4. Title: Restrictions on sexually violent offenders

5. Summary:

The current law makes it a Class 6 felony for anyone convicted of a sexually violent offense to enter school or day care center property during school hours, during school-related activities and school-sponsored activities. The exceptions to this prohibition are entering the school property in order to vote, attending class as a student, or with permission of a court order.

The proposed legislation clarifies that the prohibition applies to being on school property during school hours, during school-related functions, *or* during school-sponsored activities. That is, an offender would have to violate only one of the three conditions to be in violation of the statute.

6. Budget Amendment Necessary: None.

7. No Fiscal Impact. Final. See Item 8.

8. Fiscal Implications:

Under the provisions of § 30-19.1:4 of the Code of Virginia, the Virginia Criminal Sentencing Commission has determined that this legislation merely clarifies current statutory prohibitions related to sexually violent offenders entering school property and therefore is not expected to have any impact on state-responsible bed space needs.

9. Specific Agency or Political Subdivisions Affected: None.

10. Technical Amendment Necessary: None.

11. Other Comments: None.
