A BILL to amend and reenact §§ 24.2-442, 24.2-443.3, 24.2-612, 24.2-643, 24.2-701, 24.2-702.1, 24.2-703, and 24.2-706 of the Code of Virginia, relating to elections; absentee voting by members of uniformed services and overseas citizens; identification for certain first-time voters.

Be it enacted by the General Assembly of Virginia:

1. That §§ 24.2-442, 24.2-443.3, 24.2-612, 24.2-643, 24.2-701, 24.2-702.1, 24.2-703, and 24.2-706 of the Code of Virginia are amended and reenacted as follows:

§ 24.2-442. When registration permitted; lapse of registration.

Registration under this article shall be permitted until the registration records are closed pursuant to § 24.2-416 and shall be valid for all elections for which the voter is eligible through the end of the federal election cycle in which the voter submits his application or for 365 days either the next November general election or federal general election, whichever is longer later. After such period, registration under this article shall no longer be valid. If an official reply to the application or an absentee ballot sent to the applicant is returned as undeliverable, no other ballots for subsequent elections shall be sent under that application. No ballot shall be sent to the applicant, and no voted ballot received from the applicant shall be valid, (i) for any election held after the voter has notified the registrar that the voter no longer wishes to be registered or (ii) after the registrar has received notification that the voter has registered to vote in another state.

§ 24.2-443.3. When registration permitted.

Registration under this article shall be permitted until the registration records are closed pursuant to § 24.2-416 and shall be valid for all elections for which the voter is eligible through the end of the federal election cycle in which the voter submits his application or for 365 days either the next November general election or federal general election, whichever is longer later. If an official reply to the application or an absentee ballot sent to the applicant is returned as undeliverable, no other ballots for subsequent elections shall be sent under that application. No ballot shall be sent to the applicant, and no voted ballot received from the applicant shall be valid, (i) for any election held after the voter has notified the registrar that the voter no longer wishes to be registered or (ii) after the registrar has received notification that the voter has registered to vote in another state.

§ 24.2-612. List of offices and candidates filed with State Board and checked for accuracy; when ballots printed; number required.

Immediately after the expiration of the time provided by law for a candidate for any office to qualify to have his name printed on the official ballot and prior to printing the ballots for an election, each electoral board shall forward to the State Board a list of the county, city, or town offices to be filled at the election and the names of all candidates who have filed for each office. In addition, each electoral board shall forward the name of any candidate who failed to qualify with the reason for his disqualification. The State Board shall promptly advise the electoral board of the accuracy of the list. The failure of any electoral board to send the list to the State Board for verification shall not invalidate any election.

Each electoral board shall have printed the number of ballots it determines will be sufficient to conduct the election.

Notwithstanding any other provisions of this title, the State Board may print or otherwise provide (i) one statewide paper ballot style for each paper ballot style in use for presidential and vice-presidential electors for use only by persons eligible to vote for those offices only under § 24.2-402 or clause (iii) or (v) of subsection B of § 24.2-416.1, (ii) one statewide paper ballot style for each paper ballot style in use for Governor, Lieutenant Governor or Attorney General only for use as the early absentee ballot specified in § 24.2-702, and (iii) single paper ballot styles for each ballot style in use for each congressional district for federal offices for use only by overseas voters eligible to vote in federal elections only pursuant to Article 7 (§ 24.2-440 et seq.) of Chapter 4 of this title. The State Board may apportion or authorize the printer or vendor to apportion the costs for these ballots among the localities based on the number of ballots ordered. Any printer employed by the State Board shall execute the statement required by § 24.2-616. The State Board shall designate a representative to be present at the printing of such ballots and deliver them to the appropriate electoral boards pursuant to § 24.2-617. Upon receipt of such paper ballots, the electoral board shall affix its seal. Thereafter, such ballots shall be handled and accounted for, and the votes counted as the State Board shall specifically direct.

The electoral board shall make printed ballots available for absentee voting not later than 45 days

prior to any election *or within three business days of the receipt of a properly completed absentee ballot application, whichever is later.* In the case of a special election, excluding for federal offices, if time is insufficient to meet the applicable deadline established herein, then the electoral board shall make printed ballots available as soon after the deadline as possible. For the purposes of this chapter, making printed ballots available includes mailing of such ballots or electronic transmission of such ballots pursuant to § 24.2-706 to a qualified absentee voter who is eligible for an absentee ballot under subdivision 2 of § 24.2-700. Not later than five days after absentee ballots are made available, each electoral board shall report to the State Board, in writing on a form approved by the State Board, whether it has complied with the applicable deadline.

Only the names of candidates for offices to be voted on in a particular election district shall be printed on the ballots for that election district.

