**Be it enacted by the General Assembly of Virginia:**

**1. That § 51.1-1121 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 9.1-401.1 as follows:**

*§ 9.1-401.1. Supplemental short-term disability benefit for state police officers.*

*A state police officer who is a participating employee, as defined in § 51.1-1100, and who incurs a work-related injury in the line of duty, shall receive supplemental short-term disability coverage, pursuant to § 51.1-1121, that provides income replacement for 100 percent of the officer's creditable compensation for the time, up to one calendar year, that the officer is disabled, without regard to the officer's number of months of state service. Except as provided in this section with regard to the rate of income replacement and the duration of supplemental short-term disability coverage, such state police officers shall be eligible for work-related, supplemental short-term disability benefits upon the same terms and conditions that apply to other participating employees pursuant to Article 4 (§ 51.1-1119 et seq.) of Chapter 11 of Title 51.1. Upon the expiration of the one-calendar-year period, such state police officers shall be eligible for supplemental long-term disability benefits as provided in § 51.1-1123.*

*§ 51.1-1121. Supplemental short-term disability benefit.*

*A. Payments of supplemental short-term disability benefits payable under this article shall be reduced by an amount equal to any benefits paid to the employee under the Act, or which the employee is entitled to receive under the Act, excluding any payments for medical, legal or rehabilitation expenses.*

*B. Supplemental short-term disability benefits for participating employees shall commence upon the expiration of a seven-calendar-day waiting period. The waiting period shall commence the first day of a disability. If an employee returns to work for one day or less during the seven calendar days following the commencement of a disability but cannot continue to work, the periods worked shall not be considered to have interrupted the seven-calendar-day waiting period. Additionally, the seven-calendar-day waiting period shall not be considered to be interrupted if the employee works twenty hours or less during the waiting period. Short-term disability benefits payable as the result of a catastrophic disability or major chronic condition shall not require a waiting period.*

*C. Except as provided in subsection E and §§ 9.1-401.1 and § 51.1-1131, supplemental short-term disability coverage shall provide income replacement for a percentage of a participating employee's creditable compensation during the period specified below that an employee is disabled or takes periodic absences due to a major chronic condition, as determined by the Board or its designee, based on the number of months of state service as an eligible employee, as follows:*

	Work days of 100% replacement	Work days of 80% replacement	Work days of 60% replacement
Months of state service	of creditable compensation	of creditable compensation	of creditable compensation
Less than 60	65	25	35
60 to 119	85	25	15
120 or more	85	40	0

*D. Creditable compensation during periods an employee receives supplemental short-term disability benefits shall include salary increases awarded during the period of short-term disability coverage.*

*E. An employee's disability credits may be used, on a day for day basis, to extend the period an employee receives supplemental short-term disability benefits paid at 100 percent of replacement of creditable compensation.*

*F. Supplemental short-term disability benefits shall be payable only during periods of (i) total disability, (ii) partial disability as determined by the Board or its designee, or (iii) periodic absences due to a major chronic condition as defined by the Board or its designee.*
