorized to engage in trust business

under Article 5 (§ 6.2-1074 et seq.) of this chapter, or (viii) savings institutions authorized to engage in the trust business pursuant to Article 6 (§ 6.2-1081 et seq.) of this chapter, shall engage in the trust business in the Commonwealth. No foreign corporation, except as permitted in Chapter 7 (§ 6.2-700 et seq.), shall engage in trust business in the Commonwealth.

B. Nothing in this chapter shall prevent:

1. A natural person from qualifying and acting as trustee, personal representative, guardian, conservator, committee, or in any other fiduciary capacity;

2. Any person from (i) lending money on real estate and personal security or collateral, (ii) guaranteeing the payment of bonds, notes, bills and other obligations, or (iii) purchasing or selling stocks and bonds;

3. Any bank or trust company organized under the laws of the Commonwealth from qualifying and acting in another state as trustee, personal representative, guardian of a minor, conservator, or committee or in any other fiduciary capacity, when permitted so to do by the laws of such other state; or

4. An incorporated association that is authorized to sell burial association group life insurance certificates in the Commonwealth, as described in the definition of limited burial insurance authority in § 38.2-1800, the principal purpose of which is to assist its members in (i) financial planning for their funerals and burials and (ii) obtaining insurance for the payment, in whole or in part, for funeral, burial, and related expenses, from serving as trustee of a trust established pursuant to § 54.1-2822.

C. Nothing in this section shall be construed:

1. To prevent any bank or trust company organized in the Commonwealth and chartered under the laws of the United States from transacting business in the Commonwealth; or

2. To prevent a real estate broker as defined in § 54.1-2100 from owning or operating a bank provided that the requirements of this chapter are met.

D. Except as permitted by this chapter or by Article 3 (§ 6.2-819 et seq.) of Chapter 8, or by federal law in the case of a national banking association having its main office in the Commonwealth, no entity shall qualify or act (i) as a personal representative of a deceased person; (ii) as a guardian for an infant or an incapacitated person; (iii) as a committee; (iv) as a conservator for an incapacitated person; (v) as a testamentary trustee, or trustee for any other trust if required by law to account to the commissioner of accounts of a circuit court in the Commonwealth; or (vi) in any other fiduciary capacity required to account to the commissioner of accounts of a circuit court in the Commonwealth.

§ 6.2-1002. Powers of trust institutions.

A. All banks that are authorized to do a trust business and all trust companies shall have the following rights, powers, and privileges, and shall be subject to the following regulations and restrictions:

1. To act as agent for any person, corporation, municipality, or state, for the collection or disbursement of interest, or income or principal of securities;

2. To act as the fiscal or transfer agent of any state, municipality, or body politic or corporate, and in such capacity to receive and disburse money; to transfer, register, and countersign certificates of stock, bonds, or other evidences of indebtedness;

3. To act as agent of any corporation, foreign or domestic, for any lawful purpose;

4. To act as trustee under any mortgage or bond issued by an individual, municipality, or body politic or corporate, and to accept and execute any other municipal or corporate trust not inconsistent with the laws of the Commonwealth;

5. To act as guardian, receiver, or trustee of the estate of any minor and as depository of any money paid into court, whether for the benefit of any minor or other person;

6. To take, accept, and execute any and all such lawful trusts, duties, and powers in regard to the holding and management and disposition of any estate, real and personal, and the rents and profits thereof, or the sale or lease thereof, as may be granted or confided to it by any circuit court, judge, or clerk, or by any person, corporation, municipality, or other authority, and it shall be accountable to all parties in interest for the faithful discharge of every such trust, duty, or power which it may so accept;

7. To take, accept, and execute any and all such trusts and powers, of whatever nature and description, as may be conferred upon or entrusted or committed to it by any person, including any body politic or corporate or other authority, by grant, assignment, transfer, devise, bequest, or otherwise or as may be entrusted or committed or transferred to it or vested in it by order of any circuit court, judge, or clerk, and to receive and hold any property or estate, real or personal, which may be the subject of any such trust; and

8. To act as:

a. Executor under the last will and testament or administrator of the estate of any deceased person, under appointment of any circuit court, judge, or clerk thereof, having jurisdiction of the estate of such deceased person;

b. Guardian of the person or of the estate of any infant, guardian or conservator of any incapacitated person, habitual drunkard, or person who by reason of advanced age or impaired health or physical disability has become mentally or physically incapable of taking proper care of his person

or properly handling and managing his estate, under appointment of any circuit court, judge, or clerk thereof, having jurisdiction of the estate of such person; or

c. Trustee or committee for any convict in the penitentiary, under appointment of any circuit court, judge, or clerk thereof, having jurisdiction of the estate of such person.

B. Nothing in this section shall ever be construed as authorizing the creation of a trust not lawful as between individuals nor to prohibit the deposit of funds by court and fiduciaries in banks of deposit and discount and savings banks.

C. Every trust company doing business in the Commonwealth is authorized temporarily to suspend its usual business during a period of actual or threatened enemy attack, civil insurrection, or riot, affecting the community in which such institution is doing business or other emergency justifying temporary closing, such as fire, flood, or hurricane.

§ 6.2-1003. When security not required; payment of probate taxes and fees.

A. No bank or trust company with a minimum unimpaired capital stock of \$50,000 or more shall be required by any officer or court of the Commonwealth to (i) give security upon appointment to or acceptance of any office of trust which it may, by law, be authorized to execute or (ii) give security upon any bond given pursuant to § 4.1-341 or similar statute; however, no bank or trust company shall qualify on an estate having a value in excess of its combined unimpaired capital and surplus without giving bond for such excess.

B. When such bank or trust company shall qualify on any office of trust, the clerk in lieu of collecting the fees under Title 17.1 and probate taxes may render a bill or statement to the bank or trust company to be paid within five business days.

§ 6.2-1004. Who may take oath for corporate fiduciary.

In all cases where any trust institution shall be appointed to act as trustee, executor, or administrator of any estate or guardian for any infant, or in any other fiduciary capacity, it shall be lawful for any officer of the trust institution to take and subscribe for the institution any and all oaths required to be taken or subscribed by such executor, administrator, trustee, guardian, or other fiduciary.

§ 6.2-1005. Deposit or other use of trust funds.

A. Funds received or held in the trust department of a bank or by a trust company awaiting investment or distribution shall not be used by the bank or trust company in the conduct of its business.

B. Notwithstanding subsection A, such funds may be deposited by a bank in its commercial or savings department to the credit of its trust department, if the bank first delivers to the trust department, as collateral security therefor, securities of any of the following classes:

1. Bonds, notes, or certificates of indebtedness of the United States;

2. Other readily marketable securities of the classes in which fiduciaries are authorized or permitted to invest trust funds, as set forth in § 26-40.01; or

3. Other readily marketable bonds, notes, or debentures, commonly known as investment securities, meeting the following requirements:

a. That the issue be of a sufficiently large total to make marketability possible;

b. Such a public distribution of the securities must have been provided for or made in a manner to protect or insure the marketability of the issue; and

c. That the trust agreement under which the security is issued provides for a trustee independent of the obligor, which trustee must be a trust institution.

C. The securities deposited as collateral pursuant to subsection B shall be owned by the bank and shall at all times be at least equal in market value to the amount of trust funds so used in the conduct of the business of the bank less such amount thereof as shall be insured by the Federal Deposit Insurance Corporation under existing or future federal law.

D. In the event of the failure or liquidation of such bank, the owners of the funds held in trust for investment shall have a lien on the bonds or other securities so set apart in addition to their claim against the estate of the bank.

§ 6.2-1006. Custody of trust securities to be kept separate; federal securities and obligations.

A. The securities and investments held in each trust shall be kept separate and distinct from the securities owned by the trust institution. The trust institution shall at all times show upon its trust records the interests of each separate fiduciary account and trust in each particular security or investment held by it in a fiduciary capacity. Trust securities and investments shall be placed in the joint custody or control of two or more officers or other employees designated by the board of directors of the trust institution. Such joint custody shall be interpreted to mean that neither of such officers or employees shall have access alone at any time to such securities and investments. All such officers and employees shall be bonded.

B. Securities and obligations of the United States and of agencies of the United States government may be held for the account of the trust institution by a Federal Reserve Bank in a book-entry custody account, without the requirement of the trust institution having physical possession of such securities, provided at all times that the records of the Federal Reserve Bank and the trust institution shall at all times identify separately those securities held for the account of the trust institution and those held by the trust institution in a fiduciary capacity.

*§ 6.2-1007. Investment of trust funds.*

*A. Funds received or held by a trust institution awaiting investment or distribution shall be invested or distributed as soon as practicable and shall not be held uninvested by the trust institution any longer than is reasonably necessary.*

*B. If the instrument creating the trust does not specify the character or class of investments to be made, and does not expressly grant to the trust institution, its officers or directors discretion in the matter of investments, funds held in trust shall be invested in any securities in which corporate or individual fiduciaries may lawfully invest.*

*C. If the instrument under which a trust institution is serving as fiduciary or cofiduciary does authorize it to retain:*

*1. Its own stock or securities, it shall be authorized to retain in like manner the stock or securities of a bank holding company of which it is a subsidiary; or*

*2. The stock or securities of a bank or trust company to the business of which the fiduciary has succeeded, or the stock or securities of a bank or trust company which has become a subsidiary of a bank holding company, such fiduciary shall be authorized in like manner to retain the stock of the successor bank or trust company or bank holding company.*

*§ 6.2-1008. Dealings with self or affiliates.*

*A. No trust institution shall buy any property for a trust or estate from itself, or a department or branch thereof, or from an affiliate or subsidiary corporation, or from a director, officer, or employee of such trust institution. Any such purchase shall be voidable at the election of any beneficiary or successor trustee, unless (i) approved by an appropriate court, (ii) consented to by all beneficiaries after full and fair disclosure, (iii) authorized by the instrument creating the fiduciary relationship, or (iv) permitted by ruling of the Commissioner.*

*B. A sale of any trust or fiduciary property by a trust institution to itself, or a department or branch of such trust institution, or to an affiliate or subsidiary corporation, or to a director, officer, or employee of such trust institution, except as (i) approved by an appropriate court, (ii) consented to by all beneficiaries after full and fair disclosure, (iii) authorized by the instrument creating the fiduciary relationship, or (iv) permitted by ruling of the Commissioner, shall be a breach of trust and voidable at the election of any beneficiary or successor trustee.*

*C. Notwithstanding the provisions of subsections A and B, a trust institution, as fiduciary of one estate or trust, may buy or sell from or to itself, as fiduciary of another estate or trust, assets which at the time of sale are permissible fiduciary investments under Title 26, if the transaction is fair to both estates or trusts and is not prohibited by the terms of any instrument under which the fiduciary is acting.*

*§ 6.2-1009. Common trust and collective investment funds.*

*A. As used in this section:*

*"Common trust fund" means a common trust fund described under § 584 of the Internal Revenue Code of 1986, as amended, as well as any other type of collective investment fund that is exempt from federal income taxation under any other provision of the Internal Revenue Code or regulations issued pursuant thereto.*

*"Maintaining bank" means a trust institution that establishes and maintains a common trust fund for the collective investment of qualified employee benefit trusts or funds held in a fiduciary capacity by it, including agency accounts under which the institution exercises investment discretion and assumes fiduciary responsibilities.*

*"Participating bank" means a trust institution duly authorized to act as a fiduciary, wherever located, that is owned, controlled by, or affiliated with (i) a maintaining bank or (ii) a bank holding company that also owns, controls, or is affiliated with a maintaining bank.*

*B. Any trust institution may establish and maintain one or more common trust funds for the collective investment of qualified employee benefit trusts or funds held in a fiduciary capacity by it, including agency accounts under which the institution exercises investment discretion and assumes fiduciary responsibilities.*

*C. The maintaining bank may include, for the purposes of collective investment in a common trust fund or funds established and maintained by it, funds held in a fiduciary capacity by any participating bank.*

*D. A maintaining bank may invest the funds held by it in any fiduciary capacity in one or more common trust funds, provided (i) such investment is not prohibited by the instrument, judgment, decree, or order creating such fiduciary relationship or amendment thereof; (ii) in the case of co-fiduciaries the written consent of the co-fiduciary is obtained by the maintaining bank; and (iii) the maintaining bank has no interest in the assets of the common trust fund other than as a fiduciary.*

*E. Unless ordered by an appropriate court, the maintaining bank operating a common trust fund shall not be required to render a court accounting with regard to such fund; but, by application to an appropriate court, it may secure approval of such an accounting on such conditions as the court may establish. This section shall not affect the duties of the trustees of the participating trusts under the common trust fund to render accounts of their several trusts.*

*F. All common trust funds shall be operated in conformity with the regulations issued from time to time by the Commission, which regulations shall conform substantially to the regulations of the Comptroller of the Currency governing the operations of common trust funds.*

*§ 6.2-1010. Holding stock or other securities as fiduciary.*

*A. A trust institution holding stock or other securities as fiduciary may hold it in the name of a nominee without mention of the trust in the stock certificate or stock registry book or other book in which such securities are registered. A fiduciary registering stock or other securities in the name of a nominee as herein permitted, shall (i) clearly show upon its trust records the ownership of the stock or other securities by the fiduciary and the facts regarding its holding and (ii) provide that the nominee shall not have possession of the stock certificate or other securities nor access thereto except under the immediate supervision of the fiduciary. The fiduciary shall be personally liable for any loss to the trust resulting from any act of such nominee in connection with stock or other securities so held. Any individual serving as cofiduciary with a trust institution may consent to the trust institution holding such stock or other securities in the name of a nominee as herein provided; however, in such case the trust institution shall forthwith upon demand of the individual cofiduciary cause the stock or other securities to be transferred into the name of the fiduciaries in their fiduciary capacity.*

*B. Notwithstanding the provision relating to possession of the nominee, the trust institution may permit such certificates or other securities to remain in the possession of the nominee or a clearing corporation as defined in § 8.8A-102, within or without the Commonwealth, if the trust institution obtains adequate protection, through insurance or otherwise, against loss of such certificates or securities due to lack of possession by the fiduciary or possession thereof by the nominee or a clearing corporation.*

*C. The Commissioner or other appropriate regulatory official may review in advance and approve the protection through insurance or otherwise against loss due to lack of possession of these certificates or securities by the fiduciary.*

*§ 6.2-1011. Voting of bank shares held by trust institution as fiduciary; when disqualified.*

*A. As used in this section, "banking corporation" includes a bank or a corporation or company that is a bank holding company under 12 U.S.C. § 1841, as amended from time to time.*

*B. When shares of a national banking association or of a banking corporation organized under the laws of the Commonwealth or another state are held by a trust institution that is serving as a personal representative of a decedent, trustee, guardian of any infant, agent or in any other fiduciary capacity, the trust institution may not (i) vote or participate in the voting of any voting securities of such bank if the securities held in such fiduciary capacity, together with all the other voting securities of such bank held in a fiduciary capacity, exceed 25 percent of the outstanding voting securities of such bank or (ii) vote such voting securities, if the voting securities of such bank held as a personal representative of the decedent, together with all other voting securities of such bank held in a fiduciary capacity, exceed five percent, unless there has been a determination by the Board of Governors of the Federal Reserve System that the right to vote five percent or more of the voting securities but less than 25 percent thereof does not constitute control of that bank.*

*C. If there is any personal representative, trustee, guardian of any infant, or other fiduciary in addition to the trust institution in such fiduciary capacity, the other fiduciary, if not a director, officer, or employee of the trust institution, may vote such shares. If the trust institution is the sole fiduciary, or if the trust institution is serving along with a director, officer, or employee of the trust institution, it may petition the court, as provided in subsection D, for the appointment of a cofiduciary for the sole purpose of voting such bank shares.*

*D. When a trust institution has qualified or is serving under the laws of the Commonwealth as personal representative of a decedent, trustee, guardian of any infant, or in any other fiduciary capacity, and in such estate or trust, there are shares of stock of a national banking association or a banking corporation organized under the laws of the Commonwealth or another state, and the trust institution is disqualified under subsection B from voting such shares, the trust institution or any interested party may petition the court in which the institution qualified or is capable to qualify to appoint a cofiduciary for the sole purpose of voting the shares of the banking association or banking corporation held by the estate or trust, which the trust institution is disqualified from voting. The appointment and qualification may be ex parte, and no prior notice to the beneficiary shall be required. The court at the time of such qualification may relieve the cofiduciary of any obligation for the giving of surety on his bond, and if the appointment of the cofiduciary is limited to voting of the bank stock, such order may provide that the cofiduciary shall not be liable or accountable as a fiduciary in the administration of such estate or trust except for the breach of any fiduciary duty in voting or failing to vote such bank stock. No director, officer, or employee of a trust institution shall be eligible to be named cofiduciary under the provisions of this subsection.*

*§ 6.2-1012. Suspension or prohibition of trust institutions.*

*The Commission may prohibit or suspend from engaging in trust business any (i) trust company that fails to comply with any of the provisions of § 6.2-1005, 6.2-1006, or 6.2-1008; (ii) bank doing a trust business that fails to comply with any of the provisions of § 6.2-821, 6.2-1005, 6.2-1006, or 6.2-1008;*

or (iii) trust subsidiary that fails to comply with the provisions of § 6.2-1006 or 6.2-1008.

D. The Commission may revoke the certificate of any trust company that the Commission finds has failed to maintain a bond as required by this section.

§ 6.2-1017. Procedure for granting or denying certificate.

Before any trust company shall begin business, it shall obtain from the Commission a certificate of authority authorizing it to do so. Prior to the issuance of such a certificate to a trust company or affiliated trust company, the Commission shall ascertain that:

1. All of the provisions of law have been complied with;

2. The applicant is formed as a trust company for no other reason than to engage in legitimate trust business;

3. Financially responsible persons have subscribed for capital stock, surplus, and a reserve for operation in an amount deemed by the Commission to be sufficient to warrant successful operation, but the capital stock shall not be less than \$500,000;

4. Each principal of an applicant has the financial responsibility, character, reputation, and general fitness to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with law;

8. In its opinion, the public interest will be served by the formation of a trust company in the community where it is proposed. Authorizing the applicant to engage in the trust business as a trust company shall be deemed in the public interest if, based on all relevant evidence and information, advantages such as, but not limited to, increased competition, additional convenience, or gains in efficiency outweigh possible adverse effects such as, but not limited to, diminished or unfair competition, undue concentration of resources, conflicts of interests, or unsafe or unsound practices;

9. The operating plan and any other relevant evidence and information warrant belief that the applicant will conduct its business in accordance with generally accepted fiduciary standards;

10. The applicant has provided a bond as required by § 6.2-1016;

11. The applicant is not in violation of § 6.2-1021; and

12. Anything else deemed pertinent.

§ 6.2-1018. Minimum capital; state of incorporation; form of entity.

A certificate shall not be issued under § 6.2-1017 to an applicant:

1. Unless it meets the minimum capital requirement for a trust company prescribed by § 6.2-1017; and

2. That is not a corporation organized under the laws of the Commonwealth.

§ 6.2-1019. Issuance of shares; subscriptions to stock; stock option plans.

A. A trust company shall not issue no-par stock. The stock of a trust company shall be paid for in money at not less than par value, and a trust company shall not begin business until it has received payment in full of the amounts of initial capital specified in its certificate of authority.

B. Money received for subscriptions to or purchases of stock of a trust company before it opens for business shall be deposited in escrow in one or more insured financial institutions or invested in United States government obligations. Such funds shall be under the joint control of at least two organizing directors of the trust company, each of whom shall be bonded for an amount not less than the total amount of money under their control. Such funds, together with any income thereon, less such organizational expenses as have been approved by the trust company's board of directors, shall be remitted to the trust company on the day it opens for business.

C. If the trust company is denied a certificate of authority, or it is otherwise determined that the trust company will not open for business, such funds, after payment of any amount owing for expenses in connection with such attempted organization, including reasonable consulting fees, attorney fees, salaries, filing fees, and other expenses, shall be refunded to subscribers or shareholders. The directors of the trust company, individually, jointly, and severally, shall be liable for any failure of the trust company to refund such funds to the subscribers or shareholders. This liability may be enforced by a suit in equity instituted by one or more of the subscribers or stockholders on behalf of all subscribers or stockholders against the trust company and one or more of its directors.

D. The requirement that capital stock be paid for in money shall not be construed to prohibit the establishment, as otherwise authorized by law, of stock option plans and stock purchase plans, or the issuance of stock pursuant to such plans. Such plans shall be established only after the trust company has opened for business and shall be approved by the shareholders of the company in accordance with applicable provisions of the Virginia Stock Corporation Act (§ 13.1-601 et seq.).

§ 6.2-1020. Certain transactions by affiliated trust companies prohibited.

An affiliated trust company shall not:

1. During the underwriting period, purchase from an affiliated broker-dealer, for any trust account or for its own account, any security that is being underwritten by that broker-dealer; or

2. Purchase for any trust account or for its own account any security that is issued by a company that owns five percent or more of the capital stock of, or is affiliated with, the affiliated trust company.

§ 6.2-1021. Commissions or fees for sale of stock not permitted.

The Commission shall not issue a certificate of authority to a trust company if any commissions, fees, brokerage, or other compensation by whatever name have been paid or contracted to be paid by the trust company, or by anyone in its behalf, directly or indirectly, to any person for the sale of stock in such trust company. Nothing herein shall be construed to prohibit a trust company that has been issued a certificate of authority and is conducting operations from paying or contracting to pay such commissions or fees in connection with the issue or reissue of shares of stock of the trust company.

§ 6.2-1022. Reacquisition of shares; dividends.

A. A trust company may not purchase, redeem or otherwise reacquire shares of stock it has issued, except that the Commission, upon the petition of a trust company, may permit the company to reacquire its own stock if the Commission finds that the proposed reacquisition will not jeopardize the safety and

soundness of the trust company and will not be contrary to the public interest.

B. The board of directors of any trust company may declare a dividend of so much as it finds expedient of the net undivided profits of the trust company, after providing for all expenses, losses, interest, and taxes owed by the trust company. However, before any dividend is declared, capital funds originally paid in shall have been restored by earnings to their initial level, and no dividend shall be declared or paid by the trust company that would impair the paid-in capital of the trust company. Notwithstanding the foregoing provisions of this section, the Commission may limit the payment of dividends by a trust company when it is determined that the limitation is in the public interest and is necessary to ensure the financial soundness of the trust company.

§ 6.2-1023. Acquisition of stock; application.

A. Except as provided in this section, no person shall acquire, directly or indirectly, 10 percent or more of the voting shares of a trust company unless such person first:

1. Files an application with the Commission in such form as the Commission may prescribe;
2. Delivers such other information to the Commission as the Commission may require concerning the financial responsibility, background, experience, and activities of the applicant, its directors, senior officers, and principals and of any proposed new directors, senior officers, and principals of the trust company; and
3. Pays such application fee as the Commission may prescribe.

B. Upon the filing and investigation of an application, the Commission shall permit the acquisition, subject to § 6.2-1024, if it finds that the applicant and (i) its members if applicable, (ii) its directors, senior officers, and principals, and (iii) any proposed new directors, senior officers, and principals, have the financial responsibility, character, reputation, experience, and general fitness to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with law. The Commission shall grant or deny the application within 60 days from the date a completed application, accompanied by the required fee, is filed, unless the period is extended by order of the Commission reciting the reasons for the extension. If the application is denied, the Commission shall notify the applicant of the denial and the reasons for the denial.

C. The foregoing provisions of this section shall not apply to a person owning 51 percent or more of the capital stock of the trust company at the time of the proposed acquisition; however, such person shall give the Commission 30 days advance written notice of the proposed acquisition and provide such additional information as the Commission may require.

§ 6.2-1024. Restrictions on control, officers and directors.

A. None of the following individuals or entities shall acquire control of any trust company under § 6.2-1023:

1. An agent;
2. A broker-dealer;
3. An investment advisor;
4. An investment advisor representative;
5. An investment company; or
6. Any corporation, limited liability company, partnership, business trust, association, or similar organization.

B. Nothing in this section shall prohibit (i) the formation of a trust company holding company by a trust company, (ii) any officer, director, or employee of a trust company holding company or a subsidiary of a trust company holding company from owning, indirectly, five percent or more of any class of capital stock of an affiliated trust company, or (iii) the acquisition of a trust company pursuant to § 6.2-1023 by a bank holding company as defined in 12 U.S.C. § 1841 or by a corporation that controls a subsidiary authorized to engage in the trust business under federal law or the laws of any state.

§ 6.2-1025. Report to Commission of election of director.

Within 60 days following the election or reelection of any person as a director of a trust company, the trust company shall furnish such information to the Commission relative to his personal character, integrity, financial condition, and personal and business background as the Commission shall from time to time prescribe. Such report, under oath, shall be signed by the director as well as a designated officer of the trust company. Any person knowingly making a false statement in such a report is guilty of perjury.

§ 6.2-1026. Removal of director or officer; appeals; penalty.

A. Whenever any director or officer of a trust company doing business in the Commonwealth, shall have continued to violate any law relating to such trust company or shall have continued unsafe or unsound practices in conducting the business of such trust company, after the director or officer, and the board of directors of the trust company of which he is a director or officer, have been warned in writing by the Commissioner to discontinue such violation of law or such unsafe or unsound practices, the Commissioner shall certify the facts to the Commission. The Commission shall thereupon enter an order requiring such director or officer to appear before the Commission, within not less than 10 days, to show cause why he should not be removed from office and thereafter restrained from participating in

any manner in the management of such trust company. Such order shall contain a brief statement of the facts certified to the Commission by the Commissioner. A copy of such order shall be served upon such director or officer, and a copy thereof shall be sent by registered mail to each director of the trust company affected.

B. If, after granting the accused director or officer a reasonable opportunity to be heard, the Commission shall find that he has continued to violate any law relating to such trust company, or has continued unsafe or unsound practices in conducting the business of such trust company, after he and the board of directors of the trust company of which he is a director or officer have been warned in writing by the Commissioner to discontinue such violation of law or unsafe or unsound practices, the Commission shall enter an order removing such director or officer from office and restraining such director or officer from thereafter participating in any manner in the management of such trust company. A copy of such order shall be served upon such director or officer. A copy of such order shall also be served upon the trust company of which he is a director or officer. Upon such removal the director or officer shall cease to be a director or officer of such trust company and thereafter cease to participate in any manner in the management of such trust company.

C. Any director or officer aggrieved (i) by any order of the Commission entered under subsection B or (ii) by an order refusing to remove another director or officer from office or to restrain him from participating in the management of the trust company, shall have, of right, an appeal to the Supreme Court of Virginia within 60 days from the date of the order.

D. Any director or officer removed or restrained under the provisions of subsection B from participating in any manner in the management of any trust company of which he is a director or officer, and who thereafter participates in any manner in the management of such trust company except as a stockholder therein, is guilty of a Class 6 felony.

In lieu of such bonds, the board may obtain one or more blanket bonds. The surety on every bond shall be a bonding or surety company authorized to transact business in Virginia, and the penalty of any such bond shall be increased whenever in the opinion of the Commission it is necessary for the protection of the public interest.

B. If a trust company is unable to obtain the bond required by this section, it shall immediately notify the Commission. The Commission may then direct the trust company to have an audit performed at its expense by an independent certified public accounting firm. The trust company shall obtain blanket bond coverage as soon as such coverage is available. Failure to obtain blanket bond coverage may be cause for action by the Commission as provided by § 6.2-1036.

2. The relocation of any office.

B. The office at which a trust company begins business shall be designated initially as its principal office. The board of directors of a trust company may thereafter redesignate as the principal office another authorized office of the trust company in the Commonwealth. The trust company shall notify the Commission of any such redesignation not later than 30 days before its effective date and shall confirm to the Commission any redesignation within 10 days of its occurrence.

#### *§ 6.2-1029. Directors.*

A. The affairs of every trust company shall be directed by a board of directors. The board shall consist of not less than five nor more than 25 individuals. A majority of the directors shall be citizens of the Commonwealth.

B. Every director of a trust company shall be the sole owner, and have in his personal possession or control shares, of stock of such trust company having a book value of not less than \$2,000 and, within 30 days of election, shall take an oath that he will diligently and honestly perform his duties as a director and that he is the sole owner and has in his possession or control the required amount of stock, unencumbered in any way. When a director is reelected or reappointed, he shall take an oath certifying his ownership and control of the required amount of unencumbered stock throughout his previous term.

C. Any director who (i) fails, for a period of 30 days, to take the oath or (ii) does not comply with the requirement for ownership of stock, both as required by subsection B, shall automatically forfeit his office.

D. Within 60 days following the election or reelection of any individual as a director of a trust company, the trust company shall furnish such information to the Commission relative to his personal character, integrity, financial condition, and personal and business background, as the Commission shall from time to time prescribe. Such report, under oath, shall be signed by the director as well as a designated officer of the trust company. Any person knowingly making a false statement in such a report

is guilty of perjury.

§ 6.2-1031. Reports.

Each trust company and trust company holding company shall file statements of condition and other reports with the Commission in accordance with requirements established by regulation.

§ 6.2-1032. Investigations; examinations.

A. The Commission may, by its designated officers and employees, as often as it deems necessary, investigate and examine the affairs, business, premises, and records of any trust company and of any trust company holding company. Examinations of such trust companies shall be conducted at least twice in each three-year period.

B. In the course of such investigations and examination, the principals, officers, directors, and employees of such trust company or trust company holding company being investigated or examined shall, upon demand of the person making such investigation or examination, afford full access to all premises, books, records, and information that the person making such investigation or examination deems necessary. For the foregoing purposes, the person making the investigation or examination shall have authority to administer oaths, examine under oath all the aforementioned persons, and compel the production of papers and objects of all kinds.

§ 6.2-1033. Fees.

A. In order to defray the costs of their examination, supervision, and regulation, every trust company shall pay a fee of \$330 per day per examiner during examinations.

§ 6.2-1034. Regulations.

The Commission may adopt such regulations as it deems appropriate to effect the purposes of this article. Before adopting any such regulation, the Commission shall give reasonable notice of its content and shall afford interested parties an opportunity to be heard in accordance with the Commission's Rules. In adopting regulations applicable to affiliated trust companies, the Commission shall be guided, where appropriate, by those standards and requirements concerning self-dealing and conflicts of interests that apply to banks, bank holding companies, and their subsidiaries when engaged in both trust and securities activities.

§ 6.2-1035. Audits.

The Commission may require trust companies or trust company holding companies to have audits made of their books, records, and methods of operation annually. The Commission may require such audits to be conducted at any other time that it appears to the Commission that (i) the internal controls of a trust company or trust company holding company are not adequate, (ii) it is engaging in unsound practices, or (iii) its financial condition makes such audit necessary.

§ 6.2-1036. Commission's remedial powers.

A. If the Commission finds that a trust company (i) has failed to fully observe the laws of the Commonwealth, (ii) is being operated in an unsafe or unsound manner, (iii) has failed to comply with any Commission order or regulation, (iv) is engaging in any irregular practices, or (v) is, or is about to become, insolvent or its capital has been, or is in danger of being, impaired, the Commission shall give notice thereof to the officers and directors of the company. 4. Require that any irregularities be promptly corrected;
5. Require that any impairment of capital be made good; or
6. Temporarily suspend the right of the company to receive any further property in a fiduciary capacity.

B. If the Commission determines that a receiver should be appointed for a trust company, the Commission may close the company; take charge of the books, assets and affairs of the company; and apply to any circuit court in the Commonwealth for the appointment of a receiver to take charge of the company's business, assets and affairs. Proceedings for appointment of a receiver for a trust company

shall not be entertained by any court except on application of the Commission.

C. The Commissioner may issue and serve upon a trust company a cease and desist order if, in the opinion of the Commissioner, the company is engaging, has engaged, or, there is reasonable cause to believe, is about to engage in an unsafe or unsound practice, irregularity, or any violation of law, rule, or regulation applicable to the conduct of its business, or any Commission order. The cease and desist order shall contain a statement of the facts upon which it is based and may require, in terms that may be mandatory or otherwise, the company and its directors, officers, employees, and agents to cease and desist from the practice or violation. The order shall specify its effective date and shall notify the company of its right to request a hearing in accordance with the Commission's Rules.

D. When the practice or violation specified in an order issued pursuant to subsection C, or any continuation thereof, is likely to prejudice the company's stockholders, or persons having an interest in property held by the company in a fiduciary capacity, the Commissioner may make the order effective immediately. An order shall remain in effect until withdrawn by the Commissioner or terminated by the Commission after a hearing. A request for a hearing shall be given expeditious treatment on the Commission's docket, and the Commission need not allow 10 days' notice to the company.

§ 6.2-1037. Effect of surrender or revocation of certificate.

If a trust company surrenders its certificate or its certificate is revoked, the trust company, its assets, and the assets it holds in trust shall nevertheless continue to be subject to the provisions of this article, including the provisions of § 6.2-1036.

§ 6.2-1038. Appointment of receiver.

A. When in the judgment of the Commission it is necessary for the protection of the interests of the Commonwealth or of the creditors of any trust company doing business in the Commonwealth, the Commission shall apply to any court in the Commonwealth having jurisdiction to appoint receivers for the appointment of a receiver to take charge of the business affairs and assets and to wind up the affairs and business of any such trust company failing to comply with the requirements of the Commission, or found upon examination to be insolvent or unable to meet its obligations and the legal demands made upon it in the ordinary course and conduct of its business.

B. The foregoing prohibitions shall not apply to use by a trust company holding company of the word "trust" or the equivalent thereof in its name, or of a name similar to that of a subsidiary trust company of such trust company holding company.

C. The use of the above-mentioned words in the name of, or in connection with, any other business shall not be prohibited if the context or remaining words show clearly and definitely that the business is not a trust company, and is not carrying on a trust business.

D. Any person violating the provisions of this section, either individually or as an interested party, is guilty of a Class 6 felony.

§ 6.2-1041. Civil penalties for failure to comply with § 6.2-1031 or 6.2-1032.

If such undertaking is filed, a trust subsidiary may qualify in a fiduciary capacity without giving security if the assets it is to receive in such capacity have a value not greater than the combined and unimpaired capital and surplus of the parent Virginia bank holding company or parent bank that has undertaken to be responsible for the acts of such trust subsidiary. If no such undertaking shall have been filed, and corporate surety is provided, the premium thereof shall be borne by the trust subsidiary and not the fiduciary estate; or

3. If an affiliate bank shall already have qualified in any fiduciary capacity and given bond, without security, and the trust subsidiary or subsidiary bank shall qualify as successor fiduciary, then, if the order of substitution so provides, and the fiduciary for which there is to be substitution consents, the predecessor fiduciary shall remain liable on its bond for the acts of its named successor and no security shall be required of the successor fiduciary, if the bond of the fiduciary for which there is to be substitution is otherwise sufficient.

**§ 6.2-1057. Deposits held or received by trust subsidiaries or subsidiary bank with affiliate banks.**

A. Funds received or held by a trust subsidiary or subsidiary bank while awaiting investment or distribution shall not be used by an affiliate bank or owning bank in the conduct of its business or deposited in such bank, unless the bank first delivers to its trust department or to the trust subsidiary or

subsidiary bank, as collateral security therefor, securities of any of the classes described in subdivision B 1, B 2, or B 3 of § 6.2-1005, in an amount described in subsection B.

B. The securities deposited as collateral as required by subsection A shall be owned by the bank and shall at all times be at least equal in market value to the amount of trust funds held on deposit by such trust subsidiary or subsidiary bank, less such amount thereof as are insured by the Federal Deposit Insurance Corporation.

C. In the event of the failure or liquidation of such bank, the trust subsidiary or subsidiary bank and the owners of the beneficial interest in such trust funds shall have a lien on the bonds or other securities so set apart, in addition to their claims against the estate of the bank.

§ 6.2-1058. Substitution of trust subsidiary as fiduciary.

A. Upon obtaining a certificate to engage in the trust business, a trust subsidiary may file an application in the circuit court of the jurisdiction in which its main office is located requesting that it be substituted, except as may be excluded in such application, in every fiduciary capacity for each of its owning banks, or, in the case of a Virginia bank holding company, for any one or more of its affiliate banks specified in the application.

B. Upon finding that (i) the trust subsidiary has obtained a certificate to engage in the trust business by the Commission, or by the Comptroller of the Currency if the trust subsidiary is a national banking association, the main office of which is in the Commonwealth and (ii) the requirements of § 6.2-1056 have been met, the court shall enter an order substituting the trust subsidiary in every fiduciary capacity for each of its specified affiliate banks, or specified owning banks, except as may be otherwise specified in the application.

C. Upon entry of such order, the trust subsidiary shall, without further act, be substituted in every fiduciary capacity. The substitution shall be evidenced by filing a copy of the order with the clerk of any circuit court in the Commonwealth. The order shall be indexed in each index in the records of such court in which substitutions of fiduciaries are otherwise indexed. The application may be made ex parte and need not list the fiduciary capacities in which substitution is made. If the requirements of § 6.2-1056 have been met, the order of substitution shall specify that the trust subsidiary shall be deemed without further act to have given bond with open penalty with respect to each fiduciary capacity in which there is substitution.

D. Any bond, with corporate surety, posted under this section or § 6.2-1056 may be a blanket bond conditioned as otherwise contemplated by law.

E. Each designation in a will or other instrument heretofore or hereafter executed of a bank as fiduciary shall be deemed a designation of the trust subsidiary substituted for such bank pursuant to this section except when the instrument is executed after such substitution and expressly negates the application of this section. No waiver of surety with respect to any fiduciary bond shall be effective except in such case when the bond would be otherwise sufficient as contemplated by § 6.2-1056 or 6.2-1059. Any grant in such an instrument of any discretionary power shall be deemed conferred upon the fiduciary deemed to have been nominated hereunder.

F. A bank shall account jointly with the trust subsidiary that has been substituted as fiduciary for such bank pursuant to this section for the accounting period during which the trust subsidiary is initially so substituted. Upon substitution pursuant to this section, the bank shall deliver to the trust subsidiary all assets held by the bank as fiduciary, except assets held for accounts to which there has been no substitution. Upon such substitution, all such assets shall become the property of the trust subsidiary as fiduciary without the necessity of any instrument of transfer or conveyance.

§ 6.2-1059. Substitution of subsidiary bank under common ownership as fiduciary.

A. Upon obtaining permission to engage in the trust business, a subsidiary bank may file an application in the circuit court of the jurisdiction in which its main office is located requesting that it be substituted, except as may be specified in such application, in every fiduciary capacity for a bank under common ownership.

B. Upon a finding that (i) the subsidiary bank has been granted such permission to engage in the trust business by the Commission or the Comptroller of the Currency and (ii) the unimpaired capital and surplus of such subsidiary bank is sufficient as prescribed in § 6.2-1003, or bond with corporate surety has been posted for any excess, or has been validly waived, the court shall enter an order substituting the subsidiary bank in every fiduciary capacity for each of the specified banks under common ownership, except as may be otherwise specified in the application.

C. Upon entry of such order, such subsidiary bank shall, without further act, be substituted in every such fiduciary capacity. The substitution shall be evidenced by filing a copy of the order with the clerk of any circuit court in the Commonwealth. The order shall be indexed in each index in the records of such court in which substitutions of fiduciaries are otherwise indexed. The application may be made ex parte and need not list the fiduciary capacities in which substitution is made. If a bank under common ownership with the subsidiary bank shall already have qualified in any fiduciary capacity and given bond, without surety, then if the order of substitution shall so provide, which it may provide only if the fiduciary for which there is to be substitution consents, the predecessor fiduciary shall remain liable on its bond for the acts of its named successor, and no security or corporate surety shall be required of the

2. The personnel who will direct the proposed trust department have adequate experience and training, and will devote sufficient time to its affairs to ensure compliance with the law and to protect the association against surcharge;
3. The granting of trust powers to the association will be in the public interest; and
4. The association has available legal counsel to advise and pass upon fiduciary matters wherever necessary.

§ 6.2-1083. Commission to issue certificate; powers of associations authorized to offer trust services.

