2. Patron: Hanger

3. Committee: Education and Health

4. Title: Youth health risk survey

5. Summary: Requires the Department of Health to develop and administer an annual random survey of students in public middle and high schools to facilitate planning and implementation of effective programs for substance abuse prevention through collection of information identifying trends in alcohol, tobacco, and other drug use and the assessment of risk and protective factors among youth of the Commonwealth. The bill provides that a student shall not be required to participate if his parents refuse consent in writing prior to administration of the survey, and requires local school boards to develop policies for the notification of parents of students selected for participation in the survey.

6. Budget Amendment Necessary: No.

7. Fiscal Impact Estimates: Preliminary. See Item #8.

8. Fiscal Implications: The Department of Education believes the bill could generate some additional administrative costs for local school divisions related to the notification of parents about participation in the survey; however, it would not have a state fiscal impact.

9. Specific Agency or Political Subdivisions Affected:

Virginia Department of Health

Department of Behavioral Health and Developmental Services

10. Technical Amendment Necessary: No.

11. Other Comments: No.
