

VIRGINIA ACTS OF ASSEMBLY -- 2012 SESSION

CHAPTER 576

An Act to amend the Code of Virginia by adding a section numbered 9.1-402.1, relating to payments for burial expenses under the Line of Duty Act.

[S 441]

Approved April 4, 2012

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding a section numbered 9.1-402.1 as follows:

§ 9.1-402.1. Payments for burial expenses.

It is the intent of the General Assembly that expeditious payments for burial expenses be made for persons whose death is determined to be a direct and proximate result of their performance in the line of duty as defined by the Line of Duty Act. The State Comptroller is hereby authorized to release, at the request of the family of a person who may be subject to the line of duty death benefits, payments to a funeral service provider for burial and transportation costs. These payments would be advanced from the death benefit that would be due to the beneficiary of the deceased person if it is determined that the person qualifies for line of duty coverage. Expenses advanced under this provision shall not exceed the coverage amounts outlined in § 65.2-512. In the event a determination is made that the death is not subject to the line of duty benefits, the Virginia Retirement System or other retirement fund to which the deceased is a member will deduct from benefit payments otherwise due to be paid to the beneficiaries of the deceased payments previously paid by the State Comptroller for burial and related transportation expenses and return such funds to the State Comptroller. The State Comptroller shall have the right to file a claim with the Virginia Workers' Compensation Commission against any employer to recover burial and related transportation expenses advanced under this provision.