A. Upon granting the application of an association to exercise trust powers, the Commission shall issue a certificate authorizing the association or affiliate to exercise trust powers and offer fiduciary services. Unless such certificate otherwise provides, such association shall have the following rights, powers, and privileges, and shall be subject to the following regulations and restrictions:

1. To act as agent for any person, including any locality or state, for the collection or disbursement of interest, or income or principal of securities;
2. To act as the fiscal or transfer agent of any state, locality, or other body public or corporate, and in such capacity to receive and disburse money, to transfer, register and countersign certificates of stock, bonds, or other evidences of indebtedness;
3. To act as agent of any corporation, foreign or domestic, for any lawful purpose;
4. To act as trustee under any deed of trust, mortgage, or bond issued by an individual, municipality, or body politic or corporate, and to accept and execute any other municipal or corporate trust not inconsistent with the laws of the Commonwealth;
5. To act as a guardian, conservator, as a custodian under the Uniform Transfers to Minors Act

(§ 31-37 et seq.), and as depository of any money paid into court, whether for the benefit of a person under a disability or other person;

6. To take, accept, and execute any and all trusts and powers, of whatever nature and description, as may be conferred upon or entrusted or committed to it by any person, or any body politic or corporate, or by other authority, by grant, assignment, transfer, devise, bequest, or otherwise or as may be entrusted or committed or transferred to it or vested in it by order of any circuit court, judge, or clerk; to receive and hold any property or estate, real or personal, which may be the subject of any such trust; and to be accountable to all parties in interest for the faithful discharge of every such trust, duty, or power which it may so accept; and

7. To act as executor under the last will and testament, or administrator of the estate, of any deceased person, under appointment of any circuit court, judge, or clerk thereof, having jurisdiction of the estate of such deceased person.

B. Nothing in this chapter shall be construed as authorizing the creation of a trust not lawful as between individuals, nor to prohibit the deposit of funds by courts and fiduciaries in savings and loan associations and savings banks.

C. All rights, powers, and privileges, and all regulations, restrictions, and limitations, granted to or made applicable to associations by the provisions of this chapter shall likewise apply to any affiliate of an association which is authorized by the Commission to exercise trust powers. Any such affiliate shall be organized and operated solely for the purpose of offering trust services pursuant to the provisions of this chapter.

D. All federal savings and loan associations and federal savings banks, that have been, or hereafter may be, permitted by law to act in any fiduciary capacity, shall have the rights, powers, privileges, and immunities conferred by this chapter to the extent permitted by federal law.

§ 6.2-1084. Continuation of trust powers in the event of consolidation or merger of two or more associations.

If an association consolidates or merges with another association or a bank and the association has, prior to such consolidation or merger, exercised trust powers under a certificate issued by the Commission, which certificate is in effect at the time of the consolidation or merger, the rights existing under such certificate shall pass to the resulting corporation. The resulting corporation may exercise such trust powers in the same manner and to the same extent as the association to which such certificate was originally issued. No new application to continue to exercise such powers is necessary. If the name of the resulting corporation differs from that of the association to which the right to exercise trust powers was originally granted, the Commission shall issue a certificate showing the right of such resulting corporation to exercise the trust powers theretofore granted to any of the associations participating in the consolidation or merger.

§ 6.2-1085. When security not required.

No association with a minimum combined unimpaired capital and surplus of \$50,000 or more shall be required by any officer or court of the Commonwealth to give security upon appointment to or acceptance of any fiduciary office which it may, by law, be authorized to execute, or to give security upon any bond given pursuant to § 4.1-341 or similar statute. No association shall qualify on an estate having a value in excess of its combined unimpaired capital and surplus without giving security for such excess on its bond, unless the giving of such security is waived under the terms of the governing instrument or by court order.

§ 6.2-1086. Association's operation and supervision of trust department.

A. The board of directors of an association is responsible for the proper exercise of fiduciary powers by the association. All matters pertinent thereto, including the determination of policies, the investment and disposition of property held in a fiduciary capacity, and the direction and review of the actions of all officers, employees, and committees utilized by the association in the exercise of its fiduciary powers, are the responsibility of the board. In discharging this responsibility, the board of directors may assign, by action duly entered in the minutes, the administration of such of the association's trust powers as it may consider proper to assign to such directors, officers, employees, or committees as it may designate.

B. No fiduciary account shall be accepted without the approval of the directors, officers, or committees to whom the board may have assigned the performance of that responsibility. A written record shall be made of such acceptances and of the relinquishment or closing out of all fiduciary accounts.

C. Upon the establishment of a trust account for which the association has investment authority, a prompt review of the assets of such account shall be made. The board of directors shall also ensure that at least once during every calendar year thereafter, and within 15 months of the last review, all the assets held in or held for each trust account for which the association has investment authority are reviewed to determine the advisability of retaining or disposing of such assets. The board of directors shall act to ensure that all investments have been made in accordance with the terms and purposes of the governing instrument and in accordance with applicable law.

D. The trust department may utilize personnel and facilities of other departments of the association, and other departments of the association may utilize personnel and facilities of the trust department to

*the extent not otherwise prohibited by the law.*

*E. Every association exercising trust powers shall adopt written policies and procedures to ensure that the securities laws of the United States and the Commonwealth are complied with in connection with any decision or recommendation to purchase or sell any security. Such policies and procedures, in particular, shall ensure that the association's trust department shall not use material inside information in connection with any decision or recommendation to purchase or sell any security.*

*F. Every association exercising fiduciary powers shall designate, employ, or retain legal counsel who shall be readily available to pass upon fiduciary matters and to advise the association and its trust department.*

*§ 6.2-1087. Books and accounts.*

*Every association exercising trust powers shall keep its fiduciary records separate and distinct from other records of the association. All fiduciary records shall be so kept and retained for such time as to enable the association to furnish such information or reports with respect thereto as may be required by the Commissioner. The fiduciary records shall contain full information relative to each account. Every association shall also keep an adequate record of all pending litigation to which the association is a party in connection with its exercise of trust powers.*

*§ 6.2-1088. Investment of funds and assets held as fiduciary.*

*Funds and assets held by an association in a fiduciary capacity shall be invested in accordance with the provisions of the governing instrument. When such instrument does not specify the character or class of investments to be made and does not vest in the association, its directors, or its officers absolute and uncontrolled investment discretion in the matter, funds and assets held pursuant to such instrument shall be invested in any investment in which fiduciaries may invest under the provisions of Chapter 3 (§ 26-38 et seq.) of Title 26. An association acting as fiduciary under appointment by a court may likewise invest in any investments in which fiduciaries may invest under the provisions of Chapter 3 (§ 26-38 et seq.) of Title 26 unless otherwise provided by order of the appointing court. Unless the governing instrument or order establishing the fiduciary relationship provides otherwise, funds and assets held by an association in a fiduciary capacity may also be invested in common trust funds and collective investment funds pursuant to the provisions of § 6.2-1095.*

*§ 6.2-1089. Funds awaiting investment or distribution.*

*A. Funds and assets held in a fiduciary capacity by an association awaiting investment or distribution shall not be held uninvested or undistributed any longer than is reasonable for the proper management of the trust account.*

*B. Funds and assets held in trust by an association, including managing agency accounts, awaiting investment or distribution, unless prohibited by the governing instrument, may be deposited in other departments of the association, provided that the association shall first set aside under the sole control of the trust department, as collateral security:*

- 1. Direct obligations of the United States, or other obligations fully guaranteed by the United States as to principal and interest;*
- 2. Readily marketable securities of the classes in which fiduciaries are authorized or permitted to invest trust funds, as set forth in § 26-40.01; or*
- 3. Other readily marketable securities as may be authorized by the Commissioner.*

*Such collateral securities, or securities substituted therefor as collateral, shall at all times be at least equal in face value to the amount of trust funds so deposited, but such security shall not be required to the extent that the funds so deposited are insured by the Federal Deposit Insurance Corporation or other federal insurance agency. The requirements of this subsection are met when qualifying assets of the association are pledged in such manner as to fully secure all trust account funds deposited by the trust department of the association in another department of the association.*

*C. Any funds held by an association as fiduciary awaiting investment or distribution and deposited in other departments of the association shall be made productive.*

*D. In the event of the failure or liquidation of an association, the owners of the funds held in trust and deposited in another department of the association shall have a first lien on the securities set apart as collateral for such funds, in addition to any other claim that such owners may have against the association.*

*§ 6.2-1090. Dealings with self or affiliates.*

*A. Unless authorized by the governing instrument or by court order, funds held by an association as fiduciary shall not be invested in stock or obligations of, or property acquired from, the association or its affiliates or their directors, officers, or employees, or organizations in which the association or its affiliates or their officers, directors, or employees possess such an interest as might affect the exercise of the best judgment of the association in acquiring the stock, obligations, or property.*

*B. Property held by an association as fiduciary shall not be sold or transferred, by loan or otherwise, to the association or its affiliates or their directors, officers, or employees, or to organizations in which the association or its affiliates or their officers, directors, or employees possess such an interest as might affect the exercise of the best judgment of the association in selling or transferring such property, except:*

1. When lawfully authorized by the governing instrument or by court order;

2. In cases in which the association has been advised by its legal counsel in writing that it has incurred, as fiduciary, a contingent or potential liability, and the association desires to relieve itself from such liability, in which case such sale or transfer may be made with the approval of the board of directors and the Commissioner, provided that in all such cases the association, upon the consummation of the sale or transfer, shall make reimbursement in cash at no loss to the trust account;

3. As provided in §§ 6.2-1089 and 6.2-1094; or

4. When required by the Commissioner.

C. If the retention of stock or obligations of the association or its affiliates is authorized by the governing instrument or court order, the association may exercise rights to purchase its own stock or the stock of its affiliates, or securities convertible into such stock, when such rights are offered pro rata to all stockholders of the association or its affiliates, as the case may be. When the exercise of such rights or the receipt of a stock dividend results in fractional shareholdings, additional fractional shares may be purchased to complement the fractional shares so acquired. In elections of directors, shares of an association or its affiliates held by the association as sole fiduciary, whether in its own name as fiduciary or in the name of its nominee, may not be voted by the association or its nominee unless, under the terms of the governing instrument or a court order, the manner in which such shares shall be voted may be directed by a donor or beneficiary of the trust account, and the donor or beneficiary actually directs how the shares will be voted. In addition, where the association is acting as sole fiduciary with respect to a trust account containing voting shares of the association or its affiliates, the association may, in accordance with the provisions of subsection B of § 6.2-1091, petition an appropriate court for appointment of a co-fiduciary for the purpose of voting such shares.

§ 6.2-1091. Voting of financial institution stock held by association as fiduciary; when association disqualified from voting.

A. When voting shares of a financial institution are held by an association in a trust account, the association may not vote or participate in the voting of any such shares if the securities held in such fiduciary capacity, together with all the other voting securities of such financial institution held in a fiduciary capacity by the association and its affiliates, exceed 25 percent of the outstanding voting securities of such financial institution. If the voting securities of any financial institution held by an association in a trust account, together with all other voting securities of such financial institution held in a fiduciary capacity by the association and its affiliates, exceed five percent of the outstanding voting securities of such financial institution, but less than 25 percent thereof, the association may not vote or participate in the voting of any such voting securities unless there has been a determination by the Commissioner that the right to vote such shares does not constitute control of the particular financial institution in question.

B. If any person is acting as fiduciary, in addition to the association, for the trust account containing such voting securities, such other fiduciary, if not a director, officer, or employee of the association or its affiliates, may vote such shares. If the association is the sole fiduciary for the trust account, the association may petition an appropriate court for the appointment of a co-fiduciary for the sole purpose of voting such shares. Such appointment and qualification may be ex parte, and no prior notice to the beneficiaries of the trust account shall be required. The court at the time of such qualifications may relieve the co-fiduciary of any obligation for the giving of security on his bond. If the appointment of the co-fiduciary is limited to voting such shares, such order may provide that the co-fiduciary shall not be liable or accountable in the administration of the trust account, except for the breach of any fiduciary duty in voting or failing to vote such shares. No director, officer, or employee of the petitioning association or its affiliates shall be eligible to be named co-fiduciary under the provisions of this section.

C. The provisions of this section shall also apply in the case of voting shares of a bank holding company, as defined in 12 U.S.C. § 1841, or a savings and loan holding company held by an association in a fiduciary capacity.

§ 6.2-1092. Transactions between trust accounts.

A. An association may sell assets held by it as fiduciary in one trust account to itself as fiduciary in another trust account if the transaction is fair to both accounts and if such transaction is not prohibited by the terms of the governing instruments, court order, or the law of the Commonwealth.

B. An association may make a loan to a trust account from the funds belonging to another such account, when the making of such loan to a designated trust account is authorized by the governing instrument creating the account from which such loans are made, or by court order, and the terms of the transaction are fair to all of the trust accounts involved.

C. An association may make a loan to a trust account and may take as security therefor assets of the account, provided such transaction is fair to such account and is not otherwise prohibited by the governing instrument, by court order, or by the law of the Commonwealth.

§ 6.2-1093. Custody of assets and investments held in trust.

A. The assets and investments of each trust account shall be kept separate from the assets of the association and shall be placed in the joint custody or control of not fewer than two of the officers or

employees of the association designated for that purpose by the board of directors of the association. All such officers and employees shall be adequately bonded.

B. The assets and investments of each trust account shall be either kept separate from those of all other trust accounts, except as provided in § 6.2-1095, or otherwise adequately identified as the property of the relevant account.

§ 6.2-1094. Establishment of common trust funds and collective investment funds; court accountings.

A. Any association authorized by the Commission to offer fiduciary services may establish and maintain one or more common trust funds for the collective investment of funds held in a fiduciary capacity by it. The association may include, in such common trust fund or funds established and maintained by it, funds held in a fiduciary capacity by any affiliate of the association.

B. An association may invest funds held by it in any fiduciary capacity in one or more common trust funds, provided (i) such investment is not prohibited by the governing instrument or court order creating such fiduciary relationship; (ii) in the case of co-fiduciaries, the written consent of the co-fiduciary is obtained by the association; and (iii) the association has no interest in the assets of the common trust fund other than as a fiduciary.

C. Unless ordered by an appropriate court, an association operating a common trust fund or funds shall not be required to render a court accounting with regard to such fund or funds, but, by application to an appropriate court, such association may secure approval of such an accounting on such conditions as the court may establish. Nothing contained herein shall affect the duties of the fiduciaries of the trust accounts participating in the common trust fund to render accounts of their several trusts.

§ 6.2-1095. Compensation of association acting as fiduciary.

A. If the amount of the compensation for acting in a fiduciary capacity is not provided for in the governing instrument or otherwise agreed to by the parties, an association acting in such capacity may charge or deduct reasonable compensation for its services. When the association is acting in a fiduciary capacity under appointment by a court, it shall receive such compensation as may be allowed or approved by that court.

B. No association, except with the specific approval of its board of directors, shall permit any of its officers or employees, while serving as such, to retain any compensation for acting as a co-fiduciary with the association in the administration of any trust account undertaken by it.

C. No association shall permit an officer or employee engaged in the operation of its trust department to accept a devise, bequest, or gift of trust account assets, unless the devise, bequest, or gift is directed or made by a relative of such officer or employee, or is approved by the board of directors of the association.

§ 6.2-1096. Surrender of trust powers by association.

Any association that has been granted the right to exercise trust powers and that desires to surrender such rights shall file with the Commission a certified copy of the resolution of its board of directors signifying such desire. Upon receipt of such resolution, the Commission shall make an investigation. If the Commission is satisfied that the association has been properly discharged from all fiduciary duties that it has undertaken, the Commission shall issue a certificate to such association certifying that it is no longer authorized to exercise fiduciary powers. Upon issuance of such a certificate by the Commission, an association shall no longer be subject to the provisions of this article and shall not exercise thereafter any of the powers granted by this article without first applying for and obtaining a new authorization to exercise such powers.

§ 6.2-1097. Effect on trust accounts of appointment of receiver for association or of voluntary dissolution of association.

A. If a receiver is appointed for an association, the receiver shall, pursuant to the orders of the Commission and of any court having jurisdiction, proceed to close such of the association's trust accounts as can be closed promptly and shall promptly transfer all other such accounts to substitute fiduciaries.

B. If an association exercising trust powers commences a voluntary dissolution, the liquidating agent shall proceed at once to liquidate the affairs of the trust department as follows:

1. All trusts and estates over which a court is exercising jurisdiction shall be closed or disposed of as soon as practicable in accordance with the orders or instructions of such court;
2. All other trust accounts which can be closed promptly shall be closed as soon as practicable and final accountings made therefor; and
3. All remaining trust accounts shall be transferred by appropriate legal proceedings to substitute fiduciaries.

§ 6.2-1098. Revocation of trust powers.

A. If, in the opinion of the Commission, an association is unlawfully or unsoundly exercising, or has unlawfully or unsoundly exercised, or has failed for a period of five consecutive years to exercise, the powers granted by this chapter, or otherwise fails or has failed to comply with the requirements of this chapter, the Commission may issue and serve upon the association a notice of intent to revoke the authority of the association to exercise the powers granted by this chapter. The notice shall contain a

statement of the facts constituting the alleged unlawful or unsound exercise of powers, or failure to exercise powers, or failure to comply, and shall fix a time and place at which a hearing will be held before the Commission to determine whether an order revoking authority to exercise such powers should issue against the association.

B. Such hearing shall be conducted in accordance with the Commission's Rules, and shall be fixed for a date not earlier than 30 days and not later than 60 days after the service of such notice, unless an earlier or later date is set by the Commission at the request of the association so served.

C. Unless the association so served shall appear by a duly authorized representative, it shall be deemed to have consented to the issuance of the revocation order. In the event of such consent or if, upon the record made at any such hearing, the Commission shall find that any allegation specified in the notice of charges has been established, the Commission shall issue and serve upon the association an order prohibiting it from accepting any new or additional trust accounts and revoking authority to exercise any and all powers granted by this chapter, except that such order shall permit the association to continue to service all previously accepted trust accounts pending their expeditious divestiture or termination.

D. A revocation order shall become effective not later than the expiration of 30 days after service of such order upon the association and shall remain effective and enforceable, except to such extent as it is stayed, modified, terminated, or set aside by action of the Commission or a reviewing court. In the case of a revocation order issued upon the consent of an association, such order shall become effective at the time specified therein.

§ 6.2-1099. Trust powers of state savings banks.

State savings banks, and their subsidiaries and affiliates, may exercise fiduciary powers in the same manner as associations pursuant to this article.

*the organization or instrumentality assists in furthering or facilitating the institution's purposes, powers, services or community responsibilities. This section shall not be construed to permit a savings institution to establish deposit or reserve accounts with any financial institution or other entity if its accounts are not insured by federal agency or other insurer approved by the Commissioner.*

*§ 6.2-1111. Authority to purchase, convey or manage property in which state savings institution has a security interest; time limitation.*

Such property or business shall not be held or operated by the state savings institution for a period in excess of six years unless specifically authorized by the Commissioner.*

*§ 6.2-1112. Applicability of Virginia Uniform Commercial Code to commercial paper and depository activities of savings institutions.*

*The definitions and provisions contained in Title 8.3A and Title 8.4 shall apply to the commercial paper and deposit account activities of savings institutions doing business in the Commonwealth, to the extent that such definitions and provisions are not inconsistent with the provisions of this chapter.*

*§ 6.2-1113. Discoverability or admissibility of compliance review committee documents.*

*A. As used in this section, "compliance review committee" means a committee appointed by the board of directors of a savings institution for the purpose of evaluating and improving the savings institution's compliance with federal and state laws and adherence to its own established ethical and financial standards, and includes any other person when that person acts in an investigatory capacity at the direction of a compliance review committee.*

*B. Any records, reports, or other documents created by a compliance review committee are confidential and shall not be discoverable or admissible in evidence in any civil action unless, upon motion, the trial court determines in its discretion that there has been an abuse of the provisions of this section.*

*C. Any records, reports, or other documents produced by a compliance review committee and delivered to a federal or state governmental agency remain confidential and shall not be discoverable or admissible in evidence in any civil action, except to the extent that applicable law provides that such records, reports or other documents are not protected from disclosure.*

*D. In no event shall the existence of or any action by a compliance review committee serve as a basis or justification for delay of, or limit upon, the discovery process set forth in state or federal rules.*

*E. The work product created by any person acting in an investigatory capacity at the direction of a compliance review committee prior to his participation in the work of the compliance review committee or at the direction of the compliance review committee shall be subject to the rules governing discovery in accordance with the Rules of the Virginia Supreme Court.*

*F. This section shall not be construed to limit the discovery or admissibility:*

*§ 6.2-1114. Application of Virginia Stock Corporation Act and Virginia Nonstock Corporation Act.*

*A. The provisions of the Virginia Stock Corporation Act (§ 13.1-601 et seq.) shall apply to all stock institutions in all cases not inconsistent with the provisions of this chapter, except the provisions of Article 15 (§ 13.1-729 et seq.) of Chapter 9 of Title 13.1 shall not apply.*

*B. The provisions of the Virginia Nonstock Corporation Act (§ 13.1-801 et seq.) shall apply to all mutual savings institutions in all cases not inconsistent with the provisions of this chapter including mutual savings and loan associations heretofore incorporated under the Virginia Stock Corporation Act or prior laws relating to stock corporations.*

*§ 6.2-1115. Formation of state savings institutions.*

*A. A stock savings and loan association may be incorporated as provided in the Virginia Stock Corporation Act (§ 13.1-601 et seq.). A mutual savings and loan association may be incorporated as provided in the Virginia Nonstock Corporation Act (§ 13.1-801 et seq.).*

*B. A stock savings bank may be formed by being incorporated as provided in the Virginia Stock*

Corporation Act (§ 13.1-601 et seq.). A mutual savings bank may be formed by being incorporated as provided in the Virginia Nonstock Corporation Act (§ 13.1-801 et seq.).

§ 6.2-1116. Corporation name.

A. Every association incorporated under the laws of the Commonwealth shall have as a part of its corporate name the words "building and loan association" or "savings and loan association." No state association shall use the words "savings bank" as part of its corporate name.

B. Every savings bank incorporated under the laws of the Commonwealth shall have as a part of its corporate name the words "savings bank."

C. The provisions of subsection A of § 13.1-630 shall not apply to any association or state savings bank.

§ 6.2-1117. Par value of shares; payment of shares; reacquisitions of shares or acceptance thereof as security; how subscriptions to stock to be paid; disposition of money received before institution opens; stock option plans.

A. Shares of stock issued by a stock institution shall be paid for in full in cash at not less than their par value upon issuance or, in the case of a stock institution then actively conducting operations, in property or services valued, with the approval of the Commission, at an amount not less than the aggregate value of the shares issued in exchange therefor. A stock institution may not purchase, redeem or otherwise reacquire shares of stock that it has issued and may not accept its shares of stock as security. A stock institution shall have the power to redeem or otherwise reacquire shares of its common or preferred stock to the same extent as commercial banks incorporated under the laws of the Commonwealth are permitted to do under this title.

B. Subscriptions to the capital stock of a stock institution shall be paid in money at not less than par. No stock institution shall begin business until the amount specified in its certificate of authority to commence business has been received by it.

C. All money received for subscriptions to or for purchases of stock of a stock institution before it opens for business shall be deposited in an escrow account in an insured financial institution or invested in United States government obligations, under the joint control of two organizing directors of the stock institution, both of whom shall be bonded for an amount not less than the total amount of money under their control. Such funds, together with any income thereon, less such organizational expenses as have been approved by the stock institution's board of directors, shall be remitted to the stock institution on the day it opens for business. If the stock institution is denied a certificate of authority, is refused insurance of accounts, or it is otherwise determined that the stock institution will not open for business, such funds, after payment of any amount owing for expenses in connection with such attempted organization, including reasonable consulting fees, attorney fees, salaries, filing fees, and other expenses, shall be refunded to subscribers or shareholders. The directors of the stock institution, individually, jointly and severally, shall be liable for any failure of the savings institution to refund such funds to the subscribers or shareholders. This liability may be enforced by a suit in equity instituted by one or more of the subscribers or stockholders on behalf of all against the stock institution and one or more of its directors.

D. The requirement that capital stock be paid in money shall not be construed to prohibit the establishment, as otherwise authorized by law, of stock option plans and stock purchase plans, and the issuance of stock pursuant to such plans. Such plans shall be established only after the stock institution has opened for business. Any such plan with respect to a stock association shall be established as follows:

1. The board of directors shall by resolution propose the stock option or stock purchase plan. The plan shall describe any effect the adoption of the plan is expected to have on the value of issued and outstanding shares of the association;

2. Notice of a meeting of stockholders, stating that the purpose or one of the purposes of the meeting is to consider the plan so proposed by the board of directors, shall be given to each stockholder of record entitled to vote thereon within the time and in the manner provided in Chapter 9 (§ 13.1-601 et seq.) of Title 13.1 for giving of notice of meetings of stockholders. A copy of the plan shall be included with such notice; and

3. At such meeting, the plan shall be adopted if approved by the affirmative vote of the holders of more than two-thirds of the shares entitled to vote thereon.

Any such plan with respect to a savings bank shall be adopted if approved by a majority vote of the institution's shareholders. In no event shall such a plan established by a stock savings bank provide that a stock option be granted at a price which is less than 100 percent of the book value per share of the stock as shown by the stock institution's last published statement prior to the granting of the option.

§ 6.2-1118. Certificate of authority to do business.

A. Before any state savings institution may begin business in the Commonwealth, it shall obtain from the Commission a certificate of authority to do so. Prior to issuing a certificate, the Commission shall ascertain that:

1. All applicable provisions of law have been complied with;
2. If a mutual association, deposits in a total amount deemed by the Commission to be sufficient to

warrant successful operation but not less than \$2 million, have been pledged or deposited and that such deposits shall not be withdrawable for at least one year;

3. If a stock association, that financially responsible persons have subscribed for capital stock and surplus in an amount deemed by the Commission to be sufficient to warrant successful operation, provided that the capital stock shall have a paid-in value of not less than \$2 million;

4. If a mutual savings bank, deposits in such amount as the Commission deems necessary for safe and sound operation, but not less than \$1 million have been pledged or deposited and that such deposits are not subject to withdrawal for at least one year;

5. If a stock savings bank, that financially responsible persons have subscribed for capital stock in an amount deemed by the Commission to be sufficient to warrant successful operation, provided that the capital stock shall have a paid-in value of not less than \$1 million;

6. Regulations governing directors of the association have been complied with;

7. The public interest will be served by the addition of the proposed savings institution facilities in the community where the savings institution is to be located. The addition of such facilities shall be deemed in the public interest if, based on all relevant evidence and information, advantages such as increased competition, additional convenience, or gains in efficiency outweigh possible adverse effects such as diminished or unfair competition, undue concentration of resources, conflicts of interests, or unsafe or unsound practices;

8. The officers and directors of the proposed savings institution demonstrate (i) moral fitness, (ii) financial responsibility, and (iii) business ability; and

9. The applicant has submitted evidence of (i) being fully insured by the Federal Deposit Insurance Corporation or other federal insurance agency or (ii) commitment by the Federal Deposit Insurance Corporation or other federal insurance agency that the applicant will be issued insurance of accounts immediately subsequent to the issuance of the certificate of authority. The Commission may issue a certificate conditioned upon the fact that the savings institution shall not commence to do business until it is issued insurance of accounts by the Federal Deposit Insurance Corporation or other federal insurance agency.

*B. The minimum capital stock requirement under:*

1. Subdivisions A 2 and A 3 shall apply when a state association is being organized to begin business and shall not apply when this section is referred to or used in connection with the conversion of an operating savings institution or bank to a state association, or when this section is used in connection with the reorganization of an operating state association under a holding company; and

2. Subdivisions A 4 and A 5 shall apply when a state savings bank is being organized to begin business and shall not apply when this section is referred to or used in connection with the conversion of an operating savings institution or bank to a state savings bank, or when this section is used in connection with the reorganization of an operating state savings bank under a holding company.

*§ 6.2-1119. Commissions and other fees for sale of stock not permitted.*

The Commission shall not issue a certificate of authority to any state savings institution to commence business if commissions, fees, brokerage, or other compensation, however designated, have been paid or contracted to be paid by the savings institution or by anyone in its behalf, either directly or indirectly, to any person for the sale of stock in such savings institution. This section shall not be construed to prohibit a savings institution that has been issued a certificate of authority and has commenced operations from paying or contracting to pay such commissions or fees in connection with the issue or reissue of shares of stock of the savings institution.

*§ 6.2-1120. Minimum capital requirement.*

A state savings bank shall comply with the applicable minimum capital requirements of the Federal Deposit Insurance Corporation. The Commission may impose such additional minimum capital requirements as it deems necessary in order to insure the safe and sound operation of state savings banks.

*§ 6.2-1121. Board of directors.*

A. The affairs of every state savings institution shall be managed by a board of directors of not less than five nor more than 25 persons. Every director of a stock savings institution shall be the owner in his own name and have in his personal possession or control, shares of stock in the savings institution of which he is a director that have a market value at the time such director is first elected to the board of not less than \$500. Such shares of stock shall be unpledged, except as required to be pledged to a Federal Home Loan Bank, Federal Reserve Bank, or other federal agency, and unencumbered at the time of his becoming a director and during the whole of his term as director. If a stock savings institution is controlled by a savings institution holding company, a director may comply with the provisions of this section for each stock savings institution of which he is a director by ownership, in similar manner, of shares of capital stock of the holding company that have a market value at the time such director is first elected to the board of not less than \$500.

B. Every director of a mutual state association shall have a savings account in the association of which he is a director, in his own name or jointly with his spouse, of not less than \$500. A mutual state savings bank shall be subject to the requirements of subsection A, except that, in lieu of owning

qualifying shares of stock in the savings bank, each director shall maintain, while a director, a savings account in the savings bank of not less than \$500. Any account required by this subsection shall be unpledged, except as required to be pledged to a Federal Home Loan Bank, and unencumbered at the time of his becoming a director and during the whole term as director. The office of any director violating the provisions of subsection A or this subsection shall immediately become vacant.

C. Every director of a state savings institution, within 30 days after his election or reelection, shall take and subscribe to an oath that he (i) will diligently and honestly perform his duties as director and (ii) is the owner and has in his personal possession or control the shares of stock or savings account in the savings institution required by this section and, in the case of reelection or reappointment, that, during the whole of his immediate previous term as a director, such stock or account was not at any time pledged or encumbered in any other manner to secure a loan. The oath, subscribed to by the director and certified by the officer before whom it is taken, shall be transmitted to the Commission. Any director who fails for a period of 30 days after his election, reelection, appointment or reappointment to take the oath required by this subsection shall forfeit his office.

D. Within 60 days following the election or reelection of any person as a director of a state savings institution, the savings institution shall furnish such information to the Commission relative to the personal character, integrity, financial condition, and personal and business background of the director as the Commission shall from time to time prescribe. The report, under oath, shall be signed by the director as well as by a designated officer of the savings institution. Any person knowingly making a false statement in such a report shall be guilty of perjury, punishable as provided in § 18.2-434.

§ 6.2-1122. Meetings of board of directors.

The board of directors of every state savings institution shall hold meetings at least once in every calendar month. At any meeting a majority of the whole board shall be necessary for the lawful transaction of business, unless the stockholders or members, by bylaw, have fixed another number, which in the case of a state savings bank shall be not less than five, as a quorum. The Commission may allow less frequent meetings, but not less often than quarterly.

§ 6.2-1123. Notice of meetings of members; determining members entitled to notice or to vote.

A. A mutual savings institution shall give notice of its meetings of members as required by § 13.1-842 and shall post a copy of the notice in a conspicuous place in each office of the institution during the 14 days preceding the date of the meeting.

B. For the purpose of determining members entitled to notice of or to vote at any meeting of members or any adjournment thereof, or in order to make a determination of members for any other purpose, the board of directors of a mutual savings institution may provide that the membership shall be closed for a stated period but not to exceed, in any case, 50 days. In lieu of closing the membership, the bylaws or, in the absence of any applicable bylaw, the board of directors may fix in advance a date as the record date for any such determination of membership. Such date in any case shall not be more than 50 days prior to the date on which the particular action, requiring such determination of members, is to be taken. If the membership is not closed and no record date is fixed for the determination of members entitled to notice of or to vote at a meeting of members, the date on which notice of the meeting is mailed shall be the record date for such determination of membership. When a determination of members entitled to vote at any meeting of members has been made as provided in this section, the determination shall apply to any adjournment thereof.

§ 6.2-1124. Voting rights; proxies.

The right of members of a mutual savings institution to vote may not be conferred or limited by the articles of incorporation. In the determination of all questions requiring action by the members, each member shall be entitled to cast one vote, plus an additional vote for each \$100 or fraction thereof of the withdrawal value of savings accounts, if any, held by such member. No member, however, shall be entitled to cast more than 50 votes. At any meeting of the members, voting may be in person or by proxy, provided that no proxy shall be eligible to be voted at any meeting unless such proxy shall have been filed with the secretary of the institution, for verification, at least five days prior to the date of such meeting. Each proxy shall be in writing and signed by the member or his duly authorized attorney-in-fact and, when filed with the secretary, shall, unless otherwise specified in the proxy, continue in force from year to year until revoked by a writing duly delivered to the secretary of the institution or until superseded by subsequent proxies or upon the member's ceasing to be a member of the institution.

§ 6.2-1125. Access to books and records; communication with members.

A. Every person having an account or loan with a savings institution shall have the right to inspect the books and records of the institution that pertain to his loan or account. In all other situations the right to inspect and examine the institution's books and records shall be limited to:

1. The Commissioner or his duly authorized representatives;
2. Persons duly authorized to act for the institution; and
3. Any federal or state instrumentality or agency authorized to inspect or examine the books and records of such institution.

B. The books and records pertaining to the accounts and loans of a savings institution shall be kept

confidential by the institution, its directors, officers, and employees except where the disclosure thereof shall be compelled by an appropriate court or otherwise required by law. No person shall have access to the books and records of the institution or shall be furnished or shall possess information concerning individual accounts or loans of the institution or concerning the owners of such accounts or borrowers, except as authorized in writing by the account owner or borrower or as otherwise expressly authorized by law. A savings institution is authorized to release, publish or furnish general information and statistical data concerning its accounts and loans, provided the identity of individual account owners or borrowers, and other confidential information, is not revealed.

C. If any member of a mutual savings institution desires to communicate with other members with reference to any questions pending or to be presented for consideration at a meeting of the members, the institution shall furnish upon request a statement of the approximate number of members of the institution at the time of such request and an estimate of the cost of forwarding such communication. The requesting member shall then submit the communication, together with a sworn statement that the proposed communication is not for any reason other than the business welfare of the institution, to the Commissioner. If the Commissioner finds the communication to be appropriate, truthful and in the best interest of the institution and its members, he shall execute a certificate setting out such findings, forward the certificate together with the communication to the institution, and direct that the communication be prepared and mailed by the institution to the members upon the requesting member's payment to it of the expenses of such preparation and mailing. If the Commissioner finds such proposed communication to be inappropriate, untruthful, or contrary to the best interest of the institution and its members, he may make any disposition of the request to communicate that he deems proper and he shall execute a certificate setting out such findings and deliver it to the requesting member together with his order making disposition of the request.

D. Insofar as the provisions of this section are not inconsistent with federal law, such provisions shall apply to federal savings institutions whose home offices are located in the Commonwealth, except that the communication and statement provided for in subsection C shall be tendered to the appropriate federal agency in the case of a federal savings institution and forwarded only upon that agency's certificate and direction.

E. Nothing in this section shall be construed to prohibit a savings institution from furnishing the names, addresses and telephone numbers of its customers to an affiliate of the institution or an entity with whom the institution has a direct contractual relationship, for purposes of furnishing financial services to the institution's customers. Such affiliate or entity shall not furnish such customer information to any third party without the written authorization of the customer.

**§ 6.2-1126. Audit of savings institution; report.**

The directors of every savings institution shall, at least once in each calendar year, cause an independent audit by a certified public accountant to be made of the institution, its operation and its general books of account. The report of such audit shall be presented to the institution's board of directors at its next regular meeting after completion of the audit. The minutes of such meeting shall reflect that the audit report was presented and reviewed by the board, and a copy of the audit report shall be filed with the Bureau within two weeks from the date such report is received by the institution from the auditor.

**§ 6.2-1127. Bonds of officers and employees.**

A. The directors of every savings institution shall require a bond with corporate surety from each of the active officers and employees of the institution as an indemnity for any loss the institution may sustain as a result of such person's fraud, dishonesty, theft, or embezzlement. In lieu of individual bonds a blanket bond with corporate surety covering all active officers and employees of the institution may, with the approval of the board of directors, be obtained. The Commission shall, not less than twice during any period of three consecutive calendar years, examine all such bonds and pass on their sufficiency and either the board of directors or the Commission may require new or additional bonds at any time. The corporate surety shall have a license issued by the Commission.

B. If a savings institution determines that it is unable to obtain the surety bond coverage required by subsection A, it shall immediately notify the Commission. The Commission shall forthwith investigate to determine whether such coverage is available to the institution. If the Commission determines, after such investigation, that such coverage is not reasonably available to the institution, the Commission may, but shall not be required to, close the institution solely because of the unavailability of such coverage under § 6.2-1199. If the institution is not closed because of the unavailability of such coverage, the Commission shall closely monitor the institution to ensure that such coverage is obtained as soon as possible, and shall take such further action under § 6.2-1199 or 6.2-1200 as the Commission deems necessary.

C. The institution, at its cost, may also obtain insurance to protect its directors, officers, and employees against lawsuits arising out of claims of negligence or misconduct.

**§ 6.2-1128. Loans to executive officers or directors.**

A. As used in this section, "executive officer" means an officer of a savings institution who participates or has authority to participate in the major policy-making functions of the savings

institution.

B. No executive officer or director of any savings institution shall borrow any amount more than \$25,000 from the institution until such loan has been approved by (i) a majority of the directors of the institution or (ii) a committee of officers and directors that includes at least one director appointed by the board of directors with authority to approve loans.

C. The following loans or lines of credit shall not be made by an institution unless specifically approved by (i) a majority of the directors of the institution or (ii) a committee of officers and directors that includes at least one director appointed by the board of directors with authority to approve loans:

1. Any loan in an amount of \$25,000 or more made to any executive officer or director of an institution or any entity that the Commission determines is controlled by one or more executive officers or directors;

2. Any loan made to the persons or entities described in subdivision 1, the amount of which together with all other obligations, direct or indirect, of such executive officer, director, or controlled entity is \$100,000 or more;

3. Any line of credit for \$25,000 or more made to the persons or entities described in subdivision 1; or

4. Any line of credit made to the persons or entities described in subdivision 1, the amount of which together with all other obligations, direct or indirect, of such executive officer, director, or controlled entity is \$100,000 or more.

If approved by the committee described in clause (ii), the approval shall be specifically reported to the board of directors at its next regular meeting.

D. No extension, renewal, or renegotiation of any loan or line of credit in excess of the amounts described in subsection C shall be made to any of those individuals or entities or their interests unless it is approved by a majority of the board of directors or by the committee of officers and directors appointed by the board. If approved by the committee, such approval shall be specifically reported to the board of directors at its next regular meeting.

E. The prohibitions set forth in subsections C and D shall not be construed to require approval by the board of directors for advances under previously authorized lines of credit.

F. The aggregate amount of a savings institution's loans to its executive officers or directors or their interests shall not be excessive. The Commission may adopt such regulations as may be required to prevent excessive aggregate amounts of lending by savings institutions to those individuals or entities.

§ 6.2-1129. Overdrafts by savings institution officers, directors or employees.

A. No savings institution shall pay an overdraft of an officer, director, or employee of the institution on any account at the institution unless the payment of funds is made in accordance with (i) a written, preauthorized, interest-bearing extension of credit plan that specifies a method of repayment or (ii) a written, preauthorized transfer of funds from another account of the account holder at the institution.

B. The prohibition set forth in subsection A does not apply to the payment of inadvertent overdrafts on an account in an aggregate amount of \$1,000 or less if (i) the account is not overdrawn for more than five business days and (ii) the savings institution charges the officer, director, or employee the same fee charged any other customer of the institution in similar circumstances.

§ 6.2-1130. Reserves; surplus and undivided profits.

A. Every savings institution doing business in the Commonwealth shall maintain an adequate net worth appropriate for the conduct of its business and the protection of its account holders. Every savings institution (i) shall set up and maintain the reserves required by this chapter and (ii) may set up and maintain such additional reserves as are permitted by this chapter.

