§ 25.1-204. Effort to purchase required; prerequisite to effort to purchase or filing certificate.

In no event shall such amount be less than the state agency's approved appraisal of the fair market value of such property, if such an appraisal is required. Any decrease or increase in the fair market value of real property prior to the date of valuation caused by the public improvement for which such property is acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner, shall be disregarded in determining the compensation for the property. The state agency concerned shall provide the owner of real property to be acquired with a written statement of, and summary of the basis for, the amount it established as just compensation, together with a copy of the agency's approved appraisal of the fair market value of such property upon which the agency has based the amount offered for the property; if such an appraisal is required and, if an appraisal is required or obtained, such written statement and summary shall include a complete copy of all appraisals of the real property to be acquired that the state agency obtained prior to making an offer to acquire or initiating negotiations for the real property. Where appropriate, the just compensation for the real property acquired and for damages to remaining real property shall be separately stated.

2. No owner shall be required to surrender possession of real property before the state agency pays the agreed purchase price, or deposits with the state court in accordance with applicable law, for the benefit of the owner, (i) an amount not less than the state agency's approved appraisal of the fair market value of such property, if such an appraisal is required, or (ii) the amount of the award of compensation in the condemnation proceeding for such property.

In addition to amounts otherwise authorized by this article, a state agency shall make a payment to or for any displaced person displaced from any dwelling not eligible to receive a payment under § 25.1-409 which dwelling was actually and lawfully occupied by such displaced person for not less than 90 days immediately prior to (i) the initiation of negotiations for acquisition of the dwelling or (ii) if the displacement is not a direct result of acquisition, such other event as the *state* agency shall prescribe. Such payment shall consist of the amount necessary to enable such displaced person to lease or rent, for a period not to exceed 42 months, a comparable replacement dwelling, but not to exceed \$5,250. At the discretion of the *state* agency, a payment under this subsection may be made in periodic installments. B. The state agency shall ensure that the relocation assistance advisory services described in subsection C are made available to all persons displaced by ~~such~~ the state agency. If the state agency determines that any person occupying property immediately adjacent to the real property acquired is caused substantial economic injury because of the acquisition, it may offer such person relocation advisory services under such program.

C. Each relocation assistance advisory program required by subsections A and B shall include such measures, facilities, or services as may be necessary or appropriate in order to:

1. Determine, and make timely recommendations on, the need and preferences, if any, of displaced persons for relocation assistance;

2. Provide current and continuing information on the availability, sales prices, and rental charges of comparable replacement dwellings for displaced homeowners and tenants and suitable locations for businesses and farm operations;

A. If a program or project undertaken by a state agency cannot proceed to actual construction on a timely basis because comparable replacement dwellings are not available, and the state agency determines that such dwellings cannot otherwise be made available, ~~such~~ the state agency may take such action as is necessary or appropriate to provide such dwellings by use of funds authorized for such project. The state agency may use this section to exceed the maximum amounts that may be paid under §§ 25.1-409 and 25.1-410 on a case-by-case basis for good cause as determined in accordance with such regulations as the state agency shall issue.

B. No person shall be required to move from his dwelling on account of any project, unless the head of the state agency is satisfied that comparable replacement housing is available to such person.

§ 25.1-417. General provisions for conduct of acquisition.

A. If a state agency acquires real property in connection with any programs or projects, such acquisition shall be conducted, to the greatest extent practicable, in accordance with the following provisions:

1. The state agency shall make every reasonable effort to acquire expeditiously real property by negotiation.

2. Real property shall be appraised before the initiation of negotiations, and the owner or his designated representative shall be given an opportunity to accompany the appraiser during his inspection of the property; however, the requirements of this subdivision shall not apply if the state agency's official who is responsible for the acquisition determines that the value of the property being acquired is less than \$10,000, based on assessment records or other objective evidence.

3. Before *making an offer to acquire or initiating any related* negotiations for real property, the state agency shall establish an amount which it believes to be just compensation therefor and shall make a prompt offer to acquire the property for the full amount so established. In no event shall such amount be less than the *state* agency's approved appraisal of the fair market value of such property, if such an appraisal is required. Any decrease or increase in the fair market value of real property prior to the date of valuation caused by the public improvement for which such property is acquired, or by the likelihood that the property would be acquired for such improvement, other than that due to physical deterioration within the reasonable control of the owner, shall be disregarded in determining the compensation for the property. The *state* agency concerned shall provide the owner of real property to be acquired with a written statement of, and summary of the basis for, the amount it established as just compensation; together with a copy of the agency's approved appraisal of the fair market value of such property upon which the agency has based the amount offered for the property, if such an appraisal is required and, if an appraisal is required or obtained, such written statement and summary shall include a complete copy of all appraisals of the real property to be acquired that the state agency obtained prior to making an offer to acquire or initiating any related negotiations for the real property. Where appropriate, the just compensation for the real property acquired and for damages to remaining real property shall be separately stated.

4. No owner shall be required to surrender possession of real property before the state agency pays the agreed purchase price, or deposits with the state court in accordance with applicable law, for the benefit of the owner, (i) an amount not less than the *state* agency's approved appraisal of the fair market value of such property, if such an appraisal is required, or (ii) the amount of the award of compensation in the condemnation proceeding for such property.

5. The construction or development of a public improvement shall be so scheduled that, to the greatest extent practicable, no person lawfully occupying real property shall be required to move from a dwelling, assuming a replacement dwelling will be available, or to move his business or farm operation, without at least 90-days' written notice from the state agency, of the date by which such move is required.

6. If the state agency permits an owner or tenant to occupy the real property acquired on a rental basis for a short term for a period subject to termination by the state agency on a short notice, the amount of rent required shall not exceed the fair rental value of the property to a short-term occupier.

7. In no event shall the state agency either advance the time of condemnation, or defer negotiations or condemnation and the deposit of funds in court for the use of the owner, or take any other action coercive in nature, in order to compel an agreement on the price to be paid for the property.

8. If any interest in real property is to be acquired by exercise of the power of eminent domain, the state agency shall institute formal condemnation proceedings. No state agency shall intentionally make it necessary for an owner to institute legal proceedings to prove the fact of the taking of his real property.

9. If the acquisition of only part of a property would leave its owner with an uneconomic remnant, the *state* agency concerned shall offer to acquire the entire property.

10. A person whose real property is being acquired in accordance with this article may, after the person has been fully informed of his right to receive just compensation for such property, donate such property, and part thereof, any interest therein, or any compensation paid therefor to a state agency, as such person shall determine.

B. The provisions of this section create no rights or liabilities and shall not affect the validity of any property acquisitions by purchase or condemnation.

2. That the provisions of this act shall not apply to the acquisition of real property by a railroad, public service corporation, municipal corporation, local governmental unit, or political subdivision of the Commonwealth or any department, agency, or instrumentality thereof, or two or more of the aforementioned, that is (i) the subject of a certificate recorded prior to July 1, 2011, in the clerk's office where deeds are recorded; (ii) the subject of a petition for condemnation filed prior to July 1, 2011; or (iii) required to construct a project funded by bonds approved for issuance by a locality prior to July 1, 2011.
