5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 28.2-1207 of the Code of Virginia is amended and reenacted as follows:**

8 § 28.2-1207. Authority to approve permits for encroachment on subaqueous beds; notice.

9 A. Any application for a permit to trespass upon or over or encroach upon subaqueous beds which
10 are the Commonwealth's property may be approved by the Commissioner or his authorized
11 representative if the application meets the requirements of §§ 28.2-1205 and 28.2-1206 and the following
12 criteria are satisfied:

13 1. The total value of the project does not exceed ~~\$50,000~~ \$500,000;

14 2. The application is not protested by any citizen or objected to by any state agency; and

15 3. The project for which the permit is sought will not require any other permit from the Commission.

16 B. If the permit application is for a shore erosion control project recommended by the soil and water
17 conservation district in which the project is to be located and the criteria listed in subsection A of this
18 section are satisfied, the Commission may, after giving notice of the application to the Virginia Institute
19 of Marine Science, approve the application without giving notice to or awaiting the approval of any
20 other state agency.

21 C. The Commission shall, in conjunction with affected state and federal agencies, develop an
22 expedited process for issuing general permits for activities that are intended to improve water quality
23 such as bioengineered streambank projects and livestock stream crossings, and for activities required
24 during emergencies in which a determination has been made that there is a threat to public or private
25 property, or to the health and safety of the public. The development of the general permit shall be
26 exempt from Article 2 (§ 2.2-4007 et seq.) of the Administrative Process Act.