B. On or before the closing date of each accounting period, after payment of or provision for all expenses, every savings institution shall transfer to a separate reserve account that shall be set up and maintained for the sole purpose of absorbing losses, referred to in this section as the "general reserve," an amount equal to at least five percent of its net income. A savings institution that at the close of such accounting period has assets in excess of \$20 million or that has done business as a savings institution in the Commonwealth for more than 20 years shall transfer to such separate reserve account the greater of five percent of its net income or an amount obtained by subtracting an amount equal to its general reserve at the beginning of the period from an amount equal to four percent of its assets, excluding liquid assets, at the end of the period, until the general reserve is equal to at least five percent of the total amount of its deposit accounts at the beginning of such accounting period. Upon advanced written application of a savings institution, the Commissioner may approve the transfer to the general reserve of a lesser amount for such accounting period. If any credit to the general reserve is made after July 1, 1985, in excess of the minimum requirement, the dollar amount of any such excess may be carried over as a credit toward the minimum requirement of any subsequent period.

C. When the general reserve of a savings institution does not equal at least five percent of the deposit account liability of the institution, credits, as provided in subsection B, shall again be made to the general reserve until it again equals at least five percent of the institution's deposit account liability.

D. In the case of stock savings institutions, the capital stock account, to the extent that the capital has not been impaired, shall be treated as part of the reserve and the board of directors may, by

resolution, permanently or conditionally designate all or part of the capital stock, capital surplus, earned surplus, or undivided profit accounts as a part of its general reserve. A savings institution may retain its undivided profits in such amounts as may from time to time be fixed by resolution of its board of directors.

E. The Commission may temporarily reduce the reserve requirements for a savings institution if it finds such reduction to be in the best interest of the institution and its stockholders or members.

F. Notwithstanding the requirements of this section, an insured savings institution may maintain its reserves in accordance with the requirements of the Federal Deposit Insurance Corporation or other federal agency.

*§ 6.2-1131. Liability of members of mutual savings institutions.*

A. No member of a mutual savings institution shall be responsible for any losses that the savings account deposits shall not be sufficient to satisfy.

B. No savings account shall be subject to assessment for any unpaid installments on his account.

C. The holder of a savings account shall not be liable for any unpaid installments on his account.

D. No preference between savings account members of a mutual savings institution shall be created with respect to the distribution of assets upon voluntary or involuntary liquidation, dissolution, or winding up of such institution.

*§ 6.2-1132. Mutual capital certificates.*

A. A mutual savings institution shall have the power to issue and to sell, directly or through underwriters, capital certificates that (i) represent nonwithdrawable capital contributions and (ii) constitute part of the reserves and net worth of the institution.

*B. Capital certificates:*

1. Shall have no voting rights;

2. Shall be subordinate to all savings accounts, debt obligations and claims of creditors of the institution;

3. Shall constitute a claim in liquidation against any reserves, surplus, and other net worth accounts remaining after the payment in full of all savings accounts, debt obligations, and claims of creditors;

4. Shall be entitled to the payment of earnings prior to the allocation of any income to surplus or other net worth accounts of the institution; and

5. May be issued with a fixed rate of earnings or with a prior claim to distribution of a specified percentage of any net income remaining after required allocations to reserves, or a combination thereof.

C. Losses shall be charged against capital certificates only after reserves, surplus, and other net worth accounts have been exhausted.

*Article 3.*

*Offices, Branches, and Facilities.*

*§ 6.2-1133. Offices and other facilities of state and foreign savings institutions; approval of branch offices required.*

A. A state savings institution may establish and operate such offices and other facilities as are authorized by its board of directors. A state savings institution shall not establish a branch office or other office or facility where deposits are accepted without obtaining the prior approval of the Commission as provided in subsection B. Prior to establishing or permanently closing any office or other facility, a state association shall give at least 30 days' written notice to the Commissioner, in such form as may be prescribed by the Commissioner. Prior to establishing, relocating, or permanently closing any office or other facility of the savings bank or any of its affiliates, a savings bank shall give at least 30 days' written notice to the Commissioner, in such form as may be prescribed by the Commissioner. A savings institution shall also give written notice to the Commission, in such form as may be prescribed by the Commission, within 10 days after it has established or permanently closed an office or other facility, and if the institution is a savings bank, it shall give such written notice to the Commission within 10 days after it has relocated any such office or other facility.

B. Applications for authorization to establish a branch office or other office or facility where deposits are accepted shall be made in writing, in such form as may be prescribed by the Commission. Upon review of a savings institution's application and any other information that the Commission may reasonably require, the Commission shall approve the establishment of such office or facility if it is satisfied that the public interest will be served thereby and, if the applicant is a savings bank, that it has sufficient capital to warrant additional expansion. Such offices or facilities may be closed without the prior approval of the Commission. However, written notice of the closing of such an office shall be given to the Commissioner as provided in subsection A.

C. The requirements of subsections A and B shall also apply to the establishment and closing of the offices of a foreign savings institution authorized to transact business in the Commonwealth.

*§ 6.2-1134. Facilities associated with branch office.*

A state or foreign savings institution authorized to transact business in the Commonwealth may establish without prior approval of the Commission a drive-in or pedestrian office opened in conjunction with an approved branch office of the institution, if such drive-in or pedestrian office is to be located (i) within 500 feet of a public entrance of the approved branch office and (ii) closer to that entrance than

to a public entrance of any other financial institution. The functions of a drive-in or pedestrian office shall be limited to the ordinary functions performed at a teller window.

**§ 6.2-1135. Change of branch office location.**

A. A state savings institution shall not change the permanent location of a branch office without the prior approval of the Commission. An application to change the location of a branch office shall be made in writing in such form as may be prescribed by the Commission. Such application shall be approved by the Commission if the Commission finds that the change in location is in the public interest.

B. Notwithstanding the provisions of subsection A, a state savings institution may change the permanent location of a branch office, without applying for the approval of the Commission, if the new location will be within a one mile radius of the old location of such branch office. In such event, the state savings institution shall notify the Commissioner in writing, in such form as may be prescribed by the Commissioner, at least 60 days before such office relocation and may proceed with the relocation unless, within 30 days of receipt of the notice, the Commissioner notifies the institution that the relocation is not in the public interest. In that event, the institution shall be required to file an application and obtain the approval of the Commission in accordance with subsection A. The institution shall also notify the Commissioner in writing that the office relocation has been completed within 10 days after the opening of the office at its new location.

C. The provisions of subsections A and B shall also apply to foreign savings institutions authorized to transact business in the Commonwealth.

D. The provisions of this section shall also apply to the relocation of the main office of a state savings institution if it intends to accept deposits at the new location of the main office.

**§ 6.2-1136. Remote service units.**

A. As used in this section:

"Personal security identifier" or "PSI" or "PIN" means any word, number, or other security identifier essential for an account holder to gain access to an account through a remote service unit.

"Remote service unit" or "RSU" means an information processing device, including associated equipment, structures and systems, by which information relating to financial services rendered to the public is stored and transmitted, instantaneously or otherwise, to a financial institution. Any such device not on the premises of a state savings institution that, for activation and account access, requires use of a machine-readable instrument and personal security identifier in the possession and control of an account holder, is an RSU. The term includes, without limitation, point-of-sale terminals, merchant-operated terminals, cash-dispensing machines, and automated teller machines. The term does not include automated teller machines on the premises of a state savings institution, unless shared with other financial institutions.

B. Subject to the requirements of the Electronic Funds Transfer Act (15 U.S.C. § 1693 et seq.) and Regulation E of the Federal Reserve Board, a state savings institution may establish or use remote service units and participate with others in remote service unit operations on an unrestricted geographic basis. A state savings institution may establish a remote service unit without prior approval of the Commission, provided that notice is given to the Commissioner in accordance with the provisions of subsection A of § 6.2-1133. No remote service unit may be used to open a savings account or a demand account or to establish a loan account.

C. Before permitting an account holder to use a remote service unit, the savings institution shall provide a personal security identifier to the account holder and require its use when accessing a remote service unit. An institution may not employ RSU access techniques that require the account holder to disclose a PSI to another person.

D. A state savings institution shall not share an RSU with any financial institution or other entity the accounts of which are not insured by an agency of the federal government or by some other insuring agency approved by the Commissioner.

E. A state savings institution shall not share an RSU located in the Commonwealth with any foreign savings institution, or other financial institution that is not incorporated under the laws of the Commonwealth, unless the foreign savings institution or other financial institution has been authorized by the Commission to conduct its business in the Commonwealth. Nothing herein shall be deemed to prohibit a state savings institution from sharing an RSU with a federal savings institution or other federally chartered financial institution authorized to conduct its business in the Commonwealth.

F. An RSU shall not be considered to be a branch office of a state savings institution.

**§ 6.2-1137. Off premises financial services.**

A. As used in this section, "off premises financial services" means the transfer of funds or financial information or the performance of other transactions initiated by the customer by means of an electronic terminal, such as a telephone, a computer terminal, or a television set that is linked to a state savings institution's electronic network by telephone or cable television lines or other electronic means.

B. A state savings institution may utilize any electronic technology to provide its customers with off premises financial services. Any such services provided under this section are subject to the Electronic Funds Transfer Act (15 U.S.C. § 1693 et seq.) and Regulation E of the Federal Reserve Board.

*§ 6.2-1138. Suspension of business during actual or threatened emergency.*

*In the event of an actual or threatened enemy attack or civil insurrection or fire, flood, hurricane, earthquake, or other similar natural disaster, affecting the community in which a savings institution is doing business, the offices of the savings institution thereby affected may be temporarily closed by appropriate officers of the savings institution without prior approval of the board of directors or the Commissioner.*

*Article 4.*

*Conversions, Reorganizations, Mergers, and Acquisitions.*

*§ 6.2-1139. Conversion from mutual savings institution to stock institution.*

*A. With the approval of the Commission, and in accordance with provisions of this section and regulations adopted hereunder, a state mutual savings institution may convert to a stock institution. The conversion shall be conducted in a manner equitable to all parties thereto as follows:*

*1. The board of directors of the mutual savings institution shall first adopt by two-thirds vote a conversion plan. The provisions of the plan shall comply with regulations adopted by the Commission;*

*2. The plan shall provide that holders of savings accounts in the mutual savings institution will be afforded the opportunity to preserve their interest in the institution's net worth by subscribing to stock; and*

*3. The Commission shall approve any such plan of conversion if the Commission ascertains that such conversion will not have an adverse effect on the stability of the institution and that all other regulations of the Commission relating to the conversion of a mutual savings institution to a stock institution have been complied with.*

*B. The Commission shall adopt regulations governing the procedures to be followed in completing the conversion after a satisfactory plan has been adopted. The regulations shall ensure that any institution in converting shall continue to have its accounts insured by the Federal Deposit Insurance Corporation or other federal insurance agency.*

*§ 6.2-1140. Reorganization of mutual association into mutual holding company; approval by Commissioner; powers; issuance of stock.*

*A. Notwithstanding any other provision of law, with the approval of the Commission, and in accordance with the provisions of this section and any regulations adopted pursuant to this section, any mutual association may reorganize to become a mutual holding company by:*

*1. Causing a stock association to be formed by incorporating a stock corporation and obtaining a certificate of authority to begin business as a savings institution pursuant to the provisions of Chapter 9 (§ 13.1-601 et seq.) of Title 13.1 and Article 2 (§ 6.2-1114 et seq.) of this chapter;*

*2. Transferring the substantial part of its assets and liabilities, including all of its deposit liabilities, to the stock association created, in exchange for receipt of no less than 51 percent of the capital stock of the stock association; and*

*3. Adopting an amended charter changing its name and conforming its organization, governance, and powers to those prescribed hereunder for a mutual holding company.*

*B. In connection with the transfer of assets and liabilities, the resulting mutual holding company may retain assets to the extent such assets are not required to be transferred to the stock association created in order to satisfy any capital or reserve requirements imposed by applicable state or federal law.*

*C. Upon such transfer, all persons who prior thereto held depository rights with respect to or other rights as creditors of the reorganized mutual association shall have such rights solely with respect to the stock association created, and the corresponding liability or obligation of the reorganized mutual association to such persons shall be assumed by the stock association. Persons who prior thereto had any ownership, liquidation, or voting rights with respect to the reorganized mutual association, in their capacities as savings depositors, and pursuant to provision of law, or pursuant to the articles of incorporation and bylaws of that association, shall continue to have such rights but solely with respect to the mutual association in its reorganized form as a mutual holding company. The ownership or liquidation interest of any savings depositor of the subsidiary stock association in the net earnings and net worth of the resulting mutual holding company, and the voting rights of any such depositor in the mutual holding company, shall terminate, or otherwise be limited, in the same manner and on the happening of the same events as was the case prior thereto with the interest held by that depositor in the mutual association.*

*D. The reorganization of a mutual association into a mutual holding company shall be conducted in a manner that is equitable to all parties. The board of directors of the mutual association shall first adopt by a two-thirds vote a plan of reorganization, the provisions of which shall comply with requirements set forth in regulations adopted by the Commission. Such plan shall provide that holders of savings deposits in the reorganized mutual association shall be afforded an opportunity to preserve their interests by subscribing to the minority stock of the subsidiary stock association. The Commission shall approve any such plan of reorganization if the Commission ascertains that the reorganization shall not have an adverse effect on the stability of the association and that the reorganized mutual association has complied with all laws and regulations of the Commission relating to the reorganization of a mutual association into a mutual holding company. The Commission shall adopt regulations governing the*

*procedures to be followed in completing the reorganization after the Commission has approved a plan of reorganization. Such regulations shall ensure that the subsidiary association resulting from such reorganization shall continue to have its accounts insured by the Federal Deposit Insurance Corporation or other federal insurance agency.*

*E. Upon reorganization, the resulting mutual holding company (i) shall continue to possess and may exercise all the rights, powers, and privileges, except deposit-taking powers, of a mutual association under the laws of the Commonwealth and (ii) shall be subject to the limitations and restrictions imposed on savings institution holding companies by §§ 6.2-1147 and 6.2-1192, as well as all limitations and restrictions applicable to mutual savings institutions.*

*F. Upon reorganization, the association chartered as a stock corporation shall have the power to issue to persons other than the mutual holding company of which it is a subsidiary, an amount of common stock which in the aggregate does not exceed 49 percent of the issued and outstanding common stock of the association. For purposes of this percentage limitation, any issued and outstanding securities that are convertible into common stock shall be considered as issued and outstanding common stock. If at any time, the mutual holding company resulting from reorganization sells or otherwise disposes of outstanding shares in its stock association subsidiary, and as a result such mutual holding company no longer owns more than 51 percent of the outstanding shares of such association, or if the subsidiary stock association sells substantially all of its assets in a transaction in which substantially all deposit liabilities of such association are assumed and become liabilities of the purchaser of those assets, the Commission, on application of the Commissioner, may, after reasonable notice to the mutual holding company and its subsidiary stock association, appoint a receiver to wind up the affairs of the mutual holding company.*

*G. Any mutual holding company having its principal place of business in the Commonwealth may convert into a stock savings institution holding company, with the approval of the Commissioner, and in accordance with any regulations adopted by the Commission.*

*§ 6.2-1141. Conversion of state savings institution into federal financial institution.*

*A. A state savings institution may convert into a federal financial institution as follows:*

*1. At any meeting of the members or stockholders called and held in accordance with the Virginia Stock Corporation Act (§ 13.1-601 et seq.) or the Virginia Nonstock Corporation Act (§ 13.1-801 et seq.) to consider such action, the members or stockholders, by an affirmative vote of those holding and voting two-thirds of the votes present in person or by proxy, may resolve to convert the state savings institution into a federal financial institution;*

*2. A copy of the minutes of the meeting duly certified by the president or vice-president and the secretary or assistant secretary of the state savings institution shall be transmitted to the Commission;*

*3. Thereafter, the state savings institution shall take such action as is necessary under federal law to make it a federal financial institution; and*

*4. The savings institution shall file with the Commission a certified copy of the charter issued to it by the federal chartering authority or a certificate of that authority showing the organization of the state savings institution as a federal financial institution.*

*B. Upon the filing of the certified copy of a charter or certificate of authority as provided in subdivision A 4, the savings institution shall cease to be a state savings institution.*

*C. No state savings institution shall convert into a federal financial institution until it has been in operation as a state savings institution for a period of at least five years.*

*D. When a conversion of a state savings institution into federal financial institution becomes effective, the state savings institution shall cease to be a Virginia corporation and all its property, by operation of law and without any further act or deed, shall continue to be vested in it under its new name as a federal financial institution and under its federal charter. The federal financial institution shall have, hold and enjoy the same in its own right as fully and to the same extent as the same was possessed, held and enjoyed by it as a state savings institution. The federal financial institution, at the time of the taking effect of the conversion, shall become, and continue to be, responsible for all of the obligations of the state savings institution, including taxes and other liabilities created by law or incurred by it before becoming a federal financial institution, to the same extent as though the conversion had not taken place.*

*§ 6.2-1142. Conversion of federal financial institution into state savings institution or state bank.*

*A. A federal financial institution doing business in the Commonwealth may become a state savings institution, and such a federal financial institution that is a stock institution may become a state bank, as follows:*

*1. In either case, the federal financial institution shall take such action as will under federal law and regulations terminate its existence as a federal financial institution on a specified date;*

*2. In the case of a conversion to a state savings institution, the directors of the federal financial institution shall organize a corporation under this chapter and, if a stock institution, the Virginia Stock Corporation Act (§ 13.1-601 et seq.), or if a mutual savings institution, the Virginia Nonstock Corporation Act (§ 13.1-801 et seq.), and the new corporation shall apply for a certificate of authority to do business under § 6.2-1118; and*

3. In the case of a conversion to a state bank, the directors of the federal financial institution shall organize a corporation under Chapter 8 (§ 6.2-800 et seq.) and the Virginia Stock Corporation Act (§ 13.1-601 et seq.), and the new corporation shall apply for a certificate of authority to do business under § 6.2-816. If the applicant meets the standards established by § 6.2-816, the Commission may issue it a certificate of authority to begin a banking business. The order shall designate the main office of the federal financial institution as the main office of the resulting bank, and the resulting bank shall be permitted to operate all branch offices of the former federal financial institution. Within one year of the date of such a conversion, the resulting bank shall conform its assets and operations to the provisions of law regulating the operation of banks. The Commission may grant such resulting bank additional one-year periods, not to exceed a total of four additional years, in which to conform its assets and operations to the provisions of law regulating the operation of banks.

B. The former federal financial institution converting to a state savings institution or a state bank shall transact no business as a state savings institution or as a state bank other than that relating to its organization until its certificate of authority to do business has been granted and its dissolution as a federal financial institution has become effective.

C. As soon as the certificate of authority to do business has been granted and its dissolution as a federal financial institution has become effective, all the property of the federal financial institution shall by operation of law and without any further act or deed be vested in and become the property of the state savings institution or state bank. The state savings institution or state bank shall (i) have, hold and enjoy the same in its own right as fully and to the same extent as the same was possessed, held or enjoyed by the federal financial institution and (ii) become, and continue to be, responsible for all the obligations, duties and agreements of the federal financial institution, including taxes and other liabilities created by law or incurred by it before becoming a state savings institution or state bank to the same extent as though the conversion had not taken place.

D. Upon conversion of a federal financial institution to a state savings bank, the state savings bank shall have the right to continue to operate all branch offices then in existence without having to obtain the approval of the Commission pursuant to § 6.2-1133.

§ 6.2-1143. Conversion from state savings bank to state association; conversion from state association to state savings bank.

A. A state savings bank may be converted into a state association by the amendment of its articles of incorporation in compliance with the procedure established by Title 13.1, provided that such conversion is approved in advance by the Commission. Prior to approving or disapproving a conversion, the Commission shall investigate the application to convert as if it were an application for a certificate of authority to begin a savings and loan association business, and approval shall not be granted unless the applicant meets the standards established by § 6.2-1118. The order granting a certificate of authority to do a savings and loan business shall designate the main office of the state savings bank as the main office of the resulting financial institution. The resulting financial institution shall be permitted to operate all branch offices of the state savings bank that could have been established de novo by such financial institution having its main office at such location or which were in operation for at least five years prior to the date of the order permitting conversion. Within one year of the date of a conversion, the resulting financial institution shall conform its assets and operations to the provisions of law regulating the operation of state associations. Within one year of the date of the conversion, the resulting state savings bank shall conform its assets and operations to the provisions of law regulating the operation of state savings banks. The Commission may grant such resulting state savings bank additional one-year periods, not to exceed a total of four additional years, in which to conform its assets and operations to the provisions of law regulating the operation of state savings banks.

Two or more state savings banks may consolidate or merge, subject to the approval of the Commission, when the Commission finds that the capital of the resulting institution will be sufficient to warrant successful operation, and that the merger or consolidation will be in the public interest and in accordance with applicable laws and regulations.

C. The order approving the merger shall specify which office is to be the main office and which office or offices may be operated as branch offices.

§ 6.2-1146. *State association or association holding company acquiring bank; association acquired by bank or bank holding company; merger or consolidation of association and bank.*

A. Notwithstanding the provisions of § 6.2-874, 6.2-885, or 6.2-886, and subject to the prior approval of the Commission:

In either case, the order granting a certificate of authority to do business shall designate the main office of the resulting entity.

C. The resulting entity shall be permitted to operate all branch offices of the merging or consolidating entities that could have been established de novo by the resulting entity or that were in operation at least five years prior to the date of the order permitting merger or consolidation. *1. The purchase, acquisition, inspection, appraisal, holding, sale, assignment, transfer, collecting, and enforcement of obligations or any interest therein secured by real estate mortgages, deeds of trust, or other similar instruments, covering real property located in the Commonwealth, or the foreclosure of such instruments, or the acquisition of title to such property by foreclosure, or otherwise, as a result of default under such instruments, or the holding, protection, rental, maintenance and operation of said property so acquired, or the disposition thereof; or*

*2. The advertising or solicitation of deposit accounts, or the making of any representations with respect thereto in the Commonwealth through the media of the mail, radio, television, magazines, newspapers, or any other media that are published or circulated within the Commonwealth, if (i) such advertising, solicitation or the making of such representations is accurately descriptive of fact and (ii) no such advertising, solicitation, or the making of such representations contains any reference to insurance or guarantee of accounts, unless the accounts of such institution are insured by the Federal Deposit Insurance Corporation or other insurer approved by the Commissioner.*

*§ 6.2-1157. Acquisitions by out-of-state savings institution holding company.*

*A. Any savings institution holding company that does not have a Virginia savings institution subsidiary, except as acquired in the regular course of securing or collecting a debt previously contracted in good faith, may acquire a Virginia savings institution holding company or a Virginia savings institution with the approval of the Commission. Such savings institution holding company shall submit to the Commission an application for approval of such acquisition, which application may be approved if the Commission:*

*1. Determines that the laws of the state in which the savings institution holding company making the acquisition has its principal place of business do not prohibit or unfairly impede a Virginia savings institution holding company meeting the criteria in this article from acquiring savings institutions or savings institution holding companies in that state;*

*2. Determines that the laws of the state in which the savings institution holding company making the acquisition has its principal place of business permit such savings institution holding company to be acquired by the Virginia savings institution holding company or Virginia savings institution sought to be acquired. For purposes of this subsection, a Virginia savings institution shall be treated as if it were a Virginia savings institution holding company;*

*3. Determines either that the Virginia savings institution sought to be acquired has been in existence and continuously operating for more than two years or that all of the savings institution subsidiaries of the Virginia savings institution holding company sought to be acquired have been in existence and continuously operating for more than two years. The Commission may approve the acquisition by such savings institution holding company of all or substantially all of the shares of a savings institution organized solely for the purpose of facilitating the acquisition of a savings institution that has been in existence and continuously operating as a savings institution for more than two years; and*

*4. Makes the acquisition subject to any conditions, restrictions, requirements or other limitations that would apply to the acquisition by a Virginia savings institution holding company of a savings institution or savings institution holding company in the state where such savings institution holding company making the acquisition has its principal place of business but that would not apply to the acquisition of a savings institution or savings institution holding company in such state by a savings institution holding company all the savings institution subsidiaries of which are located in that state.*

*B. An out-of-state savings institution holding company that has a Virginia savings institution subsidiary, except as acquired in the regular course of securing or collecting a debt previously contracted in good faith, may acquire any Virginia savings institution or Virginia savings institution holding company with the approval of the Commission. Such savings institution holding company shall submit to the Commission an application for approval of such acquisition, which application may be approved if the Commission:*

*1. Determines either that the Virginia savings institution sought to be acquired has been in existence and continuously operating for more than two years or that all of the savings institution subsidiaries of the Virginia savings institution holding company sought to be acquired have been in existence and continuously operating for more than two years. The Commission may approve the acquisition by such savings institution holding company of all or substantially all of the shares of the savings institution organized solely for the purpose of facilitating the acquisition of a savings institution that has been in existence and continuously operating as a savings institution for more than two years; and*

*2. Makes the acquisition subject to any conditions, restrictions, requirements or other limitations that would apply to the acquisition by a Virginia savings institution holding company of a savings institution or a savings institution holding company in the state where such savings institution holding company making the acquisition has its principal place of business but that would not apply to the acquisition of a savings institution or a savings institution holding company in such state by a savings institution holding company all the savings institution subsidiaries of which are located in that state.*

*§ 6.2-1158. Acquisitions by out-of-state savings institution.*

*A. Any out-of-state savings institution that is insured by the Federal Deposit Insurance Corporation*

or other federal insurance agency, may acquire a Virginia savings institution holding company or a Virginia savings institution with the approval of the Commission. Such savings institution shall submit to the Commission an application for approval of such acquisition, which application may be approved if the Commission:

1. Determines that the laws of the state in which the savings institution making the acquisition has its principal place of business do not prohibit or unfairly impede a Virginia savings institution meeting the criteria in this article from acquiring savings institutions or savings institution holding companies in that state;

2. Determines that the laws of the state in which the savings institution making the acquisition has its principal place of business permit such savings institution to be acquired by the Virginia savings institution holding company or Virginia savings institution sought to be acquired;

3. Determines that the Virginia savings institution sought to be acquired has been in existence and continuously operating for more than two years or that all of the Virginia savings institution subsidiaries of the Virginia savings institution holding company sought to be acquired have been in existence and continuously operating for more than two years. The Commission may approve the acquisition by a savings institution of all or substantially all of the shares of a savings institution organized solely for the purpose of facilitating the acquisition of a savings institution that has been in existence and continuously operating as a savings institution for more than two years; and

4. Makes the acquisition subject to any conditions, restrictions, requirements or other limitations that would apply to the acquisition by a Virginia savings institution of a savings institution or savings institution holding company in the state where the savings institution making the acquisition has its principal place of business but that would not apply to the acquisition of a savings institution or savings institution holding company in such state by a savings institution located in that state.

B. An out-of-state savings institution that is insured by the Federal Deposit Insurance Corporation or other federal insurance agency and that has previously acquired a Virginia savings institution or Virginia savings institution holding company may acquire any additional Virginia savings institution or Virginia savings institution holding company with the approval of the Commission. Such savings institution shall submit to the Commission an application for approval of such acquisition, which application may be approved if the Commission:

1. Determines that the Virginia savings institution sought to be acquired has been in existence and continuously operating for more than two years. The Commission may approve the acquisition by a savings institution of all or substantially all of the shares of a savings institution organized solely for the purpose of facilitating the acquisition of a savings institution that has been in existence and continuously operating as a savings institution for more than two years; and

2. Makes the acquisition subject to any conditions, restrictions, requirements or other limitations that would apply to the acquisition by a Virginia savings institution of a savings institution or a savings institution holding company in the state where the savings institution making the acquisition has its principal place of business but that would not apply to the acquisition of a savings institution or a savings institution holding company in such state by a savings institution located in that state.

§ 6.2-1159. Investigation of application; prescribed investigation period; shortening, lengthening or waiving of period; hearing; appeals.

A. For 90 days following receipt of a complete application under § 6.2-1157 or 6.2-1158, the Commission may conduct an investigation for the purpose of determining whether:

1. The proposed acquisition would be detrimental to the safety and soundness of the applicant or the Virginia savings institution or Virginia savings institution holding company that the applicant seeks to acquire or control;

2. The applicant, its directors and officers, if applicable, and any proposed new directors and officers, of the Virginia savings institution or Virginia savings institution holding company that the applicant seeks to acquire, are qualified by character, experience and financial responsibility to control and operate a Virginia savings institution or Virginia savings institution holding company;

3. The proposed acquisition would be prejudicial to the interests of the depositors, creditors, beneficiaries of fiduciary accounts or shareholders of the Virginia savings institution holding company or any Virginia savings institution that the applicant seeks to acquire or control; and

4. The acquisition is in the public interest.

B. The 90-day investigation period may be shortened or waived by the Commission, as it deems appropriate, if the Commission finds that it must act immediately in order to prevent the probable failure of a Virginia savings institution involved. The 90-day investigation period may be extended if the Commission determines that the applicant has not furnished all the information necessary to make the determination under § 6.2-1157 or 6.2-1158 or that the information submitted is substantially inaccurate or misleading.

C. Within the prescribed investigation period, or any extension thereof, and upon request of the applicant or the Virginia savings institution or Virginia savings institution holding company that the applicant seeks to acquire or control, or upon its own motion, the Commission may order a hearing concerning the proposed acquisition.

D. Within the prescribed investigation period, or any extension thereof, the Commission, by giving written notice of its decision and the reasons therefor to the applicant and to the Virginia savings institution or Virginia savings institution holding company that the applicant seeks to acquire or control, may: (i) approve the application, (ii) disapprove the application, or (iii) impose such conditions on the acquisition as the Commission may deem advisable to effect the purpose of this article.

§ 6.2-1160. Notice of intent to acquire out-of-state savings institution.

A Virginia savings institution, a Virginia savings institution holding company, or an out-of-state savings institution holding company owning subsidiaries that conduct a savings institution business in the Commonwealth shall file with the Commission notice of its intention to acquire a financial institution outside Virginia, together with such information as the Commission may request. The Commission shall within 30 days or an extended period not exceeding 15 days, disapprove such acquisition if it determines that the acquisition could affect detrimentally the safety or soundness of a Virginia savings institution. The Commission may approve such acquisition prior to the expiration of the 30-day period if it determines that the acquisition will not affect detrimentally the safety or soundness of such Virginia savings institution.

§ 6.2-1161. Applicable laws and regulations; enforcement by Commission.

A. Any Virginia savings institution that is controlled by a savings institution holding company that is not a Virginia savings institution holding company shall be subject to all laws of the Commonwealth and all regulations under such laws that are applicable to Virginia savings institutions controlled by Virginia savings institution holding companies.

B. The Commission shall adopt such regulations, including the imposition of reasonable application and administration fees, as it finds necessary to implement the provisions of this article.

C. The Commission shall have the same powers to enforce the provisions of this article as those granted under Article 9 (§ 6.2-1191 et seq.) of this chapter.

§ 6.2-1162. Periodic reports; interstate agreements.

A. The Commission may examine any out-of-state savings institution holding company owning a Virginia savings institution and each of its Virginia or non-Virginia savings institution or nonsavings institution subsidiaries and shall require reports of each savings institution holding company subject to this chapter. Such reports shall be filed under oath with such frequency and in such scope and detail as may be appropriate for the purpose of assuring continuing compliance with the provisions of this chapter.

B. Prior to approving an acquisition under the provisions of this article, the Commission shall enter into cooperative agreements with the appropriate regulatory authorities for the periodic examination of any savings institution holding company that has a Virginia savings institution subsidiary or any subsidiary of such holding company and may accept reports of examination and other records from such authorities in lieu of conducting its own examinations. The Commission may enter into joint actions with other regulatory authorities having concurrent jurisdiction over any savings institution holding company that has a Virginia savings institution subsidiary or may take such actions independently to carry out its responsibilities under this chapter, assure the safety and soundness of any Virginia savings institution, and assure compliance with the provisions of this chapter and the applicable savings institution laws of the Commonwealth.

§ 6.2-1163. Application of article to bank or bank holding company.

For purposes of this chapter, any bank or bank holding company seeking to acquire a savings institution or savings institution holding company, shall be deemed to be a savings institution or savings institution holding company, as the case may be, for purposes of determining whether such bank or bank holding company is permitted to acquire the savings institution or savings institution holding company in question.

§ 6.2-1164. Acquisitions of state savings bank or holding companies by out-of-state financial institutions.

A state savings bank, or holding company thereof, may not be acquired by a financial institution, or financial institution holding company, whose principal place of business is outside the Commonwealth, except in accordance with the provisions of this article.

§ 6.2-1165. Nonseverability.

Notwithstanding the provisions of § 1-243, if any portion of this article pertaining to the terms and conditions for and limitations upon acquisition of Virginia savings institution holding companies and Virginia savings institutions by savings institutions and savings institution holding companies that do not have their principal place of business in the Commonwealth is determined to be invalid for any reason by a final nonappealable order of any appropriate Virginia or federal court, then §§ 6.2-1157 through 6.2-1164 shall be void and of no further effect from the effective date of such order. Any transaction that has been lawfully consummated pursuant to this article prior to a determination of invalidity shall be unaffected by such determination.

Article 6.

Accounts.

§ 6.2-1166. Accounts of state savings institutions.

Notwithstanding any restriction in its articles of incorporation limiting the number, kinds and classes of accounts that it may offer, a state savings institution may offer such accounts, including checking accounts, time deposit accounts, and savings accounts, as its board of directors may authorize from time to time. A state savings institution may pay interest on such accounts at such rates and under such terms and conditions as its board of directors may direct from time to time, subject to any restrictions and limitations imposed by state or federal law on the payment of interest.

§ 6.2-1167. Rules governing withdrawal.

A. The holder of a savings account in a savings institution shall have the right to withdraw all or any part of his account. A savings institution shall have the right to establish the rules governing the withdrawals and may from time to time fix the period of notice required to be given for withdrawal. In no event shall a savings institution delay or postpone the whole or partial payment of the value of any savings account pursuant to a written withdrawal application by a savings account holder for a period exceeding 30 days following the receipt of such application without first securing written permission from the Commissioner.

B. The holder of a federal tax and loan account or note account as defined in regulations of the U.S. Treasury Department or other federal agency shall have the right of immediate withdrawal of all or any part of such account. In no event shall a savings institution delay or postpone the whole or partial payment of such an account pursuant to a written application by the account holder.

§ 6.2-1168. Redemption.

At any time that funds are on hand for the purpose, a mutual savings institution shall have the right to redeem by lot or otherwise, as the board of directors may determine, all or any part of any of its savings accounts on an earnings date by giving 30 days' notice by certified mail addressed to each affected account holder at his last address as recorded on the books of the institution. No mutual savings institution shall redeem any of its savings accounts when its liabilities exceed its assets or when it has applications for withdrawal that have been on file more than 30 days and have not been reached for payment. The redemption price of savings accounts redeemed shall be the full value of the account redeemed, as determined by the board of directors, but in no event shall the redemption price be less than the withdrawal value. If the notice of redemption has been duly given, and if on or before the redemption date the funds necessary for such redemption have been set aside to be, and continue to be, available therefor, interest upon the accounts called for redemption shall cease to accrue from and after the date specified as the redemption date. All rights with respect to such accounts shall terminate upon the redemption date, other than any right of the account holder of record to receive the redemption price without interest. Accounts called for redemption, if unclaimed, shall be subject to the Uniform Disposition of Unclaimed Property Act (§ 55-210.1 et seq.).

§ 6.2-1169. Accounts of savings institutions as legal investments and as security.

Administrators, executors, custodians, conservators, guardians, trustees, and other fiduciaries, insurance companies, business and manufacturing companies, banks, trust companies, credit unions and other types of similar financial organizations, charitable, educational, and eleemosynary funds and organizations, and all agencies, localities, and other political subdivisions and governmental units of the Commonwealth are specifically authorized to invest funds held by them, without any order of any court, in accounts of savings institutions authorized to do business in the Commonwealth. Such investments shall be deemed and held to be legal investments for such funds. The provisions of this section are supplemental to any and all other laws relating to and declaring what shall be legal investments for the persons referred to in this section.

§ 6.2-1170. Deposits of federal taxes and U.S. Treasury tax and loan accounts.

Savings institutions may:

1. Serve as depositories for federal taxes and for U.S. Treasury tax and loan deposits;
2. Satisfy any requirements in connection therewith, including maintaining tax and loan accounts and note accounts, as defined by regulations of the U.S. Treasury Department or other federal agency;
3. Pledge collateral; and
4. Satisfy the requirements of the U.S. Treasury Department in connection with such deposits.

§ 6.2-1171. Accounts under federal Self-Employed Individuals Tax Retirement Act and federal Employee Retirement Income Security Act of 1974 (P.L. 93-406, 88 Stat. 829).

A. To the extent allowed by federal law, an insured savings institution may act as trustee or custodian under the federal Self-Employed Individuals Tax Retirement Act of 1962, as amended. Funds held as such trustee or custodian may be invested in accounts of the association to the extent that the trust, custodial or other plan does not prohibit such investment.

B. To the extent allowed by federal law, an insured savings institution may act as trustee or custodian of individual retirement accounts under the federal Employee Retirement Income Security Act of 1974 (P.L. 93-406, 88 Stat. 829), as amended. Contributions may be accepted and interest thereon retained by such institution pursuant to forms provided by it and may be invested in accounts of the institution in accordance with the terms upon which such contributions were accepted.

§ 6.2-1172. Accounts issued in name of minor.

A savings institution may issue accounts to a minor as sole and absolute owner of the account. With

respect to any such account, a savings institution may (i) receive deposits by or for the minor owner, (ii) pay withdrawals, (iii) accept pledges to the association, and (iv) act in any other manner with respect to such accounts on the order of the minor owner. Any payment or delivery of funds from such account to its owner, or payment of a check or other written order for withdrawal signed by its minor owner, shall be a valid and sufficient release and discharge of the institution for any payment or delivery so made. The parent or guardian of the minor owner shall not in his capacity as parent or guardian have the power to withdraw or transfer funds in any such account unless the minor has given written notice to the association to accept the signature of such parent or guardian.

**§ 6.2-1173. Powers of attorney on accounts.**

Any savings institution may continue to recognize the authority of an attorney-in-fact authorized in writing to manage or to make withdrawals, either in whole or in part, from any account until it receives written notice or is on actual notice of the revocation of his authority. For the purposes of this section, written notice of death of the owner of the account shall constitute written notice of revocation of the authority of his attorney. Written notice of the adjudication of incapacity of an account owner shall constitute written notice of revocation of the authority of his attorney unless under the laws of the Commonwealth the authority of the attorney-in-fact survives such adjudication. Payment of the account in accordance with the provisions of this section shall constitute a full discharge and acquittance of the association as to such account.

**§ 6.2-1174. Accounts of deceased or incompetent persons.**

A. A savings institution may pay funds held in the account of a deceased person or a person under disability to the personal representative, committee, conservator, guardian, or curator of such person upon proper proof of the appointment and qualification of such fiduciary. Any savings institution making such payment shall not thereafter be liable for the amount thereof to any person. The presentation of a duly certified letter or certificate of qualification as personal representative or other fiduciary shall be conclusive proof of the jurisdiction of the court issuing the same.

B. A savings institution that has not received written notice and is not on actual notice that an account owner is deceased or has been adjudicated incompetent may pay or deliver funds held in such person's account in accordance with the provisions of the account contract without liability to any person for the amounts so paid or delivered.

**§ 6.2-1175. Payment of small balances to distributees or other persons.**

A. When the account of a deceased person upon whose estate there has been no qualification does not exceed \$15,000, it shall be lawful for a savings institution, after 60 days from the death of such person, to pay such balance to the decedent's spouse, or if none, to the distributees of the decedent or other persons entitled thereto under the laws of the Commonwealth. The receipt of the payee therefor shall be a full discharge and acquittance of the institution as to all persons on account of such account.

B. The balance of an account described in subsection A, or any part thereof not to exceed the amount given a priority under the provisions of § 64.1-157, after 30 days from the death of such person, at the written request of the decedent's spouse, or if none, of the distributees of the decedent or other persons entitled thereto under the laws of the Commonwealth, may be paid to the undertaker or mortuary handling the funeral of the decedent. A receipt of the payee shall be a full and final release of the institution.

**§ 6.2-1176. Accounts of fiduciaries.**

A savings institution may issue accounts in the name of any administrator, executor, custodian, conservator, guardian, trustee, or other fiduciary for a named beneficiary or beneficiaries. The payment of funds from any such account pursuant to a check or other written order of withdrawal signed by the fiduciary, the delivery of funds in such account to such fiduciary, or a receipt signed by any such fiduciary with regard to the payment of funds from such account, shall be a valid and sufficient release and discharge of the institution for the payment or delivery so made.

