The grants under this section (i) shall be paid, subject to appropriation by the

60 General Assembly, from a fund entitled the Advanced Shipbuilding Training Facility Fund, which Fund
61 is hereby established on the books of the Comptroller; (ii) shall not exceed \$25 million in the aggregate;
62 (iii) shall be paid to a qualified shipbuilder during each fiscal year contingent upon the qualified
63 shipbuilder meeting the requirements for the aggregate of (a) number of new full-time jobs created and
64 the substantial retention of the same, (b) maintenance of base training expenses, and (c) amount of the
65 capital investment made and substantially retained, as set forth in the memorandum of understanding;
66 and (iv) shall be expended by the qualified shipbuilder on training costs or to pay the capital or lease
67 cost of any new training facility to provide that training.

68 1. The amount of the grant to be paid in each fiscal year shall be conditional upon the qualified
69 shipbuilder meeting the requirements for (i) the aggregate number of new full-time jobs created and the
70 substantial retention of the same throughout the calendar year that immediately precedes the beginning
71 of such fiscal year; (ii) the aggregate amount of the capital investment made and substantially retained
72 as of the last day of the calendar year that immediately precedes the beginning of such fiscal year; and
73 (iii) ~~the expenditure of base training expenses as set forth in the memorandum of understanding entered~~
74 ~~into on or before June 30, 2009~~ *maintaining a level of expenditures directly or indirectly supporting*
75 *training activities, which level is at least equal to the base training expense.* If the qualified shipbuilder
76 has not fully met the grant requirements by December 31, 2011, the period of eligibility may be
77 extended for up to three years, provided that the grants in any given fiscal year shall not exceed \$5
78 million, plus any amounts deferred in accordance with subsection C or D. Grants shall be paid based
79 upon such requirements as agreed to on or before ~~June 30, 2009~~ *August 31, 2011*, regardless if such
80 memorandum of understanding is later modified, amended, superseded, or otherwise changed;

81 2. The aggregate amount of grants that may be awarded in a particular fiscal year shall not exceed
82 the following:

- 83 a. \$5 million for the Commonwealth's fiscal year beginning July 1, 2012;

92 3. Grants provided by this section shall not exceed \$25 million in the aggregate or the aggregate
93 total of training costs expended by a qualified shipbuilder during the period, whichever is less.

94 C. Any qualified shipbuilder applying for a grant under this section shall provide evidence,
95 satisfactory to the Secretary, of (i) the aggregate number of new full-time jobs created and the
96 substantial retention of the same throughout the calendar year that immediately precedes the beginning
97 of the fiscal year in which the grant is to be paid; (ii) the aggregate amount of the capital investment
98 made and substantially retained as of the last day of the calendar year that immediately precedes the

104 investments. Failure to meet the filing deadline shall result in a deferral of a scheduled grant payment
105 set forth in subsection B. For filings by mail, the postmark cancellation shall govern the date of the
106 filing determination.

107 D. The memorandum of understanding may provide that if a grant payment has been deferred for
108 any reason, including the initial failure to meet the aggregate capital investment or the aggregate new
109 full-time job requirements or the aggregate base training expenses set forth in the memorandum of
110 understanding or the occurrence of any substantial reduction in such new full-time job requirements or
111 capital investment requirements after such requirements have been met but before the grant payment has
112 been made, payment in a subsequent fiscal year for which such requirements have been met for the
113 immediately preceding calendar year shall include both the deferred payment and the scheduled grant
114 payment as provided in subsection B or that a proportional payment, based on the proportional share of
115 the required additional full-time jobs, be made.

116 E. As a condition of receipt of a grant, a qualified shipbuilder shall make available to the Secretary
117 or his designee for inspection upon his request relevant and applicable documents to determine whether
118 the qualified shipbuilder has met the requirements for the receipt of grants as set forth in this section
119 and subject to the memorandum of understanding. The Comptroller shall not draw any warrants to issue
120 checks for the grant program under this section without a specific appropriation for the same. All such
121 documents appropriately identified by the qualified shipbuilder shall be considered confidential and

122 proprietary.

123 *F. An eligible city shall be eligible to receive a grant from the Advanced Shipbuilding Training*
124 *Facility Fund established under subsection B each fiscal year beginning with the Commonwealth's fiscal*
125 *year starting on July 1, 2012. The grants under this subsection may be paid to the eligible city subject*

128 *facility for use by the qualified shipbuilder and the qualified shipbuilder will use the new training*
129 *facility during the grant period; (ii) the new training facility is part of a development plan approved by*
130 *the eligible city and the qualified shipbuilder that includes additional private capital investment adjacent*
131 *to the new training facility that is equal to or greater than the cost of the facility; and (iii) in the event*
132 *that the qualified shipbuilder receives use of the new training facility as contemplated hereunder, the*
133 *qualified shipbuilder waives its right to apply for grants under subsection B. Grants to an eligible city*
134 *may be used only for the construction, lease, or lease-purchase of the new training facility, including*
135 *related debt service or repayment of any loans whose proceeds are used for such costs. The*
136 *memorandum of understanding may provide for a total amount of grants under this subsection of not*
137 *more than \$42 million and for a period of eligibility of up to ten years, unless such time frame is*
138 *extended in accordance with subsection C or D, and may provide for a contractual agreement for*
139 *payments by the Commonwealth. At the conclusion of the grant period, the qualified shipbuilder shall*
140 *have the right to assume ownership of the new training facility.*

141 **2. That Chapters 798 and 850 of the Acts of Assembly of 2009 are amended by adding a fifth**

153 *The Governor shall include in the Budget Bill he submits to the General Assembly in 2011*
154 *pursuant to § 2.2-1509 of the Code of Virginia all appropriations necessary to fulfill the*
