Such records shall be electronically available to any law-enforcement officer as provided for under clause (ii) of subdivision B 9.

§ 46.2-844. Passing stopped school buses; penalty; prima facie evidence.

The driver of a motor vehicle approaching from any direction a clearly marked school bus which is stopped on any highway, private road or school driveway for the purpose of taking on or discharging children, the elderly, or mentally or physically handicapped persons, who, in violation of § 46.2-859, fails to stop and remain stopped until all such persons are clear of the highway, private road or school driveway, is subject to a civil penalty of \$250 and any prosecution shall be instituted and conducted in the same manner as prosecutions for traffic infractions.

A prosecution or proceeding under § 46.2-859 or 46.2-844.1 is a bar to a prosecution or proceeding under this section for the same act and a prosecution or proceeding under this section is a bar to a prosecution or proceeding under § 46.2-859 or 46.2-844.1 for the same act.

In any prosecution for which a summons charging a violation of this section was issued within ten days of the alleged violation, proof that the motor vehicle described in the summons was operated in violation of this section, together with proof that the defendant was at the time of such violation the registered owner of the vehicle, as required by Chapter 6 (§ 46.2-600 et seq.) of this title shall give rise to a rebuttable presumption that the registered owner of the vehicle was the person who operated the vehicle at the place where, and for the time during which, the violation occurred.

The testimony of the school bus driver, the supervisor of school buses or a law-enforcement officer that the vehicle was yellow, conspicuously marked as a school bus, and equipped with warning devices as prescribed in § 46.2-1090 is prima facie evidence that the vehicle is a school bus.

§ 46.2-844.1. *Passing stopped school buses; video-monitoring system.*

A. *As used in this section, unless the context requires a different meaning:*

*"Owner" means the registered owner of such vehicle on record with the Department.*

*"Video-monitoring system" means a system with one or more camera sensors and computers that produce live digital and recorded video of motor vehicles being operated in violation of this section. All systems installed for use under this section shall, at a minimum, produce a live visual image viewable remotely, a recorded image of the license plate, and be able to record the time, date, and location of the vehicle.*

B. *A local school division may install and operate a video-monitoring system on school buses in order to detect drivers who operate a vehicle in a manner that is prohibited under § 46.2-859 provided that a warning sign indicating the use of such system is posted on such buses during operation.*

A private entity that operates a video-monitoring system may, on behalf of a local school division, enter into an agreement with the Department, in accordance with the provisions of subdivision B 28 of § 46.2-208, to obtain vehicle owner information regarding the registered owners of vehicles that are operated in a manner that is prohibited under § 46.2-859. A private entity may enter into an agreement with a local school division to be compensated for providing a video-monitoring system and any related support service, including administration, consulting, and operations. No local school division shall enter into an agreement for compensation based on the number of summons issued or civil penalties imposed.

C. A person is subject to a civil penalty of \$250, payable to the applicable local school division, which shall exclude all applicable court costs and any administrative fees, if he is found, as evidenced by information obtained from a video-monitoring system, to have operated a vehicle in a manner that is prohibited under § 46.2-859; however, imposition of such civil penalty shall not be (i) deemed a conviction as an operator; (ii) made part of the operating record of the person upon whom such liability is imposed; or (iii) used for insurance purposes in the provision of motor vehicle insurance coverage. A prosecution or proceeding under § 46.2-844 or 46.2-859 is a bar to a prosecution or proceeding under this section for the same act and a prosecution or proceeding under this section is a bar to a prosecution or proceeding under § 46.2-844 or 46.2-859 for the same act.

A certificate sworn to or affirmed only by a law-enforcement officer employed by a locality embraced by the school division authorized to impose penalties pursuant to this section based upon inspection of photographs, microphotographs, videotape, or other recorded images produced by a video-monitoring system, shall be prima facie evidence of the facts contained therein.

There is a rebuttable presumption that the person who operated a vehicle in a manner that is prohibited under § 46.2-859 is the person who owned, leased, or rented the vehicle at the time of such conduct. Such presumption shall be rebutted if (a) the owner, lessee, or renter of the vehicle files an

305 affidavit by regular mail with the clerk of the general district court that he was not the operator of the  
306 vehicle at the time of the alleged violation; (b) the owner, lessee, or renter of the vehicle testifies in  
307 open court under oath that he was not the operator of the vehicle at the time of the alleged violation;  
308 or (c) a certified copy of a police report, showing that the vehicle had been reported to the police as  
309 stolen prior to the time of the alleged violation of this section, is presented prior to the return date  
310 established on the summons to the court adjudicating the alleged violation.

311 D. Notwithstanding the provisions of § 19.2-76, a summons for a violation of this section may be  
312 executed by mailing via first-class mail a copy thereof to the owner, lessee, or renter of the vehicle. In  
313 the case of a vehicle owner, the copy shall be mailed to the address contained in the records of the  
314 Department; in the case of a vehicle lessee or renter, the copy shall be mailed to the address contained  
315 in the records of the lessor or renter. Every such mailing shall include, in addition to the summons, a  
316 notice of (i) the summoned person's ability to rebut the presumption that he was the operator of the  
317 vehicle at the time of the violation through the filing of an affidavit as provided in subsection C and (ii)  
318 instructions for filing such affidavit, including the address to which the affidavit is to be sent. If the  
319 summoned person fails to appear on the date of return set out in the summons mailed pursuant to this  
320 section, the summons shall be executed in the manner set out in § 19.2-76.3. No proceedings for  
321 contempt or arrest of a person summoned by mailing shall be instituted for failure to appear on the  
322 return date of the summons. Any summons executed pursuant to this section shall provide to the person  
323 summoned at least 30 business days from the mailing of the summons to inspect information collected  
324 by a video-monitoring system in connection with the violation.

325 E. Information collected by a video-monitoring system installed and operated pursuant to subsection  
326 B shall be limited exclusively to that information that is necessary for the enforcement of violations of  
327 this section. Information provided to the operator of a video-monitoring system shall be protected in a  
328 database with security comparable to that of the Department's system, and used only for enforcement  
329 against individuals who violate the provisions of this section. Notwithstanding any other provision of  
330 law, all photographs, microphotographs, electronic images, or other personal information collected by a  
331 video-monitoring system shall be used exclusively for enforcing violations of this section and shall not  
332 (i) be open to the public; (ii) be sold or used for sales, solicitation, or marketing purposes; (iii) be  
333 disclosed to any other entity except as may be necessary for the enforcement of a violation of this  
334 section or to a vehicle owner or operator as part of a challenge to the violation; or (iv) be used in a  
335 court in a pending action or proceeding unless the action or proceeding relates to a violation of  
336 § 46.2-844 upon order from a court of competent jurisdiction. Information collected under this section  
337 pertaining to a specific violation shall be purged and not retained later than 60 days after the collection  
338 of any civil penalties. If a local school division does not execute a summons for a violation of this  
339 section within 10 business days, all information collected pertaining to that suspected violation shall be  
340 purged within two business days. Any local school division operating a video-monitoring system shall  
341 annually certify compliance with this section and make all records pertaining to such system available  
342 for inspection and audit by the Commonwealth Transportation Commissioner or the Commissioner of  
343 the Department of Motor Vehicles or his designee. Any person who discloses personal information in  
344 violation of the provisions of this subsection shall be subject to a civil penalty of \$1,000 per disclosure.  
345 Any unauthorized use or disclosure of such personal information shall be grounds for termination of the  
346 agreement between the Department and the private entity.