**§ 6.2-1177. Savings institution need not inquire as to fiduciary funds deposited in fiduciary's personal account.**

If any fiduciary or agent makes a deposit in a savings institution to his personal credit of checks drawn by him upon an account in his own name as fiduciary, or of checks drawn by him upon an account in the name of his principal, if he is empowered to draw checks thereto, or of checks payable to his principal and endorsed by him as fiduciary, the institution receiving the deposit:

1. Shall not be required to inquire whether the fiduciary is committing thereby a breach of his obligation as fiduciary; and

2. Is authorized to pay the amount of the deposit or any part thereof upon the withdrawal by the fiduciary without being liable to the principal, unless the institution receives the deposit or pays the withdrawal with (i) actual knowledge that the fiduciary, in making such deposit or in making such withdrawal, is committing a breach of his obligation as fiduciary or (ii) knowledge of such facts that its action in receiving the deposit or paying the withdrawal amounts to bad faith.

**§ 6.2-1178. Accounts held by various trustees for same beneficiary.**

Whenever trust interests or accounts are created for the same beneficiary, and each interest or account is in the name of a separate and distinct trustee or combination of trustees, each trust interest

*or account shall constitute a separate, distinct, and valid trust entity for all purposes.*

*Article 7.*

*Real Estate Loans.*

*§ 6.2-1179. Real estate loans; required investment.*

*A. A state savings institution may originate, invest in, sell, purchase, service, participate, or otherwise deal in loans secured by a lien on real estate, subject to the requirements of this chapter. Such loans that are insured, guaranteed or made under a firm commitment to be sold, assigned or otherwise transferred to an agency or instrumentality of the federal government or to a corporation organized under the laws of the United States, including the Department of Housing and Urban Development, the Veterans Administration, the Federal National Mortgage Association, the Government National Mortgage Association or the Federal Home Loan Mortgage Corporation, may be made in accordance with the requirements of such federal agencies, instrumentalities or corporations.*

*B. At least 60 percent of assets of a state savings institution shall be invested in real estate loans. For purposes of meeting this 60-percent requirement, a savings institution may include (i) loans secured by a lien on a manufactured building or buildings; (ii) the value of securities held by it that represent a beneficial interest, participation interest or other similar interest in loans secured by a lien on real estate including participation certificates issued by the Federal National Mortgage Association, Government National Mortgage Association or the Federal Home Loan Mortgage Corporation; and (iii) the value of liquid assets equal to the minimum liquid asset requirement for membership in a Federal Home Loan Bank.*

*C. A state savings institution may not purchase, participate in or acquire an interest in any real estate loan that it could not legally make, without the prior approval of the Commissioner.*

*§ 6.2-1180. Appraisals; loan-to-value ratios.*

*A. A savings institution may make a real estate loan only after a qualified person designated by the savings institution has submitted a signed appraisal of the security property, except that an insured or guaranteed loan may be made on the basis of a valuation of the security property furnished to the savings institution by the insuring or guaranteeing agency.*

*B. At the time of origination, a real estate loan may not exceed 100 percent of the appraised fair market value of the security property. During the term of the loan, the loan-to-value ratio may increase above the maximum permissible percentage if the increase results from an adjustment authorized by § 6.2-1182. In the case of a home loan secured by borrower-occupied property, the loan balance may not exceed 125 percent of the original appraised value of the property during the term of the loan, unless the loan contract provides that the payment shall be adjusted at least once every five years, beginning no later than the 10th year of the loan, to a level sufficient to amortize the loan at the then-existing interest rate and loan balance for the remaining term of the loan. The 125 percent limitation shall not apply to that portion of a loan balance that is interest received in the form of a percentage of the appreciation in value of the security property.*

*§ 6.2-1181. Initial repayments on real estate loans.*

*Repayments on real estate loans shall begin not later than 60 days after the loan proceeds are disbursed. If such loan is for construction, substantial alteration, repair, or improvement of the real estate securing the loan, repayments may begin not later than 60 months after the date of the first loan disbursement, and interest shall be payable at least semiannually until regular periodic payments begin. In the case of a home loan where the loan proceeds are to be used for construction, substantial alteration, repair, or improvement of the security property, repayments must begin not later than 36 months after the date of the first disbursement, with interest payable at least semiannually until regular periodic payments begin.*

*§ 6.2-1182. Adjustable real estate loans.*

*A state savings institution may adjust the interest rate, payment, balance, or term to maturity on any real estate loan as authorized by the loan contract, and may receive a portion of the consideration for making a real estate loan in the form of a percentage of the amount by which the current market value of the property, during the loan term or at maturity, exceeds the original appraised value.*

*§ 6.2-1183. Special provisions for home loans.*

*The loan term of a home loan shall not exceed 40 years, with interest payable at least semiannually, except as expressly authorized elsewhere in this chapter. Payments on the loan balance, for other than nonamortized and line-of-credit loans, shall be made in at least semiannual installments, except that loans made on the security of farm residences and combinations of farm residences and commercial farm real estate may be repayable in annual installments. The loan may be fully amortized, partially amortized, nonamortized, or a line-of-credit loan. The loan contract may provide for the deferral of principal and capitalization of a portion of interest, or of all interest on loans to natural persons secured by borrower-occupied property and on which periodic advances are being made.*

*§ 6.2-1184. Dealing with successors in interest.*

*In the case of any investment made by a savings institution in a real estate loan, if (i) the ownership of the real estate security or any part thereof becomes vested in a person other than the party originally executing the security instruments and (ii) there is not an agreement in writing to the contrary, a*

savings institution may, without notice to such party, deal with such successor in interest with reference to that mortgage and the debt thereby secured in the same manner as with such party. The savings institution may forbear to sue or may extend time for payment, or otherwise modify the terms, of the debt secured thereby without discharging or in any way affecting the original liability of such party or parties thereunder or upon the debt thereby secured.

§ 6.2-1185. Trustees on loans secured by deed of trust.

Any savings institution in connection with making loans secured by deed of trust is empowered to elect a trustee, which may be a service corporation, at such times and for such terms as may be prescribed by its charter or bylaws. All the rights, titles, duties, and obligations of such a trustee relating to loans secured by deed of trust shall pass by operation of law to his successor in office. Every right of the savings institution required to be exercised by or through such trustee, whether it is the sale of property or some other act, shall be done, enforced and carried out by the trustee in office at the time when such rights are exercised by or for the savings institution. All sales or conveyances heretofore or hereafter made by a trustee appointed in the manner designated in this section shall be as valid and binding as though the sale or conveyance had been made by the trustee named in the deed of trust. A majority of the trustees in office are empowered to conduct sales and make conveyances in pursuance thereof with the same force and effect as though all the trustees had acted; and when there are two trustees either one may act.

Article 8.

Other Loans and Investments.

§ 6.2-1186. General investment authority of state savings institutions.

A. Subject to the powers and limitations regarding real estate loans set forth in § 6.2-1179, and except as provided in § 6.2-1187 with respect to state savings banks, the assets of a state savings institution may be invested only:

1. In real and personal property necessary for the conduct of its business and in real estate to be held for its future accommodation. A savings institution may invest in an office building or buildings and appurtenances for the transaction of its business, or for the transaction of such business and for rental. Except as provided in § 6.2-1187 with respect to savings banks, no such investment described in the preceding sentence may be made without the prior approval of the Commissioner if the total amount of the investment exceeds 50 percent of capital stock paid-in and unimpaired and 50 percent of unimpaired combined surplus and undivided profits, or, in the case of a mutual association, 50 percent of general reserve and surplus;

2. In stock and other securities or obligations of a service corporation. Unless specifically authorized by the Commissioner, a state savings institution shall not invest more than 10 percent, in the aggregate, of its assets in the investments specified in this subdivision. A service corporation may charge and collect such finance charges, fees and interest rates as state savings institutions are authorized to charge and collect. A service corporation, directly or indirectly, may engage in providing real estate brokerage services for property owned by a state savings institution owning capital stock in the service corporation, by the service corporation, or a joint venture in which the service corporation is a participant, but no service corporation, state savings institution or holding company that has control, as defined in § 6.2-701, over a state savings institution may engage directly or indirectly in providing real estate brokerage services for property owned by third parties. Nothing in this subdivision shall prohibit (i) a state savings bank or its affiliates or (ii) a holding company that has control over a state savings institution from engaging in third party real estate brokerage in any state, other than the Commonwealth, that permits such activities by its state chartered savings institutions, or their affiliates or holding companies;

3. If the savings institution is a state association, in the purchase of real estate for the purpose of producing income or for inventory and sale or for improvement including the erection of buildings thereon, for sale or rental purposes, and such an association may hold, sell, lease, operate or otherwise exercise the rights of an owner of any such property. Unless specifically authorized by the Commissioner, a state association shall not invest more than 10 percent, in the aggregate, of its assets in the investments specified in this subdivision;

4. In obligations that are fully guaranteed as to principal and interest by the United States or the Commonwealth;

5. In stock or obligations of any Federal Home Loan Bank or Federal Reserve Bank;

6. In obligations of, or issued by, any other state or political subdivision thereof, so long as such obligations continue to hold one of the four highest national investment grade ratings;

7. In obligations of, or issued by, any locality, district, or other political subdivision of the Commonwealth, or any public instrumentality or public authority created by act of the General Assembly, so long as such obligations continue to hold one of the four highest national investment grade ratings;

8. If the savings institution is a state association, in deposits in banks for savings and loan associations;

9. In stock, obligations or other instruments of the Federal National Mortgage Association,

Government National Mortgage Association, Federal Home Loan Mortgage Corporation, or any successor thereto;

10. In obligations of, or guaranteed as to principal and interest by, Canada or any province thereof, provided that the principal and interest of any such obligations are payable in United States funds;

11. In demand, time, or savings deposits, shares or accounts, or other obligations of any financial institution the accounts of which are insured by a federal agency or other insurer approved by the Commissioner;

12. In bankers' acceptances that are eligible for purchase by Federal Reserve Banks;

13. Such loans may be evidenced by installment consumer paper that is transferred to a savings institution by an endorser or guarantor, provided that such paper shall carry a full or limited endorsement or guarantee of the person transferring the same and the savings institution shall have a certificate of a responsible officer designated by its board for that purpose stating that the responsibility of the maker of such obligation has been evaluated and the savings institution is relying primarily upon such maker for the payment of such obligation;

17. In secured or unsecured credit to cover payment of checks, drafts or other fund transfer orders in excess of the available balance of an account on which they are drawn. Such extensions of credit must be paid off within 30 days after the extension of credit is made. a. Each letter of credit shall conspicuously state that it is a letter of credit;

b. The issuer's undertaking shall contain a specified expiration date or be for a definite term, and shall be limited in amount;

c. The issuer's obligation to pay shall be solely dependent upon the presentation of conforming documents as specified in the letter of credit, and not upon the factual performance or nonperformance

by the parties to the underlying transaction; and

d. The account party shall have an unqualified obligation to reimburse the issuer for payments made under the letter of credit.

C. The Commission may adopt such regulations as may be required to prevent excessive aggregate amounts of lending by an association to any one individual or entity.

§ 6.2-1187. Investment authority of state savings banks.

Notwithstanding any provision of § 6.2-1186 to the contrary:

1. A state savings bank shall not invest in an office building or buildings and appurtenances for the transaction of its business, or for the transaction of such business and for rental, without the prior approval of the Commissioner if the total amount of the investment exceeds the aggregate amount of the savings bank's unimpaired capital fund;

§ 6.2-1188. Effect of repeal or amendment of statute or regulation on existing loan or investment.

Any investment or loan that was in compliance with the provisions of this chapter or a regulation of the Commission in existence when such investment or loan was made shall remain a legal investment or loan even though the power to make such investment or loan in the future is amended or revoked by regulation or by action of the General Assembly.

§ 6.2-1189. Limitation on liability of savings institutions making loans for certain purposes.

A savings institution that makes a loan, the proceeds of which are used or may be used by the borrower to finance the purchase, design, manufacture, construction, repair, modification, or improvement of real or personal property for personal use, or for sale or lease to others, or for the acquisition or operation of a business, shall not be held liable to such borrower or to any third persons (i) for any loss or damage occasioned by any defect in the real or personal property so purchased, designed, manufactured, constructed, repaired, modified, or improved, (ii) for any loss or damage resulting from the failure of the borrower to use due care in the design, manufacture, construction, repair, modification, or improvement of any such real or personal property, or (iii) for the acts or omissions of the borrower in acquisition or operation of a business, unless such loss or damage is a result of an action of the savings institution outside the scope of its business as a savings institution, or unless the institution has knowingly been a party to misrepresentations with respect to such real or personal property.

§ 6.2-1190. Perfection of certain security interests.

When securities are sold by a savings institution subject to an obligation of repurchase, any security interest or interest of ownership therein may be perfected (i) as specified by Title 8.8 or Title 8.9A; (ii) by designation to the person holding physical custody thereof, which shall include a person keeping the master records, in case of securities identified by book entry only, that certain securities identified by serial number or dollar amount are held for the benefit of third parties other than the savings institution, who may, but need not be, identified by name; or (iii) by physical separation on the premises of the savings institution in a separate drawer, compartment, or other facility. The savings institution may, from time to time, instruct any third party holding such securities that the previously identified securities or an amount of such securities previously identified as pledged or belonging to third parties, have been released from such pledge by payment of all or part of the amount due, or have been repurchased. There shall be an identification on the records of the savings institution of the persons who are pledgees or owners of such securities.

## Article 9.

### Supervision.

§ 6.2-1191. General supervisory powers of Commission.

The Commission shall have general supervisory powers with respect to all state associations, state savings banks and their holding companies, foreign savings institutions transacting business in the Commonwealth, savings institution holding companies whose principal place of business is located in the Commonwealth, service corporations that are owned or controlled by one or more state savings banks, service corporations the principal offices of which are located in the Commonwealth or that are owned or controlled by one or more state associations, and any other person who is subject to the provisions of this chapter.

§ 6.2-1192. Regulations.

A. The Commission may adopt such regulations as it deems appropriate to effect the purposes of this

chapter. Before adopting any regulation, the Commission shall give reasonable notice of its content and shall afford interested parties an opportunity to present evidence and be heard, in accordance with the Commission's Rules.

B. The Commission may adopt such regulations as may be necessary to permit state savings institutions to have powers comparable with those of federal savings institutions, regardless of any then existing statute, regulation or court decision limiting or denying such powers to state savings institutions. The requirement of a public hearing shall not automatically apply to regulations adopted under this subsection, but the Commission may have such hearing as it deems appropriate.

C. The Commission may adopt regulations governing savings institution holding companies doing business in the Commonwealth, including the activities of such companies and their subsidiaries.

D. The Commissioner shall publish and mail to each state savings institution and foreign savings institution doing business in the Commonwealth a copy of all regulations of the Commission in effect pertaining to such savings institutions at such times as he may deem proper.

E. Regulations adopted by the Commission shall continue in effect until amended or revoked by the Commission or superseded by action of the General Assembly.

§ 6.2-1193. Statements to be furnished by Commission to directors of savings institutions.

The Commission shall prepare and make available to each member of the board of directors of every state savings institution a statement describing generally their duties and responsibilities. The statement shall include a brief outline of the examining procedure employed by the Commission, an explanation of the distinction between an examination and an audit, and any information that the Commission deems necessary to apprise the directors of the necessity for an adequate system of internal controls.

§ 6.2-1194. State savings institutions to furnish financial statements and reports.

A. Every state savings institution shall furnish the Commission within 30 days after the close of its fiscal year a statement of its financial condition on forms supplied by the Commission. The statements shall be made in accordance with forms prescribed by the Commission, certified under oath by the president or treasurer of the savings institution, and attested by at least three of its directors. Insofar as practicable, the reports required by this section shall conform to those required of savings institutions insured by any instrumentality of the federal government that insures or regulates savings institutions. The Commission shall allow state savings institutions to submit the statements electronically. Any state association that submits such statements electronically shall maintain a copy of the statement with the required certified signatures affixed.

B. Every state savings institution shall make such other reports as the Commission may from time to time require.

§ 6.2-1195. Examination of state savings institutions and affiliates by Commissioner; report of examination.

A. As used in this section, the term "affiliate of any state savings institution" means any entity (i) of which the state savings institution, directly or indirectly, owns or controls either a majority of the voting shares or more than 50 percent of the number of shares voted for the election of its directors, trustees, or other persons exercising similar functions at the preceding election, or controls in any manner the election of a majority of its directors, trustees, or other persons, exercising similar functions, (ii) of which control is held, directly or indirectly, through stock ownership or in any other manner, by the shareholders of such state savings institution who own or control either a majority of the shares of the state savings institution or more than 50 percent of the number of shares voted for the election of directors of the state savings institution at the preceding election, or by trustees for the benefit of the shareholders of the state savings institution, or (iii) of which a majority of the directors, trustees, or other persons exercising similar functions are directors of the state savings institution.

B. The Commissioner shall, not less than once during any period of three consecutive calendar years, or at such additional times as he deems necessary, with or without previous notice, examine each state savings institution. A copy of the report of all examinations shall be furnished to the savings institution. The report shall be presented by the president or other chief executive officer to the directors at their next meeting.

C. No other copies of a report of examination shall be made except as necessary for review by officers and directors of the state savings institution. Copies of the report made for officers and directors of the savings institution shall not be removed from the premises of such savings institution and shall be destroyed after the review has been completed. The original examination report shall be kept among the records of the Bureau. Upon resolution of the board of directors of a savings institution, examination reports may be inspected in the savings institution by such other persons as the board may specify.

D. In connection with the examination of any state savings institution, the Commission may make or cause to be made an examination of the affiliates of the state savings institution as shall be necessary to ascertain the financial condition of the savings institution and disclose fully the relations between the savings institution and its affiliates and the effect of such relations upon the affairs of the savings institution.

E. Upon written application made to the Commission by the board of directors or by the

stockholders representing two-fifths of the total outstanding capital stock of any savings institution incorporated under the laws of and doing business in the Commonwealth, or when, in the judgment of the Commission, it may be necessary for the protection of the public or of persons depositing or dealing with such state savings institution, the Commission shall cause to be made a special examination of such state savings institution. All expenses incident to such special examination may be charged to the state savings institution so examined and shall be paid by the savings institution so charged.

§ 6.2-1196. Access to books and evidence of debt; examination of directors, officers, and employees under oath.

A. The officers, directors, and employees of every savings institution doing business in the Commonwealth shall, upon the demand of the person designated by law to make any examination of the institution:

1. Give to such examiner full access to all money, books, papers, notes, bills, and other evidence of debt of the savings institution;
2. Disclose fully and truly all of its indebtedness and liability; and
3. Furnish the examiner with all information that the examiner deems necessary to a full investigation into the affairs of the savings institution.

B. The Commission may examine under oath any and all of the directors, officers, clerks, and employees of a savings institution touching any matter or thing connected with the operation of the savings institution. Any duly authorized examiner shall have the authority to administer oaths to the persons examined.

§ 6.2-1197. False statements; penalty.

Any officer, director, or agent of a savings institution who knowingly makes a false statement of the condition of the institution to the Commission is guilty of a Class 6 felony.

§ 6.2-1198. Audits.

The Commission may require a savings institution doing business in the Commonwealth to have an audit made of its books, records and methods of operation, whenever it appears to the Commission that the system of internal controls is not adequate or that the savings institution is engaging in dangerously unsound practices or that the financial condition of the institution makes it necessary.

§ 6.2-1199. Powers of Commission in case of nonobservance of law, noncompliance with orders, insufficient reserves or insolvency; appointment of Federal Deposit Insurance Corporation as receiver.

A. If the Commission finds that: (i) the laws of the Commonwealth are not being fully observed by a savings institution doing business in the Commonwealth; (ii) a savings institution is being operated in an unsafe or unsound manner; (iii) the institution has failed to comply with the lawful orders of the Commission; (iv) the reserve of the institution is insufficient for the protection of account holders; or (v) a savings institution is, or is about to become, insolvent, it shall give immediate notice thereof to the officers and directors of the institution. If necessary to conserve the assets of the institution or to protect the interests of its account holders or the public interest, the Commission may, after reasonable notice to the institution and opportunity for it to be heard:

1. Close the institution for a period not exceeding 60 days, which period may be further extended for a like period or periods as the Commission deems necessary;
2. Require the officers and directors of the institution to liquidate, insofar as is required, its outstanding loans;
3. Require that all lawful orders of the Commission be complied with;
4. Require the institution to make reports daily or at such other times as it may require as to the results achieved in carrying out its orders;
5. Temporarily suspend the right of such institution to receive any further deposits;
6. Without examination, close, for such period or periods as the Commission may deem necessary, any savings institution facing an emergency due to withdrawal of deposits or otherwise, or, without closing such savings institution, grant to it the right to suspend or limit the withdrawal of deposits, for such period as the Commission may determine; or
7. Require that the savings institution desist from those activities that have resulted in the unsafe or unsound operation of the institution.

B. If the Commission determines that a receiver should be appointed for a savings institution, the Commission may close the doors of the institution, take charge of the books, assets and affairs of the institution, and apply to any court in the Commonwealth having jurisdiction to appoint receivers for the appointment of a receiver to take charge of the institution's business and assets. Proceedings for the appointment of a receiver of a savings institution shall not be entertained by any court except on the application of the Commission.

C. In any case where the Commission finds that an insured savings institution is insolvent or about to become insolvent, the Commission may seek the appointment of the Federal Deposit Insurance Corporation as receiver for the savings institution. The court may appoint the Federal Deposit Insurance Corporation as receiver for the savings institution if it finds that to do so would be in the public interest. Upon its being appointed, the Federal Deposit Insurance Corporation shall not be required to post bond, and it shall have as receiver all those powers afforded under federal law.

*D. The Commissioner may issue and serve upon an association an order to cease and desist from an unsafe or unsound practice or a violation if, in the opinion of the Commissioner, an association (i) is engaging or has engaged, or there is reasonable cause to believe is about to engage, in an unsafe or unsound practice in conducting the business of the association; or (ii) is violating or has violated, or there is reasonable cause to believe is about to violate, this chapter or any other applicable law, regulation, or order. An order to cease and desist shall contain a statement of the facts constituting the alleged violation or unsafe or unsound practice, and it may require, in terms that may be mandatory or otherwise, an association, its directors, officers, employees, or agents to cease and desist from such violation or practice. The order shall specify the effective date thereof and shall contain a notice to the association of its right to request a hearing on the order in accordance with the Commission's Rules.*

*E. When the unsafe or unsound practice or the violation specified in an order to cease and desist, or any continuation thereof, is likely to prejudice the interests of the account holders or the stockholders of an association, the Commissioner may issue his order effective immediately. An order to cease and desist shall remain in effect until it is withdrawn by the Commissioner or is terminated by the Commission after a hearing on the matter. A request for hearing under this section shall be given expeditious treatment on the docket of the Commission, and the Commission need not allow for 10 days' notice to the parties.*

*§ 6.2-1200. Removal of director or officer; appeal; penalty for acting after removal.*

*A. Whenever any director or officer of a savings institution doing business in the Commonwealth has knowingly continued to violate any law relating to such savings institution or has knowingly continued any unsafe or unsound practice in conducting the business of such institution, after the director or officer, and the board of directors of the institution of which he is a director or officer, have been warned in writing by the Commissioner to discontinue such violation of law or such unsafe or unsound practice, the Commissioner shall certify the facts to the Commission. The Commission shall thereupon enter an order requiring such director or officer to appear before the Commission, within not less than 10 days, to show cause why he should not be removed from office and thereafter restrained from participating in any manner in the management of such savings institution. Such order shall contain a brief statement of the facts certified to the Commission by the Commissioner. A copy of the order shall be served upon the director or officer, and a copy thereof shall be sent by certified or registered mail to each director of the savings institution affected.*

*B. If, after granting the accused director or officer a reasonable opportunity to be heard, the Commission finds that he has knowingly continued to violate any law relating to the savings institution, or has knowingly continued any unsafe or unsound practice in conducting the business of the institution, after he and the board of directors of the institution of which he is a director or officer have been warned in writing by the Commissioner to discontinue such violation of law or unsafe or unsound practice, the Commission shall enter an order removing the director or officer from office and restraining the director or officer from thereafter participating in any manner in the management of such savings institution. A copy of such order shall be served upon the director or officer and upon the savings institution of which he is a director or officer, whereupon the director or officer shall cease to be a director or officer of the institution and shall thereafter cease to participate in any manner in the management of the institution.*

*C. Any director or officer removed and restrained under the provisions of this section who thereafter participates in any manner in the management of such savings institution, except as a stockholder therein, is guilty of a Class 6 felony.*

*§ 6.2-1201. Special examinations.*

*When (i) written application is made to the Commission by the board of directors or by the stockholders representing two-fifths of the total outstanding capital stock of any savings institution incorporated under the laws of and doing business in the Commonwealth, or (ii) in the judgment of the Commission it may be necessary for the protection of the public or of persons depositing or dealing with such savings institution, the Commission shall cause to be made a special examination of such savings institution. All expenses incident to such special examination may be charged to the savings institution so examined and shall be paid by the savings institution so charged.*

*§ 6.2-1202. Fees for supervision and regulation; investigations.*

*A. For the purpose of defraying the expenses of supervision and regulation of state savings institutions and foreign savings institutions doing business in the Commonwealth, the Commission shall, on or before July 1 of each year, assess against every such savings institution fees in accordance with a schedule to be set by the Commission. Such schedule shall bear a reasonable relationship to the total assets of various individual savings institutions and to the costs of their respective supervision, regulation, and examination.*

*B. All fees so assessed shall be paid into the state treasury on or before July 31 following. The Commission shall mail the assessments to each association on or before July 1 of each year.*

*C. The Commission shall charge a fee:*

*1. Of \$1,800 for investigating an application for authority to establish a branch, if the branch is to be located within the Commonwealth;*

2. As prescribed by the Commission for investigating an application for authority to establish a branch if the branch is to be located outside the Commonwealth;

3. Of \$1,000 for investigating an application for authority to change the location of an existing main office or branch office;

4. Of \$10,000 for investigating an application for a certificate of authority in the case of a state association;

5. As prescribed by the Commission for investigating an application for a certificate of authority in the case of a foreign savings institution;

6. Of \$7,500 for investigating an application for merger or consolidation;

7. Of \$2,000 for investigating an application for authority to exercise trust powers if such powers are to be exercised through a trust department;

8. Of \$10,000 for investigating an application for authority to exercise trust powers if such powers are to be exercised through a trust affiliate or subsidiary;

9. Of \$5,000 for investigating an application to convert from a state association to a state savings bank pursuant to subsection B of § 6.2-1143 or from a state bank to a state savings bank pursuant to § 6.2-829; and

10. Of \$10,000 for investigating an application for a conversion other than a conversion from a state association or state bank to a state savings bank as provided in subdivision 9.

D. The Commission shall not be entitled to any fees other than as provided in subdivision C 6 for investigating any application to retain existing branches of the applying savings institution as branches of the merged or consolidated institutions. The fee prescribed in subdivision C 6 may be waived by the Commission in the case of supervisory mergers or consolidations made pursuant to § 6.2-1205.

E. Notwithstanding the designation of the several fees set forth in subsection C, the Commission may reduce by regulation or order any such fee or fees, if the Commission concludes that there is a reasonable basis for doing so and that the reduction of the fee will not be detrimental to the effectiveness of the Bureau.

§ 6.2-1203. Examination of persons believed to be doing business without authority; doing business without authority; penalty.

A. The Commissioner shall examine the accounts, books, and papers of any person or entity that he has reason to believe is doing the business of a savings institution in the Commonwealth without legal authority to do so. Any person having possession, custody, or control of such accounts, books, and papers refusing to produce such documents for examination by the Commissioner is guilty of a Class 1 misdemeanor.

B. Every person who does the business of a savings institution in the Commonwealth without authority, and every officer and agent of a corporation doing such business without authority who knowingly participates therein, is guilty of a Class 6 felony.

§ 6.2-1204. Compliance by savings institution holding companies with federal regulations constitutes compliance with Commission regulations.

Any savings institution holding company that does not have any subsidiaries that are state savings institutions and that is subject to regulations adopted by the appropriate federal authority shall be deemed to be in substantial compliance with the regulations adopted by the Commission if it is in compliance with the regulations adopted by the appropriate federal authority.

§ 6.2-1205. Merger, consolidation or transfer of assets of insolvent or financially unstable savings institution; notice and hearing; final order; priorities; examinations of resulting institutions.

A. As used in this section:

"Bank" or "savings institution" means institutions incorporated or established under the laws of (i) the Commonwealth, (ii) the United States, or (iii) any other state, which institutions' deposits are insured as required by this title for the issuance of a certificate of authority to do business.

"Insolvent" means that the current book value of liabilities is in excess of the current book value of assets.

B. If the Commission finds that (i) a state savings institution is insolvent, or, in its opinion, the financial stability of a state savings institution is threatened, (ii) the merger or consolidation of such state savings institution into another savings institution or into a bank is desirable for the protection of the stockholders, members or depositors of such association, and that such merger or consolidation is in the public interest, and (iii) an emergency exists, and if the board of directors of such state savings institution approves a plan of merger or consolidation of such savings institution into another savings institution or bank, compliance with the requirements of § 13.1-718 or 13.1-895 shall be dispensed with as to such state savings institution. In such event, the approval by the Commission of such plan of merger or consolidation shall be the equivalent of approval by the holders of more than two-thirds of the outstanding shares of such state savings institution for all purposes of Article 12 (§ 13.1-715.1 et seq.) of Chapter 9 of Title 13.1 or the approval of two-thirds of the members for all purposes of Article 11 (§ 13.1-893.1 et seq.) of Chapter 10 of Title 13.1.

C. If the Commission finds that (i) a state savings institution is insolvent, or in its opinion, the financial stability of a state savings institution is threatened, (ii) the acquisition of the assets and

liabilities of such savings institution by another savings institution or by a bank is in the best interests of the stockholders, members or depositors of such state savings institution, and that such acquisition of the assets and liabilities is in the public interest, and (iii) an emergency exists, it may, with the consent of the board of directors of both institutions as to the terms and conditions of such transfer, including the assumption of all or certain liabilities, enter an order transferring some or all of the assets and liabilities of such state savings institution to such other savings institution or bank. In such event, compliance with the provisions of § 13.1-723, 13.1-724, 13.1-899, or 13.1-900 shall not be required, and § 13.1-730 shall not be applicable to such transfer.

D. In the case either of such a merger, consolidation or a transfer of assets and liabilities, the Commission shall provide that prompt notice of its findings, and plan of merger, consolidation or transfer of assets and liabilities, be sent to the stockholders or members of record of such insolvent savings institution or savings institution threatened with financial instability for the purpose of providing such shareholders or members an opportunity to challenge the findings of the Commission and the plan of merger, consolidation or transfer of assets and liabilities. The relevant books and records of such state savings institution shall remain intact and be made available to such shareholders or members for a period of 30 days after such notice is sent. The Commission's findings and plan of merger, consolidation or transfer of assets and liabilities shall become final if a hearing before the Commission is not requested by any such shareholder or member in a written request delivered to the Commission within 15 days after the notice specified by this section is sent. Any such request for a hearing shall contain a statement of the specific grounds for such shareholder's or member's challenge to the Commissioner's findings and plan of merger, or consolidation or transfer of assets and liabilities.

E. If, after a hearing as provided in subsection D, the Commission finds that good cause has been shown for the reversal or modification of its initial findings, or for rescission or modification of its initial plan for merger, consolidation or transfer of assets and liabilities, the Commission shall enter its final order accordingly. If, after such hearing, the Commission affirms its original findings and plan for merger, or consolidation or transfer of assets and liabilities, its order shall be final.

F. Notwithstanding any other provision of law, any institution resulting from a merger, consolidation or a transfer of assets and liabilities under the provisions of this section shall have the right to retain and operate all offices of the institution so merged, consolidated or acquired that were in operation at the time of such merger, or consolidation or acquisition. This section shall not be construed to allow the establishment of additional branches by any institution resulting from such merger, consolidation or transfer than would otherwise be allowed by the laws of the Commonwealth.

G. The Commission shall authorize transactions under this section in the following order of priority:

1. Between financial institutions of the same type located within the Commonwealth;
2. Between financial institutions of different types located within the Commonwealth;
3. Between financial institutions of the same type including depository institutions located outside the Commonwealth; and
4. Between financial institutions of different types including depository institutions located outside the Commonwealth.

H. In considering transactions involving financial institutions located outside the Commonwealth, the Commission shall give priority to plans of merger, consolidation or asset acquisition involving financial institutions located in states adjoining the Commonwealth or located in the District of Columbia.

I. Any institution resulting from a transaction authorized by this section whose main office is located outside of the Commonwealth shall, as a condition of being able to do business in the Commonwealth, allow the Commission to examine such institution from time to time as the Commission deems necessary. In conducting such examinations, the Commission shall have all of the powers provided by this title relating to the examination of financial institutions.

J. The provisions of Article 5 (§ 6.2-1148 et seq.) of this chapter shall not apply to mergers, consolidations, and acquisitions authorized by the provisions of this section.

"Member" may also be used to refer to an individual or other entity that is included within a group or a community, or to an individual who is part of a household or family.

"Reserves" means the total of allowances for loan losses, regular, special, and any other type of funds held in reserve.

"Share account" means a balance held by a credit union and established by a member in accordance with standards specified by the credit union, including balances designated as shares, share certificates, share draft accounts, or other names.

"Shares" means the interest of a member having an account in a credit union.

§ 6.2-1301. Effect of ownership of a share account; priority of shares.

A. Ownership of a share account confers membership and voting rights as set forth in the credit union bylaws and represents an interest in the capital of the credit union upon dissolution or conversion to another type of institution.

B. Shares shall be subordinate to all other obligations of the credit union.

§ 6.2-1302. Powers.

In addition to the powers specified or implied elsewhere in this chapter or in the laws of the Commonwealth, a credit union shall have the power to:

1. Enter into contracts;
2. Sue and be sued;
3. Adopt, use, and display a corporate seal;
4. Receive savings from and make loans and extend lines of credit to its members;
5. Individually or jointly with other credit unions acquire, lease as lessor or lessee, hold, assign, pledge, exchange, repair, mortgage, hypothecate, sell, discount, or otherwise dispose of property or assets, either in whole or in part, as necessary or incidental to its operations, including any property or assets obtained as a result of defaults under obligations owing to it;
6. Borrow from any source, provided that (i) a credit union shall notify and obtain prior approval of the Commissioner if the total borrowings will exceed 50 percent of the credit union's outstanding shares and (ii) in no event shall the borrowings exceed 90 percent of the credit union's outstanding shares;
7. Sell all or substantially all of its assets or purchase all or substantially all of the assets of another credit union, subject to the approval of the Commission;
8. Offer related financial services, including electronic fund transfers, share draft accounts, safe deposit boxes, leasing of tangible personal property to its members, and correspondent arrangements with other financial institutions;
9. Hold membership in other credit unions organized under this chapter or other applicable law, and in associations and organizations controlled by or fostering the interest of credit unions, including a central liquidity facility organized under state or federal law;
10. Contract with any licensed insurance company or society to insure the lives of its members to the extent of their loans and share accounts, in whole or in part, and to pay all or a portion of the premium therefor;
11. Engage in activities or programs as requested by any governmental authority, subject to the approval of the Commissioner;
12. Invest its funds, operate a business, manage or deal in property when such actions are reasonably necessary to avoid loss on a loan or investment previously made or an obligation previously created in good faith. Such property or business shall not be held or operated by the credit union for a

period longer than is reasonably required to protect the interest of the credit union, unless specifically authorized by the Commissioner;

13. Make contributions to any nonprofit civic, charitable, or service organizations;

14. Make loans to its members and to other credit unions; and

15. Undertake such other activities relating to the purposes of the credit union as its charter or bylaws may authorize, provided such activities are not inconsistent with this chapter.

§ 6.2-1303. Regulations.

A. The Commission may adopt regulations to implement the provisions of this chapter.

B. In addition to the powers specifically granted to state chartered credit unions by the provisions of this chapter, the Commission may adopt such regulations as may be necessary to permit state chartered credit unions to have powers at least comparable with those of federally chartered credit unions or to effect the purposes of this chapter, regardless of any then existing statute, regulation or court decision limiting or denying such powers to state chartered credit unions. The requirement of a public hearing shall not automatically apply to regulations adopted under this subsection, but the Commission may hold such hearings as it deems appropriate.

C. Before adopting any regulation under this chapter, the Commission shall give reasonable notice of its content and shall afford interested parties an opportunity to present evidence and be heard, in accordance with the Commission's Rules.

§ 6.2-1304. Franchise tax exemption.

All credit unions organized under the laws of the Commonwealth and doing business purely as credit unions shall be exempt from the payment of any franchise tax.

§ 6.2-1305. Making or circulating derogatory statements affecting credit unions; penalty.

Any person who willfully and maliciously makes, circulates, or transmits to another any statement or rumor that is untrue in facts and is directly or by inference derogatory to the financial condition or affects the solvency or financial standing of any credit union doing business in the Commonwealth, or who knowingly counsels, aids, procures, or induces another to start, transmit, or circulate any such statement or rumor, is guilty of a Class 3 misdemeanor.

§ 6.2-1306. Unlawful use of words "credit union."

A. It shall be unlawful for any person, other than (i) a credit union organized under the provisions of this chapter, (ii) any entity authorized by any federal law, or (iii) any association or corporation the owners, members or constituents of which consist exclusively of authorized state and federal credit unions or members of authorized state and federal credit unions, to use any name or title which contains the words "credit union."

B. Any person violating the provisions of this section is guilty of a Class 1 misdemeanor and may be enjoined by any court having equity jurisdiction over the unauthorized user.

§ 6.2-1307. Use of credit union name, logo, or symbol for marketing purposes; penalty.

A. Except as provided in subsection B, no person shall use the name, logo, or symbol, or any combination thereof, of a credit union, or any name, logo, or symbol, or any combination thereof, that is deceptively similar to the name, logo, or symbol of a credit union, in marketing material provided to or solicitation of another person in a manner such that a reasonable person may believe that the marketing material or solicitation originated from or is endorsed by the credit union or that the credit union is responsible for the marketing material or solicitation.

B. This section shall not apply to (i) an affiliate or agent of the credit union or (ii) a person who uses the name, logo, or symbol of a credit union with the consent of the credit union.

C. Any person violating the provisions of this section, either individually or as an interested party, is guilty of a Class 1 misdemeanor.

D. This section shall not affect the availability of any remedies otherwise available to a credit union.

## Article 2.

### Supervision and Regulation.

§ 6.2-1308. Supervision and regulation by Commission.

Credit unions organized under the provisions of this chapter shall be subject to the supervision and regulation of the Commission.

§ 6.2-1309. Examinations.

A. Each credit union shall be examined as often as the Commission deems that an examination is in the interest of its members, provided that an examination shall be conducted at least twice in every three-year period. The examiners shall be given free access to all books, papers, securities, and other sources of information in respect to the credit union. For the purpose of making an examination, the Commission may subpoena and examine personally witnesses under oath, whether such witnesses are members of the credit union or not, and may require the production of any documents, whether such documents are documents of the credit union or not.

B. All expenses incident to any special examination which may be necessary shall be paid by the credit union so examined.

§ 6.2-1310. Fees for examination, supervision, and regulation.

In order to defray the costs of an examination pursuant to § 6.2-1309 and of supervision and

regulation by the Commission, every credit union shall pay an annual fee, to be calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to the total assets of various individual credit unions, to the actual cost of their respective examinations, and to other factors relating to their supervision and regulation. Fees shall be assessed pursuant to this section on or before March 1 each year. All fees so assessed shall be paid by the credit union to the state treasury on or before March 31 following the assessment.

§ 6.2-1311. Reports to Commission; penalty for failure to make reports.

A. No later than March 31 of each year, each credit union shall report to the Commission regarding its condition as of the close of business on the preceding December 31. These reports shall be signed by the president or the chairman and the treasurer or secretary, or by the majority of the members of the supervisory committee. A credit union shall make such other reports as the Commissioner shall at any time demand.

B. The Commission may allow a credit union to make the reports required by this section electronically, in accordance with procedures established by the Commission. A credit union that submits a report electronically shall maintain a copy of the report with the required certified signatures affixed.

