4. Title: Child support arrearages

5. Summary: The substitute bill clarifies that the Division of Child Support Enforcement will publish a delinquent parent list as determined by the Commissioner of the Department of Social Services in order to enhance enforcement.

6. Budget Amendment Necessary: No

7. No Fiscal Impact

8. Fiscal Implications: The Division of Child Support Enforcement currently publishes a list of certain delinquent noncustodial parents as a “most wanted” list as required by law. This bill eliminates the Code language referring to the list as “most wanted”; however a list of delinquent parents is still required. Moreover, the Commissioner is still required to determine the scope of the arrearage list. It is assumed that the proposed legislation will not significantly increase the overall number size and/or complexity of the list. Therefore, no appreciable fiscal impact is anticipated.
