- 7. Fiscal Impact Estimates: There is no fiscal impact for these technical changes.
- **8. Fiscal Implications:** There are no fiscal implications for this legislation.
- 9. Specific Agency or Political Subdivisions Affected:
- 10. Technical Amendment Necessary: No

11. Other Comments:

The legislation make a variety of technical changes and

- Provides that employees may purchase more than one month of service by payroll deduction in full or partial month increments.
- Updates the statutes governing the voluntary long-term care insurance program, eliminates the references to the previous DHRM plan, and clarifies eligibility for the current voluntary long-term care program.
- Corrects a typographical error (an incorrect subsection citation in Section 51.1-1116) in the *Code*.

- The bill clarifies retirement eligibility and the calculation of benefits for individuals who are receiving long-term disability benefits under VSDP.
- Clarifies health insurance credit eligibility for Optional Retirement Plan for Political Appointees (ORPPA) covered members on disability retirement.
- Removes a reference to Section 51.1-513, which has been repealed.
- Clarifies that persons in the defined contribution (DC) plan for school division superintendents are eligible for the health insurance credit if they are receiving long-term disability benefits. This language would make treatment of this group the same as the Optional Retirement Plan for higher education.
- Clarifies that ORPPA participants are eligible for state health insurance.

The Board of Trustees of the VRS requested this legislation.