C. If any credit union (i) neglects or refuses to make its reports as provided in this chapter for more than 15 days or (ii) fails to pay such charges as are required under this chapter, including any charges for delay in filing reports, the Commission may impose a civil penalty not exceeding \$100 per day upon the credit union, to a maximum of \$5,000, or the Commission may give notice to such credit union of its intention to revoke the certificate of authority of the credit union for such neglect or failure. If such neglect or failure continues for 15 days after such notice, then the Commission may revoke or suspend the certificate of authority of the credit union. In such event, the Commission may, in its discretion, (a) close such credit union and take possession of its property and business until such time as it may see fit to allow the credit union to resume business or (b) proceed to finally liquidate such business.

§ 6.2-1312. Cease and desist orders; right to hearing.

A. The Commission may issue and serve upon a credit union an order to cease and desist from one or more unsafe or unsound practices or violations if, in the opinion of the Commission, a credit union (i) is engaging or has engaged, or there is reasonable cause to believe is about to engage, in an unsafe or unsound practice; or (ii) is violating or has violated, or there is reasonable cause to believe is about to violate, this chapter or any other applicable law, regulation, or order. An order to cease and desist shall contain a statement of the facts constituting the alleged violations or unsafe or unsound practices, and the order may require, in terms that may be mandatory or otherwise, a credit union, its officers, directors, employees, or agents to cease and desist from such practices or violations. The order shall specify the effective date thereof and shall contain a notice to the credit union of its right to a hearing on such order in accordance with the Commission's Rules.

B. If an unsafe or unsound practice or violation specified in the order to cease and desist, or any continuation thereof, is likely to prejudice the interest of the members of the credit union, the Commission may issue an order effective immediately. An order to cease and desist shall remain in effect until it is withdrawn or terminated by the Commission after a hearing on the matter. A request for hearing under this section shall be given expeditious treatment on the docket of the Commission, and the Commission need not allow for 10 days' notice to the parties.

§ 6.2-1313. Powers of Commission in case of nonobservance of law, noncompliance with orders, insufficient reserves, or insolvency; appointment of receiver.

A. If the Commission finds that (i) a credit union is in violation of a law or regulation applicable to it, (ii) a credit union is being operated in an unsafe or unsound manner, (iii) a credit union has failed to comply with a lawful order of the Commissioner, (iv) the reserve of the credit union fails to meet the requirements set forth in § 6.2-1377, or (v) a credit union is, or is about to become, insolvent, it shall give immediate notice of its finding to the officers and directors of the credit union. If necessary to conserve the assets of the credit union or protect the interests of the members of the credit union, the Commission may, after reasonable notice to the credit union and an opportunity for it to be heard, do any one or more of the following:

1. Close the credit union for a period not exceeding 60 days, which period may be extended for additional like periods as the Commission may deem necessary;

2. Require the officers and directors of the credit union to liquidate outstanding loans;

3. Require that all lawful orders of the Commission be complied with;

4. Require the credit union to make reports daily or otherwise as to the results achieved in carrying out its orders;

5. Temporarily suspend the right of such credit union to receive any further investment in its share accounts;

6. Grant the right to suspend or limit withdrawals against share accounts for such period as the Commission may deem necessary; and

7. Appoint a conservator to take charge of the credit union and operate it pending further action by the Commission.

*B. If the Commission determines that a credit union is insolvent and that a receiver should be appointed, the Commission may close the doors of the credit union, take charge of the books, assets and affairs of the credit union, and apply to any court in the Commonwealth having jurisdiction to appoint receivers for the appointment of a receiver to take charge of the credit union's business and assets. A credit union shall be deemed insolvent when the current value of its assets is less than the current value of the sum of its share accounts and liabilities.*

*§ 6.2-1314. Penalties for violation of orders of Commission.*

*The Commission may impose a civil penalty not exceeding \$10,000 upon any credit union or against any of its directors, officers, or employees for knowingly or willfully violating any lawful order of the Commission.*

*§ 6.2-1315. Removal of director or officer; penalty for acting after removal.*

*A. Whenever any director or officer of a credit union doing business in the Commonwealth violates any lawful order of the Commission or knowingly continues to violate any law relating to credit unions or knowingly continues an unsafe or unsound practice in conducting the business of a credit union, after the director or officer, and the board of directors of the institution of which he is a director or officer, have been warned in writing by the Commissioner to discontinue such violation of law or such unsafe or unsound practice, the Commissioner shall certify the facts to the Commission. The Commission shall thereupon enter an order requiring such director or officer to appear before the Commission, within not less than 10 days, to show cause why he should not be removed from office and thereafter restrained from participating in any manner in the management of the credit union. The order shall contain a brief statement of the facts certified to the Commission by the Commissioner. A copy of the order shall be served upon the director or officer, and a copy thereof shall be sent by certified or registered mail to each director of the credit union affected.*

*B. If, after granting the accused director or officer a reasonable opportunity to be heard, the Commission finds that he has knowingly continued to violate any law relating to the credit union, or has knowingly continued any unsafe or unsound practice in conducting the business of the credit union, after he and the board of directors of the credit union of which he is a director or officer have been warned in writing by the Commissioner to discontinue such violation of law or unsafe or unsound practice, the Commission shall enter an order removing the director or officer from office and restraining the director or officer from thereafter participating in any manner in the management of the credit union. A copy of such order shall be served upon the director or officer and upon the credit union of which he is a director or officer, whereupon the director or officer shall cease to be a director or officer of the credit union and shall thereafter cease to participate in any manner in the management of the credit union.*

*C. Any director or officer removed and restrained under the provisions of this section who thereafter participates in any manner in the management of the credit union, except as a member thereof, is guilty of a Class 6 felony.*

*§ 6.2-1316. Offenses; penalty.*

*Any officer, director, employee, receiver, or agent of a credit union who willfully does any of the following is guilty of a Class 6 felony:*

- 1. With the intent to deceive, falsifies any book of account, report, statement, record, or other document of a credit union, whether by alteration, false entry, omission, or otherwise;*
- 2. Signs, issues, publishes, or transmits to a government agency any book of account, report, statement, record, or other document that he knows to be false;*
- 3. By means of deceit, obtains a signature to a writing that is a subject of forgery;*
- 4. With intent to deceive, destroys any credit union book of account, report, statement, record, or other document; or*
- 5. With the intent to defraud, shares or receives directly or indirectly any money, property, or benefits through any transaction of the credit union.*

*§ 6.2-1317. Supervisory merger or transfer of assets of insolvent credit union.*

*A. If the Commission finds that a state credit union is insolvent, that an emergency exists, and that its merger into another credit union is desirable for the protection of its members, and if the board of directors of both credit unions approves a plan of merging the insolvent state credit union into another state credit union or a federal credit union, compliance with § 13.1-895 shall be dispensed with as to both credit unions and the approval of the Commission of such plan of merger shall be the equivalent of approval by more than two-thirds of the members of both credit unions for all purposes of Article 11 (§ 13.1-893.1 et seq.) and Article 12 (§ 13.1-899 et seq.) of Chapter 10 of Title 13.1.*

*B. If the Commission finds that a state credit union is insolvent, that the acquisition of its assets by another state credit union or a federal credit union is in the best interests of its members, and that an emergency exists, it may, with the consent of the board of directors of both credit unions as to the terms and conditions of such transfer, including the assumption of all or certain liabilities, enter an order transferring some or all of the assets of such insolvent state credit union to such other state or federal credit union and no compliance with the provisions of §§ 13.1-899 and 13.1-900 shall be required.*

*C. In the case either of such a merger or of such a sale of assets, the Commission shall provide that*

prompt notice of its findings of insolvency and of the merger or sale of assets be sent to the members of record of the insolvent state credit union for the purpose of providing such members an opportunity to challenge the finding that the state credit union is insolvent. The relevant books and records of such insolvent credit union shall be preserved and be made available to such members for a period of 30 days after such notice is sent. The Commission's finding of insolvency shall become final if a hearing before the Commission is not requested by any such member within such 30-day period.

D. If, after such hearing provided in subsection C, the Commission finds that the state credit union was solvent, it shall rescind its order entered pursuant to subsection A or subsection B and the merger or transfer of assets shall be rescinded. After such hearing, however, if the Commission finds that the state credit union was insolvent, its order shall be final.

E. Notwithstanding the provisions of subsection B of § 6.2-1327, or any other provisions of this chapter, the Commission may order a merger pursuant to subsection A or a sale of assets pursuant to subsection B. The continuing credit union, upon approval of the Commission, shall amend its bylaws to incorporate the specified common bond of interest of the insolvent credit union.

F. The Commission may authorize a financial institution whose deposits are insured by a federal agency to purchase any of the assets of or assume any of the liabilities of a credit union that is insolvent or in danger of insolvency, provided that prior to exercising this authority the Commission shall use every reasonable effort to effect a merger or consolidation with or purchase and assumption by another credit union and shall have been advised by the insuring organization that it cannot effect a merger, consolidation, or other disposition of the insolvent credit union acceptable to the Commission.

#### § 6.2-1318. Consolidation or merger.

Notwithstanding the provisions of subsection B of § 6.2-1327, two credit unions may consolidate or merge, subject to the approval of the Commission, when the Commission finds that an emergency exists and that the merger or consolidation will promote the best interests of the members.

#### § 6.2-1319. Involuntary dissolution.

If the Commission determines that a credit union is violating any provisions of this chapter, it may, after a hearing or an opportunity for a hearing has been given to the credit union, direct that it discontinue the illegal methods or practices described in the order. If any credit union is insolvent, or has failed or refused to comply with the provisions of this chapter, the Commission may take possession of the business and property of the credit union and retain such possession until such time as it may permit such credit union to resume business, or until its affairs are finally liquidated under order of the Commission. Alternatively, the Commission may apply to any court in the Commonwealth having jurisdiction to appoint receivers for the appointment of a receiver to take charge of the business and assets and to wind up the affairs and business of any such credit union. The receiver when appointed shall become and be assignee of the assets of such credit union.

### Article 3.

#### Formation of Credit Union.

#### § 6.2-1320. Incorporation.

A. Five or more residents of the Commonwealth who are of legal age and share a common bond referred to in subsection B of § 6.2-1327 may establish, pursuant to the provisions of the Virginia Nonstock Corporation Act (§ 13.1-801 et seq.), a corporation for the purpose of conducting business as a credit union as provided in this chapter. Every corporation organized under this chapter shall include in the corporate name the words "credit union" as well as some other distinguishing word or words.

B. Credit unions incorporated pursuant to this chapter shall be subject to the provisions of the Virginia Nonstock Corporation Act (§ 13.1-801 et seq.), except as may otherwise be provided in this chapter.

#### § 6.2-1321. Certificate of authority.

A. Before it begins to do any business, an organizing credit union shall apply for and obtain from the Commission a certificate of authority. An application, accompanied by a fee of \$300, shall be made on a form prescribed by the Commission. The Commission shall issue such a certificate if it finds that:

1. The credit union has been formed for no purpose other than the conduct of a legitimate credit union business;
2. The moral fitness, financial responsibility, and other qualifications of the proposed officers and directors are such as to command the confidence of the members;
3. The field of membership of the proposed credit union complies with § 6.2-1327, and all other applicable provisions of law have been complied with;
4. Share accounts in the credit union will be insured by an approved insuring organization; and
5. Establishment of the proposed credit union is economically advisable. In reaching a decision on whether the establishment of a credit union is economically advisable, the Commission shall give consideration to 12 C.F.R. § 701.1, which incorporates the National Credit Union Administration's Interpretive Ruling and Policy Statement 99-1 as it pertains to economic advisability.

B. The Commission may issue a certificate on condition that the credit union shall not begin to do business until it is actually issued insurance of accounts by an approved insuring organization.

C. A credit union that is not actually issued insurance of accounts by an approved insuring

*organization shall not receive funds or sell any shares.*

*§ 6.2-1322. Contents of bylaws; amendments to bylaws generally.*

*The bylaws of a credit union shall specify:*

- 1. The name of the credit union;*
- 2. The purpose for which it was formed;*
- 3. The time of the annual meeting of the members of the credit union, or a provision that the board of directors may set the time for the meeting. Such a meeting shall be held each calendar year. Notice of all meetings shall be given in a manner prescribed in the bylaws, subject to compliance with § 13.1-842;*
- 4. The number, authority, and the duties of the directors and the authority, duties, and maximum compensation of all officers;*
- 5. The conditions and qualifications for membership;*
- 6. The number of members of the credit committee, if any, and of the supervisory committee, with their respective authorities and duties;*
- 7. The conditions upon which shares may be issued, transferred, or withdrawn;*
- 8. The conditions upon which loans may be made and repaid;*
- 9. The manner of effecting the forfeiture of a member's shares when a member's share account balance is below the amount established by the bylaws and remains below such amount for a period of two years;*
- 10. The manner in which dividends shall be determined and paid out;*
- 11. The manner in which remaining assets are to be distributed in the event of dissolution after all distributions required by subdivision A 1 of § 13.1-907 have been made; and*
- 12. The manner in which bylaws may be amended.*

*§ 6.2-1323. Amendments to articles of incorporation and bylaws.*

*The articles of incorporation or the bylaws of a credit union may be amended as provided in the articles and bylaws, as the case may be, subject to §§ 13.1-886, 13.1-892, and 13.1-893. Amendments to the articles of incorporation shall be accomplished as provided in §§ 13.1-888 and 13.1-889. Proposed amendments to bylaws shall be submitted to the Commissioner, who shall approve or disapprove proposed amendments within 30 days. A bylaw amendment shall be effective upon its approval by the Commissioner. No amendment to the articles of incorporation or bylaws that would expand the field of membership of a credit union shall be effective until such amendment has been approved by the Commissioner. When any such change in bylaws or articles of incorporation is proposed, the Commissioner may extend the period for approval as he may deem necessary for as much as an additional 30 days.*

*§ 6.2-1324. Bylaws amended by Commission.*

*Any bylaw may be amended by the Commission by order entered on its order book and certified to the credit union. Before entering any such order the Commission shall notify the credit union of the proposed amendment and afford it an opportunity to be heard.*

*§ 6.2-1325. Fiscal year.*

*The fiscal year of every credit union shall end at the close of business on December 31.*

*§ 6.2-1326. Establishing, moving, and closing offices.*

*A. As used in this section, "service facility" means a physical facility at a location other than its main office that is wholly owned by the credit union establishing it.*

*B. A credit union may maintain service facilities at locations other than its main office if the maintenance of such offices is reasonably necessary to serve its members, subject to the approval of the Commission. An application to establish such a service facility, accompanied by a fee of \$200, shall be made on a form prescribed by the Commission. The Commission shall approve the establishment of the proposed service facility if it appears that the interest of the members of the applicant will be served thereby and that such establishment will not impair the financial condition of the applicant or any other credit union.*

*C. A credit union may (i) contract with one or more other credit unions subject to this chapter or organized under the laws of the United States or any other state to provide for the operation of one or more shared service facilities or (ii) provide for its members to have the use of one or more shared service facilities by contracting with a credit union service organization approved by the Commissioner for such purpose. A participating credit union may also invest in the credit union service organization. A credit union shall give prior written notice to the Commissioner of its participation in each shared service facility or credit union service organization. Notice to the Commissioner of a credit union's participation in a credit union service organization shall satisfy the requirement of subsection E that the Commissioner be notified of the establishment of an office, if the credit union service organization has notified the Commissioner of the establishment of the shared service facility.*

*D. The authority of the Commission and the Commissioner to supervise and regulate credit unions, as set forth in Article 2 (§ 6.2-1308 et seq.) of this chapter, shall extend to any shared service facility and any credit union service organization that is involved in the operation of a shared service facility that provides service to credit unions organized under this chapter, except that such authority shall not*

extend to the assets, records, books, and accounts of any federal credit union or credit union organized under the laws of another state.

E. A credit union may change the location of its main office, a service facility, or office, and may close any such office, provided it gives at least 30 days' prior written notice thereof to the Commissioner in such form as he may prescribe. A credit union shall notify the Commissioner in writing within 10 days after it establishes, relocates, or closes any office. A credit union shall notify the Commissioner of its withdrawal from participation in any shared service facility within 10 days of such withdrawal.

#### Article 4.

##### Membership.

##### § 6.2-1327. Membership defined; field of membership.

A. The membership of a credit union shall consist of the incorporators, employees of such credit union, and other persons within the field of membership set forth in the bylaws as have: (i) been fully admitted into membership, (ii) paid any required entrance fee or annual membership fee, or both, (iii) subscribed for one or more shares, (iv) paid the initial installment thereon, and (v) complied with such other requirements as the articles of incorporation or bylaws specify.

B. Credit union membership shall be limited to persons within a specified field of membership, individuals within the immediate family or household of such persons, associations of such persons, other credit unions, and employees of the credit union. The field of membership specified shall be composed of one of the following:

1. A single group having a common bond of occupation or association;

2. More than one group, each of which has a common bond of occupation or association, and each of which does not exceed 3,000 members at the time it is proposed to be included in a multiple common-bond credit union. The 3,000-member limitation shall not apply if the Commission determines that an exception on the grounds provided in subsection (d) (2) or (d) (3) of § 101 of the Credit Union Membership Access Act (12 U.S.C. § 1759) is appropriate. In making any determination under this provision, the Commission shall give consideration to the National Credit Union Administration guidelines; or

3. Those persons or organizations within a well-defined local community, neighborhood or rural district.

The Commission shall in its discretion determine whether a proposed field of membership constitutes a "well-defined local community, neighborhood or rural district." In making such determination, the Commission shall give consideration to the definition of the term that has been adopted by the National Credit Union Administration and has become legally effective.

C. Except as the board of directors may provide to the contrary in the bylaws with respect to termination of membership, once a person or entity becomes a member of a credit union in accordance with this chapter, that person or entity may remain a member of that credit union until the person or entity chooses to withdraw from the credit union.

D. The board of directors may expel from the credit union any member who: (i) has not carried out his obligations to the credit union; (ii) has been convicted of a criminal offense; (iii) neglects or refuses to comply with the provisions of this chapter or of the bylaws; (iv) neglects to pay his debts, or otherwise causes financial loss to the credit union; or (v) has deceived the credit union with regard to the use of borrowed money. No member shall be so expelled until he has been informed in writing of the charges against him, and an opportunity has been given to him, after reasonable notice, to be heard.

E. Members of the credit union shall not be personally liable for payment of the debts of the credit union.

F. The surviving spouse of a deceased credit union member shall be eligible to become a member of the credit union to which the deceased member belonged. In no other instance shall an individual be eligible for membership in a credit union on the basis of the individual's relationship to another person who is eligible for membership in the credit union, unless the individual is a member of the immediate family or household of such person. The board of directors of a credit union may provide in the bylaws for a less inclusive policy governing membership by virtue of relationship to another person, and such policy shall be effective.

G. Societies, associations, organizations, partnerships, and corporations composed of persons who are eligible for membership may be admitted to membership in the same manner and under the same conditions as such persons.

H. Any individual or entity that was a member of a credit union as of July 1, 1999, may remain a member of the credit union after that date, and any group that was included in the field of membership of a credit union on that date may remain within the field of membership of that credit union after that date. The successor of an entity that was a member or was eligible for membership in a credit union or for inclusion in a field of membership on July 1, 1999, retains the status of its predecessor.

##### § 6.2-1328. Expansion of field of membership.

When practicable and consistent with reasonable safety-and-soundness standards, the Commission

shall encourage the formation of a separately chartered credit union instead of adding a new group to the field of membership of an existing credit union. If the Commission finds that the formation of a separate credit union by a group desiring such services is not practicable, or is not consistent with reasonable safety-and-soundness standards, it may authorize the group to be included in the field of membership of a state credit union that is located within reasonable proximity, if the Commission finds, based on the information it compiles, that the credit union proposed to be expanded:

1. Is adequately capitalized and will continue to have insurance on its members' shares and other accounts;

2. Has not engaged in any materially unsafe or unsound practice in the year preceding its application to expand; and

3. Has the management, administrative and financial resources to serve the additional group effectively. The Commission shall not authorize the proposed inclusion of a new group unless it finds that any potential harm to another insured credit union or its members which would likely result from the proposed expansion is clearly outweighed in the public interest by the probable beneficial effects of the proposed expansion in meeting the convenience and needs of the members of the group proposed to be included.

§ 6.2-1329. *Membership meetings; voting.*

A. The annual meeting and any special meeting of the credit union shall be held in accordance with the bylaws.

At any meeting called for the purpose of amending the articles of incorporation or dissolving the credit union any member may vote by proxy.

A. The supervisory committee by a majority vote may call a meeting of the members to consider any violation of this chapter, the credit union's articles of incorporation or bylaws, or any practice of the credit union deemed by the supervisory committee to be unsafe or unauthorized.

B. The bylaws may also prescribe the manner in which a special meeting of the members may be called by the members or by the board of directors.

*C. Every credit union (i) that is required by subsection A to apply for membership in a corporation and (ii) whose shares are not insured by a corporation at least in the amount of \$20,000 for each member, by July 1, 1976, shall not thereafter receive the savings of its members or issue thereto any other debt obligation until its shares are so insured. If the Commission determines that share insurance issued by a corporation is not available to a credit union and that its shares are insured by the National Credit Union Share Insurance Fund or under a plan of share insurance that has been approved by the Commission, the credit union shall be permitted to continue its normal operations.*

*§ 6.2-1336. Loss reserve contributions.*

*A. A corporation shall collect from each credit union accepted for membership an initial contribution to loss reserve the greater of (i) \$5 or (ii) an amount equal to the percentage fixed in the bylaws of the corporation, which percentage shall not exceed one percent, of the amount of its shares outstanding on the last day of the month preceding the month in which application is filed. *§ 6.2-1337. Annual and special assessments.*

B. If the Commission determines, pursuant to the provisions of § 6.2-1311 or 6.2-1313, that it should take possession of the business and property of a member credit union, the Commission may direct the corporation to assume control of such business and property and, subject to the Commission's orders operate the credit union until such time as the Commission permits the credit union to resume business or until its assets are finally liquidated. If the Commission orders the liquidation of an insolvent member credit union then in the control of the corporation through the purchase of the assets and the assumption of the liabilities of such credit union by another insured credit union, the corporation shall be empowered to convey all right, title, and interest in all or part of the assets and liabilities of the insolvent credit union to the other insured credit union. Upon such transfer, good title to the assets and liabilities conveyed shall vest in the other insured credit union. Any cost or expense incurred by the corporation in such operation of the credit union may be reimbursed from the assets of the credit union by an order of the Commission.

C. The Commission may suspend or revoke, after notice of hearing, the certificate of authority to do business of any member credit union that fails to pay, when due, any assessment made by the corporation pursuant to this article.

B. In addition to the annual statement, the Commission from time to time may require the corporation to file such further reports, exhibits or statements as it deems necessary to furnish full information concerning the condition, solvency, transactions and affairs of the corporation. The Commission shall prescribe the time within which such additional reports, exhibits or statements shall be filed and may require verification by such officers of the corporation as it may designate.

C. Whenever the Commission deems it expedient to do so, it may make or direct to be made additional examinations of the affairs of the corporation, the cost of which shall be paid by the corporation. Upon completion of an examination, a copy of the report thereof shall be furnished to the corporation.

§ 6.2-1341. Audit by corporation and corrective measures; appeal.

A. A corporation may require independent audits and investigations of any member credit union to ascertain its financial condition as it relates to share insurance.

B. If the directors of a corporation ascertain evidence of carelessness, unsound practices, or mismanagement of any member credit union that appears to adversely affect the solvency or liquidity of the credit union or threaten loss to the corporation, the directors shall notify the Commission and may order that corrective action be taken or, after due notice and hearing, as provided in the bylaws, revoke the credit union's membership in the corporation.

C. If a member credit union is aggrieved by any decision, action, or order of the corporation, it may appeal the decision, action, or order to the Commission. The Commission may modify, reverse, or affirm such decision, action, or order.

Article 6.

Change in Corporate Status.

§ 6.2-1344. Voluntary merger.

A. A credit union organized under this chapter may merge, with the approval of the Commission, with one or more other credit unions, state or federal. In any case in which the surviving credit union will be a Virginia state-chartered credit union, a merger application, accompanied by an application fee of \$300, shall be filed with the Commission. The Commission shall approve the application if the Commission finds that:

1. The field of membership of the credit union which is proposed to result from the merger satisfies the requirements of subsection B of § 6.2-1327;

2. The plan of merger will promote the best interests of the members of the credit unions; and

3. The members of the merging credit unions have approved the plan of merger in accordance with applicable laws and regulations. Notwithstanding subsection D of § 13.1-895, the members of a Virginia state-chartered credit union may authorize a plan of merger by vote of at least a majority of all votes cast thereon at an annual or special meeting at which a quorum is present. Notwithstanding the terms of § 13.1-895, in a merger where a Virginia credit union will be the resulting credit union, the adoption of the plan of merger by the board of directors of that credit union shall be sufficient approval of the plan, and approval of the plan of merger by the members of that credit union shall not be required. Notice of the meeting may be given in a manner prescribed in the articles of incorporation or bylaws, notwithstanding the terms of § 13.1-842 relating to the manner of notice. A federal credit union merging with a state credit union may give notice to its members as prescribed by federal regulation.

B. If the Commission finds that the requirements of subsection A have been met and all required fees have been paid, it shall approve the merger and issue a certificate of merger, which shall be admitted to record in its office and in the office for the recording of deeds in the city or county in which the registered office of each credit union is located. No such further recordation shall be required in the City of Richmond or the Counties of Chesterfield or Henrico.

C. Upon the issuance of the certificate of merger the provisions of § 13.1-897, *mutatis mutandis*, shall become effective.

D. For the purposes of this section, a member entitled to vote may vote in person or, unless the articles of incorporation or bylaws otherwise provide, by proxy. A member may appoint a proxy to vote or otherwise act for him by signing an appointment form. An appointment of a proxy becomes effective when received by the secretary or other officer or agent authorized to tabulate votes. An appointment is valid for 11 months unless a different period is expressly provided in the appointment form or the appointment is revoked by the member.

#### § 6.2-1345. Voluntary dissolution.

A. A credit union may dissolve in accordance with the provisions of Article 13 (§ 13.1-902 *et seq.*) of Chapter 10 of Title 13.1. Within 10 days after the board of directors votes to recommend dissolution to the members, the board shall notify the Commissioner and the insuring organization of that fact in writing, setting forth the reasons for the proposed dissolution.

B. The dissolving credit union shall also (i) notify the Commissioner of the result when the members have voted on the proposal to dissolve and (ii) file with the Commissioner a copy of the certificate of dissolution and the certificate of termination of corporate existence of the credit union within 10 days of the issuance of each.

5. When the Commission has determined that all of the requirements of this section have been complied with, and that the criteria of § 6.2-1321 have been met, the Commission shall authorize the state-chartered credit union to commence business as of the date it ceases to be a federal credit union. The successor state-chartered credit union shall be vested with all of the assets and shall continue to be responsible for all of the obligations of the federal credit union to the same extent as though the conversion had not taken place.

#### § 6.2-1347. Conversion of state credit union to federal credit union.

A state credit union may convert to a federal credit union by the following procedure:

1. At any meeting of the members called and held in accordance with the Virginia Nonstock Corporation Act (§ 13.1-801 *et seq.*) to consider such action, the members, by an affirmative vote of

those holding and voting two-thirds of the votes present in person or by proxy, may resolve to convert the credit union into a federal credit union;

2. A copy of the minutes of the meeting duly certified by the authorized officer of the credit union shall be transmitted to the Commission;

3. The state credit union shall take such action as is necessary under § 125 (b) of the Federal Credit Union Act (12 U.S.C. § 1771), as it now exists or may hereafter be amended, to make it a federal credit union;

4. It shall file with the Commission a certified copy of the organization certificate approved by the National Credit Union Administration Board; and

5. Upon receipt of the organization certificate the state credit union shall become a federal credit union which shall be vested with all of the assets and shall continue to be responsible for all of the obligations of the state credit union to the same extent as though the conversion had not taken place.

A credit union may accept money paid to it pursuant to the Virginia Uniform Transfers to Minors Act (§ 31-37 et seq.) for credit to an account in the name of the custodian as provided in such Act if the custodian or the minor for whose benefit the transfer is made is a member of the credit union.

§ 6.2-1365. Accounts of deceased or incapacitated person.

A. A credit union may pay any share balance due a deceased person or any person under a disability to the personal representative, guardian, conservator, curator, or committee of such person upon proper proof of the appointment and qualification of such fiduciary. Such qualification shall be sufficient authority for making such payment. A credit union making such payment shall no longer be liable for the amount so paid to any person. The presentation of a duly certified letter or certificate of qualification as personal representative, or other fiduciary, guardian, conservator, curator, or committee shall be conclusive proof of the jurisdiction of the court issuing the same.

B. A credit union that has received no written notice and does not have actual notice that a member is deceased or has been adjudicated incapacitated, may pay or deliver shares in such member's account in accordance with the provisions of the account contract without liability to any person for the amounts so paid.

§ 6.2-1366. Payment of small balances to distributees or other persons.

A. When the share balance of a deceased person upon whose estate there has been no qualification does not exceed \$15,000, it shall be lawful for the credit union, after 60 days from the death of such person, to pay such balance to the decedent's spouse, and if none, to the distributees of the decedent or other persons entitled thereto under the laws of the Commonwealth. The receipt therefor shall be a full discharge of the credit union for the amount so paid. The payment of funds from any such account pursuant to a share draft or other written order of withdrawal signed by the fiduciary, the delivery of funds in such account to such fiduciary, or a receipt signed by any such fiduciary with regard to the payment of funds from such account, shall be valid and sufficient release and discharge of the credit union for the payment or delivery so made.

§ 6.2-1369. Credit union need not inquire as to fiduciary funds used to purchase shares in fiduciary's personal account.

A. If any fiduciary or agent purchases shares in a credit union in his own name (i) with share drafts or other instruments drawn by him upon an account in his own name as fiduciary, (ii) with share drafts or other instruments drawn by him upon an account in the name of his principal, if he is empowered to draw share drafts or other instruments thereto, or (iii) with share drafts or other instruments payable to his principal and endorsed by him as fiduciary, the credit union issuing such shares shall not be bound to inquire whether the fiduciary is committing thereby a breach of his obligation as fiduciary.

*B. The credit union is authorized to pay the amount of the shares issued or any part thereof upon the withdrawal by the fiduciary without being liable to the principal, unless the credit union receives payment for the shares or pays the withdrawal (i) with the actual knowledge that the fiduciary, in purchasing such shares or in making such withdrawal, is committing a breach of his obligation as a fiduciary, or (ii) with knowledge of such facts that its action in issuing the shares or paying the withdrawal amounts to bad faith.*

§ 6.2-1501. Compliance with chapter; license required; attempts to evade application of chapter.

A. No person shall engage in the business of making loans to individuals for personal, family, household, or other nonbusiness purposes, and charge, contract for, or receive, directly or indirectly, on or in connection with any loan interest, charges, compensation, consideration, or expense that in the aggregate is greater than the interest permitted by § 6.2-303, except as provided in and authorized by this chapter and without first having obtained a license from the Commission.

B. Subject to subdivision C 3 and subsection C of § 6.2-1524, the prohibition in subsection A shall not be construed to prevent any person, other than a licensee, from:

1. Making a loan in accordance with Chapter 18 (§ 6.2-1800 et seq.);

2. Making a mortgage loan pursuant to §§ 6.2-325 and 6.2-326 or §§ 6.2-327 and 6.2-328 in any principal amount; or

3. Extending credit as described in § 6.2-312 in any amount.

C. The provisions of subsection A shall apply to any person who seeks to evade its application by any device, subterfuge, or pretense whatsoever, including:

1. The loan, forbearance, use, or sale of (i) credit, as guarantor, surety, endorser, comaker, or otherwise; (ii) money; (iii) goods; or (iv) things in action;

2. The use of collateral or related sales or purchases of goods or services, or agreements to sell or purchase, whether real or pretended; receiving or charging compensation for goods or services, whether or not sold, delivered, or provided; and

3. The real or pretended negotiation, arrangement, or procurement of a loan through any use or activity of a third person, whether real or fictitious.

§ 6.2-1502. Certain persons ineligible as licensees; exception for subsidiaries.

A. No person doing business under the authority of any law of the Commonwealth or of the United States relating to banks, savings institutions, trust companies, building and loan associations, industrial loan associations, or credit unions shall be eligible for licensure under this chapter.

B. Nothing contained in subsection A or any other section of this title shall be construed to prevent a subsidiary of a bank or savings institution from becoming a licensee under this chapter. A licensee that is a subsidiary or affiliate of a bank or savings institution shall be governed by the provisions of this chapter, and all regulations adopted hereunder, as fully as if such licensee were not such a subsidiary or affiliate.

§ 6.2-1503. Scope of chapter.

This chapter shall not apply to:

1. Any business transacted by any person under the authority of and as permitted by any law of the Commonwealth or of the United States relating to banks, savings institutions, trust companies, building and loan associations, industrial loan associations, or credit unions;

2. Any bona fide pawnbroking business transacted under a pawnbroker's license; or

3. Any person operating in accordance with the specific provisions of any other provision of this title currently in effect or hereafter enacted.

§ 6.2-1504. Restrictions on name.

No licensee shall use a firm, corporate, or assumed name that contains any of the words "savings," "trust," "trustee," "bank," "banker," "banking," "investment," "thrift," "building," or "industrial."

§ 6.2-1505. Application for license; application fee.

A. Application for a license to make loans under this chapter shall be in writing, under oath, and in the form prescribed by the Commission.

B. The application shall contain:

1. The name and address of the applicant;
2. If the applicant is a partnership or association, the name and address of each partner or member of the partnership or association;
3. If the applicant is a corporation or limited liability company, the name and address of each senior officer, director, member, registered agent, and principal;
4. If the applicant is a business trust, the name and address of each trustee and beneficiary;

C. The application shall be accompanied by payment of an application fee of \$500.

§ 6.2-1506. Investigation of application.

A. Upon the filing of the application and the payment of the application fee, the Commission shall make such investigation relative to the application and the requirements provided for in § 6.2-1507 as it deems appropriate.

B. The Commission shall grant or deny each application for a license within 60 days from the date the application, together with all required information and the application fee, is filed unless the period is extended by order of the Commission that recites the reasons for the extension.

§ 6.2-1507. Issuance of license.

A. The Commission shall issue and deliver to the applicant a license to make loans in accordance with the provisions of this chapter at the location in the Commonwealth specified in the application if it finds:

1. That the financial responsibility, experience, character and general fitness of the applicant and its members, senior officers, directors, and principals are such as to command the confidence of the public and to warrant belief that this business will be operated lawfully, honestly, fairly and efficiently within the purpose of this chapter;

2. That the applicant has available, for the operation of the business at the specified location, liquid assets of at least \$50,000 if the specified location is in a locality with a population of more than 20,000, or of at least \$25,000 if the location is not in a locality with a population of more than 20,000; and

3. That the applicant has complied with all of the prerequisites to obtaining the license prescribed by § 6.2-1505.

If the Commission fails to make the findings required by subdivisions 1, 2, and 3, it shall deny the application for a license.

B. Notwithstanding the provisions of subsection A, if the applicant has an existing license at another location in the Commonwealth, the Commission shall issue and deliver to the applicant a license to make loans in accordance with the provisions of this chapter at the location specified in the application if it finds:

1. That the general fitness of the licensee is such as to command the confidence of the public and to warrant belief that this business will be operated lawfully, honestly, fairly and efficiently within the purpose of this chapter; and

2. That the applicant has complied with all of the prerequisites to obtaining the license prescribed by § 6.2-1505.

If the Commission fails to make the findings required by subdivisions 1 and 2, it shall deny the application for a license.

C. If the Commission denies an application for a license, it shall notify the applicant of the denial. The Commission shall retain the application fee.

§ 6.2-1508. Notices to Commission.

A. After receiving approval to conduct business at an additional location pursuant to subsection B of § 6.2-1507 or providing notice of relocation pursuant to § 6.2-1519, a licensee shall give written notice to the Commissioner within 10 days of the commencement of business at the additional location or relocated place of business.

B. Every licensee shall notify the Commissioner, in writing, within 10 days of (i) the closing of any business location, and (ii) the name, address and position of each new senior officer, member, partner, or director. The licensee also shall provide such other information with respect to any such event as the Commissioner may reasonably require.

§ 6.2-1509. Contents, posting, transfer, and duration of license.

A. Each license shall contain:

1. The address at which the business is to be conducted;
2. The full name of the licensee or, if the licensee is a partnership or association, the names of the partners or members; and
3. If the licensee is a corporation, the date and place of incorporation.

