Summary: Psychiatric treatment of minors; Revises the Psychiatric Inpatient Treatment of Minors Act in order to create a stand alone juvenile commitment act that will be titled the Psychiatric Treatment of Minors Act and to eliminate various cross references to the adult commitment statutes in Title 37.2. The bill incorporates various provisions from the adult commitment statutes, including provisions regarding the transportation of persons in the commitment process, the preparation of preadmission screening reports, and the process for emergency custody and temporary detention orders, into the Act.