The electoral boards shall send to the State Board a statement of the number of paper ballots ordered to be printed, proofs of each paper and voting equipment ballot for verification, and copies of each final ballot. If the State Board finds that, in its opinion, the number of ballots ordered to be printed by any local electoral board is not sufficient, it may direct the local board to order the printing of a reasonable number of additional ballots.

§ 24.2-643. Qualified voter permitted to vote; procedures at polling place; voter identification.

A. After the polls are open, each qualified voter at a precinct shall be permitted to vote. The officers of election shall ascertain that a person offering to vote is a qualified voter before admitting him to the voting booth and furnishing an official ballot to him.

B. An officer of election shall ask the voter for his full name and current residence address and repeat, in a voice audible to party and candidate representatives present, the full name and address stated by the voter. The officer shall ask the voter to present any one of the following forms of identification: his Commonwealth of Virginia voter registration card, his social security card, his valid Virginia driver's license, or any other identification card issued by a government agency of the Commonwealth, one of its political subdivisions, or the United States; or any valid employee identification card containing a photograph of the voter and issued by an employer of the voter in the ordinary course of the employer's business.

If the voter's name is found on the pollbook, if he presents one of the forms of identification listed above, if he is qualified to vote in the election, and if no objection is made, an officer shall enter, opposite the voter's name on the pollbook, the first or next consecutive number from the voter count form provided by the State Board, or shall enter that the voter has voted if the pollbook is in electronic form; an officer shall provide the voter with the official ballot; and another officer shall admit him to the voting booth. Each voter whose name has been marked on the pollbooks as present to vote and entitled to a ballot shall remain in the presence of the officers of election in the polling place until he has voted. If a line of voters who have been marked on the pollbooks as present to vote forms to await entry to the voting booths, the line shall not be permitted to extend outside of the room containing the voting booths and shall remain under observation by the officers of election.

Except as provided in subsection E of this section, if a voter is entitled to vote except that he is unable to present one of the forms of identification listed above, he shall be allowed to vote after signing a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter who he claims to be. A voter who requires assistance in voting by reason of physical disability or inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in completing this statement.

A voter may be accompanied into the voting booth by his child age 15 or younger.

C. If the current residence address stated by the voter is different from the address shown on the pollbook, the officer of election shall furnish the voter with a change of address form prescribed by the State Board. Upon its completion, the voter shall sign the prescribed form, subject to felony penalties for making false statements pursuant to § 24.2-1016, which the officer of election shall then place in an envelope provided for such forms for transmission to the general registrar who shall then transfer or cancel the registration of such voter pursuant to Chapter 4 (§ 24.2-400 et seq.) of this title.

D. At the time the voter is asked his full name and current residence address, the officer of election shall ask any voter for whom the pollbook indicates that an identification number other than a social security number is recorded on the Virginia voter registration system if he presently has a social security number. If the voter is able to provide his social security number, he shall be furnished with a voter registration form prescribed by the State Board to update his registration information. Upon its completion, the form shall be placed by the officer of election in an envelope provided for such forms for transmission to the general registrar. Any social security numbers so provided shall be entered by the general registrar in the voter's record on the voter registration system.

E. For federal elections held after January 1, 2004, this subsection shall apply in the case of any

voter who is required by subparagraph (b) of 42 U.S.C.S. § 15483 of the Help America Vote Act of 2002 to show identification the first time the voter votes in a federal election in the state. At such election, such voter shall present: (i) a current and valid photo identification; or (ii) a copy of a current utility bill, bank statement, government check, paycheck or other *government* document that shows the name and address of the voter. Such individual who desires to vote in person but who does not show one of the forms of identification specified in this paragraph shall be offered a provisional ballot under the provisions of § 24.2-653. Neither the identification requirements of subsection B of this section, nor the identification requirements of subsection A of § 24.2-653, shall apply to such voter at that election. The State Board of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

§ 24.2-701. Application for absentee ballot.

A. The State Board shall furnish each general registrar with a sufficient number of applications for official absentee ballots. The registrars shall furnish applications to persons requesting them.

The State Board shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election, or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

Any application received before the ballots are printed shall be held and processed as soon as the printed ballots for the election are available.

For the purposes of this chapter, the general registrar's office shall be open a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all general elections, except May general elections held in towns, and on the Saturday immediately preceding any primary election, May general election held in a town, or special election.