B. The licensee shall keep the license conspicuously posted in its place of business.

*C. The license shall not be transferable or assignable.*

*D. Each license shall remain in full force and effect until surrendered, revoked, or suspended as provided by this chapter or by lawful order of the Commission.*

*§ 6.2-1510. Acquisition of control; application.*

*A. Except as provided in this section, no person shall acquire, directly or indirectly, 25 percent or more of the voting shares of a corporation, or 25 percent or more of the ownership of any other person, licensed to conduct business under this chapter unless such person first:*

*1. Files an application with the Commission in such form as the Commissioner may prescribe from time to time;*

*2. Delivers such other information to the Commissioner as the Commissioner may require concerning the financial responsibility, background, experience, and activities of the applicant, its directors, senior officers, principals, and members, and of any proposed new directors, senior officers, principals, or members of the licensee; and*

*3. Pays such application fee as the Commission may prescribe.*

*B. Upon the filing and investigation of an application, the Commission shall permit the applicant to acquire the interest in the licensee if it finds that the applicant, its members if applicable, its directors, senior officers, and principals, and any proposed new directors, members, senior officers, and principals have the financial responsibility, character, reputation, experience, and general fitness to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with law. The Commission shall grant or deny the application within 60 days from the date a completed application accompanied by the required fee is filed unless the period is extended by order of the Commissioner reciting the reasons for the extension. If the application is denied, the Commission shall notify the applicant of the denial and the reasons for the denial.*

*C. The provisions of this section shall not apply to (i) the acquisition of an interest in a licensee, directly or indirectly, including an acquisition by merger or consolidation, by or with a person licensed by this chapter, (ii) the acquisition of an interest in a licensee, directly or indirectly, including an acquisition by merger or consolidation, by or with a person affiliated through common ownership with the licensee, or (iii) the acquisition of an interest in a licensee by a person by bequest, descent, survivorship or operation of law. The person acquiring an interest in a licensee in a transaction that is exempt from filing an application by this subsection shall send written notice to the Commissioner of such acquisition within 30 days of its closing.*

*§ 6.2-1511. Revocation of license.*

*The Commission, upon 10 days' written notice to the licensee stating the contemplated action and in general the grounds therefor, and upon reasonable opportunity to be heard, may revoke any license issued hereunder if it finds that:*

*1. The licensee has failed to pay the annual fee assessed pursuant to § 6.2-1532 or to comply with any order of the Commission lawfully made pursuant to and within the authority of this chapter;*

*2. The licensee, either knowingly or without the exercise of due care to prevent the same, has violated any provision of this chapter or any regulation lawfully made by the Commission under § 6.2-1535; or*

*3. Any fact or condition exists that clearly would have warranted the Commission to refuse originally to issue the license.*

*§ 6.2-1512. Suspension of license.*

*If the Commission finds that probable cause for revocation of any license exists and that enforcement of the law requires immediate suspension of the license pending investigation, it may, upon three days' written notice and a hearing, by the Commission or by the Commissioner, enter an order suspending the license for a period not exceeding 30 days.*

*§ 6.2-1513. Record and notice of revocation or suspension.*

*Whenever the Commission revokes or suspends a license issued pursuant to this chapter, it shall:*

*1. Enter an order to that effect, which order shall set forth its findings;*

*2. Compile a record containing (i) a summary of the evidence, (ii) the findings with respect thereto, (iii) the order, and (iv) the reasons supporting the revocation or suspension; and*

*3. Serve a copy of the order upon the licensee.*

*§ 6.2-1514. Surrender of license.*

*Any licensee may surrender any license by delivering it to the Commission with written notice of its surrender. The surrender shall not affect the licensee's civil or criminal liability for acts previously committed.*

*§ 6.2-1515. Effect of license revocation, suspension, or surrender.*

*The revocation, suspension, or surrender of any license shall not impair or affect the obligation of any preexisting lawful contract between the licensee and any borrower.*

*§ 6.2-1516. Reinstatement of license.*

*The Commission may reinstate any suspended license, or issue a new license to a person any license of whom has been revoked, if no fact or condition then exists that clearly would have warranted the Commission to refuse originally to issue a license under this chapter.*

*§ 6.2-1517. Place of business generally.*

*A. Not more than one place of business shall be maintained under the same license.*

*B. The Commission may issue more than one license to the same licensee upon compliance, as to each additional license, with all applicable provisions of this chapter governing issuance of a single license.*

*C. No licensee shall conduct the business of making loans provided for by this chapter under any other name or at any place of business within the Commonwealth other than as designated in the license.*

*§ 6.2-1518. Notice of conduct of other business in same place of business; fee.*

*A. A licensee shall not conduct the business of making loans under this chapter within any office, suite, room, or other place of business in which any other business is solicited or engaged in, or in association or conjunction with any other business, unless the licensee has first given 30 days' written notice to the Commission. Every notice shall be accompanied by a fee of \$300.*

*B. Upon receipt of such notice and fee, the Commission may require the licensee to provide information relating to the other business, including how and by whom it will be conducted. The Commission shall have the authority to investigate the conduct of such other businesses in the licensee's place of business.*

*C. The provisions of this section shall not affect (i) any regulations adopted by the Commission prior to July 1, 2000, governing the conduct of other businesses in the place of business designated in a license or (ii) the authority of the Commission to adopt such regulations as the Commission deems necessary.*

*D. If the Commission finds that the other business (i) is of such a nature or is being conducted in such a manner as to conceal or facilitate a violation or evasion of the provisions of this chapter or regulations adopted pursuant to it; (ii) is contrary to the public interest; or (iii) is otherwise being conducted in an unlawful manner, the Commission may, after notice to the licensee and an opportunity for a hearing, prohibit or limit the conduct of such other business in the place of business designated in the license.*

*E. Any authority granted under this section shall remain in full force and effect until surrendered, or until revoked or suspended by the Commission as provided in this chapter or by lawful order of the Commission.*

*§ 6.2-1519. Changing place of business.*

*A. A licensee may change its place of business to a different location in the Commonwealth if the new location is:*

- 1. Within the original locality; or*
- 2. From the original locality to a location in a contiguous locality.*

*B. A licensee shall notify the Commission of a change in the place of business within 10 days of such relocation. Upon receipt of the notification, the Commission shall issue and deliver to the licensee an amended license covering the new location if it finds that the change in the place of business meets one of the criteria listed in subsection A. Each notice of change of location under this section shall be accompanied by a fee of \$250.*

*§ 6.2-1520. Rate of interest; late charges; processing fees.*

*A. A licensee may charge and receive interest on loans of:*

- 1. Not more than \$2,500, at a single annual rate not to exceed 36 percent; and*
- 2. More than \$2,500, at such single annual rate as shall be stated in the loan contract.*

*The annual rate of interest shall be charged only upon principal balances outstanding from time to time. Interest shall not be charged on an add-on basis and shall not be compounded or paid, deducted or received in advance. For the purpose of calculating interest under this section, a year may be any period of time consisting of 360 or 365 days.*

*B. A licensee may impose a late charge for failure to make timely payment of any installment due on a debt, which late charge shall not exceed five percent of the amount of such installment payment. The late charge shall be specified in the loan contract between the lender and the borrower. For purposes of this section, "timely payment" means a payment made by the date fixed for payment or within a period of seven calendar days after such fixed date.*

*C. A licensee may charge and receive a processing fee, charged on the principal amount of the loan, for processing the loan contract. The processing fee shall be stated in the loan contract. Such processing fee shall be deemed to constitute interest charged on the principal amount of the loan for purposes of determining whether the interest charged on a loan of not more than \$2,500 exceeds the 36 percent annual interest rate limitation imposed by subdivision A 1.*

*§ 6.2-1521. Post-judgment charges.*

*If judgment is obtained against any party on any loan made under the provisions of this chapter, neither the judgment nor the loan shall carry, from the date of the judgment, any charges against any party to the loan other than court costs, attorney fees, and interest on the amount of the judgment at the rate fixed by § 6.2-302.*

*§ 6.2-1522. Other limitations on interest.*

A. Any loan made under the provisions of this chapter that is properly scheduled in a bankruptcy proceeding shall bear interest against any party to the loan from 90 days after the date of adjudication, whether there is an ultimate discharge or an extension, if any interest is allowable at all, at six percent per year. This limitation shall not apply (i) to a comaker not currently in bankruptcy when the bankrupt is not entitled to a discharge, or (ii) if the particular obligation is not dischargeable under the provisions of Title 11 of the United States Code.

B. After 90 days from the date of the death of the borrower, no other charges than interest at six percent per year shall be computed or collected from any party to the loan upon the unpaid principal balance of the loan.

C. For the period beginning six months after the date of maturity, as originally scheduled or as deferred in the event of deferment, of any loan contract under the provisions of this chapter, no further charges than interest at six percent per year shall be computed or collected from any party to the loan upon the unpaid balance of the loan.

**§ 6.2-1523. Additional charges prohibited; exceptions.**

In addition to the interest, late charges, and processing fee permitted under § 6.2-1520, no further or other amount whatsoever for any examination service, brokerage, commission, fine, notarial fee, or other thing or otherwise shall be directly or indirectly charged, contracted for, collected, or received, except:

1. Insurance premiums actually paid out by the licensee to any insurance company or agent duly authorized to do business in the Commonwealth for insurance for the protection and benefit of the borrower written in connection with any loan;

2. The actual cost of recordation fees or, on loans over \$100, the amount of the lawful premiums, no greater than such fees, actually paid for insurance against the risk of not recording any instrument securing the loan; and

3. A handling fee not to exceed \$15 for each check returned to the licensee because the drawer had no account or insufficient funds in the payor bank.

**§ 6.2-1524. Required and prohibited activities and conduct.**

A. Each licensee shall maintain at all times the minimum assets prescribed by this chapter for each license, either (i) in liquid form available for the operation of the business at the location specified in each license or (ii) actually used, whether pledged or not, in the conduct of the business at the location specified in each license.

B. A licensee or other person subject to this chapter shall not advertise, display, distribute or broadcast, or cause or permit to be advertised, displayed, distributed or broadcast, in any manner whatsoever, any false, misleading, or deceptive statement or representation with regard to the rates, terms, or conditions for loans made under this chapter. The Commission may require that charges or rates of charge, if stated by a licensee, be stated fully and clearly in such manner as it deems necessary to prevent misunderstanding by prospective borrowers. The Commission may permit or require licensees to refer in their advertising to the fact that their business is under state supervision, subject to conditions imposed by it to prevent false, misleading, or deceptive impression as to the scope or degree of protection provided by this chapter.

C. A licensee shall not take a lien upon real estate as security for any loan made under the provisions of this chapter, except a lien arising upon rendition of a judgment. Any lien taken in violation of this subsection shall be void.

D. A licensee shall, at the time any loan is made, deliver to the borrower, or if there are two or more borrowers to one of them, a statement disclosing (i) the names and addresses of the licensee and of the principal debtor on the loan contract, and (ii) a statement in compliance with Federal Reserve Board Regulation Z (12 C.F.R. Part 226).

E. A licensee shall give the borrower a receipt for all cash payments. The Commission may specify the form and content of such receipts in keeping with the intent and purpose of this chapter.

F. A licensee shall permit payment to be made in advance in whole, or in part equal to one or more full installments. The licensee may apply the payment first to any amounts that are due and unpaid at the time of such payment.

G. A licensee shall, upon repayment of the loan in full, (i) mark plainly every obligation and security other than a security agreement executed by the borrower with the word "Paid" or "Canceled," (ii) mark satisfied any judgment, (iii) restore any pledge, (iv) cancel and return any note and any assignment given by the borrower to the licensee, and (v) release any security agreement or other form of security instrument that no longer secures an outstanding loan between the borrower and the licensee.

H. In the event of collection by foreclosure sale or otherwise, a licensee shall pay and return to the borrower, or to another person entitled thereto, any surplus arising after the payment of the expenses of collection, sale or foreclosure and satisfaction of the debt.

I. A licensee shall not take any confession of judgment or any power of attorney running to himself or to any third person to confess judgment or to appear for the borrower in a judicial proceeding. Any such confession of judgment or power of attorney to confess judgment shall be void.

*J. A licensee shall not take any note, promise to pay, or instrument of security in which blanks are left to be filled in after execution, or that does not give the amount of the loan, a clear description of the installment payments required, and the rate of interest charged. A licensee may also include the disclosures required by Federal Reserve Board Regulation Z (12 C.F.R. Part 226) in the note, promise to pay, or instrument of security.*

*K. Every loan contract shall be in writing, be signed by the borrower, and provide for repayment of the amount loaned in substantially equal monthly installments of principal and interest. Nothing contained in this chapter shall prevent (i) a loan being considered a new loan because the proceeds of the loan are used to pay an existing loan contract or (ii) a licensee from entering into a loan contract providing for an odd first payment period of up to 45 days and an odd first payment greater than other monthly payments because of such odd first payment period.*

*§ 6.2-1525. Wage purchases.*

*The payment of any amount in money, credit, goods or things in action, as consideration for any sale or assignment of, or order for, the payment of wages, salary, commission, or other compensation for services, whether earned or to be earned, shall for the purposes of this chapter be deemed a loan of money secured by the sale, assignment or order. The amount by which the compensation so sold, assigned or ordered paid exceeds the amount of consideration actually paid (i) shall be deemed for the purpose of this chapter to be interest upon the loan from the date of the payment to the date the compensation is payable and (ii) shall not, in any case, be more than is sufficient to yield, to the person making the loan, interest on his investment at the annual rate of 10 percent. Such transaction shall in all other respects be governed by and subject to the provisions of this chapter.*

*§ 6.2-1526. Wage assignments.*

*A. A valid assignment or order for the payment of future salary, wages, commissions, or other compensation for services may be given as security for a loan made by any licensee, notwithstanding the provisions of any other law to the contrary.*

*B. No assignment of, or order for payment of, any salary, wages, commissions, or other compensation for services, earned or to be earned, given to secure any loan made by any licensee shall be valid unless:*

- 1. The amount of the loan is paid to the borrower simultaneously with its execution; and*
- 2. The assignment or order is in writing, signed in person by the borrower, and not by an attorney, or if the borrower is married unless it is signed in person by both husband and wife, and not by an attorney. Written assent of a spouse shall not be required when husband and wife have been living separate and apart for a period of at least five months prior to the giving of the assignment or order. The provisions of this section are in addition to, and not in derogation of, the general statutes pertaining to the subject.*

*C. Under the assignment or order, an amount equal to not more than 10 percent of the borrower's salary, wages, commissions, or other compensation for services shall be collectible from the employer of the borrower by the licensee at the time of each payment to the borrower of the salary, wages, commission, or other compensation for services, from the time that a copy of the assignment, verified by the oath of the licensee or his agent, together with a similarly verified statement of the amount unpaid upon the loan and a printed copy of this section, is served upon the employer.*

*§ 6.2-1527. Liens on household furniture.*

*No chattel mortgage or other lien on household furniture then in the possession and use of the borrower given to secure any loan made by a licensee shall be valid unless it is in writing, signed in person by the borrower, and not by an attorney, or if the borrower is married unless it is signed in person by both husband and wife, and not by an attorney. Written assent of a spouse shall not be required when a husband and wife have been living separate and apart for a period of at least five months prior to the giving of the mortgage or lien.*

*§ 6.2-1528. Exemptions unimpaired.*

*A. Nothing in this chapter shall have the effect of impairing any rights on the part of anyone as to exemptions under the poor debtors law or under any other applicable exemption law now in effect or hereafter enacted.*

*B. The provisions of subdivision B 2 of § 6.2-1526 and § 6.2-1527 are in addition to, and not in derogation of, the general statutes pertaining to the subject.*

*§ 6.2-1529. Collection of loans made outside Commonwealth.*

*No loan made outside the Commonwealth for which greater rates of interest, consideration or charges than are permitted by the law applicable to such loan in the state in which the loan was made, have been charged, contracted for, or received shall be collected in the Commonwealth. Every person in any way participating in an effort to enforce the collection of such loan in the Commonwealth shall be subject to the provisions of this chapter.*

*§ 6.2-1530. Investigations; immunities.*

*A. For the purpose of discovering violations of this chapter or securing information lawfully required under it, the Commission may at any time investigate the loans, books and records of any person who:*

- 1. Is engaged, or appears to the Commission to be engaged, in a business for which the person is*

*required to be licensed and supervised under this chapter;*

*2. Advertises for, solicits, or holds itself out as willing to make loans subject to the provisions of this chapter; or*

*3. The Commission has reason to believe is violating any provision of this chapter, whether such person shall act or claim to act under or without the authority of this chapter, or as principal, agent, broker, or otherwise.*

*B. In furtherance of the investigation the Commission shall:*

*1. Have and be given free access to the offices, places of business, books, papers, accounts, records, files, safes, and vaults of all such persons; and*

*2. Have authority to require attendance of witnesses and to examine under oath any person whose testimony may be required relative to any such loans or business or to the subject matter of the investigation, examination or hearing.*

*C. Before making an investigation as provided for in this section as to any person who is neither licensed nor an applicant for a license under this chapter, an order shall be entered by the Commission. The order shall specifically direct the investigation to be made, command submission by the person whose business is to be investigated, and set forth all other details the Commission finds necessary. The Commission shall not enter such an order except upon (i) at least one affidavit, which may be given by an employee of the Commission or by any other person, (ii) documentary data, (iii) admissions of the person to be investigated, or (iv) any combination of the foregoing, satisfactorily establishing, prima facie, facts sufficient to warrant the investigation provided for by subsection A. If the person involved consents to the investigation, the foregoing requirements may be dispensed with and the investigation may be made upon direction of the Commission or the Commissioner.*

*D. No criminal prosecution or action for the imposition of any penalty or forfeiture provided for by this chapter may be maintained against a person not a licensee or an applicant for a license under this chapter who is investigated following entry of an order as provided in subsection C. This subsection shall not:*

*1. Prevent prosecution for the violation of any other criminal law or of any other law providing for penalty or forfeiture; and*

*2. Provide immunity from prosecution for any officer, agent, or employee of the person whose business is investigated.*

*E. If the Commission compels a person not a licensee or an applicant for a license under this chapter to give verbal testimony, the person so compelled to testify shall not be subject to criminal prosecution or the imposition of any penalty or forfeiture in connection with the subject matter as to which such testimony is compelled.*

*F. The immunities provided pursuant to subsections D and E shall not impair (i) any civil right of action, not involving penalty or forfeiture, of any person and (ii) the authority of the Attorney General to institute and prosecute a proceeding for injunctive relief as provided for in § 6.2-1537. Any facts discovered and disclosures made in the course of any investigation following entry of an order as provided in subsection C or verbal testimony compelled as provided in subsection E shall be available in any proceeding involving any civil right of action or for obtaining an injunction under this chapter against the person so investigated or so compelled to testify.*

#### *§ 6.2-1531. Examination.*

*The Commission shall, as often as it deems to be in the public interest, examine the affairs, business, office, and records of each licensee that pertain to any business licensed under this chapter. Such examination shall be conducted at least once in every three-year period. The licensee shall furnish promptly by mail or otherwise such facts and statements in connection with its business transacted in the Commonwealth that the Commission may request from time to time.*

#### *§ 6.2-1532. Fees for examination, supervision and regulation.*

*To defray the costs of examination, supervision and regulation of licensed consumer finance companies, every licensee shall pay an annual fee to be calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to the total assets, including loans under this chapter and other loans, of various licensees and their affiliates doing business in authorized consumer finance company offices, to the actual cost of their respective examinations, and to other factors relating to their supervision and regulation. Fees shall be assessed pursuant to this section on or before May 1 of every calendar year. All such fees shall be paid by the licensees to the State Treasurer on or before June 1 following each assessment.*

#### *§ 6.2-1533. Books, accounts, and records; pledge or deposit of notes and securities.*

*A. Each licensee shall maintain in its authorized consumer finance company office, or at such other place within or outside the Commonwealth as the Commission may approve, such books, accounts, and records as the Commission may reasonably require to determine whether the licensee is complying with the provisions of this chapter and with regulations adopted in furtherance thereof. Such books, accounts, and records shall be maintained in paper form or, with the Commission's approval, in any electronic format available for examination on the basis of computer printed reproduction, video display, or other medium. Any books, accounts, and records not maintained in paper form shall be convertible into*

clearly legible paper documents within a reasonable time. Every licensee shall preserve the books, accounts, and records for at least three years after making the final entry on any loan recorded therein.

B. If any note or security taken under this chapter shall be pledged as collateral or deposited within or outside the Commonwealth, the licensee shall notify promptly the Commission in writing of the identity and location of the person holding such paper. Prior approval of the Commission shall not be required. Any pledged or deposited paper shall be subject to examination by the Commission in accordance with subsection C as fully as if maintained in an approved location.

C. All books, accounts, and records shall be subject to examination by the Commission. If such books, accounts, and records are examined outside the Commonwealth, all reasonable costs associated with such examination shall be paid by the licensee.

**§ 6.2-1534. Annual reports.**

Each licensee shall annually, on or before April 1, file a report with the Commission giving such relevant information as may reasonably be required concerning its business and operations during the preceding calendar year as to each authorized consumer finance company office. Reports shall be made under oath and shall be in the form prescribed by the Commission.

**§ 6.2-1535. Regulations and orders.**

The Commission shall adopt such regulations as it deems appropriate to effect the purposes of this chapter. Before adopting any such regulation, the Commission shall give reasonable notice of its content and shall afford interested parties an opportunity to be heard, in accordance with the Commission's Rules. A copy of each regulation and order adopting it shall be mailed to all licensees at least 10 days before the effective date thereof.

**§ 6.2-1536. Disclosures in connection with sale of securities.**

A. The Commission may adopt regulations prescribing required disclosures in connection with the offer or sale of any "security," as that term is defined in § 13.1-501 of the Virginia Securities Act (§ 13.1-501 et seq.), issued by any licensee organized under the laws of the Commonwealth.

B. The disclosures prescribed by subsection A shall be printed in bold, 10-point type and shall contain substantially the following language: "This security or these securities are being offered in Virginia pursuant to an exemption from the registration requirements of the Virginia Securities Act. The State Corporation Commission does not pass upon the adequacy or accuracy of the security or this offering circular or upon the merits of this security or this offering. These securities are not insured or guaranteed by any state or federal agency."

**§ 6.2-1537. Authority of Attorney General; impoundment of property and receivership.**

A. Whenever the Attorney General has reasonable cause to believe that (i) any person, not licensed under this chapter, is violating, has violated, is threatening to violate or intends to violate any provision of this chapter or any order or regulation lawfully made pursuant to the authority of this chapter and (ii) the facts justify it, the Attorney General shall institute and prosecute a lawsuit for monetary or injunctive relief or both in the Circuit Court of the City of Richmond, in the name of the Commonwealth. The court may grant monetary relief or may enjoin and restrain or both any such person from engaging in or continuing any such violation or from doing any act or acts in furtherance thereof. In any such suit a decree or order may be entered awarding such monetary relief or preliminary or final injunctive relief as may be deemed proper.

B. In addition to all other means provided by law for the enforcement of an award of monetary relief, a temporary restraining order, temporary injunction, or final injunction, the court may impound, and appoint a receiver for, (i) the property and business of the defendant, including books, papers, documents, and records pertaining thereto, (ii) so much thereof as the court deems reasonably necessary to prevent further violation of this chapter through or by means of the use of such property and business, or (iii) so much thereof as is necessary to identify borrowers who have been damaged and the amount of their damages, and to refund the amount of any such damages to the borrowers pursuant to subsection C. The receiver, when appointed and qualified, shall have such powers and duties as to custody, collection, administration, payment of debts and liquidation of the property and business as from time to time are conferred upon him by the court.

C. The Attorney General may seek and the circuit court may order or decree such other relief allowed by law, including restitution to the extent available to borrowers under § 6.2-1541.

D. In any action brought by the Attorney General by virtue of the authority granted in this section, the Attorney General shall be entitled to seek attorney fees and costs.

E. Nothing in this section shall be construed to preclude any person who suffers a loss as a result of a violation of § 6.2-1501 from maintaining an action to recover damages or restitution under § 6.2-1541.

F. No individual shall be entitled to refuse to testify in a suit brought under this section because the person's testimony would tend to incriminate such person or subject the individual to penalty or forfeiture. If called to testify by the Commonwealth or by the court trying the case, the individual may not thereafter be prosecuted for any crime or subjected to any penalty or forfeiture growing out of the transaction concerning which the individual testifies.

**§ 6.2-1538. Copies of orders or licenses.**

On application of any person, and payment of the costs, the Commission shall furnish such person with a certified copy of any order entered or license issued by it. Such copy shall be prima facie evidence in any court or proceeding of the fact of the entry of the order or of the issuance of the license.

**§ 6.2-1539. Review by Commission.**

In addition to any other remedy he may have any licensee or any other person considering himself aggrieved by any action of the Commissioner under this chapter pursuant to authority conferred upon him or delegated to him by the Commission may, within 30 days of the action complained of, file a petition as a matter of right with the Commission to review the action. The proceeding on review shall be de novo and the record and summary of the evidence before, and findings of, the Commissioner shall be admissible as evidence before the Commission.

**§ 6.2-1540. Criminal penalties.**

Any person, including the members, officers, directors, agents, and employees of an entity, who violates or participates in the violation of any provision of § 6.2-1501 is guilty of a Class 2 misdemeanor.

**§ 6.2-1541. Unlawful contracts void; recovery of amounts paid.**

A. A loan contract shall be void if any act has been done in the making or collection thereof that violates § 6.2-1501.

B. The lender on any loan for which a person has taken any action in its making or collection in violation of § 6.2-1501 shall not collect, receive, or retain any principal, interest, or charges whatsoever with respect to the loan, and any principal or interest paid on the loan shall be recoverable by the person by or for whom payment was made.

**§ 6.2-1542. Duty to refund unauthorized or excess charges; liability to borrower for penalty.**

A. If any amount not authorized by this chapter or in excess of the charges permitted by this chapter is charged and received by a licensee, such unauthorized or excess charge actually received by a licensee shall be refunded to the borrower or credited to the borrower's account.

B. Except for excess charges charged and received as the result of a bona fide error of computation that was not made pursuant to a regular course of dealing, the licensee shall be liable to the borrower for a penalty of twice the amount of any unauthorized or excess charge actually received by the licensee and for any court costs and reasonable attorney fees incurred by the borrower.

**§ 6.2-1543. Civil penalties.**

The Commission may impose a civil penalty not exceeding \$10,000 upon any licensee who it determines, in proceedings conducted in accordance with the Commission's Rules, has violated any provision of this chapter or of any regulation or order of the Commission, either knowingly or without the exercise of due care to prevent the violation. In any proceeding under this section, a licensee shall not be penalized for any act or omission done in reasonable reliance on any regulation, order, letter, or other written directive or request of the Commission.

**CHAPTER 16.**

**MORTGAGE LENDERS AND MORTGAGE BROKERS.**

**§ 6.2-1600. Definitions.**

As used in this chapter, unless the context requires a different meaning:

"Licensee" means a mortgage lender or mortgage broker licensed by the Commission pursuant to this chapter.

"Mortgage broker" means any person who directly or indirectly negotiates, places or finds mortgage loans for others, or offers to negotiate, place or find mortgage loans for others. Any licensed mortgage lender that, pursuant to an executed originating agreement with the Virginia Housing Development Authority, acts or offers to act as an originating agent of the Virginia Housing Development Authority in connection with a mortgage loan shall not be deemed to be acting as a mortgage broker with respect to such mortgage loan but shall be deemed to be acting as a mortgage lender with respect to such mortgage loan, notwithstanding that the Virginia Housing Development Authority is or would be the payee on the note evidencing such mortgage loan and that the Virginia Housing Development Authority provides or would provide the funding of such mortgage loan prior to or at the settlement thereof.

"Mortgage lender" means any person who directly or indirectly originates or makes mortgage loans.

"Mortgage loan" means a loan made to an individual, the proceeds of which are to be used primarily for personal, family or household purposes, which loan is secured by a mortgage or deed of trust upon any interest in one- to four-family residential property located in the Commonwealth, regardless of where made, including the renewal or refinancing of any such loan, but excluding (i) loans or extensions of credit to buyers of real property for any part of the purchase price of such property by persons selling such property owned by them, (ii) loans to persons related to the lender by blood or marriage, and (iii) loans to persons who are bona fide employees of the lender. "Mortgage loan" shall not include any loan secured by a mortgage or deed of trust upon any interest in a more than four-family residential property or property used for a commercial or agricultural purpose.

"Principal" means any person who, directly or indirectly, owns or controls (i) 10 percent or more of the outstanding stock of a stock corporation or (ii) a 10 percent or greater interest in a nonstock

corporation or a limited liability company.

"Residential property" means improved real property used or occupied, or intended to be used or occupied, for residential purposes.

**§ 6.2-1601. License requirement.**

No person shall engage in business as a mortgage lender or a mortgage broker, or hold himself out to the general public to be a mortgage lender or a mortgage broker, unless such person has first obtained a license under this chapter. Subject to such conditions as the Commission may prescribe, an individual who is a bona fide employee or exclusive agent of a licensee may negotiate, place or find mortgage loans without being licensed as a mortgage broker.

7. Any insurance company;
8. Persons licensed by the Commonwealth as attorneys, real estate brokers, or real estate salesmen, not actively and principally engaged in negotiating, placing or finding mortgage loans, when rendering services as an attorney, real estate broker or real estate salesman; however, a real estate broker or real estate salesman who receives any fee, commission, kickback, rebate or other payment for directly or indirectly negotiating, placing or finding a mortgage loan for others shall not be exempt from the provisions of this chapter;
9. Persons acting in a fiduciary capacity conferred by authority of any court;
10. Persons licensed as small business investment companies by the Small Business Administration; and
11. The Virginia Housing Development Authority and persons who (i) are approved by the Virginia Housing Development Authority pursuant to its rules and regulations to act as field originators with respect to mortgage loans made under its programs and (ii) are not engaged in any other activities for which a license is required to be obtained under this chapter.

A. An application for a license under this chapter shall be made in writing, under oath and on a form provided by the Commissioner.

B. The application shall set forth:

1. The name and address of the applicant;
2. If the applicant is a firm or partnership, the name and address of each member of the firm or partnership;
3. If the applicant is a corporation or a limited liability company, the name and address of each officer, director, registered agent and each principal;

2. In the case of an application for a license to act as both mortgage lender and mortgage broker, an application fee of \$1,000.

D. The application fee shall not be refundable in any event. The fee shall not be abated by surrender, suspension or revocation of the license.

**§ 6.2-1604. Bond required.**

The application for a license shall also be accompanied by a bond filed with the Commissioner with corporate surety authorized to execute such bond in the Commonwealth, in the sum of \$25,000, or such

greater sum as the Commissioner may require. The form of the bond shall be approved by the Commission. The bond shall be continuously maintained thereafter in full force. The bond shall be conditioned upon the applicant or licensee performing all written agreements with borrowers or prospective borrowers, correctly and accurately accounting for all funds received by him in his licensed business, and conducting his licensed business in conformity with this chapter and all applicable law. Any person who may be damaged by noncompliance of a licensee with any condition of such bond may proceed on such bond against the principal or surety thereon, or both, to recover damages. The aggregate liability under the bond shall not exceed the penal sum of the bond.

**§ 6.2-1605. Investigation of applications.**

A. The Commissioner may make such investigations as he deems necessary to determine if the applicant has complied with all applicable provisions of law and regulations.

B. For the purpose of investigating individuals who are members, senior officers, directors, and principals of an applicant, such persons shall consent to a national and state criminal history records check and submit to fingerprinting by a local or state law-enforcement agency. Each member, senior officer, director, and principal shall pay for the cost of such fingerprinting and criminal records check. Upon receipt of the records check fees along with such individuals' fingerprints and their personal descriptive information, the Commissioner shall forward these items to the Central Criminal Records Exchange. The Central Criminal Records Exchange shall conduct a search of its own criminal history records and forward such individuals' fingerprints and personal descriptive information to the Federal Bureau of Investigation for the purpose of obtaining national criminal history record information regarding such individuals. The Central Criminal Records Exchange shall forward the results of the state and national records search to the Commissioner, who shall be an employee of the Commission.

C. If any member, senior officer, director, or principal of an applicant fails to submit his fingerprints, personal descriptive information, or records check fees to the Commissioner or his designee in accordance with subsection B, the application for licensure as a mortgage lender or mortgage broker shall be denied.

**§ 6.2-1606. Qualifications.**

A. Upon the filing and investigation of an application for a license, and compliance by the applicant with the provisions of §§ 6.2-1603 and 6.2-1604, the Commission shall issue and deliver to the applicant the license applied for to engage in business under this chapter at the office locations specified in the application if it finds:

1. That the financial responsibility, character, reputation, experience, and general fitness of the applicant and its members, senior officers, directors and principals are such as to warrant belief that the business will be operated efficiently and fairly, in the public interest and in accordance with law; and

2. That, in the case of an application for a license to act as a mortgage lender, the applicant has funds available for the operation of the business of at least \$200,000.

B. If the Commission fails to make such findings, no license shall be issued and the Commissioner shall notify the applicant of the denial and the reasons for such denial.

**§ 6.2-1607. Licenses; places of business; changes.**

A. Each license shall state the address of each office at which the business is to be conducted and shall state fully the name of the licensee. Each license shall be prominently posted in each office of the licensee. Licenses shall not be transferable or assignable, by operation of law or otherwise. No licensee shall use any name other than the name set forth on the license issued by the Commission.

B. No licensee shall open an additional office or relocate any office without prior approval of the Commission. Applications for such approval shall be made in writing on a form provided by the Commissioner and shall be accompanied by payment of a \$150 nonrefundable application fee. The application shall be approved unless the Commission finds that the applicant has not conducted business under this chapter efficiently, fairly, in the public interest, and in accordance with law. The application shall be deemed approved if notice to the contrary has not been mailed by the Commission to the applicant within 30 days of the date the application is received by the Commission. After approval, the applicant shall give written notice to the Commissioner within 10 days of the commencement of business at the additional or relocated office.

C. Every licensee shall within 10 days notify the Commissioner, in writing, of the closing of any approved office and of the name, address and position of each new senior officer, member, partner, or director and provide such other information with respect to any such change as the Commissioner may reasonably require.

D. Every license shall remain in force until it has been surrendered, revoked, or suspended. The surrender, revocation, or suspension of a license shall not affect any preexisting legal right or obligation of such lender or broker.

**§ 6.2-1608. Acquisition of control; application.**

A. Except as provided in this section, no person shall acquire directly or indirectly 25 percent or more of the voting shares of a corporation or 25 percent or more of the ownership of any licensee unless such person first:

1. Files an application with the Commission in such form as the Commissioner may prescribe from time to time;

2. Delivers such other information to the Commissioner as the Commissioner may require concerning the financial responsibility, background, experience, and activities of the applicant, its directors, senior officers, principals and members, and of any proposed new directors, senior officers, principals, or members of the licensee; and

3. Pays such application fee as the Commission may prescribe.

B. Upon the filing and investigation of an application, the Commission shall permit the applicant to acquire the interest in the licensee if it finds that the applicant, its members if applicable, its directors, senior officers and principals, and any proposed new directors, members, senior officers and principals have the financial responsibility, character, reputation, experience and general fitness to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with law. The Commission shall grant or deny the application within 60 days from the date a completed application accompanied by the required fee is filed unless the period is extended by order of the Commissioner reciting the reasons for the extension. If the application is denied, the Commission shall notify the applicant of the denial and the reasons for the denial.

C. The provisions of this section shall not apply to (i) the acquisition of an interest in a licensee directly or indirectly including an acquisition by merger or consolidation by or with another licensee or a person exempt from this chapter under the provisions of subdivisions 2 through 11 of § 6.2-1602, (ii) the acquisition of an interest in a licensee directly or indirectly including an acquisition by merger or consolidation by or with a person affiliated through common ownership with the licensee, or (iii) the acquisition of an interest in a licensee by a person by bequest, descent, or survivorship or by operation of law. The person acquiring an interest in a licensee in a transaction which is exempt from filing an application by this subsection shall send written notice to the Commissioner of such acquisition within 30 days of its closing.

§ 6.2-1609. Retention of books, accounts and records.

A. Every mortgage lender or mortgage broker required to be licensed under this chapter shall maintain in its offices such books, accounts, and records as the Commission may reasonably require in order to determine whether such person is complying with the provisions of this chapter and regulations adopted hereunder. Such books, accounts, and records shall be maintained apart and separate from any other business in which the mortgage lender or mortgage broker is involved.

B. Each mortgage lender required to be licensed under this chapter shall retain, for at least three years after final payment is made on any mortgage loan or the mortgage loan is sold, whichever first occurs, copies of the note, settlement statement, truth-in-lending disclosure, and such other papers or records relating to the loan as may be required by regulation.

C. Each mortgage broker required to be licensed under this chapter shall retain for at least three years after a mortgage loan is made the original contract for his compensation, a copy of the settlement statement, and an account of fees received in connection with the loan, and such other papers or records as may be required by regulation.

§ 6.2-1610. Annual report.

Each mortgage lender or mortgage broker required to be licensed under this chapter shall annually, on or before March 1, file a written report with the Commissioner containing such information as the Commissioner may require concerning his business and operations during the preceding calendar year as to each office. Reports shall be made under oath and shall be in the form prescribed by the Commissioner, who shall make and publish annually an analysis and recapitulation of the reports.

§ 6.2-1611. Investigations; examinations.

The Commission may, as often as it deems necessary, investigate and examine the affairs, business, premises, and records of any mortgage lender or mortgage broker required to be licensed under this chapter insofar as they pertain to any business for which a license is required by this chapter. Examinations of such mortgage lenders shall be conducted at least once in each three-year period. In the course of such investigations and examinations, the owners, members, officers, directors, partners, and employees of such mortgage lender or mortgage broker being investigated or examined shall, upon demand of the person making such investigation or examination, afford full access to all premises, books, records and information which the person making such investigation or examination deems necessary. For the foregoing purposes, the person making such investigation or examination shall have authority to administer oaths, examine under oath all the aforementioned persons, and compel the production of papers and objects of all kinds.

§ 6.2-1612. Annual fees.

A. To defray the costs of examination, supervision, and regulation, every:

1. Mortgage lender required to be licensed under this chapter shall pay an annual fee calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to the business volume of an individual mortgage lender, the actual cost of the examination, and to other factors relating to the supervision and regulation; and

2. Mortgage broker required to be licensed under this chapter shall pay an annual fee calculated in

accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to the volume of business transacted by such mortgage broker, to the actual cost of examination and to other factors relating to the supervision and regulation.

B. The annual fee prescribed in subsection A shall be assessed on or before April 25 for every calendar year. All such fees shall be paid by the licensees to the State Treasurer on or before May 25 following each assessment.

C. In addition to the annual fee prescribed in subsection A, when it becomes necessary to examine or investigate the books and records of a mortgage lender or mortgage broker required to be licensed under this chapter at a location outside the Commonwealth, the mortgage lender or mortgage broker shall be liable for and shall pay to the Commission within 30 days of the presentation of an itemized statement, the actual travel and reasonable living expenses incurred on account of its examination, supervision and regulation, or shall pay at a reasonable per diem rate approved by the Commission.

#### *§ 6.2-1613. Regulations.*

The Commission shall adopt such regulations as it deems appropriate to effect the purposes of this chapter. Before adopting any such regulation, the Commission shall give reasonable notice of its content and shall afford interested parties an opportunity to present evidence and be heard, in accordance with the Commission's Rules.

No mortgage lender or mortgage broker required to be licensed under this chapter shall:

1. Obtain any agreement or instrument in which blanks are left to be filled in after execution;

This prohibition shall apply regardless of whether the interest rate, points, fees, and charges paid or payable by the borrower in connection with the refinancing exceed any limitation established pursuant to Chapter 3 (§ 6.2-300 et seq.) or Article 2 (§ 6.2-406 et seq.) of Chapter 4. Factors to be considered in determining if the refinancing is in the borrower's best interest include but are not limited to whether:

  - b. There is a change in the amortization period of the new loan;
  - c. The borrower receives cash in excess of the costs and fees of refinancing;
  - d. The rate of interest on the borrower's note is reduced;

No licensed mortgage lender shall require any borrower to pay any moneys in escrow to defray future taxes and insurance premiums, or for any other purpose, in connection with a subordinate mortgage loan as referred to in Article 2 (§ 6.2-406 et seq.) of Chapter 4, except where escrows for such purposes are not being maintained in connection with the mortgage loan superior to such

subordinate mortgage loan.

C. Mortgage lenders holding money in escrow for insurance premiums shall notify the insurer in writing within 30 days of a change of the mortgage lender's billing address, or 60 days prior to the renewal date of the insurance policy, whichever is later.

§ 6.2-1620. Censuring, suspending, or barring persons.

A. The Commission, after providing notice and an opportunity for a hearing, may (i) censure a person, (ii) suspend a person for a defined period from any position of employment, management, or control of any licensee, or (iii) bar a person from any position of employment, management, or control of any licensee, if the Commission finds that:

1. The censure, suspension or bar is in the public interest and that the person, after July 1, 2003, has committed or caused a violation of this chapter or any regulation or order of the Commission; or
2. The person, after July 1, 2003, was (i) convicted of, or pled guilty or nolo contendere to, any crime; (ii) held liable in any civil action by final judgment; or (iii) held liable in any administrative proceeding by any public agency, if the criminal conviction or plea, or the holding in the civil action or administrative proceeding, involved any offense reasonably related to the qualifications, functions, or duties of a person employed by, or in a position of management or control of, a licensee.

B. Persons suspended or barred under this section are prohibited from participating in any business activity of a licensee and from engaging in any business activity on the premises where a licensee is conducting its business. This subsection shall not be construed to prohibit suspended or barred persons from having their personal transactions processed by a licensee.

§ 6.2-1621. Filing of written report with Commissioner; events affecting activities of licensee.

A. A licensee shall file a written report with the Commissioner within 15 days of becoming aware of the occurrence of any of the following:

1. The filing for bankruptcy or reorganization by the licensee;
2. The institution of revocation or suspension proceedings against the licensee by any state or governmental authority;

4. Any felony indictment of the licensee or any of its employees, officers, directors, or principals;
5. Any felony conviction of the licensee or any of its employees, officers, directors, or principals; and
6. Such other events as the Commissioner may determine and identify by regulation.

B. The report shall be in writing and describe the event and its expected impact on the activities of the licensee in the Commonwealth.

§ 6.2-1622. Cease and desist orders.

A. If the Commission determines that any mortgage lender or mortgage broker required to be licensed hereunder has violated any provision of this chapter or any regulation adopted pursuant thereto, the Commission may, upon 21 days' notice in writing, order such person to cease and desist

from such practices and to comply with the provisions of this chapter. The notice shall be sent by certified mail to the principal place of business of such mortgage lender or mortgage broker and shall state the grounds for the contemplated action.

B. Within 14 days of mailing the notice, the person named therein may file with the clerk of the Commission a written request for a hearing. If a hearing is requested, the Commission shall not issue a cease and desist order except based upon findings made at the hearing. The hearing shall be conducted in accordance with the provisions of Title 12.1. The Commission may enforce compliance with any such order issued under this section by imposition and collection of such fines and penalties as may be prescribed by Commission regulations.

§ 6.2-1623. Notice of proposed suspension or revocation.

The Commission may not revoke or suspend the license of any licensee upon any of the grounds set forth in § 6.2-1619 until it has given the mortgage lender or mortgage broker (i) 21 days' notice in writing of the reasons for the proposed revocation or suspension and (ii) an opportunity to introduce evidence and be heard. The notice shall be sent by certified mail to the principal place of business of such licensee and shall state with particularity the grounds for the contemplated action. Within 14 days of mailing the notice, the licensee named therein may file with the clerk of the Commission a written request for a hearing. If a hearing is requested, the Commission shall not suspend or revoke the license except based upon findings made at such hearing. The hearing shall be conducted in accordance with the provisions of Title 12.1.

§ 6.2-1624. Civil penalties.

