4. Title: Use of Certified Mail by state agencies

5. Summary: Provides that whenever a state agency sends any mail or notice by certified mail and such mail or notice is sent certified mail, return receipt requested, then any additional mail or notice that is sent by such state agency pertaining to the same subject matter and purpose may be sent by regular mail.

6. Budget Amendment Necessary: No

7. Fiscal Impact Estimates: Unknown

8. Fiscal Implications: The postage cost for regular mail is less than the postage cost for certified, return receipt requested, for similar mailings. If a state agency can use regular mail rather than certified, return receipt requested, the agency will likely realize a cost avoidance using regular mail services.