Unless the applicant is disabled, all applications for absentee ballots shall be signed by the applicant who shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the application are true and correct and that he has not and will not vote in the election at any other place in Virginia or in any other state. If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

B. Applications for absentee ballots shall be completed in the following manner:

1. An application completed in person shall be made not less than three days prior to the election in which the applicant offers to vote and completed only in the office of the general registrar. The applicant shall sign the application in the presence of a registrar or a member of the electoral board. The applicant shall provide one of the forms of identification specified in subsection B of § 24.2-643, or if he is unable to present one of the forms of identification listed in that section, he shall sign a statement, subject to felony penalties for making false statements pursuant to § 24.2-1016, that he is the named registered voter who he claims to be. An applicant who requires assistance in voting by reason of disability or inability to read or write may request assistance pursuant to § 24.2-649 and be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding persons who are unable to sign shall be followed when assisting an applicant in completing this statement.

For federal elections held after January 1, 2004, this paragraph shall apply in the case of any voter who is required by subparagraph (b) of 42 U.S.C.S. § 15483 of the Help America Vote Act of 2002 to show identification the first time that voter votes in a federal election in the state. After completing an application for an absentee ballot in person, such voter shall present: (i) a current and valid photo identification; or (ii) a copy of a current utility bill, bank statement, government check, paycheck or other *government* document that shows the name and address of the voter. Such individual who desires to vote in person but who does not show one of the forms of identification specified in this paragraph shall be offered a provisional ballot under the provisions of § 24.2-653. Neither the identification requirements of subsection B of § 24.2-643, nor the identification requirements of subsection A of § 24.2-653, shall apply to such voter at that election. The State Board of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to subsection B of § 24.2-653 and this section.

C. This section shall not be construed to require that an absentee ballot be sent to the absentee voter on receipt of a write-in absentee ballot unless the voter has also submitted an absentee ballot application pursuant to § 24.2-701, 24.2-702, or 24.2-703.

§ 24.2-703. Application for absentee ballots for multiple elections for uniformed and overseas voters. Any person who is eligible for an absentee ballot under subdivision 2 of § 24.2-700, or for temporary registration under ~~Articles~~ Article 7 (§ 24.2-440 et seq.) or 7.1 (§ 24.2-443.1 et seq.) of Chapter 4, may file a single application to receive ballots for all elections in which he is eligible to vote absentee. The application from any person who is eligible for an absentee ballot under subdivision 2 of § 24.2-700 that is received by the general registrar no later than 5:00 p.m. on the seventh day prior to the election shall be valid through ~~the end of the federal election cycle in which the voter submits the application~~ or for 365 days either the next November general election or federal general election, whichever is longer later. The application from any person applying for temporary registration under ~~Articles~~ Article 7 or 7.1 of Chapter 4 shall be accepted at any time until the registration records are closed pursuant to § 24.2-416 and shall be valid through ~~the end of the federal election cycle in which the voter submits the application~~ or for 365 days either the next November general election or federal general election, whichever is longer later. *In the event that a second or subsequent Federal Post Card Application is received from a voter, any previous applications shall be superseded and the duration of the most recently received application shall apply.*

§ 24.2-706. Duty of general registrar and electoral board on receipt of application; statement of voter.

On receipt of an application for an absentee ballot, the general registrar shall enroll the name and address of each registered applicant on an absentee voter applicant list that shall be maintained in the office of the general registrar with a file of the applications of the listed applicants. The list shall be available for inspection and copying and the applications shall be available for inspection only by any registered voter during regular office hours. Such list shall be used only for campaign and political purposes. Any list made available for inspection and copying under this section shall contain the post office box address in lieu of the residence street address for any individual who has furnished at the time of registration or subsequently, in addition to his street address, a post office box address pursuant to subsection B of § 24.2-418.

No list or application containing an individual's social security number, or any part thereof, or the individual's day and month of birth, shall be made available for inspection or copying by anyone. The State Board of Elections shall prescribe procedures for local electoral boards and general registrars to make the information in the lists and applications available in a manner that does not reveal social security numbers or parts thereof, or an individual's day and month of birth.

The completion and timely delivery of an application for an absentee ballot shall be construed to be an offer by the applicant to vote in the election.

The general registrar shall note on each application received whether the applicant is or is not a registered voter and notify the secretary of the electoral board. In reviewing the application for an absentee ballot, the general registrar and electoral board shall not reject the application of any individual because of an error or omission on any record or paper relating to the application, if such error or omission is not material in determining whether such individual is qualified to vote absentee.

If the application has been properly completed and signed and the applicant is a registered voter of the precinct in which he offers to vote, the electoral board shall, at the time when the printed ballots for the election are available, send ~~within three business days of receiving a properly completed application for an absentee ballot to the applicant by mail by the deadline set out in § 24.2-612,~~ obtaining a certificate of mailing, or deliver to him in person in the office of the secretary or registrar, the following

339 counted as a provisional ballot under the provisions of § 24.2-653. The State Board of Elections shall

354 mail, obtaining a certificate of mailing.

355 If the applicant states as the reason for his absence on election day any of the reasons set forth in