In addition to the authority conferred under §§ 6.2-1619 and 6.2-1622, the Commission may impose a civil penalty not exceeding \$2,500 upon any mortgage lender or mortgage broker required to be licensed under this chapter who it determines, in proceedings commenced in accordance with the Commission's Rules, has violated any of the provisions of this chapter or any other law or regulation applicable to the conduct of the mortgage lender's or mortgage broker's business. For the purposes of this section, each separate violation shall be subject to the civil penalty herein prescribed, and each day after the date of notification, excluding Sundays and holidays, as prescribed in § 2.2-3300, that an unlicensed person engages in the business or holds himself out to the general public as a mortgage lender or mortgage broker shall constitute a separate violation.

§ 6.2-1625. Criminal penalties.

Any person not exempt from the licensure requirements of this chapter who acts as a mortgage lender or mortgage broker in the Commonwealth without having obtained a license is guilty of a Class 6 felony. For the purposes of this section, each violation shall constitute a separate offense.

§ 6.2-1626. Authority of Attorney General; referral by Commission to Attorney General.

A. If the Commission determines that a licensee is in violation of, or has violated, § 6.2-1614, 6.2-1615, or 6.2-1616, or any provision of Chapter 3 (§ 6.2-300 et seq.) or Chapter 4 (§ 6.2-400 et seq.), the Commission may refer the information to the Attorney General and may request that the Attorney General investigate such violations.

B. Upon such referral, the Attorney General:

1. May seek to enjoin violations of such laws. The appropriate circuit court may enjoin such violations notwithstanding the existence of an adequate remedy at law; and

2. May seek, and the circuit court may order or decree, damages and such other relief allowed by law, including restitution to the extent available to borrowers under applicable law.

C. Persons entitled to any relief authorized by this section shall be identified by order of the court within 180 days from the date of the order permanently enjoining the unlawful act or practice.

D. In any action brought by the Attorney General by virtue of the authority granted in this section, the Attorney General shall be entitled to seek attorney fees and costs.

E. The Attorney General shall be authorized to bring an action to enjoin violations of the Real Estate Settlement Procedures Act of 1974 (RESPA) (12 U.S.C. § 2601 et seq.), to the extent authorized by §§ 8 and 16 of RESPA (12 U.S.C. §§ 2607 and 2614).

§ 6.2-1627. Private actions.

A. Nothing in this chapter shall be construed to preclude any person who suffers loss as a result of a violation of Chapter 3 (§ 6.2-300 et seq.) or Chapter 4 (§ 6.2-400 et seq.) from maintaining an action to recover damages or restitution and, as provided by statute, attorney fees. However, in any matter in which the Attorney General has exercised his authority pursuant to § 6.2-1626, an individual action shall not be maintainable if the individual has received damages or restitution pursuant to § 6.2-1626.

B. A borrower who suffers a loss as a result of a mortgage broker's breach of duty as set forth in subdivision B 6 of § 6.2-1616 may bring an action against such broker to recover actual damages. In addition to any damages awarded, such borrower also may be awarded attorney fees and court costs.

§ 6.2-1628. Enforcement of prohibitions on certain practices; recovery of attorney fees.

A. The Attorney General, the Commission, or any party to a mortgage loan may enforce the provisions of §§ 6.2-1614, 6.2-1615, and 6.2-1616.

B. In any suit instituted by a borrower who alleges that the defendant violated § 6.2-1614, 6.2-1615, or 6.2-1616, the presiding judge may, in the judge's discretion, allow reasonable attorney fees to the

attorney representing the prevailing party. The attorney fees shall be taxed as a part of the court costs and payable by the losing party upon a finding by the presiding judge that (i) the party charged with the violation has willfully engaged in the act or practice with which he was charged or (ii) the party instituting the action knew, or should have known, that the action was frivolous and malicious.

C. The provisions of this section shall be in addition to, and shall not impair, the rights of and remedies available to borrowers in mortgage loans otherwise provided by law.

§ 6.2-1629. Prohibited practices; authority of the Attorney General.

A. Notwithstanding whether a person is licensed, is required to be licensed, or is exempt from licensure under this chapter, and notwithstanding any other provision of the law to the contrary, no person that is engaged in the business of originating residential mortgage loans in the Commonwealth shall use any deception, fraud, false pretense, false promise, or misrepresentation in connection with a mortgage loan transaction.

B. Whenever the Attorney General has reasonable cause to believe that any person has engaged in, or is engaging in, or is about to engage in, any violation of this section, the Attorney General is empowered to issue a civil investigative demand. The provisions of § 59.1-9.10 shall apply, *mutatis mutandis*, to civil investigative demands issued pursuant to this section.

C. The Attorney General may cause an action to be brought in the appropriate circuit court in the name of the Commonwealth to enjoin any violation of this section. The circuit court having jurisdiction may enjoin such violations notwithstanding the existence of an adequate remedy at law. In any action under this section, it shall not be necessary that damages or intent be proved to establish a violation. The standard of proof at trial shall be preponderance of the evidence. The circuit courts are authorized to issue temporary or permanent injunctions to restrain and prevent violations of this section.

D. In any action brought under this section, if the court finds that a person has willfully engaged in a violation of this section, the Attorney General may recover, upon petition to the court, a civil penalty of not more than \$2,500 per violation.

E. In any action brought under this section, the Attorney General may recover damages and such other relief allowed by law, including restitution on behalf of borrowers injured by violations of this section as well as costs and reasonable expenses incurred by the Commonwealth in investigation and preparing the case, including attorney fees.

F. Unless the Attorney General determines that a person subject to the provisions of this section intends to depart from the Commonwealth or to remove his property from the Commonwealth, or to conceal himself or his property in the Commonwealth, or on a reasonable determination that irreparable harm may occur if immediate action is not taken, the Attorney General shall, before initiating any legal proceedings as provided in this section, give notice in writing that such proceedings are contemplated, and allow such person a reasonable opportunity to appear before the Attorney General and show that a violation did not occur or execute an assurance of voluntary compliance or consent judgment.

G. Nothing in this section shall create a private right of action in favor of any individual aggrieved by a violation of this section.

*§ 6.2-1705. Coordination of licensing.*

*In connection with its administration and enforcement of this chapter, the Commission is authorized to establish agreements or contracts with the Registry or other entities designated by the Registry to collect, distribute, and maintain information and records, and to process transaction fees and other fees, related to licensees and other persons subject to this chapter. When establishing such agreements or contracts the Commission shall not be subject to the Virginia Public Procurement Act (§ 2.2-4300 et seq.). Notwithstanding the provisions of § 6.2-101, the Commission shall report regularly to the Registry any violations of this chapter, enforcement actions, and license status changes. The Commission shall report to the Registry only those violations, actions, and license status changes effected by final order of the Commission or by the Commissioner pursuant to his delegated authority.*

*§ 6.2-1706. Qualifications.*

*Upon the filing and investigation of an application for a license, and compliance by the applicant with all applicable provisions of this chapter, the Commission shall issue and deliver to the applicant the license applied for to engage in business under this chapter if it finds that the financial responsibility, character, and general fitness of the applicant are such as to warrant belief that the licensee will act as a mortgage loan originator efficiently and fairly, in the public interest, and in accordance with law. If the Commission fails to make such findings, no license shall be issued and the Commissioner shall notify the applicant of the denial and the reasons for such denial. The Commission shall not base a license denial, in whole or in part, on an applicant's credit score, nor shall it use a credit report as the sole basis for license denial.*

*§ 6.2-1707. Other conditions for mortgage loan originator licensing.*

*In addition to the findings required by § 6.2-1706, the Commission shall not issue a mortgage loan originator license unless it finds that:*

- 1. The applicant has never had a mortgage loan originator license revoked by any governmental authority;*

The applicant has not been convicted of, or pled guilty or nolo contendere to, a felony in a domestic, foreign, or military court (i) during the seven-year period preceding the application for licensing and registration; or (ii) at any time preceding such date of application if such felony involved an act of fraud, dishonesty, breach of trust, or money laundering;*

*D. Pre-licensing education courses may be offered in a classroom, online, or by any other means approved by the Registry.*

*§ 6.2-1709. Testing of mortgage loan originator applicants.*

*A. In order to meet the written test requirement referred to in subdivision 4 of § 6.2-1707, an individual shall pass, in accordance with reasonable standards established under this subsection, a qualified written test that has been developed by the Registry and administered by a test provider approved by the Registry.*

*D. An individual shall not be considered to have passed a qualified written test unless he has correctly answered at least 75 percent of the test questions. An individual may retake a test three consecutive times with each consecutive taking occurring at least 30 days after the preceding test. After failing three consecutive tests, an individual shall wait at least six months before retaking the test. A licensed mortgage loan originator who fails to maintain a valid license for a period of five years or longer, exclusive of any period during which such individual is a registered mortgage loan originator, shall retake the test.*

*E. An applicant who has successfully completed pre-licensing education and testing that is mandated by the Act and approved by the Registry for any state shall be deemed to have completed Virginia's pre-licensing education and testing requirements, other than any limited or separate state testing requirements relating to Virginia law and regulation as described in subsection B.*

*§ 6.2-1710. Continuing education requirements.*

A licensed mortgage loan originator shall complete annually at least eight hours of continuing education courses approved in accordance with subsection B, which shall include at least: (i) three hours related to federal law and regulations; (ii) two hours related to ethics, which shall include instruction about fraud, consumer protection, and fair lending issues; and (iii) two hours related to lending standards for the nontraditional mortgage product marketplace.*

D. Continuing education courses may be offered in a classroom, online, or by any means approved by the Registry.

E. A licensed mortgage loan originator may only receive credit for a continuing education course in the year in which the course is taken and may not take the same approved course in the same or successive years to meet the annual requirements for continuing education.

When it becomes necessary to examine or investigate the books and records of an individual required to be licensed under this chapter at a location outside the Commonwealth, the individual shall be liable for and shall pay to the Commission within 30 days of the presentation of an itemized statement, the actual travel and reasonable living expenses incurred on account of his examination, supervision, and regulation, or shall pay a reasonable per diem rate approved by the Commission. Any sums due pursuant to this subsection shall be in addition to the annual fee prescribed in subsection A.*

*C. If an individual is an employee or exclusive agent of a person licensed under Chapter 16 (§ 6.2-1600 et seq.), the expenses referred to in subsection B shall be paid by the licensed mortgage lender or mortgage broker.*

*§ 6.2-1715. Advertising.*

*No individual required to be licensed under this chapter shall use or cause to be published any advertisement that:*

- 1. Contains any false, misleading, or deceptive statement or representation; or*
- 2. Identifies a licensee by any name other than the name set forth on the license issued by the Commission.*

*§ 6.2-1716. Suspension or revocation of license.*

*The Commission may suspend or revoke any license issued under this chapter based upon:*

- 1. Any ground sufficient for denial of the issuance of a license under this chapter;*
- 2. Any violation of the provisions of this chapter or regulations adopted by the Commission pursuant thereto, or a violation of any other law or regulation applicable to the conduct of the licensee's licensed activities;*
- 3. Conviction of a felony or misdemeanor involving fraud, misrepresentation, or deceit;*
- 4. Entry of a judgment against a licensee involving fraud, misrepresentation, or deceit;*

*§ 6.2-1717. Filing of written report with Commissioner; events affecting a licensee.*

*Within 15 days of becoming aware of the occurrence of any of the events listed below, a licensee shall file a written report with the Commissioner describing such event:*

- 2. The denial of the opportunity to engage in business by any state or other governmental authority;*
- 3. Any felony indictment of the licensee;*
- 4. Any felony conviction of the licensee; and*
- 5. Such other events as the Commission may determine and identify by regulation.*

*§ 6.2-1718. Notice of proposed suspension or revocation.*

*The Commission may not revoke or suspend the license of any licensee under this chapter unless it has given the licensee 21 days' notice in writing of the reasons for the proposed revocation or suspension and has given the licensee an opportunity to introduce evidence and be heard. The notice shall be sent by certified mail to the licensee's last address on the Commission's records and shall state with particularity the basis for the contemplated action. Within 14 days of mailing the notice, the licensee may file with the clerk of the Commission a written request for a hearing. If a hearing is requested, the Commission shall not suspend or revoke the license except based upon findings made at such hearing. The hearing shall be conducted in accordance with the provisions of Title 12.1.*

*§ 6.2-1719. Civil penalties.*

*The Commission may impose a civil penalty not exceeding \$2,500 upon any individual required to be*

licensed under this chapter who it determines, in proceedings commenced in accordance with the Commission's Rules, has violated any of the provisions of this chapter or any other law or regulation applicable to the licensee's activities. For the purposes of this section, each separate violation shall be subject to the civil penalty herein prescribed, and each day that an unlicensed individual acts as or holds himself out to the general public as, a mortgage loan originator shall constitute a separate violation.

§ 6.2-1720. Regulations; agreements between Commission and Registry.

A. The Commission shall adopt such regulations as it deems appropriate to effect the purposes of this chapter. Before adopting any such regulations, the Commission shall give reasonable notice of their content and shall afford interested parties an opportunity to present evidence and be heard, in accordance with the Commission's Rules.

B. The Commission shall, to the extent practicable, include in any written memorandum of understanding or other written agreement between the Commission and the Registry provisions substantially similar to the following:

1. Any organization serving as the administrator of the Registry or any officer or employee of any such entity shall implement and maintain an information security program that meets or exceeds federal and state standards pursuant to § 18.2-186.6 and that complies with the regulation guidelines promulgated under the Gramm-Leach-Bliley Act (15 U.S.C. § 6801 et seq.) for safeguarding personal information of mortgage loan originators and applicants;

2. The Registry shall not under any circumstances disclose to any third party any information pertaining to any pending or incompletely adjudicated regulatory matters;

3. The Registry shall develop, as requested by the Commission, a mortgage loan originator licensing test that may be limited to specific products and services;

4. The Registry shall provide to the Commission summary statistical information by March 31 of each year relating to loan originator examinations taken by applicants for a mortgage loan originator license in the Commonwealth during the preceding calendar year;

5. Except as otherwise provided in § 1512 of the Act, the requirements under any federal or state law regarding the privacy or confidentiality of any information or material provided to the Registry, and any privilege arising under federal or state law, including the rules of any federal or state court, with respect to such information or material, shall continue to apply to such information or material after the information or material has been disclosed to the Registry. Such information and material may be shared with all state and federal regulatory officials with mortgage industry oversight authority without the loss of privilege or the loss of confidentiality protections provided by federal or state law; and

6. Information or material that is subject to privilege or confidentiality under § 6.2-101 shall not be subject to: (i) disclosure under any federal or state law governing the disclosure to the public of information held by an officer or an agency of the federal government or the Commonwealth; or (ii) subpoena or discovery, or admission into evidence, in any private civil action or administrative process, unless with respect to any privilege held by the Registry with respect to such information or material, the individual to whom such information or material pertains waives, in whole or in part, in the discretion of such individual, that privilege.

C. Any provision of the laws of the Commonwealth relating to the disclosure of confidential supervisory information or any information or material described in § 6.2-101 that is inconsistent with such provision shall be superseded by the requirements of this chapter.

"Licensee" means a person to whom a license has been issued under this chapter.

"Payday loan" means a small, short-maturity loan on the security of (i) a check, (ii) any form of assignment of an interest in the account of an individual at a depository institution, or (iii) any form of assignment of income payable to an individual, other than loans based on income tax refunds.

*"Principal" means any person who, directly or indirectly, owns or controls (i) 10 percent or more of the outstanding stock of a stock corporation or (ii) a 10 percent or greater interest in a nonstock corporation or a limited liability company.*

*A. No person shall engage in the business of making payday loans to any consumer residing in the Commonwealth, whether or not the person has an office or conducts business at a location in the Commonwealth, except in accordance with the provisions of this chapter and without having first obtained a license under this chapter from the Commission.*

*B. No person shall engage in the business of arranging or brokering payday loans for any consumer residing in the Commonwealth, whether or not the person has an office or conducts business at a location in the Commonwealth.*

*§ 6.2-1802. Applicability.*

*The provisions of this chapter shall not apply to any depository institution that does not elect to become licensed under this chapter. Electing to become licensed under this chapter shall constitute a waiver of the benefit of any and all laws of the Commonwealth and other states and federal laws preemptive of, or inconsistent with, the provisions of this chapter.*

*§ 6.2-1803. Application for license; form; content; fee.*

*A. An application for a license under this chapter shall be made in writing, under oath and on a form provided by the Commissioner.*

*B. The application shall set forth:*

- 1. The name and address of the applicant;*
- 2. If the applicant is a firm or partnership, the name and address of each member of the firm or partnership;*
- 3. If the applicant is a corporation or a limited liability company, the name and address of each officer, director, registered agent, and each principal;*
- 4. The addresses of the locations of the offices to be approved; and*
- 5. Such other information concerning the financial responsibility, background, experience and activities of the applicant and its members, officers, directors, and principals as the Commissioner may require.*

*C. The application shall be accompanied by payment of an application fee of \$500.*

*D. The application fee shall not be refundable in any event. The fee shall not be abated by surrender, suspension, or revocation of the license.*

*§ 6.2-1804. Bond required.*

*The application for a license shall be accompanied by a bond filed with the Commissioner with corporate surety authorized to execute such bond in the Commonwealth, in the sum of \$10,000 per office, not to exceed a total of \$50,000. The form of such bond shall be approved by the Commission. The bond shall be continuously maintained thereafter in full force. The bond shall be conditioned upon the applicant or licensee performing all written agreements with borrowers or prospective borrowers, correctly and accurately accounting for all funds received by him in his licensed business, and conducting his licensed business in conformity with this chapter and all other applicable law. Any person who may be damaged by noncompliance of the licensee with any condition of such bond may proceed on such bond against the principal or surety thereon, or both, to recover damages. The aggregate liability under the bond shall not exceed the penal sum of the bond.*

*§ 6.2-1805. Investigation of applications.*

*The Commissioner may make such investigations as he deems necessary to determine if the applicant has complied with all applicable provisions of law and regulations adopted thereunder.*

*§ 6.2-1806. Qualifications.*

*A. Upon the filing and investigation of an application for a license, and compliance by the applicant with the provisions of §§ 6.2-1803 and 6.2-1804, the Commission shall issue and deliver to the applicant the license applied for to engage in business under this chapter at the offices specified in the application if it finds:*

- 1. That the financial responsibility, character, reputation, experience, and general fitness of the applicant and its members, senior officers, directors, and principals are such as to warrant belief that the business will be operated efficiently and fairly, in the public interest and in accordance with law; and*
- 2. That the applicant has unencumbered liquid assets per office available for the operation of the business of at least \$25,000.*

*B. If the Commission fails to make such findings, no license shall be issued and the Commissioner shall notify the applicant of the denial and the reasons for such denial.*

*§ 6.2-1807. Licenses; places of offices; changes.*

*A. Each license shall:*

- 1. State the address of each approved office at which the business is to be conducted;*
- 2. State fully the name of the licensee; and*
- 3. Be prominently posted in each office of the licensee.*

*B. No licensee shall:*

- 1. Use any name other than the name set forth on the license issued by the Commission; or*
- 2. Open an additional office or relocate any office without prior approval of the Commission.*

*C. Applications for Commission approval to open an additional office or relocate any office shall be made in writing on a form provided by the Commissioner and shall be accompanied by payment of a \$150 nonrefundable application fee. The application shall be approved unless the Commission finds that the applicant does not have the required liquid assets or has not conducted business under this chapter efficiently, fairly, in the public interest, and in accordance with law. The application shall be deemed approved if notice to the contrary has not been mailed by the Commission to the applicant within 30 days of the date the application is received by the Commission. After approval, the applicant shall give written notice to the Commissioner within 10 days of the commencement of business at the additional office or relocated office.*

*D. Every licensee shall within 10 days notify the Commissioner, in writing, of the closing of any office and of the name, address, and position of each new senior officer, member, partner, or director and provide such other information with respect to any such change as the Commissioner may reasonably require.*

*E. Licenses shall:*

- 1. Not be transferable or assignable, by operation of law or otherwise; and*
- 2. Remain in force until they have been surrendered, revoked, or suspended. The surrender, revocation, or suspension of a license shall not affect any preexisting legal right or obligation of the licensee.*

*§ 6.2-1808. Acquisition of control; application.*

*A. Except as provided in this section, no person shall acquire, directly or indirectly, 25 percent or more of the voting shares of a corporation or 25 percent or more of the ownership of any other person licensed to conduct business under this chapter unless such person first:*

*1. Files an application with the Commission in such form as the Commissioner may prescribe from time to time;*

*2. Delivers such other information to the Commissioner as the Commissioner may require concerning the financial responsibility, background, experience, and activities of the applicant, its directors, senior officers, principals and members, and of any proposed new directors, senior officers, principals or members of the licensee; and*

*3. Pays such application fee as the Commission may prescribe.*

*B. Upon the filing and investigation of an application, the Commission shall permit the applicant to acquire the interest in the licensee if it finds that the applicant, its members if applicable, its directors, senior officers and principals, and any proposed new directors, members, senior officers and principals have the financial responsibility, character, reputation, experience and general fitness to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with law. The Commission shall grant or deny the application within 60 days from the date a completed application accompanied by the required fee is filed unless the period is extended by order of the Commissioner reciting the reasons for the extension. If the application is denied, the Commission shall notify the applicant of the denial and the reasons for the denial.*

*C. The provisions of this section shall not apply to (i) the acquisition of an interest in a licensee, directly or indirectly, including an acquisition by merger or consolidation, by or with a person licensed by this chapter, (ii) the acquisition of an interest in a licensee, directly or indirectly, including an acquisition by merger or consolidation, by or with a person affiliated through common ownership with the licensee, or (iii) the acquisition of an interest in a licensee by a person by bequest, descent, survivorship or operation of law. The person acquiring an interest in a licensee in a transaction that is exempt from filing an application by this subsection shall send written notice to the Commissioner of such acquisition within 30 days of its closing.*

*§ 6.2-1809. Retention of books, accounts, and records.*

*Every licensee shall maintain in its approved offices such books, accounts and records as the Commission may reasonably require in order to determine whether such licensee is complying with the provisions of this chapter and regulations adopted in furtherance thereof. Such books, accounts and records shall be maintained apart and separate from any other business in which the licensee is involved. Such records relating to payday loans, including copies of checks given to a licensee as security for such loans, shall be retained for at least three years after final payment is made on any loan.*

*§ 6.2-1810. Payday lending database.*

*A. The Commission shall certify and contract with one or more third parties to develop, implement, and maintain a real-time, Internet-accessible database that contains such payday loan information as the Commission may require from time to time by administrative rule or policy statement. The database shall be operational by January 1, 2009.*

*B. The following provisions shall apply to the database:*

- 1. Before making a payday loan, a licensee shall query the database through a Commission-certified*

database provider and shall retain evidence of the query for the Commission's supervisory review. The database shall allow a licensee to make a payday loan only if making the loan is permissible under the provisions of this chapter. During any period that the database is unavailable due to technical problems beyond the licensee's control, a licensee may rely on the payday loan applicant's written representations, rather than the database's information, to verify that making the loan applied for is permissible under the provisions of this chapter. Because a licensee may rely on the accuracy of the applicant's representations and the database's information, a licensee is not subject to any administrative penalty or civil liability if that information is later determined to be inaccurate.

2. The database provider shall maintain the database, take all actions it deems necessary to protect the confidentiality and security of the information contained in the database, be responsible for the confidentiality and security of such information, and own the information contained in the database. The Commission shall have access to and utilize the database as an enforcement tool to ensure licensees' compliance with the provisions of this chapter.

3. Upon a licensee's query, the database shall advise the licensee whether the applicant is eligible for a new payday loan and, if the applicant is ineligible, the reason for such ineligibility. If the database advises the licensee that the applicant is ineligible for a payday loan, then the applicant shall direct any inquiry regarding the specific reason for such ineligibility to the database provider rather than to the licensee. The information contained in the payday loan database is confidential and exempt from the Freedom of Information Act (§ 2.2-3700 et seq.).

4. If a licensee and borrower consummate a payday loan, then the licensee shall pay a fee to defray the costs of submitting the database inquiry. The amount of the database inquiry fee shall be calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to actual cost of the operation of the database. If a licensee submits a database inquiry but does not consummate a payday loan with the applicant, then the licensee shall not pay the database inquiry fee. Each licensee shall remit all database inquiry fees directly to the database provider on a weekly basis.

5. If a borrower enters into a payday loan or pays or otherwise satisfies a payday loan in full, or if a borrower enters into an extended payment plan as provided in subdivision 26 of § 6.2-1816 or an extended term loan as provided in subdivision 27 of § 6.2-1816, then the licensee making the loan shall report such event or other information to the database not later than the close of business on the date of such event.

#### § 6.2-1811. Annual report.

Each licensee under this chapter shall annually, on or before March 25, file a written report with the Commissioner containing such information as the Commissioner may require concerning his business and operations during the preceding calendar year as to each approved office. Reports shall be made under oath and shall be in the form prescribed by the Commissioner.

#### § 6.2-1812. Other reporting requirements.

A. A licensee shall file a written report with the Commissioner within 15 days following the occurrence of any of the following:

1. The filing of bankruptcy, reorganization or receivership proceedings by or against the licensee;
2. The institution of administrative or regulatory proceedings against the licensee by any governmental authority;
3. Any felony indictments of the licensee or any of its members, partners, directors, officers, or principals;
4. Any felony conviction of the licensee or any of its members, partners, directors, officers, or principals; and
5. Such other event as the Commission may prescribe by regulation.

B. The report shall be in writing and describe the event and its expected impact on the business of the licensee.

#### § 6.2-1813. Investigations; examinations.

The Commission may, as often as it deems necessary, investigate and examine the affairs, business, premises and records of any person licensed or required to be licensed under this chapter or any person who may be violating § 6.2-1801. Examinations of licensees shall be conducted at least once in each three-year period. In the course of such investigations and examinations, the owners, members, officers, directors, partners, and employees of such person being investigated or examined shall, upon demand of the person making such investigation or examination, afford full access to all premises, books, records, and information that the person making such investigation or examination deems necessary. For the foregoing purposes, the person making such investigation or examination shall have authority to administer oaths, examine under oath all the aforementioned persons, and compel the production of papers and objects of all kinds.

#### § 6.2-1814. Annual fees.

A. To defray the costs of examination, supervision and regulation, every licensee shall pay an annual fee calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to the business volume of licensees, the actual costs of their examinations, and to other factors relating to their supervision and regulation. All such fees shall be assessed on or before

September 15 for every calendar year. All such fees shall be paid by the licensee to the State Treasurer on or before October 15 following each assessment.

B. In addition to the annual fee prescribed in subsection A, when it becomes necessary to examine or investigate the books and records of a licensee at a location outside the Commonwealth, the licensee shall be liable for and shall pay to the Commission within 30 days of the presentation of an itemized statement, the actual travel and reasonable living expenses incurred on account of its examination, supervision and regulation, or shall pay at a reasonable per diem rate approved by the Commission.

*§ 6.2-1815. Regulations.*

The Commission shall adopt such regulations as it deems appropriate to effect the purposes of this chapter. Before adopting any such regulation, the Commission shall give reasonable notice of its content and shall afford interested parties an opportunity to be heard, in accordance with the Commission's Rules.

*§ 6.2-1816. Required and prohibited business methods.*

Each licensee shall comply with the following requirements:

1. Each payday loan shall be evidenced by a written loan agreement, which shall be signed by the borrower and a person authorized by the licensee to sign such agreements and dated the same day the loan is made and disbursed. The loan agreement shall set forth, at a minimum: (i) the principal amount of the loan; (ii) the interest and any fee charged; (iii) the annual percentage rate, which shall be stated using that term, applicable to the transaction calculated in accordance with Federal Reserve Board Regulation Z (12 C.F.R. Part 226); (iv) evidence of receipt from the borrower of a check, dated as of the date that the loan is due, as security for the loan, stating the amount of the check; (v) an agreement by the licensee not to present the check for payment or deposit until the date the loan is due, which date shall produce a loan term of at least two times the borrower's pay cycle and after which date interest shall not accrue on the amount advanced at a greater rate than six percent per year; (vi) an agreement by the licensee that the borrower shall have the right to cancel the loan transaction at any time before the close of business on the next business day following the date of the transaction by paying to the licensee, in the form of cash or other good funds instrument, the amount advanced to the borrower; and (vii) an agreement that the borrower shall have the right to prepay the loan prior to maturity by paying the licensee the principal amount advanced and any accrued and unpaid interest, fees, and charges.

2. The licensee shall give a duplicate original of the loan agreement to the borrower at the time of the transaction.

3. A licensee shall not obtain any agreement from the borrower (i) giving the licensee or any third person power of attorney or authority to confess judgment for the borrower; (ii) authorizing the licensee or any third party to bring suit against the borrower in a court outside the Commonwealth; or (iii) waiving any right the borrower has under this chapter.

4. A licensee shall not require or accept more than one check from a borrower as security for any loan.

5. A licensee shall not cause any person to be obligated to the licensee in any capacity at any time in the principal amount of more than \$500.

6. A licensee shall not (i) refinance, renew or extend any payday loan; (ii) make a loan to a person if the loan would cause the person to have more than one payday loan from any licensee outstanding at the same time; (iii) make a loan to a borrower on the same day that a borrower paid or otherwise satisfied in full a previous payday loan; (iv) make a payday loan to a person within 90 days following the date that the person has paid or otherwise satisfied in full a payday loan through an extended payment plan as provided in subdivision 26; (v) make a payday loan to a person within 45 days following the date that the person has paid or otherwise satisfied in full a fifth payday loan made within a period of 180 days as provided in subdivision 27 a; or (vi) make a payday loan to a person within the longer of (a) 90 days following the date that the person has paid or otherwise satisfied in full an extended term loan or (b) 150 days following the date that the person enters into an extended term loan, as provided in subdivision 27 b.

7. A licensee shall not cause a borrower to be obligated upon more than one loan at any time.

8. A check accepted by a licensee as security for any loan shall be dated as of the date the loan is due.

9. Notwithstanding any provision of § 8.01-226.10 to the contrary, a licensee shall not threaten, or cause to be instigated, criminal proceedings against a borrower if a check given as security for a loan is dishonored. In addition to any other remedies available at law, a licensee that knowingly violates this prohibition shall pay the affected borrower a civil monetary penalty equal to three times the amount of the dishonored check.

10. A licensee shall not take an interest in any property other than a check payable to the licensee as security for a loan.

11. A licensee shall not make a loan to a borrower to enable the borrower to pay for any other product or service sold at the licensee's office location.

12. Loan proceeds shall be disbursed in cash or by the licensee's business check. No fee shall be charged by the licensee or an affiliated check casher for cashing a loan proceeds check.

13. A check given as security for a loan shall not be negotiated to a third party.

14. Upon receipt of a check given as security for a loan, the licensee shall stamp the check with an endorsement stating: "This check is being negotiated as part of a payday loan pursuant to Chapter 18 (§ 6.2-1800 et seq.) of Title 6.2 of the Code of Virginia, and any holder of this check takes it subject to all claims and defenses of the maker."

15. Before entering into a payday loan, the licensee shall provide each borrower with a pamphlet, in form consistent with regulations adopted by the Commission, explaining in plain language the rights and responsibilities of the borrower and providing a toll-free number at the Commission for assistance with complaints.

16. Before disbursing funds pursuant to a payday loan, a licensee shall provide a clear and conspicuous printed notice to the borrower indicating that a payday loan is not intended to meet long-term financial needs and that the borrower should use a payday loan only to meet short-term cash needs.

17. A borrower shall be permitted to make partial payments, in increments of not less than \$5, on the loan at any time prior to maturity, without charge. The licensee shall give the borrower signed, dated receipts for each payment made, which shall state the balance due on the loan. Upon repayment of the loan in full, the licensee shall mark the original loan agreement with the word "paid" or "canceled," return it to the borrower, and retain a copy in its records.

18. Each licensee shall conspicuously post in each approved office a schedule of fees and interest charges, with examples using a \$300 loan payable in 14 days and 30 days.

19. Any advertising materials used to promote payday loans that includes the amount of any payment, expressed either as a percentage or dollar amount, or the amount of any finance charge, shall also include a statement of the interest, fees and charges, expressed as an annual percentage rate, payable using as an example a \$300 loan payable in 14 and 30 days.

20. In any print media advertisement, including any web page, used to promote payday loans, the disclosure statements shall be conspicuous. "Conspicuous" shall have the meaning set forth in subdivision (a) (14) of § 59.1-501.2. If a single advertisement consists of multiple pages, folds, or faces, the disclosure requirement applies only to one page, fold, or face. In a television advertisement used to promote payday loans, the visual disclosure legend shall include 20 scan lines in size. In a radio advertisement or advertisement communicated by telephone used to promote payday loans, the disclosure statement shall last at least two seconds and the statement shall be spoken so that its contents may be easily understood.

21. A licensee or affiliate shall not knowingly make a payday loan to a person who is a member of the military services of the United States or the spouse or other dependent of a member of the military services of the United States. Prior to making a payday loan, every licensee or affiliate shall inquire of every prospective borrower if he is a member of the military services of the United States or the spouse or other dependent of a member of the military services of the United States. The loan documents shall include verification that the borrower is not a member of the military services of the United States or the spouse or other dependent of a member of the military services of the United States.

22. In collecting or attempting to collect a payday loan, a licensee shall comply with the restrictions and prohibitions applicable to debt collectors contained in the Fair Debt Collection Practices Act (15 U.S.C. § 1692 et seq.) regarding harassment or abuse, false or misleading misrepresentations, and unfair practices in collections.

23. A licensee may not file or initiate a legal proceeding of any kind against a borrower until 60 days after the date of default on a payday loan, during which period the licensee and borrower may voluntarily enter into a repayment arrangement.

24. A licensee shall not obtain authorization to electronically debit a borrower's deposit account in connection with any payday loan.

25. A licensee may not engage in any unfair, misleading, deceptive, or fraudulent acts or practices in the conduct of its business.

26. A borrower may pay any outstanding payday loan from any licensee by means of an extended payment plan as follows:

a. A borrower shall not be eligible to enter into more than one extended payment plan in any 12-month period.

b. To enter into an extended payment plan with respect to a payday loan, the borrower shall agree in a written and signed document to repay the amount owed in at least four equal installments over an aggregate term of at least 60 days. Interest shall not accrue on the indebtedness during the term of the extended payment plan. The borrower may prepay an extended payment plan in full at any time without penalty. If the borrower fails to pay the amount owed under the extended payment plan when due, then the licensee may immediately accelerate the unpaid loan balance.

c. If the borrower enters into an extended payment plan, then no licensee may make a payday loan to the borrower until a waiting period of 90 days shall have elapsed from the date that the borrower pays or satisfies in full the balance of the loan under the terms of the extended payment plan.

d. At each approved office, the licensee shall post a notice in at least 24-point bold type, in a form

established or approved by the Commission, informing persons that they may be eligible to enter into an extended payment plan.

e. The licensee shall provide oral notice to any borrower who is eligible to enter into an extended payment plan, at the time a payday loan is made, which notice shall inform the borrower of his ability to pay the payday loan by means of an extended payment plan. The information contained in the notice shall be in a form provided by the Bureau.

27. In addition to the other conditions set forth in this chapter, the fifth payday loan that is made to any person within a period of 180 days shall be made only in compliance with, at the option of the borrower, either of the following:

a. The fifth payday loan is made upon the same terms and conditions otherwise applicable to payday loans under the terms of this chapter, except that (i) no licensee may make a payday loan to such borrower during a period of 45 days following the date such fifth payday loan is paid or otherwise satisfied in full and (ii) the borrower may elect, at any time on or before its due date, to repay such fifth payday loan by means of an extended payment plan as provided in subdivision 26 b; or

b. The fifth payday loan is made in the form of an extended term loan. § 6.2-1820. Other business.

No licensee shall conduct the business of making payday loans under this chapter at any office, suite, room, or other place of business where any other business is solicited or conducted except a registered check cashing business or such other business as the Commission determines should be permitted, and subject to such conditions as the Commission deems necessary and in the public interest. No such other business shall be allowed except as permitted by Commission regulation or upon the filing of a written application with the Commission, payment of a \$300 fee, and provision of such information as the Commission may deem pertinent. The Commission shall not, however, permit the sale of insurance or the enrolling of borrowers under group insurance policies.

8. Failure to pay any fee or assessment imposed by this chapter; or
9. Failure to comply with any order of the Commission.

B. For the purposes of this section, acts of any officer, director, member, partner, or principal shall be deemed acts of the licensee.

**§ 6.2-1822. Cease and desist orders.**

If the Commission determines that any person has violated any provision of this chapter or any regulation adopted hereunder, the Commission may, upon 21 days' notice in writing, order such person to cease and desist from such practices and to comply with the provisions of this chapter. The notice shall be sent by certified mail to the principal place of business of such person or other address authorized under § 12.1-19.1 and shall state the grounds for the contemplated action. Within 14 days of mailing the notice, the person named therein may file with the clerk of the Commission a written request for a hearing. If a hearing is requested, the Commission shall not issue a cease and desist order except based upon findings made at such hearing. Such hearing shall be conducted in accordance with the provisions of Title 12.1. The Commission may enforce compliance with any such order issued under this section by imposition and collection of such fines and penalties as may be prescribed by law.

**§ 6.2-1823. Notice of proposed suspension or revocation.**

The Commission shall not revoke or suspend the license of any licensee upon any of the grounds set forth in § 6.2-1821 until it has given the licensee 21 days' notice in writing of the reasons for the proposed revocation or suspension and an opportunity to introduce evidence and be heard. The notice shall be sent by certified mail to the principal place of business of the licensee or other address authorized under § 12.1-19.1 and shall state with particularity the grounds for the contemplated action. Within 14 days of mailing the notice, the person named therein may file with the clerk of the Commission a written request for a hearing. The hearing shall be conducted in accordance with the provisions of Title 12.1.

**§ 6.2-1824. Civil penalties.**

In addition to the authority conferred under §§ 6.2-1821 and 6.2-1822, the Commission may impose a civil penalty not exceeding \$1,000 upon any person who it determines, in proceedings commenced in accordance with the Commission's Rules, has violated any of the provisions of this chapter, the regulations adopted by the Commission pursuant thereto, or any other law or regulation applicable to the conduct of the lender's business. For the purposes of this section, each separate violation shall be subject to the civil penalty herein prescribed, and in the case of a violation of § 6.2-1801, each loan made or arranged shall constitute a separate violation.

**§ 6.2-1825. Criminal penalties.**

Any person violating § 6.2-1801 is guilty of a Class 6 felony. For the purposes of this section, each violation shall constitute a separate offense.

**§ 6.2-1826. Validity of noncompliant loan agreement; private right of action.**

A. If any provision of a written loan agreement violates this chapter, such provision shall be unenforceable against the borrower.

B. Any person who suffers loss by reason of a violation of any provision of this chapter may bring a civil action to enforce such provision. Any person who is successful in such action shall recover reasonable attorney fees, expert witness fees, and court costs incurred by bringing such action.

**§ 6.2-1828. Authority of Attorney General; referral by Commission to Attorney General.**

A. If the Commission determines that a person is in violation of, or has violated, any provision of this chapter, the Commission may refer the information to the Attorney General and may request that the Attorney General investigate such violations. Upon such referral, the Attorney General is authorized to seek to enjoin violations of this chapter. The circuit court having jurisdiction may enjoin such violations notwithstanding the existence of an adequate remedy at law.

B. Upon such referral by the Commission, the Attorney General may also seek, and the circuit court may order or decree, damages and such other relief allowed by law, including restitution to the extent available to borrowers under applicable law. Persons entitled to any relief as authorized by this section shall be identified by order of the court within 180 days from the date of the order permanently enjoining the unlawful act or practice.

**§ 6.2-1829. Violation of the Virginia Consumer Protection Act.**

Any violation of the provisions of this chapter shall constitute a prohibited practice in accordance

with § 59.1-200 and shall be subject to any and all of the enforcement provisions of the Virginia Consumer Protection Act (§ 59.1-196 et seq.).

B. No license under this chapter shall be required of any authorized delegate of a licensee.

##### § 6.2-1902. Scope and construction of chapter.

A. The provisions of this chapter shall not apply to:

1. The United States, or any department, instrumentality or agency thereof;
2. The Commonwealth, or any political subdivision thereof;
3. Any bank, trust company, savings institution, or credit union operating under the laws of the United States or any state or territory thereof, or other person to the extent the person provides money transmission services as an agent of one or more banks, trust companies, savings institutions, or credit unions operating under the laws of the United States or any state or territory thereof; or

4. Any private security services business, licensed under § 9.1-139, that transports or offers to transport money.

B. This chapter shall be construed by the Commission for the purpose of protecting, against financial loss, residents of the Commonwealth who (i) purchase money orders or (ii) give money or control of their funds or credit into the custody of another person for transmission, regardless of whether the money order seller or money transmitter has any office, facility, authorized delegate, or other physical presence in the Commonwealth.

