

1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 15.2-915.4 of the Code of Virginia, relating to localities regulation of*
3 *pneumatic guns.*

4
5 Approved

[S 757]

6 **Be it enacted by the General Assembly of Virginia:**

7 **1. That § 15.2-915.4 of the Code of Virginia is amended and reenacted as follows:**

8 § 15.2-915.4. Counties, cities and towns authorized to regulate use of pneumatic guns.

9 A. A locality may prohibit, by ordinance, the shooting of pneumatic guns in any areas of the locality
10 that are in the opinion of the governing body so heavily populated as to make such conduct dangerous
11 to the inhabitants thereof, and may require supervision by a parent, guardian, or other adult supervisor
12 approved by a parent or guardian of any minor below the age of 16 in all uses of pneumatic guns on
13 private or public property. The ordinance may specify that minors above the age of 16 may, with the
14 written consent of a parent or guardian, use a pneumatic gun at any place designated for such use by the
15 local governing body or on private property with the consent of the owner. The ordinance may specify
16 that any minor, whether permitted by a parent or guardian to use a pneumatic gun or not, shall be
17 responsible for obeying all laws, regulations and restrictions governing such use. Any penalty for a
18 pneumatic gun offense set forth in such an ordinance shall not exceed a Class 3 misdemeanor.

19 B. No such ordinance authorized by subsection A shall prohibit the use of pneumatic guns at
20 facilities approved for shooting ranges or, on other property where firearms may be discharged, or on or
21 within private property with permission of the owner or legal possessor thereof when conducted with
22 reasonable care to prevent a projectile from crossing the bounds of the property.

23 C. Training of minors in the use of pneumatic guns shall be done only under direct supervision of a
24 parent, guardian, Junior Reserve Officers Training Corps instructor, or a certified instructor. Training of
25 minors above the age of 16 may also be done without direct supervision if approved by the minor's
26 instructor, with the permission of and under the responsibility of a parent or guardian, and in compliance
27 with all requirements of this section. Ranges and instructors may be certified by the National Rifle
28 Association, a state or federal agency that has developed a certification program, any service of the
29 Department of Defense, or any person authorized by these authorities to certify ranges and instructors.

30 D. Commercial or private areas designated for use of pneumatic paintball guns may be established
31 and operated for recreational use. Equipment designed to protect the face and ears shall be provided to
32 participants at such recreational areas, and signs must be posted to warn against entry into the paintball
33 area by persons who are unprotected or unaware that paintball guns are in use.

34 E. As used in this section, "pneumatic gun" means any implement, designed as a gun, that will expel
35 a BB or a pellet by action of pneumatic pressure. "Pneumatic gun" includes a paintball gun that expels
36 by action of pneumatic pressure plastic balls filled with paint for the purpose of marking the point of
37 impact.

38 **2. That any ordinance enacted by a locality prior to the enactment of subsection B of § 15.2-915.4**
39 **of the Code of Virginia shall be null and void.**