##### § 6.2-1903. Application for license; financial statements; application fee.

A. Applications for a license shall be made on forms furnished by the Commission and shall set forth the name and address of the applicant, which shall be an entity, a description of the manner in which and the locations at which it proposes to do business, and such additional relevant information as the Commission requires.

B. The application shall be accompanied by such audited financial statements as the Commission may require and an application fee of \$1,000. If an application for a license under this chapter is denied, the application fee shall not be refunded. The fee shall not be abated by the expiration, surrender, or revocation of the license.

##### § 6.2-1904. Bond required.

A. The application for a license shall be accompanied by a surety bond satisfactory to the Commission in the principal amount as determined by the Commission. The amount of the bond shall be not less than \$25,000 nor more than \$ 1 million. The bond shall be conditioned as the Commission may require for the benefit of purchasers, payees, and holders of money orders sold by the licensee and its authorized delegates in the Commonwealth, and for the benefit of purchasers of money transmission

services. If any material information provided to the Commission in an application changes during the investigation period, the applicant shall immediately notify the Commission.

B. As an alternative security device and in lieu of the surety bond required by subsection A, a license applicant may deposit with a financial institution designated by such applicant and approved by the Commission for that purpose, cash, stocks and bonds, notes, debentures or other obligations of the United States or any agency or instrumentality thereof, or guaranteed by the United States, or of the Commonwealth, or of a locality or other political subdivision of the Commonwealth, in an aggregate amount, based upon the principal amount or market value, whichever is lower, of not less than the amounts required by the Commission pursuant to subsection A. Such cash or securities shall be deposited and held to secure obligations established in subsection A, but the licensee shall be entitled to (i) receive all interest and dividends thereon and (ii) substitute, with the Commission's prior approval, other securities for those deposited. The Commission may also direct the licensee, for good cause shown, to substitute other securities for those deposited.

C. The security device required by this section shall remain in place for five years after a licensee ceases money order sales or money transmission activities within the Commonwealth. The Commission may permit the security device to be reduced or eliminated prior to that time to the extent the amount of such licensee's money orders and money transmission transactions outstanding in the Commonwealth are reduced. The Commission may also permit any licensee to substitute a letter of credit, or such other form of security device as may be acceptable to the Commission, for the security device in place at the time the licensee ceases money order sales or money transmission activities in the Commonwealth.

§ 6.2-1905. Annual fees; expenses; annual reports; renewal.

A. Each licensee shall pay to the Commission annually on or before September 1 a license renewal fee of \$750. All fees paid pursuant to this chapter shall be paid into the state treasury and credited to the "Financial Institutions Special Fund - State Corporation Commission."

B. In order to defray the costs of their examination and supervision, every licensee under this chapter shall pay an annual assessment calculated in accordance with a schedule set by the Commission. The schedule shall bear a reasonable relationship to the dollar volume of money orders sold and Virginia money transmission business conducted by licensees, either directly or through their authorized delegates, the costs of their examinations, and to other factors relating to their supervision and regulation. All such fees shall be assessed on or before August 1 for every calendar year. All such fees shall be paid by licensees to the State Treasurer on or before September 1 following each assessment.

C. In addition to the annual assessment prescribed in subsection B, when it becomes necessary to examine or investigate the books and records of a licensee at a location outside the Commonwealth, the licensee shall be liable for and shall pay to the Commission within 30 days of the presentation of an itemized statement, the actual travel and reasonable living expenses incurred on account of its examination and supervision, or shall pay a reasonable per diem rate approved by the Commission.

D. Each licensee under this chapter shall annually, on or before April 15, file a written report with the Commissioner along with such information as the Commissioner may require concerning the licensee's business, including audited financial statements. If a licensee is unable to furnish copies of its audited financial statements by April 15, the licensee may request an extension, which may be granted by the Commissioner for good cause shown.

E. Every license shall remain in force until it expires or has been surrendered or revoked. The expiration, surrender, or revocation of a license shall not affect any preexisting legal right or obligation of the licensee.

F. If a license has expired or has been surrendered or revoked, the former licensee shall immediately (i) cease selling money orders and engaging in the money transmission business, and (ii) instruct its authorized delegates to cease selling money orders and accepting funds for transmission on behalf of the licensee. The Commission may grant relief from this subsection for good cause shown.

G. A license issued under this chapter shall expire on September 30 of each year unless it is renewed by a licensee. A licensee may renew its license by complying with the following: (i) paying its license renewal fee in accordance with subsection A; (ii) paying its annual assessment in accordance with subsection B; (iii) filing its annual report and audited financial statements in accordance with subsection D; and (iv) maintaining the minimum net worth specified in subsection B of § 6.2-1906, as evidenced by its audited financial statements. Upon receiving a licensee's renewal fee, annual assessment, and the documents and other information required by this section, the Commissioner shall renew such person's license. If a license has expired, the former licensee may seek reinstatement within three months after the license expiration date. Upon receiving a former licensee's renewal fee, annual assessment, and the documents and other information required by this section, together with payment of a reinstatement fee of \$1,000, the Commissioner shall reinstate such person's license.

§ 6.2-1906. Conditions prerequisite to issuance of license; net worth requirement.

A. The Commission shall not issue a license to an applicant unless it determines that:

1. The applicant will be able to and will perform its obligations to purchasers of money transmission services and purchasers, payees, and holders of money orders sold by it and its authorized delegates in

*the Commonwealth; and*

*2. The financial responsibility, character, reputation, experience, and general fitness of the applicant and its members, senior officers, directors, and principals are such as to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with applicable law and regulations.*

*B. Each licensee shall at all times have a net worth of not less than \$200,000, or a higher amount not to exceed \$1 million as determined by the Commission, calculated in accordance with generally accepted accounting principles. Any person who was licensed under this chapter on July 1, 2009, shall have three years from that date to comply with the minimum net worth requirement of this section, during which period the licensee shall at all times have a net worth of not less than \$100,000, or a higher amount not to exceed \$1 million as determined by the Commission, calculated in accordance with generally accepted accounting principles.*

*§ 6.2-1907. Investigations; license revocation.*

*A. The Commissioner may make such investigations as he deems necessary to determine if the applicant has complied with all applicable provisions of law and regulations adopted thereunder.*

*B. The Commission may revoke a license issued under this chapter:*

*1. If it reasonably determines that (i) a licensee is engaging in one or more unsafe or unsound practices, (ii) a licensee may be unable to perform its obligations, or (iii) a licensee has willfully failed without reasonable cause to pay or provide for the payment of any of its obligations; or*

*2. Upon any of the following grounds:*

*a. Any ground for denial of a license under this chapter;*

*b. Any violation of the provisions of this chapter or regulations adopted by the Commission pursuant thereto, or a violation of any other law or regulation applicable to the conduct of the licensee's business;*

*c. Conviction of a felony or misdemeanor involving fraud, misrepresentation, or deceit;*

*d. Entry of a judgment against such licensee involving fraud, misrepresentation, or deceit;*

*e. Entry of a federal or state administrative order against such licensee for violation of any law or any regulation applicable to the conduct of his business;*

*f. Refusal to permit an investigation or examination by the Commission;*

*g. Failure to pay any fee or assessment imposed by this chapter; or*

*h. Failure to comply with any order of the Commission.*

*§ 6.2-1908. Notice of proposed revocation.*

*The Commission may not revoke a license issued under this chapter upon any of the grounds set forth in § 6.2-1907 until it has given the licensee 21 days' notice in writing of the reasons for the proposed revocation and has given the licensee an opportunity to introduce evidence and be heard. The notice shall be sent by certified mail to the principal place of business of such licensee and shall state with particularity the grounds for the contemplated action. Within 14 days of mailing the notice, the person or persons named therein may file with the clerk of the Commission a written request for a hearing. If a hearing is requested, the Commission shall not revoke the license except based upon findings made at such hearing.*

*§ 6.2-1909. Cease and desist orders.*

*A. If the Commission determines that (i) any person has violated any provision of this chapter or any regulation adopted hereunder or (ii) a licensee is engaging in one or more unsafe or unsound practices, the Commission may, upon 21 days' notice in writing, order such person to cease and desist from such practices and to comply with the provisions of this chapter. The notice shall be sent by certified mail to the principal place of business of such person or other address authorized under § 12.1-19.1 and shall state the grounds for the contemplated action. Within 14 days of mailing the notice, the person or persons named therein may file with the clerk of the Commission a written request for a hearing. The Commission may enforce compliance with any such order issued under this section by imposition and collection of such fines and penalties as may be prescribed by law.*

*B. When, in the opinion of the Commission, immediate action is required to protect the public interest, a cease and desist order may be issued immediately without prior hearing. In such cases, the Commission shall make a hearing available to the person on an expedited basis.*

*C. If required to conserve the assets of a licensee or protect the public interest, the Commission may order a licensee and its authorized delegates to cease and desist from selling additional money orders or receiving additional funds for transmission.*

*D. The Commission shall have jurisdiction to enter and enforce a cease and desist order against any person, regardless of whether such person is present in the Commonwealth, who directly or indirectly (i) sells money orders to citizens of the Commonwealth or (ii) obtains money or control over such citizens' funds for transmission.*

*§ 6.2-1910. Examination of books by Commission; reporting violations.*

*A. The Commission shall have authority to examine the books and records of all money order sellers and money transmitters, either directly or through authorized delegates. Except as provided herein, the Commission shall make an examination of the books and records of each licensee at least once in every*

three-year period, and shall adjust the surety bond or alternative security device as it may deem necessary in accordance with § 6.2-1904. The Commission may also examine the books and records of any authorized delegate of a licensee as often as it is deemed to be in the public interest. Examinations under this section may be conducted in conjunction with examinations to be performed by representatives of agencies of the federal government or another state. The Commission, in lieu of an examination, may accept the examination report of the federal government or another state.

B. Any person designated by the Commission to make examinations pursuant to this section shall have authority to (i) administer oaths, (ii) examine under oath in the course of such examinations, the principals, officers, directors, partners, and employees of any person required to be licensed by this chapter or such person's authorized delegates, and (iii) compel the production of documents.

C. The Commission shall report violations of the licensing requirements of § 6.2-1901 to the attorney for the Commonwealth of the city or county in which such violation occurs.

§ 6.2-1911. Conduct of business through authorized delegates of licensee.

A. A licensee may conduct its business through or by means of such authorized delegates as the licensee may designate or appoint under a written agreement with such authorized delegates. The agreement between a licensee and an authorized delegate shall (i) require the authorized delegate to comply with the provisions of this chapter and all other applicable state and federal laws and regulations; (ii) require the authorized delegate to remit all sums owing to the licensee in accordance with the terms of the written agreement; (iii) require the authorized delegate to permit the Commission to investigate or examine its business pursuant to § 6.2-1910; and (iv) prohibit the authorized delegate from using a subdelegate, or from otherwise designating or appointing another person to sell money orders or engage in money transmission business on behalf of the licensee.

B. A licensee shall conduct a due diligence review of all new authorized delegates. A licensee shall be responsible for implementing and maintaining a reasonable risk-based supervision program to monitor its authorized delegates.

§ 6.2-1912. Liability of licensee for payment of money order; money order to bear name of licensee.

A. A licensee shall be liable for the payment of all funds collected for transmission by the licensee or its authorized delegates and all money orders which it sells, in whatever form and whether directly or through an authorized delegate, as the maker or drawer thereof according to the negotiable instrument laws of the Commonwealth. A licensee who sells a money order, whether directly or through an authorized delegate, upon which he is not designated as maker or drawer shall nevertheless have the same liabilities with respect thereto as if he had signed the money order as the maker or drawer thereof.

B. Every money order sold by a licensee, whether directly or through an authorized delegate, shall bear the name of the licensee clearly imprinted thereon as it appears on its license.

§ 6.2-1913. Regulations.

The Commission may adopt such regulations as it deems appropriate to effect the purposes of this chapter. Before adopting any such regulation, the Commission shall give reasonable notice of its content and shall afford interested parties an opportunity to be heard, in accordance with the Commission's Rules.

§ 6.2-1914. Acquisition of control; application.

A. Except as provided in this section, no person shall acquire directly or indirectly 25 percent or more of the voting shares of a corporation or 25 percent or more of the ownership of any other entity licensed to conduct business under this chapter unless such person first:

1. Files an application with the Commission in such form as the Commission may prescribe from time to time;

2. Delivers such information as the Commission may require concerning the financial responsibility, background, experience, and activities of the applicant, its directors, senior officers, principals, and members, and of any proposed new directors, senior officers, principals, or members of the licensee; and

3. Pays such application fee as the Commission may prescribe.

B. If any material information provided to the Commission in an application changes during the investigation period, the applicant shall immediately notify the Commission.

C. Upon the filing and investigation of an application, the Commission shall permit the applicant to acquire the interest in the licensee if it finds that the applicant, its members if applicable, its directors, senior officers, and principals, and any proposed new directors, members, senior officers, and principals have the financial responsibility, character, reputation, experience, and general fitness to warrant belief that the business will be operated efficiently and fairly, in the public interest, and in accordance with the applicable laws and regulations. The Commission shall grant or deny the application within 90 days from the date a completed application, accompanied by the required fee, is filed unless the period is extended by the Commission. If the application is denied, the Commission shall notify the applicant of the denial and the reasons for the denial.

D. The provisions of this section shall not apply to the acquisition of an interest in a licensee directly or indirectly by merger, consolidation, or otherwise, (i) by or with a person licensed under this

chapter, (ii) by or with a person affiliated through common ownership with the licensee, or (iii) by bequest, descent, survivorship, or by operation of law. The person acquiring an interest in a licensee in a transaction which is exempt from filing an application by this subsection shall send written notice to the Commission of such acquisition within 30 days after its closing.

E. If any person acquires an ownership interest in a licensee without obtaining prior approval from the Commission as required by this section, the Commission may for good cause shown order such person to divest himself or itself of such ownership interest.

The notice shall be sent by certified mail to such person and shall state with particularity the grounds for the contemplated action. Within 14 days of mailing the notice, the person named therein may file with the clerk of the Commission a written request for a hearing. If a hearing is requested, the Commission shall not require divestiture except based upon findings made at such hearing.

§ 6.2-1916. Retention of books, accounts, and records.

A licensee shall furnish copies of its policies and procedures, as amended, to all of its authorized delegates.

§ 6.2-1917. Other reporting requirements.

A. A licensee or other person shall file a report with the Commission within 15 days after the licensee or other person becomes aware of any material changes in information previously provided in an application filed under § 6.2-1903 or 6.2-1914. This requirement shall be applicable only to material changes that occur within one year after the date the licensee begins business or the acquisition is consummated.

B. A licensee shall file with the Commission no later than 45 days after the end of each fiscal quarter its quarterly financial statements along with a current list of all authorized delegates and locations in the Commonwealth where the licensee or an authorized delegate of the licensee sells money orders or receives money for transmission. The licensee shall state the name, street address, and telephone number of each location and authorized delegate.

§ 6.2-1918. Maintenance of permissible investments.

A. § 36-55.33:1. Mortgage loan terms and conditions.

A. All mortgage loans made by HDA pursuant to § 36-55.31 of this chapter shall be subject to the following terms and conditions:

1. The ratio of mortgage loan principal amount to total housing development costs and the amortization period of any mortgage loans made by HDA which are federally insured mortgages, in whole or in part, or which are otherwise assisted or aided, directly or indirectly, by the federal government, shall be governed by the rules and regulations provided in or pursuant to the federal government program under which the HDA mortgage loan or part thereof is insured, guaranteed, assisted or aided; but in no event shall such amortization period exceed 50 years.

2. A mortgage loan made by HDA may be prepaid to maturity after a period of years, and on such terms and conditions, as are determined by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan.

3. HDA shall have authority to establish and modify from time to time the interest rates at which it shall make mortgage loans and commitments therefor. Such interest rates shall be established by HDA in its sole discretion at the lowest level consistent with HDA's cost of operation and its responsibilities to the holders of its bonds, bond anticipation notes and other obligations. In addition to such interest charges, HDA may make and collect such fees and charges, including but not limited to reimbursement of HDA's financing costs, service charges, insurance premiums and mortgage insurance premiums, as HDA determines to be reasonable. No person shall, by way of defense or otherwise, avail himself of any of the provisions of Chapter ~~7-2~~ 3 (§ ~~6.1-330.47~~ 6.2-300 et seq.) of Title ~~6-1~~ 6.2 to avoid or defeat the payment of any interest or fee which he shall have contracted to pay on any loan or forbearance of money made, directly or indirectly, or assisted in any manner by HDA under or pursuant to this chapter.

B. Mortgage loans made by HDA to housing sponsors to finance the ownership and operation of

housing developments and multifamily residential housing intended for occupancy by persons and families of low and moderate income, pursuant to subdivision (10) of § 36-55.31, shall be subject to the following terms and conditions in addition to those contained in subsection A of this section:

1. The amount disbursed with respect to an HDA mortgage loan to a limited profit housing sponsor shall not exceed 95 percent of the total housing development costs and to a nonprofit housing sponsor shall not exceed 100 percent of the total housing development costs. Subsequent to the disbursement of such amount, additional amounts may be from time to time disbursed if the sum of the amount to be so disbursed and the then outstanding principal balance of the HDA mortgage loan does not exceed 95 percent of the market value of the housing development or residential housing as then determined by the Authority. The amortization period of such an HDA mortgage loan shall be as determined by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan; but in no event shall such amortization period exceed 50 years.

2. The instrument evidencing any such HDA mortgage loan and the mortgage securing any such HDA mortgage loan shall be in such form and contain such terms and conditions as shall be prescribed or approved by HDA. The aforesaid mortgage and instrument evidencing an HDA mortgage loan may contain exculpatory provisions relieving the housing sponsor or its principal or principals from personal liability if deemed desirable by HDA.

3. With respect to any such HDA mortgage loan made to a limited profit housing sponsor, HDA may require that such limited profit housing sponsor not make distributions in any one year with respect to the housing development or multifamily residential housing financed by such HDA mortgage loan in excess of such percentage of such limited profit housing sponsor's equity in the housing development or multifamily residential housing as may be determined by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan. None of the partners, principals, stockholders or holders of a beneficial interest in such limited profit housing sponsor shall earn, accept or receive a return in any one year with respect to the housing development or multifamily residential housing financed by such HDA mortgage loan greater than his applicable proportion of any such percentage of such limited profit housing sponsor's equity in the housing development or multifamily residential housing as may be determined by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan. The right to any such limited distribution or return may be cumulative to the extent provided by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan. For the purpose of this section, the terms "distribution" and "return" are intended to mean payments on account of the housing development or multifamily residential housing financed by such HDA mortgage loan resulting from the operation thereof. Any payment to a person or entity who is a partner, principal, stockholder or holder of a beneficial interest in such limited profit housing sponsor shall not be deemed a "distribution" or "return" to such person or entity if the funds with which such payment is made are funds paid or contributed to such limited profit housing sponsor by persons or entities purchasing a beneficial interest in such limited profit housing sponsor. At or after the completion of construction, rehabilitation or improvement of the housing development or multifamily residential housing financed by such HDA mortgage loan, such limited profit housing sponsor's equity in the housing development or multifamily residential housing shall be established in the manner provided by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan. Such equity shall be determined by HDA, at its option, as either (i) the difference between the total housing development costs as to the housing development or multifamily residential housing and the final principal amount of such HDA mortgage loan, or (ii) the difference between the fair market value of such housing development and the final principal amount of such HDA mortgage loan. HDA may thereafter from time to time adjust such equity to be equal to the difference, as of the date of adjustment, between the fair market value of such housing development and the outstanding principal balance of such HDA mortgage loan. HDA may review and regulate a proposed retirement of any capital investment in, or redemption of any stock of, such limited profit housing sponsor in the manner provided by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan.

4. With respect to any such HDA mortgage loan, HDA may require the housing sponsor and other parties related to the housing development or multifamily residential housing financed by such HDA mortgage loan to execute such agreements, assurances, guarantees and certifications as HDA shall determine to be necessary including, without limitation, agreements between HDA and such housing sponsor and its partners, principals or stockholders to limitations established by HDA as to rentals and other charges, profits, fees, the use and disposition of the real property constituting the site of or relating to the housing development or multifamily residential housing and other property of such housing sponsor, and the use and disposition of franchises of such housing sponsor to the extent more restrictive limitations are not provided by the law under which such housing sponsor is incorporated or organized.

5. As a condition of any such HDA mortgage loan, HDA shall have the power to supervise the housing sponsor in accordance with the provisions of § 36-55.34:1 at all times during which such HDA mortgage loan is outstanding and thereafter as necessary to preserve the federal tax exemption of the notes or bonds issued by HDA to finance such HDA mortgage loan.

C. Mortgage loans made by HDA to persons and families of low and moderate income to finance the purchase or refinancing of single-family residential housing, pursuant to subdivision (11) of § 36-55.31, shall be subject to the following terms and conditions in addition to those contained in subsection A of this section:

1. The amount disbursed with respect to such HDA mortgage loan shall not exceed 100 percent of the sales price or market value of the single-family residential housing, as determined or approved by or on behalf of HDA. HDA may also disburse additional amounts to finance such closing costs and fees as it may deem necessary or appropriate, and all such disbursements and financings of closing costs and fees subsequent to the enactment of this chapter are hereby validated. The amortization period of such an HDA mortgage loan shall be as determined by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan; but in no event shall such amortization period exceed 50 years. If during the term of the HDA mortgage loan (i) the outstanding principal balance of the HDA mortgage loan is expected to increase to an amount in excess of the original principal balance or (ii) the amount of monthly payments on the HDA mortgage loan will or may be adjusted, HDA shall so notify the applicants prior to the execution of the HDA mortgage loan. Such notice shall describe the terms and conditions under which the outstanding principal balance or the amount of monthly payments, or both, may be so increased or adjusted, and such notice shall be signed by the applicants.

2. Such an HDA mortgage loan shall be made only after a determination that such a mortgage loan is not otherwise available from private lenders upon reasonably equivalent terms and conditions, and the HDA resolution authorizing, or commitment for, such mortgage loan shall contain such a determination.

3. The instrument evidencing any such HDA mortgage loan and the mortgage securing any such HDA mortgage loan shall be in such form and contain such terms and conditions as shall be prescribed or approved by HDA. With respect to any such HDA mortgage loan, HDA may require the person or family of low or moderate income to execute such agreements, assurances, guarantees and certifications as HDA shall determine to be necessary including, without limitation, agreements between HDA and such person or family of low or moderate income relating to the use, occupancy, maintenance and sale of the single-family residential housing financed by such HDA mortgage loan and the payment, prepayment and assignment of such HDA mortgage loan.

D. Mortgage loans made by HDA to housing sponsors or persons or families of low or moderate income to finance the construction, rehabilitation, preservation or improvement of housing developments or residential housing intended, upon completion of such construction, rehabilitation, preservation or improvement, for ownership or occupancy by persons and families of low and moderate income, pursuant to subdivision (12) of § 36-55.31 of this chapter, shall be subject to the following terms and conditions in addition to those contained in subsection A of this section:

1. The amount disbursed with respect to such an HDA mortgage loan to a limited profit housing sponsor shall not exceed 95 percent of the total housing development costs and to a nonprofit housing sponsor or a person or family of low or moderate income shall not exceed 100 percent of the total housing development costs. Subsequent to the disbursement of such amount, additional amounts may be from time to time disbursed if the sum of the amount to be so disbursed and the then outstanding principal balance of the HDA mortgage loan does not exceed 95 percent of the market value of the housing development or residential housing as then determined by the Authority. Without regard as to whether HDA intends to remain the lender in respect to such mortgage loan throughout the amortization period thereof, the amortization period of such an HDA mortgage loan shall be as determined by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan.

2. In considering any application for such an HDA mortgage loan, HDA shall give first priority to applications relating to housing developments or residential housing which are or will be well-planned and well-designed, and also shall give consideration to:

- a. The comparative need for housing for persons and families of low and moderate income in the area proposed to be served by the housing development or residential housing;
- b. The ability of the applicant to construct, rehabilitate or improve and market or operate, manage and maintain the housing development or residential housing;
- c. The existence of zoning or other regulations to protect adequately the housing development or residential housing against detrimental future uses which could cause undue depreciation in the value of the housing development or residential housing;
- d. The availability of adequate parks, recreational areas, utilities, schools, transportation and parking; and
- e. The existence of statewide housing plans.

3. With respect to any such HDA mortgage loan, HDA may require the housing sponsor, person or family of low or moderate income, contractors, architects, marketing agents, management agents and other parties related to the housing development or residential housing financed by such HDA mortgage loan to execute such agreements, assurances, guarantees and certifications as HDA shall determine to be necessary including, without limitation, agreements between HDA and such housing sponsor and its

partners, principals or stockholders or such person or family of low or moderate income to limitations established by HDA as to rentals and other charges, profits, fees, the use and disposition of the real property constituting the site of or relating to the housing development or residential housing and other property of such housing sponsor, and the use and disposition of franchises of such housing sponsor to the extent more restrictive limitations are not provided by the law under which such housing sponsor is incorporated or organized. HDA shall require the housing sponsor or person or family of low or moderate income receiving such HDA mortgage loan, or the construction contractor, or both, to furnish such assurances of completion of the construction, rehabilitation or improvement as determined by HDA in its rules and regulations or in the HDA resolution authorizing, or commitment for, such mortgage loan.

4. As a condition of any such HDA mortgage loan to a housing sponsor, HDA shall have the power to supervise such housing sponsor in accordance with the provisions of § 36-55.34:1 at all times during which such HDA mortgage loan is outstanding and thereafter as necessary to preserve the federal tax exemption of the notes or bonds issued by HDA to finance such HDA mortgage loan.

5. With respect to any such HDA mortgage loan, the provisions of subdivisions 2 and 3 of subsection B of this section shall be applicable.

E. Mortgage loans made by HDA pursuant to subdivision 13 of § 36-55.31 to finance the construction, rehabilitation, preservation or improvement, or ownership and operation, of economically mixed projects or portions thereof and, if any such project is within a revitalization area designated in or pursuant to § 36-55.30:2, any nonhousing buildings that are incidental to such project or are determined by such governing body of the city or county to be necessary or appropriate for the revitalization of such area or for the industrial, commercial or other economic development of such area shall be subject to the following terms and conditions in addition to those contained in subsection A of this section:

1. The principal amount of such an HDA mortgage loan shall not exceed 95 percent of the total housing development costs, and the amortization period of such an HDA mortgage loan shall be as determined by HDA in its rules and regulations or in the HDA resolution authorizing, or in the commitment for, such mortgage loan; but in no event shall such amortization period exceed 50 years.

2. Such an HDA mortgage loan shall be made only if the provisions of § 36-55.30:2 are satisfied.

3. The instrument evidencing any such HDA mortgage loan and the mortgage securing any such HDA mortgage loan shall be in such form and contain such terms and conditions as shall be prescribed or approved by HDA. The aforesaid mortgage and instrument evidencing an HDA mortgage loan may contain exculpatory provisions relieving a housing sponsor, if any, or its principal or principals from personal liability if deemed desirable by HDA.

4. The nonhousing buildings shall be financed by such an HDA mortgage loan only if the HDA shall receive a certification from the housing sponsor that a mortgage loan for the financing of such nonhousing buildings is not otherwise available from private lenders upon reasonably equivalent terms and conditions.

A. A person shall not act in the capacity of a settlement agent, and a lender, seller, purchaser or borrower may not contract with any person to act in the capacity of a settlement agent, with respect to real estate settlements in the Commonwealth unless the person has not been convicted of a felony, unless such person has had his civil rights restored by the Governor or been granted a writ of actual innocence, and is either:

2. Licensed as a title insurance company under Title 38.2;

Any person described in subdivisions 1 through 6, not acting in the capacity of a settlement agent, shall not be subject to the provisions of this chapter.

B. Notwithstanding any rule of court to the contrary, a settlement agent operating in compliance with the requirements of this chapter or a party to the real estate transaction may provide escrow, closing, or settlement services and receive compensation for such services.

§ 55-525.13. Duties of settlement agents.

A. A settlement agent shall exercise reasonable care and comply with all applicable requirements of this chapter and its licensing authority regarding licensing, financial responsibility, errors and omissions or malpractice insurance policies, fidelity bonds, employee dishonesty insurance policies, audits, escrow account analyses and record retention.

B. A settlement agent who is not (i) a person described in subdivision A 5 of § 55-525.12 or (ii) a title insurance company as defined in § 38.2-4601 shall maintain the following to the satisfaction of the appropriate licensing authority:

1. An errors and omissions or malpractice insurance policy providing a minimum of \$250,000 in

coverage;

2. A blanket fidelity bond or employee dishonesty insurance policy covering persons employed by the settlement agent providing a minimum of \$100,000 in coverage. 3. A surety bond of not less than \$200,000.

C. A settlement agent, other than an attorney or a title insurance company if such company's financial statements are audited annually by an independent certified public accountant, shall, at its expense, have an audit of its escrow accounts conducted by an independent certified public accountant at least once each consecutive 12-month period. The appropriate licensing authority shall require the settlement agent to provide a copy of its audit report to the licensing authority no later than 60 days after the date on which the audit is completed. A settlement agent that is a licensed title insurance agent under Title 38.2 shall also provide a copy of the audit report to each title insurance company that it represents. In lieu of such annual audit, a settlement agent that is licensed as a title insurance agent under Title 38.2 shall allow each title insurance company for which it has an appointment to conduct an analysis of its escrow accounts in accordance with regulations adopted by the Commission or guidelines issued by the Bureau of Insurance of the Commission, as appropriate, at least once each consecutive 12-month period, and each title insurance company conducting such analysis shall submit a copy of its analysis report to the appropriate licensing authority no later than 60 days after the date on which the analysis is completed. With the consent of the title insurance agent, a title insurance company may share the results of its analysis with other title insurance companies that will accept the same in lieu of conducting a separate analysis. A title insurance company shall retain a copy of the analysis or audit report, as applicable, for each title insurance agent it has appointed and such reports and other records of the insurance company's activities as a settlement agent shall be made available to the appropriate licensing authority when examinations are conducted pursuant to provisions in Title 38.2.

§ 55-525.14. Persons prohibited from assisting or being employed by settlement agents.

B. A settlement agent shall not employ a person who has been convicted of a felony involving fraud, deceit, or misrepresentation in an administrative or clerical capacity that involves the receipt or disbursement of funds from real estate settlements in the Commonwealth.

§ 55-525.15. Choice of settlement agent.

A purchaser or borrower in a transaction related to real estate in the Commonwealth shall have the right to select the settlement agent to provide escrow, closing, or settlement services in connection with the transaction. The seller in such a transaction may not require the use of a particular settlement agent as a condition of the sale of the property.

§ 55-525.16. Disclosure.

All contracts involving the purchase of real estate containing not more than four residential dwelling units shall include, in bold face, and in at least 10-point type, the following language:

"Choice of Settlement Agent: Chapter 27.2 of Title 55 of the Code of Virginia provides that the purchaser or borrower has the right to select the settlement agent to handle the closing of this transaction. The settlement agent's role in closing this transaction involves the coordination of numerous administrative and clerical functions relating to the collection of documents and the collection and disbursement of funds required to carry out the terms of the contract between the parties. If part of the purchase price is financed, the lender for the purchaser will instruct the settlement agent as to the signing and recording of loan documents and the disbursement of loan proceeds. No settlement agent can provide legal advice to any party to the transaction except a settlement agent who is engaged in the private practice of law in Virginia and who has been retained or engaged by a party to the transaction for the purpose of providing legal services to that party.

"Variation by agreement: The provisions of Chapter 27.2 of Title 55 of the Code of Virginia may not be varied by agreement, and rights conferred by this chapter may not be waived. The seller may not require the use of a particular settlement agent as a condition of the sale of the property.

"Escrow, closing, and settlement service guidelines: The Virginia State Bar issues guidelines to help settlement agents avoid and prevent the unauthorized practice of law in connection with furnishing escrow, settlement or closing services. As a party to a real estate transaction, the purchaser or borrower is entitled to receive a copy of these guidelines from his settlement agent, upon request, in accordance with the provisions of Chapter 27.2 of Title 55 of the Code of Virginia."

§ 55-525.17. Conditions for providing escrow, closing, or settlement services and for maintaining escrow accounts.

A. All funds deposited with the settlement agent in connection with an escrow, settlement, or closing shall be handled in a fiduciary capacity and submitted for collection to or deposited in a separate fiduciary trust account or accounts in a financial institution licensed to do business in the

*Commonwealth no later than the close of the second business day, in accordance with the following requirements:*

*1. The funds shall be the property of the person or persons entitled to them under the provisions of the escrow, settlement, or closing agreement and shall be segregated for each depository by escrow, settlement, or closing in the records of the settlement agent in a manner that permits the funds to be identified on an individual basis; and*

*2. The funds shall be applied only in accordance with the terms of the individual instructions or agreements under which the funds were accepted.*

*B. Funds held in an escrow account shall be disbursed only pursuant to a written instruction or agreement specifying how and to whom such funds may be disbursed. Funds payable to persons other than the settlement agent shall be disbursed in accordance with § 55-525.4, except:*

Such title insurance premiums payable to title insurers and agents may be (i) held in the settlement agent's settlement escrow account, identified and itemized by file name or file number, as a file with a balance; (ii) disbursed in the form of a check drawn upon the settlement escrow account payable to the title insurer or agent but maintained within the settlement file of the settlement agent; or (iii) transferred within two business days into a separate title insurance premium escrow account, which account shall be identified as such and be separate from the business or personal funds of the settlement agent. These transferred title insurance premium funds shall be itemized and identified within the separate title insurance premium escrow account. All title insurance premiums payable to title insurers by title insurance agents serving as settlement agents shall be paid in the ordinary course of business as required by subsection A of § 38.2-1813; and*

*2. Escrows held by the settlement agent pursuant to written instruction or agreement. A settlement statement that has been signed by the seller and the purchaser or borrower shall be deemed sufficient to satisfy the requirement of this subsection.*

*C. A settlement agent may not retain any interest received on funds deposited in connection with any escrow, settlement, or closing. An attorney settlement agent shall maintain escrow accounts in accordance with applicable rules of the Virginia State Bar and the Supreme Court of Virginia.*

*D. Nothing in this chapter shall be deemed to prohibit the recording of documents prior to the time funds are available for disbursement with respect to a transaction, provided all parties consent to such recordation.*

*E. All settlement statements for transactions related to real estate governed by this chapter shall be in writing and identify, by name and business address, the settlement agent.*

*F. Nothing in this section is intended to amend, alter or supersede other sections of this chapter, or the laws of the Commonwealth or the United States, regarding the duties and obligations of the settlement agent in maintaining escrow accounts.*

*§ 55-525.18. Falsifying settlement statements prohibited.*

*No settlement agent shall intentionally make any materially false or misleading statement or entry on a settlement statement. An estimate of charges made in good faith by a settlement agent, and indicated as such on the settlement statement, shall not be deemed to be a violation of this section.*

*§ 55-525.19. Separate charge for reporting transactions limited.*

*No settlement agent shall charge any party to a real estate transaction, as a separate item on a settlement statement, a sum exceeding \$10 for complying with any requirement imposed on the settlement agent by § 58.1-316 or 58.1-317.*

*§ 55-525.20. Record retention requirements.*

*The settlement agent shall maintain sufficient records of its affairs so that the appropriate licensing authority may adequately ensure that the settlement agent is in compliance with all provisions of this chapter. The settlement agent shall retain records pertaining to each settlement handled for a minimum of five years after the settlement is completed. The appropriate licensing authority may prescribe the specific record entries and documents to be kept.*

*§ 55-525.21. Regulations and orders.*

*Except as provided in § 55-525.23, the appropriate licensing authority may issue summonses, subpoenas, rules, regulations, and orders, including educational requirements, consistent with and necessary to carry out the provisions of this chapter.*

*§ 55-525.22. Accounting by title insurance companies.*

*A title insurance company domiciled in the Commonwealth or acting in the capacity of a settlement agent pursuant to this chapter shall account for funds held and income derived from escrow, closing, or settlement services in accordance with the applicable instructions of, and the accounting practices and procedures manuals adopted by, the Association when filing the annual statements and reports required under Chapter 13 (§ 38.2-1300 et seq.) of Title 38.2.*

*§ 55-525.23. Settlement agent registration requirements and compliance with unauthorized practice of law guidelines.*

*A. Every settlement agent subject to the provisions of this chapter shall be registered as such with the appropriate licensing authority. In conjunction therewith, settlement agents shall furnish (i) their*

names, business addresses, and telephone numbers and (ii) such other information as may be required. Each such registration (a) shall be accompanied by a fee not to exceed \$100, and (b) shall be renewed at least biennially thereafter. When the registration of a settlement agent is renewed, the appropriate authority shall notify the registrant of the provisions of § 17.1-223.

B. The Virginia State Bar, in consultation with the Commission and the Virginia Real Estate Board, shall adopt regulations establishing guidelines for settlement agents designed to assist them in avoiding and preventing the unauthorized practice of law in conjunction with providing escrow, closing, and settlement services. Such guidelines shall be furnished by the appropriate licensing authority to (i) each settlement agent at the time of registration and any renewal thereof, (ii) state and federal agencies that regulate financial institutions, and (iii) members of the general public upon request. Such guidelines shall also be furnished by settlement agents to any party to a real estate transaction in which such agents are providing escrow, closing, or settlement services, upon request.

C. The Virginia State Bar shall receive complaints concerning settlement agent or financial institution noncompliance with the guidelines established pursuant to subsection B and shall (i) investigate the same to the extent they concern the unauthorized practice of law or any other matter within its jurisdiction, and (ii) refer all other matters or allegations to the appropriate licensing authority. The willful failure of any settlement agent to comply with the guidelines shall be considered a violation of this chapter, and such agent shall be subject to a penalty of up to \$5,000 for each such failure as the Virginia State Bar may determine.

§ 55-525.24. Penalties and liabilities.

A. If the appropriate licensing authority determines that the settlement agent licensed by it or any of its other licensees has violated this chapter, or any regulation or order adopted thereunder, after notice and opportunity to be heard, the appropriate licensing authority may do one or more of the following:

1. Impose a penalty not exceeding \$5,000 for each violation;
2. Revoke or suspend the applicable licenses;
3. Issue a restraining order requiring such person to cease and desist from engaging in such act or practice; or
4. Require restitution to be made by the person violating this chapter in the amount of any actual, direct financial loss.

B. The appropriate licensing authority may terminate administratively the registration of any settlement agent if the settlement agent (i) no longer holds a license, (ii) fails to renew its registration, or (iii) fails to comply with the financial responsibility requirements set forth in § 55-525.13.

C. In addition to the authority given in subsection A, and pursuant to § 12.1-13, the Commission, after determining that any person who does not hold a license from the appropriate licensing authority has violated this chapter or any regulation or order adopted thereunder, may do one or more of the following:

1. Impose a penalty not exceeding \$5,000 for each violation;
2. Issue a temporary or permanent injunction, or restraining order requiring such person to cease and desist from engaging in such act or practice; or
3. Require restitution to be made by the person violating this chapter in the amount of any actual, direct financial loss.

D. Nothing in this section shall affect the right of the appropriate licensing authority to impose any other penalties provided by law or regulation. Notwithstanding any provision contained in this section to the contrary, as to that portion of any complaint by a party to the real estate transaction arising under this chapter or any regulation or order adopted thereunder relating to the unauthorized practice of law, the Virginia State Bar, after complying with applicable law and regulation relating to unauthorized practice of law complaints and concluding the activity was not authorized by statute or regulation, may refer that portion of such complaint to the Attorney General or an Attorney for the Commonwealth. The Attorney General or Attorney for the Commonwealth may, in addition to any other powers conferred on him by law, seek the issuance of a temporary or permanent injunction or restraining order against any person so violating this chapter or any regulation or order adopted thereunder.

E. A final order of the licensing authority imposing a penalty or ordering restitution may be recorded, enforced, and satisfied as orders or decrees of a circuit court upon certification of such order by the licensing authority.

§ 55-525.25. Confidentiality of information obtained by the Commission.
